Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Hauppauge, New York in said County, on 1st day of June 2016 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon the Map and Plan for
the increases and improvements to the facilities of Suffolk County Sewer District No. 16 – Yaphank Municipal; in and about the Town of Brookhaven substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of the County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The public hearing is being held to address a proposed cost associated with the Map and Plan for the increase and improvement to the facilities of Sewer District No. 16 – Yaphank Municipal.

Notice of Cost

The cost of the increase and improvement to the facilities of Sewer District No. 16 – Yaphank Municipal is estimated at $250,000 as set forth in the Map and Plan.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer District No. 16 – Yaphank Municipal, since pursuant to the ASRF, all property owners in Suffolk County sewer districts experience a 3% annual increase regardless of any increases or improvements performed. In the case of Suffolk County Sewer District No. 16, the annual ASRF increase will result in an increase of approximately $12,500/year to the District that is composed entirely of Suffolk County buildings with no residents. The annual expenses derive their sources of funds from the Sewer District Serial Bonds supported by the ASRF and from the County General Fund. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the Map and Plan that reflects the cost of the increases and improvements.

Copies of the map, engineering report, the public hearing report and the project summaries are available in the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear. Any questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County Department of Public Works.

Section 3. This resolution shall take effect immediately.

2nd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) Lead Agency, hereby finds and determines that this resolution constitutes a Type II Action pursuant to Title 6 NYCRR Part 617.5(C)(20) and (27) as the proposal involves the adoption of regulations, policies, procedures and local legislative decisions in connections with routine or continuing agency administration and management.

A - Board of Elections Letter, February 4, 2016

B - Estimated Operations and Maintenance Costs
INTRODUCTION

In accordance with Chapter 254 of the County Law and by Resolutions No. 494-1965 and No. 518-1965, the Suffolk County Board of Supervisors formed the Suffolk County Sewer Agency in September 1965. The County Legislature, as the successors to the Board of Supervisors, by Resolution No. 407-1970, authorized the Chairman of the Agency to execute agreements with subdividers and developers. Thereafter, by Resolution No. 212-1973, the County Legislature again directed the Agency, with the assistance of the Department of Environmental Control acting as its staff, to prepare the necessary maps, plans, specifications and other relevant material for the formation, extension or improvement of County sewer districts.

Therefore, in accordance with those resolutions and pursuant to Article 5A of the County Law, the Agency has caused the Department of Public Works, as the successors to the Department of Environmental Control, to prepare and herewith respectfully submit the necessary information and data relating to the formation of Suffolk County Sewer District No. 16 – Yaphank-Municipal

At the September 19, 2011 Agency Meeting, the Agency recommended that a district, encompassing the present Yaphank County Center Sewage Treatment Plant, which serves the existing county buildings and facilities located on the east and west sides of Yaphank Avenue, be formed.

Following public hearings and findings, the district was created.

DISTRICT POPULATION

Since the district, as proposed, will only contain the existing treatment plant within its boundary, there will be no residents in the district. This has been confirmed by the Board of Elections in the February 4, 2016 letter, Exhibit ‘A’.

GENERAL BOUNDARY DESCRIPTION

The district is situated in the south central portion of the Town of Brookhaven in the hamlet of Yaphank. It is bounded approximately on the north by the LIE, the south by Horseblock Road and parcels on the east and west of Yaphank Avenue containing all the County buildings.
WASTEWATER CONVEYANCE TREATMENT FACILITIES

The buildings in the service area are connected to a sewer system with sewers size ranging from 8" to 30" diameter. Sewage is conveyed to a main pumping station that lifts sewage to the WWTP for treatment.

The wastewater treatment plant, which has been operated and maintained by DPW since it was built in 1974 and has a twelve month peak flow of 160,000 gpd, was designed and constructed to accommodate 250,000 gpd. The 15± acre site is sufficient to accommodate a future flow of 1.0 MGD. An additional 10 Acres will be set aside for future expansion.

IMPROVEMENTS AND CAPITAL COSTS

The sewer system for the Yaphank County Center was constructed in the mid 1970's. Due to the age of the system, relatively low flows problems have been identified must be resolved prior to creating an emergency condition. Although no replacement was anticipated at this time, the work will provide rehabilitation by rehabilitating manholes point repair of sewers and lining section of sewers. The majority of the sewer system is either in parking lots or county center roadways and work will be performed in a manner as to not interfere with the typical activities taking place in the County Center. The cost of the project is estimated to be $250,000.

SEQRA

Due to the project being classified as replacement rehabilitation, or reconstruction of a structure facility in-kind on the same site it is classified as a type II action under SEQRA, pursuant to NYCRR 617.5 (c) (2).

PROPOSED FINANCIAL PLAN AND COSTS TO USERS

A. Federal and State Aid

There is no expectation of receipt of Federal or State funds for the project.
B. Preliminary User Charges

1. Present Charges: Operations and Maintenance is paid directly by the county General Fund.

2. District Charges: The Environmental Protection Agency regulations require that any sewer district formed in Suffolk County after December 27, 1977 must charge the users based upon actual use, and not ad valorem. Therefore, the district was formed pursuant to Section 266 of the County Law of the State of New York, and thus make a flat annual sewage charge to the users.

C. Annual Operation and Maintenance Costs and Charges

The operation and maintenance budget for 2016 is $417,000 (see Exhibit ‘B’).

RECOMMENDATIONS, COMMENTS AND FINDINGS

A. Finally, it is recommended that this report be made the subject of a public hearing on the question at the earliest possible date.

Respectfully submitted,

Gilbert Anderson, P.E.
Commissioner of the Suffolk County Department of Public Works, Chairman of the Suffolk County Sewer Agency and Administrative Head of All Suffolk County Sewer Districts

DATE: June 9, 2016
RE: Appropriating Funds in Connection with Complete Streets (CP 3313)

Attached is a draft resolution to appropriate the sum of $250,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2016 Capital Budget and Program for this request.

As part of the County Executive’s Complete Streets initiative, this funding will provide for the installation and restoration of sidewalks on County roads to advance a safe environment for pedestrian traffic. Additionally, in late 2013, the Department of Justice determined that reconstruction or resurfacing projects must bring sidewalks, traffic signals and handicapped ramps to compliance with today’s ADA standards. Improvements will include concrete curb and sidewalk, as well as possible spot drainage modifications.

Locations identified for the Complete Streets initiative are CR 80, Montauk Highway from the vicinity of Louis Avenue to the vicinity of Old Neck Road (Brookhaven); CR 71, Mill Road from the vicinity of Montauk Highway to the vicinity of Oneck Lane (Southampton); and CR 11, Pulaski Road from the vicinity of Stony Hollow to the vicinity of Woods Lane (Smithtown). Additionally, these funds will be used to bring various CP 5014 locations into compliance with ADA. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and have determined that construction and/or restoration of sidewalks on various County roads constitutes a Type II action pursuant to the provisions of Title 6 NYCRR Part 617.5(c) (1), (2), (20) and (27) and the Suffolk County Legislature has concurred with these findings.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP3313(Complete Streets).doc”.

Dear Mr. Fletcher:

The New York State Office for People with Developmental Disabilities has approved State Aid to your county for 2016. As a result of actions taken in the 2015-16 State Budget passed by the Legislature, we are approving revised State Aid Amounts as outlined on the attached schedule. Please note that the schedule reflects funding categories according to program and funding types, as well as adjustments made to your State Aid levels.

The 2016 State Aid funding for Local Assistance is being adjusted to accommodate the salary increases for the January 1, 2015 and April 1, 2015 Direct Support Professional (DSP) initiative. The January 1, 2015 and April 1, 2015 amounts for this initiative were paid directly to the eligible providers with the full amounts included in the 2016 state aid and reflected in the attached chart.

Please note to improve accountability in the spending of OPWDD’s limited State Aid and to identify the specific individuals who are being supported with these resources, OPWDD is requiring program information from agencies that have state aid contracts in 2016. This information should include the type of program (services provided), the names of the individuals served, the address of where the individual live, and TABS number if possible. This information should be sent to James Eugene, Director of Fiscal Services at LIDDDRO, 415A Oser Avenue, Hauppauge, New York 11788.

In addition, in an effort to fully maximize federal funding, OPWDD continues to encourage counties to participate in the Federal Salary Sharing program through the Office of Mental Health. Federal Salary Sharing enables States and Counties to receive federal reimbursement for the portion of local government expenditures related to the administration and oversight of Medicaid programs.

Please note: There is a 10% hold back on the quarterly advances to the county. These funds will be released based on the submission of final county claim information.

Adjustments will be made where appropriate to reflect the transfer of workshop/day training funds to day habilitation/preventational services under the waiver program. Additionally I want to remind you of several policies influencing State Aid:

1. Prior to receiving local assistance, the recipient agency must have applied for and received, or received formal notification of refusal, of all Federal Aid which may be appropriate for such services.
(2) Purchase of equipment costing in excess of $1,500, must be included on the equipment list of the County’s Final Approved Local Assistance Budget. Equipment not included on the Final Budget will require written approval from the Developmental Disabilities Services Office prior to purchase.

(3) Out of State travel must be approved in writing by the Developmental Disabilities Services office prior to departure.

(4) Agencies are allowed reimbursement for depreciation and interest on capital costs, which have not already been financed through state and/or federal aid for capital construction costs.

(5) Operating costs may include interest incurred on any obligation, which is necessarily related to the efficient and economic delivery of approved services to persons with developmental disabilities.

If you have any questions, please do not hesitate to contact me.

Sincerely,

THE DISTRI
A PEACHY DAY
by Ann Marie Calabro

What a peachy day it was on September 5th, the sky was blue and the fields were green. Off in the distance you could see the trees beginning to turn the colors of autumn, a perfect day for a visit from Suffolk County Executive Steve Bellone and USDA NRCS State Conservationist Greg Kist. We gathered at the historic, AEM award winning Wickham’s Fruit Farm where we all hopped on the wagon for a tractor ride. The farm tour was on behalf of the newly appointed Greg Kist to acquaint him with Suffolk County farming.

Tom Wickham graciously explained all the conservation practices implemented on his farm through the years while everyone enjoyed right off the trees as we cruised on by. Conservation practices

Statement of Work
SUNY Suffolk County Community College Subaward
for the NASA Space Grant Community College partnership Project

Background: NYSG CCPP
The New York Space Grant Community College Partnership Program (NYSG CCPP) is a Science, Technology, Engineering, and Mathematics (STEM) mentoring partnership in New York State with the mission to increase the number of community college (CC) and technical school students, particularly from groups underrepresented in STEM, that complete their degrees and/or transferring to four-year colleges. To this end, our objectives are:

1. to retain as well as attract CC students by engaging them in – and appropriately training them for – research in areas relevant to NASA;
2. to institute a one-semester Methods of Science Research (MSR) course to help CC students build the required competencies to undertake this research;
3. to increase CC educators’ abilities to engage students in research and deliver NASA STEM content through workshops on developing and running local MSR courses, and appropriate release time from their very high teaching loads for mentoring students;
4. to help students build a sense of belonging in NASA-related STEM fields by facilitating summer research experiences at NASA Centers and our other STEM partners, including four-year NYSG affiliates and associated industry partners.

The NYSG CCPP partners include the 22 academic and industrial NYSG affiliates, all CC and technical schools partners of these institutions (a continually growing network). Of particular relevance to the project, given its mission to improve STEM diversity, the New York City partners in the NYSG CCPP have significant responsibility in achieving the project objectives. The City University of New York (CUNY) institutions involved are those with a history of NASA and other STEM collaborations; namely NYSG affiliates York College, Medgar Evers College, and the City College of New York, with the CUNY CCs Borough of Manhattan CC (BMCC), Bronx CC, Queensborough CC, LaGuardia CC, Hostos CC, and Kingsborough CC, plus technical school New York City College of Technology (City Tech). With over a quarter million undergraduates, CUNY serves the largest and most diverse population of urban minority students in the nation. About 10% of all CUNY students attend BMCC alone.

Dr. Timothy Paglione, Co-Investigator and NYSG affiliate director at CUNY York College is the NYSG CCPP Director. York is a relatively small (8,000 student), minority-serving, undergraduate institution in urban Queens, NY, the most diverse county in the nation. As Director, Dr. Paglione coordinates with the NYSG Consortium Director and staff on all high-level aspects of the program. He executes the CC student and faculty recruitment activities, arranges payments to CC student participants, facilitates CC students’ summer research placements, oversees the MSR course sections, arranges the payment of faculty release time at participating CCs, supports the MSR workshops for CC faculty, and contributes to Space Grant reporting duties.
Other major partners include NASA Goddard, specifically Mr. Matthew Pearce, the Education Program Specialist at the Goddard Institute for Space Studies, in Manhattan. Mr. Pearce facilitates regional partnerships by building summer research teams of undergrads, HS students, HS teachers, and NASA researchers. The American Museum of Natural History is another critical partner, hosting students and faculty in the spring and summer, including a section of the spring MSR.

All academic partners are responsible for recruiting and screening students, preparing students in a Methods of Scientific Research course, and/or mentoring students in research. Other partners were expected to provide or facilitate mentored summer research experiences.

**Suffolk County Community College (SCCC) Program Role**

Dr. Sharadha Sambasivan at SCCC will engage in spring training of NYSG CCPP students in an MSR section, and help to facilitate their summer research placements. She also provides any additional mentorship the students require as they prepare to transfer to a four-year college and proceed in their STEM careers. She may serve as their summer and/or spring research mentor.

SCCC STRATEGIC PLAN – INSTITUTIONAL GOALS AND OBJECTIVES

Check off all of the institutional objectives that apply to the grant/contract proposal or award you are submitting:

Goal 1.0: Student Success: To foster the intellectual, physical, social and civic development of students through excellent and rigorous academic programs and comprehensive student support services.

☐ 1.1 Increase the completion rate of first-time, full-time (FTFT) students in gateway courses through enhanced engagement with faculty, academic support and student services.
☐ 1.2 Increase the fall-to-spring persistence rates of all credit-bearing students to 75% and fall-to-fall retention rates for FTFT students to 70% by supporting students through enhanced engagement with faculty, academic support, and student services.
☐ 1.3 Increase the three-year graduation rate of FTFT students to 20% through enhanced engagement with faculty, academic support, and student services.

Goal 2.0: Community Development/Societal Improvement: To promote social and economic development of the community we serve.

☐ 2.1 Enhance the local workforce by increasing partnerships with key employment sectors and offering programs to address the employment skills gap in Suffolk County.
☐ 2.2 Expand targeted outreach to non-traditional constituents to increase the number of non-traditional students served through continuing education and traditional academic programs.
☐ 2.3 Enhance community enrichment through increased participation in social and cultural events, initiatives, and activities conducted by the College or in partnership with external stakeholders.
☐ 2.4 Expand partnerships with local high schools, school districts, and other higher education institutions to ensure successful and smooth transitions from high school to college.

Goal 3.0: Access and Affordability: To provide access to higher education by reducing economic, social, geographic and time barriers.

☐ 3.1 Improve access by developing needed facilities and reducing geographic barriers associated with campus structures and topography through the implementation of the Capital Program as evidenced by specific project completion each year.
☐ 3.2 Reduce the economic barriers to higher education by maximizing institutional efficiencies in order to minimize increases in College operating costs, as evidenced by the budget.
☐ 3.3 Reduce the economic barriers to higher education associated with limited financial aid by increasing the number of applications for and awards of both merit- and need-based scholarships, as evidenced by Foundations update reports.
☐ 3.4 Reduce social, geographic, and time barriers to academic success through the enhancement of online, web and/or mobile academic and student support by increasing the availability, accuracy and currency of courses, applications and content, as well as the ease and convenience of delivery.

Goal 4.0: Institutional Effectiveness: To monitor and assess the performance of the institution to ensure continuous improvement in achieving the mission, vision and goals of the College.

☐ 4.1 All divisions, departments, programs, services and units of the College will, through the implementation of an integrated planning system, monitor and assess outcomes and communicate evidence that assessments have been used toward continuous improvement in achieving the College’s mission, vision, and goals.

Goal 5.0: Communication: To promote transparent and effective communication within the college community and between the college community and external constituencies.

☐ 5. Through written, electronic and face-to-face communication, issue college-wide communication to administrators, faculty, staff, and students in order to promote effective internal communication. In addition each campus will develop methods to deliver and receive departmental and divisional input about their mission-related activities.
☐ 5.2 Through written, electronic, and face-to-face communication, issue information to external constituents and stakeholders about College and student initiatives and accomplishments, as well as community outreach programs, in order to promote the value the college brings to Suffolk County and its citizens.

Goal 6.0: Diversity: To reflect the ethnic, demographic, and economic composition of Suffolk County.

☐ 6.1 Foster and demonstrate measurable improvement in decreasing ethnic disparities within its instructional and non-instructional faculty and staff for pan-cultural groups.
☐ 6.2 Decrease achievement disparities among pan-cultural groups and across socioeconomic groups by developing partnerships and approaches aimed at decreasing the need for developmental education, improving the rate of persistence Fall-to-Spring for FTFT freshmen, and improving graduation and transfer rates for these populations.

Abstract or Project Summary (Limit to space provided below)

SUNY received funds from the Bill & Melinda Gates Foundation to bring the Carnegie Foundation for the Advancement of Teaching’s Community College Pathways initiative to scale. The Pathways include Quantway and Statway, math competency programs with a national student success rate that is double the average of traditional remedial classes. The Pathways present engaging, relevant, and useful mathematics concepts that students can use in their daily lives. Statway and Quantway are taught using common curricula, assessments, and online platform, and innovative instructional approaches. Quantway instruction is focused on quantitative reasoning, while Statway focuses on statistics, data analysis, and causal reasoning, combining college-level statistics with developmental math. Suffolk will provide an Administrative Lead, Faculty Facilitator and team members, and Student Services team member and will teach the statistics and/or mathematics content pathway component, provide “Productive Persistence” materials, activities, and interventions to influence non-cognitive factors associated with student learning and persistence, and participate in data collection.

The team shall consist of an administrative leader, a faculty member or members in mathematics each of whom will be teaching at least one section of the Pathway course selected by the Participating Institution, and a counselor or student advisor. This faculty group will select among itself a facilitator for the Team. The administrator on the Team will serve as the institutional lead and focus on institutional policies, practices and procedures, and be the contact person for any questions regarding data collection. The counselor or student advisor will represent and promote the pathway(s) to his or her colleagues responsible for the identification and recruitment of eligible students to enroll in the pathway. The responsibilities of the team are outlined below:

1. Administrative Lead:

   a. Participate in administrator conference calls, monthly or as needed.
   b. Work with faculty to ensure Pathways course curriculum is approved through the local governance process and listed in the catalog.
   c. Ensure that participating faculty members are assigned to teach at least one section of Quantway and/or Statway beginning in 2016-2017
   d. Serve as the point of contact for any questions regarding data collection (alternatively, the college may appoint a designee from its office of Institutional Research for data questions).
   e. Convene campus team to develop, revise, and maintain a Quantway/Statway implementation and campus scale-up plan.

2. Faculty Facilitator and Team Members:

   a. Participate in Faculty Support Program including engaging with on-line resources and working with an experienced faculty member.
   b. Attend the Preparing to Teach track at one or more trainings/plenary/convenings held by SUNY and Carnegie during the project period.
   c. Designate the team’s faculty facilitator who participates in monthly facilitator calls.
   d. For each section offered, ensure that students complete common summative assessments that are included in the online platform. This is to enable Carnegie to be able to measure student learning in a consistent manner across all colleges that are engaged in the national network.

3. Student Services Team Member:

   a. Devise and lead local student recruitment efforts, including ensuring that student services staff are knowledgeable about the Pathways.
b. Participate in conference calls and/or network activities in preparation for student recruitment and advising and to promote Pathway(s) enrollment.

Pathways Curriculum- the "Kernel"

Because the Pathways can only be assessed and improved if all participating institutions use the "Kernel" described below, Networked Improvement Community members shall implement all components of the Kernel in their curriculum as set out below in more detail. Faculty are invited to participate in committees at the national level to make changes to the components of the kernel.

The Kernel: The Kernel of both the Statway and the Quantway Pathways consist of 3 components, as follows:

1. The statistics and/or mathematics content component:
   a. a set of specified learning outcomes (which have been established by the Carnegie Committee on Student Learning Outcomes in concert with the major mathematical and statistical organizations and to meet standards for college transfer credit);
   b. an instructional sequence of classroom lesson materials, with clear learning goals for each;
   c. a core set of assessments for both the midpoint and the end of the Pathway as a whole (summative assessments that will be used to judge whether students have achieved the outcomes of the course of study). Additional formative assessments at the end of modules are also available;
   d. the Statway and Quantway online platform, interactive textbook equivalent, and formative assessments; and
   e. materials for each topic, including just-in-time components to supply mathematical skills needed for the topic but which a student may not yet have.

2. Productive Persistence, the student motivation and engagement component, consists of:
   a. materials and activities that address the non-cognitive factors that can affect student learning are integrated into the instructional system of the Pathway.
   b. interventions and activities identified as increasing academic tenacity, motivation and productive learning strategies to facilitate student achievement and persistence.

3. Data collection, described in more detail below.

Data Collection

Individual Campus Data Collection:
a. Provide a description of the college placement tool(s) and cutoff score(s) that determine a student's placement into developmental/college level math courses and make every attempt to provide those test scores in SIRIS. In addition, the college agrees to flag students placed into remedial/developmental math courses with an indicator in their SIRIS submission.

b. Identify the course sections (course section IDs) that are being offered as Quantway and/or Statway.

c. Work with System Administration to identify subsequent college-level math course sections for which Quantway (or Statway) is a prerequisite. This may involve flagging these course section offerings with an indicator in SIRIS.

Scope of Work for Implementation and Scaling of Pathways

In order to receive the funding, participating colleges shall provide a scope of work for implementation and scaling of the Pathways, including the identification of each member of the college team, the number of faculty who will be trained; and plans for how many sections will be offered and during which semester(s).

Milestones

SUNY System Administration will reinforce the expectation that each Participating Institution will achieve the following milestones on the following schedule:

Landuse Plans:

The Middle Country Road Land Use Plan

Moved forward the development of the Middle Country Road Land Use Plan and sponsored a series of rezonings to implement the plan. These zone changes represented an effort to transform communities characterized by strip commercial areas and a dangerous arterial, to compact, pedestrian friendly communities.

Bellport Land Use Plan

Centered around Montauk Highway and Station Road, the Greater Bellport Land Use Plan promotes the development of a Transit Oriented center and investment into one of Brookhaven’s poorest communities.

Sustainable Development:
Sandy Hills

The Sandy Hills project is a mixed-use residential plan with a main street commercial component along Middle Country Road. This project provides 132 affordable housing units primarily for veterans and helps to move forward the creation of a pedestrian-oriented center at the crossroads of Middle Country Road and CR 21.

The Meadows at Yaphank

This mixed-use project includes offices, a mix of residential units, shops, and recreational opportunities such as a multi-purpose field, baseball fields, and a community center as well as a $2 million fund to remediate the invasive species in Yaphank Lakes.

The Coram U.A. Theater

This walkable, pedestrian-friendly development eliminated a blighted movie theater and includes 172 one-and-two bedroom units, 13,300 sqft. of commercial retail playground, a community green and a community center.

Energy Conservation

Energy Star

Introduced legislation in 2006 requiring any new single-family dwelling, multiple-family dwelling or Planned Retirement Community (PRC) to meet Energy Star guidelines. An energy star home avoids 2.25 tons of greenhouse gas emissions per year.

Green Homes

Sponsored and passed the Green Homes program which provides homeowners with a free home energy audit to help assist them with investing in the most efficient energy conservation measures. This program helped to save homeowners money, created green collar jobs, and reduced carbon emissions by 130,000 tons a year, and it is a revolving fund.

Safe Streets

Complete Streets

Sponsored and passed legislation in September of 2010 to establish a sustainable Complete Streets policy designed to enable safe access for all users, including bicyclists, pedestrians and motorists. Due to the implementation of the Complete Streets Policy, there are now hundreds of bike lanes throughout the Town of Brookhaven and many areas where sidewalks have been added.

Parks and Recreation

Worked to provide safe, positive recreational opportunities for our children and young people. Developed and renovated community parks including:
Robert Rowley Park and Martha Avenue Park in Bellport, Bartlett Pond Park in Middle Island, 
Granny Road Park and Children's Park in Gordon Heights, and the Medford Athletic Complex.

Open Space Preservation

Worked to protect the environment and preserve open space including the dedication of open 
space funds to purchase sensitive lands within the contributing area of the Carmans River, 
as well as, upzoning of parcels located within the Carmans River Corridor. In total, I sponsored 
the upzoning of 4,673 acres of land within the river's Corridor.

Water Conservation

Sponsored amendment to the Town Code to require all new in-ground irrigation systems to 
include a rain sensor. Rain sensors conserve water and prevent nutrients and fertilizers from 
washing into ground water.

MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E., Commissioner
SUBJECT: Resolution Authorizing the Acquisition of a Portion of a Certain Parcel of Real Property Having a Suffolk County Tax Map Identification Number of District 0200 Section 341.00 Block 01.00 Lot 030.000 for Sewer District Purposes and Requesting Conveyance of Same from the Town of Brookhaven, Suffolk County, New York Pursuant to General Municipal Law §72-H

DATE: June 22, 2016

Attached is a draft resolution and appropriate forms with backup for the steps to acquire a portion of a Town of Brookhaven site necessary for the construction of sewerage facilities (pumping station) for Sewer District No. 11 – Selden filed as Reso-DPW sd11 Parcel Acquisition dated 6-22-16 and appropriate forms with backup filed as Backup-DPW SCIN form 175a and 175b – sd11 Parcel Acquisition dated 6-22-16. The sewer district has an existing pump station located on an adjacent site which requires reconstruction and the most cost effective and feasible alternative is to acquire a small portion of land from the Town of Brookhaven in order to implement the project. It is noted that the appraisal has been accepted by the Town in an amount of $8,000.

We would appreciate this resolution being laid on the table as soon as possible.

1. Type of Legislation
   - Resolution [x]
   - Local Law [ ]
   - Charter Law [ ]

2. Title of Proposed Legislation
   Delegating to the County Comptroller of the County of Suffolk, New York, the power to authorize the issuance of and to sell not exceeding $110,000,000 Tax Anticipation Notes of said County in anticipation of the collection of real estate taxes levied for County purposes or returned to the County for collection for the fiscal years commencing January 1, 2013, 2014, 2015 and 2016 and to prescribe the terms, form and contents, and provide for the sale and credit enhancement of such notes.

3. Purpose of Proposed Legislation
   To issue delinquent tax anticipation notes for cash flow purposes, as we have done for the past number of years. The current 2016 cash flow anticipates revenue of $100,000,000 in such tax anticipation notes. The resolution has been written to provide sufficient latitude in principal should revenue trends decline resulting in the cash flow requiring a larger infusion of funds.

4. Will the Proposed Legislation Have a Fiscal Impact? [Yes [x] No [ ]]

5. If the answer to item 4 is "yes", on what will it impact? (circle appropriate category)
   - County [ ]
   - Town [ ]
   - Village [ ]
   - School District [ ]
   - Economic Impact [ ]
   - Other (Specify): [ ]

6. If the answer to item 5 is "yes", Provide Detailed Explanation of Impact
   Since these notes will be issued to mature in October 2017, the impact would be to the County's 2017 operating budget. TANs will be issued during October 2016 for the four most current fiscal tax years. The estimated "gross" interest cost for the maturing note is estimated to be approximately $2,000,000. ($100,000,000 x 2.00% gross coupon for 12 months.)
   It is anticipated that a premium may be bid by the underwriters. Thus, it is currently expected that the net interest cost for the notes could be approximately 1.25%.

7. Total Financial Cost of Funding over 5 Years on Each Affected Political or Other Subdivision.
   Gross interest cost in 2017 for the notes = $2,000,000.

FISCAL IMPLICATIONS: The notes will be issued prior to December 31, 2016 for a term of approximately one year and will impact debt service in the 2017 operating budget. To be completed by the Executive Budget Office
February 26, 2016

The Honorable Steven Bellone  
Suffolk County Executive  
100 Veterans Memorial Highway  
P.O. Box 6100  
Hauppauge, NY 11788

Dear Mr. Bellone:

I am pleased to inform you that Suffolk County is awarded $1,200,000 under the FY2016 State Homeland Security Program (SHSP). Funding for this grant is provided by the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA). The New York State Division of Homeland Security and Emergency Services (DHSES) will administer this funding on behalf of FEMA. Please note that the contract for this award will be executed upon the State’s receipt of the official grant award from FEMA.

This funding is provided to your County to support regional preparedness efforts. Your application for these funds must be developed in conjunction with appropriate local stakeholders and it should address the greatest homeland security needs within your entire County. Your SHSP projects must also comply with Federal grant guidelines and they must support the 2014-2016 New York State Homeland Security Strategy, which is available online at http://www.dhsses.ny.gov/planning/. Please refer to the enclosed FY2016 SHSP Program Guidance and Application worksheet for further details on this grant program. DHSES’s Grants Program Administration Office will work with your designated SHSP Points of Contact to provide additional administrative guidance, as needed.

Federal guidelines require that 25 percent $300,000 of your total award be directed to law enforcement terrorism prevention activities. These activities should be consistent with the efforts of your local Counter Terrorism Zone (CTZ).

Based on the State’s risk profile and the results of the County Emergency Preparedness Assessment (CEPA) program, DHSES has identified the following priorities for the FY2016 SHSP:

- Advancement of regional partnerships to build capabilities in a coordinated and cost-effective way
- Maturation of citizen preparedness efforts, building on the Governor’s Citizen Preparedness Program
- Development of effective cyber security programs and policies
• Enhancement of law enforcement information-sharing capabilities in coordination with the New York State Intelligence Center (NYSIC) and your local CTZ
• Continued coordination of Emergency Management planning efforts, focusing on identified gap areas in your jurisdiction
• Sustainment of effective programs and existing capabilities

Please note that DHSES is requiring that the Chief Executive of each County or City that receives SHSP funding sign a certification outlining your compliance with a series of related “Priority Preparedness Objectives” that have been designated by the State for the FY2016 SHSP. Specifics on these State priorities and the certification form are contained in the enclosed Program Guidance. A signed copy of the certification form must be submitted with your application.

In December 2015, DHSES marked a significant milestone for the CEPA program with the completion of initial CEPA reports for every county in the state. I thank you for your county’s participation in this process and urge you to consider leveraging your CEPA report, in addition to the priorities outlined above, to inform your FY2016 SHSP application.

Also, as you develop your application for funding, I ask that you carefully consider which projects you prioritize this year. DHS has dramatically increased the level of project detail required from grantees and it is becoming increasingly difficult to change projects during the grant period.

The performance period for the FY2016 grant is expected to be from September 1, 2016 through August 31, 2019. Your application must contain projects that can be completed during the performance period as extensions will not be allowed. In order for DHSES to provide these critical funds to you as quickly as possible, your application must be submitted to DHSES no later than March 29, 2016.

Thank you for your continued support of New York State’s homeland security efforts. DHSES remains committed to providing you with outstanding support in the administration of your homeland security programs. If you have any questions, please contact me at (518) 242-5000 or my Director of Grants, Shelley Wahrlich, at (518) 402-2123.

Sincerely,

John P. Melville
Commissioner

NEW YORK STATE
DIVISION OF HOMELAND SECURITY AND EMERGENCY SERVICES
GRANT CONTRACT

APPENDIX A-1

The Contract is hereby made by and between the State of New York, acting by and through the New York State Division of Homeland Security and Emergency Services (DHSES or State Agency) and the public or private entity ('Contractor' or 'Subrecipient') identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL TERMS AND CONDITIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Contract exceeds $50,000 (or $85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the Offices of the State Comptroller and Attorney General where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Appendix C (Payment and Reporting Schedule).

C. Contract Parts: This Contract incorporates the face pages attached, this Appendix and all of the marked Appendices identified on the face page hereof.

D. Order of Precedence: In the event of a conflict among (i) the terms of the Contract (including any and all Appendices and amendments) or (ii) between the terms of the Contract and the original request for proposal, the program application or other Appendix that was completed and executed by the Contractor in connection with the Contract, the order of precedence is as follows:

5. Appendices B, C and D

6. Other attachments, including, but not limited to, the request for proposal or program application

E. Governing Law: This Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

F. Funding: Funding for the entire Contract Period shall not exceed the funding amount specified as ‘Funding Amount for the Initial Period’ on the Face Page hereof or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Appendix B form (Budget).

G. Contract Period: The period of this Contract shall be as specified on the face page hereof.

H. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. For federally-funded grants, DHSES will conduct an evaluation to determine risks posted by Contractors in managing federal awards. Consistent with 2 CFR §200.331, the results of the evaluation may result in the imposition of special conditions to this Contract including but not limited to increased monitoring, suspension of reimbursements and cancellation of the Contract.

I. Modifications: To modify the Contract, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in the term, is subject to the approval of the NYS Office of the State Comptroller. Any other modifications shall be processed in accordance with DHSES guidelines as stated in this Contract.

J. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

e. by e-mail.

2. Notices to the State shall be addressed to the Program Office.

3. Notices to the Contractor shall be addressed to the Contractor's designee.

4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery services or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

M. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

N. Set-Off Rights: The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any money due to the Contractor under the Contract up to any amounts due and owing to the State with regard to the Contract, any other contracts with any State department or agency, including any contract for a term commencing prior to the term of the Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of setoff pursuant to an audit, the finalization of such audit by DHSES, its representatives, or OSC.

O. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Contract.

P. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's prior written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of DHSES and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

Q. Legal Action: No litigation or regulatory action shall be brought against the federal government, the State of New York, DHSES or against any county or other local government entity with the funds provided under the Contract. The term 'litigation' shall include commencing or threatening to commence a lawsuit, joining or threatening to join as a party to ongoing litigation, or requesting any relief from any of the federal government, the State of New York, DHSES or any county or other local government entity. The term 'regulatory action' shall include commencing or threatening to commence a regulatory proceeding, or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

R. No Arbitration: Disputes involving the Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

S. Secular Purpose: Services performed pursuant to the Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

https://grants.security.state.ny.us/Project/ReportContractAward.jsp[6/15/2016 4:30:00 PM]
T. Partisan Political Activity and Lobbying: Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

U. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.²

V. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the federal False Claims Act, the New York State False Claims Act and whistleblower protections.

W. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor's behalf.

X. Federally Funded Grants: All of the specific federal requirements that are applicable to the Contract are identified in Section V (FEDERALLY FUNDED GRANT REQUIREMENTS) of this Appendix. To the extent that the Contract is funded in whole or part with federal funds, (i) the provisions of the Contract that conflict with federal rules, federal regulations, or federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Section V (FEDERALLY FUNDED GRANT REQUIREMENTS) of this Appendix. To the extent that section V (FEDERALLY FUNDED GRANT REQUIREMENTS) conflict with any other provisions of the Contract, the federal requirements of Section V shall supersede all other provisions of the Contract where required.

Y. The Contractor must meet the program objectives summarized in the Program Work Plan and Special Conditions (Appendix D) to the satisfaction of DHSES in accordance with provisions of the Contract, relevant laws, rules and regulations, administrative and fiscal guidelines and, where applicable, operating certificates for facilities or license for an activity or program.

II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a 'Simplified Renewal Contract'). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ('Unusual Circumstances'), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, 'Unusual Circumstances' shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b. Notification to the not-for-profit Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date
the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

C. Termination:

1. Grounds:

a. Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

b. Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Contract.

c. Non-Responsibility: In accordance with the provisions of this Contract, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.

d. Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.

e. Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at DHSES's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to DHSES for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to DHSES. In any event, no liability shall be incurred by the State (including DHSES) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to DHSES or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f. Force Majeure: The State may terminate or suspend its performance under the Contract immediately upon the occurrence of a 'force majeure'. For purposes of the Contract, 'force majeure' shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require:

a. the repayment to the State of any monies previously paid to the Contractor; or

b. the return of any real property or equipment purchased under the terms of the Contract; or

c. an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.

2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.

3. The Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Appendix C (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.

4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of DHSES, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

5. If travel expenses are an approved expenditure under this Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.

6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.

7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, 'Full Execution' shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:
1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Appendix C (Payment and Reporting Schedule).

For simplified renewals, the payment schedule (Appendix C) will be modified as part of the renewal process.

4. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims listed in Appendix C (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.

5. If for any reason the amount of any claim is not sufficient to cover the proportionate advance amount to be recovered, then subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1. The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Contract in accordance with this Section and the applicable claiming schedule in Appendix C (Payment and Reporting Schedule).

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the applicable Appendix B form (Budget) and during the Contract Term. When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

2. Consistent with the selected reimbursement claiming schedule in Appendix C (Payment and Reporting Schedule), the Contractor shall comply with the appropriate following provisions:

a. Quarterly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Appendix D (Work Plan and Special Conditions). d. Milestone/Performance Reimbursement: Requests for payment based upon an event or milestone may be either severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event. Milestone payments shall be made to the Contractor when requested in a form approved by the State, and at frequencies and in amounts stated in Appendix C (Payment and Reporting Schedule). DHSES shall make milestone payments subject to the Contractor's satisfactory performance.

e. Fee for Service Reimbursement: Payment shall be limited to only those fees specifically agreed upon in the Contract and shall be payable no more frequently than monthly upon submission of a voucher by the contractor.

3. The Contractor shall also submit supporting fiscal documentation for the expenses claimed.

4. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.

5. The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

6. All vouchers submitted by the Contractor pursuant to the Contract shall be submitted to DHSES no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. In no event shall the amount received by the Contractor exceed the budget amount approved by DHSES, and, if actual expenditures by the Contractor are less than such sum, the amount payable by DHSES to the Contractor shall not exceed the amount of actual expenditures.

7. All obligations must be incurred prior to the end date of the contract. Notwithstanding the provisions of Section III(C)(6) above, with respect to the final period for which reimbursement is claimed, so long as the obligations were incurred prior to the end date of the contract, the Contractor shall have up to ninety (90) calendar days after the contract end date to make expenditures; provided, however, that if the Contract is funded in whole or in part with federal funds, the Contractor shall have up to sixty (60) calendar days after the contract end date to make expenditures.

2. The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principle purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. The personal information is requested by the purchasing unit of DHSES contracting to purchase the goods or services or lease the real or personal property covered by the Contract. In the event that the Contractor fails to refund such balance the State may pursue all available remedies.

F. Outstanding Amounts Owed to the State: Prior period overpayments (including, but not limited to, contract advances in excess of actual expenditures) and/or audit recoveries associated with the Contractor may be recouped against future payments made under this Contract to Contractor. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. In the event that there are no payments to apply recoveries against, the Contractor shall make payment as provided in Section III(E) (Refunds) herein.

G. Program and Fiscal Reporting Requirements:

1. The Contractor shall submit required periodic reports in accordance with the applicable schedule provided in Appendix C (Payment and Reporting Schedule). e. A Contractor that is a local government must make all procurements in accordance with General Municipal Law Article 5-A, and any other applicable regulations.

f. A Contractor that is a not-for-profit and all other entities that do not meet the descriptions in Section III(S)(7)(d) or (e) herein must make all procurements as noted below:

i. If the Contractor is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.

ii. A Contractor may purchase any single piece of equipment, single service or multiples of each that cost up to $999 at its discretion.

iii. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $1,000 and $4,999, a Contractor must secure at least three telephone quotes and create a record for audit of such quotes.

iv. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost of between $5,000 and $9,999, the Contractor must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

g. A Contractor spending in aggregate of $10,000 and above must use a competitive bidding process. Guidance may be obtained from DHSES. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

h. DHSES reserves the right to suspend program funds if the Contractor is found to be in noncompliance with the provisions of this Contract or other grant Contracts between the Contractor and DHSES or, if the Contractor or principals of the Contractor are under investigation by a New York State or local law enforcement agency for noncompliance with State or federal laws or regulatory provisions or, if in DHSES' judgment, the services provided by the Contractor under the Contract are unsatisfactory or untimely.

i. DHSES shall provide the Contractor with written notice of noncompliance.

ii. Upon the Contractor’s failure to correct or comply with the written notice by DHSES, DHSES reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract.

i. DHSES reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded...

through its offices upon appropriate notification to the Contractor, or upon reasonable assurance that the Contractor is not in compliance with these terms.

j. As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of 'persons' who are engaged in 'investment activities in Iran' (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

i. By entering into this Contract, Contractor (or any assignee) certifies in accordance with State Finance Law §165-a that it is not on the 'Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012' (Prohibited Entities List) posted at: http://www ogs.ny.gov/about/regs/docs/ListofEntities.pdf.

ii. Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

iii. During the term of the Contract, should DHSES receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

iv. DHSES reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

V. FEDERALLY FUNDED GRANT REQUIREMENTS

B. Requirement for System of Award Management: Unless you are exempted from this requirement under 2 CFR 25.110, you as the subrecipient must maintain the currency of your information in the System of Award Management (SAM) until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term. Pursuant to section 2 CFR §200.210(a)(2), Contractors must maintain a current unique entity identifier prior to and during the life of the Contract.

C. In accordance with 2 CFR §§200.112 and 200.113, Contractor understands and agrees that it must: (1) disclose in writing any potential conflict of interest to DHSES; and (2) disclose, in a timely manner, in writing to DHSES all violations of federal and state criminal law involving fraud, bribery, or gratuity violations potentially affecting the grant award. Failure to make required disclosures can result in any remedy available to DHSES for Contractor's noncompliance, including suspension or debarment.

D. The Contractor must ensure that, for all contracts entered into by the Contractor, the contract provisions required by 2 CFR §200.326 (and Appendix II to 2 CFR Part 200) are included in such contracts. The Contractor further agrees to impose and enforce this requirement for any Contractor subaward agreements.

E. Where advance payments are approved by DHSES, the Contractor agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B. The advanced funds must be placed in an interest-bearing account and are subject to the rules outlined in 2 CFR Part 200, (Uniform Administrative Requirements for Grants and Cooperative Contracts to State and Local Governments) which require Contractors to promptly remit back to the federal government, through New York State Division of Homeland Security and Emergency Services, any interest earned on these advanced funds. The Contractor may keep interest earned up to $500 per federal fiscal year for administrative expenses. This maximum limit is not per award; it is inclusive of all interest earned as the result of all federal grant program funds received per year. Interest must be reported on Fiscal Cost Reports and remitted to DHSES quarterly.

F. Audit Requirements. This Contract, and any sub-awards resulting from this Contract, may be subject to fiscal and program audits
by DHSES, NYS Office of State Comptroller, pertinent federal agencies, and other designated entities to ascertain financial compliance with federal and/or State laws, regulations, and guidelines applicable to this Contract. The Contractor shall meet all audit requirements of the federal government and State of New York. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable federal, State, and DHSES guidelines.

G. Equipment Markings. The Contractor further agrees that, when practicable, any equipment purchased with grant funding shall be prominently marked as follows: ‘Purchased with funds provided by the U.S. Department of Homeland Security.’

H. Administrative, Cost and Audit Requirements: The Contractor must comply with the most recent version of the Administrative Requirements, Cost Principles, and Audit requirements. Failure to do so may result in disallowance of costs upon audit. A list of regulations and guidance applicable to United States Department of Homeland Security (DHS) grants are listed below:

1. General Administrative Requirements:
   a. 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

2. Cost Principles:
   a. 2 CFR Part 200, Subpart E

3. Audit Requirements:
   a. 2 CFR Part 200, Subpart F

I. Contracting with small and minority firms, women's business enterprise and labor surplus area firms.

1. Consistent with 2 CFR §200.321, the grantee and any subgrantees will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

2. Affirmative steps must include:

   a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
   b. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
   c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
   d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
   e. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
   f. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in subsections (2)(a) through (e) of this section.

J. Compliance with Laws, Regulations and Program Guidance. The Contractor shall ensure it is aware of and complies with all applicable laws, regulations and program guidance. It is the responsibility of the Contractor to become familiar with and comply with all terms and conditions associated with acceptance of funds.

K. Adequate Documentation: The Contractor must ensure full compliance with all cost documentation requirements, including specific personal service documentation, as applicable directly to the Contractor, sub-recipient or collaborative agency/organization. The Contractor must maintain specific documentation as support for project related personal service expenditures as this Contract is supported by federal funds. Depending upon the nature or extent of personal service provided under this Contract, the Contractor shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with all applicable laws, regulations and program guidance. Failure to do so may result in disallowance of costs.

L. Single Audit Requirements: For audits of fiscal years beginning on or after December 26, 2014, recipients that expend $750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with the requirements of GAO's Government Auditing Standards, located at ...

https://grants.security.state.ny.us/Project/ReportContractAward.jsp[6/15/2016 4:30:00 PM]

For audits of fiscal years beginning prior to December 26, 2014, recipients that expend $500,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with GAO’s Government Auditing Standards, located at http://www.gao.gov/govaud/ybk01.htm, and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, located at https://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf.

The final report for such audit must be completed within nine months of the end of the Contractor’s fiscal year. The Contractor must provide one copy of such audit report to DHSES within nine (9) months of the end of its fiscal year, or communicate in writing to DHSES that Contractor is exempt from such requirement.

M. Program Income: Program income earned by the Contractor during the grant funding Period must be reported in writing to DHSES, in addition to any other statutory reporting requirements. Program income consists of income earned by the grant recipient that is directly generated by a supported activity or earned as a result of the grant program. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights and interest on loans made with federal award funds. For example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of grant program income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

N. Intellectual Property: Any creative or literary work developed or commissioned by the Contractor with grant support provided by DHSES shall become the property of DHSES, entitling DHSES to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

1. If DHSES shares its right to copyright such work with the Contractor, DHSES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant, or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with grant support.

2. If the grant support provided by DHSES is federally-sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor participates ownership with such grant support.

3. The Contractor shall submit one copy of all reports and publications resulting from this Contract to DHSES within thirty (30) calendar days of completion. Any document generated pursuant to this grant must contain the following language:

'This project was supported by a grant administered by the New York State Division of Homeland Security and Emergency Services and the U.S. Department of Homeland Security. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the New York State Division of Homeland Security and Emergency Services or the U.S. Department of Homeland Security.'

O. Accounting for Grant Expenditures:

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Contractor receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2. Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3. None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.
4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Contract;
- Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
- Applicable federal and/or State cost principles to be used in determining allowable costs; and
- Property Records or Equipment Inventory Reports.

P. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programmatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

Q. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

R. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2. Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:
   a. Items of equipment with a current per unit market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.
   b. Items of equipment with a current per unit fair market value of $5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

4. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current
utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

6. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor's organization's activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

ENDNOTES:

1 To the extent that Section V—Federally Funding Grant Requirements conflict with any other provisions of the Contract, the Federal requirements of Section V shall supersede all other provisions of the Contract.

2 As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

3 A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

4 Fee for Service is a rate established by the Contractor for a service or services rendered.

5 Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

6 Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

7 Fifth Quarter Payments occur where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

For All Contractors:

I. PAYMENT PROVISIONS

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page hereof. All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Contractor shall provide complete and accurate vouchers to DHSES in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Contractor shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director’s sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Contractor shall comply with the State Comptroller’s procedures to authorize electronic payments. Authorization forms are available at the State Comptroller’s website at www.osc.state.ny.us/epay/index.htm, by email at epunitl@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Agreement if it does not comply with the State Comptroller’s electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

2. The Contractor agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement.

Reimbursement requests need to include the following documents:
- Signed Voucher and Fiscal Cost Report
- Detailed Itemization Forms or other forms deemed acceptable by DHSES of any budgeted category for which reimbursement is requested
- Written documentation of all required DHSES approvals, as appropriate

3. Vouchers shall be submitted in a format acceptable to DHSES and the Office of the State Comptroller. Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with...
the items as contained in the Project Budget (Appendix B) and during the contract period. Such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program.

B. Interim and/or Final Claims for Reimbursement

1. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Contractor must also refund all unexpended advances and interest earned over $500 on the advanced funds pursuant to 2 CFR Part 200, §200.305(b)(9). Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section V, Paragraph R, must be available at the conclusion of the contract period and submitted to DHSES upon request.

2. If at the end of this contract there remain any monies (advanced or interest earned over $500 on the advanced funds) associated with this contract in the possession of the Contractor, the Contractor shall submit a check or money order for that amount payable to the order of the New York State Division of Homeland Security and Emergency Services. Remit the check along with the final fiscal cost report within 30 days of termination of this grant contract to:

NYS Division of Homeland Security and Emergency Services

Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Contractor must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

4. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

Special Conditions

I. ALL GRANT FUNDS:
Federal grant funds provided are a subaward of Homeland Security Grant Program (HSGP) funds awarded to the New York State Division of Homeland Security and Emergency Services (DHSES) from the U.S. Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA).

A. Permissible Use of Funding

1. HSGP funds must be used in accordance with the guidelines set forth in the HSGP Notice of Funding Opportunity, which can be located at http://www.fema.gov/preparedness-non-disaster-grants.

3. Designated Urban Areas under the Urban Areas Security Initiative (UASI) must have a charter document on file with the Federal Emergency Management Agency (FEMA) prior to drawing down UASI funding. The charter must address critical issues such as membership, governance structure, voting rights, grant management and administration responsibilities, and funding allocation methodologies.

B. Record Requirements

1. Subrecipients shall keep an agenda and meeting minutes on file for all meetings conducted regarding HSGP funded activities.

2. Any documents produced as a result of these meetings such as plans, schedules, or procedures, will also be kept on file and be made available to DHSES, upon request.

C. Equipment Purchases

1. Equipment purchased with grant funds must fall within the allowable equipment categories for HSGP as listed on the Authorized Equipment List (AEL) (https://www.fema.gov/authorized-equipment-list).

2. Subrecipients are responsible to request a determination of eligibility from the U.S. Department of Homeland Security (DHS), through DHSES, for any equipment item in question. Unless otherwise stated in the program guidance, equipment must meet all mandatory regulatory and/or DHS adopted standards to be eligible for purchase using HSGP funds.

3. The New York State Communication Interoperability Plan (SCIP), as well as DHS Grant Guidance for grant funding, requires that all interoperable communications equipment must be on the Authorized Equipment List (AEL) and that the use of APCO P 25 compliant equipment is a recommended technology to achieve emergency interoperable communications.

D. Training & Exercise Related Activities

1. Any non DHS training course to be supported by this award must be submitted in advance to DHSES for written approval.

2. All exercises conducted must be managed and executed in accordance with the Homeland Security Exercise and Evaluation Program (HSEEP). Report scheduled exercises to DHSES through the Master Exercise and Training Information System (METIS - https://metis.nj.gov/) 60 days prior to the start of the exercise. An After Action Report/Improvement Plan (AAR/IP) must be prepared and submitted to DHSES following every exercise, regardless of type or scope. AAR/IPs must conform to the HSEEP format and must be submitted within 60 days of completion of the exercise.

3. Subrecipients are required to be NIMS compliant. DHSES requires that subrecipients contact their county point of contact to determine how the particular county requires reporting. Subrecipients are expected to provide DHSES upon request any data required for annual NIMS certification purposes.

E. Law Enforcement Requirements

1. Subrecipients that are law enforcement agencies agree that such funding shall be utilized for prevention, preparedness, and response initiatives consistent with the New York State Homeland Security Strategy, and with Counter Terrorism Zone (CTZ) efforts at the State and local level. This will ensure that fiscal resources are used for seamless and effective counter terrorism planning, training, information sharing, investigation, equipment acquisition, and response functions.

2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, subrecipients will ensure that interoperability between and among existing law enforcement systems, and the New York State Intelligence Center (NYSIC), is accomplished.

3. Subrecipients further agree to consult with the NYSIC to ensure agency participation and inclusion in New York State's Field Intelligence Officer (FIO) Program.

F. EHP Requirements

1. Subrecipients shall comply with all applicable federal, State, and local environmental and historic preservation (EHP) requirements and shall provide any information requested by FEMA to ensure compliance with applicable laws including: National Environmental Policy Act, National Historic Preservation Act, Endangered Species Act, and Executive Orders on Floodplains (11988), Wetlands (11990) and Environmental Justice (12898).

2. Failure of subrecipients to meet federal, State, and local EHP requirements and obtain applicable permits may jeopardize federal funding. Subrecipients shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings. Subrecipients must comply with all conditions placed on the project as the result of the EHP review.

3. Any change to the approved project scope of work will require reevaluation for compliance with these EHP requirements.

4. If ground disturbing activities occur during project implementation, subrecipients must ensure monitoring of ground disturbance and if any potential archaeological resources are discovered, such subrecipient will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office.

5. Any construction activities that have been initiated prior to the full environmental and historic preservation review could result in noncompliance finding. For your convenience, the screening form is available at: http://www.dhces.ny.gov/grants/eph.cfm.

G. Equipment Maintenance Requirements

1. Subrecipients must track grant funds used for maintenance contracts, warranties, repair or replacement costs and upgrades, and report such expenditures in fiscal and program reports.

H. New York State Emergency Management Certification and Training Program

1. Participation in and successful completion of the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. The EMC Training Program will be made available to, and required for, DHSES specified county and city government officials in order to ensure a consistent emergency management preparedness and response strategy across the State. Attendee substitutions, except as expressly approved by DHSES, shall not be permitted or deemed to be in compliance with this requirement.

2. To fulfill the EMC Training Program requirement of the Contract and in order to be eligible for funding under this Contract, subrecipients must arrange for DHSES specified subrecipient employees to receive and acknowledge receipt of EMC Training no later than 180 days after execution of this Contract. Copies of the training certificates for each required participant must be submitted to DHSES upon execution of the Contract, or, in the event that training is scheduled, but not yet complete, the subrecipient will be required to submit a signed statement indicating the scheduled future dates of attendance, and no later than thirty (30) days after the training is complete, forward such training certificates to DHSES. Continued compliance with the EMC Training Program also requires an annual refresher training of one day per 365 day cycle from the date of initial training for previously trained individuals if such person remains employed by the subrecipient and fulfilling the same functions as he or she fulfilled during the initial training. Should a new employee be designated to serve in the DHSES specified positions, then he or she must come into compliance with the EMC Training Program requirements not later than 180 days after taking office.

3. Subrecipient must commit to active participation in a DHSES Annual Capabilities Assessment as a condition of funding. Active

To be completed by the Executive Budget Office
March 18, 2016

The Honorable Steven Bellone
Suffolk County Executive
100 Veterans Memorial Highway
Hauppauge, NY 11788

Dear Mr. Bellone:

I am pleased to inform you that Suffolk County is awarded $2,647,775 under the FY2016 Urban Areas Security Initiative (UASI), per the consensus agreement decided by the New York City Urban Area Working Group (UAWG). As per Federal guidelines, 25 percent ($661,944) of your award must be directed towards law enforcement terrorism prevention activities. These activities should be consistent with the efforts of your local Counter Terrorism Zone (CTZ). Please note that the contract for this award will be executed upon the State’s receipt of the official grant award from FEMA.

For all Homeland Security Grant Program (HSGP) funds, to include UASI funding, I have outlined the following State priorities these grant funds are intended to sustain or enhance: Sustainment and Advancement of Regional Partnerships; Maturation of Citizen Preparedness Efforts; Development of Cyber Security Programs; Enhancement of Law Enforcement Information-sharing Capabilities; Continued Coordination of Emergency Management Planning Efforts; and Sustainment of Effective Programs and Existing Capabilities. Given that your county has already completed the County Emergency Preparedness Assessment (CEPA) process in coordination with the NYS Division of Homeland Security and Emergency Services (DHSES), I strongly recommend that you consider leveraging your CEPA report as well to inform your FY2016 UASI priorities.

The performance period for this grant is expected to be from September 1, 2016 through August 31, 2019. Your application must contain projects that can be completed during the performance period as extensions will not be allowed. In order for DHSES to provide these critical funds to you as quickly as possible, your application must be submitted to DHSES no later than April 8, 2016.

DHSES remains committed to providing you with outstanding support in the administration of your homeland security programs. If you have any questions, please contact me at (518) 242-5000 or my Director of Grants, Shelley Wahrlich, at (518) 402-2123.

Thank you for your continued support of New York State’s homeland security efforts.

Sincerely,

John P. Melville

Award Contract

Project No. Grantee Name

New York City UASI

The Contract is hereby made by and between the State of New York, acting by and through the New York State Division of Homeland Security and Emergency Services (DHSES or State Agency) and the public or private entity ('Contractor' or 'Subrecipient') identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL TERMS AND CONDITIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 365 or Section 6218 of the Education Law), if the Contract exceeds $50,000 (or $85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the Offices of the State Comptroller and Attorney General where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Appendix C (Payment and Reporting Schedule).

C. Contract Parts: This Contract incorporates the face pages attached, this Appendix and all of the marked Appendices identified on the face page hereof.

D. Order of Precedence: In the event of a conflict among (i) the terms of the Contract (including any and all Appendices and amendments) or (ii) between the terms of the Contract and the original request for proposal, the program application or other Appendix that was completed and executed by the Contractor in connection with the Contract, the order of precedence is as follows:
1. Appendix A-1

2. Modifications to the Face Page

3. Modifications to Appendices B, C and D

4. The Face Page

5. Appendices B, C and D

6. Other attachments, including, but not limited to, the request for proposal or program application

E. Governing Law: This Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

F. Funding: Funding for the entire Contract Period shall not exceed the funding amount specified as 'Funding Amount for the Initial Period' on the Face Page hereof or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Appendix B form (Budget).

G. Contract Period: The period of this Contract shall be as specified on the face page hereof.

H. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Appendix D (Work Plan and Special Conditions) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program. For federally-funded grants, DHSES will conduct an evaluation to determine risks posted by Contractors in managing federal awards. Consistent with 2 CFR §200.331, the results of the evaluation may result in the imposition special conditions to this Contract including but not limited to increased monitoring, suspension of reimbursements and cancellation of the Contract.

I. Modifications: To modify the Contract, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in the term, is subject to the approval of the NYS Office of the State Comptroller. Any other modifications shall be processed in accordance with DHSES guidelines as stated in this Contract.

J. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

K. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered to be gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

L. Notice:

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:

   a. by certified or registered United States mail, return receipt requested;

   b. by facsimile transmission;

   c. by personal delivery;

   d. by expedited delivery service; or
2. Notices to the State shall be addressed to the Program Office.

3. Notices to the Contractor shall be addressed to the Contractor's designee.

4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery services or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

M. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

N. Set-Off Rights: The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Contract up to any amounts due and owing to the State with regard to the Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of setoff pursuant to an audit, the finalization of such audit by DHSES, its representatives, or OSC.

O. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Contract.

P. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State’s previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of DHSES and with the concurrence of OSC, where the original contract was subject to OSC’s approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless the Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

Q. Legal Action: No litigation or regulatory action shall be brought against the federal government, the State of New York, DHSES or against any county or other local government entity with the funds provided under the Contract. The term 'litigation' shall include commencing or threatening to commence a lawsuit, joining or threatening to join as a party to ongoing litigation, or requesting any relief from any of the federal government, the State of New York, DHSES or any county or other local government entity. The term 'regulatory action' shall include commencing or threatening to commence a regulatory proceeding, or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

R. No Arbitration: Disputes involving the Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

S. Secular Purpose: Services performed pursuant to the Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.
T. Partisan Political Activity and Lobbying: Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

U. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.²

V. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the federal False Claims Act, the New York State False Claims Act and whistleblower protections.

W. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor's behalf.

X. Federally Funded Grants: All of the specific federal requirements that are applicable to the Contract are identified in Section V (FEDERALLY FUNDED GRANT REQUIREMENTS) of this Appendix. To the extent that the Contract is funded in whole or part with federal funds, (i) the provisions of the Contract that conflict with federal rules, federal regulations, or federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Section V (FEDERALLY FUNDED GRANT REQUIREMENTS) of this Appendix. To the extent that section V (FEDERALLY FUNDED GRANT REQUIREMENTS) conflict with any other provisions of the Contract, the federal requirements of Section V shall supersede all other provisions of the Contract where required.

Y. The Contractor must meet the program objectives summarized in the Program Work Plan and Special Conditions (Appendix D) to the satisfaction of DHSES in accordance with provisions of the Contract, relevant laws, rules and regulations, administrative and fiscal guidelines and, where applicable, operating certificates for facilities or license for an activity or program.

II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a 'Simplified Renewal Contract'). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State (‘Unusual Circumstances’), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, 'Unusual Circumstances' shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b. Notification to the not-for-profit Contractor of the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date
the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

C. Termination:

1. Grounds:

a. Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

b. Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Contract.

c. Non-Responsibility: In accordance with the provisions of this Contract, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.

d. Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.

e. Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at DHSES's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to DHSES for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to DHSES. In any event, no liability shall be incurred by the State (including DHSES) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to DHSES or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f. Force Majeure: The State may terminate or suspend its performance under the Contract immediately upon the occurrence of a 'force majeure'. For purposes of the Contract, 'Force majeure' shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

a. Service of notice: Written notice of termination shall be sent by:

   i. personal messenger service; or

   ii. certified mail, return receipt requested and first class mail.

b. Effective date of termination: The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

   i. if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or

   ii. if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3. Effect of Notice and Termination on State's Payment Obligations:

   a. Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

   b. The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Contract after its
termination date.

4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require:

a. the repayment to the State of any monies previously paid to the Contractor; or

b. the return of any real property or equipment purchased under the terms of the Contract; or

c. an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.

2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Contract shall not be reimbursed.

3. The Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Appendix C (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.

4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of DHSES, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

5. If travel expenses are an approved expenditure under this Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.

6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.

7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:

The Contractor further agrees to impose and enforce this requirement for any Contractor subaward agreements.

E. Where advance payments are approved by DHSES, the Contractor agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B. The advanced funds must be placed in an interest-bearing account and are subject to the rules outlined in 2 CFR Part 200, (Uniform Administrative Requirements for Grants and Cooperative Contracts to State and Local Governments) which require Contractors to promptly remit back to the federal government, through New York State Division of Homeland Security and Emergency Services, any interest earned on these advanced funds. The Contractor may keep interest earned up to $500 per federal fiscal year for administrative expenses. This maximum limit is not per award; it is inclusive of all interest earned as the result of all federal grant program funds received per year. Interest must be reported on Fiscal Cost Reports and remitted to DHSES quarterly.

F. Audit Requirements. This Contract, and any sub-awards resulting from this Contract, may be subject to fiscal and program audits.
Award Contract

by DHSES, NYS Office of State Comptroller, pertinent federal agencies, and other designated entities to ascertain financial compliance with federal and/or State laws, regulations, and guidelines applicable to this Contract. The Contractor shall meet all audit requirements of the federal government and State of New York. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable federal, State, and DHSES guidelines.

G. Equipment Markings. The Contractor further agrees that, when practicable, any equipment purchased with grant funding shall be prominently marked as follows: 'Purchased with funds provided by the U.S. Department of Homeland Security.'

H. Administrative, Cost and Audit Requirements: The Contractor must comply with the most recent version of the Administrative Requirements, Cost Principles, and Audit requirements. Failure to do so may result in disallowance of costs upon audit. A list of regulations and guidance applicable to United States Department of Homeland Security (DHS) grants are listed below:

1. General Administrative Requirements:
   a. 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

2. Cost Principles:
   a. 2 CFR Part 200, Subpart E

3. Audit Requirements:
   a. 2 CFR Part 200, Subpart F

I. Contracting with small and minority firms, women's business enterprise and labor surplus area firms.

1. Consistent with 2 CFR §200.321, the grantee and any subgrantees will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

2. Affirmative steps must include:
   a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
   b. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
   c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
   d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
   e. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
   f. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in subsections (2)(a) through (e) of this section.

J. Compliance with Laws, Regulations and Program Guidance. The Contractor shall ensure it is aware of and complies with all applicable laws, regulations and program guidance. It is the responsibility of the Contractor to become familiar with and comply with all terms and conditions associated with acceptance of funds.

K. Adequate Documentation: The Contractor must ensure full compliance with all cost documentation requirements, including specific personal service documentation, as applicable directly to the Contractor, sub-recipient or collaborative agency/organization. The Contractor must maintain specific documentation as support for project related personal service expenditures as this Contract is supported by federal funds. Depending upon the nature or extent of personal service provided under this Contract, the Contractor shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with all applicable laws, regulations and program guidance. Failure to do so may result in disallowance of costs.

L. Single Audit Requirements: For audits of fiscal years beginning on or after December 26, 2014, recipients that expend $750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with the requirements of GAO's Government Auditing Standards, located at

For audits of fiscal years beginning prior to December 26, 2014, recipients that expend $500,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with GAO's Government Auditing Standards, located at http://www.gao.gov/govaud/ybk01.htm, and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, located at https://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf.

The final report for such audit must be completed within nine months of the end of the Contractor's fiscal year. The Contractor must provide one copy of such audit report to DHSES within nine (9) months of the end of its fiscal year, or communicate in writing to DHSES that Contractor is exempt from such requirement.

M. Program Income: Program income earned by the Contractor during the grant funding Period must be reported in writing to DHSES, in addition to any other statutory reporting requirements. Program income consists of income earned by the grant recipient that is directly generated by a supported activity or earned as a result of the grant program. Program income includes, but is not limited to, income from fees for services performed, the use of rental or real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights and interest on loans made with federal award funds. For example, if the purpose of a grant is to conduct conferences, any training fees that are generated would be considered program income. Interest earned on grant funds is not considered program income unless specified in Appendix D. The Contractor agrees to report the receipt and expenditures of program grant income to DHSES. Program income (not to include interest earned), generated by the use of these grant funds will be used to enhance the grant project.

N. Intellectual Property: Any creative or literary work developed or commissioned by the Contractor with grant support provided by DHSES shall become the property of DHSES, entitling DHSES to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

1. If DHSES shares its right to copyright such work with the Contractor, DHSES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant, or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-contractor, or a contractor purchases ownership with grant support.

2. If the grant support provided by DHSES is federally-sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, sub-grant or contract under a grant or sub-grant; and (b) any rights of copyright to which a Contractor, sub-Contractor, or a contractor purchases ownership with such grant support.

3. The Contractor shall submit one copy of all reports and publications resulting from this Contract to DHSES within thirty (30) calendar days of completion. Any document generated pursuant to this grant must contain the following language:

'This project was supported by a grant administered by the New York State Division of Homeland Security and Emergency Services and the U.S. Department of Homeland Security. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the New York State Division of Homeland Security and Emergency Services or the U.S. Department of Homeland Security.'

O. Accounting for Grant Expenditures:

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Contractor receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).

2. Contractor agrees that it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

3. None of the goals, objectives or tasks, as set forth in Appendix D, shall be sub-awarded to another organization without specific prior written approval by DHSES. Where the intention to make sub-awards is clearly indicated in the application, DHSES approval is deemed given, if these activities are funded, as proposed.

4. If this Contract makes provisions for the Contractor to sub-grant funds to other recipients, the Contractor agrees that all sub-Contractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract in its entirety. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor must guarantee the work of any sub-Contractor as if it were its own.

5. The Contractor agrees that all sub-Contractor arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Contract;
- Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Contract;
- Applicable federal and/or State cost principles to be used in determining allowable costs; and
- Property Records or Equipment Inventory Reports.

P. The Contractor will not be reimbursed for sub-granted funds unless all expenditures by a sub-Contractor are listed on detailed itemization forms or a form deemed acceptable to DHSES. Backup documentation for such expenditures must be made available to DHSES upon request. All expenditures must be programatically consistent with the goals and objectives of this Contract and with the Budget set forth in Appendix B.

Q. Space rental provided by this Contract must be supported by a written lease, maintained on file and made available by the Contractor upon request.

R. Equipment and Property:

1. Any equipment, furniture or supplies or other property purchased pursuant to this Contract is deemed to be the property of the State, except as may otherwise be governed by federal or State laws, rules or regulations or stated in this Contract.

2. Equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A Contractor may use its own definition of equipment provided that such definition would at least include all equipment defined above. A copy of the property record(s) or equipment inventory report(s) with relevant purchasing and supporting documentation must be made available to DHSES upon request. Property records or equipment inventory reports must be maintained, by award, that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. The Contractor must document receipt of all applicable equipment purchased with grant funds. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two (2) years.

3. Upon completion of all contractual requirements by the Contractor, DHSES will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in connection with a public security program. When disposing of equipment purchased with homeland security grant funding, a State agency must dispose of equipment in accordance with State Laws and procedures. All other Contractors shall dispose of equipment as follows:

a. Items of equipment with a current per unit market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

b. Items of equipment with a current per unit fair market value of $5,000 or more may be retained or sold. If sold, the awarding agency shall have a right to an amount calculated by multiplying the proceeds from the sale by the awarding agency's share of the equipment. If retained, the current market value is to be used in the calculation. To remit payments, award recipients should contact DHSES at 1-866-837-9133 for guidance.

4. Upon completion of all contractual requirements by the Contractor under this Contract, DHSES shall accept a request for continued use and possession of the equipment purchased with grant funds providing the equipment continues to be used in accordance with the contracted activities and guidelines in this Contract.

5. The Contractor must conduct a physical inventory of property records at least once every two years to verify the existence, current
utilization and continued need for the property. In the event the property is no longer required by the Contractor, this fact should be reported to DHSES as soon as possible and appropriate guidelines followed, as specified in this Appendix.

8. If Contractor disposes of any equipment purchased under this Contract during the active lifespan of said equipment, Contractor must reinvest any proceeds from the disposal into additional equipment items to continue Contractor’s organization’s activities subject to the guidelines of this Contract. If the Contractor does not reinvest proceeds to continue activities subject to this Contract, the percentage of the proceeds equal to the proportion of the original purchase price paid by funds for the Contract must be repaid to the State of New York.

ENDNOTES:

1 To the extent that Section V-Federally Funding Grant Requirements conflict with any other provisions of the Contract, the Federal requirements of Section V shall supersede all other provisions of the Contract.

2 As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to this provision.

3 A milestone/performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Contract effort.

4 Fee for Service is a rate established by the Contractor for a service or services rendered.

5 Rate based agreements are those agreements in which payment is premised upon a specific established rate per unit.

6 Scheduled Reimbursement agreements provide for payments that occur at defined and regular intervals that provide for a specified dollar amount to be paid to the Contractor at the beginning of each payment period (i.e. quarterly, monthly or bi-annually). While these payments are related to the particular services and outcomes defined in the Contract, they are not dependent upon particular services or expenses in any one payment period and provide the Contractor with a defined and regular payment over the life of the contract.

7 Fifth Quarter Payments occur where there are scheduled payments and where there is an expectation that services will be continued through renewals or subsequent contracts. Fifth Quarter Payments allow for the continuation of scheduled payments to a Contractor for the first payment period quarter of an anticipated renewal or new contract.

## APPENDIX C

**PAYMENT AND REPORTING SCHEDULE**

For All Contractors:

### I. PAYMENT PROVISIONS

1. In full consideration of contract services to be performed, DHSES agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page hereof. All payments shall be in accordance with the budget contained in the applicable Attachment B form (Budget), which is attached hereto.

A. Payment and Recoupment Language

1. Contractor shall provide complete and accurate vouchers to DHSES in order to receive payment. Vouchers submitted to DHSES must contain all information and supporting documentation required by the Agreement, DHSES and the State Comptroller. Payment for vouchers submitted by the Contractor shall only be rendered electronically, unless a paper check is expressly authorized by the Director of DHSES, at the Director's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with the ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any vouchers submitted under this Agreement if it does not comply with the State Comptroller's electronic payment procedures, except where the Director has expressly authorized payment by paper check as set forth above.

2. The Contractor agrees that this is a reimbursement-based contract; an advance may be provided as specified in Appendix D. All requests for reimbursement must reflect actual costs that have been disbursed by the Contractor. Items or services not received are not eligible for reimbursement.

Reimbursement requests need to include the following documents:
• Signed Voucher and Fiscal Cost Report
• Detailed Itemization Forms or other forms deemed acceptable by DHSES of any budgeted category for which reimbursement is requested
• Written documentation of all required DHSES approvals, as appropriate

3. Vouchers shall be submitted in a format acceptable to DHSES and the Office of the State Comptroller. Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. Such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program.

B. Interim and/or Final Claims for Reimbursement

1. Contractors must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Final vouchers, reimbursement requests and reports must be submitted within 30 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds. The Contractor must also refund all unexpended advances and interest earned over $500 on the advanced funds pursuant to 2 CFR Part 200, §200.305(b)(9). Property Records or Equipment Inventory Reports as defined in Appendix A-1, Section V, Paragraph R, must be available at the conclusion of the contract period and submitted to DHSES upon request.

2. If at the end of this contract there remain any monies (advanced or interest earned over $500 on the advanced funds) associated with this contract in the possession of the Contractor, the Contractor shall submit a check or money order for that amount payable to the order of the New York State Division of Homeland Security and Emergency Services. Remit the check along with the final fiscal cost report within 30 days of termination of this grant contract to:

NYS Division of Homeland Security and Emergency Services
Federal Fiscal Unit
State Campus - Building 7A
1220 Washington Avenue
Albany, NY 12242

3. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the Contract Unit of DHSES. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Contractor must notify the Federal Fiscal Unit in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

4. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Homeland Security and Emergency Services
Attention: Contracts Unit
State Office Building Campus – Bldg. 7A
1220 Washington Avenue, Suite 610
Albany, NY 12242

II. REPORTING PROVISIONS

A. Required Reports:

Narrative/Qualitative Report (Progress Report)

The Contractor will submit, on a quarterly basis, not later than 30 days from the end of the quarter, the report described in Section III(G)(2)(a)(i) of Appendix A-1 of the Contract.
Expenditure Report (Fiscal Cost Report)

The Contractor will submit, on a quarterly basis, not later than 30 days after the end date for which reimbursement is being claimed, the report described in Section III, Paragraph G(2)(a)(iii) of the Appendix A-1 of the Contract.

Final Report

The Contractor will submit the final report as described in Section III, Paragraph G(2)(a)(iv) of Appendix A-1 of the Contract, no later than 30 days after the end of the contract period.

1. Fiscal cost reports must be submitted showing grant expenditures. They must also show the amount of interest earned to date on any advanced funds.

All submitted vouchers will reflect the Contractor's actual expenditures and will be accompanied by supporting detailed itemization forms or a form deemed acceptable to DHSES for personal service, fringe benefit and non-personal service expenditures or other documentation as required, and by a fiscal cost report for the reporting period. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, DHSES, in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Contractor may be required to submit a final budget reallocation.

DHSES reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement.

2. The Contractor will submit program progress reports and one final report to DHSES on a prescribed form provided by DHSES as well as any additional information or amended data as required.

Progress reports will be due within 30 days of the last day of each calendar quarter or on an alternate schedule as prescribed in Appendix D. Progress reports will be due within 30 days of the last day of the calendar quarter from the start date of the program and the final report will be due upon completion of the project or termination of this Agreement. Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter: January 1 - March 31 -- Report Due: April 30
Calendar Quarter: April 1 - June 30 -- Report Due: July 30
Calendar Quarter: July 1 - September 30 -- Report Due: October 30

A. Permissible Use of Funding

1. HSGP funds must be used in accordance with the guidelines set forth in the HSGP Notice of Funding Opportunity, which can be located at http://www.fema.gov/preparedness-non-disaster-grants.

3. Designated Urban Areas under the Urban Areas Security Initiative (UASI) must have a charter document on file with the Federal Emergency Management Agency (FEMA) prior to drawing down UASI funding. The charter must address critical issues such as membership, governance structure, voting rights, grant management and administration responsibilities, and funding allocation methodologies.

B. Record Requirements

1. Subrecipients shall keep an agenda and meeting minutes on file for all meetings conducted regarding HSGP funded activities.

2. Any documents produced as a result of these meetings such as plans, schedules, or procedures, will also be kept on file and be made available to DHSES, upon request.

C. Equipment Purchases

1. Equipment purchased with grant funds must fall within the allowable equipment categories for HSGP as listed on the Authorized Equipment List (AEL) (https://www.fema.gov/authorized-equipment-list).

2. Subrecipients are responsible to request a determination of eligibility from the U.S. Department of Homeland Security (DHS), through DHSES, for any equipment item in question. Unless otherwise stated in the program guidance, equipment must meet all mandatory regulatory and/or DHS adopted standards to be eligible for purchase using HSGP funds.

3. The New York State Communication Interoperability Plan (SCIP), as well as DHS Grant Guidance for grant funding, requires that all interoperable communications equipment must be on the Authorized Equipment List (AEL) and that the use of APCO P 25 compliant equipment is a recommended technology to achieve emergency interoperable communications.

AAR/IPs must conform to the HSEEP format and must be submitted within 60 days of completion of the exercise.

3. Subrecipients are required to be NIMS compliant. DHSES requires that subrecipients contact their county point of contact to determine how the particular county requires reporting. Subrecipients are expected to provide DHSES upon request any data required for annual NIMS certification purposes.

E. Law Enforcement Requirements

1. Subrecipients that are law enforcement agencies agree that such funding shall be utilized for prevention, preparedness, and response initiatives consistent with the New York State Homeland Security Strategy, and with Counter Terrorism Zone (CTZ) efforts at the State and local level. This will ensure that fiscal resources are used for seamless and effective counter terrorism planning, training, information sharing, investigation, equipment acquisition, and response functions.

2. Particular attention must be paid to equipment and technology acquisitions, and, where similar technology already exists in the State's law enforcement communities, subrecipients will ensure that interoperability between and among existing law enforcement systems, and the New York State Intelligence Center (NYSIC), is accomplished.

Subrecipients shall not undertake any project having the potential to impact EHP resources without the prior approval of FEMA, including but not limited to communications towers, physical security enhancements, new construction, and modifications to buildings. Subrecipients must comply with all conditions placed on the project as the result of the EHP review.

3. Any change to the approved project scope of work will require reevaluation for compliance with these EHP requirements.

4. If ground disturbing activities occur during project implementation, subrecipients must ensure monitoring of ground disturbance and if any potential archaeological resources are discovered, such subrecipient will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office.

Participation in and successful completion of the New York State Emergency Management Certification and Training Program (EMC Training Program) is a mandatory requirement under this Contract and a condition of funding. Active participation includes making reasonable staff, records, information, and time resources available to DHSES to perform the Annual Capabilities Assessment and meet the objectives and goals of the program. Subrecipients must be aware that the process of conducting a DHSES Annual Risk Assessment is an ongoing process and requires a continued commitment on the part of the subrecipient to ensure that it is effective.

Dear Mr. Schneider:

Enclosed for your consideration and submission is the proposed resolution pursuant to:

AMENDING THE ADOPTED 2016 OPERATING BUDGET TO TRANSFER FUNDS FROM FUND 477 WATER QUALITY PROTECTION, AMENDING THE 2016 CAPITAL BUDGET AND PROGRAM, AND APPROPRIATING FUNDS IN CONNECTION WITH A LIVING SHORELINE DEMONSTRATION PROJECT WITHIN THE TOWN OF SOUTHOLD

There are sufficient funds included in the 2016 Operating Budget Fund 477 for this project. The Suffolk County Water Quality Review Committee, at its March 13, 2015 meeting, approved funding for the Living Shoreline Demonstration Project within the Town of Southold as an appropriate use of Suffolk County Water Quality Protection and Restoration Program and Land Stewardship Initiative funds in the amount of $58,800.

After your examination, please place this on the Legislative Agenda. If you have any questions or concerns, please contact me.

Sincerely,

Sarah Lansdale  
Director of Planning

MEMORANDUM OF SUPPORT

Title of Resolution: AMENDING THE ADOPTED 2016 OPERATING BUDGET TO TRANSFER FUNDS FROM FUND 477 WATER QUALITY PROTECTION, AMENDING THE 2016 CAPITAL BUDGET AND PROGRAM, AND APPROPRIATING FUNDS IN CONNECTION WITH A LIVING SHORELINE DEMONSTRATION PROJECT WITHIN THE TOWN OF SOUTHOLD

PURPOSE OR GENERAL IDEA OF BILL:

To transfer funds from Water Quality Fund 477 to a Capital Projects budget line for use by the Town of Southold for a Living Shoreline Demonstration Project.

SUMMARY OF SPECIFIC PROVISIONS:

The Town of Southold and other towns in Suffolk County have seen a large increase in demand for property protection since hurricane Sandy. Shoreline hardening structures such as bulkheads are most commonly applied and often result in loss of habitat for marine life and ecosystem function. Sustainable alternatives such as living shorelines (a form of green infrastructure) are cost effective solutions to shoreline hardening that are also beneficial to the environment.

JUSTIFICATION:

The funding for a Living Shoreline Demonstration Project was recommended at the March 13, 2015 meeting of the WQPRP Review Committee. It was deemed by the Committee to be a prudent and beneficial use of the ¼% sales tax water quality funds. Implementing green infrastructure alternatives to traditional shoreline hardening provides valuable marine habitat and is a cost-effective management approach to protect water quality in Suffolk County.

FISCAL IMPLICATIONS

None to the General Fund. All funding will come from the existing ¼% sales tax generated fund for water quality projects.
WHEREAS, the Town of Southold has been awarded a grant from the Suffolk County Water Quality Protection and Restoration Program and Land Stewardship Initiative ("WQPRP"), for the "Development of a Living Shoreline, Enhance Habitat Value, and Improve Water Quality" project near the Suffolk County Marine Environmental Learning Center in Southold; and

WHEREAS, under the grant requirements, the Town of Southold is required to incur the total cost of the project in the amount of $117,600.00 and thereafter seek reimbursement under the grant award for expenditures in the amount of $58,800.00; thereby resulting in $58,800.00 net cost to the Town which will be funded by the Town and in kind services from Cornell Cooperative Extension; and

WHEREAS, the Town Board, has reviewed the provisions of the New York State Environmental Quality Review Act (SEQRA) and has considered the potential impacts of the proposed action.

NOW, THEREFORE, BE IT RESOLVED that the Town Board, being the Lead Agency under SEQRA, has determined that, pursuant to Section 617.5 (c) (20) and (27) of Title 6 of the NYCRR, the proposed action is deemed to be a Type II Action; and

BE IT FURTHER RESOLVED that the Town Board agrees that it will fund its portion of the cost of the project; and

BE IT FURTHER RESOLVED that by the Town Board of the Town of Southold that Supervisor of the Town of Southold is hereby authorized to enter into an Intermunicipal Agreement with the County of Suffolk to accept and administer the Suffolk County WQPRP grant for the "Development of a Living Shoreline, Enhance Habitat Value, and Improve Water Quality" project near the Suffolk County Marine Environmental Learning Center in Southold the terms and conditions of which shall be subject to review and approval by the Town Attorney's Office; and

BE IT FURTHER RESOLVED that one (1) certified copy of this Resolution be prepared and sent to the Suffolk County Department of Economic Development and Planning to support the Town's award for the Suffolk County WQPRP funding assistance.

Re: Request for Renewal Resolution for the Maternal and Infant Community Health Collaborative (MICHC) grant for SFY 10/1/16 – 9/30/17 in the amount of $435,937.00

We would like to request a Renewal Resolution to appropriate funds for the Maternal and Infant Community Health Collaborative (MICHC) in the amount of $435,937.00 for the 10/1/16-9/30/17 program year.

Project Description:

The MICHC project is a NYSDOH initiative designed to improve health outcomes for women ages 12-44 and their families, while reducing persistent racial/ethnic and economic disparities. The primary goals of the MICHC project are to improve key outcomes related to preterm births, low birth weights, infant mortality and maternal mortality, reduce associated disparities and to maximize the use of public health resources.

The MICHC project is a three part initiative that works to:

- Influence the organizations and institutions that collectively support or improve the health of individuals and populations
- Form meaningful partnerships to plan, develop and implement collaborative community and system level solutions.
- Provide direct 1:1 assistance to help clients obtain and consistently utilize health insurance, primary care, family planning and other needed support services. The MICHC project has developed a home-visiting case-management program that utilizes a team of Community Health Workers who provide women of child-bearing age and their families with individualized social support to encourage and reinforce health promoting behaviors, provide home-visiting client centered services, peer education, risk assessments, preventive screenings and goal setting strategies.

FFY2017 projected WIC staff salary and fringe benefit fiscal information obtained from Office of the County Executive Federal & State Aid Claims Unit.

Awaiting decision from MARO WIC if AAS dietetic technicians (2 year approved SCC Dietetic Technician graduate) can be grandfathered in as CPA per June 2016 proposed NYS WIC Program Manual #1460. One dietetic technician vacancy not listed below (Paula Small retired Jan 2015) will probably never be filled. Suffolk County Civil Service official job description was finally revised in Sept 2014 requiring all future dietetic technicians to be DTR, and to maintain their DTR registration throughout employment.

One vacant WIC bilingual clerk typist position (Lorena Calderon) will not be replaced and is not indicated below.

Qualified Nutritionist

**Qualified Nutritionist (QN)** - an individual at a local agency who has completed the educational requirements and practical experience required to earn a degree and/or credential in the field of Nutrition. This individual possesses expertise that qualifies him or her to perform all nutrition-related duties at the local agency, including providing and overseeing high risk care to high risk participants, and serving at the local agency’s Nutrition Coordinator.

*Nutrition Coordinator* - an individual at a local agency who meets the qualifications of a Qualified Nutritionist who is designated to ensure quality nutrition services are provided to program participants and who participates in the development of the local agency nutrition education and breastfeeding promotion and support plan.

**Minimum Qualifications**

Bachelor’s, Master’s, or PhD in Nutrition

**CPA Plus** - this Staff type is used on a limited basis for a previously grandfathered CPA3 who does not meet the new qualifications of a Qualified Nutritionist (QN) that may continue to provide and oversee high risk care to all high risk participants. Local Agencies must work with Regional Office on a case by case basis to decide if the currently employed individual who does not meet the QN qualifications can be granted a CPA Plus title based on experience, education, and current job duties. This should be a limited number of existing staff, and is for rare cases, in which the WIC Coordinator and Regional Office feel that current staff is qualified, and/or when there is difficulty hiring a QN.

**Additional Qualified Nutritionist Notes**
All SCDHS WIC Dietitians are RDN. FFY2017 projected WIC staff salary and fringe benefit fiscal information obtained from Office of the County Executive Federal & State Aid Claims Unit.
3 RDN Nutritionists (Robin Blocher, Jill Becker, and Patricia Berkebile) have retired. These 3 vacant WIC nutritionist positions will not be filled, and are not indicated below.

Subject: Request for Introductory Resolution for HIV Partner Notification Program

I request an Introductory Resolution to appropriate funds for the HIV Partner Notification Program, for $284,836. The HIV Partner Notification Program budget is attached herein for reference.

Project Description:
The purpose of this initiative is to improve the provision of HIV Partner Services within Suffolk County, and to ensure persons living with HIV and their partners are promptly linked to medical care, HIV testing, STD screening, and other essential prevention and support services. The goals of this initiative are to:

- Initiate field investigation for all newly diagnosed HIV-infected persons within 24 hours of case assignment on CDESS-MIS
- Interview all newly identified HIV positive individuals (index) for the purposes of partner notification
- Promote continuity of care, retention and treatment adherence by ensuring all newly diagnosed HIV positive patients are aware of their status, are promptly linked to medical care, ARV treatment as well as essential support services for follow-up medical care and health maintenance
- Reduce HIV transmission by notifying partners of newly diagnosed persons of their exposure to HIV and offer them HIV testing and assistance with HIV/STD medical evaluation and linkage to prevention services, including PrEP.
- Address the prevention needs among index patients and their named partners via risk reduction education and condom distribution
- Promote partner services to providers, community organizations and populations served to provide information on PHL, reporting requirements, and services available
- Maintain confidentiality of all reports of HIV cases and named partners, and ensure accurate data collection and prompt reporting.
The long term goal of this initiative is to reduce disease incidence, decrease the rate of HIV transmission, decrease risky sexual and drug using behaviors among newly diagnosed HIV positive and persons at high risk for acquiring HIV, increase the proportion of HIV infected individuals who are aware of their status, and increase the proportion of partners of those infected with HIV who are notified, tested, linked to prevention and treatment/medical care.

Contract Number: C029457  
Contract Period: April 1, 2015 – March 30, 2020

Dear Robert Delagi:

Enclosed for your review and signature is the proposed contract between your organization and the New York State Department of Health, for the annual amount of 227042 during the five year period specified above.

Any grantee doing business with New York State now needs to be established and prequalified in the new Grants Gateway system. Your Organization is not in the system and we would like to help you with this process. There are a few steps to accomplish this and they have been outlined below. Please be aware that this process does take some time, so your immediate attention to this matter is important.

Vendor Prequalification for Not-for-Profits

All not-for-profit vendors subject to prequalification are required to prequalify prior to grant application and execution of contracts.

Pursuant to the New York State Division of Budget Bulletin H-1032, dated June 7, 2013, New York State has instituted key reform initiatives to the grant contract process which requires not-for-profits to register in the Grants Gateway and complete the Vendor Prequalification process in order for applications to be evaluated. Information on these initiatives can be found on the Grants Reform Website.

Applications received from not-for-profit applicants that have not Registered and are not Prequalified In the Grants Gateway on the application due date listed on the cover of this RFA cannot be evaluated. Such applications will be disqualified from further consideration.

Below is a summary of the steps that must be completed to meet registration and prequalification requirements. The Vendor Prequalification Manual on the Grants Reform Website details the requirements and an online tutorial are available to walk users through the process.
1) Register for the Grants Gateway

On the Grants Reform Website, download a copy of the Registration Form for Administrator. A signed, notarized original form must be sent to the Division of Budget at the address provided in the instructions. You will be provided with a Username and Password allowing you to access the Grants Gateway.

If you have previously registered and do not know your Username, please email grantsreform@budget.ny.gov. If you do not know your Password, please click the Forgot Password link from the main log in page and follow the prompts.

2) Complete your Prequalification Application

- Log in to the Grants Gateway. If this is your first time logging in, you will be prompted to change your password at the bottom of your Profile page. Enter a new password and click SAVE.

- Click the Organization(s) link at the top of the page and complete the required fields including selecting the State agency you have the most grants with. This page should be completed in its entirety before you SAVE. A Document Vault link will become available near the top of the page. Click this link to access the main Document Vault page.

- Answer the questions in the Required Forms and upload Required Documents. This constitutes your Prequalification Application. Optional Documents are not required unless specified in this Request for Application.

- Specific questions about the prequalification process should be referred to your agency representative or to the Grants Reform Team at grantsreform@budget.ny.gov.

3) Submit Your Prequalification Application

- After completing your Prequalification Application, click the Submit Document Vault Link located below the Required Documents section to submit your Prequalification Application for State agency review. Once submitted the status of the Document Vault will change to In Review.

- If your Prequalification reviewer has questions or requests changes you will receive email notification from the Gateway system.

- Once your Prequalification Application has been approved, you will receive a Gateway notification that you are now prequalified to do business with New York State.

The following forms need to be completed for contract approval:

- 2 signature pages with original, notarized signatures

- Verify that your organization is up to date with vendor responsibility certification on the NYS Office of the State Comptroller Vend Rep System: available at http://www.osc.state.ny.us/vendrep/index.htm or complete a hard copy Vendor Responsibility questionnaire available at: http://www.osc.state.ny.us/vendrep/forms_vendor.htm
• Provide acceptable proof of Worker’s Compensation Coverage and Disability Insurance coverage, to be used as Appendix E-1 and E-2 of the contract. Acceptable proof of coverage forms are described in Section IV of the State of New York Agreement. http://www.wcb.ny.gov/

If there are objections to the contract language which preclude signing the contract, these objections must be stated in writing along with the name of a contact person who can discuss the issues. When received, the objections will be reviewed and the contact person reached for discussion.

The signed contracts and aforementioned documents should be returned as soon as possible to my attention at the following address:

Re: Pederson-Krag Center/PSCH, Inc. Merger

Dear Ms. Csorny:

The New York State Office of Mental Health (OMH) directs the re-allocation of twenty five percent of Pederson-Krag Center’s 2016 OMH State aid funding that it is currently allocated by the Suffolk County Department of Health Services, to PSCH, Inc. effective October 1, 2016 following PSCH’s planned full asset merger with Pederson-Krag where PSCH will be the surviving agency. The attached 2016 County Allocation Tracker Detail Report identifies the OMH funding sources and mental health programs that are currently operated by Pederson-Krag ($2,582,273 in total). We support three-quarter of these funds being retained by the Pederson-Krag Center for program operations covering January 1 to September 30, 2016; and one-quarter to be allocated to PSCH, Inc. for program operations covering October 1 to December 31, 2016. The mental health programs that are being provided by the Pederson-Krag Center with OMH State aid are expected to be maintained by PSCH, Inc. at existing annualized funding levels.

Please update the 2016 County Allocation Tracker to reflect the division of funding at your earliest convenience. If you have any questions or concerns, please feel free to contact Shalendra Ramadhin at (631) 761-3334 or myself.

Sincerely,

Martha Carlin, PsyD.

James L. Tomarken, MD, MSW, MPH, MBA, FRCP, FACP
Commissioner
Suffolk County Department of Health Services
3500 Sunrise Highway, Suite 124
Great River, NY 11739-9006

Re: Contract # C-029376

Dear Dr. Tomarken:

The New York State Department of Health Bureau of Tuberculosis Control (BTBC) invites the Suffolk County Department of Health Services to apply for continued funding to support your Tuberculosis Prevention and Control Program. Up to $2,618,000.00 is available to Suffolk County Department of Health Services for the total five year contract term March 31, 2014 through March 30, 2019. Funds will be allocated on annual amount of $523,600.00.

BTBC will continue to utilize a multi-year contract term to streamline the contract administration process. The multi-year contract requires a separate budget and work plan for each budget period. Any future adjustments to the budget or work plan will be handled through the budget/work plan modification process. Any change in the total available funding will require a formal contract amendment through the submission of an amendment. Please note that future awards are contingent upon available funding.

Funds are to be used to maintain and expand TB control program infrastructure, and support TB prevention and control activities. Funds can be used to support salaries, fringe benefits, travel, staff training, to purchase client incentives/enablers, supplies, and educational materials. Contract funds can NOT be used to supplant existing county funds or pay for construction. The purchase of equipment should not be considered in the initial budget.

To qualify for contractual funding, the local health department must agree to work toward the national objective of TB elimination. The TB work plan has several objectives and is intended to measure your program’s success toward achieving the national objectives. For each objective, you will be required to develop an implementation plan/activity and identify the staff responsible for implementing the plan/activity. Include at the end of the work plan a key for responsible staff, title and name.

Using the attached Master Contract budget and work plan templates, please submit a budget, budget justification and work plan for each budget period electronically to Ms. Lourdes M. Cacciotti at lourdes.cacciotti@health.ny.gov by June 30, 2014.
If you have fiscal questions or require assistance, please contact Ms. Cacciotti at 518-474-4845. Programmatic work plan issues should be discussed with Mr. Christopher Klemfuss at 518-474-4845 or by e-mail at Christopher.Klemfuss@health.ny.gov. Thank you.

Sincerely,

Subject: SPDES Resolution for the Fiscal Year 2016 – 2017

The Office of Wastewater Management (OWM) requests for the appropriation of the fund in the amount of $149,225.00 for the fiscal year 04/01/16 – 03/31/17 for the expenses in support of the OWM’s program activities.

Description of the Program Activities

The OWM’s Sewage Treatment Plant (STP) Program conducts the responsibilities, delegated by New York State Department of Environmental Conservation (NYSDEC), of managing all the sewage treatment facilities currently operating in the County. The OWM, in accordance with the State Pollutant Discharge Elimination Systems (SPDES) Permit Program, ensures that the sewage treatment facilities are constructed based on proper engineering designs and operated adequately, following the required maintenance and preventative maintenance procedures, thereby, protecting the County’s aquifer from pollutants contained in improperly treated sewage. Funding for the program supports the following:

- Two full time review engineers – The engineering staff reviews and approves design and construction of new STPs and existing STP upgrades, as well as construction of replacement STPs.
- Two full time sanitarians – There are approximately 200 STPs currently operating in the County. The sanitarians perform thorough inspections and collect samples from each facility at least two times a year, poorly performing STPs are inspected four times a year. They also initiate legal proceedings against non-conforming facilities.
- The program’s goal is to achieve overall yearly rolling average of total nitrogen (TN) less than 6 mg/l and a compliance rate greater than 90% for all tertiary plants. For the past 5 years the TN average has consistently improved – TN is down from 9.9 mg/l in 2011 to 7.6 mg/l as of 2015 sampling data from all tertiary plants. Overall tertiary STP compliance is now 84%.
- Currently, all the secondary plants are either in the process of construction to new tertiary plants, or under review of OWM for approval for construction for new replacement plants. The funds will support all the activities necessary for the advancement of the Department’s STP Program toward its goal.

MASTER CONTRACT FOR GRANTS

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds $50,000 (or $85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than
five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

C. Order of Precedence:

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

In addition, to the extent that such modification meets the criteria set forth in Section I.B herein, it shall be subject to the approval of the AG and OSC before it shall become valid, effective and binding upon the State. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Master Contract.

H. Severability: Any provision of the Master Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good faith to reform the Master Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:
   a) by certified or registered United States mail, return receipt requested;
   b) by facsimile transmission;
   c) by personal delivery;
   d) by expedited delivery service; or
   e) by e-mail.

2. Notices to the State shall be addressed to the Program Office designated in Attachment A-1 (Program Specific Terms and Conditions).

3. Notices to the Contractor shall be addressed to the Contractor's designee as designated in Attachment A-1 (Program Specific Terms and Conditions).

4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.
5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Master Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

K. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

L. Set-Off Rights: The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Master Contract up to any amounts due and owing to the State with regard to the Master Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Master Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State Agency, its representatives, or OSC.

M. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

N. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State’s previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC’s approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
O. The term “regulatory action” shall include commencing or threatening to commence a regulatory proceeding, or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

P. No Arbitration: Disputes involving the Master Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

Q. Secular Purpose: Services performed pursuant to the Master Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

R. Partisan Political Activity and Lobbying: Funds provided pursuant to the Master Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

S. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.3

T. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

U. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. that the Master Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Master Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto.

II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Master Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a) Pursuant to State Finance Law §179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State’s intent to renew or not to renew the Master Contract no later than ninety (90) calendar days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State’s intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, “Unusual Circumstances” shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b) Notification to the not-for-profit Contractor of the State’s intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.
C. Termination:

1. Grounds:

   a) Mutual Consent: The Master Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

   b) Cause: The State may terminate the Master Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Master Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Master Contract.

   c) Non-Responsibility: In accordance with the provisions of Sections IV(N)(6) and (7) herein, the State may make a final determination that the Contractor is nonponsible (Determination of Non-Responsibility). In such event, the State may terminate the Master Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.

   d) Convenience: The State may terminate the Master Contract in its sole discretion upon thirty (30) calendar days prior written notice.

   e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency’s discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor’s responsibility.

   f) Force Majeure: The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a “force majeure.” For purposes of the Master Contract, “Force majeure” shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

   a) Service of notice: Written notice of termination shall be sent by:

   (i) personal messenger service; or
(ii) certified mail, return receipt requested and first class mail.

b) **Effective date of termination:** The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

(i) if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or

(ii) if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3. **Effect of Notice and Termination on State’s Payment Obligations:**

a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Master Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Master Contract after its termination date.

4. **Effect of Termination Based on Misuse or Conversion of State or Federal Property:**

Where the Master Contract is terminated for cause based on Contractor’s failure to use some or all of the real property or equipment purchased pursuant to the Master Contract for the purposes set forth herein, the State may, at its option, require:

a) the repayment to the State of any monies previously paid to the Contractor; or

b) the return of any real property or equipment purchased under the terms of the Master Contract; or

   c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State’s ability to pursue such other legal or equitable remedies as may be available.

D. **Suspension:** The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor’s expenses during such suspension period. Activities may resume at such time
as the State issues a formal written notice authorizing a resumption of performance under the Master Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, the State Agency agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.

2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Master Contract shall not be reimbursed.

3. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Attachment D (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.

4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of the State Agency, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments.

5. If travel expenses are an approved expenditure under the Master Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.

6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.

7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, “Full Execution” shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.
B. Advance Payment and Recoupment:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Attachment D (Payment and Reporting Schedule).

2. Initial advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the first day of the Contract Term or, if renewed, in the period identified on the Face Page. 3. The Contractor shall undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

4. At the request of the State, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative shall not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative shall affirmatively cooperate in the implementation of the Contractor’s obligations herein; and

5. The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants shall be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

The Contractor shall include the provisions of subclauses 1 – 5 of this Section (IV)(J), in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (Work) except where the Work is for the beneficial use of the Contractor. Section 312 of the Executive Law does not apply to: (i) work, goods or services unrelated to the Master Contract; or (ii) employment outside New York State. The State shall consider compliance by the Contractor or a subcontractor with the requirements of any Federal law concerning equal employment opportunity which effectuates the purpose of this section. The State shall determine whether the imposition of the provisions hereof duplicate or conflict with any such Federal law and if such duplication or conflict exists, the State shall waive the applicability of Section 312 of the Executive Law to the extent of such duplication or conflict. The Contractor shall comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development’s Division of Minority and Women’s Business Development pertaining hereto.

K. Omnibus Procurement Act of 1992: It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority and
women-owned business enterprises, as bidders, subcontractors and suppliers on its procurement contracts.

1. If the total dollar amount of the Master Contract is greater than $1 million, the Omnibus Procurement Act of 1992 requires that by signing the Master Contract, the Contractor certifies the following:

b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

c) The Contractor agrees to make reasonable efforts to provide notification to State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of the Master Contract and agrees to cooperate with the State in these efforts.

L. Workers' Compensation Benefits:

1. In accordance with Section 142 of the State Finance Law, the Master Contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of the Master Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

2. If a Contractor believes they are exempt from the Workers Compensation insurance requirement they must apply for an exemption.

M. Unemployment Insurance Compliance: The Contractor shall remain current in both its quarterly reporting and payment of contributions or payments in lieu of contributions, as applicable, to the State Unemployment Insurance system as a condition of maintaining this grant.

The Contractor hereby authorizes the State Department of Labor to disclose to the State Agency staff only such information as is necessary to determine the Contractor's compliance with the State Unemployment Insurance Law. This includes, but is not limited to, the following:

1. If a Contractor is required to complete a Questionnaire, the Contractor covenants and represents that it has, to the best of its knowledge, truthfully, accurately and thoroughly completed such Questionnaire. Although electronic filing is preferred, the Contractor may obtain a paper form from the OSC prior to execution of the Master Contract. The Contractor further covenants and represents that as of the date of execution of the Master Contract, there are no material events, omissions, changes or corrections to such document requiring an amendment to the Questionnaire.

2. The Contractor shall provide to the State updates to the Questionnaire if any material event(s) occurs requiring an amendment or as new information material to such Questionnaire becomes available.

3. The Contractor shall, in addition, promptly report to the State the initiation of any investigation or audit by a governmental entity with enforcement authority with respect to any alleged violation of Federal or state law by the Contractor, its employees, its officers and/or directors in connection with matters involving, relating to or arising out of the Contractor’s business. Such report shall be made within five (5) business days following the Contractor becoming aware of such event, investigation, or audit. Such report may be considered by the State in making a Determination of Vendor Non-Responsibility pursuant to this section.

4. The State reserves the right, in its sole discretion, at any time during the term of the Master Contract:

a) to require updates or clarifications to the Questionnaire upon written request;

b) to inquire about information included in or required information omitted from the Questionnaire;

c) to require the Contractor to provide such information to the State within a reasonable timeframe; and

d) to require as a condition precedent to entering into the Master Contract that the Contractor agree to such additional conditions as shall be necessary to satisfy the State that the Contractor is, and shall remain, a responsible vendor; and

e) to require the Contractor to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity. By signing the Master Contract, the Contractor agrees
to comply with any such additional conditions that have been made a part of the Master Contract.

5. The State, in its sole discretion, reserves the right to suspend any or all activities under the Master Contract, at any time, when it discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor shall be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under the Master Contract.

6. The State, in its sole discretion, reserves the right to make a final Determination of Non-Responsibility at any time during the term of the Master Contract based on:

   b) the State’s discovery of any material information which pertains to the Contractor’s responsibility.

7. Prior to making a final Determination of Non-Responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

O. WORK PLAN

OFFICE OF INDIGENT LEGAL SERVICES

REGIONAL IMMIGRATION ASSISTANCE CENTER

NOVEMBER 1, 2015 – OCTOBER 31, 2018

COUNTY OF SUFFOLK

Goal: To improve the quality of mandated representation to noncitizen clients by every indigent service provider in Region 6, inclusive of Nassau and Suffolk Counties.

Task #1

Region 6 (Suffolk and Nassau Counties, with Suffolk as lead) will create a bi-county Immigration Center (Center) to address the proportional share of foreign born population on Long Island and provide support for both Legal Aid Attorneys and 18-B Assigned Counsel Attorneys.

Task #2

The Center will establish and implement a comprehensive Immigration Service Plan that will enhance existing programs and create a systematic approach that will ensure:

- Legal support to foster Padilla-compliant representation for all indigent service providers within the region;
- Collection of data to assess the needs of the region, identify those most at risk and in need of services, and identify regional trends;
- Training and development of expertise for all providers within the region, with the establishment of attorney protocols and best practices;
- Language access services for effective and meaningful communication with limited English proficient clients.

Task #3

Forge a collaborative effort, intra-region and inter-region, through a network of partners including:

- Legal Service Partners
- Technical Assistance Partners
- Language Access Partners
• Legal Education and Training Partners
• Immigration Assistance Partners

Task #4

The Center staff will synchronize efforts internally and with partnerships through the New York State Defenders Association (NYSDA) and Immigrant Defense Project (IDP) to provide necessary training for Padilla-compliant representation. These collaborative efforts will extend to the performance of periodic needs assessments, the identification of regional trends that impact local practice, and the formulation of attorney protocols within the region.

Task #5

The Center will centralize immigration assistance and support in Nassau and Suffolk Counties by hiring two (2) Criminal-Immigration expert attorneys who will work closely with existing experts on-site to assure that all indigent service providers in the region are upholding their obligations:

• Proper identification of client status and collection of information;
• Timely and appropriate advising of the client as to the risk of deportation;
• Actively negotiating to mitigate potential negative immigration consequences.

Task #6

The Center will hire two (2) bilingual, Spanish-fluent Client Advocates/Paralegals who can assist in tasks including:

• Screening of noncitizen clients
• Data collection
• On-site and on-demand interpretation and translation of documents
• Training
• Case management

Task #7

The Center will form a partnership with NYSDA to assist with developing and coordinating a curriculum of immigration training for all Region 6 indigent service providers to assure Padilla compliant representation. Center staff will also work with NYSDA and IDP to educate providers and assure compliance with Indigent Legal Services standards.

Task #8

In addition to training in partnership with NYSDA, the Center staff will be responsible for conducting in-house and regional trainings on a routine basis. Trainings will be broken down by subject (i.e., DWI and the noncitizen client) by provider (18-B, Legal Aid, criminal, family court, appellate), and by location.
Task #9

The Center will expand on an existing collaboration with IDP as a provider of training for Center staff (and thereby the indigent legal service provider community) by providing intensive two-day trainings off-site, full-day trainings on-site, webinar trainings monthly, phone trainings, LISTServ capabilities for regional trainings and collaboration with national providers.

Task #10

Through the partnership with NYSDA, the Center will utilize NYSDA’s extensive outreach capacity through its compilation of assigned counsel lists for outreach to assigned counsel practitioners. Once identified, they may be added to the day-to-day operations of the Center, including webinars, LISTServ capabilities, regional trainings, practice materials, checklists, etc. The Center will work with 18-B Administrators in each county for feedback on the efficacy of its outreach efforts and the effectiveness of the programs provided.

Task #11

Center staff will conduct periodic needs assessments to review the changing needs of all providers on a consistent basis and to address any necessary revisions to the Immigration Service Plan.

Task #12

Collect and report data annually, in written form, to measure the impact of the Regional Immigration Assistance Centers project and analyze and evaluate project outcomes.

Performance Measures

To ensure and demonstrate compliance with Padilla, indigent legal service providers should develop and maintain consistent and accurate record keeping of the immigration status of each noncitizen client. Providers should also maintain a record of the advice offered to a noncitizen client as to the potential immigration consequences that may result from a particular criminal conviction.

Accordingly, the Center is expected to track the progress of providers of indigent legal services within their region toward the goal of obtaining and recording reliable immigration status from each client and delivering the legal advice necessary to ensure effective assistance of counsel.

The Centers is expected to provide both quantitative and qualitative data to the Office of Indigent Legal Services (ILS) demonstrating efforts made to ensure Padilla compliance throughout the designated region. In so doing, the Center is to annually report to ILS the following data:

A. A list of those indigent legal services providers within the region, noting the following information for each provider:
1. The availability and use of a computerized case management system that is currently being used to track the following data:
   i. client immigration status; and
   ii. the immigration advice offered to noncitizen clients.

2. The current status of data collection capabilities by the provider.

3. Where available data in cases recording immigration status is reliably recorded, the number and percentage of noncitizen clients served by each provider in the prior year.

The Center must show that they are actively responding to solicitations for legal assistance from indigent legal service providers and others seeking advice on behalf of noncitizen clients. Additionally, the Center is required to demonstrate that it is actively conducting and/or coordinating trainings throughout the designated region to help educate attorneys on the immigration consequences resulting from a criminal conviction and/or family court disposition.

To achieve this, the Center must report annually to ILS on the following information:

B. The number of requests for legal assistance received. A request for legal assistance, which includes but is not limited to a request for legal advice, is defined as all communication, in whatever form and from whatever party, in relation to a single case or matter. Cases in criminal, family, appellate or other courts should be counted separately. Report the following statistics:

1. The number of requests for legal assistance broken down by county;

2. For each county:
   i. the number of requests for legal assistance broken by affiliation of the attorney concerned, (e.g., county public defender, conflict defender, legal aid attorney or assigned counsel attorney);
   ii. the number of requests for legal assistance broken down by whether they involved a criminal, family, appellate court or other matter; and
   iii. the number of advisory opinion letters, or other form of written communication, that was generated in response to the request for legal assistance.

C. A list of training events conducted within the designated region, noting,

1. The office and affiliation of the attorneys registered for each training event, (e.g., county public defender, conflict defender, legal aid attorney or assigned counsel attorney; criminal or family court practitioner);

2. The role played by the Center in developing, planning or coordinating the training event, if any; and
3. The total number of training programs conducted and the total number of attorneys in attendance at training.

Finally, the Center should make concerted efforts to assist indigent legal service providers within the designated region in developing protocol/procedures that will ensure early intervention and quality representation afforded to noncitizen clients. The Center is, therefore, encouraged to report to ILS both on any examples of successfully implemented protocols and/or procedures developed to address the specific needs of noncitizen clients, and also on the obstacles they encounter in the course of implementing these reforms. Reports should include information on the Center’s efforts to assist providers with developing protocol and immigration service plans within their designated region.

Re: Cost of Living Adjustment (COLA) payments for State Fiscal Year (SFY) 2016-2017
Contract Initiative: Immunization Action Plan
Contract #: C-028322
Budget Period: 4/1/2016 – 3/31/2017

Dear Commissioner Tomarken:

Section 1 of part C of chapter 57 of the laws of 2006, as amended by section 1 of part I of chapter 60 of the laws of 2014, provide for the Commissioner of Health to establish an annual COLA for programs outlined in the statute. The SFY 2016-17 COLA appropriation has been allocated to eligible organizations at the rate of 8.24%.

The COLA award for the above referenced contract is $24,720. Please read this letter and the attachments carefully to ensure proper and timely submission of all required documents.

Please use the attached Proposal template to prepare a written plan for the COLA award and submit it to the Bureau of Immunization Administration Unit at ImmunAdmin@health.ny.gov for approval within 30 days of this letter. Prior approval will ensure the most appropriate use of the funds and reduce processing delays. Once prior approval is granted by the contract manager, further instructions will be provided regarding the process for submission of the Claim for Payment (CFP), Budget Statement Report of Expenditures (BSROE), and all required supporting documentation as referenced in the attached guidance materials.

The attached BSROE contains a certification statement confirming that COLA funds were used to promote the recruitment and retention of staff or respond to other critical Non-Personal Services (NPS) costs. After all your COLA expenditures have been paid, the certification must be completed, signed, and submitted along with your CFP prior to receiving reimbursement for approved expenditures.
This letter and all attachments are being provided in electronic versions via e-mail to expedite completion. We require electronic submission of your completed documents. Do not mail in originals; they can be retained for your files. Include your county name in all file names and email subject lines, i.e., “County Name IAP 2016-17 COLA Proposal.” Completed documents should be signed where applicable, scanned, and submitted by the deadlines to the Administration Unit at ImmAdmin@health.ny.gov.

Please contact me at 518-473-4437 or ImmAdmin@health.ny.gov with any questions regarding this 2016-17 COLA award.

MEMORANDUM

TO: Patricia Floria, Chairman, SCDHS Division of Environmental Quality, Board of Review
FROM: Lauretta R. Fischer, Chief Environmental Analyst
DATE: July 6, 2016
SUBJECT: Application to transfer development density credits FROM SCTM# 0600-062.00-04.00-001.000 TO SCTM# 0600-041.00-02.00-003.001 (SCDHS Ref. No. C06-16-004)

We have reviewed a proposal from John King, dated June 23, 2016, to transfer development density from SCTM# 0600-062.00-04.00-001.000 to SCTM# 0600-041.00-02.00-003.001. Both properties are located within Hydrogeologic Zone III within the Town of Riverhead. We would have no objection to this transfer dependent upon the acreage your Department will require for this application to meet your gallons per day per acre standards.

The vacant property listed to be sterilized, SCTM# 0600-062.00-04.00-001.000, is located near to the receiving parcel in the hamlet of Calverton and is an undeveloped, wooded parcel that is 6.897 acres in size. We support the environmental protection of this property, through transfer of its density development rights. Furthermore, we would support the County receiving fee title to SCTM# SCTM# 0600-062.00-04.00-001.000 and accept its donation in order to add to our park holdings. The property would remain in its natural state for passive recreational use only.

Re: Reso-EDP - Donation of Land for TDR – John King

Dear Mr. Schneider:

Attached for your review and consideration is an Introductory Resolution authorizing the acceptance of land by donation to fulfill the requirements for a SCDHS Board of Review Variance (SCDHS Ref. No. C06-16-0004). The property to be transferred to the Suffolk County Department of Parks, Recreation and Conservation is located in the hamlet of Calverton, Town of Riverhead.

We support this TDR and feel that the process benefits the County's interests with regard to environmental protection as well as adding to our Park inventory without cost.

Please contact me, if you require any additional information.

WHEREAS, the Commissioner of Public Works has requested funds for a preliminary engineering study in connection with the Modification of New York State 110 to include BRT and transportation improvements; and

WHEREAS, there are Federal and/or State funds available from the Federal Highway Administration for this project, identified as PIN 076114, under the Federal Highway Administration (FHWA) funding, with a share allocation of eighty percent (80%) Federal funds and twenty percent (20%) County funds; and

WHEREAS, the County must first instance fund the entire cost of the project and will subsequently be reimbursed for the Federal and/or State Marchiselli portion; and

WHEREAS, the Department of Public Works will assign staff funded in the Suffolk County Operating Budget to perform a portion of the tasks as required for the preliminary engineering study phase of this project; and

WHEREAS, sufficient funds are not included in the 2016 Adopted Capital Budget and program to cover the cost of said request and pursuant to the Suffolk County Charter, Section C4-13, an offsetting authorization is not required on amendments which are financed in an amount of at least fifty percent (50%) by Federal or State Aid; and

MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E., Commissioner
DATE: July 11, 2016
RE: Appropriating Funds in Connection with Modification of New York State Route 110 to Incorporate BRT and Transportation Improvements (CP 5598)

Attached is a draft resolution to appropriate the sum of $1,000,000 for engineering and planning in connection with the above referenced project. There are sufficient funds included in the 2016 Capital Budget for this request.

This funding will provide for design to investigate the feasibility of building a bus rapid transit line by modifying the shoulder of New York Route 110 and constructing traffic signal priority and queue jumps where applicable along this corridor from Amityville to Halesite.

This is a Federally funded project. Mandated milestones must be met to insure that Federal funds are obtained. Recent changes to the procedures for obtaining final Federal authorization require that the County pass a resolution and have local and State contracts in place prior to final authorization, which must occur prior to September 30, 2016 or the County risks the loss of the Federal funding for this project. Consequently, a Certificate of Necessity is accompanying this resolution to secure Legislative approval at the July 26 meeting.

The Suffolk County Council on Environmental Quality has reviewed these types of projects and has determined that projects of this nature constitutes a Type II action, pursuant to Section 617.5(c) (20), (21) and (27) of Title 6 of New York Code of Rules and Regulations ("NYCRR"), therefore, the Legislature has no further responsibilities under SEQRA.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP 5598 (NYS 110 BRT) Approp.doc".

TITLE OF BILL: Amending the 2016 Capital Budget and Program and Appropriating Funds in Connection with Port Jefferson-Wading River Rails to Trails Pedestrian and Bicycle Path and Amending Resolution NO. 738-2014 (CP 5903.112, PIN 075816)

PURPOSE OR GENERAL IDEA OF BILL: Additional funding for engineering to design a recreational trail between Port Jefferson and Wading River on property leased from LIPA.

SUMMARY OF SPECIFIC PROVISIONS: This funding is 100% reimbursable from Federal Aid.

JUSTIFICATION: This will enable the County's Consultant to procure services for a LIDAR survey (aerial fly-over) of the proposed Path, as required by PSE&G (LIPA), in order for the project's design to progress.

FISCAL IMPLICATIONS: Suffolk County must "first instance" fund the entire cost of the project. County Comptroller is authorized to issue bond anticipation notes for the federal and/or state share.
MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E. Commissioner
DATE: May 25, 2016
RE: Amending the 2016 Capital Budget and Program and Appropriating Funds in Connection with Port Jefferson-Wading River Rails to Trails Pedestrian and Bicycle Path and Amending Resolution No. 738-2014 (CP 5903.112, PIN 075816)

Attached is a draft resolution to appropriate the sum of $150,000 in additional funding for engineering in connection with the above referenced project. There is no funding programmed in the 2016 Capital Budget and Program for this project. However, pursuant to the Suffolk County charter, Section C4-13, an offsetting authorization is not required on amendments which are financed in an amount of at least fifty percent (50%) by Federal or State aid.

This additional funding will enable the County’s Consultant to procure services for a LIDAR survey (aerial fly-over) of the proposed Path, required by PSE&G (formerly LIPA), as the property has been leased by the County from PSE&G. This funding will also enable the County’s Consultant to pay PSE&G’s fee for their analysis of the Survey.

Through Federal HPP Funding and Toll Credits, this request will be 100% reimbursable, however, the County must first-instance fund the request. As this is a Federally funded project, mandated milestones must be met to insure that Federal funds are obtained. Recent changes to the procedures for obtaining final Federal authorization require that the County pass a resolution and have local and State contracts in place prior to final authorization.

The Suffolk County Council on Environmental Quality has reviewed these types of projects and has determined that projects of this nature constitutes a Type II action, pursuant to Section 617.5(c) (20), (21) and (27) of Title 6 of New York Code of Rules and Regulations (“NYCRR”), therefore, the Legislature has no further responsibilities under SEQRA.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-Amend 738-2014(CP 5903 RTT).doc”.

TITLE OF BILL: To approve the lease of two (2) new fifteen (15) passenger vans for the Suffolk Works Employment Program in the Suffolk County Department of Labor, Licensing and Consumer Affairs, in compliance with Local Law 20-2003.

PURPOSE OR GENERAL IDEAL OF BILL: To initiate the process for the leased vehicles through the Purchase Requisition process.

SUMMARY OF SPECIFIC PROVISIONS: These vans will be used for transporting individuals enrolled in the Suffolk Works Employment Program (SWEP). These participants are provided various supportive services necessary to engage in work activities, allowing them to eventually transition off Social Services. Worksites located throughout Suffolk County participate in the “Workfare Resolution” and offer a diversity of work experience and disciplines providing individuals with valuable work experience.

JUSTIFICATION: The SWEP program is the local welfare employment program operated according to the Temporary Assistance for Needy Families (TANF) federal regulations. TANF is a block grant program designed to make dramatic reforms to the nation’s welfare system by moving recipients into work and turning welfare into a program of temporary assistance. The vans will allow us to comply with the SWEP Program.

FISCAL IMPLICATIONS: No additional funding required. Funding for lease of new vans is included in the 2017 Recommend Budget.

MEMORANDUM OF SUPPORT

TITLE OF BILL: A Resolution amending the Suffolk County Classification and Salary Plan in Connection with a new position title in the District Attorney’s Office and the Police Department: Paralegal

PURPOSE OR GENERAL IDEA OF BILL: To provide an appropriate title and salary grade for the responsibilities inherent in the position.

SUMMARY OF SPECIFIC PROVISIONS: This Resolution adds the new title of Paralegal to the Classification and Salary Plan for use in the District Attorney’s Office and the Police Department. It does not list positions to be created and abolished because existing positions will be reclassified to the new title after it is created.

JUSTIFICATION: The County’s Paralegal Assistants came before the Salary and Appeals Board seeking a grade increase. In addition to stating that their work and the qualifications needed for appointment were inappropriately graded at 14, they felt that their title was misleading because to them it meant that they assisted Paralegals. The Board referred their issues to the Civil Service Department because the title itself was in question, a matter beyond the scope of the Board. Civil Service’s search of the internet revealed that Paralegal Assistant is not a title found elsewhere. References are to Paralegals and Legal Assistants, titles seemingly used interchangeably. In addition, minimum qualifications that include a requirement for a Bachelor's Degree have a standard grade of 17. In order to resolve the grade inequity and establish a title for use in the County that conforms to universal usage, a new title of Paralegal is requested at a grade 17.

FISCAL IMPACT: None

RE: Request for Addition to Classification and Salary Plan

A draft of a resolution to amend the Classification and Salary Plan to add the title Paralegal is attached. We have determined that a new title is needed for the positions in the District Attorney’s Office and the Police Department to conform them with the currently accepted title for those responsible for assisting attorneys with legal research and document preparation and to establish a grade commensurate with the requirements and equal to other titles with similar requirements. The County’s Paralegal Assistant title is not replicated anywhere and an internet search brings up the synonymous titles of Paralegal and Legal Assistant, but no Paralegal Assistants. The current minimum qualifications include a Bachelor’s Degree in Paralegal Studies. It is standard practice to establish a grade of 17 for titles requiring a Bachelor’s Degree; Paralegal Assistant is a Grade 14, equivalent to a Principal Clerk.

Please initiate this resolution to add the new title to the Classification and Salary Plan. The Resolution does not include a listing of positions to be created and abolished. When the title is in place, the twelve current Paralegal Assistant positions will be reclassified to Paralegal. A draft of our proposed specification is attached for your reference.

An e-mail version of the resolution has been sent to CE RESO REVIEW saved under the title “Reso-DA and PD-Paralegal 7-16.”

MEMORANDUM OF SUPPORT

Title Of Bill: Accepting and appropriating a grant in the amount of $66,745 in Federal pass-through funding from the State of New York Division Of Criminal Justice Services for the Suffolk County Police Department’s Stop Violence Against Women Formula Grant Program with 75% support.

PURPOSE OR GENERAL IDEA OF BILL: To accept a grant award of $66,745 that will enable the Suffolk County Police Department to fabricate panic alarms to be installed in the homes of victims of violence such as domestic violence, sexual assault and stalking. Panic alarms provide the victim with the means to immediately notify Police when they are in danger by pushing a button rather than having to call 911.

SUMMARY OF SPECIFIC PROVISIONS: This legislation will allow the County to accept funding in the amount of $66,745 from the New York State Division of Criminal Justice Services which will be used to purchase the components required to fabricate panic alarms.

JUSTIFICATION: Part of the Suffolk County Police Department’s mission is to prevent crime and to protect the rights of persons. Protecting victims of domestic violence and sexual assault who may be in danger of re-victimization is part of this mission. As such it is incumbent on the SCPD to use whatever means available to protect these individuals. One protective device is the panic alarm which is fabricated by SCPD Electronic Investigations personnel. Once the alarm has been built it is placed in the home of a victim giving the victim the ability to contact Police immediately by pushing a button. When the alarm is triggered by the panic button the individual’s information is immediately transferred to a 911 dispatcher ensuring the instant dispatch of a patrol car to the victim’s home saving valuable, and possibly lifesaving, time in the event of an incident involving a violation of order of protection or other violent incident involving a victim and aggressor. The Department’s current stock of panic alarms is constantly facing depletion due to the number of individuals in need. This funding will allow the Department to partially replenish its stock of panic alarms and to enhance its ability to protect victims of violence.

FISCAL IMPLICATIONS: None

Award Contract

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X) Amendment. Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.

C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of this AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE’s designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C).

The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.

C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

Award Contract

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A-1.

VI Safeguards for Services and Confidentiality

A. Services performed pursuant to this AGREEMENT are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or

Award Contract
distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the 'Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.
(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer

Award Contract

identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a 'procurement contract' as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the State agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the State agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.
Award Contract

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

Award Contract
Project No. SV14-1190-E01
Grantee Name Suffolk County

AGENCY-SPECIFIC CLAUSES

1. If this Agreement exceeds $50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for $50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.

2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.

3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as...

support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or

2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed $650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding $650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to $999 under this grant agreement can be obtained at the Grantee's discretion.

2. Consultant services that cost between $1,000 and $4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.

3. Consultant services that cost between $5,000 and $9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.

4. A Grantee obtaining consultant services that cost in excess of $10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.

2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to $999 at its discretion.

3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $1,000 and $4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $5,000 and $9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of $10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of
Award Contract

DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS’ approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than $500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee’s accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS’ judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee’s failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq. as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reapproriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as
A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

- **January 1 - March 31**
- **April 30**
- **April 1 - June 30**
- **July 31**
- **July 1 - September 30**
- **October 31**
- **October 1 - December 31**
- **January 31**

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
Award Contract

- Project policies;

- Other policies and procedures to be followed;

- Dollar limitation of the Agreement;

- Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

- Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year $500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee’s fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

- OMB Circular A 21, Cost Principles for Educational Institutions;
- OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;
- OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;
- OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and
- OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor takes ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language
The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)
The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)
Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

**SANE Nurses Fees**

1

$22,248.22

Justification: The Suffolk County Police Department currently contracts with 10 Sexual Assault Nurse Examiners who work in conjunction with Detectives from the Special Victims Section and Precinct Squad Detectives. Nurses’ fees per exam range from $300 to $450 depending on their certifications. It should be noted that an RFQ was recently issued to attract additional nurses, as optimum staffing is 15-20 nurses. The Department annually budgets and spends an average of $60,000 for these exams and 2015 expenses are expected to be similar. The SANE nurses are part of the Department and County's overall program for STOP Violence Against Women, as evidenced by the County’s annual STOP application. As matching funding, it is noted that approximately 5% of the current panic alarms are distributed to sexual assault victims. This number also continues to grow, as more victims, law enforcement and judges request the alarms.

Justification: Each panic alarm kit consists of a portable radio on a police frequency, a plastic box for the assembly which includes the panic button, receiver, transmitter, power supply, transformer, 12V battery, connector box and AC line cord and plug. The bulk of the cost per alarm is in the police portable radio, at approximately $975 each. Total alarm kit costs are approximately $1293 per kit. Grant funds will enable us to build between 51 and 52 alarm kits. Please note that the Electronic Investigations Section is currently researching alternative solutions for the alarms, in hopes that a cheaper and more technological alarm can be developed.

The Department annually budgets and spends an average of $60,000 for these exams and 2015 expenses are expected to be similar. The SANE nurses are part of the Department and County's overall program for STOP Violence Against Women, as evidenced by the County’s annual STOP application. As matching funding, it is noted that approximately 5% of the current panic alarms are distributed to sexual assault victims. This number also continues to grow, as more victims, law enforcement and judges request the alarms.

Justification: Each panic alarm kit consists of a portable radio on a police frequency, a plastic box for the assembly which includes the panic button, receiver, transmitter, power supply, transformer, 12V battery, connector box and AC line cord and plug. The bulk of the cost per alarm is in the police portable radio, at approximately $975 each. Total alarm kit costs are approximately $1293 per kit. Grant funds will enable us to build between 51 and 52 alarm kits. Please note that the Electronic Investigations Section is currently researching alternative solutions for the alarms, in hopes that a cheaper and more technological alarm can be developed.

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.

2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below). Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.

4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see http://www.criminaljustice.ny.gov/ofpa/forms.htm). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.

5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspector period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment.

6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services
Office of Financial Services
80 S. Swan St.
Albany, NY 12210

7. Payment Schedule

PAYMENT PAYMENT DUE DATE

1 Pending appropriation, 30 days after commencement date of contract with proper documentation or upon receipt of proper documentation, whichever is later.

2-4 Quarterly

A not-for-profit Grantee operating on a multi-year contract may voucher for an optional fifth quarter advance against the succeeding year's appropriation, pursuant to NYS Finance Law, Section 179-u.

All submitted vouchers will reflect the Grantee's actual expenditures and will be accompanied by supporting detailed itemizations of personal service and non-personal service expenditures and other documentation as required, and by a fiscal cost report for the reporting period. DCJS reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement. In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DCJS in its sole discretion may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation. Fiscal cost reports showing grant expenditures and/or obligations for each quarter of the grant must be submitted by the last day of the month after the last day of the reporting period.

Advance payments shall be permitted as specified in Appendix A-1, and in the amount specified in Appendix D (Special Conditions).

Payment requests need to include the following documents as required:

- Detailed Itemization of Personal Service Expenditures
- Detailed Itemization of Non-Personal Service Expenditures
- Detailed Itemization of Consultant Expenditures
- Expert witness agreement and supporting documentation
- Voucher and Fiscal Cost Report signed
- Written documentation of all required DCJS prior approvals as follows:
  - DCJS approval of non-competitive consultant.
  - DCJS approval of non-competitive vendor for services.
  - DCJS approval of consultant services reimbursement greater than $450 per eight hour day.
  - DCJS approval of change to Personal Services by more than 10 percent.
  - DCJS approval to exceed NYS Office of the State Comptroller travel, meals and lodging rates.
  - DCJS approval to subaward to another organization.

  - DCJS and NYS Office of the State Comptroller approval to modify the budget by more than 5 percent of the total value of the contract if the contract is five million or more.
  - DCJS approval to reallocate funds between Personal Services and Non Personal Services.

8. CONTRACT PAYMENTS: Contractor shall provide complete and accurate billing invoices to the agency in order to receive payment. Billing invoices submitted to the agency must contain all information and supporting documentation required by the Contract, the Agency and the State Comptroller. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, or by email at epayments@osc.state.ny.us. **APPENDIX D - Special Conditions**

2. The recipient acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if recipient is required to submit one pursuant to 28 C.F.R. Section 42.302), that is approved by the Office for Civil Rights, is a violation of its Certified Assurances and may result in suspension or termination of funding, until such time as the recipient is in compliance.
3. The recipient agrees to comply with the organizational audit requirements of OMB Circular A-133, Audit of States, Local...
Governments, and Non-Profit Organizations, and further understands and agrees that funds may be withheld, or other related requirements may be imposed, if outstanding audit issues (if any) from OMB Circular A-133 audits (and any other audits of DOJ grant funds) are not satisfactorily and promptly addressed as further described in the current edition of the OVW Financial Grants Management Guide.

4. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government without the express prior written approval of OVW, in order to avoid violation of 18 USC § 1913. The recipient may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 42 USC 13925(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

5. The recipient must promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, contractor, subcontractor, or anyone else 1) submitted a false claim for grant funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds. This condition also applies to any subrecipients. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by mail:

Office of the Inspector General
U.S. Department of Justice
Investigations Division
950 Pennsylvania Avenue, N.W.
Room 4706
Washington, DC 20530

e-mail: oig.hotline@usdoj.gov

hotline: (contact information in English and Spanish): (800) 869-4499

or hotline fax: (202) 616-9881

Additional information is available from the DOJ OIG website at www.usdoj.gov/oig.

6. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OVW.

7. The recipient agrees to comply with any additional requirements that may be imposed during the grant performance period if the agency determines that the recipient is a high-risk grantee. Cf. 28 C.F.R. parts 66, 70.

8. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

9. The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OVW Training Guiding Principles for Grantees and Subgrantees, available at http://www.ovw.usdoj.gov/grantees.html.

10. The recipient understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.

11. The recipient understands and agrees that - (a) No award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, and (b) Nothing in subsection (a) limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

12. The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all OVW grants issued in FY 2014 or after. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. The grantee acknowledges that it will comply with this provision.

13. The grantee agrees that funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

14. The recipient agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, trainings, and other events), including the provisions of food
and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies, and guidance is available at http://www.ovw.usdoj.gov/grantees.html.

16. The grantee must be in compliance with specifications outlined in the solicitation under which the approved application was submitted. The program solicitation is hereby incorporated by reference into this award.

17. The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

18. The recipient understands and agrees that grant funds may be frozen if the recipient does not respond in a timely fashion to requests to address Office of the Inspector General audit findings and financial or programmatic monitoring findings.

19. Grant funds may be used only for the purposes in the recipient's approved application. The recipient shall not undertake any work or activities that are not described in the grant application, and that use staff, equipment, or other goods or services paid for with OVW grant funds, without prior written approval from OVW.

20. The Director of OVW, upon a finding that there has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until the Director is satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 CFR Part 18, as applicable mutatis mutandis.

21. The grantee agrees to comply with the provisions of 42 U.S.C. 13925(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The grantee also agrees to ensure that any subgrantees meet these requirements.

22. Approval of this award does not indicate approval of any consultant rate in excess of $650 per day or $81.25 per hour. A detailed justification must be submitted to and approved by the Office on Violence Against Women prior to obligation or expenditure of such funds. Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates.

23. The recipient agrees to submit one copy of all required reports and any other written materials or products that are funded under the project to DCJS not less than twenty (20) days prior to public release. If the written material is found to be outside the scope of the program, or in some way to compromise victim safety, it will need to be revised to address these concerns or the grantee will not be allowed to use project funds to support the further development or distribution of the materials.

24. All materials and publications (written, visual, or sound) resulting from subgrant award activities shall contain the following statements: "This project was supported by subgrant No. ______ awarded by the state administering office for the STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice, Office on Violence Against Women."

25. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participate in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.

26. The grantee agrees that grant funds will not support activities that compromise victim safety and recovery, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; pre-trial diversion programs not approved by OVW or the placement of offenders in such programs; mediation, couples counseling, family counseling or any other manner of joint victim-offender counseling; mandatory counseling for victims, penalizing victims who refuse to testify, or promoting procedures that would require victims to seek legal sanctions against their abusers (e.g., seek a protection order, file formal complaint); the placement of perpetrators in anger management programs; or any other activities outlined in the solicitation under which the approved application was submitted.

27. Pursuant to 28 CFR 66.34, the Office on Violence Against Women reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, in whole or in part (including in the creation of derivative works), for Federal Government purposes:

Award Contract

(a) any work that is subject to copyright and was developed under this award, subaward, contract or subcontract pursuant to this award; and

(b) any work that is subject to copyright for which ownership was purchased by a recipient, subrecipient or a contractor with support under this award.

In addition, the recipient (or subrecipient, contractor or subcontractor) must obtain advance written approval from the Office on Violence Against Women program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor or subcontractor as applicable) to ensure that this condition is included in any subaward, contract or subcontract under this award.

28. The recipient agrees to comply with applicable requirements to report first-tier subawards of $25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office on Violence Against Women web site at: http://www.oww.usdoj.gov/docs/ffata-award-term.pdf (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirements, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or nonprofit organization that he or she may and/or operate in his or her name).

29. The grantee agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the grantee. The legal assistance eligibility requirements are: (1) any person providing legal assistance through a program funded under this Grant Program (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or (B) (i) is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and (ii) has completed or will complete training in connection with domestic violence, stalking or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide; (2) any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a State, local, territorial, or tribal domestic violence, dating violence, sexual assault or stalking victim service provider or coalition, as well as appropriate State, local, territorial and tribal law enforcement officials; (3) any person or organization providing legal assistance through this Program has informed and will continue to inform State, local, territorial or tribal domestic violence, dating violence, stalking or sexual assault programs and coalitions, as well as appropriate State and local law enforcement officials of their work; and (4) the grantee's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, stalking or child sexual abuse in an issue.

30. The recipient understands and agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on recipient's funds for noncompliance with any of the requirements of 42 U.S.C. 3796gg-4 (regarding rape exam payments), 42 U.S.C. 3796gg-4(e) (regarding judicial notification), 42 U.S.C. 3706gg-5 (regarding certain fees and costs), and 42 U.S.C. 3796gg-8 (regarding polygraphing of sexual assault victims). Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

31. The grantee agrees that grant funds will not be used to support the purchase of standard issued law enforcement items, such as, uniforms, safety vests, shields, weapons, bullets, and armory or to support chemical dependency or alcohol abuse programs that are not an integral part of a court-mandated batterer intervention program.

32. Grantee agrees that if the project is not operational within 60 days of the original starting date of the grant period, it will report by letter to OPDF the steps taken to initiate the project, the reasons for delay, and the expected starting date. If the project is not operational within 90 days of the original starting date of the grant period, the Grantee will submit a second statement to OPDF explaining the delay.

33. The State may either cancel the project and redistribute the funds or extend the implementation date of the project beyond the 90-day period when warranted by extenuating circumstances.

34. Grantee agrees that funds will be used only for the purpose areas described in the "STOP Violence Against Women Formula Grant Program" program authority. These funds are not intended to support services to women in the general population but to those who have been victims of violence. These funds may not be used for services to obtain divorces or legal separations. Funds may not be used for legal or defense services for perpetrators of violence against women. Funds may not be used for defense services for women arrested for criminal offenses.

35. Grantee agrees to collect and report data as required by the VAWA Measuring Effectiveness Initiative Project developed jointly by the Office on Violence Against Women and the Edmund S. Muskie School of Public Service. All data will be collected and
reported on an annual (calendar year) basis. For information about collecting data and the report for VAWA Measuring Effectiveness Initiative Project the link for the website is http://muskie.usm.maine.edu/vawamel/stopformulamain.htm

36. FFY 2014 S.T.O.P. VAWA expenditures must be made by March 31, 2016. Any extension beyond this time is contingent upon the Office on Violence Against Women approval of the State request for an award extension. Law enforcement, prosecution and courts projects must sign the certification provided by NYS which states that they have consulted with tribal, territorial, State or local victim service programs during the course of developing their projects.

37. The Grantee is to safeguard the confidentiality of information relating to individuals who may receive services in the course of this project. This includes, but is not limited to disclosure of victim’s name, address, telephone number, or any other identifying information without the prior voluntary written consent of the victim. The Grantee will maintain the confidentiality of all such information in conformity with the provisions of applicable State and Federal laws and regulations (e.g., Sections 136 and 372 of the Social Services Law, 18NYCRR357, and Attachment F-Sub-part 39-5 to Part 69 of Title 10 (Health) of the Official Compilation of Codes, Rules and Regulations of the State of New York (10NYCRR)). Grantee must comply with the confidentiality and privacy rights and obligations created by any federal or state law, court rules or rules of professional conduct applicable to the work performed by the Grantee. Any breach of confidentiality by the Grantee, its agents or representatives will be cause for the immediate termination of this Agreement.

38. This contract may be extended, increased, decreased, terminated, renewed, amended or renegotiated at the discretion of the Commissioner of the Division of Criminal Justice Services.

39. The Grantee agrees to enter into a subcontract regarding compliance with the terms of this agreement with any agency that has expenses being paid by this grant award and itemized in Attachment B: B-1 - Expenditure Based Budget.

40. The following condition will apply to contracts between two New York State governmental entities: This is an agreement between two New York State governmental entities, and as such the provisions contained herein with respect to grants are applicable only to the extent that the provisions would otherwise be applicable between New York State governmental entities.

41. No materials, items or publications resulting from award activities may use the DCJS logo or provide any attribution to DCJS in any form, without the prior approval from the Commissioner of DCJS or his designee. Requests for such approval must be submitted in writing to DCJS’s Agency Counsel at least 30 days before requested use. Determinations of such requests will be made by the DCJS Commissioner on a case-by-case basis.

42. Any grantee who is not a licensed or an approved provider with the NYS Office of Children and Family Services or the NYS Department of Health agrees to collaborate with an approved sexual assault or domestic violence provider in the recipient’s jurisdiction or alternatively with the New York State Coalition Against Sexual Assault (NYSCASA) and/or the New York State Coalition Against Domestic Violence (NYSCADV) if delivering local or regional training or developing resources on the issues of domestic violence, sexual assault, dating violence, or stalking. Grantees delivering statewide training or developing statewide resources on the issues of domestic violence, sexual assault, dating violence, or stalking agree to collaborate with NYSCASA and/or NYSCADV throughout the process.

43. Encouraging Compliance with MWBE Regulations. The Division of Criminal Justice Services (DCJS) is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 142-144 (MWBES) for all State contracts as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction. DCJS thereby encourages the Contractor to cooperate with the DCJS in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (EEOC) and contracting opportunities for certified minority and women-owned business enterprises (MWBEs). These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the Human Rights Law) or other applicable federal, state or local laws. The Contractor may reference the directory of New York State Certified MWBEs found at the following internet address: http://www.esd.ny.gov/mwbe.html. Additionally, Contractor is encouraged to contact the Division of Minority and Woman Business Development (518) 292-5250; (212) 803-2414; or (716) 846-8200 to discuss additional methods of maximizing participation by MWBEs on the Contract.

2. The recipient acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if recipient is required to submit one pursuant to 28 CFR Section 42.302), that is approved by the Office for Civil Rights, is a violation of the Standard Assurances executed by the recipient, and may result in suspension of funding until such time as the recipient is in compliance, or termination of the award.

3. The recipient agrees to comply with the applicable audit requirements of 2 CFR Part 200 or OMB Circular A-133, and further understands and agrees that funds may be withheld, or other related requirements may be imposed, if outstanding audit issues (if any) are not satisfactorily and promptly addressed as further described in the audit requirements and the current edition of the DOJ Grant Financial Guide.

4. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government without the express prior written approval.
of OVW, in order to avoid violation of 18 USC §1913. The recipient may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 42 USC 13925(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

5. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. 29. Pursuant to 2 CFR §200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. 34. Recipient and subrecipient agree that if the project is not operational within 60 days of the original starting date of the grant period, it will report by letter to OPDF the steps taken to initiate the project, the reasons for delay, and the expected starting date. If the project is not operational within 90 days of the original starting date of the grant period, the recipient and subrecipient will submit a second statement to OPDF explaining the delay.

35. The State may either cancel the project and redistribute the funds or extend the implementation date of the project beyond the 90-day period when warranted by extenuating circumstances.

2016 INTERGOVERNMENTAL RELATIONS
MEMORANDUM OF SUPPORT

TITLE OF BILL: Authorizing certain technical corrections to adopted Resolution No. 482-2016

PURPOSE OR GENERAL IDEA OF BILL: To properly allocate grant funds between the District Attorney’s Office and the Suffolk County Police Department because the grantor reallocated funding after Resolution No. 482-2016 had already been laid on the table.

SUMMARY OF SPECIFIC PROVISIONS: This grant program will support an anti-violence program that provides investigative and patrol support for a variety of initiatives as well as dedicated prosecution efforts to address gun-related crime in Suffolk. In addition, the project provides for supporting equipment, software, confidential funds and consultant services. Approval of this resolution will allow for the transfer of grant funding for a Research Technician position in the District Attorney’s Office to the Suffolk County Police Department’s GIVE III grant for a Crime Analysis Consultant. This transfer of funds has the approval of the grantor, and is reflected in the attached copy of the SCPD grant budget. This change was made by the grantor after the original resolution was already laid on the table.

JUSTIFICATION: Through analysis of Uniform Crime Reporting statistics for Part I Crimes, DCJS has identified 17 counties in New York State for assistance through the GIVE Program.

FISCAL IMPLICATIONS: Grant contract execution is held up until this resolution properly allocates funds. Because this is a one year grant, with no possibility of extension, delay in contract execution delays program expenditures, with the possibility of loss of funding.

Countywide Gun Involved Violence Elimination (GIVE) III 2016 grant program

Summary of Resolution Benefits

Approval of this resolution will allow for the transfer of grant funding for a Research Technician
position in the District Attorney’s Office to the Suffolk County Police Department’s GIVE III
grant for a Crime Analysis Consultant. This transfer of funds has the approval of the grantor,

SCIN FORM NO. 175a (1/97) Prior editions of this form are obsolete.
RE: Gun Involved Violence Elimination

Dear District Attorney Spota and Acting Commissioner Sini:

I am pleased to advise you that the NYS Division of Criminal Justice Services (DCJS) has awarded your jurisdiction a Gun Involved Violence Elimination (GIVE) award of $1,068,093 for the contract period 7/01/16 to 6/30/17. These funds are to be used by your partnership to support targeted firearm and violent crime reduction efforts.

The attached spreadsheet represents your county’s entire budget request for GIVE and the amount of funding approved by DCJS for each individual request. The process DCJS utilizes to make GIVE award decisions is deliberate and focuses on awarding funds to positions and items deemed critical to the successful implementation of the proposed strategies. Participating agencies are expected to use the approved budget in the “Awarded Budget” column, on the attached, when developing this year’s GIVE contract.

Please note and complete the following information within 30 days of receiving this notice to further facilitate the development of your contract:

- Ensure that all prior year contracts are in compliance with contract conditions (up-to-date progress reports, vouchers, fiscal cost reports and detailed itemization forms).

- Contracts will be one year renewals as delineated in the SFY 2015-16 GIVE Request for Applications.

- Grantees receiving in excess of $25,000 must submit:
  - Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form (DCJS-3301)
  - Local Assistance MWBE NPS Discretionary Budget Determination Worksheet (DCJS-3309)

These forms can be located at:
http://www.criminaljustice.ny.gov/ofpa/mwbe/mwbe-forms.htm
Grantees receiving in excess of $250,000 must also submit the Local Assistance MWBE Equal Employment Opportunity Staffing Plan (DCJS-3300).

This form can be located at:  http://www.criminaljustice.ny.gov/ofpa/mwbe/mwbe-forms.htm.

Should you have any questions, please contact Charles Tyree in the DCJS Office of Public Safety at (518) 485-7623 or e-mail Charles.Tyree@dcjs.ny.gov or Joann Tierney-Daniels in the DCJS Office of Program Development and Funding at (518) 457-8404 or e-mail at Joann.Tierney-Daniels@dcjs.ny.gov. The GIVE initiative is a critical component of New York's shooting and homicide reduction strategy. We look forward to continuing our strong partnerships to make New York the safest large state in the nation.

Very truly yours,

Michael C. Green

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6213 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or
distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of a complaint in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the 'Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer...
identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is submitted for the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.
15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ('CPLR'), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor’s actual receipt of process or upon the State’s receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a ‘procurement contract’ as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, the contractor shall make a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTIMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf

Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the State receive information that a person (as defined in State Finance Law §165-a) in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.
The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**APPENDIX A1**

**AGENCY-SPECIFIC CLAUSES**

1. If this Agreement exceeds $50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for $50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

   A. For State funded grants:

      For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

   B. For Federally funded grants:

      Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

      1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.

      2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.

      3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as

support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or

2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8(A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed $650 per day (not including travel and subsistence costs). A rate exceeding $650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:
1. Consultant services that cost up to $999 under this grant agreement can be obtained at the Grantee’s discretion.

2. Consultant services that cost between $1,000 and $4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.

3. Consultant services that cost between $5,000 and $9,999 under this grant agreement must be supported by at least three written quotes on a vendor’s stationery and a record created of competitive procurement process utilized.

4. A Grantee obtaining consultant services that cost in excess of $10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS’ approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS’ prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.

2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to $999 at its discretion.

3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $1,000 and $4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $5,000 and $9,999, the Grantee must secure at least three written quotes on a vendor’s stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of $10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of
DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS’ approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than $500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS’ judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee’s failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as
A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

<table>
<thead>
<tr>
<th>Calendar Quarter Report Due</th>
</tr>
</thead>
<tbody>
<tr>
<td>January 1 - March 31</td>
</tr>
<tr>
<td>April 30</td>
</tr>
<tr>
<td>April 1 - June 30</td>

<tr>

<tr>

</tr>
<tr>
<td>October 31</td>
</tr>
<tr>
<td>October 1 - December 31</td>
</tr>
<tr>
<td>January 31</td>
</tr>
</tbody>
</table>

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Time schedule;
Award Contract

Project policies;

- Other policies and procedures to be followed;

- Dollar limitation of the Agreement;

- Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

- Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year $500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

- OMB Circular A 21, Cost Principles for Educational Institutions;
- OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;
- OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;
- OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and
- OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language
The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)
The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)
Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor’s expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

Justification: The Crime Intelligence Analyst will interact on a daily basis with the Suffolk County Police Department's Criminal Intelligence Division. The SCDA Crime Intelligence Analyst would be responsible to gather intelligence from the Suffolk County Police Department on shootings and disseminate that information to the relevant bureaus and units that prosecute shooting-related crime. The Crime Intelligence Analyst would be responsible to create and maintain a database that would alert prosecutors of arrests. The Crime Intelligence Analyst will also continually maintain information in the database as a result of arrests made by the SCDA Squad's Gun Suppression Team. The Crime Intelligence Analyst would also work to develop a prosecution profile of the top offenders that is more expansive than the defendant's criminal history. The Crime Intelligence Analyst would devote 100% of employed time to the GIVE Initiative.

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.

2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.

4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see http://www.criminaljustice.ny.gov/ofpa/forms.htm). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.

5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment.

6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services

This Guideline articulates procedures for the use and control of confidential funds by projects funded by the GRANTOR AGENCY (NYS Division of Criminal Justice Services). The provisions in this Guideline apply to all GRANTOR AGENCY professional personnel and grantees/subgrantees involved in the administration of grants containing confidential funds.

**DEFINITIONS FOR TYPES OF SPECIAL LAW ENFORCEMENT OPERATIONS**

This category includes travel or transportation of a non-federal officer or an informant; the lease of an apartment, business front, luxury-type automobiles, aircraft or boat or similar effects to create or establish the appearance of affluence; and/or meals, beverages, entertainment and similar expenses for undercover purposes, within reasonable limits.

2. **P/E.** Purchase of Evidence. This category is for the purchase of evidence and/or contraband such as narcotics and dangerous drugs, firearms, stolen property, counterfeit tax stamps, etc., required to determine the existence of a crime or to establish the identity of a participant in a crime.

---

Award Contract

Confidential funds are those monies allocated to purchase of services, purchase of evidence and purchase of specific information. These funds should only be allocated:
1. When the particular merits of a program/investigation warrant the expenditure of these funds.
2. When requesting agencies are unable to obtain these funds from other sources.

Use of confidential funds is subject to prior approval based on a finding that they are a reasonable and necessary element of project operations. The approving agency must also ensure that the controls over disbursement of confidential funds are adequate to safeguard against the misuse of such funds.

- The APPROVING AUTHORITY for the ALLOCATION of confidential funds is GRANTOR AGENCY for block/formula/project grantees.
- The PRIOR APPROVAL AUTHORITY for the disbursement and expenditure of confidential funds will be as follows:
  a. Department head (e.g., Chief of Police, District Attorney, etc.) for grant agencies for any individual payment in excess of $2,000.
  b. Supervisor of Investigative Unit/Division to which funds are assigned for any individual payment of $2,000 or less.

1. Imprest Fund. The funds authorized will be established in an imprest fund which is controlled by a bonded cashier.
2. Advance of Fund. The supervisor of the unit to which the imprest fund is assigned must authorize all advances of funds for the purchase of information. Such authorization must specify the information to be received, the amount of expenditures, and assumed name of informant.

3. Informant Files. Informant files are confidential files of the true names, assumed names, and signature of all informants to whom payments of confidential expenditures have been made. To the extent possible, pictures and/or fingerprints of the informant payee should also be maintained. Refer to the ADокументatio® paragraph for a list of required documents for the informant files.

   a. The cashier shall receive from the agent or officer authorized to make a confidential payment, receipt for cash advanced to him/her for such purposes.
   b. The agent or officer shall receive from the informant payee a receipt for cash paid to him/her.

5. Review and Certification. The signed receipt from the informant payee with a memorandum detailing the information received shall be forwarded to the agent or officer in charge. The agent or officer in charge shall compare the signatures. He/she shall also evaluate the information received in relation to the expense incurred, and add his/her evaluation remarks to the report of the agent or officer who made the expenditure from the imprest fund. The certification will be witnessed by the agent or officer in charge on the basis of the report and informant payee’s receipt.

6. Reporting of Funds. Each project shall prepare a reconciliation report on the imprest fund on a quarterly basis. Information to be included in the reconciliation report will be the assumed name of the informant payee, the amount received, the nature of the information given, and to what extent this information contributed to the investigation. Grantees shall retain the reconciliation report in their files and available for review. Subgrantees shall retain the reconciliation report in their files and available for review unless the state agency requests that the report be submitted to them on a quarterly basis.

7. Record and Audit Provisions. Each project and member agency must maintain specific records of each confidential fund transaction. At a minimum, these records must consist of all documentation concerning the request for funds, processing (to include the review and approval/disapproval), modifications, closure or impact material, and receipts and/or other documentation necessary to justify and track all expenditures. Refer to Documentation, Item 1, for a list of documents which should be in the informant files. In projects where grant funds are used for confidential expenditures, it will be understood that all of the above records, except the true name of the informant, are subject to the record and audit provisions of the GRANTOR AGENCY legislation.

DOCUMENTATION.

1. Informant File Security and Contents.
   a. For each informant a separate file should be established for accounting purposes. Informant files should be kept in a separate and secure storage facility, segregated from any other files, and under the exclusive control of the office head or an employee designated by him/her. The facility should be locked at all times when unattended. Access to these files should be limited to those employees who have a necessary legitimate need. An informant file should not leave the immediate area except for review by a management official or the handling agent, and should be returned prior to the close of business hours. Sign-out logs should be kept indicating the date, informant number, time in and out, and the signature of the person reviewing the file.
   b. Each file should contain the following documents:

Award Contract

1. Informant Payment Record, kept on top of the file. This record provides a summary of informant payments.
2. Informant Establishment Report, including complete identifying and locating data, plus any other documents connected with the informant's establishment.
3. Current photograph and fingerprint card (or FBI/State Criminal Identification Number).
4. Cooperating Individual Agreement.
5. Receipt for Purchase of information.
6. Copies of all debriefing reports.
7. Copies of case initiation reports bearing on the utilization of the informant.
8. Copies of statements signed by the informant (unsigned copies will be placed in appropriate investigative files).
9. Any administrative correspondence pertaining to the informant, including documentation of any representations made on his/her behalf or any other nonmonetary considerations furnished.
10. Any deactivation report or declaration of an unsatisfactory informant.

2. Receipt for Purchase of Information. An informant payee receipt shall identify the exact amount paid to and received by the informant payee on the date executed. Cumulative or anticipatory receipts are not permitted. Once the receipt has been completed no alteration is allowed. The agent shall prepare an informant payee receipt containing the following information:
   a. The jurisdiction initiating the payment.
   b. A description of the information/evidence received.
   c. The amount of payment, both in numerical and word form.
   d. The date on which the payment was made.
   e. The signature of the informant payee.
   f. The signature of the case agent or officer making payment.
   g. The signature of at least one other officer witnessing the payment.
   h. The signature of the first line supervisor authorizing and certifying payment.

INFORMANT MANAGEMENT AND UTILIZATION

All persons who will be utilized as informants should be established as such. The specific procedures required in establishing a person as an informant may vary from jurisdiction to jurisdiction but, at a minimum, should include the following:

1. Assignment of an informant code name to protect the informant's identity.
2. An informant code book controlled by the office head or his/her designee containing:
   a. Informant's code name.
   b. Type of informant (i.e., informant, defendant/informant, restricted-use/informant).
   c. Informant's true name.
   d. Name of establishing law enforcement officer.
   e. Date the establishment is approved.
   f. Date of deactivation.
3. Establish each informant file in accordance with Documentation, Item 1.
4. For each informant in an active status, the agent should review the informant file on a quarterly basis to assure it contains all relevant and current information. Where a MATERIAL fact that was earlier reported on the Establishment Report is no longer correct (e.g., a change in criminal status, means of locating him/her, etc.), a supplemental establishing report should be submitted with the correct entry.
5. All informants being established should be checked in all available criminal indices. If a verified FBI or NYSID number is available, request a copy of the criminal records from the FBI or DCJS. Where a verified FBI or NYSID number is not available, the informant should be fingerprinted with a copy sent to the FBI and DCJS for analysis. The informant may be utilized on a provisional basis while awaiting a response from the FBI/DCJS.

PAYMENTS TO INFORMANTS 1. Any person who is to receive payments charged against PE/PI funds should be established as an informant. This includes persons who may otherwise be categorized as sources of information or informants under the control of another agency. The amount of payment should be commensurate with the value of services and/or information provided and should be based on the following factors:
   a. The level of the targeted individual, organization, or operation.
   b. The amount of the actual or potential seizure.
   c. The significance of the contribution made by the informant to the desired objectives.
2. There are various circumstances in which payments to informants may be made:
   a. Payments for Information and/or Active Participation. When an informant assists in developing an investigation, either through supplying information or actively participating in it, he/she may be paid for his/her service either in lump sum or in staggered payments. Payments for information leading to a seizure, with no defendants, should be held to a minimum.
   b. Payment for Informant Protection. When an informant needs protection, law enforcement agencies may absorb the expenses of relocation. These expenses may include travel for the informant and his/her immediate family, movement and/or storage of household goods, and living expenses at the new location for a specific period of time (not to exceed 6 months). Payments for these expenses may be either lump sum or as they occur, and should not exceed the amounts authorized law enforcement employees for these activities.
   c. Payments to Informants of Another Agency. To use or pay another agency=s informant, he/she should be established as an
informant. These payments should not be a duplication of a payment from another agency; however, sharing a payment is acceptable.

3. Documentation of payments to informants is critical and should be accomplished on a receipt for purchase of information. Payment should be made and witnessed by two law enforcement officers and authorized payment amounts should be established and reviewed by at least the firstline supervisory level. In unusual circumstances, a non-officer employee or an officer of another law enforcement agency may serve as witness. In all instances, the original signed receipt must be submitted to the project director for review and record keeping.

ACCOUNTING AND CONTROL PROCEDURES
Special accounting and control procedures should govern the use and handling of confidential expenditures, as described below:
1. It is important that expenditures which conceptually should be charged to PE/PI/PS are in fact so charged. It is only in this manner that these funds can be properly managed in all levels, and accurate forecasts of projected needs be made.
2. Each law enforcement entity should apportion its PE/PI/PS allowance throughout its jurisdiction and delegate authority to approve PE/PI/PS expenditures to those offices, as it deems appropriate.
3. Headquarters management should establish guidelines authorizing offices to spend up to a predetermined limit of their total allowance on any one buy or investigation.
4. In exercising his/her authority to approve these expenditures, the supervisor should consider: (1) the significance of the investigation; (2) the need for this expenditure to further that investigation; and (3) anticipated expenditures in other investigations. Funds for PE/PI/PS expenditures should be advanced to the officer for a specific purpose. If they are not expended for that purpose, they should be returned to the cashier. They should not be used for another purpose without first returning them and repeating the authorization and advance process based on the new purpose.
5. Funds for a PE/PI/PS expenditure should be advanced to the officer on a suitable receipt form. A receipt for purchase of information or a voucher for purchase of evidence should be completed to document funds used in the purchase of evidence or funds paid or advanced to an informant.
6. For security purposes there should be a 48-hour limit on the amount of time funds advanced for PE/PI/PS expenditure may be held outstanding. If it becomes apparent at any point within the 48-hour period that the expenditure will not materialize, then the funds should be returned to the advancing cashier as soon as possible. An extension to the 48-hour limit may be granted by the level of management that approved the advance. Factors to consider in granting such an extension are the amount of funds involved, the degree of security under which the funds are being held, how long an extension is required, and the significance of the expenditure. Such extensions should be limited to 48 hours. Beyond this, the funds should be returned and readvanced, if necessary. Regardless of circumstances, within 48 hours of the advance, the fund cashier should be presented with either the unexpended funds, an executed voucher for payment for information or purchase of evidence or written notification by management that an extension has been granted.
7. Purchase of Services expenditures, when not endangering the safety of the office or informant, need to be supported by canceled tickets, receipts, lease agreements, etc. If not available, the office head, or his/her immediate subordinate, must certify that the expenditures were necessary and justify why supporting documents were not obtained.

Appendix M MWBE Contract Requirements (Local Assistance)

PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO STATE CONTRACTS: REQUIREMENTS AND PROCEDURES

I. General Provisions

A. The Division of Criminal Justice Services (DCJS) is required to implement the provisions of New York State Executive Law Article
15-A and 5 NYCRR Parts 142-144 (MWBE Regulations) for all State contracts as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

B. The Contractor to the subject contract (the Contractor and the Contract, respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the DCJS, to fully comply and cooperate with the DCJS in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (EEO) and contracting opportunities for certified minority and women-owned business enterprises (MWBEs). Contractors demonstration of good faith efforts pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the Human Rights Law) or other applicable federal, state or local laws.

C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to Section VII of this Appendix or enforcement proceedings as allowed by the Contract.

II. Contract Goals

A. For purposes of this contract, the DCJS has established overall goals for Minority and Women-Owned Business Enterprises (MWBE) participation which are specified in the contract workplan.

B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract Goals established in the contract workplan hereof, Contractor should reference the directory of New York State Certified MBWEs found at the following internet address: http://www.esd.ny.gov/mwbe.html. Additionally, Contractor is encouraged to contact the Division of Minority and Woman Business Development (518) 292-5250; (212) 803-2414; or (716) 846-8200 to discuss additional methods of maximizing participation by MWBEs on the Contract.

C. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract. In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to the DCJS for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the Division). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

B. Contractor shall comply with the following provisions of Article 15-A:

1. Contractor and Subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

2. The Contractor shall maintain an EEO policy statement and submit it to the DCJS if requested.

3. If Contractor or Subcontractor does not have an existing EEO policy statement, Section 4 below may be used to develop one.

4. The Contractors EEO policy statement shall include the following, or similar, language:

a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
Award Contract

c. The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor’s obligations herein.

d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph E of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. Contractors shall complete the Local Assistance MWBE Equal Employment Opportunity Staffing Plan form and submit it as part of their bid or proposal or within a reasonable time, but no later than the time of award of the contract.

D. Workforce Employment Utilization Report

1. Once a contract has been awarded and during the term of Contract, Contractor is responsible for updating and providing notice to the DCJS of any changes to the previously submitted Local Assistance MWBE Equal Employment Opportunity Staffing Plan. This information is to be submitted annually or as otherwise required by the DCJS during the term of the contract, for the purpose of reporting the actual workforce utilized in the performance of the contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Local Assistance MWBE Workforce Employment Utilization Report form must be used to report this information.

2. Separate forms shall be completed by Contractor and any Subcontractor performing work on the Contract.

3. In limited instances, Contractor may not be able to separate out the workforce utilized in the performance of the Contract from Contractor’s and/or subcontractor’s total workforce. When a separation can be made, Contractor shall submit the Local Assistance MWBE Workforce Employment Utilization Report and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the contract cannot be separated out from Contractor’s and/or subcontractor’s total workforce, Contractor shall submit the Local Assistance MWBE Workforce Employment Utilization Report and indicate that the information provided is Contractor’s total workforce during the subject time frame, not limited to work specifically under the contract.

E. Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

A. The Contractor represents and warrants that Contractor has submitted a Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form either prior to, or at the time of, the execution of the contract.

B. Contractor agrees to use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in the contract workplan.

C. Contractor further agrees that a failure to submit and/or use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, DCJS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

IV. Waivers

A. If the DCJS, upon review of the Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Plan, the Detailed Itemization Forms or the Local Assistance MWBE Workforce Employment Utilization Report determines that a Contractor is falling or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the DCJS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of

receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. MWBE Subcontractor Utilization Quarterly Report

Contractor is required to report MWBE Subcontractor utilization, as part of the quarterly claim process, to the DCJS by the last day of the month following the end of each calendar quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

VII. Liquidated Damages - MWBE Participation

A. Where DCJS determines that Contractor is not in compliance with the requirements of the Contract and Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, such finding constitutes a breach of Contract and DCJS may withhold payment from the Contractor as liquidated damages and/or provide for other appropriate remedies.

B. Such liquidated damages shall be calculated as an amount equaling the difference between:

1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and

2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the DCJS, Contractor shall pay such liquidated damages to the DCJS within sixty (60) days after they are assessed by the DCJS unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Director of the Division of Minority and Woman Business Development pursuant to Subdivision 8 of Section 313 of the Executive Law in which event the liquidated damages shall be payable if Director renders a decision in favor of the DCJS.

RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW TO AMEND CHAPTER 353 OF THE SUFFOLK COUNTY CODE TO AUTHORIZE THE COUNTY DEPARTMENT OF AUDIT AND CONTROL TO REGISTER NONPROFIT VETERANS ORGANIZATIONS

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on [date], 2016, a proposed local law entitled, "A LOCAL LAW TO AMEND CHAPTER 353 OF THE SUFFOLK COUNTY CODE TO AUTHORIZE THE COUNTY DEPARTMENT OF AUDIT AND CONTROL TO REGISTER NONPROFIT VETERANS ORGANIZATIONS"; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO AMEND CHAPTER 353 OF THE SUFFOLK COUNTY CODE TO AUTHORIZE THE COUNTY DEPARTMENT OF AUDIT AND CONTROL TO REGISTER NONPROFIT VETERANS ORGANIZATIONS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Chapter 353, Article III of the Suffolk County Code establishes registration requirements for nonprofit veterans organizations soliciting funds and contributions in Suffolk County.

This Legislature further finds that under the current local law, all nonprofit veterans organizations have to register with the Suffolk County Veterans Services Agency by filing registration statements and additional documents.

This Legislature also finds that under the current law, the Suffolk County Department of Audit and Control is responsible for reviewing all tax returns, registration statements and reports submitted by nonprofit veterans organizations and assisting the Veterans Services Agency in determining whether all registration requirements have been satisfied.

This Legislature also finds that in order to streamline the registration process for nonprofit veterans organizations and dispense with duplicative review functions, the responsibility for the registration process should be vested only in the Department of Audit and Control.
Therefore, the purpose of this local law is to amend Chapter 353 of the SUFFOLK COUNTY CODE to authorize the Suffolk County Department of Audit and Control to register nonprofit veterans organizations.

Section 2. Amendment.

Chapter 353, Article III of the SUFFOLK COUNTY CODE is hereby amended to read as follows:

Nonprofit veterans' organizations soliciting donations must have a valid registration certificate displayed on premises at all times.

This proposed law would amend Chapter 353 of the Suffolk County Code to authorize the Department of Audit and Control to register nonprofit veterans organizations that solicit and collect monetary donations from the public.

Under the current law, nonprofit veterans organizations are required to register with the Suffolk County Veterans Services Agency and their documentary submissions are reviewed by the Department of Audit and Control. The proposed amendment would streamline this process by vesting the registration and review process solely with the Department of Audit and Control.

Additionally this local law adds requirements that veteran organizations submit to the Department of Audit and Control their 501(c) revenue code with EIN and tax exempt status, audited financial statements, copies of all Suffolk County business licenses and permits to operate in Suffolk County and a schedule of all veterans and families assisted in the prior year.

The Department of Audit and Control will publish on its webpage total revenue amounts, including donations, contributions, grants and investments; total funds expended to assist veterans; the amount of any funds remaining and undistributed; the amount of money paid to professional fundraisers; and the total administrative expenses of each registered veterans organization.

This law will take effect immediately upon its filing in the Office of the Secretary of State.
