Laid on Table 9/6/2017

**RESOLUTION NO. -2017, ADOPTING LOCAL LAW
NO. -2017, A LOCAL LAW TO IMPROVE ALARM SYSTEM
PERMITTING LAW**

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on _____, 2017, a proposed local law entitled, "**A LOCAL LAW TO IMPROVE ALARM SYSTEM PERMITTING LAW**"; now, therefore be it

RESOLVED, that the said local law be enacted in form as follows:

LOCAL LAW NO. -2017, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO IMPROVE ALARM SYSTEM PERMITTING LAW

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 42-2015 established a requirement that homeowners and businesses in the Suffolk County Police District obtain a permit from the Police Department to operate their alarm systems.

This Legislature also finds that Local Law No. 42-2015, codified at Chapter 290, Article II of the SUFFOLK COUNTY CODE, sought to discourage and diminish the incidence of false alarms by establishing an escalating fee schedule for false alarms at homes and businesses.

This Legislature further finds that homes and businesses that fail to register their systems are subject to a penalty when their first false alarm occurs.

This Legislature finds that less than adequate notice was provided to the people of Suffolk County regarding the implementation of the alarm system permitting program and as a result, many Suffolk residents and business owners are still not aware of the County's alarm permitting requirements.

This Legislature further determines that the goals of the alarm permitting program are best achieved by emphasizing public education about the program and deemphasizing monetary penalties.

This Legislature finds that alarm system owners who have failed to obtain a permit for their system should be given the opportunity to avoid a monetary penalty when they are cited for their first false alarm by either registering or deactivating their alarm system.

Therefore, the purpose of this law is to allow an alarm system owner who has failed to obtain a permit for their system to avoid a monetary penalty for their first false alarm.

Section 2. Amendment.

Section 290-9 of the SUFFOLK COUNTY CODE is hereby amended as follows:

§ 290-9. False alarm fees.

Section 5. SEQRA Determination.
