Subject: Request for Legislative Resolution

The Division is requesting a Legislative Resolution to allocate 100% OMH State Aid from the New York State Office of Mental Health to Family Service League and Federation of Organizations for emergency one-time funding for the transitioning of programs formerly operated by The Jewish Board of Family & Children’s Services. As per Resolution No. 870-2013, adopting Local Law 40, we would like to accelerate legislative consideration to allocate these funds. This acceleration is needed due to the critical need for continuation of these services and the need to add this additional funding to the 2016 adopted operating budget.

I am attaching drafts of the fiscal impact statement, intro resolution and routing form as well as the 2016 OMH state aid letter and letters from the OMH Long Field Office which provide further specifics of the funding.

RESOLUTION NO. -2016, CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF INCREASING AND IMPROVING FACILITIES FOR SUFFOLK COUNTY SEWER DISTRICT NO. 16 – YAPHANK MUNICIPAL (CP 8158)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 16 – Yaphank Municipal; and

WHEREAS, the Suffolk County Sewer Agency is recommending an increase and improvement to Suffolk County Sewer District No. 16 – Yaphank Municipal, namely, sewer system; and

WHEREAS, pursuant to New York County Law Section 268, the Suffolk County Sewer Agency has prepared maps and plans pertaining to these proposed increases and improvements to the facilities of Suffolk County Sewer District No. 16 – Yaphank Municipal and has also prepared an estimate of the costs of such increases and improvements and has filed these documents, along with its recommendations and reports of its proceedings, with the County Legislature of the County of Suffolk; and

WHEREAS, it would appear that these increases and improvements are in the best interests of the people of Suffolk County; and

WHEREAS, it is now desirable to call a public hearing on the Map and Plan pursuant to Section 253 and 254 of the New York County Law; now therefore, be it

1st RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 1st day of June 2016, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Hauppauge, New York in said County, on 1st day of June 2016 at 2:30pm, Prevailing Time, for the purpose of conducting a public hearing upon the Map and Plan
for the increases and improvements to the facilities of Suffolk County Sewer District No. 16 –
Yaphank Municipal; in and about the Town of Brookhaven substantially in accordance with the
maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with
the assistance of the Suffolk County Department of Public Works, and filed with the Legislature
of the County of Suffolk, at which time and place said County Legislature will consider such
proposal and hear all parties interested therein concerning the same.

The public hearing is being held to address a proposed cost associated with the Map
and Plan for the increase and improvement to the facilities of Sewer District No. 16 – Yaphank
Municipal.

Notice of Cost

The cost of the increase and improvement to the facilities of Sewer District No. 16 –
Yaphank Municipal is estimated at $250,000 as set forth in the Map and Plan.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer
District No. 16 – Yaphank Municipal, since pursuant to the ASRF, all property owners in Suffolk
County sewer districts experience a 3% annual increase regardless of any increases or
improvements performed. In the case of Suffolk County Sewer District No. 16, the annual ASRF
increase will result in an increase of approximately $12,500/year to the District that is composed
entirely of Suffolk County buildings with no residents. The annual expenses derive their sources
of funds from the Sewer District Serial Bonds supported by the ASRF and from the County
General Fund. Therefore, there is no fiscal impact caused to the benefited properties in the
District as a result of the Map and Plan that reflects the cost of the increases and improvements.

Copies of the map, engineering report, the public hearing report and the project
summaries are available in the Office of the Department of Public Works, located in Yaphank
and the Office of the Clerk of the County Legislature where they can be reviewed during normal
business hours Monday through Friday. We encourage all interested parties to appear. Any
questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County
Department of Public Works.

Section 3. This resolution shall take effect immediately.

2nd RESOLVED, that this Legislature, being the State Environmental Quality Review
Act (SEQRA) Lead Agency, hereby finds and determines that this resolution constitutes a Type
II Action pursuant to Title 6 NYCRR Part 617.5(C)(20) and (27) as the proposal involves the
adoption of regulations, policies, procedures and local legislative decisions in connections with
routine or continuing agency administration and management.

TITLE OF BILL – Calling a Public Hearing for the Purpose of Increasing and Improving Facilities for Suffolk County Sewer District No. 16 – Yaphank Municipal (CP 8158).

PURPOSE OR GENERAL IDEA OF BILL – To provide funding from the Adopted 2016 Capital Program and Budget for the rehabilitation and replacement of various components of the sewer system for Sewer District No. 16.

SUMMARY OF SPECIFIC PROVISIONS – The sewer collection system will be rehabilitated. Various areas within the sewer district have been identified as requiring attention due to potential failures.

JUSTIFICATION – The aging sewer system requires rehabilitation and replacement of certain elements. Rather than perform these tasks under emergency conditions, it is proactive to evaluate the system, identify areas where improvements can be made and make those improvements.

FISCAL IMPLICATIONS – Although the financing will be done by Sewer District Serial Bonds, the Assessment Stabilization Reserve Fund will stabilize the rates maintaining the rate increases at 3% per year as supported by the County General Fund.

SUBJECT: CALLING A PUBLIC HEARING FOR THE PURPOSE OF INCREASING AND IMPROVING FACILITIES FOR SUFFOLK COUNTY SEWER DISTRICT NO. 16 – YAPHANK MUNICIPAL (CP 8158)

DATE: March 7, 2016

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW CP 8158 – SD 16 – Yaphank Municipal Improvements Hearing 3-7-16 and backup filed as Backup DPW CP 8158 – SD 16 – Yaphank Municipal Improvements Hearing 3-7-16. The resolution calls for a public hearing to provide funds for the improvements of the sewer system. Funds requested in accordance with the 2016 Capital Budget of $250,000 use sewer district serial bonds. Using sewer district serial bonds will have no fiscal impact for the benefited properties due to the ASRF stabilizing rates at a 3% increase regardless of any improvements performed. It is noted that the district serves the Yaphank County Center and, therefore, the associated costs are derived from the Sewer District Serial Bonds supported by the ASRF and the County General Fund.

We appreciate the draft resolution being laid on the table as soon as possible such that the findings and appropriations can be adopted in 2016.

2016 INTERGOVERNMENTAL RELATIONS
MEMORANDUM OF SUPPORT

DEPARTMENT OF INFORMATION TECHNOLOGY

TITLE OF BILL: CP 1726 – FIBER CABLING NETWORK and WAN TECHNOLOGY UPGRADE

PURPOSE OR GENERAL IDEA OF BILL:
The scope of this project will primarily concern the Hauppauge north complex, H. Lee Dennison Bldg., Riverhead County Center, Yaphank County Center and Cohalan Court complex locations but will also involve every county location with WAN or fiber equipment.

SUMMARY OF SPECIFIC PROVISIONS:
The current County WAN infrastructure is nearing the end of its useful life. There are significant numbers of county switches and routers that are already at the end of their useful life. Over the course of the next three years all of the equipment will be either be at the end of its lease or at the end of its useful life. A phased approach to equipment replacement and refresh is required in order to ensure the integrity of the County’s WAN network. WAN equipment will be replaced with current technology and equipment that will provide the County with the ability to have a managed approach to growth and improve existing county services. The majority of the equipment is located in the Hauppauge, Riverhead and Yaphank datacenters. However, all the equipment in every county site will need to be replaced in the next three years.

JUSTIFICATION:
• Core Switch upgrades at the Hauppauge Data Center – Upgrades and improvements will be provided to meet the various County departments changing and growing needs for additional bandwidth and redundant routes over the Wide Area Network. (9 devices will be end of support by the end of 2016)
• Core Switch upgrades at the Riverhead Data Center – Upgrades and improvements will be provided to meet the various County departments changing and growing needs for additional bandwidth and redundant routes over the Wide Area Network and be compatible with the new Hauppauge design.
• Core Switch upgrades at the Yaphank Data Center – To be at the same standard that Hauppauge and Riverhead are at currently. The Core network is important to be upgraded as all public safety resides in this environment.
• Continue replacement of Countywide Security Equipment – The WAN security equipment is reaching its limit with the remote access tunnels allowed on current firewalls. This was identified as a limiting factor to our growth as we began necessary WAN/LAN improvements and upgrades forecasted in previous year’s capital projects.
• Wireless (WAP) Implementation – Continue the implementation of wireless access points with wireless controllers and switches. This will enable us to take advantage of through the use of laptops, without the need of running Ethernet cables to provide data connectivity. This will also reduce the use of hubs or unmanaged switches where there are not enough data jacks. Phase I occurred in 2012/2014.
• Police Department Virtual Desktop Infrastructure (VDI) – SCPD needs to build a VDI environment in order to deal with the dwindling personnel and equipment resources. VDI will allow the SCPD to easily support users using both new and older desktop PCs.

FISCAL IMPLICATIONS:
Appropriation of funding $720,000

DEPARTMENT OF INFORMATION TECHNOLOGY

TITLE OF BILL: CP 1729 – DISASTER RECOVERY PROJECT (CP 1729)

PURPOSE OR GENERAL IDEA OF BILL:
This project will be used to purchase the hardware and software to protect the critical applications currently running at the Department of Information Technology Building 50 location in an architecture that supports disaster recovery. This consists of server consolidation and virtualization to more efficiently use the system resources, storage area network (SAN) expansion to accommodate real-time data replication to an alternate datacenter, consolidated management and monitoring of all systems, and hardware support to access remote systems.

SUMMARY OF SPECIFIC PROVISIONS:
As part of the ongoing expansion and modernization of the server and storage infrastructure DoIT plans to include provisions for purchasing replacement blade servers for the existing underpowered EOL blades. There is also provision for storage and data backup capacity expansion in line with DoIT procurement philosophy of providing these services as infrastructure. The old fiber switch infrastructure in both Hauppauge and Riverhead datacenters will be upgraded. Also, a disaster recovery compliant server/storage infrastructure compliant with Oracle licensing requirements will be deployed in both Hauppauge and Riverhead datacenter. As well as funding for the Police and County Clerk disaster recovery projects

JUSTIFICATION:
The ability for the datacenter infrastructure supports the critical legacy systems that support the County’s operation in the event of an emergency.

Section 2.02 LANDLORD warrants that it holds such title to or other interest in the Demised Premises and other property as is necessary to give and fully provide the TENANT with access to the Demised Premises and full use and enjoyment thereof in accordance with the provisions of this Lease.

Section 2.03 LANDLORD warrants that the intended use of the Demised Premises is a permitted use under LANDLORD’s title to the Demised Premises and that LANDLORD knows of no covenant, restriction, or other agreement which would prevent such use or occupancy. LANDLORD further certifies that no covenants, restrictions, or other impediments to title have been added since the date of the issuance of the title insurance policy.

SECTION 3. TERM

Section 3.01 The term of this Lease shall be deemed to have commenced upon the expiration of the prior lease, on November 1, 2015 (the “Commencement Date”) and shall expire five (5) years later on October 31, 2020 (the “Expiration Date”), or on such earlier date as this Lease may terminate or expire as provided for herein; provided, however, that if such date does not fall on a “Business Day” defined below, then this Lease shall end on the next Business Day.

Section 3.02 LANDLORD shall have the option to extend the Lease for one additional five (5) year period commencing upon the expiration of the initial term, November 1, 2020 and expiring five (5) years later on October 31, 2025. The Option shall be exercised upon TENANT notifying LANDLORD prior to the expiration of the then current term of its intention to exercise the Option.

For the purposes of this Lease and all agreements supplemented to this Lease, the term “Business Day” means any day except a Saturday, a Sunday, or any day on which commercial banks are required or authorized to close in Suffolk County, New York.

SECTION 4. RENT

Section 4.01 "Annual Rent" for the Premises for the first year of the Term shall be $43,550.00, beginning on the Commencement Date. Annual Rent shall include all expenses of the Demised Premises including, but not limited to, taxes, insurance, maintenance, and common area charges.

Section 4.02 Commencing on the first anniversary date of the Commencement Date, and on each anniversary date thereafter, Annual Rent shall increase by 3% over the Annual Rent in the preceding year. The Commencement Date set forth at Section 3.01 shall be the operative determinant for annual rent escalations without regard or reference to the date of TENANT’s taking of actual possession and/or occupancy.

Section 4.03 Added to first year Annual Base Rent shall be the amount of $1,260 as “Custodial Charges.” Services which are to be provided in exchange for payment of Custodial Charges shall be in accordance with the cleaning specifications attached hereto as Exhibit C, hereinafter called “Custodial Services.” Commencing on the first anniversary of the Commencement Date, and on each anniversary date thereafter, Custodial Charges shall increase by sixty dollars ($60.00) over the amount payable in the immediately preceding year.

Section 4.05  Annual Rent for the Demised Premises shall be payable by TENANT to LANDLORD, at LANDLORD’s address first set forth above, or at such other place designated by LANDLORD in writing, in equal monthly installments, in advance, on the first day of each calendar month during the Term, except, however, the first monthly payment shall be payable within thirty (30) days of TENANT’s receipt of a signed voucher, in accordance with Section 4.06 below. Partial months shall be prorated.

Section 4.06  LANDLORD recognizes that TENANT is a municipal corporation whose financial obligations are strictly regulated by statute. The duly constituted rules, regulations, and proceedings of said municipality require that the payment of Total Annual Rent shall only be made in accordance with such statutes. As part of said procedures, it is necessary that LANDLORD submit vouchers provided by TENANT for the payment of Total Annual Rent hereinabove provided, and any other reasonable documentation as may be required by TENANT for payment of Expenses, as defined in Section 4.06, or other charges under the terms of this Lease. LANDLORD hereby agrees to submit such vouchers and all reasonable documentation of Expenses or other charges timely and as may be reasonably requested by TENANT’s Department of Audit and Control within one hundred eighty (180) days following the end of the calendar year in which such cost or expense relating to the request for payment was incurred. TENANT agrees to deliver vouchers to LANDLORD at least ten (10) Business Days after a request from LANDLORD for a voucher(s) to be submitted for payment of an Expense. Failure to submit the vouchers within one hundred and eighty (180) days following the end of the calendar year in which such cost or expense was incurred shall constitute grounds for the TENANT to deny payment for the same. If TENANT fails to deliver the vouchers as required hereunder, then LANDLORD shall not be required to submit the undelivered vouchers as a condition to its right to receive any payment to which such voucher relates, and the failure of LANDLORD to submit such undelivered voucher to TENANT shall not prevent or constitute a condition to LANDLORD’s ability to exercise its rights pursuant to Section 13. Once completed by LANDLORD, LANDLORD shall submit the vouchers to TENANT. By submitting completed vouchers for Annual Rent, LANDLORD shall have satisfied its obligation to request payment of Annual Rent hereunder for the entire calendar year.

Section 4.07  Any sums, charges, fees, expenses, or amounts to be paid by TENANT pursuant to the provisions of this Lease, other than Annual Rent, shall be designated as and deemed to be “Expense(s)” and shall be payable by TENANT to LANDLORD, as additional rent, within sixty (60) days after LANDLORD gives TENANT written notice that such payment is due, together with a voucher, and any supporting documentation reasonably required by TENANT, for the amount of such Expense, unless otherwise provided in this Lease. LANDLORD shall have the same rights and remedies upon TENANT’s failure to pay Expense as for the non-payment of the Annual Rent and TENANT’s obligations to make adjustments of Expenses referred to in this Lease, shall survive any expiration or termination of this Lease.
Section 4.08 The parties hereto acknowledge that TENANT is not, as of the date of execution of this Lease, in default under the Original Lease and that all payments required under the Original Lease have been paid in full by the COUNTY; there shall be no surviving cost or obligations to the COUNTY under the Original Lease.

SECTION 5. UTILITIES

Section 5.01 Provided the TENANT is not in default under any of the covenants of this Lease, LANDLORD shall provide, at LANDLORD’s sole cost and expense, during “Working Hours” (Monday through Friday from 8:00 a.m. to 6:00 p.m. and Saturdays from 8:00 a.m. to 1:00 p.m., holidays excepted: (a) heat to the Demised Premises when and as required by law; (b) water for ordinary lavatory purposes; and (c) air conditioning/cooling at reasonable temperatures, pressures and degrees of humidity and in reasonable volumes and velocities at suitable locations will be furnish during Working Hours when it may be required for the comfortable use and occupancy of the Demised Premises by the TENANT, (d) electricity to the Demised Premises

Section 5.02 All costs, fees, and charges for telephone/data services for the Premises during the Term, together with any taxes thereon, shall be a TENANT charge and shall be paid by TENANT directly to the applicable utility. Any utility connections required to be made for TENANT’s use following the Commencement Date shall be a TENANT charge. Other services shall be paid as indicated on the “Landlord-Tenant Responsibilities Sheet” annexed as Exhibit B.

SECTION 6. CONDITION OF PREMISES

LANDLORD and TENANT acknowledge and agree that TENANT has used and occupied the Premises for a continuous period and TENANT hereby accepts the Premises in their “as is” condition.

SECTION 7. PREVAILING WAGE

Section 7.01 Any construction or reconstruction of the Premises constitutes a public works contract under Article 8 of the Labor Law. LANDLORD acknowledges and agrees to comply with the prevailing wage requirements in connection with any construction or reconstruction of the Premises.

Section 7.02 No person performing, aiding in, or assisting in construction or reconstruction of the Premises shall be paid less than the said prevailing rates as defined and utilized under Section 220 of the Labor Law. Any person or corporation that willfully pays, after entering into a contract, less than this established wage schedule shall be guilty of an offense punishable by a fine or by imprisonment or both.

Section 7.03 LANDLORD is advised to fully familiarize itself with all applicable provisions of the New York State Labor Law and more specifically, Article 8, Public Work. It is the responsibility of the LANDLORD to provide each of its contractors/subcontractors with the prevailing wage rate schedule. The prime contractor is responsible for any underpayments of prevailing wages or supplements by its contractors/subcontracts.
SECTION 8. LAWFUL HIRING OF EMPLOYEES LAW IN CONNECTION WITH CONTRACTS FOR CONSTRUCTION OR FUTURE CONSTRUCTION

This Lease is subject to the Lawful Hiring of Employees Law of the County of Suffolk, Suffolk County Code Chapter 234, as more fully set forth in Exhibit C entitled “Suffolk County Legislative Requirements.” In accordance with this law, LANDLORD and any subcontractor or owner, as the case may be, agrees to maintain the documentation mandated to be kept by this law on the construction site at all times. LANDLORD and any subcontractor or owner, as the case may be, further agree that employee sign-in sheets and register/log books shall be kept on the construction site at all times during working hours and all covered employees, as defined in the law, shall be required to sign such sign in sheets/register/log books to indicate their presence on the construction site during such working hours.

SECTION 9. CARE OF DEMISED PREMISES BY LANDLORD

Section 9.01 Excepting damage arising out of the willful acts or negligence of the TENANT, its officers, employees, agents, or invitees, LANDLORD shall maintain and repair the Premises, including the building, Building Systems, and all equipment, fixtures, and appurtenances furnished by the LANDLORD under this Lease, in good repair and condition, at its own cost and expense.

Section 9.02 TENANT shall give to LANDLORD prompt written notice (notice by fax or e-mail being acceptable) of any accidents, damage, or defects in the roof, the exterior of the building, plumbing, electrical service, electrical lights, HVAC apparatus, or any other building system. Absent misconduct by the TENANT, these defects shall be remedied by LANDLORD.

SECTION 10. INSURANCE

Section 10.01 TENANT shall procure and keep in full force and effect at its own cost and expense liability insurance in which policy LANDLORD or, in the event TENANT is requested in writing by LANDLORD, LANDLORD’s Mortgagee, or their successors or assigns, shall be named as an additional insured in an amount not less than One Million Dollars ($1,000,000.00) per occurrence for bodily injury and One Million Dollars ($1,000,000.00) per occurrence for property damage, and shall furnish LANDLORD with proof of same.

Section 10.02 Notwithstanding the foregoing, TENANT, at its sole option, subject to TENANT being in full compliance with all applicable New York State, local and federal regulations regarding TENANT’s self-insurance program and subject to TENANT’s satisfying the Self-Insurance Standard, may elect to be either partially or totally self-insured and thereby assume responsibility for that portion of the liability insurance for which it is insured. In this case, TENANT must notify LANDLORD of its self-insured status by a signed writing. This self-insurance is to be excess over any other valid and collectible insurance.

Section 10.03 In the event that a lease is for less than 100% of the building, the TENANT shall only provide liability insurance, naming LANDLORD as an additional insured, for the area which it leases. The LANDLORD is required to provide liability insurance, naming the TENANT as an additional insured, for all common areas or any other areas of the building not leased to the TENANT, including all exterior areas of the Demised Premises such as parking areas and walkways, regardless of whether the areas are designated for the TENANT’s use including
contractual liability coverage, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence for bodily injury and One Million Dollars ($1,000,000.00) per occurrence for property damage.

Section 10.04 All risk of loss from fire or any other peril causing damage or destruction to the Premises or any other real or personal property of LANDLORD during the Term shall be borne by LANDLORD. Any property insurance policy(s) obtained by LANDLORD to cover this exposure shall contain a Waiver of Subrogation against TENANT. Prior to the Commencement Date, LANDLORD must submit to TENANT a current certificate of insurance indicating that such waiver is in full force. The risk of loss from any peril to the personal property, furniture, fixtures, equipment of TENANT located on the Demised Premises shall be borne by TENANT, and TENANT waives any right of subrogation against LANDLORD with respect to such losses.

SECTION 11. INDEMNIFICATION

Section 11.01 To the extent permitted by law, TENANT shall protect, indemnify and hold harmless LANDLORD and its officers, officials, employees, contractors, and agents from and against all liabilities, fines, penalties, actions, damages, claims, demands, judgments, losses, costs, expenses, suits or actions, including reimbursement of the cost of reasonable attorneys’ fees, arising out of the acts, omissions, or the negligence of TENANT, its officers, agents, servants, employees, contractors or subcontractors in connection with the Premises and TENANT’s obligations under the Lease; provided, however, that TENANT shall not indemnify for that portion of any claim, loss or damage arising under this Lease due to the negligent act or failure to act of the LANDLORD. TENANT shall defend LANDLORD and its officers, officials, employees, contractors, agents and other persons in any suit, including appeals, or at TENANT’s option, pay reasonable attorney’s fees for defense of any such suit arising out of the acts, omissions, or negligence of TENANT, its officers, officials, employees, subcontractors or agents, if any, in connection with the Demised Premises and TENANT’s obligations under the Lease.

Section 11.02 To the extent permitted by law, LANDLORD shall protect, indemnify and hold harmless TENANT and its officers, officials, employees, contractors, and agents from and against all liabilities, fines, penalties, actions, damages, claims, demands, judgments, losses, costs, expenses, suits or actions, including reimbursement of the cost of reasonable attorneys’ fees, arising out of the acts, omissions, or the negligence of LANDLORD, its officers, agents, servants, employees, contractors or subcontractors in connection with the Premises and LANDLORD’s obligations under the Lease; provided, however, that LANDLORD shall not indemnify for that portion of any claim, loss or damage arising under this Lease due to the negligent act or failure to act of the TENANT. LANDLORD shall defend TENANT and its officers, officials, employees, contractors, agents and other persons in any suit, including appeals, or at TENANT’s option, pay reasonable attorney’s fees for defense of any such suit arising out of the acts, omissions, or negligence of LANDLORD, its officers, officials, employees, subcontractors or agents, if any, in connection with the Demised Premises and LANDLORD’s obligations under the Lease.

SECTION 12. FIRE AND CASUALTY DAMAGE

Section 12.01 If either the entire Demised Premises or more than 50% of the Demised Premises is destroyed by fire or other casualty, and cannot be fully restored within thirty (30) days, this Lease will immediately terminate. In case of partial destruction or damage in an amount less that 50% of the Demised Premises, which renders the entire Demised Premises usable for the intended purposes, as reasonably determined by either LANDLORD or the TENANT, and LANDLORD is unable to guarantee the full restoration of the Demised Premises within thirty (30) days from the
date of such partial destruction or damage, either party may terminate the Lease by giving written notice to the other party within ten (10) calendar days of the fire or other casualty; if so terminated, no rent will accrue to the LANDLORD after such partial destruction or damage;

Section 12.02 As long as TENANT is deprived of the use of any or all of the Demised Premises on account of fire or casualty, Annual Rent shall be abated in proportion to the usable area of the Demised Premises that are rendered substantially unfit for occupancy by such fire or casualty, unless, in TENANT's sole judgment, such fire or casualty renders the undamaged part of the Demised Premises materially unsuitable for use by TENANT for the uses contemplated by this Lease, in which event the Total Annual Rent shall be abated entirely during such period of deprivation.

Section 12.03 Unless LANDLORD or TENANT shall serve a termination notice as provided for in Sections 12.01, LANDLORD shall work diligently to make all repairs and restorations to the Demised Premises, with all reasonable expedition, subject to delays due to adjustment of insurance claims and Excusable Delays. After any such casualty, TENANT shall cooperate with LANDLORD's restoration by removing from the Demised Premises as promptly as reasonably possible any of TENANT's salvageable inventory and movable equipment, furniture, and other property as requested by LANDLORD.

Section 12.04 The parties agree that this Section 12 constitutes an express agreement governing any case of damage or destruction of the Demised Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force shall have no applicability.

SECTION 13. NEGATIVE COVENANTS

Section 13.01 TENANT shall not use, occupy, maintain, or operate the Demised Premises, nor suffer or permit the Demised Premises or any part thereof to be used, occupied, maintained, or operated, nor bring into or keep at the Demised Premises, nor suffer or permit anything to be brought into or kept therein, which would in any way (a) violate any term, covenant, or condition of this Lease, (b) violate any restrictive covenant, operating covenant, encumbrance, or easement affecting the Demised Premises, (c) violate any Legal Requirements, (d) make void or voidable any insurance policy then in force with respect to the Demised Premises or make any such insurance unobtainable or increase the rate of any insurance with respect to the Demised Premises, (e) cause physical damage to the Demised Premises or any part thereof, (f) permit the excess accumulation of waste or refuse matter, or (g) constitute a public or private nuisance.

Section 13.02 TENANT shall not place a load upon any floor or roof of the Demised Premises that exceeds the floor/roof load per square foot that such floor/roof was designed to carry or which is allowed by Legal Requirements.

SECTION 14. LANDLORD'S DEFAULT REMEDIES/DAMAGES

Section 14.01 Upon the occurrence, at any time prior to, or during the Term of the Lease, in addition to any other remedy available to LANDLORD at law or in equity, of any one or more of the following events (referred to as "Events of Default"):

(i) if TENANT shall default in the payment when due of any installment of Annual Base Rent, and any such default continues for ten (10) Business
Days, except for January of each calendar year, then if such default in January continues beyond ten (10) Business Days, after LANDLORD shall give TENANT a written notice specifying such default; or

(ii) if TENANT defaults in the keeping, observance or performance of any covenant or agreement (other than a default of the character referred to in (i) above), and if such default continues and is not cured within thirty (30) days after LANDLORD gives TENANT written notice specifying same, or, in the case of a default which for causes beyond TENANT’s reasonable control cannot, with reasonable diligence be cured within such period of thirty (30) days, if TENANT shall not immediately upon the giving of such written notice, (a) advise LANDLORD of TENANT’s intention duly to institute all steps necessary to cure such default and (b) institute and thereafter diligently prosecute to completion all steps necessary to cure the same;

the following Sections shall apply and LANDLORD shall have the rights and remedies set forth herein, which rights and remedies may be exercised upon or at any time following the occurrence of an Event of Default unless, prior to such exercise, LANDLORD shall agree in writing with TENANT that the Event(s) of Default has been cured by TENANT in all respects.

Section 14.02 By notice to TENANT, LANDLORD shall have the right to terminate this Lease as of a date specified in the notice of termination and in such case, TENANT’s rights, including any based on any option to renew, to the possession and use of the Demised Premises shall end absolutely as of the termination date; and this Lease shall also terminate in all respects except for the provisions hereof regarding LANDLORD’s damages and TENANT’s liabilities arising prior to, out of or following the Event of Default and the ensuing termination.

Section 14.03 Unless and until LANDLORD has terminated this Lease pursuant to Section 14.02 above, TENANT shall remain fully liable and responsible to perform all of the covenants, and to observe all the conditions of this Lease throughout the remainder of the Term to the early termination date.

Section 14.04 LANDLORD shall have all rights and remedies now or hereafter existing at law or in equity with respect to the enforcement of TENANT’s obligations hereunder and the recovery of the Demised Premises. No right or remedy herein conferred upon or reserved to LANDLORD shall be exclusive of any other right or remedy, but shall be cumulative and in addition to all other rights and remedies given hereunder or now or hereafter existing at law.

Section 14.05 No delay or forbearance by LANDLORD in exercising any right or remedy hereunder, or LANDLORD’s undertaking or performing any act or matter which is not expressly required to be undertaken by LANDLORD shall be construed, respectively, to be a waiver of LANDLORD’s rights or to represent any agreement by LANDLORD to undertake or perform such act or matter thereafter. Waiver by LANDLORD of any breach by TENANT of any covenant or condition herein contained (which waiver shall be effective only if so expressed in writing by LANDLORD) or failure by LANDLORD to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the future of LANDLORD’s right to have any such covenant or condition duly performed or observed by TENANT, or of LANDLORD’s rights arising because of any subsequent breach of any such covenant or condition nor bar any right or remedy of LANDLORD in respect of such breach or any subsequent breach. LANDLORD’s receipt and acceptance of any payment from TENANT which is tendered not in conformity with the provisions of this Lease or following an Event of Default.
(regardless of any endorsement or notation on any check or any statement in any letter accompanying any payment) shall not operate as an accord and satisfaction or a waiver of the right of LANDLORD to recover any payments then owing by TENANT which are not paid in full, or act as a bar to the termination of this Lease and the recovery of the Demised Premises because of TENANT’s previous default.

Section 14.06 Except for the monetary obligations of either party, LANDLORD and TENANT shall not be in default of this Lease because of such party’s inability to perform the covenants and obligations set forth herein during the continuance of any period of Excusable Delays, except as may otherwise be expressly specified in this Lease.

As used in this Lease, the term “Excusable Delays” means delays arising without the fault or negligence of LANDLORD or LANDLORD’s contractors, subcontractors, and suppliers, and shall include, without limitation: Acts of God or of the public enemy, fire, floods, unusual severe weather, epidemics, quarantine restrictions, strikes, labor disputes, major material shortages preventing procurement of such materials, riots, war insurrection, inaction or delay by governmental authorities, or other unforeseeable causes beyond the control and without the fault or negligence of LANDLORD, its contractors, and subcontractors.

SECTION 15. TENANT’S DEFAULT REMEDIES

Section 15.01 In the event of an interruption, curtailment, or failure by LANDLORD to supply cooled or outside air, heat, plumbing or electricity for ten (10) consecutive business days after LANDLORD has received written notice of such interruption, curtailment or failure (except that this Section 14.01 shall only apply in the event such interruption, curtailment or failure of such services occurs as a direct result of the negligence or failure by LANDLORD to comply with its repair or maintenance obligations regarding such systems, or design inadequacies), and where (a) such failure is not caused by Excusable Delays or causes reasonably beyond the control of LANDLORD, and (b) the Premises has been placed in a condition where TENANT can not reasonably be expected to continue to use the Premises for its intended purposes, and (c) LANDLORD has not commenced to cure such condition or has not used reasonable diligence in following same to completion, the same shall constitute a constructive eviction, in whole or in part, and TENANT shall (x) be entitled to a pro rata abatement of rent during the period any such interruption, curtailment or failure continues and until such services are restored; or (y) entitled to terminate this Lease upon notice to LANDLORD.

Section 15.02 No delay or forbearance by TENANT in exercising any right or remedy hereunder, or TENANT’s undertaking or performing any act or matter which is not expressly required to be undertaken by TENANT shall be construed, respectively, to be a waiver of TENANT’s rights or to represent any agreement by TENANT to undertake or perform such act or matter thereafter. Waiver by TENANT of any breach by LANDLORD of any covenant or condition herein contained (which waiver shall be effective only if so expressed in writing by TENANT) or failure by TENANT to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the future of TENANT’s right to have any such covenant or condition duly performed or observed by LANDLORD, or of TENANT’s rights arising because of any subsequent breach of any such covenant or condition nor bar any right or remedy of TENANT in respect of such breach or any subsequent breach. TENANT’s receipt and acceptance of any payment from LANDLORD which is tendered not in conformity with the provisions of this Lease or following an Event of Default (regardless of any endorsement or notation on any check or any statement in any letter accompanying any payment) shall not
operate as an accord and satisfaction or a waiver of the right of TENANT to recover any payments then owing by LANDLORD which are not paid in full, nor shall it act as a bar to the termination of this Lease.

SECTION 16. SURRENDER OF DEMISED PREMISES; HOLDOVER

Section 16.01 This Lease and the tenancy hereby created shall cease and terminate at the end of the above term, without the necessity of any further notice from either the LANDLORD or the TENANT to terminate the same and that continued occupancy of the Demised Premises by the Lessee after the expiration of said term shall not operate to renew the Lease for said term or any part thereof.

Section 16.02 On the Expiration Date, or upon the earlier termination of this Lease, TENANT shall, at its expense, quit, surrender, vacate, and deliver the Demised Premises to LANDLORD in good order, condition and repair, ordinary wear and tear and damage for which TENANT is not responsible under the terms of the Lease, or damage by the elements, fire or other casualty beyond TENANT's reasonable control excepted, together with all improvements therein. TENANT shall, at its expense, remove from the Demised Premises all TENANT's personal property and any personal property of Persons claiming by, through or under TENANT, equipment, furniture, and any Alterations not approved by LANDLORD, and shall repair or pay the cost of repairing all damage to the Demised Premises occasioned by such removal. Any TENANT's personal property or Alterations of TENANT, which shall remain in the Demised Premises after the termination of this Lease, shall be deemed to have been abandoned and either may be retained by LANDLORD as its property or may be stored or disposed of as LANDLORD may see fit. If property not so removed shall be sold, LANDLORD may receive and retain the proceeds of such sale and apply the same, at LANDLORD's option, against the reasonable expenses of the sale, moving and storage, arrears of rent and any damages to which LANDLORD may be entitled. Any excess proceeds shall be the property of LANDLORD.

Section 16.03 If TENANT shall remain in possession of the Demised Premises after the termination of this Lease without the execution of a new lease, TENANT, subject to all of the other terms of this Lease insofar as the same are applicable to a month-to-month tenancy, and without waiving TENANT's default or preventing LANDLORD from suing to obtain possession, shall be deemed to be occupying the Demised Premises as a tenant from month to month, at a monthly rental equal to one hundred and three percent (103%) of the monthly rent last payable by TENANT prior to the expiration of the Lease.

Section 16.04 The provisions of this Section 16 shall survive the expiration or earlier termination of this Lease.

JUSTIFICATION: THE COUNTY HAS BEEN AT THIS LOCATION SINCE MOVING OUT OF THE TOWN HALL BASEMENT OVER 5 YEARS AGO. THE CLOSE PROXIMITY TO TOWN GOVERNMENT WORKS WELL FOR THIS GROUP AND SATISFIES THE COUNTY REQUIREMENT TO GIVE PRIORITY TO GOVERNMENT OWNED LEASEABLE LOCATIONS.

FISCAL IMPLICATIONS: THE RENT AT THIS LOCATION WILL BE INCREASING BY 5% WITH A 3% ANNUAL ESCALATION AND THE CUSTODIAL COST WILL INCREASE $60 PER YEAR BUT REMAIN FLAT. THIS IS WITHIN THE RANGE OF THE RENT ANALYSIS
SPACE SELECTION REPORT

BUILDING # R0798

Summary:
The building at 32 Jackson Avenue, Hampton Bays is owned and maintained by the Town of Southampton and has been utilized by the Suffolk County District Attorney since 2009. This facility had previously been located in the basement of Southampton Town Hall, but was relocated when the town built this facility to relieve overcrowding at Town Hall. A Space Assignment Request was submitted by the department with a preference to remain at the current location. The current 32 Jackson Avenue facility in Hampton Bays meets the departmental requirements and was deemed to be the strongest option for the County by the department and the Space Management Steering Committee following lease negotiations with the landlord. The rent falls within the rent range and utilities are included. Added to that, the newness of the space, secure access and adjacencies to town facilities makes this an ideal location. The landlord has agreed to a 5-year lease with a 5 year option to renew. Overall, the County will be leasing 2,198 square feet of administrative and office space that will serve the Suffolk County District Attorney office.

Attached is a draft resolution to appropriate the sum of $1,273,610 for construction in connection with the above referenced project. There are sufficient funds included in the 2016 Capital Budget and Program for this project.

These measures include replacement of culverts and headwalls at Branch Drive and Terrace Lane, as well as removal of sediments from the Channel of Northeast Branch in the vicinity of NYS Route 111 and Old Hauppauge Road.

The Suffolk County Council on Environmental Quality has reviewed this project and determined that it constitutes an unlisted action and no further review is required. The Suffolk County Legislature concurred with this finding pursuant to Resolution 96-2015.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP8710(Niss River).doc”.

MEMORANDUM

TO: Jon Schneider, Deputy County Executive

FROM: Gilbert Anderson, P.E. Commissioner

DATE: March 21, 2016

RE: Amending the 2016 Capital Budget and Program and Appropriating Additional Funding in connection with Pavement Resurfacing of CR 100, Suffolk Avenue from the vicinity of Washington Avenue to the vicinity of NY 454 (CP 5599-315, PIN 076084)

Attached is a draft resolution requesting additional funding in connection with the above referenced project. Additional Federal Aid funds have been identified. Funds are not included in the 2016 Capital budget and program for this project. However, pursuant to the Suffolk County charter, Section C4-13, an offsetting authorization is not required on amendments which are financed in an amount of at least fifty percent (50%) by Federal or State aid.

This project was let in December of 2015. While there is sufficient funding in place to award the construction project, additional funds are required to procure an consultant for construction support and inspection.

The requested increase of $550,000 ($440,000 Federal share (80%) and $110,000 County share (20%)), will enable the County to proceed to project Letting and construction.

The revised project cost of $7,245,000, reflects a revised share allocation of $5,796,000 (80% Federal) and $1,449,000 (20% County).

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5599(CR100 Addtln Funds).doc”.

RE: Amending the 2016 Capital Budget and Program and Appropriating Funds in Connection with Strengthening and Improving County Roads (CP 5014)

Attached is a draft resolution to appropriate the sum of $5,185,000 for construction and $200,000 for engineering in connection with the above referenced project. There are insufficient funds included in the 2016 Capital Budget and Program for this project, however, pursuant to the Suffolk County charter, Section C4.13, an offsetting authorization is not required on amendments which are financed in an amount of at least fifty percent (50%) by Federal or State aid. The amending portion of this appropriation request involves receipt of State Aid at 100%.

Engineering funds will enable the Department to procure a consultant to inventory existing handicapped access ramp locations along County roads and draft required modifications to ensure the County is current with ADA (Americans with Disabilities Act) compliance. These funds will also allow for consultant support/inspection when needed on projects that involve the strengthening and improving of county roads. Construction funds will provide for the repair and/or resurfacing of roadways throughout Suffolk County. This project improves both the surface and structural condition of the road and significantly extends the life of the roadway. Additionally, these funds provide for the repair of other related appurtenances (drainage, curb, etc.) within the roadway limits. Preventive maintenance is necessary to provide safe highway travel and mitigate future costly reconstruction projects.

A potential list of locations for repair/resurfacing is attached. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature under a previous version of the implementing rules and regulations of SEQRA and determined that the project constitutes a Type II action.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5014(S&I CRs Constr & Plan).doc”.

I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to notify Local Departments of Social Services (LDSSs) of their allocations for non-residential domestic violence (DV) services administered through the New York State Office of Children and Family Services (OCFS). The enacted budget for State Fiscal Year (SFY) 2016 includes a Temporary Assistance for Needy Families (TANF) appropriation of $3,000,000 for the provision of non-residential domestic violence services. The allocation for each LDSS is listed in Attachment A of this document.

II. Background

TANF funding for non-residential domestic violence services is administered by OCFS. In addition to using the TANF appropriations for non-residential domestic violence services, LDSSs have the option of also dedicating a portion of their Flexible Fund for Family Services (FFFS) allocations to further support non-residential domestic violence services.

III. Allocation Methodology

The TANF funding for non-residential domestic violence services is allocated to LDSSs based on program needs and the LDSS’s prior year allocation. A base allocation of $24,999
is provided to each LDSS. Additional funds are allocated based on the LDSS's previous domestic violence expenditures and claiming history. Please see Attachment A for a complete list of LDSS allocations.

IV. Program Implications and Federal TANF Funding Guidelines

These TANF funds must be used for enhanced or expanded core and/or optional non-residential domestic violence services provided by OCFS-approved non-residential domestic violence programs, but only for persons with incomes up to 200 percent of the poverty level. For a complete list of approved non-residential domestic violence programs, refer to the OCFS website at http://ocfs.ny.gov/main/dv/providerlist.asp.

LDSS must complete Attachment B, TANF 2015-16 Non-Residential Domestic Violence Services Plan and Allocation Attestation, indicating whether the LDSS intends to access its TANF allocation. If the LDSS intends to use the funds, a plan needs to be submitted for each approved non-residential domestic violence service provider that will receive money from this allocation. The plans must provide a description of the programs and services being provided with the TANF monies for TANF eligible victims of domestic violence and their children.

Note: Funds cannot be used for medical services, domestic violence hotline services, domestic violence outreach/educational services, or capital expenditures.

Please send the signed and dated Attachment B and plans by July 30, 2015 by mail to:

Pamela Jobin  
NYS Office of Children & Family Services  
Bureau of Program and Community Development  
52 Washington Street, Room 334 North  
Rensselaer, NY 12144-2834

As in previous years, these funds must be expended and claimed in accordance with the federal TANF Funding Guidelines and Claiming Instructions (see Attachment C).

V. Claiming Instructions and Periods

All expenditures from the non-residential domestic violence services allocation should be claimed in accordance with the LDSS' non-residential domestic violence services approved plan.

The expenditures for the approved non-residential domestic violence services projects should be claimed through the RF17 claim package for special project claiming. Administrative and/or contracted costs associated with approved plans should be identified as F17 functional costs and reported on the Schedule D, LDSS-2347, "DSS Administrative Expenses Allocation and Distribution by Function and Program," in the F17 column in the RF2A claim package. The individual project costs must also be reported on the LDSS-4975A, "RF17 Worksheet, Distribution of Allocated Costs to Other Reimbursable Programs," using the project label Non Res DV 14 from the drop down menu on the Automated Claiming System (ACS).
Salary and non-salary costs of staff should be charged to the RF17 claim package. LDSS staff whose responsibilities include both non-residential domestic violence services and other tasks or services must be time studied. Only costs related to non-residential domestic violence services should be charged to the RF17 claim package for non-residential domestic violence services.

Non-salary administrative costs are reported with the appropriate object of expense(s) on the LDSS-923B Summary-Administrative (page 1), "Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs." Program costs are reported as an object of expense 37 - Special Project Program Expense on the LDSS-923B Summary-Program (page 2), "Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs." The expenditures should be entered in the RF17 Claim Package based on the guidelines noted in Attachment C.

Total project costs and shares should be reported on the LDSS-4975 "Monthly Statement of Special Project Claims Federal and State Aid (RF-17)."

Instructions for the Schedule D and RF17 claim package are found in Chapters 7 and 18 respectively of the Fiscal Reference Manual (FRM) Volume 3. The FRMs are available online at http://otda.state.ny.gov/bfdm/finance/.

Costs are claimed at 100 percent federal share for clients in receipt of TANF or who are eligible for TANF with incomes up to 200 percent of the federal poverty level. Reimbursement is available up to the limit of the allocation. Costs over the allocation will be regular domestic violence services expenditures, which are subject to 49 percent state reimbursement net of any available Title XX funds.

Because of federal reporting requirements, LDSSs must report program and administrative costs separately for claiming purposes. The RF17 claim package permits reporting both types of expenditures on the same form.

Under federal TANF regulations, there is a 15 percent limitation for costs claimed for administrative activities. Under the same regulations, certain activities that were previously considered administrative are now classified as program costs and, therefore, are not subject to the 15 percent cap. The guidelines on which costs are administrative and which are non-administrative are contained in Attachment C.

The funds announced in this LCM for FY 2016 (DV Round 14), which are labeled on the RF-17 as Non Res DV 14, must be spent by June 30, 2016, and claimed by August 15, 2016. These funds are to be used to reimburse expenses incurred beginning October 1, 2014, and ending June 30, 2016, with claims due by August 15, 2016.

Additionally, unexpended balances of non-residential domestic violence services funding from DV 11 (FY 2013 funding) labeled as Non Res DV 11, from DV 12 (FY 2014 funding) labeled as Non Res DV 12 and from DV 13 (FY 2015 funding) labeled as Non Res DV 13 can be claimed on the RF17 for expenditures incurred from October 1, 2014 through June 30, 2016, with claims due by August 15, 2016. Any LDSSs that have remaining Non Res DV 11, DV 12 and DV 13 allocations should spend down those balances prior to claiming for Non Res DV 14 monies. OCFS may reallocate any unspent funds from an LDSS to other LDSSs that have claims in excess of their allocations.

Allowable Costs

- Allowable services must meet the federal definition of non-assistance.

- The funds may not be used for assistance. Assistance for federal purposes consists of any payment or benefit designed to meet ongoing basic needs -- food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses. Assistance also includes supportive services such as transportation or child care provided to unemployed recipients. Assistance paid to a person receiving family assistance or non-cash safety net assistance/federal participation is counted toward the 60-month TANF time limit. Assistance counts toward the support offset.
Funds may be utilized to provide transportation services only when those services are incidental to the services being provided to people receiving TANF-funded public assistance (PA). With regard to transportation services, transportation is permissible for employment or other allowable activities, as long as the program of transportation does not constitute assistance or, if it does constitute assistance, it is only provided to people receiving PA.

Funds cannot be used for medical services, domestic violence hotline services, domestic violence outreach/educational services, and capital expenditures.

Cost Allocation

Costs must be allocated to benefiting programs when more than one program is involved in a particular activity, whether done by LDSS staff or contractor staff. Cost allocation rules are contained in the Fiscal Reference Manuals and in Federal Circular OMB A-87 for LDSSs; non-profit organizations, other than hospitals and institutions of higher education or those specifically excluded, are governed by OMB Circular A-122; OMB Circular A-21 contains rules for education institutions, 48 CFR 31 governs for-profit organizations.

Administrative Costs 15 Percent Rule

The maximum amount the state can spend on administration is 15 percent against the TANF Block Grant after transfer to other block grants. This limitation applies to the non-residential domestic violence allocation for FY 2016.

The federal definition of administration is different from the state definition. When TANF costs are claimed to the federal government, they must be claimed according to the federal definition. The final federal regulations exclude direct costs, including salaries and benefits costs for staff providing program services and the direct administrative costs associated with providing these services (e.g., supplies, equipment, travel, postage, utilities, rental costs, and maintenance). For example, the cost of providing diversion benefits and services, providing program information to clients, screening and assessment, development of employability plans, work activities, post-employment services, work supports, and case management services, including those involving child welfare case management, except for performing the eligibility determinations, are all excluded from the definition, and should be claimed as program expenditures. Also excluded are costs for contracts devoted entirely to program activities.

The revised definition specifically includes contract costs (except those excluded totally or in part as program activities), all indirect and overhead costs, and activities related to eligibility determinations within the definition of administrative costs. The following are examples of administrative costs included in the regulations:

- Salaries and benefits of staff performing administrative and coordination functions
- Preparation of program plans, budgets, and schedules
- Monitoring programs and projects
- Fraud and abuse units
- Procurement activities
- Public relations
- Services related to accounting, litigation, audits, management of property, payroll, and personnel
• Costs for the goods and services required for administration of the program (supplies, equipment, travel postage, utilities, office rent, and maintenance), provided that such costs are not excluded as program services
• Travel costs incurred for official business and not excluded as program costs
• Management information systems not related to tracking and monitoring (such as state payroll staff)
• Preparing reports and other documents

Overhead and A-87 costs must be budgeted for any program for which LDSS staff is budgeted.

Claiming Instructions (repeated from Page 2 of the LCM)

All expenditures against the non-residential domestic violence services allocation should be claimed in accordance with the LDSS’s non-residential domestic violence services approved plan.

The expenditures for the approved non-residential domestic violence services projects should be claimed through the RF17 claim package for special project claiming. Administrative and/or contracted costs associated with approved plans should be identified as F17 functional costs and reported on the Schedule D, "DSS Administrative Expenses Allocation and Distribution by Function and Program (LDSS-2347)," in the F17 column in the RF2A claim package. The individual project costs must also be reported on the LDSS-4975A, "RF17 Worksheet, Distribution of Allocated Costs to Other Reimbursable Programs," using the project label Non Res DV 14 from the drop down menu on the Automated Claiming System (ACS).

Salary and non-salary costs of staff should be charged to the RF17 claim package. LDSS staff whose responsibilities include both non-residential domestic violence services and other tasks or services must be time studied. Only costs related to non-residential domestic violence services should be charged to the RF17 claim package for non-residential domestic violence services.

Non-salary administrative costs are reported with the appropriate object of expense(s) on the LDSS-923B Summary-Administrative (page 1), "Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs." Program costs are reported as object of expense 37 - Special Project Program Expense on the LDSS-923B Summary-Program (page 2), "Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs." The expenditures should be entered in the RF17 Claim Package based on the guidelines noted in Attachment C.

Total project costs and shares should be reported on the LDSS-4975, "Monthly Statement of Special Project Claims Federal and State Aid (RF-17)."

Instructions for the Schedule D and RF17 claim package are found in Chapters 7 and 18 respectively of the Fiscal Reference Manual (FRM) Volume 3. The FRMs are available online at http://otda.state.nyeren/bfdm/finance/.

Costs are claimed at the 100 percent federal share for clients in receipt of TANF or who are eligible for TANF with incomes up to 200 percent of the federal poverty level. Reimbursement is available up to the limit of the allocation. Costs over the allocation will become regular domestic violence services expenditures, which are subject to 49 percent state reimbursement net of any available Title XX funds.
Because of federal reporting requirements, the LDSS must report both program and administrative costs for claiming purposes. The RF17 claim package permits the reporting of both types of expenditures on the same form.

Under federal TANF regulations, there is a 15 percent limitation for costs that may be claimed for administrative activities. Under the same regulations, certain activities that are normally considered administrative are now classified as program costs under these federal rules and, therefore, are not subject to the 15 percent cap. The guidelines on which costs are administrative and which are non-administrative are noted above.

Claiming Periods (repeated from Page 2 of the LCM)

All expenditures against the non-residential domestic violence services allocation should be claimed in accordance with the LDSS's non-residential domestic violence services approved plan.

The expenditures for the non-residential domestic violence projects should be claimed through the RF17 claim package for special project claiming. Administrative and/or contracted costs associated with approved plans should be identified as F17 functional costs and reported on the Schedule D, "DSS Administrative Expenses Allocation and Distribution by Function and Program (LDSS-2347)," in the F17 column in the RF2A claim package. The individual project costs must also be reported on the LDSS-4975A, "RF17 Worksheet, Distribution of Allocated Costs to Other Reimbursable Programs," using the project label Non Res DV 14 from the drop down menu on the Automated Claiming System (ACS).

Dear Heather,  

It is with pleasure that I inform you that at a recent Island Outreach Foundation Board meeting, we approved the following grant requests. The first, for $1,500, is for sponsorship of the upcoming Veterans Career Conference on April 10th. The second, for $50,000, is in support of the creation of a Veterans Resource Center on the Ammerman campus in Selden. This project was brought to our attention by Dr. Thomas Tyson, Director of Counseling and College wide Director of Veterans Affairs. Our Foundation has recently been involved in several other Veteran related projects, and after hearing about this project felt it more than worthy of our support.  

We hope this will speed the way towards completing the Center, and wish you well in this endeavor.

PROPOSAL SUMMARY

Suffolk County Community College is the largest community college in the State University of New York (SUNY) system and is committed to promote the intellectual discovery, physical development, social and ethical awareness, and economic opportunities for all through education. The Suffolk Community College Foundation, Inc. is requesting a grant on behalf of Suffolk County Community College in the amount of $50,000 to benefit over 500 identified student veterans who are transitioning from military life to college life, for those still in active-duty and those who have not identified as veterans but can benefit from a specialized center with services designed to address their unique needs. Our student veterans find it challenging to readjust to college, while balancing life’s other responsibilities, coping with military related injuries, or finding peers and mentors on campus.

Suffolk County Community College has committed to establish a Veterans Resource Center on its Ammerman campus in Selden and hire a College-wide Director of Veterans Services to serve our growing student veteran population. In fact, a search is already underway to fill the position of Director, and the College is planning for temporary space for the Veterans Resource Center while the ultimate location awaits construction. College administration, faculty and student veterans will all be a part of the planning process for the Center.

The goal of the Veterans Resource Center is to provide our student veterans with one primary place and point of contact where they can access resources to meet their needs. The funding if received would support student veteran services that promote academic success including but not limited to:

- Academic support/availability of free tutoring across all disciplines
- Customization of admissions and orientation activities
- Counseling services for educational planning, academic advisement, career assistance and mental health
- College navigation with secure support for the various departments across all three campuses
- Computer access and study stations with assistive technology software
- A veteran mentoring program
- Veteran career services, including assistance with resume building and employment opportunities
- Specialized programs including career fairs (featuring a military personnel speaker), and career programs geared toward women student veterans
- College-wide training programs for all College Faculty and Staff to gain understanding on how to support student veterans inside and outside of the classroom
A partnership with The Island Outreach Foundation and Suffolk County Community College will enable us to provide student veterans with the services they need to achieve academic success so they can complete their degree, gain employment in their chosen field and become productive members of society. The Suffolk Community College Foundation would be honored to recognize the generosity of The Island Outreach Foundation in accordance with your wishes.

NARRATIVE

Background

Suffolk County Community College (SCCC) is a premier learning-centered community college that is committed to excellence. The College is an outstanding asset to Suffolk County and has earned its reputation for high quality instruction, outstanding faculty and affordable programs and services. The College operates as a unit of the State University of New York (SUNY), is governed by a 10-member board of trustees, and is sponsored by Suffolk County.

Founded in 1959, SCCC is the largest community college in New York State, with an enrollment of close to 27,000 credit students, continuing education and workforce training students. The Ammerman Campus in Selden has approximately 14,000 students, the Eastern Campus in Riverhead has 4,000 and the Michael J. Grant Campus in Brentwood enrolls over 9,000 students, along with downtown centers in Sayville and Riverhead. Approximately 78% of our students are between 18 and 24 years of age, 22% are 25 and over with 54% female and 46% male. Our student body ethnicity is 50.2% White, 15.6% Hispanic, 7.6% Black and 2.7% Asian Pacific, less than 1% American Indian, and 23.5% other/unknown.

Suffolk County Community College maintains accreditation from the Middle States Commission on Higher Education and several discipline specific accrediting bodies, and its curricula are registered by the New York State Department of Education. There are over 490 full-time faculty and 1,500 adjunct faculty teaching in 100 degree and certificate programs in social sciences, business, computer science/information technology, communications, the arts, health, community and human services, liberal arts, and technical scientific and engineering. Annual tuition and fees at the College for full-time students enrolled for the 2014-2015 academic year is $5,100, excluding books.

The mission of Suffolk County Community College is to promote intellectual discovery, physical development, social and ethical awareness, and economic opportunities for all through an education that transforms lives, builds communities, and improves society. The Suffolk Community College Foundation, Inc. is a nonprofit organization founded in 1989 to foster student success and support the mission of SCCC. The Foundation provides need and merit-based scholarships, funds the emergency student loan program, faculty and staff development and quality academic enrichment programs. The Foundation is governed by a Board of Directors comprised of twenty volunteers of alumni, business, community and academic leaders who serve as advocates for the College and oversee the business aspects of the Foundation. The Suffolk Community College Foundation has eight full-time staff members and one-part time staff member who are funded by Suffolk County Community College including an Executive Director, Director of Development, Director of Alumni Relations, Assistant Director of Development, College Gifts Coordinator, Professional Assistant, Specialist, a Principal Clerk and a part-time College Aide.
Funding Request
Suffolk County Community College is committed to establishing a Veterans Resource Center to give our student veterans a designated space in an environment conducive to their unique needs as they transition from military life to college life. While this space will provide a primary access point and place for student veterans, the services they need go beyond a designated space. The College is requesting funding for the tangible day to day services that help our student veterans achieve academic success, attain their degree and gain employment in their chosen field. The services will enable them to achieve their educational, career and life goals and will include access to specialized counseling services focused on academics and career, free tutoring assistance to help with challenging academic requirements, computer access via designated workstations to access information and assignments, access to a career information center and mentoring opportunities with alumni and campus faculty and access to an emergency student fund for when the unforeseen financial hardship occurs. Funding will also allow for the education of faculty and staff to help them gain an understanding of the challenges our student veterans face when returning to college and help them ease the transition of students separating from military service.

According to the State of New York (SUNY) Office of Institutional Research analysis of enrollment data from Fall 2012 indicates that just over 4,100 veterans were enrolled in SUNY community colleges. Of these 74% were full-time students. Suffolk County Community College had the largest enrollment, currently with 522 identified student veterans and students in active-duty college-wide. Enrollment numbers for Fall 2013 show increased numbers for veterans, Active military (including Reserve and National Guard), and dependents across the board. Projections from SUNY estimate that within the next 10 years our population will expand upwards of 850 student veterans college-wide.

The SUNY research also states that 70% of student veterans drop out of college, compared to 25%-45% of non-veteran students. Veterans have different needs than traditional college students. Veterans have difficulty understanding the college application process, specifically understanding and accessing financial aid and military benefits. Veterans also have difficulty getting credit earned from military experience. Once enrolled, veterans often have difficulty staying in school, due to financial concerns, health/mental health concerns, balancing school/home life or adjusting to civilian life. Financial support of student veteran services will give student veterans access to the resources they need to navigate the college process, access academic and career counseling, specialized services including health, disability, psychological and referral assistance to enable them to successfully complete their degree and seek long-term employment.

The Veterans Resource Center is going to be located in an existing building that is slated for renovation, beginning in 2016. However, if our request for funding at the $50,000 level is approved, the services for our student veterans will be implemented immediately in a temporary location on the Ammerman campus to facilitate action based on their needs and to ensure their success at Suffolk.

Suffolk County Community College is fortunate to have a partnership with the United States Department of Veterans Affairs which will allow for staffing the center with veterans under the V.A.’s work-study program. Suffolk’s alumni have also supported this initiative to build student veterans services through a targeted direct mail campaign. A community partner and friend of the College and Foundation also expressed an interest in supporting student veterans.
philanthropically. Lastly, we continue to seek philanthropic support through corporate and community partnerships to expand our abilities to help student veterans attending Suffolk County Community College.

Conclusion
Together The Island Outreach Foundation and the Suffolk Community College Foundation can directly impact student veterans who have given so much of themselves to serve and protect our country. Suffolk County Community College understands their unique needs and is in a position to foster their academic success and professional growth. Your gift will impact their lives, and those of their families, and the communities, in which they live.

RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A CHARTER LAW TO IMPLEMENT ONE-YEAR ROLLING DEBT POLICY UNDER 5-25-5 LAW TO MITIGATE BUDGETARY SHORTFALL

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on XXXX, 2016, a proposed Charter law entitled, "A CHARTER LAW TO IMPLEMENT ONE-YEAR ROLLING DEBT POLICY UNDER 5-25-5 LAW TO MITIGATE BUDGETARY SHORTFALL," and said local law in final form is the same as when presented and introduced; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO IMPLEMENT ONE-YEAR ROLLING DEBT POLICY UNDER 5-25-5 LAW TO MITIGATE BUDGETARY SHORTFALL

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law 23-1994, "A Charter Law to Establish 5-25-5 Debt Policy," was adopted for the purpose of making the Capital Program and Budget approval and appropriation process more meaningful and more responsive to the needs of the public and to accommodate increased future debt service payments by prohibiting the issuance of debt to pay for the following County operating expenses:

1.) repair and maintenance not significantly extending the useful life of an asset;
2.) dredging projects - $100,000. or less;
3.) road and equipment repairs;
4.) roof replacement;
5.) equipment purchases that may not occur in the same location or department if:
   a.) costs are incurred on annual basis;
   b.) item price is $5,000 or less;
   c.) aggregate cost is less than $25,000.00; and
   d.) useful life is five (5) years or less;
6.) 9 mm guns; and
7.) soft body armor vests.

This Legislature further finds that the County of Suffolk has waived the application of the 5-25-5 during periods of significant fiscal stress on County finances.
Therefore, the purpose of this law is to waive the application of the 5-25-5 Law for a one-year period of time and to permit traditional normal bonding for items that would otherwise be required to be paid for under the 5-25-5 law in order to deal with the anticipated budget shortfall.

Section 2. Amendment.

§ C4-19 of the SUFFOLK COUNTY CHARTER is hereby amended to read as follows:

§4-19. Adoption of capital program.

A.) Not less than two weeks after the public hearing required by § C4-18 and not later than the 30th day of June, the County Legislature shall adopt the proposed capital program, with or without amendments.

B.) If the County Legislature does not adopt a capital program on or before the 30th day of June, the proposed capital program shall be deemed adopted as submitted.

1.) Commencing in fiscal year 1996, funding for recurring expenses shall be paid by a transfer from the General Fund rather than through the issuance of debt.

2.) The requirement of subsection (1) of this paragraph shall not apply to recurring expenses incurred, or necessary to be paid, during fiscal years [2015] 2016.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law only during fiscal year 2016.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.
Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the office of the Secretary of State.

Enactment of this proposed charter law would suspend the application of the “5-25-5 Law” for the duration of fiscal year 2016. The 5-25-5 law, codified in Section C4-19(B)(1) of the SUFFOLK COUNTY CHARTER, requires that recurring expenses be paid by a transfer from the General Fund rather than through the issuance of debt.

This law would be subject to the 60-day permissive referendum requirement.

The purpose of this resolution waives the application of the 5-25-5 Law for a one-year period (2016), permitting normal bonding of projects that would otherwise be classified as “G” funded projects. This Law will avoid adding to the financial burden anticipated during the 2016 operating budget year. This local law has no immediate fiscal impact on debt service. In the early 1990s, Kathy Liguori was an entrepreneur with a consulting business that took her into New York City most days, while her two sons attended the Tutor Time Childcare Learning Center. Looking for a way to spend more time with her children, and impressed with the Tutor Time curriculum was the inspiration that moved her and her husband to open their Tutor Time franchise that provided them the opportunity for 20 years and counting of educating thousands of children. Today as Habitots, their independently owned childcare centers became many children’s home away from home; it was a safe place where they could grow, develop their own sense of self in a natural environment, and succeed. Their centers support local parents in enhancing the academic and social development, nutrition and general well-being of 320 children per year as Kathy continues to follow her calling: providing quality care and growth opportunities for the children in her centers community and the people she employs. Her wisdom is a natural support system, and is just another additional, unique resource offered to the families of her centers.

A firm believer that excellent, affordable early childhood development and education is the engine of Long Island’s success, Kathy works closely with parents, staff and children to deliver her vision. From developing programs and services for working parents and grandparents to responding to evolving community needs, Kathy’s advocacy for local children’s and families’ needs is well known and recognized in Suffolk County and New York State. Kathy is Vice Chair of the Welfare to Work Commission of the Suffolk County Legislature, and has served as its Child Care representative since 2003. She co-authored the report: 2012 Negative impacts of State Reductions child care funding on the Suffolk County Economy and most recently chaired the Child Care Committee which led to the release of the 2014 report “Who’s Minding The Kids? Meeting Challenges and Creating Opportunities for Quality Child Care and Early Learning in Suffolk County.

She was directly involved in the origin and passage of Suffolk County Law 1353, designed to rectify the lack of timely payment on the County’s part, which was causing hardship among providers serving some of the County’s neediest children. Kathy also participated in a grassroots campaign that helped add $2 million to Suffolk County’s 2009 budget for childcare, and restore $7 million from NY State. Kathy received the Child Care Advocate of the Year award by the Child Care Council of Suffolk in 2010 and continues to advocate on behalf of working families and children.

Kevin S. Law  
*President and Chief Executive Officer*

Mr. Law became President and CEO of the Long Island Association, one of the most respected business organizations in New York State, in September 2010. His efforts are focused on economic development and creating a better business climate on Long Island to strengthen it as a place to live, work and do business.

Previously, Mr. Law was President and CEO of the Long Island Power Authority (LIPA), the 2nd largest public utility in the country with over 1.1 million customers. Prior to his approval as President and CEO, Mr. Law served as a LIPA Trustee and was appointed by Governor Eliot Spitzer as Chairman of its Board beginning in January 2007.

Mr. Law demonstrated leadership in the areas of energy efficiency and renewable energy by launching the largest energy efficiency program for any public utility in the country, by procuring the largest solar energy project in New York State and by introducing “smart meters” to the region. His efforts at LIPA helped lay the foundation for a clean energy economy on Long Island. As Chief Executive Officer, Law oversaw a $10 billion company with a $4 billion annual operating budget. He brought rates down to a 5 year low and secured LIPA’s first ever bond rating increase.

Previously, Mr. Law served as Chief Deputy County Executive for Suffolk County, New York, which is the ninth largest county in the country with a population of 1.4 million people. In this capacity, Mr. Law had oversight of all county departments consisting of 12,000 employees and a $2.7 billion budget.

Prior to his tenure in Suffolk County, Mr. Law was the Managing Partner of the Long Island office of Nixon Peabody LLP, an international law firm. As a member of the firm’s Energy and Environment Practice Group, Mr. Law focused his practice in matters relating to all facets of environmental and energy law, land-use, real estate, municipal litigation and representation of clients before federal, state and local agencies.

Before joining Nixon Peabody, Mr. Law was the Director of Real Estate for the Suffolk County Department of Law, where he administered the Pine Barrens, Open Space and Farmland Preservation and Acquisition Programs. Earlier, Mr. Law was the Assistant Suffolk County Executive for Planning, Housing and Environmental Affairs, where he coordinated the County Executive’s environmental initiatives and affordable housing programs. Prior to his initial tenure with Suffolk County, Mr. Law worked for the New York State Assembly as a legislative assistant to the Sub-Committee on the Long Island Economy.

In 2011, Mr. Law was appointed by Governor Andrew M. Cuomo as Co-Chair of the Long Island Regional Economic Development Council, a board that is leading the economic development initiatives in the region. In 2009, Mr. Law was appointed by Governor David A. Paterson as Chairman of the Stony Brook University Council. He also sits on the Boards of the Advanced Energy Research Technology Center, Energeia and the Association of Council
Members and College Trustees. Mr. Law is also the Chairman of the Long Island Housing Partnership and Chairman of Accelerate Long Island, a consortium of Long Island’s top research institutions collaborating on converting world class research into start-up companies. Earlier in his career, Mr. Law served as a Trustee to the Long Island Chapter of the Nature Conservancy and Suffolk County Community College. He was also formerly a member of the Board of Ethics for the Town of Smithtown.

Mr. Law received an Associate of Arts from Suffolk County Community College; a Bachelor of Arts from SUNY, Stony Brook University; a Master of Science from the Graduate School of Urban Affairs and Planning at CUNY, Hunter College; a Juris Doctor from St. John’s University School of Law; and most recently completed a Leadership Program at the John F. Kennedy School of Government at Harvard University. He is admitted to the Bar of the State of New York and before the U.S. Supreme Court and the U.S. District Courts for the Southern and Eastern Districts of New York.
RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW TO FURTHER REGULATE SYNTHETIC CANNABINOIDs AND SYNTHETIC COCAINE IN SUFFOLK COUNTY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on _______, 2016, a proposed local law entitled, "A LOCAL LAW TO FURTHER REGULATE SYNTHETIC CANNABINOIDs AND SYNTHETIC COCAINE IN SUFFOLK COUNTY"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO FURTHER REGULATE SYNTHETIC CANNABINOIDs AND SYNTHETIC COCAINE IN SUFFOLK COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk consistently seeks to protect its residents from the proliferation of dangerous drugs.

This Legislature also finds and determines that Local Law No. 26-2010 and Local Law No. 20-2012 banned the sale of synthetic cannabinoids in Suffolk County.

This Legislature finds that Local Law No. 23-2011 banned the sale of synthetic cocaine, commonly referred to as "bath salts", in Suffolk County.

This Legislature determines that, since the County enacted these laws, other states and municipalities have banned the sale and manufacture of synthetic cannabinoids and synthetic cocaine.

This Legislature further determines that new substances with chemical structures and physical effects similar to synthetic cannabinoids and synthetic cocaines, known as analogues, are being developed and marketed as legal alternatives to those banned under County law.

This Legislature finds that these analogue drugs should be similarly restricted under County law, as they have equally destructive effects.

This Legislature also finds that Suffolk County should strengthen the protection it offers residents from dangerous synthetic drugs by banning their manufacture and possession with intent to sell within the County's boundaries.
Therefore, the purpose of this local law is to amend Chapter 423 of the SUFFOLK COUNTY CODE to ban the manufacture, and possession with intent to sell, of synthetic cannabinoids and synthetic cocaine and any analogous substances in Suffolk County.

Section 2. Amendments.

Chapter 423 of the SUFFOLK COUNTY CODE is hereby amended as follows:

RE: CP 1664 – Energy Conservation at Various County Facilities

Attached for your review is a draft resolution appropriating the sum of $2,000,000 in construction funds. These funds will be used to continue with our aggressive energy conservation program.

We have worked extensively with the Office of Legislative Budget Review to enable these projects to be conducted this calendar year to exploit the maximum operating savings up front. These much needed improvements to our mechanical and electrical infrastructure will save an estimated $1,000,000 per year in operating costs.

This action is considered a Type II Action under SEQRA in accordance with Resolution No. 506-1995.

An e-mail copy of the resolution has been sent to CE RESO Review sent under the title Reso-DPW-CP 1664 Energy Cons.doc.

RE: CP 1706 – Replacement / Cleanup of Fossil Fuel, Toxic & Hazardous Material Storage Tanks

Attached for your review is a draft resolution appropriating the sum of $200,000 in construction funds to our program to bring all of our storage tanks and facilities in compliance with Article 12 of the Suffolk County Health Code. With a few exceptions, which will be addressed as part of larger building renovation projects, we have completed the original program as outlined by the Suffolk County Tank Committee. Nevertheless, we continue to have various Departments identify tanks that were not included on the original list and need to be upgraded or replaced.

As the upgrading and replacement of tanks is mandated by Article 12 of the Suffolk County Sanitary Code and Title 40 of the Code of Federal Regulations, the Legislature has determined that under the State Environmental Quality Review Act (SEQRA), Environmental Conservation Law Article 8, that this action constitutes a Type II action pursuant to Volume 6 of the New York Code of Rules and Regulations (NYCRR).

An e-mail copy of the resolution has been sent to CE RESO Review sent under the title Reso-DPW-CP 1706-Tank Removal.doc.

Instructions: Please provide a written narrative detailing the specific activities that will be completed each quarter to meet the required activities and achieve the IAP objectives. Please name this document: “county name 2016-17 IAP Work Plan.doc” (insert appropriate county name.)

GOAL 1: Increase Childhood and Adolescent Immunization Rates

NYS Objective: Increase 4:3:1:3:3:1:4 childhood immunization rates in the county in accordance with Healthy People 2020, to meet or exceed an 80% immunization coverage level for 19 – 35 month old children with 4 doses of DTaP or DTP, 3 doses of polio, 1 dose of MMR, 3 doses of Hib, and 3 doses of hepatitis B, 1 dose of varicella and 4 doses of pneumococcal vaccine (4:3:1:3:3:1:4).

LHD Objective 1: Increase 4:3:1:3:3:1:4 childhood immunization rates in the county by 1-2 percentage points annually through AFIX visits and/or daycare/preschool audits and improve adolescent vaccine acceptance.

1) Based on the formula in the chart below, determine the number of AFIX visits and/or daycare/preschool audits that will be completed for the 2016 – 2017 contract year.
2) Daycare audits may account for up to 25% of the LHD target for the contract period. For example, if the LHD target is 12, up to three may be from daycare audits. If the LHD wishes to devote greater than 25% of the LHD target to daycare audits, they should submit a written request to their regional representative.
3) All AFIX visits must be completed in the first two quarters of the contract year (by September 30, 2016). Required follow-up activities will be completed in the third and fourth quarters of the contract year (October 1, 2016 -March 31, 2017).

Complete this chart:

| Number of VFC health care providers in county who administer immunizations to children: | 171 |
| AFIX Formula: Number of VFC providers (above) x 25% = LHD target number of visits/audits = | 43 Total visits/audits |
| | 33 # AFIX visits |
| | 12 # Daycare/Preschool audits (audits cannot exceed 25% of total) |

There are 12 Tutor Time Centers in Suffolk and rather than doing 10 of them we will do all 12
Work Plan Activities to meet this objective:

1. Conduct AFIX visits and/or daycare audits in accordance with the 16-17 IAP AFIX & Daycare Audit Guidance document.
   a. All AFIX visits must be completed by September 30, 2016 to allow for appropriate follow-up of each AFIX by March 31, 2017.
   b. AFIX visits will be prioritized to providers with the lowest 4:3:1:3:3:1:4. Use the 2015 NYSIS Provider List for your county to tentatively determine priority providers. 2016 NYSIS Provider Lists will be emailed in early January 2016. Providers tentatively selected for AFIX may be revised upon receiving January 2016 data.
   c. At least half (50%) of all AFIX visits will be performed at practices in the bottom quartile for 4:3:1:3:3:1:4.
   d. At AFIX visits, all 19 – 35 month old patients will be assessed for 4:3:1:3:3:1:4 vaccination coverage.
   e. At AFIX visits, all 13 year old patients will be assessed for the following antigens as reported in NYSIS: 3 doses of hepatitis B; 2 doses of MMR; 1 dose of Td/Tdap; 2 doses of varicella; 1 dose of MCV4, and 3 doses of HPV.
   f. All AFIX visits and follow-up will be documented in the AFIX Online Tool.
2. A Vaccine Storage and Handling Review must be completed at every AFIX visit and emailed to the regional office within 48 hours of the completed visit. Use the 16-17 IAP Vaccine Storage & Handling Review Tool document.
3. Discuss and distribute an adolescent vaccine educational packet provided by the NYSDOH during each AFIX visit.

Identify the sites you plan to visit in your narrative below.

GOAL 2: Increase Adult Immunization Rates

**NYS Objective:** Within five years, increase adult immunization rates for influenza and Tdap vaccines by 10% among NYS adults aged 19+ years as measured through the BRFSS.

**LHD Objective 2-A:** Conduct activities to increase county specific influenza and Tdap immunization rates among pregnant women, their partners, and other adult (19+ years) caregivers of infants.

**Required Deliverables***:

1. Coordinate adult coalition activities with regional Bureau of Immunization staff. In counties without adult coalitions, take necessary steps to organize or use existing community partnerships to advance immunization goals.

2. Conduct outreach activities through community partnerships designed to increase influenza and Tdap vaccination rates among pregnant women, their partners, and other caregivers of infants. Examples may include outreach to and collaboration with obstetrical providers and obstetrical professional associations (e.g., ACOG), collaboration with county maternal child health and/or WIC programs to promote prenatal influenza and Tdap vaccination, and/or outreach to daycare providers.

3. Collaborate with community partners to conduct and/or promote publicly accessible adult vaccination sites (e.g., LHD clinics or PODs, private provider or hospital vaccination clinics, pharmacies, etc.).

*LHDs will be required to attest to the completion of the required deliverables in the quarterly report.

IAP Work Plan, Page 4
Any additional strategies/outreach activities planned that will improve adult immunization rates. This could include distribution of educational materials, presentations, etc.

Work plan activities to meet the objective: Deliverable 1: Suffolk County (SC) program staff will assist NYSACHO and regional immunization staff in planning, organizing, and participating in the regional adult coalition annual meeting. Goal: 85% of SC immunization staff from the SC Bureau of Epi and DC BEDC) clinical staff will attend the immunization meeting. At least 1 and possibly up to 3 SC immunization staff members will attend the annual statewide immunization meeting. SC will attend relevant immunization webinars offered by NYSDOH, CDC, and others. Deliverable 2: Outreach and collaboration with select obstetric providers, WIC, and daycare facilities such as Latina Mother’s Program. Include ACOG and CDC recommendation for Tdap vaccine for pregnant women during each pregnancy on Pertussis letters mailed to school students and staff in response to Pertussis outbreaks. Include childcare providers at daycare centers to target for receipt of Tdap vaccine in flyers and posters provided to them. Deliverable 3: Collaborate with HRH family health clinics, pharmacies, and Office of the Aging including Meals on Wheels to promote adult vaccination, and conduct adult vaccination MMR clinics at select college campuses, and conduct POD vaccination clinic if applicable during 2016-17 year. Promote other adult vaccines at college campuses.

Document the stakeholders, meetings held, and any other efforts to engage with the selected minority population on immunization-related issues. Counties with American Indian populations within their county's boundaries should meet at least once per year with American Indian stakeholders; counties without American Indian populations should meet at least once per year with stakeholders representing other predominant minority populations specific to their jurisdictions. Minority population selected should be different from the focus area selected for objective 2B.

5. Certification Regarding Lobbying

Certification for Contracts, Grants, Loans, and Cooperative Agreements
Title 31, United States Code, Section 1352, entitled “Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions,” generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a specific grant or cooperative agreement. Section 1352 also requires that each person who requests or receives a Federal grant or cooperative agreement must disclose lobbying undertaken with non-Federal (non-appropriated) funds. These requirements apply to grants and cooperative agreements exceeding $100,000 in total costs (45 CFR Part 93).

The undersigned (authorized official signing for the applicant organization) certifies, to the best of his/her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, United States Code (USC). Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

6. Certification Regarding Program Fraud Civil Remedies Act (PFCRA)

The undersigned (authorized official signing for the applicant organization) certifies that the statements herein are true, complete, and accurate to the best of his or her knowledge, and that he or she is aware that any false, fictitious, or fraudulent statements or claims may subject him or her to criminal, civil, or administrative penalties. The undersigned agrees that the applicant organization will comply with the Public Health Service terms and conditions of award if a grant is awarded as a result of this application.

7. Certification Regarding Environmental Tobacco Smoke

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children’s services that are provided in indoor facilities that are constructed, operated, or maintained with such Federal funds. The law does not apply to children’s services provided in private residence, portions of facilities used for inpatient drug or alcohol treatment, service providers whose sole source of applicable Federal funds is Medicare or Medicaid, or facilities where Women, Infants and Children (WIC) coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing the certification, the undersigned certifies that the applicant organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The applicant organization agrees that it will require that the language of this certification be included in any subawards which contain provisions for children’s services and that all subrecipients shall certify accordingly.
The Public Health Services strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

2. Use of Funds

Services performed pursuant to this Agreement are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

Collaborator will not use funds under this Agreement to: 1) engage in activities that are other than for charitable, scientific, literary or educational purposes; 2) Attempt to influence legislation, by propaganda or otherwise; or 3) Directly or indirectly participate or intervene in any political campaign on behalf of, or in opposition to, any candidate for public office.

Collaborator agrees to bill, wherever applicable, Medicaid, Private Health Insurance, and Medicaid Managed Care, for services. The amount of the subaward will be subsequently reduced by the revenues captured from billing. Collaborator agrees to provide RFMH and OnTrackNY full access to billing revenues records for review and audit.

3. Debarment, Suspension, and Other Responsibility Matters

Collaborator certifies by signing this Subaward Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

4. Audit and Records

The Collaborator shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Institution, the NYS Comptroller, and the NYS Attorney General, as well as the Agency involved in this contract, shall have access to the Records during normal business hours at an office of the Collaborator within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that the Collaborator shall timely inform the Institution, in writing, that said records should not be disclosed; and said records shall be sufficiently identified; and designation of said records as exempt under the Statute is reasonable.

5. Worker's Compensation

This Agreement shall be void and of no effect unless, throughout its life, Collaborator secures worker's compensation insurance for the benefit of such employees as are by law required to be insured by the provisions of the Workman's Compensation Act.

As a subawardee, Collaborator is required to place an acknowledgment of grant support and a disclaimer, as appropriate, on any publications from grant-supported activity, in accordance with sponsor guidelines.

7. Use of Names

Neither Collaborator nor Institution shall use the name of the other, either expressly or by implication, in any news, publicity release, or other fashion without express written approval of the other.

8. Confidentiality

In the event that Collaborator, in the course of performance hereunder, obtains access to information, data or records deemed confidential by Institution, Collaborator shall hold all such Confidential Information in confidence and not disclose or make it available to third parties without Institution's written permission. The Collaborator agrees for a period of five (5) years to hold in confidence all such information and not disclose or make it available to third parties without Institution's written permission. This obligation will apply only to information Institution has designated in writing as Confidential and will not apply to information which:

I. was known to Collaborator prior to receipt from Institution, as evidenced through written documentation;
II. was or becomes a matter of public information or publicly available through no fault on the part of Collaborator;
III. is acquired from a third party entitled to disclose the information to Collaborator;
IV. is developed independently by Collaborator;
V. is required to be disclosed pursuant to law, regulation or court order. However, in the event of a demand for disclosure under law or court order, Collaborator shall not make such disclosure without prior written notice to Institution and an adequate opportunity for RFMH to oppose such disclosure.

9. Property

Any equipment, furniture or other property purchased pursuant to this Agreement is deemed to be the property of New York State. Collaborator may request a transfer of title upon completion of this Agreement.

10. No Arbitration

Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized) but must, instead, be heard in a court of competent jurisdiction of the State of New York.

11. Reporting Requirements

Collaborator shall prepare programs reports and administrative material as required by the Principal Investigator.
Agency-Specific Clauses

1. The Collaborator warrants to Institution that it has secured sufficient right, title and interest to ensure that Institution and NYS OMH may use any design, device, material, source-code or process comprising all or the deliverables.

2. In the event that Collaborator is provided access to any electronic data or computer application maintained by OMH, Institution may request, and Collaborator shall execute, such additional forms or agreements as OMH generally requires as a condition of such access (e.g., Data Exchange Agreement, Computer Application Agreement, Confidentiality and Non-Disclosure Agreement).

3. In the event that Collaborator, in the course of performance hereunder, obtains access to information, data records deemed confidential in accordance with the provisions of Mental Hygiene Law Section 33.13 and/or "protected health information" as such term is defined in 45 CFR Parts 160, 164, then Collaborator shall not use or disclose such information, data or records for the limited purposes of this agreement. Any such use shall be neither construed nor considered a disclosure of confidential records to Collaborator. Any further dissemination or use beyond that specifically authorized, of any such information, data or records, by Collaborator, its agents, successors or assigns shall constitute an unlawful disclosure of confidential information in violation of Mental Hygiene Law Section 33.13, and/or 45 CFR Parts 160, 164, as applicable, and Collaborator acknowledges that it has an affirmative obligation to safeguard any such information, data or records from unauthorized distribution amongst its agents and to any third parties.

4. The Institution and NYS OMH have an irrevocable, royalty-free, non-exclusive and world-wide license to reproduce, display, disclose or otherwise use any of the deliverables; provided, however, that if and to the extent that the contract deliverables require Collaborator to create, write, develop or produce an original work which could be subject to protection under the laws governing intellectual property, including but not limited to the laws of copyright and patents (the "Work"), such Work shall be deemed to be a work made for hire and in the course of the services being rendered under this Agreement and shall belong exclusively to Institution and NYS OMH and NYS OMH having the sole right to obtain, hold and renew in its own name, all copyrights or other appropriate protection. To the extent that any such Work may not be deemed to be a work made for hire, Collaborator irrevocably assigns to NYS OMH all right, title and interest therein. Collaborator shall ensure that all copies of Works are marked with appropriate copyright notices and shall give NYS OMH all reasonable assistance and execute all documents necessary to assist and/or enable NYS OMH to perfect, preserve, register and/or record its rights in any Work. Upon termination, cancellation or expiration of this Agreement, Collaborator shall transfer all Works to Institution and/or NYS OMH and upon request, any documents or items furnished to Collaborator in the performance of this Agreement.

SUBJECT: A Draft Resolution Amending the 2016 Capital Budget, Transferring Southwest Stabilization Reserve Funds to the Capital Fund and Appropriating Funds for Planning for Suffolk County Sewer District No. 3 – Southwest (CP 8183)

DATE: March 18, 2016

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW SD 3 – Southwest Improvements CP 8183 – 3-18-16 and backup filed as Backup DPW SD 3 – Southwest Improvements CP 8183 – 3-18-16. The resolution appropriates $500,000 for planning and design of additional expansion facilities in the sewer district. The source of funding is Southwest Stabilization Reserve Fund 405. It is noted that the Adopted 2016 Capital Budget included sewer district serial bonds and, therefore, an amendment is needed. The project is essential to complete the expansion project.

SUMMARY OF SPECIFIC PROVISIONS: This is a current Capital Budget project, there are no offsets needed.

JUSTIFICATION: These funds enable Suffolk County Department of Public Works to issue work orders for preventive maintenance.

FISCAL IMPLICATIONS: Bonds will be issued to finance this project and principal and interest costs will be incurred over the life of the Bonds.
MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E. Commissioner
DATE: March 24, 2016
RE: Appropriating Funds in Connection with Reconstruction of Drainage Systems on Various County Roads (CP 5024)

Attached is a draft resolution to appropriate the sum of $450,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2016 Capital Budget and Program for this project.

Increasing traffic volumes and the aging of the county road drainage systems require various levels of maintenance, repair and replacement. While major reconstruction projects are progressed with individual capital projects, the life of existing drainage systems can be extended with less costly improvements. Large scale repairs, replacement in kind, and other miscellaneous drainage maintenance projects will be performed under this Capital Program.

This project includes excavation and repair or replacement of existing deteriorated drainage structures, piping and may include new concrete or asphalt pavement surrounding the system, concrete curb and sidewalk and installation of thermoplastic pavement markings.

A list of potential locations for drainage reconstruction is attached. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature under a previous version of the implementing rules and regulations of SEQRA and determined that the project constitutes a Type II action.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5024(Drainage CRs).doc”.

MEMORANDUM OF SUPPORT

TITLE OF BILL:

A RESOLUTION AMENDING THE SUFFOLK COUNTY CLASSIFICATION AND SALARY PLAN IN CONNECTION WITH NEW TITLES FOR USE IN THE DEPARTMENT OF ECONOMIC DEVELOPMENT AND PLANNING (SENIOR, PRINCIPAL AND CHIEF COMMUNITY DEVELOPMENT AND PLANNING SPECIALIST)

PURPOSE OR GENERAL IDEA OF BILL:

To build a title series above the entry-level Community Development and Planning Specialist title created in December by Resolution #1027-2015.

SUMMARY OF SPECIFIC PROVISIONS:

This Resolution adds three new titles to the Suffolk County Classification and Salary Plan: Senior, Principal and Chief Community Development and Planning Specialist, for use in the Department of Economic Development and Planning.

JUSTIFICATION:

The Department of Economic Development and Planning is developing a program that concentrates on planning, design and administration of transit-oriented development, transportation and other local community revitalization projects, aimed at attracting businesses to neighborhoods and making those neighborhoods functional and attractive for residents.

An entry-level title of Community Development and Planning Specialist was created in December. This request is to build a title series above entry-level so that a unit of people with specific experience in transit-oriented development may be created. There were no existing titles that would have provided such an experienced staff.

FISCAL IMPACT:

There will be no fiscal impact because existing positions will be filled in the new titles once they become available. Grades are parallel to the Planner title series, but new titles require different education and specialized experience.
DISTINGUISHING FEATURES OF THE CLASS
An employee in this class is involved in the planning, design and administration of a variety of local community revitalization projects and programs with an emphasis on transportation and transit-oriented development. The incumbent will initiate programs focused on the revitalization of neighborhoods through the redesign of buildings, streets, landscaping, public transportation systems and public spaces to attract businesses and create places that are enjoyable to users. Work performed is aimed at enhancing the functionality and aesthetics of infrastructure, and improving local social and economic conditions. Work is performed under technical or administrative supervision. Does related work as required.

TYPICAL WORK ACTIVITIES
- Assists in reviewing and evaluating goals for community improvement projects established at meetings with officials, community representatives, civic groups and business leaders;

RE: Request for Additions to Classification and Salary Plan

A draft of a resolution to amend the Classification and Salary Plan to add the titles of Senior, Principal and Chief Community Development and Planning Specialist is attached. We have determined that three new titles are needed for use in the Department of Economic Development and Planning so that a unit may be created to develop and implement a program focusing on transit-oriented development, transportation and other local community revitalization projects. The entry-level title of Community Development and Planning Specialist was created in December by Resolution #1027-2015. Economic Development and Planning has requested a title structure above entry-level so that a unit of people with specific education and experience may be created. There were no existing titles that would have provided such a staff. Existing positions will be filled in the new titles as needed once titles have been added to the Classification and Salary Plan.

Please initiate this resolution to add the new titles to the Classification and Salary Plan. Drafts of our proposed specifications are attached for your reference.

An e-mail version of the resolution has been sent to CE RESO REVIEW saved under the title “Reso-EDP-Sr, Pr and Chief CD and Planning Spec 3-16.”

RESOLUTION NO. - 2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW SUSPENDING THE RED LIGHT CAMERAS PROGRAM

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on __________, 2016, a proposed local law entitled, "A LOCAL LAW SUSPENDING THE RED LIGHT CAMERAS PROGRAM"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW SUSPENDING THE RED LIGHT CAMERAS PROGRAM

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 20-2009 established the red light camera demonstration program in Suffolk County and, under New York State Law, the County is now authorized to install and operate traffic-control signal photo violation-monitoring systems at 100 intersections.

This Legislature further finds that the proponents of the red light camera program argued that it would reduce the incidence of red light running and prevent "T-bone" intersection collisions. However, 70% of the tickets issued under this program are for unlawful right turns against a red light.

This Legislature also determinations that many Suffolk County citizens believe the main purpose of the red light camera program is to generate revenues for the County, not protect public safety.

This Legislature also finds that the County has received persistent complaints about the timing of the traffic signals at monitored locations (i.e. the duration of the yellow signal is too short) and the criteria utilized for siting the red light cameras.

This Legislature concludes that the public has lost confidence in the efficacy and integrity of the red light camera program and, therefore, this demonstration program should be suspended.

Therefore, the purpose of this local law is to suspend the red light camera program indefinitely to afford the County an opportunity to study the program and consider changes that will restore public confidence in the program.
Section 2. Suspension of the Red Light Camera Program.

The red light camera program authorized by Local Law No. 20-2009, Local Law No. 40-2012 and Article 7 of Chapter 818 of the SUFFOLK COUNTY CODE, shall be suspended immediately upon the effective date of this local law.

Section 3. Cancellation of Contract.

The Department of Public Works and the Suffolk County Attorney are hereby authorized, empowered and directed to provide notice to Xerox State and Local Solutions, Inc. of the County's intention to terminate its contract for red light camera safety program enforcement upon the effective date of this local law.

Section 4. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect on January 1, 2017.
