To be completed by the Executive Budget Office
TITLE OF BILL:

A Resolution amending the Suffolk County Classification and Salary Plan in Connection with a New Position title in the Department of Social Services (Chief Division Administrator of Social Services).

PURPOSE OR GENERAL IDEA OF BILL:

To provide an appropriate title for responsibilities that have evolved beyond those of a Division Administrator of Social Services.

SUMMARY OF SPECIFIC PROVISIONS:

This Resolution adds the new title of Chief Division Administrator of Social Services to the Classification and Salary Plan and adds two Chief Division Administrator of Social Services positions to the Department of Social Services' Operating Budget and simultaneously deletes two Division Administrator of Social Services positions.

JUSTIFICATION:

No appropriate title was found for two positions that have a greater scope of responsibility than that of a Division Administrator of Social Services, who directs and organizes a major division within Social Services. While the Division Administrator's job encompasses a great deal of responsibility and requires independent judgment and initiative, work is concentrated in and limited to the programs of that particular Division. Two positions have grown beyond that limit and have expanded to include not only Division administration, but oversight of other Division Administrators and department-wide responsibility for assisting the Commissioner in the development of comprehensive short and long-range strategic plans, programs and goals. Adding Chief Division Administrator of Social Services to the Classification and Salary Plan will provide a new title appropriate for the work performed.

RE: Request for Addition to Classification and Salary Plan

A draft of a resolution to amend the Classification and Salary Plan to add the title Chief Division Administrator of Social Services is attached. We have determined that a new title is needed in the Department of Social Services for two positions, each having a broader scope of responsibility than a Division Administrator of Social Services. These positions go beyond directing one major division and, while maintaining that responsibility, also encompass department-wide development of short and long-range strategic plans and oversight of other Division Administrators. There was no current title that met that need.

Please initiate this resolution to add the new title to the Classification and Salary Plan. A draft of our proposed specification is attached for your reference.

An e-mail version of the resolution has been sent to CE RESO REVIEW saved under the title “R eso-SS-Chief Division Admin of SS 12-15.”

No Contract Required for Grants Under $50,000

GENERAL INFORMATION - The enclosed approval letter is notice of authorization to initiate project activity on or after the effective date stated and to incur costs as listed in your approved budget. Before incurring any project related costs, please log onto eGrants and review your approved grant and budget. Items, activities and/or costs may have been reduced or denied during the review process. Only those items, activities and costs approved in your grant and budget are eligible for reimbursement.

Approval of this project is subject to the terms and conditions set forth in the grant.

DATE OF PROJECT - Projects are funded for one year and must coincide with the federal fiscal year, with a start date of October 1 and an end date of September 30.

BUDGET – Any changes in the approved budget must be submitted through the eGrants system and approved by the GTSC before the cost is incurred. A budget modification cannot increase the dollar amount of the grant award.

PAYMENTS - This is a reimbursement program. Grant recipients incur the costs of the project according to their approved budget and then submit a request for reimbursement to the GTSC. Claim for payment reimbursement requests must be for exact expenditures and be submitted on a quarterly basis. Payment is issued through the New York State Comptroller’s Office. All costs must be documented and the claim for payment reimbursement request must be submitted through the eGrants system. The Claim for Payment form generated through the eGrants system must be printed, signed, dated and mailed with supporting documentation to: New York State Governor’s Traffic Safety Committee, Attn: Accounting Unit, 6 Empire State Plaza, Room 410B, Albany, NY 12228. The claim for payment reimbursement request must be submitted through the eGrants system and the documentation mailed (postmarked) to the GTSC by the due dates listed in the Claim for Payment Instruction Guide, which is available on the SafeNY.ny.gov “Forms” page.

The deadline for submitting a final claim for payment reimbursement request for all costs incurred during the grant year, October 1 to September 30, is October 31. Claim for payment reimbursement requests must be submitted through the eGrants system, and the signed and dated Claim for Payment form with supporting documentation must be mailed (postmarked) to the GTSC by October 31, as the National Highway Traffic Safety Administration (NHTSA) will not reimburse late claims. While we do not intend that costs go un-reimbursed, grantees must claim costs promptly or be subject to non-reimbursement.

Reimbursement and documentation requirements are outlined in the GTSC’s Claim for Payment Instruction Guide, which is available on the SafeNY.ny.gov “Forms” page.

Commodity orders and equipment required to conduct the project activities as described in the grant narrative must be received by July 31.

Equipment that costs $5,000 or more per item needs prior written approval from the GTSC and the NHTSA. The item being approved in the grant does not mean it has been approved by the NHTSA. You must contact the GTSC to obtain the written approval before the item is purchased.

All Public Information and Educational materials or campaigns developed for this project must have prior written approval from the GTSC for content and text or be subject to non-reimbursement. Educational materials must include the following acknowledgement: “Funded by the National Highway Traffic Safety Administration with a grant from the New York State Governor’s Traffic Safety Committee”. The information provided in these materials must be directly related to the initiatives approved in the grant.

All promotional items must contain a traffic safety message that directly relates to the initiatives approved in the grant. The promotional item and traffic safety message must have prior written approval from the GTSC or be subject to non-reimbursement.

REPORTING - The GTSC requires a semi-annual progress report and final progress report on all funded projects. Reports must be submitted through the eGrants system. If an agency did not conduct grant funded activity during the reporting period, a semi-annual progress report and final progress report stating so are required. The semi-annual progress report is due by April 15. The final progress report is due by October 15.

Please note that the Police Traffic Services and Child Passenger Safety programs have additional reporting requirements that are unique to that program. Please refer to the PTS Overview Narrative page and the CPS Program Overview page within each proposal to view the specific reporting requirements for that program and the date each report is due.

MONITORING - The GTSC has the right to conduct on-site monitoring of grant funded projects, during the grant year or within 3 years after the end of the grant: The GTSC staff will schedule on-site visits at the mutual convenience of the GTSC and the project director or designee.

Approval Letter Insert – No Contract Required for Grants Under $50,000 (07/15)

STATE OF NEW YORK
MASTER CONTRACT FOR GRANTS

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between
the State of New York acting by and through the applicable State Agency (State) and the public or private entity
(Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and
operation of program services, design or the execution and performance of construction projects, as applicable
and desires to contract with skilled parties possessing the necessary resources to provide such services or work,
as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution
and performance of construction projects and possesses or can make available all necessary qualified personnel,
licenses, facilities and expertise to perform or have performed the services or work, as applicable, required
pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State
and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the
Master Contract is with the State University of New York (SUNY) or City University of New York
(CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds
$50,000 (or $85,000 for contracts let by the Office of General Services, or the minimum thresholds
agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or
if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory
amount including, but not limited to, changes in amount, consideration, scope or contract term
identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State
until it has been approved by, and filed with, the New York Attorney General Contract Approval
Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money
when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be
valid, effective or binding upon the State until it has been approved by, and filed with, the AG and
OSC.

Budget Changes: An amendment that would result in a transfer of funds among program
activities or budget cost categories that does not affect the amount, consideration, scope or other
terms of such contract may be subject to the approval of the AG and OSC where the amount of
such modification is, as a portion of the total value of the contract, equal to or greater than ten
percent for contracts of less than five million dollars, or five percent for contracts of more than

C. Order of Precedence:

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2\(^1\), Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2\(^2\), Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1

appropriate attachments in conjunction therewith. In addition, to the extent that such modification 
meets the criteria set forth in Section 1.B herein, it shall be subject to the approval of the AG and 
OSC before it shall become valid, effective and binding upon the State. Modifications that are not 
subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in 
the Master Contract.

G. Governing Law: The Master Contract shall be governed by the laws of the State of New York 
except where the Federal Supremacy Clause requires otherwise.

H. Severability: Any provision of the Master Contract that is held to be invalid, illegal or 
enenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the 
extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining 
provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good 
faith to reform the Master Contract in a manner consistent with the intent of any such ineffective 
 provision for the purpose of carrying out such intent. If any provision is held void, invalid or

N. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

B. Renewal:

1. General Renewal: The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a) Pursuant to State Finance Law §179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State’s intent to renew or not to renew the Master Contract no later than ninety (90) calendar days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State’s intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b) Notification to the not-for-profit Contractor of the State’s intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.

   d) Convenience: The State may terminate the Master Contract in its sole discretion upon thirty (30) calendar days prior written notice.

   e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency’s discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor’s responsibility.

   f) Force Majeure: The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a “force majeure.” For purposes of the Master Contract, “Force majeure” shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

   a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

   b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Master Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Master Contract after its termination date.

4. **Effect of Termination Based on Misuse or Conversion of State or Federal Property:**

   Where the Master Contract is terminated for cause based on Contractor’s failure to use some or all of the real property or equipment purchased pursuant to the Master Contract for the purposes set forth herein, the State may, at its option, require:

   a) the repayment to the State of any monies previously paid to the Contractor; or

   b) the return of any real property or equipment purchased under the terms of the Master Contract; or

   c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

   Nothing herein shall be intended to limit the State’s ability to pursue such other legal or equitable remedies as may be available.

D. **Suspension:** The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor’s expenses during such suspension period. Activities may resume at such time
as the State issues a formal written notice authorizing a resumption of performance under the Master Contract.

Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Attachment D (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.

4. Such electronic payment shall be made in accordance with OSC’s procedures and practices to authorize electronic payments.

5. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.
B. Advance Payment and Recoupment:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Attachment D (Payment and Reporting Schedule).

4. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims listed in Attachment D (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.

5. If for any reason the amount of any claim is not sufficient to cover the proportionate advance amount to be recovered, then subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1. The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Master Contract in accordance with this Section and the applicable claiming schedule in Attachment D (Payment and Reporting Schedule).

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the applicable Attachment B form (Budget) and during the Contract Term. When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

4. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Master Contract as security for the faithful completion of services or work, as applicable, under the Master Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Master Contract. In the event that such withheld funds are insufficient to satisfy Contractor’s obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.

The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

   d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of the Master Contract and agrees to cooperate with the State in these efforts.

Such report shall be made within five (5) business days following the Contractor becoming aware of such event, investigation, or audit. Such report may be considered by the State in making a Determination of Vendor Non-Responsibility pursuant to this section.

In the event of such suspension, the Contractor shall be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under the Master Contract.

6. The State, in its sole discretion, reserves the right to make a final Determination of Non-Responsibility at any time during the term of the Master Contract based on:

   a) any information provided in the Questionnaire and/or in any updates, clarifications or amendments thereof; or

   b) the State’s discovery of any material information which pertains to the Contractor’s responsibility.

7. Prior to making a final Determination of Non-Responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.
DATE OF PROJECT - Projects are funded for one year and must coincide with the federal fiscal year, with a start date of October 1 and an end date of September 30.

BUDGET – Any changes in the approved budget must be submitted through the eGrants system and approved by the GTSC before the cost is incurred. A budget modification cannot increase the dollar amount of the grant award.

PAYMENTS - This is a reimbursement program. Grant recipients incur the costs of the project according to their approved budget and then submit a request for reimbursement to the GTSC. Claim for payment reimbursement requests must be for exact expenditures and be submitted on a quarterly basis. Payment is issued through the New York State Comptroller’s Office. All costs must be documented and the claim for payment reimbursement request must be submitted through the eGrants system. The Claim for Payment form generated through the eGrants system must be printed, signed, dated and mailed with supporting documentation to: New York State Governor’s Traffic Safety Committee, Attn: Accounting Unit, 6 Empire State Plaza, Room 410B, Albany, NY 12228. The claim for payment reimbursement request must be submitted through the eGrants system and the documentation mailed (postmarked) to the GTSC by the due dates listed in Attachment D of this contract.

The deadline for submitting a final claim for payment reimbursement request for all costs incurred during the grant year, October 1 to September 30, is October 31. Claim for payment reimbursement requests must be submitted through the eGrants system, and the signed and dated Claim for Payment form with supporting documentation must be mailed (postmarked) to the GTSC by October 31, as the National Highway Traffic Safety Administration (NHTSA) will not reimburse late claims. While we do not intend that costs go un-reimbursed, grantees must claim costs promptly or be subject to non-reimbursement.

Reimbursement and documentation requirements are outlined in the GTSC’s Claim for Payment Instruction Guide, which is available on the SafeNY.ny.gov “Forms” page.

Commodity orders and equipment required to conduct the project activities as described in the grant narrative must be received by July 31.

Equipment that costs $5,000 or more per item needs prior written approval from the GTSC and the NHTSA. The item being approved in the grant does not mean it has been approved by the NHTSA. You must contact the GTSC to obtain the written approval before the item is purchased.

All Public Information and Educational materials or campaigns developed for this project must have prior written approval from the GTSC for content and text or be subject to non-reimbursement. Educational materials must include the following acknowledgement: “Funded by the National Highway Traffic Safety Administration with a grant from the New York State Governor’s Traffic Safety Committee”. The information provided in these materials must be directly related to the initiatives approved in the grant.

All promotional items must contain a traffic safety message that directly relates to the initiatives approved in the grant. The promotional item and traffic safety message must have prior written approval from the GTSC or be subject to non-reimbursement.

REPORTING - The GTSC requires a semi-annual progress report and final progress report on all funded projects. Reports must be submitted through the eGrants system by the due dates listed in Attachment D of this contract. If an agency did not conduct grant funded activity during the reporting period, a semi-annual progress report and final progress report stating so are required. The GTSC may request agencies to participate in special enforcement activities or statewide mobilizations and may provide a format to report these activities. This reporting would be in addition to the semi-annual progress report and final progress report.

MONITORING - The GTSC has the right to conduct on-site monitoring of grant funded projects, during the grant year or within 3 years after the end of the grant. The GTSC staff will schedule on-site visits at the mutual convenience of the GTSC and the project director or designee.

Contracts are for a one year period. Any contract resulting from this RFA will be effective only upon approval by the NYS Office of the State Comptroller.

AGREEMENT
This AGREEMENT is hereby made by and between the State of New York agency (STATE) and the public or private agency (CONTRACTOR) identified on the face page hereof.

WITNESSETH:
WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and
WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;
NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:
I. Conditions of Agreement
A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X) Amendment. Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.
B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.
C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.
D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.
To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.
E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.
F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.
G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.
II. Payment and Reporting
A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.
B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.
C. The CONTRACTOR shall meet the audit requirements specified by the STATE.
III. Terminations
A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.
B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.
C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.
D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.
E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.
F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.
IV. Indemnification
A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.
B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.
V. Property
Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A-1.
VI Safeguards for Services and Confidentiality
A. Services performed pursuant to this AGREEMENT are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $55,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a decentralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in
according with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor’s employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCCR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State’s option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.
11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.
(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. 2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

   A. For State funded grants:

      For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

   B. For Federally funded grants:

      Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

      3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.
The most current version of these Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or

2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee’s request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee’s employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed $650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding $650 per eight-hour day requires prior written approval from DCJS and may be
approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to $999 under this grant agreement can be obtained at the Grantee's discretion.

2. Consultant services that cost between $1,000 and $4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.

3. Consultant services that cost between $5,000 and $9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.

4. A Grantee obtaining consultant services that cost in excess of $10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS’ prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.

2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to $999 at its discretion.

3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between
$1,000 and $4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $5,000 and $9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of $10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than $500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and
appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

<table>
<thead>
<tr>
<th>Calendar Quarter</th>
<th>Report Due</th>
</tr>
</thead>
<tbody>
<tr>
<td>January 1 - March 31</td>
<td>April 30</td>
</tr>
<tr>
<td>April 1 - June 30</td>
<td>July 31</td>
</tr>
<tr>
<td>July 1 - September 30</td>
<td>October 31</td>
</tr>
<tr>
<td>October 1 - December 31</td>
<td>January 31</td>
</tr>
</tbody>
</table>

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to

allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee’s annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS’ approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

Activities to be performed;

Time schedule;

Project policies;

Other policies and procedures to be followed;

Dollar limitation of the Agreement;

Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year $500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee’s fiscal year. The Grantee further agrees to provide one
copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;

OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;

OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and

OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.
28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language
The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)
The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)
Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

**Justification:** Overtime is requested for enhanced MVTIF investigation and enforcement. Strategies require sting operations and investigations occurring outside of normal hours of duty in order to fully investigate suspected vehicle insurance fraud incidents referred by the NYS Insurance Frauds Bureau and SIU contacts. Funds will support flexible surveillance, sting operations and investigations without limiting hours of work. Funds allow Officers the ability to locate and arrest suspects with the timeliest information available. Funds allow SCPD, SIUs and DMV investigators to jointly conduct investigations, despite disparate work hours. Due to the nature of police work, it is a best practice to have an experienced first line supervisor available, as situations may require direction regarding the best strategy and most appropriate course an investigation should follow. Therefore, a supervisor will oversee project operations. As the SCPD decentralized its efforts to combat MVTIF it is possible that any Officer may be involved in MVTIF enforcement in Suffolk Co. Therefore it is impractical to specify exactly how much time will be spent on activities by each rank. Most enforcement will be handled by the following, rates based on weighted averages: Police Officer $104.24/HR/OT, Det $116.75 HR/OT, Sgt $122.97 HR/OT, Det Sgt $129.10 HR/OT, Lt $136.88 HR/OT, Det Lt $143.73 HR/OT or Captain $147.20 HR/OT.

Weighted Averages were arrived at in the following way: PO 68.79 hrly wage x 5 months + 68.99 hrly wage x 7 months/12x1.5; Det 77.04 hourly wage x 5 months + 78.39 hourly wage x 7 months/12x1.5; Sgt 81.15 hr wage x 5 months + 82.57 hr wage x 7 months/12x1.5; Det Sgt 85.20 hr wage x 5 months + 86.69 hr wage x 7 months/12x1.5; LT 90.35 hr wage x 5 months + 91.91 hr wage x 7 months/12x1.5; Det LT 94.85 hr wage x 5 months + 96.51 hr wage x 7 months/12x1.5; Cap 97.14 hr wage x 5 months + 98.84 hr wage x 7 months/12x1.5. Rates are for the period of performance based on established contractual rates for 2016.

| 2 | Overtime for SCPD Sworn Personnel to conduct intra-department training | 1      | $2,500.00   | $2,500.00   | $2,500.00   | $0.00          |

**Justification:** Two Detectives, whose duties are exclusively motor vehicle theft and insurance fraud enforcement and investigation will conduct training for other members of the SCPD. Training will consist of elements and types of motor vehicle insurance fraud and motor vehicle theft as well as current trends and tactics. It is vital that all members of the Department be educated in the elements of these crimes so that they will be able to recognize that such crime is occurring when investigating other types of offenses that may not appear to be motor vehicle theft or motor vehicle insurance fraud on the surface. It is expected that the two Detectives will engage in approximately 21 hours of training on overtime to conduct training this year. Detectives' weighted average hourly overtime rate is $116.75 (77.04 hourly rate x 5 months)+(78.39 hourly rate x 7 months)/12 months = 77.83 average hourly rate x 1.5 = $116.75 overtime rate. Rates are for period of performance based on established contractual rates for 1/1/16-12/31/16.

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.

2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.

4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see http://www.criminaljustice.ny.gov/ofpa/forms.htm). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.

5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment.

6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services
Office of Financial Services
80 S. Swan St.

DCJS reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement. In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DCJS in its sole discretion may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation. Fiscal cost reports showing grant expenditures and/or obligations for each quarter of the grant must be submitted by the last day of the month after the last day of the reporting period.

In accordance with Section 316-a of Article 15-A and 5 NYCCR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to the DCJS for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women’s Business Development of the Department of Economics Development (the Division). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

B. Contractor shall comply with the following provisions of Article 15-A:

For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

2. The Contractor agrees to the EEO Policy Statement as provided in Appendix M, or if the Contractor or Subcontractor has its own EEO policy statement it should include the following or similar language:

   a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities.
without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

c. The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 2 and Paragraph E of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Staffing Plan

To ensure compliance with this Section, the Local Assistance MWBE Equal Employment Opportunity Staffing Plan Form is required for contracts with a total expenditure in excess of $250,000. The Contractor shall submit the staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. Contractors shall complete the Local Assistance MWBE Equal Employment Opportunity Staffing Plan form and submit it as part of their bid or proposal or within a reasonable time, but no later than the time of award of the Contract.

D. Workforce Employment Utilization Report

1. If the Local Assistance MWBE Equal Employment Opportunity Staffing Plan form is required, once a Contract has been awarded and during the term of Contract, Contractor is responsible for updating and providing notice to the DCJS of any changes to the previously submitted Local Assistance MWBE Equal Employment Opportunity Staffing Plan. This information is to be submitted annually or as otherwise required by the DCJS during the term of the contract, for the purpose of reporting the actual workforce utilized in the performance of the contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Local Assistance MWBE Workforce Employment Utilization Report form must be used to report this information.

2. Separate forms shall be completed by Contractor and any Subcontractor performing work on the Contract.

3. In limited instances, Contractor may not be able to separate out the workforce utilized in the performance of the Contract from Contractor's and/or sub-contractor's total workforce, Contractor shall submit the Local Assistance MWBE Workforce Employment Utilization Report and indicate that the information provided is Contractor's total workforce during the subject time frame, not limited to work specifically under the contract.

E. Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

A. The Contractor represents and warrants that Contractor has submitted a Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form either prior to, or at the time of, the execution of the Contract.

B. Contractor agrees to use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in the contract workplan.

C. Contractor further agrees that a failure to submit and/or use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, DCJS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

V. Waivers

A. If the Contractor, after making good faith efforts, is unable to comply with MWBE goals, the Contractor may submit a Request for Waiver documenting good faith efforts by the Contractor to meet such goals. If the documentation included with the waiver request is complete, DCJS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.

B. If DCJS, upon review of the Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Plan, the Detailed Itemization Forms or the Local Assistance MWBE Workforce Employment Utilization Report

https://grants.criminaljustice.ny.gov/Project/ReportContractAward.jsp

2/4/2016

The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. MWBE Subcontractor Utilization Quarterly Report

Contractor is required to report MWBE Subcontractor utilization, as part of the quarterly claim process, to DCJS over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

VII. Liquidated Damages & MWBE Participation

A. Where DCJS determines that Contractor is not in compliance with the requirements of the Contract and Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, such finding constitutes a breach of Contract and DCJS may withhold payment from the Contractor as liquidated damages and/or provide for other appropriate remedies.

B. Such liquidated damages shall be calculated as an amount equaling the difference between:

1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the DCJS, Contractor shall pay such liquidated damages to the DCJS within sixty (60) days after they are assessed by the DCJS unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Director of the Division of Minority and Women Business Development pursuant to Subdivision 8 of Section 313 of the Executive Law in which event the liquidated damages shall be payable if Director renders a decision in favor of the DCJS.

5. Document and maintain records of bid solicitation, including those to MWBEs and the results thereof. Contractor will also maintain records of actions that its subcontractors have taken toward meeting MWBE contract participation goals.

RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS AND PUBLIC EMPLOYEE UNIONS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2016, a proposed local law entitled, "A LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS AND PUBLIC EMPLOYEE UNIONS"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS AND PUBLIC EMPLOYEE UNIONS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the general public perceives that "special interests" use campaign contributions to gain extraordinary access to, and favorable consideration from, government officials.

This Legislature further determines that many members of the general public believe that this "pay to play" culture results in government contracts being awarded on the basis of connections and contributions rather than merit.

This Legislature finds that Suffolk County residents also perceive that large monetary donations from the County's public employee unions improperly influence the officials responsible for negotiating and ratifying collective bargaining agreements.

This Legislature also finds that elected officials must take appropriate steps to eliminate, not only corruption, but the appearance of corruption and thereby strengthen the public's faith in political institutions.

This Legislature further finds and determines that limiting the amount of campaign contributions that contractors and public employee unions can make to County officials is a reform measure that will strengthen public confidence in the integrity of the political system and increase the likelihood that county contracts will, in fact, be awarded to the best qualified individuals and businesses.
Therefore, the purpose of this law is to limit the contributions that contractors and public employee unions can make to elected County officials and candidates for county office and thereby reduce special interest influence on the county’s contracting process.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

"CONTRACT" - any written or oral agreement between the County of Suffolk and a contractor, for the sale of goods or services, including construction work, or a lease or contract relating to real or personal property or a license or concession awarded to such contractor.

"CONTRIBUTION" – as defined in Section 14-100 of the New York Election Law.

"COUNTY" - any department, board, bureau, commission, division, office, or other agency of Suffolk County government.

"COUNTY-WIDE ELECTED OFFICE" - the Suffolk County Executive, Suffolk County Clerk, Suffolk County Sheriff, Suffolk County District Attorney and Suffolk County Comptroller.

"ELECTION CYCLE" – the period between elections for public office, i.e. the four year period between elections for the offices County Executive, County Clerk, County Sheriff, District Attorney and County Comptroller and the two year period between elections for County Legislature.

"EMPLOYEE ORGANIZATION" – an organization recognized and certified pursuant to the provisions of Article 14 of New York Civil Service Law, to negotiate collectively the terms and conditions of employment or employees with the County of Suffolk and to negotiate and enter into written agreement with the County of Suffolk in determining the terms and conditions of employment.

"PROFESSIONAL BUSINESS ENTITY" - any individual, partnership, joint venture, corporation, limited liability corporation or other business entity of any kind that contracts with the County of Suffolk. This definition shall include all principals who own 10% or more of the equity in the professional business entity, officers, directors, partners and members of the professional business entity, as well as any subsidiaries directly controlled by the professional business entity.

Section 3. Limitation of Contributions.

A. No professional business entity which enters into a contract with the County which, when aggregated with the value of other contracts awarded to such professional business entity during the immediately preceding twelve (12) month period, is valued at $25,000 or more, shall make a contribution or contributions to an individual holding the office of County Legislator or a candidate for the office of County Legislator totaling more than $2,000 during the election cycle then prevailing

B. No professional business entity which enters into a contract with the County which, when aggregated with the value of other contracts awarded to such professional business entity during the immediately preceding twelve (12) month period, is valued at $25,000
or more, shall make a contribution or contributions to an individual holding a county-wide elected office or a candidate for county-wide elected office totaling more than $2,000 during the election cycle then prevailing.

C. No employee organization shall make a contribution or contributions to an individual holding the office of County Legislator or a candidate for the office of County Legislator totaling more than $2,000 during the election cycle then prevailing.

D. No employee organization shall make a contribution or contributions to an individual holding a county-wide elected office or a candidate for county-wide elected office totaling more than $2,000 during the election cycle then prevailing.

Section 4. Exemptions.

A. The contribution limitations specified in this local law do not apply to professional business entities when:

1. the contract is awarded to the lowest bidder through publicly advertised competitive sealed bidding;

2. procurement is authorized by New York State General Municipal Law ("GML") § 103(3) (goods and services through another New York county's contract), GML § 104 (goods and services through New York State Office of General Services contracts, and GML § 103(16) (certain goods and services through another government's contracts, "piggybacking"); and

3. such contract is awarded to Preferred Sources or as authorized in § 162 of the State Finance Law, as amended from time to time.

Section 5. Contributions Made Prior to Effective Date.

No contribution made by a professional business entity or employee organization to those individuals set forth in Section 3 of this law shall be deemed a violation of this law, or be disqualified thereby, if that contribution was made by the professional business entity or employee organization prior to the effective date of this law.

Prior to the awarding of a contract, the County department administering the contract shall receive a sworn statement from the professional business entity under penalty of perjury that the entity has not made a campaign contribution in violation of Section 3 of this law during the four (4) years preceding such sworn statement. The professional business entity under penalty of perjury will make a statement that it has not knowingly made a contribution in violation of the law hereof, during the four (4) years preceding such sworn statement, and has not made or solicited contributions through intermediaries, third parties or immediate relatives for the purpose of concealing the source of the contribution during that same four (4) year time period.
Section 7. Incorporation by Reference.

The regulatory and penalty provisions of this law shall be incorporated by reference into all Suffolk County contracts covered by this law.

Section 8. Penalties.

A. A professional business entity that files a false sworn contributions statement will have its contract with Suffolk County declared null and void and will be disqualified from being awarded any contract with the County for a period of four (4) years from the date of the filing of the false sworn contributions statement.

B. Any professional business entity who violates Section 3 of this law shall be in material breach of the terms of the contract, and the County Attorney may seek damages against the professional business entity as provided for in said contract.

C. Any professional business entity which violates Section 3 of this law shall be disqualified from eligibility for the submission of proposals or applications for future contracts for a period of four (4) calendar years from the date of such violation.

D. Any professional business entity organization or employee organization that violates Section 3 of this law shall be guilty of a misdemeanor subject to a fine of $1,000 and/or four (4) months in jail.

Section 9. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 10. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 11. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.
Section 12. Effective Date.

This law shall take effect on the ninetieth (90th) day immediately subsequent to filing in the Office of the Secretary of State.

PROPOSED LOCAL LAW YEAR 2016

TITLE: I.R. NO. -2016; LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS AND PUBLIC EMPLOYEE UNIONS

SPONSOR: LEGISLATOR TROTTA

DATE OF RECEIPT BY COUNSEL: 2/15/16 PUBLIC HEARING: 3/22/16

DATE ADOPTED/NOT ADOPTED: CERTIFIED COPY RECEIVED:

This proposed local law would limit the campaign contributions County contractors and public employee unions can make to the County’s elected officials and candidates for County office.

Specifically, this law would prohibit business entities that have received County contracts valuing $25,000 (excluding contracts awarded to low bidders through advertised, competitive sealed bidding and procurements made through another county’s contract or a state contract) or more during a 12 month period from contributing more than $2,000 to any County elected official or candidate for County office during the election cycle then prevailing for the specific office.

Additionally, this law would prohibit employee organizations from contributing more than $2,000 to any County elected official or candidate for County office during an election cycle.

Prior to awarding a contract, the County department administering the contract must receive a sworn statement from a business entity affirming that they have not made a campaign contribution in violation of this law. The regulatory and penalty provisions of this law must be incorporated into all County contracts covered by this law.

Any business entity that files a false statement with the County or makes a contribution in violation of this law will have its contract declared null and void and will be banned from doing business with the County for four years. Additionally, business entities and employee organizations that make unlawful campaign contributions shall be guilty of a misdemeanor and subject to a fine and up to four months in jail.

1 “Election cycle” is defined as the period between elections for public offices; i.e., four years for Countywide positions, two years for County Legislators.

2 “Employee organization” is defined as an organization recognized and certified pursuant to the provisions of Article 14 of New York Civil Service Law, to negotiate collectively the terms and conditions of employment or employees with the County of Suffolk and to negotiate and enter into written agreement with the County of Suffolk in determining the terms and conditions of employment.
This law will take effect 90 days after its filing in the Office of the Secretary of the State.

RESOLUTION NO. - 2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW TO PROHIBIT THE SALE OF KRATOM IN SUFFOLK COUNTY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2016, a proposed local law entitled, "A LOCAL LAW TO PROHIBIT THE SALE OF KRATOM IN SUFFOLK COUNTY" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROHIBIT THE SALE OF KRATOM IN SUFFOLK COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk is a national leader in regulating drugs and other dangerous substances to protect the health and welfare of County residents.

This Legislature further finds and determines that as the County of Suffolk becomes aware of unregulated substances, it acts quickly to determine the nature of the substance and its harmful effects and, if necessary, regulates its use. In recent years, Suffolk County has restricted the sale and use of bath salts, synthetic cannabinoids, salvia divinorum and the recreational use of dextromethorphan.

This Legislature finds that mitragyna speciosa, an opioid-like plant, and its most active chemical, mitragynine, commonly known as Kratom, are increasingly used around the world to obtain a "legal high".

This Legislature determines that Kratom is indigenous to Southeast Asia and has traditionally been used by laborers in small doses as an herbal drug to fight fatigue and relief from muscle strain. More recently, Kratom has been used in large doses for recreational purposes.

This Legislature also determines that many Kratom users consume Kratom leaves boiled in tea or in powder and pill forms.

This Legislature further finds and determines that Kratom affects the brain like an opiate and can be highly addictive. Disturbingly, some people mistakenly embrace Kratom as a natural pain killer and benign substitute for more dangerous substances.

This Legislature also finds that long-term use of Kratom has significant negative health effects, including anorexia, weight loss, nervousness, insomnia, constipation, and skin
hyperpigmentation. Withdrawal symptoms are very similar to opiate withdrawal, including severe depression, anxiety, psychosis, chills, jerky limb movement and muscle aches.

This Legislature further finds that overdoses of Kratom are also dangerous, causing hallucinations, delusions, listlessness, tremors, aggression, constipation and nausea.

This Legislature hereby finds that Kratom has been outlawed in several nations, including Thailand, which produces the majority of the world's supply of Kratom. Presently Kratom is banned in Indiana, Tennessee, Vermont and Wisconsin.

This Legislature further finds that the federal Food and Drug Administration (FDA) has determined that Kratom and its derivatives pose a threat to public health and have the potential to be abused. Accordingly, the FDA has issued an import alert on all dietary supplements and bulk dietary ingredients that contain Kratom or Mitragyna Speciosa.

This Legislature also finds that, to protect the health and safety of its residents, Kratom should not be available in Suffolk County.

Therefore, the purpose of this law is to prohibit the sale and distribution and Kratom in the County of Suffolk.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

“KRATOM” shall mean the plant species Mitragyna speciosa and/or the plant’s active chemical extract, mitragynine, also known as biak-biak, cratom, gratom, ithubang, kakuan, kataw, kedemba, ketum, kuthom, khton, mambog, madat, Maeng da leaf, nauclea, Nauclea Speciosa, or thang.

“PERSON” shall mean any natural person, individual, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint stock association, or other entity or business organization of any kind.

Section 3. Prohibitions.

No person may sell, offer for sale or otherwise distribute Kratom in the County of Suffolk.

Section 4. Penalties.

Any person who knowingly violates the provisions of this article shall be guilty of an unclassified misdemeanor punishable by a fine of up to $1,000 and/or up to one year's imprisonment.

Section 5. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 6. Severability.
If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 7. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 8. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

TITLE OF BILL: Appropriating Funds in Connection with Renovations to the Original Portions of the Yaphank Correction Facility (CP 3009)

PURPOSE OR GENERAL IDEA OF BILL: This Resolution would provide funding for renovations and repairs to the original 1959, 1983 and 1988 portions of the Yaphank Correctional Facility-C.P. 3009.

SUMMARY OF SPECIFIC PROVISIONS: This resolution appropriates $500,000 in Construction funds and $350,000 in Furniture and Equipment funds in 2016 so that much needed repairs to the original parts of the structure and the complete renovation of the existing dormitories can continue in a timely manner.

JUSTIFICATION: The intent of this project is to repair critical infrastructure systems before they fail and create a safety hazard, which would otherwise necessitate intervention on an emergency basis and ultimately cost more to correct. With a combined capacity of 504 beds, we cannot run the risk of having any of the 1959, 1983 and 1988 dormitories deteriorate to the point of becoming uninhabitable. If that were to occur, the increased cost of substitute jail housing would be exorbitant. It has been made very clear to the Sheriff's Office by the New York State Commission of Correction that the current condition of the inmate housing areas is no longer acceptable to them and that the complete renovation of these housing units must commence as soon as possible.

FISCAL IMPLICATIONS: Serial Bonds will be issued to finance this project. Principal and interest costs will be incurred over the life of the Bonds.

Re: INTRODUCTORY RESOLUTION REQUEST – CP 3009 –  
Renovations at the Yaphank Correctional Facility

Per the 2016 Adopted Capital Budget, the Sheriff’s Office requests the introduction of a resolution to appropriate funds in connection with renovations to the original portion of the Yaphank Correctional Facility for 2016 under Capital Project 3009.

This resolution appropriates $500,000 in construction funds and $350,000 in Furniture and Equipment Funds in 2016 so that the much needed repairs and renovations to the 1959, 1983 and 1988 portions of the Yaphank Correctional Facility can continue in a timely manner. As you are aware, with a capacity to house 504 inmates and an anticipated growth in the County’s inmate population over the next decade, this original portion of the complex must continue to be used for years to come. This request also sets the stage for the continuation of this work on portions of the Yaphank Facility that are not part of the current dorm renovation project. The entire front portion of the old portion of the facility is to also be renovated to convert it into much needed ancillary support space for programs that provide services to the County Correctional Facilities such as a central mail sorting and screening room, Sheriff’s Canine units and a new area for the Jail Commissary.

The intent of this project is to repair critical infrastructure systems before they fail and create a safety hazard, which would otherwise necessitate intervention on an emergency basis and ultimately cost more to correct. The New York State Commission of Correction has made it clear that the current conditions of the dorm housing at the Yaphank Facility is not acceptable and that major renovations to them must be started immediately.
In order to avoid a significant backlog of deferred maintenance in our correctional system, we urge that this resolution be laid on the table at your earliest convenience. Our objective is to generate significant cost savings by accelerating projects now, thereby avoiding construction cost inflation and cost increases due to deterioration caused by deferred maintenance.

Copies of a draft resolution, impact statement and introductory form are attached. An e-mail version was also sent to CE RESO REVIEW, under the titles:

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Hauppauge, New York in said County, on 12th day of April 2016 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for an amendment to 2006 Map and Plan for the increases and improvements to the facilities of Suffolk County Sewer District No. 18 – Hauppauge Industrial; in and about the Town of Smithtown, substantially in accordance with the amended maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of the County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

Suffolk County Resolution Nos. 1010-2005, 378-2008, 1019-2012, and 1107-2014 found and determined that it was in the public interest to increase and improve the facilities of Sewer District No. 18 – Hauppauge Industrial and to extend the boundaries of said district. This work has been initiated and has progressed with the wastewater treatment facility and small portions of sewer work construction completed while the majority of the sewer installation in the near future. However, additional funds are needed to complete all work. The public hearing is being held to address a proposed cost amendment to 2006 Map and Plan for the increase and improve the facilities of Sewer District No. 18 – Hauppauge Industrial and to extend the boundaries of said district.

Notice of Cost

The cost of the increase and improvement the facilities of Sewer District No. 18 – Hauppauge Industrial and the extension of the boundaries of such district has risen from an estimated cost of $65 million in 2005 to an estimated cost of $88.7 million as set forth in the amended Map and Plan.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer District No. 18 – Hauppauge Industrial, since pursuant to the ASRF, all property owners in Suffolk County sewer districts experience a 3% annual increase regardless of any increases or improvements performed. In the case of Suffolk County Sewer District No. 18, the annual ASRF increase will result in an increase of approximately $152 per 1,000 gallons to the typical property within the District, regardless of additional funds necessary to complete the increase and improvement and extension of boundaries. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the amendment of the 2005 Map and Plan to reflect an increase in the cost to the increases, improvements, and extension of boundaries of the District.

Copies of the map, engineering report, the public hearing report and the project summaries are available in the Hauppauge Industrial Association’s office at 225 Wireless Blvd., the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear. Any questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County Department of Public Works.

Section 3. This resolution shall take effect immediately.
RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) Lead Agency, hereby finds and determines that this resolution constitutes a Type II Action pursuant to Title 6 NYCRR Part 617.5(c)(20) and (27) as the proposal involves the adoption of regulations, policies, procedures and local legislative decisions in connections with routine or continuing agency administration and management.

MEMORANDUM

FROM: Gilbert Anderson, P.E., Commissioner

SUBJECT: CALLING A PUBLIC HEARING FOR THE PURPOSE OF INCREASING AND IMPROVING FACILITIES AND MODIFICATION TO THE PLAN FOR SUFFOLK COUNTY SEWER DISTRICT NO. 18 – HAUPPAUGE INDUSTRIAL (CP 8126)

DATE: February 1, 2016

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW CP 8126 – SD 18 – Hauppauge Industrial (Improvements and Expansion) Hearing 2-1-16 and backup filed as Backup DPW CP 8126 – SD 18 – Hauppauge Industrial (Improvements and Expansion) Hearing 2-1-16. The resolution calls for a public hearing to provide funds for the improvements and expansion of the wastewater treatment facility and district and modification to the plan. The wastewater treatment plant project has construction completed and sewers and pumping stations require additional funds in 2016. Funds requested in accordance with the 2016 Capital Budget of $6,000,000 use sewer district serial bonds. Additional funds are necessary to complete the work necessary for finishing the construction of sewerage facilities at Suffolk County Sewer District No 18 – Hauppauge Industrial. Using sewer district serial bonds will have no fiscal impact for the benefited properties due to the ASRF stabilizing rates at a 3% increase regardless of any improvements performed. It is noted that prior hearings and applications have taken place and the Map and Plan has been amended and submitted to the Legislature.

We appreciate the draft resolution being laid on the table as soon as possible such that the findings and appropriations can be adopted in 2016.

Dear Ms. Staab:

Enclosed is a copy of the contract between Suffolk County Department of Social Services and the New York State Department of Health for the Consumer Assistance for the Aged, Blind and Disabled (ABD) Program.

Two copies of the contract must be signed by an authorized individual and notarized. Your approved budget, work plan and proof of Worker’s Compensation and Disability Coverage will be incorporated into the final contract as either and appendix or an attachment.

While a proposed budget was included with your application submission, it is necessary to submit a current budget proposal that is in line with your agency’s annual grant award amount. The Expenditure Based Budget Template (Attachment B-1) includes a Summary page, Personal Services (PS), Non-Personal Services (NPS) pages and a Budget Justification. Each line item listed on the PS and NPS pages should be identified and explained in this narrative justification. For those agencies with subcontractors, a separate Budget template for each subcontractor must also be submitted.

A Year One Workplan (Attachment C) is also required and must identify the objectives and planned activities for achieving each goal listed on the workplan form. The activities identified should be specific to your agency’s ABD Program and subcontractor network composition. Please include all responsible staff and the timeframes needed to meet each objective and goal provided.

The following additional information must be submitted with your contract:

- Proof of coverage for Worker’s Compensation (sample attached);
- Proof of Disability Benefits coverage (sample attached);
- An updated Vendor Responsibility Questionnaire (VRQ) for your agency if it has not been certified within the past six (6) months; and,
- A VRQ for your subcontractors (if applicable) whose cumulative total funding amount will be more than $100,000 over the duration of the contract.

For contractors and their subcontractors who have registered with the online VendRep System (www.osc.state.ny.us/vendrep/), please update the information and recertify your questionnaire as soon as possible. After this has been completed, please send an email to the following mailbox (chpferfa@health.ny.gov) informing us of the date the VRQ was recertified. For contractors and their subcontractors who are not participating in the VendRep System, please complete the latest hard copy VRQ form which can be obtained at the Office of the State Comptroller’s website, www.osc.state.ny.us/vendrep/. The hard copy of the VRQ form must be signed by an authorized individual and notarized.

Please note, each contractor and subcontractor must also provide their New York State Vendor Identification Number (Vendor ID) on their VRQ. For additional information on how to obtain a Vendor ID, visit www.osc.state.ny.us/vendor_management.

Please submit the Information outlined above as soon as possible but no later than March 24, 2015 to:

SUMMARY OF SPECIFIC PROVISIONS: This resolution allows DSS to accept and appropriate 100% grant funding to enter into an agreement with EAC. EAC, through coordinated efforts with DSS will increase community outreach and education, expand Safe Harbour services, and provide victims centered services to assist these individuals.

FISCAL IMPLICATIONS: A 100% State grant provides funding for $136,500 for a program in Suffolk County operated by the EAC. The contract/program will be terminated if the funds are not re-authorized.

Planning/design funds will provide for construction support and inspection services by a consultant engineer, for the County's current Reconstruction of County Culverts requirements contract. Construction funds will provide for the ongoing repair and maintenance of County-owned highway culverts. These improvements include repairing structural problems such as deteriorated concrete, rusted reinforcing rods and eroded shoreline.

Potential locations for these services are CR65 over Stillmans Creek culvert in the Town of Brookhaven and Corey Creek culvert in the Town of Islip. *It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.*

The Suffolk County Council on Environmental Quality has reviewed these types of projects and has determined that projects of this nature constitutes a Type II action, pursuant to Section 617.5(c)(1), (2), (20) and (27) of Title 6 of New York Code of Rules and Regulations ("NYCRR"), therefore, the Legislature has no further responsibilities under SEQRA.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP5371(Culverts Plan&Constr).doc".

TITLE OF BILL: APPROPRIATING FUNDS IN CONNECTION WITH IMPROVEMENTS TO THE SUFFOLK COUNTY FIRE RESCUE C.A.D. (CP 3416)

PURPOSE OR GENERAL IDEA OF BILL: Appropriate funds in the 2016 Capital Program for this project.

SUMMARY OF SPECIFIC PROVISIONS: N/A

JUSTIFICATION: Address regulatory requirements to ensure safe and effective emergency paging communication within the UHF Spectrum without risking the environment, ground and ground water. This phase will allow for straightening of the west end (phase I) and starting of the east end (phase II). This will provide an effective and reliable voice paging system for the County while replacing the current low band system, which is no longer supported within the industry.

FISCAL IMPLICATIONS: Serial bonds will be issued to fund this project in the amount of $1,500,000. Cost avoidance and efficiency saving will be noted within the reoccurring operational annual maintenance contracts for the low band paging system. There is gained advantage from this system that will reduce call through put times and provided redundancy.

RESOLUTION NO. -2016, CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF INCREASING AND IMPROVING FACILITIES FOR SUFFOLK COUNTY SEWER DISTRICT NO. 11 – SELDEN (CP 8117)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 11 – Selden; and

WHEREAS, the Suffolk County Sewer Agency is recommending an increase and improvement to Suffolk County Sewer District No. 11 – Selden, namely, sewer system; and

WHEREAS, pursuant to New York County Law Section 268, the Suffolk County Sewer Agency has prepared maps and plans pertaining to these proposed increases and improvements to the facilities of Suffolk County Sewer District No. 11 – Selden and has also prepared an estimate of the costs of such increases and improvements and has filed these documents, along with its recommendations and reports of its proceedings, with the County Legislature of the County of Suffolk; and

WHEREAS, it would appear that these increases and improvements are in the best interests of the people of Suffolk County; and

WHEREAS, it is now desirable to call a public hearing on the Map and Plan pursuant to Section 253 and 254 of the New York County Law; now therefore, be it

1st RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 12th day of April 2016, at 4:40 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Hauppauge, New York in said County, on 12th day of April 2016 at 4:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon the Map and Plan for the increases and improvements to the facilities of Suffolk County Sewer District No.
11 – Selden; in and about the Town of Brookhaven substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of the County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The public hearing is being held to address a proposed cost associated with the Map and Plan for the increase and improvement to the facilities of Sewer District No. 11 – Selden.

Notice of Cost

The cost of the increase and improvement to the facilities of Sewer District No. 11 – Selden is estimated at $1,750,000 as set forth in the Map and Plan.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer District No. 11 – Selden, since pursuant to the ASRF, all property owners in Suffolk County sewer districts experience a 3% annual increase regardless of any increases or improvements performed. In the case of Suffolk County Sewer District No. 11, the annual ASRF increase will result in an increase of approximately $13.00 per typical property within the District, regardless of additional funds necessary to complete the increase and improvement. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the Map and Plan that reflects the cost of the increases and improvements.

Copies of the map, engineering report, the public hearing report and the project summaries are available in the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear. Any questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County Department of Public Works.

Section 3. This resolution shall take effect immediately.

2nd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) Lead Agency, hereby finds and determines that this resolution constitutes a Type II Action pursuant to Title 6 NYCRR Part 617.5(c)(20) and (27) as the proposal involves the adoption of regulations, policies, procedures and local legislative decisions in connections with routine or continuing agency administration and management.

   Use of the ASRF stabilizes rate increases by 3% per year or approximately $13/year.

8. Proposed Source of Funding
   Sewer District Serial Bonds will be applied to the project cost, however, the ASRF will result in the project having no fiscal impact.

9. Timing of Impact
   No impact, however, the project financing will take place over 2017-2036.

TITLE OF BILL – Calling a Public Hearing for the Purpose of Increasing and Improving Facilities for Suffolk County Sewer District No. 11 – Selden (CP 8117)

PURPOSE OR GENERAL IDEA OF BILL – To provide funding from the Adopted 2016 Capital Program and Budget for the rehabilitation and replacement of various components of the sewer system for Sewer District No. 11.

SUMMARY OF SPECIFIC PROVISIONS – The sewer collection system including pumping stations and force mains will be rehabilitated. Various areas within the sewer district have required attention due to failure and potential failures in the past.

JUSTIFICATION – The aging sewer system requires rehabilitation and replacement of certain elements. Rather than perform these tasks under emergency conditions, it is proactive to evaluate the system and identify areas where improvements can be made.

FISCAL IMPLICATIONS – Although the financing will be done by Sewer District Serial Bonds, the Assessment Stabilization Reserve Fund will stabilize the rates maintaining the rate increases at 3% per year.

RESOLUTION NO. -2016, CALLING FOR A PUBLIC
HEARING FOR THE PURPOSE OF INCREASING AND
IMPROVING FACILITIES FOR SUFFOLK COUNTY SEWER
DISTRICT NO. 7 – MEDFORD (CP 8150)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 7 – Medford; and

WHEREAS, the Suffolk County Sewer Agency is recommending an increase and improvement to Suffolk County Sewer District No. 7 – Medford, namely, sewer system; and

WHEREAS, pursuant to New York County Law Section 268, the Suffolk County Sewer Agency has prepared maps and plans pertaining to these proposed increases and improvements to the facilities of Suffolk County Sewer District No. 7 – Medford and has also prepared an estimate of the costs of such increases and improvements and has filed these documents, along with its recommendations and reports of its proceedings, with the County Legislature of the County of Suffolk; and

WHEREAS, it would appear that these increases and improvements are in the best interests of the people of Suffolk County; and

WHEREAS, it is now desirable to call a public hearing on the Map and Plan pursuant to Section 253 and 254 of the New York County Law; now, therefore be it

1st
RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 12th day of April 2016, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Hauppauge, New York in said County, on 12th day of April 2016 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon the Map and Plan for the increases and improvements to the facilities of Suffolk County Sewer District No. 7
in and about the Town of Brookhaven substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of the County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The public hearing is being held to address a proposed cost associated with the Map and Plan for the increase and improvement to the facilities of Sewer District No. 7 – Medford.

Notice of Cost

The cost of the increase and improvement to the facilities of Sewer District No. 7 – Medford is estimated at $250,000 as set forth in the Map and Plan.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer District No. 7 – Medford, since pursuant to the ASRF, all property owners in Suffolk County sewer districts experience a 3% annual increase regardless of any increases or improvements performed. In the case of Suffolk County Sewer District No. 7, the annual ASRF increase will result in an increase of approximately $17.00 per typical property within the District, regardless of additional funds necessary to complete the increase and improvement. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the Map and Plan that reflects the cost of the increases and improvements.

Copies of the map, engineering report, the public hearing report and the project summaries are available in the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear. Any questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County Department of Public Works.

Section 3. This resolution shall take effect immediately.

RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) Lead Agency, hereby finds and determines that this resolution constitutes a Type II Action pursuant to Title 6 NYCRR Part 617.5(c)(20) and (27) as the proposal involves the adoption of regulations, policies, procedures and local legislative decisions in connections with routine or continuing agency administration and management.

RESOLUTION NO. -2016 CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF INCREASING AND IMPROVING FACILITIES FOR SUFFOLK COUNTY SEWER DISTRICT NO. 10 — STONY BROOK (CP 8175)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 10 — Stony Brook; and

WHEREAS, the Suffolk County Sewer Agency is recommending an increase and improvement to Suffolk County Sewer District No. 10 — Stony Brook, namely, sewer system; and

WHEREAS, pursuant to New York County Law Section 268, the Suffolk County Sewer Agency has prepared maps and plans pertaining to these proposed increases and improvements to the facilities of Suffolk County Sewer District No. 10 — Stony Brook and has also prepared an estimate of the costs of such increases and improvements and has filed these documents, along with its recommendations and reports of its proceedings, with the County Legislature of the County of Suffolk; and

WHEREAS, it would appear that these increases and improvements are in the best interests of the people of Suffolk County; and

WHEREAS, it is now desirable to call a public hearing on the Map and Plan pursuant to Section 253 and 254 of the New York County Law; now, therefore be it

1st RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 12th day of April 2016, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Hauppauge, New York in said County, on the 12th day of April 2016 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon the Map
and Plan for the increases and improvements to the facilities of Suffolk County Sewer District No. 10 – Stony Brook; in and about the Town of Brookhaven substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of the County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The public hearing is being held to address a proposed cost associated with the Map and Plan for the increase and improvement to the facilities of Sewer District No. 10 – Stony Brook.

**Notice of Cost**

The cost of the increase and improvement to the facilities of Sewer District No. 10 – Stony Brook is estimated at $250,000 as set forth in the Map and Plan.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer District No. 10 – Stony Brook, since pursuant to the ASRF, all property owners in Suffolk County sewer districts experience a 3% annual increase regardless of any increases or improvements performed. In the case of Suffolk County Sewer District No. 10, the annual ASRF increase will result in an increase of approximately $206 per typical benefited property (mode) while the increase in the median value parcel is approximately $17. These increases within the District are regardless of additional funds necessary to complete the increase and improvement. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the Map and Plan that reflects the cost of the increases and improvements.

Copies of the map, engineering report, the public hearing report and the project summaries are available in the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear. Any questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County Department of Public Works.

**Section 3.** This resolution shall take effect immediately.

**2\(^{nd}\) RESOLVED,** that this Legislature, being the State Environmental Quality Review Act (SEQRA) Lead Agency, hereby finds and determines that this resolution constitutes a Type II Action pursuant to Title 6 NYCRR Part 617.5(c)(20) and (27) as the proposal involves the adoption of regulations, policies, procedures and local legislative decisions in connections with routine or continuing agency administration and management.

7. Total Financial Cost of Funding over 5 Years on Each Affected Political or Other Subdivision.
   Use of the ASRF stabilizes rate increases by 3% per year or approximately $206/year for the 'mode' parcel and $17/year for the 'median parcel'.

8. Proposed Source of Funding
   Sewer District Serial Bonds will be applied to the project cost, however, the ASRF will result in the project having no fiscal impact.

TITLE OF BILL – Calling a Public Hearing for the Purpose of Increasing and Improving Facilities for Suffolk County Sewer District No. 10 – Stony Brook (CP 8175)

PURPOSE OR GENERAL IDEA OF BILL – To provide funding from the Adopted 2016 Capital Program and Budget for the rehabilitation and replacement of various components of the sewer system for Sewer District No. 10.

SUMMARY OF SPECIFIC PROVISIONS – The sewer collection system including pumping stations and force mains will be rehabilitated. Various areas within the sewer district have required attention due to failure and potential failures in the past.

JUSTIFICATION – The aging sewer system requires rehabilitation and replacement of certain elements. Rather than perform these tasks under emergency conditions, it is proactive to evaluate the system and identify areas where improvements can be made.

FISCAL IMPLICATIONS – Although the financing will be done by Sewer District Serial Bonds, the Assessment Stabilization Reserve Fund will stabilize the rates maintaining the rate increases at 3% per year.

RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 12th day of April 2016, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:
NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Hauppauge, New York in said County, on the 12th day of April 2016, at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for an amendment to the 2011 Map and Plan for the increases and improvements to the facilities of Suffolk County Sewer District No. 3 – Southwest; in and about the Towns of Babylon and Islip, substantially in accordance with the amended maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of the County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

Suffolk County Resolution Nos. 589-2009, 1046-2010, and 755-2011 found and determined that it was in the public interest to increase and improve the facilities of Sewer District No. 3 – Southwest. This engineering work has been initiated and has progressed with the sewer system rehabilitation in the near future. However, additional funds are needed to complete the work. The public hearing is being held to address a proposed cost amendment to the 2011 Map and Plan for the increase and improvement to the facilities of Sewer District No. 3 – Southwest.

Notice of Cost

The cost of the increase and improvement to the facilities of Sewer District No. 3 – Southwest has risen from an estimated cost of $13.5 million between 2008 and 2011 to an estimated cost of $15.5 million as set forth in the amended Map and Plan, an increase of $2 million in 2016.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer District No. 3 – Southwest, since pursuant to the Southwest Assessment Reserve Fund 405, all property owners in Suffolk County Sewer District No. 3 Southwest will have the rate stabilized regardless of any increases or improvements performed by this and other capital projects proceeding concurrently. The 2016 charge is approximately $692 per typical property. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the amendment of the 2011 Map and Plan to reflect an increase in the cost to the increases and improvements to the District.

Copies of the map, engineering report, the public hearing report and the project summaries are available in the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear. Any questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County Department of Public Works.

Section 3. This resolution shall take effect immediately.

2nd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) Lead Agency, hereby finds and determines that this resolution constitutes a Type II Action pursuant to Title 6 NYCRR Part 617.5(c)(20) and (27) as the proposal involves the adoption of regulations, policies, procedures and local legislative decisions in connections with routine or continuing agency administration and management.

TITLE OF BILL: Appropriating funds in connection with Beach Replenishment at Meschutt County Park (CP 7163)

PURPOSE OR GENERAL IDEA OF BILL: To approve and appropriate funds adopted in the 2016 Capital Budget to allow for beach replenishment at Meschutt County Park to protect the park’s facilities and infrastructure.

SUMMARY OF SPECIFIC PROVISIONS: This resolution appropriates the funds adopted in the 2016 Capital Budget in connection with beach replenishment (CP 7163).

JUSTIFICATION: The Department is responsible for the maintenance and protection of the shoreline at County beaches. This project provides funds for the purchase, transport and deposit of sand along the shoreline at Meschutt County Park. The beach and dune protect the licensee-operated concession stand onsite, as well as the restrooms, sanitary system, playground, storage building, and parking lot. Degradation or loss of the dune endangers these facilities and makes them more susceptible to wave and storm erosion.

FISCAL IMPLICATIONS: Serial Bonds will be issued to finance this project. Principal and interest costs will be incurred by the County over the life of the bonds.

RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW PROHIBITING THE DISTRIBUTION OF PLASTIC CARRYOUT BAGS USED IN RETAIL SALES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on ___________ 2016, a proposed local law entitled, "A LOCAL LAW PROHIBITING THE DISTRIBUTION OF PLASTIC CARRYOUT BAGS USED IN RETAIL SALES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW PROHIBITING THE DISTRIBUTION OF PLASTIC CARRYOUT BAGS USED IN RETAIL SALES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that data released by the United States Environmental Protection Agency shows that between 500 billion and 1 trillion plastic bags are consumed worldwide each year.

This Legislature further finds and determines that most plastic bags do not biodegrade; over time, the bags break down into smaller, more toxic petro-polymers which eventually contaminate soils and waterways.

This Legislature further finds that it is estimated that plastic bags account for over 10% of debris that washes up on the United States coastlines.

This Legislature also finds that plastic bags can have a devastating effect on wildlife; birds can become entangled in the bags and different species of sea life can die from ingesting plastic bags which they mistake for food.

This Legislature further finds that plastic shopping bags are made from polyethylene, a thermoplastic made from oil. Accordingly, reducing the use of plastic bags will decrease our dependence on foreign oil.

This Legislature finds that less than 1 percent of plastic bags are recycled, in part, due to the fact that it costs more to recycle a bag than to produce a new one.

This Legislature also finds that several nations around the world have banned or are moving towards banning the distribution of plastic bags and, eleven towns and villages in New York State have implemented a ban.
Therefore, the purpose of this local law is to prohibit retail stores in Suffolk County from providing plastic carryout bags to their customers.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

"PERSON" shall mean any natural person, firm, corporation, partnership or other organization or group however organized.

"PLASTIC CARRYOUT BAG" shall mean a single use plastic bag less than 2.25 mils thick that is provided to a customer at the point of sale.

"EXEMPT BAG" shall mean (1) a bag without handles used to carry produce, meats, dry goods or other non-prepackaged food items to the point of sale within a store or market or to prevent such food items from coming into direct contact with other purchased items; (2) a garment bag or large plastic bag with two openings that is used to transport clothing from a clothing retailer or garment cleaner such as a dry cleaner; (3) a bag provided by a pharmacy to carry prescription drugs.

"RETAIL SALES" shall mean the transfer to a customer of goods in exchange for payment occurring in retail stores, sidewalk sales, farmers' markets, flea markets and restaurants. The term "retail sales" does not include sales of goods at yard sales, tag sales, and other sales by residents at their homes.

"REUSABLE BAG" shall mean a bag with handles that is specifically designed and manufactured for multiple reuse and is: (1) made of cloth or other machine washable fabric; and/or (2) made of durable plastic that is at least 2.25 mils thick.

"RECYCLABLE PAPER BAG" shall mean a paper bag that (1) contains no old growth fiber; (2) is 100% recyclable overall and contains a minimum of 40% post-consumer recycles content; and (3) displays the words "Reusable" and "Recyclable" on the outside of the bag.

"STORE" shall mean any retail or wholesale establishment engaged in the sale of personal, consumer or household items including but not limited to drug stores, pharmacies, grocery stores, supermarkets, convenience food stores, or food markets that provide carry out bags to consumers.

Section 3. Prohibitions.

Any person engaged in retail sales is prohibited from providing plastic carry out bags and shall provide only reusable bags and/or recyclable paper bags as checkout bags to customers.

Section 4. Carryout bag fee.

Any person engaged in retail sales and providing recyclable paper bags or reusable bags to its customers shall charge a fee of $0.10 per recyclable paper bag and no less than $0.10 per reusable bag. All monies collected as a result of the carryout bag fee, shall be retained by the store.
Section 5. Exemptions.

(1) Exempt bags shall not be subject to the prohibition set forth in this law and no person shall be prevented from using a bag of any kind that they have brought with them for the purposes of carrying goods transferred as a result of a retail sale.

(2) No carryout bag fee shall be imposed on persons using as full or partial payment, a voucher or electronic benefits card issued under the Women, Infants and Children (WIC) or Temporary Assistance to Needy Families (TANF) support programs, or the federal Supplemental Nutrition Assistance Program (SNAP, also known as Basic Food), or the New York State supplemental nutrition program for women, infants and children.

Section 6. Enforcement.

This law shall be enforced by the Suffolk County Department of Health Services in accordance with the provisions of Article II, Section 760-200 et seq., of the SUFFOLK COUNTY SANITARY CODE.

Section 7. Rules and Regulations.

The Commissioner of the Department of Health Services is hereby authorized and empowered to promulgate rules and regulations necessary to enforce this law.

Section 8. Penalties for Offences.

MEMORANDUM OF SUPPORT

TITLE OF BILL: An act authorizing the use of Blydenburgh County Park and showmobile by the Cystic Fibrosis Foundation for its Great Strides Walkathon.

PURPOSE OR GENERAL IDEA OF THE BILL: The Cystic Fibrosis Foundation would like to hold its Great Strides Walkathon at Blydenburgh County Park in the Town of Smithtown.

SUMMARY OF SPECIFIC PROVISIONS: This legislation authorizes the use of Blydenburgh County Park by the Cystic Fibrosis Foundation for the purpose of hosting a fundraiser on Saturday, May 14, 2016, from 7:00 a.m. to 3:00 p.m. and the use of showmobile, with the use of the generator, on Saturday, May 16, 2016, from 9:00 a.m. to 1:00 p.m., subject to receipt of a Certificate of Insurance and accompanying declaration page by the County of Suffolk from the Cystic Fibrosis Foundation, and the payment of Six Hundred Dollars ($600.00) event fee and Six Hundred and Seventy-Five Dollars ($675.00) showmobile fee, and subject to such additional terms and conditions as may be required by the Risk Management and Benefits Division in the County Department of Law. The Foundation anticipates approximately 200 walkers. They will need to set up tables for registration and food/beverage distribution, a walk route, musical entertainment, trash receptacles, decoration and children's activities.

JUSTIFICATION: The Cystic Fibrosis Foundation — Long Island Chapter is a 501(c)(3), nonprofit, donor-supported organization having its principal place of business at 1 Huntington Quadrangle, Suite 2513, Melville, New York. Funds that are raised through Great Strides support research and patient care in an effort to continue extending the length and improving quality of life for people with Cystic Fibrosis. The Foundation funds more Cystic Fibrosis Research than any other organization, and nearly every Cystic Fibrosis drug available today was made possible because of the Foundation's support. Their focus is to support the development of new drugs to fight the disease, improve the quality of life for those with Cystic Fibrosis and ultimately find a cure. This event will generate One Thousand and Twenty-Five Dollars ($1025.00) in revenue for the County of Suffolk. In addition, the use of County property for a walkathon would promote and protect the public health and general welfare of the residents of Suffolk County.

TITLE OF BILL:
Authorizing the Conveyance of County-Owned Surplus Unused Right of Way Having a Suffolk County Tax Map Identification Number of District 0200 Section 663.00 Block 02.00 Lot 009.000 Fronting Two (2) Parcels of Land Having Suffolk County Tax Map Identification Numbers of District 0200 Section 663.00 Block 02.00 Lot 005.000 and District 0200 Section 663.00 Block 02.00 Lot 010.000 Pursuant to Section 125 of the New York State Highway Law

PURPOSE OR GENERAL IDEA OF BILL:
To convey surplus Suffolk County right of way (ROW) to the adjoining owner at fair market value for the sum of $63,000.00.

SUMMARY OF SPECIFIC PROVISIONS:
When roads are constructed, there are times that the County has acquired land in excess of final design and construction needs. Sometimes this additional land is used for future highway expansion. At other times, this land may not be suitable for modern highway purposes and simply creates landholder liability for the County.

In this matter, a certain segment of right of way (ROW) has being abandoned as surplus. Highway Law Section 125 requires that if the County can only sell this surplus ROW to the abutting owner.

The subject resolution will allow the County to sell this surplus ROW at fair market value for the sum of $63,000.00.

JUSTIFICATION:
Without the approval of the subject resolution, the County will continue to retain liability for an unneeded parcel and will receive no compensation for its sale.

FISCAL IMPLICATIONS:
The County will receive the sum of $63,000.00 as a result of this transaction.

TITLE OF BILL:
Authorizing the Transfer of Certain Properties from the Suffolk County Department of Public Works to the Suffolk County Department of Economic Development and Planning, Division of Real Property Acquisition and Management (Adjacent to SCTM 0200-56000-0400-002000 and 0200-56000-0400-003000)

PURPOSE OR GENERAL IDEA OF BILL:
To transfer jurisdiction of a surplus parcel of real property from the Suffolk County Department of Public Works to the Suffolk County Department of Economic Development and Planning, Division of Real Property Acquisition and Management.

SUMMARY OF SPECIFIC PROVISIONS:
The subject vacant parcel is surplus to the needs of the Suffolk County Department of Public Works and is a liability to the County in terms of maintenance and landholder liability. No other Department or Governmental Agency has expressed any interest in this parcel. This resolution allows the County to ultimately dispose of the subject parcel to the general public if so authorized by the Suffolk County Legislature and Suffolk County Executive.

JUSTIFICATION:
Without the approval of the subject resolution, the County will continue to retain liability for an unneeded parcel and will receive no compensation for its sale.

FISCAL IMPLICATIONS:
The County may ultimately receive fair market value from the sale to the general public as a result of this transaction.
MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E. Commissioner
DATE: February 3, 2016
RE: Authorizing the Transfer of Certain Properties from the Suffolk County Department of Public Works to the Suffolk County Department of Economic Development and Planning, Division of Real Property Acquisition and Management (Adjacent to SCTM 0200-56000-0200000 and 0200-56000-04000-0020000)

Attached is a draft resolution to transfer a surplus parcel of real property from the Suffolk County Department of Public Works to the Suffolk County Department of Economic Development and Planning, Division of Real Property Acquisition and Management.

When roads are constructed, there are times that the County has acquired land in excess of final design and construction needs. Sometimes this additional land is used for future highway expansion. At other times, this land may not be suitable for modern highway purposes and simply creates landholder liability for the County.

In this matter, the subject vacant parcel is surplus to the needs of the Department of Public Works and no other Department or Governmental agency has expressed interest in this parcel. This resolution will allow the County to ultimately sell the subject parcel to the general public, if so authorized by the Suffolk County Legislature and County Executive, and receive fair market value from the sale.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CR91 Transfer to Eco Dev.doc”.

Title of Resolution:
AMENDING THE ADOPTED RESOLUTION 252-2015, IN CONNECTION WITH A PILOT PROGRAM FOR THE INSTALLATION OF ALTERNATIVE WASTEWATER DISCHARGE SYSTEMS

PURPOSE OR GENERAL IDEA OF BILL:
This resolution amends adopted Resolution 252-2015 to allow SCDHS to complete the project that was previously assigned, under contract, to Peconic Green Growth.

SUMMARY OF SPECIFIC PROVISIONS:
This resolution specifies that Suffolk County Contract No. 16-ED-064 has been cancelled and that the project will be completed by Suffolk County Department of Health Services.

JUSTIFICATION:
The funding for this study was recommended at the March 13, 2015 meeting of the WQPRP Review Committee. It was deemed by the Committee to be a prudent and beneficial use of the ½% sales tax water quality funds. The purpose of the project is to install and evaluate the capacity of alternative discharge systems to replace leaching pits that are typically used on residential properties throughout Suffolk County.

FISCAL IMPLICATIONS
There is no fiscal impact to the General Fund. All funding will come from the existing ½% sales tax generated fund for water quality protection projects.

RESOLUTION NO. - 2016, ADOPTING LOCAL LAW NO. -2016, A CHARTER LAW TO ENSURE AGRICULTURAL REPRESENTATION ON THE PLANNING COMMISSION

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2016 a proposed local law entitled, "A CHARTER LAW TO ENSURE AGRICULTURAL REPRESENTATION ON THE PLANNING COMMISSION; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO ENSURE AGRICULTURAL REPRESENTATION ON THE PLANNING COMMISSION

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the State of New York authorized the creation of county and regional planning boards to encourage regional perspectives and planning on issues like economic development, environmental protection, transportation and housing.

This Legislature further finds that since its inception in 1970, the Suffolk County Planning Commission has played an important role in regional planning by reviewing site plans and zoning actions meeting certain jurisdictional requirements, establishing a Comprehensive Plan and recommending land use and planning policies to the County's towns and villages.

This Legislature also finds that state law provides that county planning boards should include members from a broad cross section of interests. Accordingly, the Suffolk County Charter mandates that environmental organizations, the real estate industry, organized labor and experts in transportation, workforce housing and municipal planning be represented on the Planning Commission.

This Legislature further determines that farming is an important part of Suffolk County's history and identity and agriculture continues to be an important industry in our County, vital to our local economy and quality of life.

This Legislature finds that agriculture is an important interest in Suffolk County and its future liability depends, to some degree, on planning decisions made at the local and regional levels. Accordingly, this Legislature concludes that Suffolk County's agricultural industry merits representation on the Suffolk County Planning Commission.
Therefore, the purpose of this law is to amend the Suffolk County Charter to ensure that agricultural interests are duly represented on the Suffolk County Planning Commission.

Section 5. SEQR A Determination.

RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW AMENDING CHAPTER 563 OF THE SUFFOLK COUNTY CODE TO PERMIT USE OF A GOVERNMENT ISSUED PASSPORT AS ACCEPTABLE PERSONAL IDENTIFICATION

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on 2016, a proposed local law entitled, "A LOCAL LAW AMENDING CHAPTER 563 OF THE SUFFOLK COUNTY CODE TO PERMIT USE OF A GOVERNMENT ISSUED PASSPORT AS ACCEPTABLE PERSONAL IDENTIFICATION"; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW AMENDING CHAPTER 563 OF THE SUFFOLK COUNTY CODE TO PERMIT USE OF A GOVERNMENT ISSUED PASSPORT AS ACCEPTABLE PERSONAL IDENTIFICATION

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature finds and determines that government issued passports are considered viable forms of personal identification by government entities, including by the United States Transportation Security Administration.

This Legislature also finds and determines that current Suffolk County law prohibits licensed dealers in second hand articles and licensed precious metal and gem exchange establishments from purchasing items from a person who is unable to produce photographic identification that contains such person's address.

This Legislature further finds that a government issued passport is a sufficient document for the purposes of proving identity, even though such passport does not include an address.

Therefore, the purpose of this law is to amend Chapter 563 of the LAWS OF SUFFOLK COUNTY to permit a government issued passport to serve as acceptable personal identification for sales to licensed dealers in second hand articles and licensed precious metal and gem exchange establishments.

Section 2. Amendments.
(1) An accurate account and description of the article or thing bought, including but not limited to the make, model, color and serial number when present.

(2) The amount paid for the article.

(3) The date of transaction.

(4) The name, home residence, date of birth, sex and race of the person selling the items.
