PURPOSE OR GENERAL IDEA OF BILL: A request for enabling local legislation to approve issuing Tax Anticipation Notes of the County for the upcoming fiscal year to meet cash flow needs.

SUMMARY OF SPECIFIC PROVISIONS: To issue tax anticipation notes for cash flow purposes to cover cash flow needs for fiscal 2017. The current 2017 estimated cash flow anticipates revenue of $410,000,000 in such tax anticipation notes.

JUSTIFICATION: Standard annual request for enabling local legislation to approve issuing Tax Anticipation Notes of the County as provided within the most current 2017 cash flow.

FISCAL IMPLICATIONS: The notes will be issued prior to December 31, 2016 for a term of approximately eight (8) months and will impact debt service in the 2017 operating budget. Estimated gross interest cost for the maturing note is estimated to be $5,261,667 ($410,000,000 X 2.00% gross coupon for 231 out of 360 days). It is anticipated that a reasonable premium will be bid by the underwriters and that the net interest cost may be approximately 1.25%. Interest rate estimates are based on current market rates and are subject to change.

RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW TO CLARIFY ITEM PRICING REQUIREMENTS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2016, a proposed local law entitled, "A LOCAL LAW TO CLARIFY ITEM PRICING REQUIREMENTS" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK
A LOCAL LAW TO CLARIFY ITEM PRICING REQUIREMENTS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that pursuant to local law, retail stores in Suffolk County are required to item price certain products, including food, paper goods, detergents, soaps, non-prescription drugs, health and beauty aids.

This Legislature further finds that Local Law 37-2008 authorized a program that allows retail stores to apply for a waiver from the County’s item pricing requirements. To obtain such a waiver, a store must meet a number of requirements that ensure consumers obtain clear, accurate pricing information and pay the correct price for goods at checkout. Stores must also pay a waiver fee that ranges from $500 to $15,000, depending on the square footage of the store.

This Legislature determines that the Department of Labor, Licensing and Consumer Affairs has this year, for the first time, sought to enforce the County’s item pricing law against hardware stores and paint stores.

This Legislature also finds that the County Legislature did not intend to cover hardware and paint stores when it enacted the item pricing law and the language of the existing statute does not appear to contemplate their inclusion within the law’s ambit.

This Legislature concludes that the County’s item pricing law should be amended to make clear that paint and hardware stores are not subject to the law’s requirements.

Therefore, the purpose of this law is to amend Chapter 542 of the SUFFOLK COUNTY CODE to clarify that hardware and paint stores are not subject to the County’s item pricing law.

RESOLUTION NO. -2016, ADOPTING LOCAL LAW NO. -2016, A LOCAL LAW TO FURTHER INCENTIVIZE THE CREATION OF AFFORDABLE HOUSING AND TO CLARIFY REQUIREMENTS FOR RESIDENTIAL DEVELOPMENTS CONNECTING TO A SEWER DISTRICT

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2016, a proposed local law entitled, "A LOCAL LAW TO FURTHER INCENTIVIZE THE CREATION OF AFFORDABLE HOUSING AND TO CLARIFY REQUIREMENTS FOR RESIDENTIAL DEVELOPMENTS CONNECTING TO A SEWER DISTRICT"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO FURTHER INCENTIVIZE THE CREATION OF AFFORDABLE HOUSING AND TO CLARIFY REQUIREMENTS FOR RESIDENTIAL DEVELOPMENTS CONNECTING TO A SEWER DISTRICT

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the lack of affordable housing is an impediment to economic growth in the County of Suffolk.

This Legislature further finds that the County of Suffolk has strived to create incentives that lead to the creation of affordable housing by private developers and not-for-profit agencies.

This Legislature determines that Local Law No. 20-2007 created such an incentive by providing that no residential development outside the geographical boundaries of a sewer district would be permitted to connect to such district unless 20% of the development units were affordable.

This Legislature finds that the County can and should strengthen affordable housing incentives by offering a reduction in sewer connection fees, commensurate with the number of affordable housing units being created.

This Legislature further finds that Local Law No. 20-2007 (codified in Chapter 740 of the SUFFOLK COUNTY CODE) should be amended to clarify that the affordable units of a residential development connecting to a County sewer district must be constructed onsite.

Therefore, the purpose of this law is to reduce connection fees, on a sliding scale basis, for residential housing developments located outside the geographical boundaries of a
sewer district that connect to such sewer district. Additionally, this law seeks to clarify the County’s policy on affordable housing as it relates to residential developments connecting to a sewer district by requiring that such housing be developed onsite.

Section 2. Amendments.

Section 740-45 of the SUFFOLK COUNTY CODE is hereby amended as follows:

§ 740-45. Connection by premises outside district.

   * * * *

C. Affordable housing considerations.

1. No contract between the Administrator and an applicant from outside the geographical boundaries of a district may be entered into unless, in the case of a residential housing development or a development that includes a residential component, which consists of 10 or more units only, the housing development or component is comprised of no less than [20]15% of units that are set aside for homebuyers or renters whose income does not exceed 120% of the HUD-established median income limit for the Nassau-Suffolk Primary Metropolitan Statistical Area (PMSA) adjusted by family size. The affordable units shall be constructed at the site of the development that is connecting to a County sewer district facility.

   * * * *

4. The normal connection fee for a residential housing development which satisfies these affordable housing requirements, set forth herein, shall be reduced in accordance with the following schedule:

**Section 3. Applicability.**

This law shall apply to residential housing projects that obtain formal approval from the Suffolk County Sewer Agency to connect to a County sewer district on or after the effective date of this law.

**Section 4. Severability.**

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

**Section 5. SEQRA Determination.**

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. PROPOSED LOCAL LAW YEAR 2016

TITLE: I.R. NO. -2016; A LOCAL LAW TO FURTHER INCENTIVIZE THE CREATION OF AFFORDABLE HOUSING AND TO CLARIFY REQUIREMENTS FOR RESIDENTIAL DEVELOPMENTS CONNECTING TO A SEWER DISTRICT

SPONSOR: LEGISLATOR CALARCO

DATE ADOPTED/NOT ADOPTED:  CERTIFIED COPY RECEIVED: 

Under current local law, no proposed residential housing development (consisting of ten or more units) located outside the boundaries of a County sewer district may connect to the sewer district unless 20% of the units are affordable.¹ This proposed local law would reduce the affordability threshold to 15%, i.e. 15% of the total units would have to be affordable before a sewer connection could be approved by the Sewer Agency and the County Legislature.

In addition, this law would reduce the normal fee charged residential housing developments connecting to a County sewer district (calculated under a formula set forth in Section 740-38 of the Suffolk County Code) based on the number of affordable units in the development. The fee reduction would range from 20% (when 20% of the units are affordable) to 100% (when 75% or more of the units are affordable).

Lastly, this proposed law would clarify an ambiguity in the existing statute and require that all projects participating in this program construct the affordable units at the site of the development that is connecting to a County sewer district.

This law will take effect upon its filing in the Office of the Secretary of State and apply to residential housing projects that obtain formal approval to connect to a County sewer district on or after that date.

Resolution Involves:

- [ ] Appropriation

- [x] Grant Award

Capital Project

- [ ] New Program
- [ ] Contract (New __Rev._)

Summary of Resolution benefits. $3,000 of grant funding will be used to provide training and supplies for Sheriff's personnel. This will allow the Sheriff's Office to implement and carry out its Child Passenger Safety Program. Furthermore it will provide public information and education, designed to save lives and to support the Sheriff's Office traffic safety initiatives. Child safety seats reduce the risk of fatal injury by 71% when used correctly, however misuse reduces effectiveness. More than 90% of child safety seats are used improperly. This Sheriff's Office will continue to address this issue by participating in the State's Child Passenger Safety Grant Program.

The Sheriff's Office will run a regularly scheduled child safety seat fitting station staffed by Deputy Sheriffs, who are trained as Child Safety Seat Technicians. These Technicians will inspect and/or install a child safety seat properly for those who visit the fitting station. The Sheriff's Office will also conduct several passenger safety seat events for the purpose of educating parents. Parents will learn more about child safety seats and proper installation from trained Deputy Sheriff Safety Seat Technicians.

The grant funding will enable the Sheriff's Office to continue this worthwhile public safety program.

MEMORANDUM OF SUPPORT

TITLE OF BILL:

Accepting and appropriating a grant in the amount of $3,000 from the New York State Governor’s Traffic Safety Committee (GTSC FY2017) Child Passenger Safety Program with 100% support for Sheriff’s Traffic Safety Initiative.

PURPOSE OR GENERAL IDEA OF BILL:

Grant funds will be used to provide training and supplies for Sheriff’s personnel. This will allow the Sheriff’s Office to implement and carry out its Child Passenger Safety Program and further provide public information and education, designed to save lives and to support the Sheriff’s Office traffic safety initiatives. Child safety seats reduce the risk of fatal injury by 71% when used correctly, however misuse reduces effectiveness. More than 90% of child safety seats are used improperly. This agency will continue to address this issue by participating in the State’s Child Passenger Safety Grant Program.

SUMMARY OF SPECIFIC PROVISIONS:

The Sheriff’s Office will run a regularly scheduled child safety seat fitting station staffed by Deputy Sheriffs, who are trained as Child Safety Seat Technicians. These Technicians will inspect and/or install a child safety seat properly for those who visit the fitting station. The Sheriff’s Office will also conduct several passenger safety seat events for the purpose of educating parents. Parents will learn more about child safety seats and proper installation from trained Deputy Sheriff Safety Seat Technicians.

JUSTIFICATION:

The $3,000 of grant funding will allow Sheriff’s Office personnel to receive continued training and needed supplies. This will allow the Sheriff’s Office to implement and carry out its Child Passenger Safety Program. Furthermore it will provide public information and education, designed to save lives and to support the Sheriff’s Office traffic safety initiatives. Child safety seats reduce the risk of fatal injury by 71% when used correctly, however misuse reduces effectiveness. More than 90% of child safety seats are used improperly. This agency will continue to address this issue by participating in the State’s Child Passenger Safety Grant Program.

Re: Child Passenger Safety Program, Request for Legislation  

The Sheriff’s Office is once again a successful applicant for the New York State Governor’s Traffic Safety Committee [GTSC], Child Passenger Safety Program With 100% Support for Sheriff’s Traffic Safety Initiative. The GTSC has made $3,000 in funds (GTSC FY2017) available to support the Sheriff’s Child Passenger Safety Program.

The Grant funds will be used to provide training and supplies for Sheriff’s personnel. This will allow the Sheriff’s Office to implement and carry out its Child Passenger Safety Program. Furthermore it will provide public information and education, designed to save lives and to support the Sheriff’s Office traffic safety initiatives. MEMORANDUM OF SUPPORT

TITLE OF BILL:
Accepting and Appropriating 62% State Aid Reimbursement Funds Awarded by the New York State office of Children and Family Services to the Suffolk County Department of Probation for the Supervision and Treatment Services for Juveniles Program (STSJP).

PURPOSE OR GENERAL IDEA OF BILL: To accept and appropriate funds in conjunction with NYS OCFS Supervision and Treatment Service for Youth Program (STSJP) for the State Fiscal Year 2015-16. The Suffolk County Department of Probation received approval for their Detention and Placement diversionary plan entitling the expenses under the plan to be reimbursed via State Aid funding at the rate of 62%. The resolution requests an increase of $140,700 in contractual expenses and the recognition of $496,434 in projected revenue. Three components of the plan have existed as fully funded County programs for many years and will now be eligible for reimbursement funding. These funds are not included in the 2016 Suffolk County Operating Budget.

SUMMARY OF SPECIFIC PROVISIONS: This Legislation requests the acceptance and allocation of $496,434 of revenues for the 2015-2016 State fiscal period. This funding will facilitate 62% reimbursement of projected program costs in the amount of $800,700. $1,362,185 in contracted costs is already a part of the 2015 and 2016 budgets at 100% county funding. The additional $140,700 in contracted expenses is requested to be allocated to contract agencies under Appropriation 3182.

JUSTIFICATION: Suffolk County has been allocated reimbursement funding for participation in the NYS STSJP program for the last four fiscal years and again for the 2015-16 State fiscal year. This funding is for counties to develop and enact diversionary programs for juveniles in an effort to reduce Detention and Placement costs and admissions. The plan submitted by the Probation Department was accepted including three current contracted programs and three alternative programs to be contracted for. The three existing Probation programs are eligible for reimbursement as alternatives to placement and detention and will no longer be 100% funded by the County.

MEMORANDUM OF SUPPORT

TITLE OF BILL: AUTHORIZING FUNDS TO UPGRADE THE PARATRANSIT RESERVATION SYSTEM FOR THE SUFFOLK COUNTY ACCESSIBLE TRANSPORTATION (SCAT) PROGRAM, AMENDING THE 2016 CAPITAL BUDGET AND PROGRAM AND ACCEPTING AND APPROPRIATING FEDERAL AND STATE AID (CP5659)

PURPOSE OR GENERAL IDEA OF BILL: Authorizes Department of Public Works to purchase upgrades to its Trapeze Pass paratransit reservation system.

SUMMARY OF SPECIFIC PROVISIONS: Authorizes Department of Public Works to purchase upgrades to its Trapeze Pass paratransit reservation system, authorizes County funds, amends capital program to include this project and accepts and appropriates federal and state aid.

JUSTIFICATION: Upgrades to the County's Trapeze Pass paratransit reservation system are necessary. New computer servers are needed as the current servers are at least 5 years old and need to be upgraded to support additional volume of users as well as AVL functionality, online reservations and payments, and spatial analysis. A new telephone system is needed as in order for the County to upgrade to the current version of Trapeze PASS software, the telephone system must migrate from SVP to GVP standards to meet Interactive Voice Response (IVR) requirements of the system. The current telephone system is no longer supported by the manufacturer and cannot be upgraded. In addition, new modules will be added to the Trapeze PASS paratransit reservation system allowing riders to pay for their trips online. Also, modules will be purchased that will help the County perform spatial analysis and comparison to fixed route travel times to aid in system planning and adherence to ADA standards. Telephone system software will allow for call monitoring to allow supervisors to review calls to the paratransit reservation line and call accounting to audit telephone wait times and availability.

FISCAL IMPLICATIONS: The total cost is estimated to be $500,000 with the federal, state and county shares being 80%, 10% and 10%, respectively, of the total project costs. Funds for this project are available under FTA grant NY-2016-030-00.

The current servers are at least 5 years old and need to be upgraded to support additional volume of users as well as AVL functionality, on line reservations and payments, and spatial analysis. A new telephone system is needed as in order for the County to upgrade to the current version of Trapeze PASS software, the telephone system must migrate from SVP to GVP standards to meet Interactive Voice Response (IVR) requirements of the system. The current telephone system is no longer supported by the manufacturer and cannot be upgraded. Telephone system software will allow for call monitoring to allow supervisors to review calls to the paratransit reservation line and call accounting to audit telephone wait times and availability.

The total cost is estimated to be $500,000 with the federal, state and county shares being 80%, 10% and 10%, respectively, of the total project costs. Funds for this project are available under FTA grant NY-2016-030-00.

TITLE OF BILL: Amending the 2016 Capital Budget and Program and Appropriating Additional Funds in Connection with Accepting a 100% Reimbursable Grant from the US Department of Housing and Urban Development – Community Development Block Grant Disaster Recovery Program for Improvements to CR 12, Oak Street and Authorizing the County Executive to Enter into an Agreement to Accept this Grant (CP 5575)

PURPOSE OR GENERAL IDEA OF BILL: The County is in receipt of a 100% reimbursable grant from the Governor’s Office of Storm Recovery’s (GOSR) Community Development Block Grant – Disaster Recovery (CDBG-DR) Program. Resolution 1162-2015 appropriated $7,505,302 for this project. A public Letting was held on June 30, 2016, with the lowest responsible bidder’s amount being above the engineer’s estimate and the appropriated funding. Additional funding has been identified through CDBG-DR program.

The portion of CR 12, Oak Street that will be improved was constructed in the 1950’s and requires extensive rehabilitation to alleviate drainage deficiencies with repairs/replacement of culverts and drainage structures, as well as improvements to traffic signals and replacement and/or installation of curb, sidewalk and enhanced pavement markings. This project will improve both the surface and the structural condition of the road and will significantly extend the life of this roadway.

SUMMARY OF SPECIFIC PROVISIONS: the County has received a grant to cover 100% of the cost for construction of this project. Procedures require that the County pass a resolution and have local and State contracts in place prior to final authorization and before advancing to project contract and construction.

JUSTIFICATION: These funds enable Suffolk County Department of Public Works to execute construction and construction inspection contracts to begin this project.

FISCAL IMPLICATIONS: Bonds will be issued to finance this project and principal and interest costs will be incurred over the life of the Bonds.

2016 INTERGOVERNMENTAL RELATIONS MEMORANDUM OF SUPPORT

TITLE OF BILL: Appropriating 100% federal pass-through grant funds, from the NYS Division of Homeland Security and Emergency Services (DHSES), in the amount of $140,000 for the “Urban Area Security Initiative (UASI)” to the Suffolk County Department of Fire, Rescue and Emergency Services (FRES), for the updating of the County All Hazards Comprehensive Emergency Management Plan and to execute grant related agreements.

PURPOSE OR GENERAL IDEA OF BILL: Would allow federal pass-through funding from the 2015 and 2016 Urban Area Security Initiative (UASI) funding to local jurisdictions towards the cost of updating All Hazards Comprehensive Emergency Management Plan (CEMP).

SUMMARY OF SPECIFIC PROVISIONS: To accept NYS DHSES funding towards the cost of updating the currently outdated Suffolk County All Hazards Comprehensive Emergency Management Plan (CEMP) and to authorize the County Executive to enter into these agreements.

JUSTIFICATION: The current Suffolk County All Hazards Comprehensive Emergency Management Plan has been in place since its adoption on March 22, 2005 and needs to be updated. Suffolk County has experienced the effects of seven (7) federally declared disasters since 2007 which, when combined, totaled over a $1 billion in damages. These events have emphasized the need for an up to date All Hazards Comprehensive Emergency Management Plan (CEMP) which would align the towns, county, state and federal governments, to guide operational efforts in emergency response and disaster recovery phases. The ten Towns of Suffolk County and the two Tribal Nations have indicated they will join with Suffolk County in the planning process to develop an All Hazards Comprehensive Emergency Management Plan (CEMP) that will be administered through the NYS Department of Homeland Security and Emergency Services (DHSES).

Enclosed for further processing is an introductory resolution and supporting documents to authorize the appropriation of grant funds for the updating of the current Suffolk County All Hazards Comprehensive Emergency Management Plan (CEMP) and for authorization of the County Executive to execute related agreements.

This resolution, if passed, would allow federal pass-through funding from the 2015 and 2016 Urban Area Security Initiative (UASI) funding to local jurisdictions towards the cost of updating said CEMP.

RESOLUTION NO. 2016, AUTHORIZING FUNDING OF INFRASTRUCTURE IMPROVEMENTS AND OVERSIGHT OF REAL PROPERTY UNDER THE SUFFOLK COUNTY AFFORDABLE HOUSING OPPORTUNITIES PROGRAM (PECONIC CROSSING)

WHEREAS, Local Law No. 13-2000 as amended in its entirety by Local Law No. 17-2004, known as Suffolk County Administrative Code ("SCAC") Article XXXVI, as amended, found and determined that there was a need for the County to provide assistance in creating affordable housing and established the Suffolk County Affordable Housing Opportunities Program; and

WHEREAS, the County Department of Economic Development and Planning, the Town of Riverhead together with the Community Development Corporation of Long Island, a New York not-for-profit corporation and Conifer Realty, LLC (the "Developers") have identified a site in the County of Suffolk which would be appropriate for development as affordable housing and is identified by Suffolk County Tax Map Number: 0600-128.00-03.00-068.002 (the "Subject Premises"); and

WHEREAS, the affordable housing development will be known as Peconic Crossing and contemplates the construction of 45 affordable rental units, as more particularly described in Exhibit 1 attached hereto; and

WHEREAS, the Subject Premises will require infrastructure improvements to facilitate the construction of the affordable housing development and, in connection therewith, the Developers have requested infrastructure funding from the County in the amount of up to Three Hundred and Fifty Thousand ($350,000) Dollars; and

WHEREAS, the Developers and the County are negotiating the terms of a Development Agreement, which shall be executed; and

RESOLVED, that the Suffolk County Legislature, on behalf of the County, hereby finds and determines that the development of Peconic Crossing meets the requirements of the Suffolk County Affordable Housing Opportunities Program and the need to fill the critical shortage of affordable housing in the County and, accordingly, authorizes the development of
Peconic Crossing and the requested funding thereof in the amount of up to Three Hundred and Fifty Thousand ($350,000) Dollars for infrastructure improvements in accordance with the Development Plan; and be it further

2nd RESOLVED, that the County Executive, the Department of Economic Development and Planning, its Commissioner, its Director of Real Estate and the County Attorney are authorized, empowered and directed to negotiate, execute and deliver the Development Agreement, and each other document contemplated to be executed and delivered in connection therewith, with such changes thereto as may be necessary or desirable, consistent with the Development Plan, in order to effectuate this overall affordable housing project and transactions contemplated hereby; and be it further

3rd RESOLVED, that the County Executive, the Department of Economic Development and Planning, its Commissioner, its Director of Real Estate and the County Attorney are authorized, empowered and directed to take such further actions and execute such additional documents as may be necessary or desirable, consistent with the Development Plan, in order to effectuate the purposes and intent of the foregoing resolution, including, but not limited to, payment of expenses such as costs associated with surveys, appraisals, environmental audits, title reports and insurance; and be it further

4th RESOLVED, that, subject to the terms of the fully executed Development Agreement, the County Comptroller and County Treasurer are hereby authorized to reserve and pay up to Three Hundred and Fifty Thousand ($350,000) Dollars in connection with infrastructure costs associated with the development of Peconic Crossing from previously appropriated funds in Capital Project No. 525-CAP-6411.313; and be it further

5th RESOLVED, the Planning Board of the Town of Riverhead, as lead agency, on October 1, 2015, issued a negative SEQRA declaration which completed the environmental review; and further the negative declaration issued by the Planning Board of the Town of Babylon is binding on the County, as an involved agency, pursuant to Title 6 of the New York Codes, Rules and Regulations (NYCRR) § 617.6 (B) (3) (III) and, therefore, SEQRA is complete.

RE: Peconic Crossing

Dear Ms. Ward:

Conifer Realty and CDCLI are pleased to present you with an application for infrastructure funding. This application for a 100% affordable housing community, Peconic Crossing, is located in Riverhead, New York. The building will include a Gallery/Studio space on Main Street as well as other amenities. In addition, upgrades to the bulkhead and the public boardwalk along the Peconic River are also incorporated in the plan and will complement the public improvements at Grangebel Park.

Peconic Crossing has been redesigned several times as it made its way through the planning process with the Town. What has emerged is a building with a unique and contemporary but complementary façade that will enhance the revitalization of Downtown Riverhead. The arts component will reinforce Riverhead’s role as the “Center for the Arts” on Long Island’s East end. We have been working with East End Arts on programming ideas and establishing the criteria for artists. Peconic Crossing will have a wait list preference for artists.

The changes in scope and timing on the project, though all positive in the end, have resulted in significant increased project costs. Therefore, as you can imagine, obtaining County funds is critical to the feasibility of this project.
Please let me know if we can provide you with any additional information. We very much appreciate your time and want to thank you in advance for your consideration.

Sincerely,

Allen Handelman
Vice President

TITLE OF BILL: Amending the 2016 Capital Budget and appropriating funds in connection with Historic Restoration and Preservation Fund (CP 7510).

PURPOSE OR GENERAL IDEA OF BILL: To appropriate the funds adopted in the 2016 Capital Budget for this Capital project.

SUMMARY OF SPECIFIC PROVISIONS: This resolution appropriates the funds adopted in the 2016 Capital Budget in connection with purchases and improvements associated with the Historic Restoration and Preservation Fund (CP 7510); specifically for work associated with the Cedar Point County Park Lighthouse structure.

JUSTIFICATION: This resolution will allow the Department to continue its ongoing efforts to stabilize, restore, and preserve the significant number of historic buildings and structures that are owned by the County. The Parks Department’s Division of Historic Services has a list of over 215 buildings and structures that require varying degrees of upkeep, repair, and restoration. These properties and structures have been acquired by the County over many years and it has a fiduciary responsibility to the taxpayers to maintain them.

The funds from this appropriation will be dedicated to the restoration of the Cedar Point County Park Lighthouse.

FISCAL IMPLICATIONS: Serial Bonds will be issued to finance this project. Principal and interest costs will be incurred by the County over the life of the bonds.
Enclosed please find a draft resolution and supporting documentation relative to the above-captioned. An e-mail version of this resolution was sent to CE RESO REVIEW under the file name “RESO-PKS-Amending the 2016 Capital Budget and Appropriating Funds for Historic Restoration and Preservation Fund (CP 7510).doc.”

The 2016 Adopted Capital Budget includes $500,000 for construction for Historic Restoration and Preservation. This resolution seeks to amend the Budget in order to appropriate $100,000 into planning and the remaining $400,000 into construction. This funding will be used to further the stabilization and restoration efforts of the Parks Department at the Cedar Point County Park Lighthouse.

Should you require anything further, please contact my office at 4-4984.

Re: Technical Corrections to Adopted Resolution 533-2016  

As you are aware, the County Legislature has adopted and the County Executive has signed Resolution No. 533-2016, “Accepting and appropriating Federal pass-through grant funds from the NYS Division of Homeland Security and Emergency Services (DHSES) in the amount of $50,000 for “Operation Shield 2016 to be administered by the Suffolk County Sheriff’s Office in partnership with the Suffolk County Police Department, the East End Marine Task Force and various other Federal, State and Local agencies, and to execute related agreements with 100% support”.

Resolution 533-2016 when originally adopted contained certain technical errors, in that the section containing employee benefits (EMP) appropriations did not separate benefits/fringes for the Sheriff’s Office (SHF) and the Suffolk County Police (POL). It is therefore requested that the Clerk of the Legislature make said technical corrections to Resolution 533-2016 as stated above and outlined in the new amended resolution. Note: This is a technical correction only and does not affect overall budgetary amounts.

An e-mail version of the resolution was sent to CE RESO REVIEW, saved under the title “RESO-SHF-Operation Shield FY2016 technical correction (final)”

We request that this resolution be laid on the table at your earliest convenience.

Thank You.

Attorney General

Office of the State Comptroller
NEW YORK STATE
CIGARETTE STRIKE FORCE
MEMORANDUM OF UNDERSTANDING

The participating agencies hereto agree to participate in the New York State Cigarette Strike Force ("Strike Force") according to the following terms and conditions:

WHEREAS, the State of New York ("State"), the Department of Taxation and Finance ("DTF") and all participating agencies in this Strike Force share a strong interest in robust enforcement of Articles 20 and 20-A of the Tax Law, effective deterrence so as to increase voluntary compliance with those laws, and the recovery of revenues properly due the State and other units of government; and

WHEREAS, the goal of this MOU is to stop the influx of counterfeit and untaxed cigarettes into New York State and trace the illicit proceeds; and

WHEREAS, the State desires to create the "New York State Cigarette Strike Force" to provide a broad-based, multi-jurisdictional approach to the problem of illegal cigarette trafficking to accomplish this goal. The Strike Force is intended to increase the intelligence knowledge of law enforcement by utilizing the most up-to-date investigative tools available and partnering with Federal, State, and Federal Law enforcement agencies to gain the collective benefit of their unique experience.

WHEREAS, the mission of the Strike Force is to disrupt and dismantle major cigarette trafficking organizations within New York State by reducing the availability of illegal cigarettes and tobacco.

Now, THEREFORE, DTF and all participating agencies hereby agree as follows:

I. Purpose and principles

This agreement is intended to set forth roles and responsibilities, as between the State, DTF, and all participating agencies, with respect to the investigation of the influx of counterfeit and untaxed cigarettes into New York State and to trace the illicit proceeds which can adversely affect government revenues.

II. Definition of terms

A. “Participating Agency” or “parent agency” shall mean any law enforcement agency that signs on to this memorandum of understanding.

B. “Member” shall mean any investigator assigned to the Strike Force.

III. Assignment of Personnel

The Strike Force will consist of Federal, State, and Local law enforcement personnel. All participating agencies will assign personnel to the Strike Force. All participating agencies agree to assign experienced officers to the Strike Force.
A participating agency will provide only investigators from its agency in good standing. Before an Investigator begins his or her assignment with the Strike Force, DTF must receive a letter stating that the investigator is in good standing and has no pending disciplinary investigations.

IV. Strike Force Leadership

The Criminal Investigations Division (CID) of DTF will assign a Chief Investigator (Chief) to function as the head of the Strike Force.

The Strike Force Chief Investigator will report to the Deputy Director of Investigations from CID. The Deputy Director of Investigations shall report to the Director of Investigations.

The Chief will be responsible for the management, supervision and coordination of all investigatory and operational activities of the Strike Force.

All assigned personnel from participating agencies will be under the direct control of the Strike Force chain of command while assigned to the Strike Force.

Special assignments will be based on general priorities established by the Chief under the direction and control of the Director of Investigations.

V. Operational/Support Procedures

The Strike Force will comply with the policies and procedures of CID.

All members of Federal, State, and Local law enforcement agencies assigned to the Strike Force will adhere to these policies and procedures. Failure to comply with any of these policies and procedures will be grounds for disciplinary review by the parent agency concerned.

All complaints, allegations, or information relative to misconduct or breaches of integrity involving Strike Force personnel, while in performance of Strike Force duties, will be reviewed by the Chief, and investigated in accordance with the rules and guidelines of DTF. The parent agency of an individual whose conduct is being reviewed will be notified of the specific allegations made by the Chief to allow the agency to evaluate the allegations and decide if it wishes to participate in the inquiry. If the parent agency wishes to participate, it shall notify the Chief of its desire within 3 days of receiving notification of a pending inquiry.

It is understood and expected that the investigation may also be conducted by one or more participating agencies' respective internal investigating bodies, or its designees. It is understood that this policy is flexible and that initial decisions with respect to who will investigate allegations are not binding and are subject to re-evaluation as dictated by circumstances which may be disclosed during the course of an inquiry. In the event of a "founder" complaint, all determinations of financial liability and/or disciplinary action will be made by the parent agency of the member(s) concerned.
In instances of damage or loss of government property, as defined by DTF, the
parent agency will be held financially liable for the action of its member.

VI. **Referrals**

When an investigation is conducted by CID and if a violation of the criminal tax law
is found, a referral pursuant to the Executive Law or the County Law may be sent to
the appropriate prosecutorial agency.

VII. **Investigative Procedures**

All reporting systems and investigative and administrative procedures will be
consistent with those currently utilized by CID.

The use of technical investigative aids and reporting procedures will be consistent
with CID policies and procedures. The monitoring of electronic surveillance and
other technical investigative activity will be conducted at the direction of the
Director of Investigations.

All cigarette and forensic evidence acquired as a result of Strike Force investigations
will be submitted to CID for storage. Requests for forensic analysis will be referred
to the Director of Investigations. Analysis will be conducted at a qualified forensic
laboratory at the direction of Director of the Investigations.

VIII. **Public Statements**

All statements, press releases, press conferences, and any other documents
describing projects or programs of the Strike Force must be issued in conjunction
with DTF.

IX. **Procurement**

All requests for proposals and bid solicitations of the Strike Force must be conducted
in conjunction with DTF.

X. **Forfeiture of Seized Assets**

Assets seized during Strike Force investigations may be forfeited and will be shared
equitably among participating agencies in the Strike Force. Federal law will be
followed if assets are forfeited.

X. **Distribution of Federal Equitable Sharing Funds**

DTF will make cash transfers of equitable sharing funds it has received to
participating agencies to support such agencies’ participation in the Strike Force,
pursuant to Strike Force budgets agreed upon by such agencies and DTF. In order to
receive a cash transfer of shared funds, each participating agency must be in
compliance with the Agreement, Certification and Audit provisions of the Guide to
Equitable Sharing for State and Local Law Enforcement Agencies issued by the
Asset Forfeiture and Money Laundering Section, Criminal Division, U.S.
Department of Justice. DTF will be responsible for verifying that each participating
agency is eligible to receive sharing funds.

All cash transfers must be used in accordance with the permissible use provisions of the Guide to Equitable Sharing for State and Local Law Enforcement Agencies and must be reported on the Equitable Sharing Agreement and Certification forms filed by DTF and the recipient agencies. Equitable sharing funds generally may not be used to pay the salaries and benefits of current, permanent law enforcement personnel; a participating agency may, however, use equitable sharing funds to pay the salary and benefits of a law enforcement officer hired to replace an officer that is assigned to a task force for a period of at least one year or the life of the Strike Force so long as the replacement officer does not engage in the seizure of assets or narcotics law enforcement as a principal duty.

XII. Tax Secrecy

Any personnel from participating agencies assigned to the Strike Force will not have access to any tax information protected by tax secrecy laws.

XIII. Effective Date

This Memorandum of Understanding (hereinafter “MOU” or “Agreement”) shall be effective as to each party on the date of its signature and will remain in effect until such time as the participating agencies enter a new MOU, revise this MOU in writing and by the mutual consent of all participating agencies, or rescind this MOU with 90-day prior written notice to all parties.

MEMORANDUM OF SUPPORT

TITLE OF BILL: Accepting and appropriating a grant in the amount of $19,546 from the New York State Governor’s Traffic Safety Committee (GTSC FFY2017) Police Traffic Services (PTS) Program Grant with 100% support for the Sheriff’s Traffic Safety Initiative.

PURPOSE OR GENERAL IDEA OF BILL:
Grant funding in the amount of $19,546 will be used to participate in the statewide Police Traffic Services (PTS) Program. The goal is to increase seat belt usage and reduce aggressive, speeding, distracted and other dangerous driving behaviors in an effort to reduce serious injury and death from traffic crashes.

SUMMARY OF SPECIFIC PROVISIONS:
The Sheriff’s Office will participate in the Governor’s Traffic Safety Committee (GTSC) Federal Fiscal Year 2017 Police Traffic Services (PTS) Program which incorporates planned enforcement activities targeting identified crash causing traffic violations and/or behaviors at their specific times and places of occurrence and active enforcement of the State’s seat belt and child restraint laws.

JUSTIFICATION:
Over the past several decades New York has implemented laws and programs to impact highway safety and has experienced reductions in the number of serious injuries and fatalities due to motor vehicle crashes. Despite this success, the consequences of motor vehicle crashes continue to be a problem in New York State. A large percentage of these traffic crashes can be directly attributed to aggressive, speeding, distracted and other dangerous driving behaviors. In addition, motor vehicle occupants who are properly restrained in a motor vehicle crash have a better chance of survival with less serious injuries than those who are unrestrained. Directed traffic law enforcement is the proven key to reducing these dangerous behaviors, motor vehicle crashes and their tragic results.

Re: Police Traffic Services Program, Request for Legislation

The Sheriff’s Office is a successful applicant for the New York State, Governor’s Traffic Safety Committee [GTSC], Police Traffic Services Program with 100% Support for the Sheriff’s Traffic Safety Initiative. The GTSC has made $19,546 in (GTSC FFY2017) funds available for the Sheriff’s Office Police Traffic Services Program.

The Sheriff’s Office agrees to participate in the Governor’s Traffic Safety Committee FFY 2017 statewide Police Traffic Safety Program with the goal to increase seat belt usage and reduce aggressive, speeding, distracted and other dangerous driving behaviors in an effort to reduce serious injury and death from traffic crashes.

The Sheriff’s Office will use a portion of the funding to participate in the statewide Buckle Up New York (BUNY) campaign, Operation Safe Stop (School Bus Safety) programs, and to summons aggressive drivers. These activities will be carried out by highly visible enforcement to reduce crashes and promote safe driving.

Grant funding will help to implement and carry out the Sheriff’s Office Traffic Safety Initiative.

An e-mail version of the resolution was sent to CE RESO REVIEW, saved under the title “Reso-SHF-PTS 2017” with 100% Support for the Sheriff’s Traffic Safety Initiative”. Mr. Steven Bellone
County of Suffolk
100 Veterans Memorial Highway
Hauppauge, NY 11788

Dear Mr. Bellone:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

Ensuring Access to Federally Assisted Programs

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at http://ojp.gov/about/ocr/vawafaq.htm.

Enforcing Civil Rights Laws

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.
Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website http://www.lep.gov.

Ensuring Equal Treatment for Faith-Based Organizations

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, requires State Administering Agencies (SAAs) to treat faith-based organizations the same as any other applicant or recipient. The regulation prohibits SAAs from making awards or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(c); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

Using Arrest and Conviction Records in Making Employment Decisions

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at http://www.ocr.usdoj.gov/about/ocr/pdfs/UseConviction_Advisory.pdf. Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOPs) (see below).

Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), 205(c)(5)).
Meeting the EEOP Requirement

If your organization has less than fifty employees or receives an award of less than $25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf.

If your organization is a government agency or private business and receives an award of $25,000 or more, but less than $500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to the OCR. The Certification Form is available at http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf.

If your organization is a government agency or private business and has received an award for $500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to the OCR for review within sixty days from the date of this letter. For assistance in developing a Utilization Report, please consult the OCR's website at http://www.ojp.usdoj.gov/about/ocr/eeop.htm. In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-6690, by TTY at (202) 307-2027, or by e-mail at EEOsubmission@usdoj.gov.

Meeting the Requirement to Submit Findings of Discrimination

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

Ensuring the Compliance of Subrecipients

SAAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see http://www.ojp.usdoj.gov/funding/other_requirements.htm.

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

Sincerely,

Michael L. Alston
Director

OJP FORM 4000/2 (REV. 5-87) PREVIOUS EDITIONS ARE OBSOLETE.

OJP FORM 4000/2 (REV. 4-88)
SPECIAL CONDITIONS

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this 2016 award from the Office of Justice Programs (OJP).

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2016 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2016 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the Office of Justice Programs (OJP) website at http://ojp.gov/funding/Part200UniformRequirements.htm.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. Compliance with DOJ Grants Financial Guide

The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

3. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP’s approval of the "Change Grantee Contact" (GAN) (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at http://www.ojp.gov/training/fmtd.htm. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.
SPECIAL CONDITIONS

4. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(c), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

5. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or CVV, as appropriate) in writing of the potential duplication, and, if so requested by DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

6. Requirements related to System for Award Management and Unique Entity Identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at http://www.sam.gov. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at http://ojp.gov/funding/Explore/SAM.htm (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

7. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at http://ojp.gov/funding/Explore/SubawardAuthorization.htm (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.
SPECIAL CONDITIONS

8. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed $150,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, $150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP website at http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed $150,000), and are incorporated by reference here).

9. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP website at http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

10. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").

11. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

12. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at http://ojp.gov/funding/ojptrainingguidingprinciples.htm.
**SPECIAL CONDITIONS**

13. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

14. The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

15. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

16. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at http://www.ecfr.gov/cgi-bin/ECFR?page=browse), by browsing to Title 28-Judicial Administration, Chapter I, Part 38, under e-CFR "current" data.

17. Restrictions on "lobbying"

Federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government.

Should any question arise as to whether a particular use of Federal funds by a recipient (or subrecipient) would or might fall within the scope of this prohibition, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.
SPECIAL CONDITIONS

18. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

19. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by -- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W. Room 4706, Washington, DC 20530; (2) e-mail to: oig.hotline@usdoj.gov; and/or (3) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at http://www.usdoj.gov/oig.
SPECIAL CONDITIONS

20. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
SPECIAL CONDITIONS

21. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

22. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

23. The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

24. The recipient agrees to comply with applicable requirements to report first-tier subawards of $25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at http://ojp.gov/funding/Explore/FFATA.htm (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

25. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.
26. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.ojp.gov/gsp_grantcondition. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

27. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

28. The recipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Recipient may not satisfy such a fine with federal funds.

29. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtaining of Institutional Review Board approval, if appropriate, and subject informed consent.

30. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, section 22.23.

31. Award recipients must verify Point of Contact (POC), Financial Point of Contact (FPoC), and Authorized Representative contact information in GMS, including telephone number and e-mail address. If any information is incorrect or has changed, a Grant Adjustment Notice (GAN) must be submitted via the Grants Management System (GMS) to document changes.

32. The grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfl.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfl.org).

33. The recipient agrees to participate in BJA-sponsored training events, technical assistance events, or conferences held by BJA or its designees, upon BJA's request.
SPECIAL CONDITIONS

34. Approval of this award does not indicate approval of any consultant rate in excess of $650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.

35. The grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

a. New construction;
b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at http://www.ojp.usdoj.gov/BJA/resource/nea.html, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee’s Existing Programs or Activities: For any of the grantee’s or its subgrantees’ existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

36. The recipient is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the grant funds in the trust fund (including any interest earned) during the period of the grant and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to the Office of Justice Programs at the time of closeout.

37. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.
SPECIAL CONDITIONS

38. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (http://nij.gov). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm.

39. The recipient agrees to submit a signed certification that all law enforcement agencies receiving vests purchased with JAG funds have a written “mandatory wear” policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

40. The recipient agrees to monitor subawards under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the DOJ Financial Guide, and to include the applicable conditions of this award in any subaward. The recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

41. The recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.

42. Award recipients must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through GMS (https://grants.ojp.usdoj.gov). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. Therefore, quarterly performance metrics reports must be submitted through BJA's Performance Measurement Tool (PMT) website (www.bjapositioningtools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG Reporting Requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

43. Any law enforcement agency receiving direct or sub-awarded JAG funding must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

44. BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to your My BJA account at https://www.bja.gov/Login.aspx to access the Success Story Submission form. If you do not yet have a My BJA account, please register at https://www.bja.gov/profile.aspx. Once you register, one of the available areas on your My BJA page will be "My Success Stories". Within this box, you will see an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the new BJA Success Story web page at https://www.bja.gov/SuccessStoryList.aspx.

45. Recipient understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions may be accessed here: https://www.bja.gov/funding/JAGControlledPurchaseList.pdf.
SPECIAL CONDITIONS

46. The recipient understands that, pursuant to recommendation 2.1 of Executive Order 11688, law enforcement agencies that acquire controlled equipment through Federal programs must adopt robust and specific written policies and protocols governing General Policing Standards and Specific Controlled Equipment Standards. General Policing Standards includes policies on (a) Community Policing; (b) Constitutional Policing; and (c) Community Input and Impact Considerations. Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment; (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. Upon OJP's request, the recipient agrees to provide a copy of the General Policing Standards and Specific Controlled Equipment Standards, and any related policies and protocols.

47. Recipient understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency's inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and make that information available to BJA upon request. Details about what information must be collected and retained may be accessed here: https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wg_final_report_final.pdf.

48. Recipient understands and agrees that failure to comply with conditions related to Prohibited or Controlled Expenditures may result in a prohibition from further Controlled Expenditure approval under this or other federal awards.

49. Recipient understands and agrees that award funds may not be used for items that are listed on the Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure list may be accessed here: https://www.bja.gov/funding/JAControlledPurchaseList.pdf.

50. Recipient understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:

a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award funds for the initial purchase of items on the Controlled Expenditure List.

b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.

c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

Recipient further understands and agrees to notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased under this award, and to abide by any applicable laws and regulations in such disposal.

51. Recipient may not expend or drawdown funds until the Bureau of Justice Assistance (BJA) has received documentation demonstrating that the state or local governing body review requirements have been met and a Grant Adjustment Notice (GAN) has been approved releasing this special condition.

From: Orbin Terry, NEPA Coordinator

Subject: Incorporates NEPA Compliance in Further Developmental Stages for County of Suffolk

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

a. New construction;

b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see https://www.bja.gov/Funding/nepa.html.

Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

   The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and units of local government, including tribes, to support a broad range of activities to prevent and control crime based on their own state and local needs and conditions. Grant funds can be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice, including for any one or more of the following program areas: 1) law enforcement programs; 2) prosecution and court programs; 3) prevention and education programs; 4) corrections and community corrections programs; 5) drug treatment and enforcement programs; 6) planning, evaluation, and technology improvement programs; and 7) crime victim and witness programs (other than compensation).
The grant recipient will use JAG funds to support a range of program areas including: law enforcement; crime prevention and education; prosecution and courts; corrections and community corrections; and drug enforcement. Funds will be used to support salaries, overtime costs and technology improvement. A portion of funds will be used to lease unmarked vehicles to be used in case investigations. Collectively, these strategies will serve to reduce the incidence of crime.

RESOLUTION NO. - 2016, ADOPTING LOCAL LAW NO. 2016, A CHARTER LAW TO INCREASE THE TRANSPARENCY OF ASSET FORFEITURE FUNDS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2016, a proposed local law entitled, "A CHARTER LAW TO INCREASE THE TRANSPARENCY OF ASSET FORFEITURE FUNDS "; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO INCREASE THE TRANSPARENCY OF ASSET FORFEITURE FUNDS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk is committed to transparency and openness in its government operations.

This Legislature finds that the County of Suffolk receives significant funds from the state and federal governments through asset forfeiture. These funds are obtained through the law enforcement efforts of the Suffolk County Police Department, Sheriff's Department and District Attorney. These monies are not deposited in the General Fund, are considered "off budget" items, and are held and expended at the discretion of the Police Department, Sheriff and District Attorney in accordance with federal and state guidelines.

This Legislature determines that, presently, the operation of the County's asset forfeiture funds is not sufficiently transparent and is not the subject of adequate outside oversight.

This Legislature further determines that the County's policymakers and taxpayers should have access to all pertinent information regarding asset forfeiture monies; further, the power of the County Comptroller to audit these funds should be restored.

This Legislature finds that a semi-annual reporting requirement for each department which utilizes asset forfeiture monies would provide greater insight into the use of these funds, improving the transparency of Suffolk County government.

This Legislature also determines that restoring the Comptroller's authority to audit asset forfeiture accounts annually will ensure taxpayers that these monies are being used in an appropriate manner.
Therefore, the purpose of this local law is to require auditing and reporting of activities associated with asset forfeiture funds held by the Suffolk County Police Department, the Suffolk County District Attorney and the Suffolk County Sheriff's Office.

Section 2. Amendment.

Article V of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

ARTICLE V.
DEPARTMENT OF AUDIT AND CONTROL

§ C5-2. Powers and Duties of Comptroller.

K. Conduct an audit annually on asset forfeiture funds held by the Suffolk County Police Department, the Suffolk County District Attorney and the Suffolk County Sheriff's Office. The audit shall include an examination and verification of all books, records and accounts pertaining to asset forfeiture funds and shall provide a written determination of the regularity, legality and correctness of appropriations and expenditures made in connection with such funds. The audit report shall include, but not be limited to, a detailed accounting as to:

1. the statute under which assets and funds were received by the County;
2. the percentage of funds retained by the County, federal government and/or state government;
3. the County agencies which received the local share of such forfeited assets; and
4. an itemization of the expenditure of the County portion of such forfeited funds and the local County agencies through which such expenditures were made.

Section 3. Reporting of County Asset Forfeiture Funds.

A. The Suffolk County Police Department, the Suffolk County District Attorney and the Suffolk County Sheriff's Office shall each provide reports to the Suffolk County Executive, each member of the Suffolk County Legislature and the Suffolk County Comptroller, every six months detailing the receipts and expenditures associated with each department's asset forfeiture fund. Reports shall be submitted on January 15th and July 15th of each year detailing fund activity for the preceding six (6) calendar months.

B. The information provided by the Suffolk County Police Department, the Suffolk County District Attorney and the Suffolk County Sheriff's Office on asset forfeiture fund expenditures shall be sufficiently detailed to explain how the monies are expended without compromising any law enforcement investigations or prosecutions.
Expenditures to outside agencies shall be documented with the agency name, the amount provided and the purpose of funding.

Section 4. Applicability.

This law shall apply to all actions on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6 SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2016, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO SUSPEND AUTOMATIC PAY INCREASES FOR COUNTY ELECTED OFFICIALS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 4-1986 and Local Law No. 42-1999 established a policy whereby the County’s elected officials receive an automatic annual pay increase equal to 4% or the increase in the Consumer Price Index, whichever is lower.

This Legislature further finds that the policy established by these local laws has led to a steady escalation of elected officials' salaries.

This Legislature concludes that automatic pay increases for elected officials cannot be justified at a time when the County of Suffolk is facing grave budget challenges.

Therefore, the purpose of this law is to amend the SUFFOLK COUNTY CODE and suspend automatic annual pay increases for elected officials for five years.

PROPOSED LOCAL LAW YEAR 2016

TITLE: I.R. NO. -2016; A LOCAL LAW TO SUSPEND AUTOMATIC PAY INCREASES FOR COUNTY ELECTED OFFICIALS

SPONSOR: LEGISLATOR LINDSAY

DATE ADOPTED/NOT ADOPTED: __________ CERTIFIED COPY RECEIVED: __________

This proposed local law would amend Article I of Chapter 205 of the SUFFOLK COUNTY CODE and suspend automatic cost-of-living pay increases for the County’s elected officials for a period of five years.

Under existing law, the County’s elected officials are entitled to an annual pay increase of 4% or the amount of increase in the regional Consumer Price Index, whichever is less.

This law would suspend these automatic annual pay increases for five year periods, effective at the beginning of each elected official’s next new term. Accordingly, automatic salary adjustments would be suspended for the County Executive from January 1, 2020 – December 31, 2024; for the Presiding Officer and Deputy Presiding Officer of the Legislature, the District Attorney, the Sheriff and for County Legislators from January 1, 2018 - December 31, 2022; and for the Clerk and the Comptroller from January 1, 2019 - December 31, 2023.

During these periods of suspended pay increases, no salary can be increased without a duly enacted resolution.

This law will take effect immediately upon its filing in the Office of the Secretary of State.
