RESOLUTION NO. -2015, ADOPTING LOCAL LAW NO. -2015, A CHARTER LAW TO STRENGTHEN LOBBYIST REGISTRATION AND REPORTING REQUIREMENT

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on ___________ , a proposed local law entitled, "A CHARTER LAW TO STRENGTHEN LOBBYIST REGISTRATION AND REPORTING REQUIREMENT," now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2015, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO STRENGTHEN LOBBYIST REGISTRATION AND REPORTING REQUIREMENT

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that County of Suffolk has strived to maintain the integrity and transparency of its decision-making processes by enacting strong conflict of interest and financial disclosure rules for its officers and employees.

This Legislature also finds that the County of Suffolk requires persons and organizations hired to influence the County's legislative, rulemaking and ratemaking processes to register with the County and periodically report their lobbying activities to the Clerk of the County Legislature.

This Legislature finds that regular public disclosure of lobbying activities is critical to maintaining public confidence in the integrity of County government. To achieve this end, the County's lobbying law must be updated and strengthened to enhance openness and transparency.

This Legislature also finds that persons and organizations which seek to influence executive orders, the legislative lawmaking process, the award of County grants or the County's procurement of public works, goods and services should be required to register with the County and report their lobbying activities.

Therefore, the purpose of this law is to broaden the definition of lobbying activities which trigger registration and reporting requirements.

PROPOSED LOCAL LAW YEAR 2015

TITLE: I.R. NO. -2015: A CHARTER LAW TO STRENGTHEN LOBBYIST REGISTRATION AND REPORTING REQUIREMENT

SPONSOR: LEGISLATOR LINDSAY

DATE OF RECEIPT BY COUNSEL: 1/8/2015 PUBLIC HEARING: 3/3/2015
DATE ADOPTED/NOT ADOPTED: CERTIFIED COPY RECEIVED:

This law would amend the County’s lobbying statute to broaden the definition of “lobbying” to include any attempt to influence any determination made by the County Legislature or any member thereof with respect to the introduction, passage, defeat or substance of any local legislation; the adoption, issuance or modification of any executive order issued by the County Executive; any determination made by a County Agency with respect to the procurement of goods, services or public works; or the award by a County agency of any grant, loan or agreement which involves the disbursement of public monies.

Additionally, this law would authorize the Clerk of the Legislature, rather than the Board of Ethics, to penalize persons who fail to comply with the law’s registration requirement.

This law also makes clear that lobbyists’ statements and reports are not confidential and may be made available to the public pursuant to New York’s Freedom of Information Law.

This law will take effect 30 days immediately subsequent to its filing in the Office of the Secretary of State.

Made this 9 day of September in the year of our Lord, TWO THOUSAND THIRTEEN

BETWEEN ANGIE M. CARPENTER as the County Treasurer
330 Center Drive Riverhead, N.Y. 11901

New York, Chapter 62, Laws of 1809, entitled "An Act in Relation to Taxation,
Constituting Chapter Sixty of the Consolidated Laws" and the several acts
amending the same, and the special tax statutes applicable to Suffolk County, it
was among other things enacted that whenever any tax charged on real estate in a
county not including a portion of the forest preserve is returned to the County
Treasurer, she shall not return the same to the Comptroller, but if such tax with
interest thereon at the rate of ten per centum per annum, computed from the first

that date such County Treasurer shall advertise and sell such real estate pursuant
to said acts:

AND WHEREAS, default was made in the payment of taxes levied in the
year 2008/09 so as foresaid duly charged on sundry parcels of land within the
County of Suffolk, with interest thereon, and the said taxes remaining unpaid for six
months from the first day of February after the same was levied:

AND WHEREAS, the County Treasurer of the County of Suffolk for the time being,
by virtue of the power in her vested, and after due notices for that purpose
published and given according to law, and after a compliance with all provisions of
law of her required, did sell at public auction, at the Court House in Riverhead, in
the County of Suffolk, in the month of DECEMBER in the year TWO
THOUSAND NINE the parcels of land so as foresaid charged with
taxes remaining unpaid to satisfy and discharge the said taxes, and the interest and
charges due thereon respectively at the time of the sale:

AND WHEREAS, at said sale the premises hereinafter described were purchased
by the County of Suffolk to whom the certificate of the County Treasurer of said sale
was thereupon issued and delivered:
AND WHEREAS, the numerical designations used to describe parcels of property within this deed are a reference to the Suffolk County Tax Map Identifier assigned to each parcel so described on the Suffolk County Tax Map. Addendum

I purchased the subject premises on July 18th, 2006 for $430,000.00 with 100% financing. I had a first mortgage in the amount of $344,000.00 which was fixed for 2 years at which time the interest rate would adjust. I had a second mortgage with a rate of 11.125 in the amount of $86,000.00. Both loans were with Freemont Investment & Loan. I was not escrowing for taxes. During the first 2 years I made all my mortgage payments and paid the applicable real estate taxes. When my rate increased after 2 years I was unable to make my increased mortgage payment. I began negotiating a loan modification with Litton Loan Servicing which had taken my loan over from Freemont Investment & Loan. It took over a year but my modification was finally granted. Now my mortgage payments include the real estate taxes. While I was negotiating the loan modification I inadvertently failed to pay the real estate taxes for the tax year 2008/2009. This is the only tax year that was not paid. The County has been paid all taxes before and after the tax year 2008/2009. It seems inequitable that the County continues to accept tax payments from my lender despite the transfer of title to the County. I am told that the total amount to reinstate is approximately $14,000.00 which I can pay if given the chance to do so. I understand that I will need to pay the entire sum within 60 days and agree to do so.

Shakeela Moughal

RESOLUTION NO. - 2015, ADOPTING LOCAL LAW NO.
-2015, A LOCAL LAW TO PROTECT THE HONOR OF
DECORATED VETERANS

WHEREAS, there was duly presented and introduced to this County Legislature
at a meeting held on , 2015, a proposed local law entitled, "A LOCAL LAW TO
PROTECT THE HONOR OF DECORATED VETERANS" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2015, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROTECT THE HONOR OF DECORATED VETERANS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the veterans of the United
States Armed Forces placed their lives on the line to protect the freedoms we enjoy as citizens
of this nation.

This Legislature finds that some veterans went beyond the call of duty during
their service, risking their personal safety to perform heroic acts to protect or save another
person from injury or death.

This Legislature determines that many soldiers receive decorations or medals,
which provide lasting and public recognition of their heroic acts.

This Legislature also finds that some unscrupulous individuals falsely claim to
have received such decorations to obtain tangible benefits, money or other valuable items.

This Legislature further finds that such actions are disgraceful and tarnish the
accomplishments of those who acted bravely in the heat of battle to protect their brothers in
arms or innocent civilians.

This Legislature also determines that an individual who fraudulently represents
himself or herself as a decorated veteran in order to obtain money, property or other tangible
benefits should be subject to penalty.

Therefore, the purpose of this law is to prohibit persons from deceitfully
presenting themselves as a decorated veteran in Suffolk County for personal gain.

Section 2. Definitions.

As defined in this law, the following terms shall have the meaning indicated:
"Combat badge" shall mean a Combat Infantryman's Badge, Combat Action Badge, Combat Medical Badge, Combat Action Ribbon or Combat Action Medal.

"Person" shall mean any natural individual.

Section 3. Prohibitions.

No person shall, with the intent of obtaining money, property, or other tangible benefit, fraudulently hold themselves out to be the recipient of a military decoration or any of the following medals:

1. The Congressional Medal of Honor;
2. A Distinguished Service Cross;
3. A Navy Cross;
4. An Air Force Cross;
5. A Silver Star;
6. A Purple Heart; or

Section 4. Penalties.

Violation of any portion of this law shall constitute an unclassified misdemeanor, punishable by a fine of up to $1,000 and/or up to 1 year's imprisonment.

Section 5. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 6. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 7. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality
(CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 8. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. - 2015, ADOPTING LOCAL LAW NO. -2014, A LOCAL LAW TO CLARIFY LICENSING REQUIREMENTS FOR THE SELLERS OF HOME FURNISHINGS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2015, a proposed local law entitled, "A LOCAL LAW TO CLARIFY LICENSING REQUIREMENTS FOR THE SELLERS OF HOME FURNISHINGS" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2015, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO CLARIFY LICENSING REQUIREMENTS FOR THE SELLERS OF HOME FURNISHINGS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk enacted Local Law No. 14-1997 to provide for the licensing and regulation of sellers of home furnishings.

This Legislature also finds that Local Law No. 14-1997 (as subsequently amended and codified at Chapter 563, Article IX, of the SUFFOLK COUNTY CODE) was intended to provide County oversight of furniture and carpet retailers and to provide relief to consumers when such retailers fail to deliver merchandise as promised, deliver or install defective products or wrongfully withhold a consumer's deposit.

This Legislature further determines that the Department of Labor, Licensing and Consumer Affairs has recently advised antique dealers and thrift shops run by charitable organizations, which generally sell small volumes of used furniture as part of their operations, that they must obtain a Home Furnishings Seller's License; this Legislature concludes that while this action is consistent with the law's current language, it is inconsistent with its spirit and intent.

This Legislature finds that the language of the County's Home Furnishings Licensing Law must be amended to accurately reflect its original intent.

Therefore, the purpose of this law is to clarify the scope of the Home Furnishings Licensing Law to ensure its effective enforcement by the Department of Labor, Licensing and Consumer Affairs.
Section 2. Amendments.

Chapter 563 of the SUFFOLK COUNTY CODE is hereby amended as follows:

CHAPTER 563. LICENSED OCCUPATIONS

Article IX. Home Furnishings.

§ 563-105. Definitions.

For purposes of this article, the following terms shall have the meanings indicated:

HOME FURNISHINGS
New [F]urniture and carpets which have not been the subject of a previous retail sale.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

CRIMINAL JUSTICE COORDINATING COUNCIL

WHEREAS, there was duly presented and introduced to this County Legislature
at a meeting held on __________, 2015, a proposed local law entitled, "A LOCAL LAW TO
AMEND THE MEMBERSHIP OF THE CRIMINAL JUSTICE COORDINATING COUNCIL" now,
therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2015, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO AMEND THE MEMBERSHIP OF THE CRIMINAL
JUSTICE COORDINATING COUNCIL

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 23-1974
established the Suffolk County Criminal Justice Coordinating Council ("CJCC") to enhance
cooperation and coordination among the County's law enforcement and criminal justice
agencies.

This Legislature further finds that the Board of the CJCC has reviewed its
operations and recommended that the size of its membership be reduced.

This Legislature agrees that the membership of the CJCC should be reduced
from its current number of 29 in order to reduce the number of vacancies and enhance the
efficient operations of the Council.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. STATE OF NEW YORK
AGREEMENT

This AGREEMENT is hereby made by and between the State of New York agency (STATE) and the public or private agency (CONTRACTOR) identified on the face page hereof.

WITNESSETH:
WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and
WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;
NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement
A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X) Amendment. Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.
B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.
C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.
D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.
F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting
A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.
B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix Designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.
C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations
A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the
CONTRACTOR.

B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.

C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A-1.

VI: Safeguards for Services and Confidentiality

A. Services performed pursuant to this AGREEMENT are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

B. Funds provided pursuant to this AGREEMENT shall not be used for any partisan political activity, or for activities that may influence legislation or the election or defeat of any candidate for public office.

C. Information relating to individuals who may receive services pursuant to this AGREEMENT shall be maintained and used only for the purposes intended under the contract and in conformity with applicable provisions of the laws and regulations, or specified in Appendix A-1.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $50,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed,
color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 8 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.
11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.
(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) includes an agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312
does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development’s Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules (‘CPLR’), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor’s actual receipt of process or upon the State’s receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

The Omnibus Procurement Act of 1992 requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than $1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a 'procurement contract' as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all
disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

1. If this Agreement exceeds $50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for $50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.

2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.

3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.
The most current version of these Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or

2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed $650 for an eight-hour day (not including travel and subsistence...
costs). A rate exceeding $650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to $999 under this grant agreement can be obtained at the Grantee's discretion.

2. Consultant services that cost between $1,000 and $4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.

3. Consultant services that cost between $5,000 and $9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.

4. A Grantee obtaining consultant services that cost in excess of $10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.

2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to $999 at its discretion.
3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $1,000 and $4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $5,000 and $9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of $10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS’ approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than $500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee’s accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS’ judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS
reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. “1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

<table>
<thead>
<tr>
<th>Calendar Quarter</th>
<th>Report Due</th>
</tr>
</thead>
<tbody>
<tr>
<td>January 1 - March 31</td>
<td>April 30</td>
</tr>
<tr>
<td>April 1 - June 30</td>
<td>July 31</td>
</tr>
<tr>
<td>July 1 - September 30</td>
<td>October 31</td>
</tr>
<tr>
<td>October 1 - December 31</td>
<td>January 31</td>
</tr>
</tbody>
</table>

B. The final progress report will summarize the project’s achievements as well as describe activities for that quarter.
22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS’ approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

Activities to be performed;

Time schedule;

Project policies;

Other policies and procedures to be followed;

Dollar limitation of the Agreement;

Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.
25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year $500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

OMB Circular A 21, Cost Principles for Educational Institutions;
OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;
OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;
OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and
OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.
27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language
The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)
The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)
Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.

2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.

4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see http://www.criminaljustice.ny.gov/ofpa/forms.htm). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.

5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment.

6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services
Office of Financial Services
80 S. Swan St.
Albany, NY 12210
7. Payment Schedule

PAYMENT DUE DATE

1 Pending appropriation, 30 days after commencement date of contract with proper documentation or upon receipt of proper documentation, whichever is later.

2-4 Quarterly

A not-for-profit Grantee operating on a multi-year contract may voucher for an optional fifth quarter advance against the succeeding year’s appropriation, pursuant to NYS Finance Law, Section 179-u.

All submitted vouchers will reflect the Grantee’s actual expenditures and will be accompanied by supporting detailed itemizations of personal service and non-personal service expenditures and other documentation as required, and by a fiscal cost report for the reporting period. DCJS reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement. In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DCJS in its sole discretion may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation. Fiscal cost reports showing grant expenditures and/or obligations for each quarter of the grant must be submitted by the last day of the month after the last day of the reporting period.

Award Contract
Project No. JB14-1013-E00
Grantee Name Suffolk County

Award Conditions

Upon approval of this grant by the Office of the State Comptroller, or DCJS for "T" contract only, the Grantee is authorized to initially voucher for advance payment of those prospective expenses previously approved by DCJS not to exceed $0.00 from the total contracted amount. Consistent with paragraph 15 of Appendix A-1 of this grant contract, vouchers for advance payments for the purchase of equipment and supplies must be supported by a copy of the purchase order.

APPENDIX D - Special Conditions

Grantee agrees that if the project is not operational within 60 days of the original starting date of the grant period, it will report by letter to OPDF the steps taken to initiate the project, the reasons for delay, and the expected starting date. If the project is not operational within 90 days of the original starting date of the grant period, the grantee will submit a second statement to OPDF explaining the delay. The State may either cancel the project and redistribute the funds or extend the implementation date of the project beyond the 90-day period when warranted by extenuating circumstances.

All juvenile justice funds are to be used to support programs serving youth 7 - 17 years of age, the current age of Family Court jurisdiction in New York State.

Except as authorized by law, program records containing the identity of individual juveniles gathered for purposes pursuant to Title II (Formula Grants), Title V (Community Prevention) and the JAGS Program under the Juvenile Justice and Delinquency Prevention Act may not be disclosed without the consent of the service recipient or legally authorized representative, or as may be necessary to carry out these programs. Under no circumstances may program reports or findings available for public dissemination contain the actual names of individual service recipients.

For Third Year Formula Funded Projects Only: Third year projects supported by an amount that represents a reduction in formula funding must maintain a level of service delivery that is consistent with that of the fully funded year(s).

Grantee agrees that these funds will be used to supplement and not supplant existing funds and services.

This contract may be extended, increased, decreased, terminated, renewed, amended or renegotiated at the discretion of the Commissioner of the Division of Criminal Justice Services.

Strategy Special Conditions: Grantee agrees that if funding is being provided for the implementation of any DCJS crime reduction strategies including, but not limited to Operation GIVE; Youth Violence Reduction; DNA Evidence Collection; Road to Recovery or Re-Entry, that the implementing agency will develop a formal interactive relationship with those other strategy initiatives in the county.

The following special conditions apply to contracts with county or municipal governments as appropriate: Participating law enforcement agencies that are funded by DCJS to conduct drug, firearms or vehicle theft or vehicle related insurance fraud investigations shall register with SAFETNet. Participation in SAFETNet obligates the registered agency to submit information regarding persons or addresses under active investigation in accordance with SAFETNet standard operating procedures. In addition, the agency agrees to participate in the Upstate New York Regional Intelligence Center (UNYRIC) or the New York/New Jersey High Intensity Drug Trafficking Area Regional Intelligence Center (NY/NJ HIDTA RIC) as appropriate.

All criminal justice information management software which grantee may purchase or develop with funds provided under the terms of this agreement must conform to established New York State criminal justice data standards as documented in the most current version of the New York Statewide Criminal Justice Data Dictionary. In addition, all such information management software purchased or developed with funds provided under the terms of this agreement must conform to statewide standards for the collection, processing and reporting of criminal justice information as documented in the New York State Standard Practices Manual for the Processing of Fingerprintable Criminal Cases. The latest versions of both documents referenced above can be accessed at the
DCJS web site or obtained by calling the DCJS Customer Contact Center at 800-262-3257. Grantee shall enroll as a user of eJusticeNY and make use of the eJusticeNY suite of services as applicable. Grantee shall enroll as applicable in the ePagesNY Directory established and administered by DCJS. ePagesNY is a statewide directory service provided free-of-charge by the Division of Criminal Justice Services to the criminal justice community of New York State. Information regarding enrollment in the ePagesNY Directory can be obtained by calling the DCJS Customer Contact Center at 800-262-3257.

Law enforcement agencies must submit full UCR Part 1 crime reports, including supplemental homicide reports, to DCJS by 30 days following the end of the month. These monthly reports may be submitted either under the Uniform Crime Reporting System (UCR) or under the Incident Based Reporting Program (IBR). Quick Reports will not be accepted. Failure to submit this information may result in grant funds being withheld. UCR agencies must fill out the Domestic Violence Victim Data table found on the last page of the Return A in accordance with the new domestic violence reporting requirements. These requirements can be found on-line at http://www.criminaljustice.state.ny.us/ocr/sections/ocid/reports/dv_reporting_alert_06-11-01.pdf. Failure to submit this information may result in grant funds being withheld. Agencies reporting through IBR do not submit a supplemental report for domestic violence. The required data is automatically collected through the monthly submission of an IBR file.

Other Special Conditions: The Grantee understands and agrees that the Division of Criminal Justice Services shall pay up to the first ninety percent (90%) of the total grant award amount or $, in accordance with the payment schedule, budgeted items and activities outlined in this agreement and as reported on the required documentation forms. The final ten percent (10%) of the total grant award shall be held pending receipt of acceptable documentation that the outcome indicators in the project workplan have been achieved at which point the Division may release the remaining ten percent (10%) or balance of the award as appropriate and in accordance with the payment terms of the agreement. The Division of Criminal Justice Services shall withhold said ten percent (10%) of the total grant award amount notwithstanding that other amounts have been, or will be, withheld or disallowed by Division of Criminal Justice Services due to, among other things, the Grantee's failure to properly document expenses and services or perform in accordance with the terms of this Agreement. In its sole discretion, and upon the request of the Grantee, the Commissioner of the Division of Criminal Justice Services, may release any portion of the ten percent (10%) of the grant award retained by Division of Criminal Justice Services as set forth in the preceding paragraph.

The following condition will apply to contracts between two New York State governmental entities: This is an agreement between two New York State governmental entities, and as such the provisions contained herein with respect to grants are applicable only to the extent that the provisions would otherwise be applicable between New York State governmental entities.

Civil Rights Compliance Activities

Federal law requires that state agencies that are administering DOJ funds maintain written methods of administration for ensuring that DCJS grantees comply with applicable federal civil rights laws. This includes ensuring that DCJS grantees do not discriminate in services or employment practices. In order to assist DCJS grantees in addressing these requirements DCJS will share Civil Rights Compliance information with DCJS grantees annually. Program Representatives have been directed to examine civil rights practices and related documentation during site visits, and DCJS grantees must participate in regular Civil Rights training.

Required Online Civil Rights Training

The U.S. Department of Justice Office of Civil Rights has developed a series of online training programs on civil rights compliance issues to assist state administering agencies in providing training to DCJS grantees. The user-friendly training programs explain the applicable civil rights laws in easy-to-understand terms. The series of training programs, which are accessible to the public, are available online at http://www.oip.usdoj.gov/about/ocr/assistance.htm. DCJS requires DOJ-funded DCJS grantees to participate in the online civil rights training developed by the U.S. Department of Justice, Office of Civil Rights. Each DOJ-funded DCJS grantee must designate appropriate staff that will be required to participate in the training and provide a signed certification to DCJS upon completion of the applicable online training sessions. The certification can be found: http://www.criminaljustice.ny.gov/ocr/forms.htm The signed certification should be scanned and attached to the GMS record for the grant.
No materials, items or publications resulting from award activities may use the DCJS logo or provide any attribution to DCJS in any form, without the prior approval from the Commissioner of DCJS or his designee. Requests for such approval must be submitted in writing to DCJS's Agency Counsel at least 30 days before requested use. Determinations of such requests will be made by the DCJS Commissioner on a case-by-case basis.

SUBJECT: Amending Resolution 1133-2012 to Reallocate Funding in Connection with Improvements to Suffolk County Sewer District No. 3 – Southwest (CP 8170)
DATE: January 12, 2015

Attached is a draft resolution filed as Reso-DPW sd3 – Southwest CP 8170 and appropriate forms with backup filed as Backup-DPW SCIN form 175a and 175b – sd3 - Southwest CP 8170 dated 1-12-15. The project involves engineering, construction, and site work associated with the treatment process and infrastructure at the Sewer District No. 3 – Southwest, Bergen Point Wastewater Treatment plant. Resolution 1133-2012 appropriated $20 million in the 2012 Capital Budget and Program. $20 million was appropriated in the construction line item and as the various projects had planning tasks detailed, it is recognized that additional funds for planning are required. The draft resolution reallocates $1 million from the construction line item to the planning line item.

We would appreciate the resolution being laid on the table at your convenience.

RESOLUTION NO. -2015, CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF CONSIDERING THE PROPOSED INCREASES AND IMPROVEMENTS TO THE OUTFALL AT SUFFOLK COUNTY SEWER DISTRICT NO. 3 – SOUTHWEST (CP 8108)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 3 – Southwest; and

WHEREAS, the Suffolk County Sewer Agency is recommending an increase and improvement to Suffolk County Sewer District No. 3 – Southwest, namely, replacement of 14,000 feet of outfall pipe beneath the Great South Bay; and

WHEREAS, pursuant to New York County Law Section 268, the Suffolk County Sewer Agency has prepared maps and plans pertaining to these proposed increases and improvements to the facilities of Suffolk County Sewer District No. 3 – Southwest and has also prepared an estimate of the costs of such increases and improvements and has filed these documents, along with its recommendations and reports of its proceedings, with the County Legislature of the County of Suffolk; and

WHEREAS, it appears that these increases and improvements are necessary for the proper maintenance and service of Suffolk County Sewer District No. 3-Southwest; and

WHEREAS, pursuant to New York County Law Section 254 and 268, the Legislature of the County of Suffolk desires to call a public hearing upon such proposed increases and improvements to the facilities at Suffolk County Sewer District No. 3-Southwest; now, therefore be it

1st RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 24th day of March 2015, at 6:30 pm, Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit
NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Legislature in Hauppauge, New York, in said County, on March 24, 2015 at 6:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for increases and improvements to the facilities of Suffolk County Sewer District No. 3 – Southwest, in and about the Towns of Babylon and Islip, substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

Project Description

The increase and improvement to Suffolk County Sewer District No. 3 – Southwest includes replacement of 14,000 feet of outfall pipe beneath the Great South Bay. The project is more fully described and defined in the aforementioned maps, plans, report and recommendations. The estimate of the cost associated with the increase and improvement project is $207 million. All property and property owners within said District are benefited by the increase and improvement.

Notice of Cost

The total cost for the increases and improvements to Suffolk County Sewer District No. 3 – Southwest will be financed using a combination of sewer district serial bonds and Suffolk County Assessment Stabilization Reserve Funds (ASRF). It is proposed that the project will be implemented during 2016 and that $207 million in sewer district serial bonds will be appropriated by 2015.

There will be no fiscal impact to the benefited properties, since pursuant to the ASRF, all property owners in Suffolk County sewer districts experience a 3% annual increase regardless of any improvements performed. In the case of Suffolk County Sewer District No. 3, the annual ASRF increase will result in an increase of approximately $22 per year per typical home, regardless of the increase or improvement. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the increase and improvement.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

Section 3. This resolution shall take effect immediately.

2nd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Summary of Resolution benefits. The Sheriff’s Office radio communications system must be upgraded due to upcoming changes in FCC rules and regulations as well as obsolescence of older equipment. As a direct result of these changes, the Sheriff’s Office must replace and upgrade mobile data terminals (MDT’s) in the Sheriff’s Office marked vehicles to allow for fully integrated communications between over the air and computer aided dispatch; in addition, the arrival to the fleet of a new model police interceptor is necessitating a retrofit of existing equipment to fit this new vehicle.

MEMORANDUM

To: James L. Tomarken, MD, MPH, MBA, MSW

From: Art Fleischer, L.C.S.W., C.A.S.A.C.  
Director, Division of Community Mental Hygiene Services

Date: January 15, 2015

Subject: REQUEST FOR LEGISLATIVE RESOLUTION

The New York State Office of Mental Health’s fourth quarter 2014 State Aid letter contains funding for the continuation of a Pilot Program in Suffolk County to assist veterans suffering from Post-Traumatic Stress Disorder (PTSD). It is multi-year funding and available for use until 6/30/16. This funding is not currently included in the 2015 Suffolk County Operating Budget, as it was received from OMH late in 2014.

Clubhouse of Suffolk, d.b.a. The Association for Mental Health & Wellness has been authorized by the New York State Office of Mental Health to contract with Suffolk County to develop project deliverables for this pilot program.

The Division is requesting a legislative resolution to add $185,000 in 100% State Aid to Clubhouse of Suffolk, d.b.a. The Association for Mental Health & Wellness, so that they can continue to provide these critical services to veterans. I am attaching drafts of the fiscal impact statement, intro resolution and routing form as well as the Office of Mental Health’s 2014 fourth quarter state aid letter and 2015 first quarter state aid letter detailing the specifics of this funding allocation.

FROM: Gilbert Anderson, P.E. Commissioner
DATE: January 15, 2015
RE: Appropriating Funds in Connection with Improvements to CR 14, Indian Head Road (CP 5195)

Attached is a draft resolution to appropriate the sum of $600,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2015 Capital Budget and Program for this project.

This funding will address pavement and drainage deficiencies along CR 14, Indian Head Road from the vicinity of NYS Route 25, Jericho Turnpike to the vicinity of Somers Lane. The project will super-elevate the roadway in the curved section to help reduce the likelihood of vehicles leaving the road, as well as reducing the width of the travel lane to help control speed. Additional improvements include drainage system repair and replacement; full depth pavement patching and resurfacing; installation of curb; installation of pavement markings and necessary traffic signal modifications.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature under a previous version of the implementing rules and regulations of SEQR and determined that the project constitutes a Type II action.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DFW-CP5195(CR14).doc".

RE: Appropriating Funds in Connection with Installation of Guiderail and Safety Upgrades at Various Locations (CP 5180)

Attached is a draft resolution to appropriate the sum of $275,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2015 Capital Budget and Program for this project.

This work includes repair to damaged guide rail, installation of guide rail, removal of unnecessary guide rail, slope grading and seeding, removal of trees and other fixed objects in hazardous locations, allowing the County to conform to current State and Federal standards.

Potential locations for guide rail repair/installation and/or safety upgrades are NY 27 North Service Road at CR 19, Patchogue-Holbrook Road entrance ramp (Islip); CR 31, Old Riverhead Road over NY 27 (Southampton); CR 39, North Road at St. Andrews Bridge (Southampton); CR 46, Wm. Floyd Parkway between Whiskey Road and NY 25A (Brookhaven); CR 97, Nicolls Road at NY 27 Ramp (southeast cloverleaf) (Brookhaven); CR 97, Nicolls Road at NY 25 (southbound ramp) and CR 97, Nicolls Road from NK347 to NY 25A (Brookhaven). It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature under a previous version of the implementing rules and regulations of SEQRA and determined by Resolution 1174-1995 that the project constitutes a Type II action.

RE: Appropriating Funds in Connection with Moveable Bridge Rehabilitation (CP 5806)

Attached is a draft resolution to appropriate the sum of $2,500,000 for construction in connection with the above referenced Capital Project. There are sufficient funds included in the 2015 Capital Budget and Program for this project.

The Needs Assessment (planning and engineering) for the rehabilitation of Beach Lane Bridge and West Bay Bridge is complete, with the engineer’s estimate for construction and construction inspection approaching $5,000,000. This appropriation, in addition to funding in place through Resolution No. 1013-2014, will allow this Department to advance this project to the construction phase.

The project will improve the structural condition and surface of these bridges allowing for improved safety for the traveling public.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature under a previous version of the implementing rules and regulations of SEQRA and determined that the project constitutes a Type II action.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5806(Moveable Br).doc”.

DECEMBER 3, 2013, RELATING TO THE AUTHORIZATION OF
THE ISSUANCE OF REFUNDING BONDS OF THE COUNTY,
FOR THE PURPOSE OF AUTHORIZING THE SALE OF SUCH
REFUNDING BONDS ON A COMPETITIVE BID BASIS

Recitals

WHEREAS, pursuant to Refunding Bond Resolution No. 1103-2013, adopted on
December 3, 2013 (the "Refunding Bond Resolution"), the County Legislature has heretofore
authorized the issuance of not to exceed $430,000,000 in refunding bonds (the "Refunding
Bonds") of the County of Suffolk (the "County") in accordance with Section 90.10 of the Local
Finance Law (herein called the "Law"), for the purpose of advance refunding all or a portion of
the outstanding series of serial bonds of the County identified therein; and

WHEREAS, pursuant to Sections 6 and 14 of the Refunding Bond Resolution,
the Refunding Bonds and each separate series thereof are required to be sold in a private sale
to such underwriter as may be selected through the County procurement process; and

WHEREAS, the County Legislature now intends to amend the Refunding Bond
Resolution for the purpose of also authorizing the sale of the Refunding Bonds and each
separate series thereof in a public sale conducted in accordance with Sections 57.00, 58.00 and
59.00 of the Law;

NOW, THEREFORE, THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, NEW YORK HEREBY RESOLVES (by a favorable vote of not less than two-thirds
of all of the members of said County Legislature) AS FOLLOWS:

Section 1. Section 6 of the Refunding Bond Resolution is hereby amended to
read as follows:

Section 6. The Refunding Bonds shall be sold either (a) at a private

Sections 57.00, 58.00 and 59.00 of the Law, and further providing that prior to
the issuance of each Respective Series of the Refunding Bonds the Comptroller
shall have filed with the County Legislature a certificate approved by the State
Comptroller setting forth the Present Value Savings to the County resulting from
the issuance of such Respective Series of the Refunding Bonds. In connection
with each such sale, the County authorizes the preparation of an Official
Statement and approves its use in connection with such sale, and further
consents to the distribution of a Preliminary Official Statement prior to the date
said Official Statement is distributed. The Comptroller is hereby further authorized and directed to take any and all actions necessary to accomplish said refunding, and to execute any contracts and agreements for the purchase of and payment for services rendered or to be rendered to the County in connection with said refunding, including the preparation of the refunding financial plan for each Respective Series of Refunding Bonds referred to in Section 2 hereof.

Section 2. Section 14 of the Refunding Bond Resolution is hereby amended to read as follows:

Section 14. Each Respective Series of Refunding Bonds shall be sold at either (a) a private sale to such underwriter or underwriters to be selected through the County procurement process (collectively, the “Underwriter”), for purchase prices to be determined by the County Comptroller or Chief Deputy County Comptroller, plus accrued interest from the date or dates of such Respective Series of Refunding Bonds to the date or dates of the delivery of and payment for such Respective Series of the Refunding Bonds, or (b) at a public sale conducted by the County Comptroller or Chief Deputy County Comptroller in accordance with Sections 57.00, 58.00 and 59.00 of the Law; provided, however, that each Respective Series of Refunding Bonds shall only be issued and sold in the event that (i) such sale results in net present value savings, as shown upon the final Refunding Financial Plan for such series, in the case of each such sale of Refunding Bonds and in the aggregate for all of the Refunding Bonds sold on any date with regard to the outstanding par amount of the Refunded Bonds; (ii) the term of such Respective Series of Refunding Bonds does not extend beyond the last maturity date of the Refunded Bonds refunded by such Respective Series of Refunding Bonds; (iii) there shall be no negative savings in any maturity or in the aggregate generated as a result of the issuance of each Respective Series of the Refunding Bonds; (iv) the net present value savings of each Respective Series of the Refunding Bonds shall exceed the costs of issuance for such Respective Series of the Refunding Bonds by two and one half times (2 1/2); and (v) a maturity of the Refunded Bonds may be refunded only to the extent that the entire maturity is so refunded. In the event that a Respective Series of Bonds are sold in a private sale, the County Comptroller or the Chief Deputy County Comptroller is hereby authorized to execute and deliver a purchase contract for such Respective Series of the Refunding Bonds in the name and on behalf of the County providing the terms and conditions for the sale and delivery of such Respective Series of the Refunding Bonds to the Underwriter; provided, however, that the County’s obligation under such purchase contract to sell and deliver such Respective Series of Refunding Bonds to the Underwriter shall be subject to the approval of the terms and conditions of such private sale by the State Comptroller as required by subdivision 2 of paragraph f. of Section 90.10 of the Local Finance Law. WHEREAS, Section 90.10 of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (herein called the "Law"), permits the County to refund all or a portion of the outstanding unredeemed maturities of the 2005 Outstanding Refunding Bonds, 2006 Outstanding Series A Bonds, 2006 Outstanding Series B Bonds, 2007 Outstanding Series A Bonds, 2007 Outstanding Series B Bonds, 2007 Outstanding Series C Bonds, 2008 Outstanding Series A Bonds and 2008 Outstanding Series B Bonds (referred to herein collectively as the "Outstanding Bonds") by the issuance of new bonds, the issuance of which will result in present value debt service savings for the County, and the County Legislature has determined that it may be advantageous to refund all or a portion of the Outstanding Bonds; NOW, THEREFORE be it

RESOLVED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, NEW YORK, (by the favorable vote of not less than two-thirds of all the members of said County Legislature) AS FOLLOWS:

Section 1. In this resolution, the following definitions apply, unless a different meaning clearly appears from the context:

(a) "Bond To Be Refunded" or "Bonds To Be Refunded" means all or a portion of the aggregate Outstanding Bonds, as shall be determined in accordance with Section 8 hereof.

(b) "Bond Certificate" or "Bond Certificates" means one or more of the bond certificates or certificates of determination, as applicable, that (i) were executed by the County Comptroller or the Chief Deputy County Comptroller, in accordance with the delegations of authority contained in the bond resolutions for each of the objects or purposes financed by the Bonds to be Refunded, or in the case of the 2005 Refunding Bonds, in the bond resolutions for each of the objects or purposes refinanced by the
2005 Refunding Bonds, and (ii) provided for the issuance of such Bonds to be Refunded, or in the case of the 2005 Refunding Bonds, the bonds refunded by the 2005 Refunding Bonds.

(c) "Escrow Contract" means, with respect to each Respective Series of Refunding Bonds, the contract to be entered into by and between the County and the Escrow Holder pursuant to Section 10 hereof.

(d) "Escrow Holder" means, with respect to each Respective Series of Refunding Bonds, the bank or trust company designated as such pursuant to Section 10 hereof.

(e) "Present Value Savings" means the dollar savings which result from the issuance of the Refunding Bonds computed by discounting the principal and interest payments on both the Refunding Bonds and the Bonds To Be Refunded from the respective maturities thereof to the date of issue of the Refunding Bonds at a rate equal to the effective interest cost of the Refunding Bonds. The effective interest cost of the Refunding Bonds shall be that rate which is arrived at by doubling the semi-annual interest rate (compounded semi-annually) necessary to discount the debt service payments on the Refunding Bonds from the maturity dates thereof to the date of issue of the Refunding Bonds and to the agreed upon price including estimated accrued interest.

(f) "Redemption Date" means June 15, 2015, or any date thereafter with respect to the 2005 Outstanding Refunding Bonds; May 1, 2016 or any date thereafter with respect to the 2006 Series A Outstanding Bonds; October 1, 2016 or any date thereafter with respect to the 2006 Series B Outstanding Bonds; May 15, 2017 or any date thereafter with respect to the 2007 Series A Outstanding Bonds; November 1, 2017 or any date thereafter with respect to the 2007 Series B Outstanding Bonds; November 1, 2017 or any date thereafter with respect to the 2007 Series C Outstanding Bonds; May 15, 2018 or any date thereafter with respect to the 2008 Series A Outstanding Bonds; and November 1, 2018 or any date thereafter with respect to the 2008 Series B Outstanding Bonds.

(g) "Refunding Bond" or "Refunding Bonds" means all or a portion of the $430,000,000 Refunding Serial Bonds of the County of Suffolk, authorized to be issued pursuant to Section 2 hereof.

(h) "Refunding Bond Amount Limitation" means, with respect to each Respective Series of Refunding Bonds, an amount of Refunding Bonds which does not exceed the principal amount of Bonds To Be Refunded by such Respective Series of Refunding Bonds plus the aggregate amount of unmatured interest payable on such Bonds To Be Refunded, to and including the applicable Redemption Date, plus redemption premiums payable on such Bonds To Be Refunded as of such Redemption Date, if any, as hereinabove referred to in the Recitals hereof, plus costs and expenses incidental to the issuance of such Respective Series of Refunding Bonds, including the development of the refunding financial plan, compensation to the Underwriter (as hereinafter defined), costs and
expenses of executing and performing the terms and conditions of the Escrow Contract and all fees and charges of the Escrow Holder as referred to in Section 10 hereof, financial advisory fees, printing fees and legal fees and the premium or premiums for a policy or policies of municipal bond insurance or other form of credit enhancement facility or facilities for such Respective Series of Refunding Bonds, or any portion thereof.

(i) "Respective Series of Refunded Bonds" shall have the meaning given such term in Section 2 hereof.

(j) "Underwriter" means, with respect to each Respective Series of Refunding Bonds, the underwriter or underwriters selected pursuant to Section 14 hereof.

Section 2. The County Legislature of the County hereby authorizes the refunding of the Bonds To Be Refunded, and appropriates an amount not to exceed $430,000,000 to accomplish such refunding. The plan of financing said appropriation includes the issuance of not to exceed $430,000,000 Refunding Bonds and the levy and collection of a tax upon all the taxable real property within the County to pay the principal of and interest on said Refunding Bonds as the same shall become due and payable. Bonds of the County in the maximum principal amount of $430,000,000 are hereby authorized to be issued pursuant to the provisions of the Law. The Refunding Bonds are hereby authorized to be consolidated for purposes of sale in one or more refunding bond issues which may be issued in series. The Refunding Bonds shall each be designated substantially "REFUNDING SERIAL BONDS", together with a series designation and year designation, as appropriate, and shall be dated the date of delivery thereof, or such other date as shall hereafter be determined by the County Comptroller pursuant to Section 8 hereof. The proposed financial plan for the refunding in the form attached hereto as Exhibit A (the "Refunding Financial Plan") prepared for the County by its financial advisor, Capital Markets Advisors, LLC, Great Neck, New York, and hereby accepted and approved, includes the deposit of all the proceeds of said Refunding Bonds with an Escrow Holder pursuant to an Escrow Contract as authorized in Section 10 hereof, the payment of all costs incurred by the County in connection with said refunding from such proceeds and the investment of a portion of such proceeds by the Escrow Holder in certain obligations. The principal of and interest on such investments, together with the balance of such proceeds to be held uninvested, if any, shall be sufficient to pay (i) the principal of and interest on the Bonds To Be Refunded becoming due and payable on and prior to each applicable Redemption Date and (ii) the principal of and premium and interest on the Bonds To Be Refunded which are to be called for redemption prior to maturity on any such Redemption Date. This County Legislature recognizes that the Refunding Bonds may be issued in series, and for only one or more of the Refunded Bonds, or portions thereof, that the amount of the Refunding Bonds, maturities, terms, and Interest rate or rates borne by the Refunding Bonds to be issued by the County will most probably be different from the assumptions in the proposed Refunding Financial Plan attached hereto as Exhibit A. The County Comptroller is hereby authorized and directed to determine which of the Refunded Bonds will be refunded and at what time (each such series of Refunded Bonds, or portion thereof to be refunded, being hereinafter referred to as a "Respective Series of Refunded Bonds"), the amount of the Refunding Bonds to be issued, the date or dates of issue, maturities and terms thereof and to prepare, or cause to be prepared a final Refunding Financial Plan for each Respective Series of Refunding Bonds.
Section 3. The Bonds To Be Refunded referred to in Section 1 hereof are all
or a portion of the unmatured aggregate outstanding balances of the 2005 Outstanding
Bonds, 2008 Outstanding Series A Bonds and 2008 Outstanding Series B Bonds which were
originally issued pursuant to the bond resolutions referenced in the Bond Certificates for each
such series of bonds for the purpose of refinancing certain outstanding bonds of the County or
providing original funding for the projects as set forth therein.

Section 4. The issuance of the each Respective Series of Refunding Bonds
will not exceed the applicable Refunding Bond Amount Limitation. With respect to each
Respective Series of Refunding Bonds, either (i) the last installment of such Respective Series of
Refunding Bonds allocated to each of the objects or purposes refinanced by the such
Respective Series of Refunding Bonds will mature not later than the expiration of the applicable
period of probable usefulness ("PPU") of such object or purpose financed or refinanced with the
proceeds of the Bonds to be Refunded, commencing at the date of issuance of the first bond or
bond anticipation note issued in anticipation of the sale of such bonds, or (ii) at the determination
of the County Comptroller in accordance with the delegation of authority contained in Section 8
hereof, the last installment of such Respective Series of Refunding Bonds will mature not later
than the expiration of the weighted average remaining period of probable usefulness of the
objects or purposes (or classes of objects or purposes) financed or refinanced with the proceeds
of the Bonds to be Refunded by such Respective Series of Refunding Bonds, commencing at the
date of issuance of the first bond or bond anticipation note issued in anticipation of the sale of
such bonds. The maximum PPU permitted by law of each of the objects or purposes financed
with the proceeds of the Bonds to be Refunded at the respective time of issuance of each series
of the Bonds to be Refunded is set forth in the respective Bond Certificate for such series of the
Bonds to be Refunded, or in the case of the objects or purposes financed with the proceeds of
the 2005 Outstanding Refunding Bonds, in the respective Bond Certificate for each series of
bonds which was refunded by the 2005 Refunding Bonds.

Section 5. The aggregate amount of estimated Present Value Savings is set
forth in the proposed refunding financial plan attached hereto as Exhibit A, computed in
accordance with subdivision two of paragraph b of Section 90.10 of the Law. Said refunding
financial plan has been prepared based upon the assumption that the Refunding Bonds will be
issued in the aggregate principal amount, and will mature, be of such terms and bear such
interest as set forth therein. The County Legislature recognizes that the principal amount of each
Respective Series of the Refunding Bonds, the maturities, terms and interest rates, the
provisions, if any, for the redemption thereof prior to maturity, and whether or not any or all of
each Respective Series of the Refunding Bonds will be insured, and the resulting present value
savings, may vary from such assumptions and that the refunding financial plan for each
Respective Series of the Refunding Bonds may vary from that attached hereto as Exhibit A.

Section 6. The Refunding Bonds shall be sold at private sale and the County
Comptroller or the Chief Deputy County Comptroller, the chief fiscal officer of the County, is
hereby authorized to execute a purchase contract on behalf of the County for the sale of each
Respective Series of said Refunding Bonds, provided that the terms and conditions of each such
sale shall be approved by the State Comptroller, and further providing that prior to the issuance
of each Respective Series of the Refunding Bonds the Comptroller shall have filed with the
County Legislature a certificate approved by the State Comptroller setting forth the Present
Value Savings to the County resulting from the issuance of such Respective Series of the
Refunding Bonds. In connection with each such sale, the County authorizes the preparation of
an Official Statement and approves its use in connection with such sale, and further consents to
the distribution of a Preliminary Official Statement prior to the date said Official Statement is
distributed. The Comptroller is hereby further authorized and directed to take any and all actions
necessary to accomplish said refunding, and to execute any contracts and agreements for the
purchase of and payment for services rendered or to be rendered to the County in connection
with said refunding, including the preparation of the refunding financial plan for each Respective
Series of Refunding Bonds referred to in Section 2 hereof.

Section 7. Each of the Refunding Bonds authorized by this resolution shall
contain the recital of validity prescribed by Section 52.00 of the Law and said Refunding Bonds
shall be general obligations of the County, payable as to both principal and interest by a general
tax upon all the taxable real property within the County. The faith and credit of the County are
hereby irrevocably pledged to the punctual payment of the principal of and interest on said
Refunding Bonds and provision shall be made annually in the budget of the County for (a) the
amortization and redemption of the Refunding Bonds to mature in such year and (b) the payment
of interest to be due and payable in such year.

Section 8. Subject to the provisions of this resolution and of the Law and
pursuant to the provisions of Resolution No. 320 of 1966, as amended by Resolution No. 81 of
1972, and Section 21.00 of the Law relative to the authorization of the issuance of bonds with
substantially level or declining annual debt service, Sections 50.00, 56.00 to 60.00, 90.10 and
168.00 of the Law, the powers and duties of the County Legislature relative to determining the
amount of Bonds To Be Refunded, prescribing the terms, form and contents and as to the sale
and issuance of each Respective Series of the Refunding Bonds, determining the weighted
average remaining period of probable usefulness of each Respective Series of the Refunding
Bonds, and executing any arbitrage certification relative thereto, and as to executing the Escrow
Contracts described herein, the Official Statements referred to in herein and any contracts for
credit enhancement in connection with the issuance of each Respective Series of the Refunding
Bonds and any other certificates and agreements, and as to making elections to call in and
redeem all or a portion of the Bonds to be Refunded, are hereby delegated to the County
Comptroller and the Chief Deputy County Comptroller, the chief fiscal officer of the County.

Section 9. The validity of the Refunding Bonds authorized by this resolution
may be contested only if:

(a) such obligations are authorized for an object or purpose for which the
    County is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the
    publication of such resolution, or a summary thereof, are not substantially
    complied with, and an action, suit or proceeding contesting such validity is
    commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the
    constitution.

Section 10. Prior to the issuance of each Respective Series of the Refunding
Bonds, the County shall contract with a bank or trust company located and authorized to do
business in New York State, for the purpose of having such bank or trust company act as the
Escrow Holder of the proceeds, inclusive of any premium from the sale of such Respective
Series of the Refunding Bonds, together with all income derived from the investment of such
proceeds. Such Escrow Contract shall contain such terms and conditions as shall be necessary in order to accomplish the refunding financial plan, including provisions authorizing the Escrow Holder, without further authorization or direction from the County, except as otherwise provided therein, (a) to make all required payments of principal, interest and redemption premiums to the appropriate paying agent with respect to the Bonds To Be Refunded by such Respective Series of Refunding Bonds, (b) to pay costs and expenses incidental to the issuance of such Respective Series of the Refunding Bonds, including the development of the refunding financial plan for such series, and costs and expenses relating to the execution and performance of the terms and conditions of the Escrow Contract and all of its fees and charges as the Escrow Holder, (c) at the appropriate time or times to cause to be given on behalf of the County the notice of redemption authorized to be given pursuant to Section 13 hereof, and (d) to invest the monies held by it consistent with the provisions of the refunding financial plan. The Escrow Contract shall be irrevocable and shall constitute a covenant with the holders of such Respective Series of Refunding Bonds.

Section 11. The proceeds, inclusive of any premium, from the sale of each Respective Series of the Refunding Bonds, immediately upon receipt shall be placed in escrow by the County with the Escrow Holder in accordance with the Escrow Contract. All moneys held by the Escrow Holder, if invested, shall be invested only in direct obligations of the United States of America or in obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, which obligations shall mature or be subject to redemption at the option of the holder thereof not later than the respective dates when such moneys will be required to make payments in accordance with the refunding financial plan. Any such moneys remaining in the custody of the Escrow Holder after the full execution of the Escrow Contract shall be returned to the County and shall be applied by the County only to the payment of the principal of or interest on the Respective Series of Refunding Bonds then outstanding.

Section 12. That portion of such proceeds from the sale of each Respective Series of the Refunding Bonds, together with interest earned thereon, which shall be required for the payment of the principal of and interest on the Bonds To Be Refunded, including any redemption premiums, in accordance with the refunding financial plan, shall be irrevocably committed and pledged to such purpose and the holders of the Bonds To Be Refunded by such Respective Series of Refunding Bonds shall have a lien upon such moneys and the investments thereof held by the Escrow Holder. All interest earned from the investment of such moneys which is not required for such payment of principal of and interest on the Bonds To Be Refunded by such Respective Series of Refunding Bonds shall be irrevocably committed and pledged to the payment of the principal of and interest on such Respective Series of Refunding Bonds, or such portion or series thereof as shall be required by the refunding financial plan, and the holders of such Refunding Bonds shall have a lien upon such moneys held by the Escrow Holder. The pledges and liens provided for herein shall become valid and binding upon the issuance of the such Respective Series of Refunding Bonds and the moneys and investments held by the Escrow Holder shall immediately be subject thereto without any further act. Such pledges and liens shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the County irrespective of whether such parties have notice thereof. Neither this resolution, the Escrow Contract, nor any other instrument relating to such pledges and liens, need be filed or recorded.

Section 13. In accordance with the provisions of Section 53.00 and of paragraph h of Section 90.10 of the Law, the County Legislature hereby elects to call in and redeem all or a portion of the Bonds To Be Refunded which are subject to prior redemption according to their terms on the Redemption Date, as shall be determined by the Comptroller in
accordance with Section 8 hereof. The sum to be paid therefor on the applicable Redemption Date shall be the par value thereof, the accrued interest to such Redemption Date and the redemption premiums, if any. The Escrow Holder is hereby authorized and directed to cause a notice of such call for redemption to be given in the name of the County by mailing such notice at least thirty days prior to such Redemption Date, and in accordance with the terms appearing in the Bonds to be Refunded, to the registered holders of the Bonds To Be Refunded which are to be called in and redeemed. Upon the issuance of each Respective Series of Refunding Bonds, the election to call in and redeem the Bonds To Be Refunded by such Respective Series of Refunding Bonds which are to be called in and redeemed in accordance herewith and the direction to the Escrow Holder to cause notice thereof to be given as provided in this Section shall become irrevocable and the provisions of this Section shall constitute a covenant with the holders, from time to time, of such Respective Series of Refunding Bonds, provided that this Section may be amended from time to time as may be necessary to comply with the publication requirements of paragraph a of Section 53.00 of the Law, as the same may be amended from time to time.

Section 14. Each Respective Series of Refunding Bonds shall be sold at private sale to such underwriter or underwriters to be selected through the County procurement process (collectively, the "Underwriter") for purchase prices to be determined by the County Comptroller or Chief Deputy County Comptroller, plus accrued interest from the date or dates of such Respective Series of Refunding Bonds to the date or dates of the delivery of and payment for such Respective Series of the Refunding Bonds; provided, however, that each Respective Series of Refunding Bonds shall only be sold at private sale to the Underwriter in the event that (i) such sale results in net present value savings, as shown upon the final Refunding Financial Plan for such series, in the case of each such sale of Refunding Bonds and in the aggregate for all of the Refunding Bonds sold on any date with regard to the outstanding par amount of the Refunded Bonds; (ii) the term of such Respective Series of Refunding Bonds does not extend beyond the last maturity date of the Refunded Bonds refunded by such Respective Series of Refunding Bonds; (iii) there shall be no negative savings in any maturity or in the aggregate generated as a result of the issuance of each Respective Series of the Refunding Bonds; (iv) the net present value savings of each Respective Series of the Refunding Bonds shall exceed the costs of issuance for such Respective Series of the Refunding Bonds by two and one half times (2 1/2); and (v) a maturity of the Refunded Bonds may be refunded only to the extent that the entire maturity is so refunded. The County Comptroller or the Chief Deputy County Comptroller is hereby authorized to execute and deliver a purchase contract for each Respective Series of the Refunding Bonds in the name and on behalf of the County providing the terms and conditions for the sale and delivery of such Respective Series of the Refunding Bonds to the Underwriter; provided, however, that the County's obligation under such purchase contract to sell and deliver such Respective Series of Refunding Bonds to the Underwriter shall be subject to the approval of the terms and conditions of such private sale by the State Comptroller as required by subdivision 2 of paragraph f. of Section 90.10 of the Local Finance Law. After the Refunding Bonds have been duly executed, they shall be delivered by the County Comptroller or Chief Deputy County Comptroller to the Underwriter in accordance with said purchase contract upon the receipt by the County of said purchase price, including accrued interest.

Section 15. This bond resolution shall take effect immediately upon approval by the County Executive, and the Clerk of the Legislature is hereby authorized and directed to publish the foregoing resolution, in summary or in full, together with a Notice attached in substantially the form prescribed by Section 81.00 of the Law in the official newspaper(s) of the County.

2. Title of Proposed Legislation
   Refunding bond resolution of the County of Suffolk, New York, authorizing the refunding of certain outstanding serial bonds of said County, stating the plan of refunding, appropriating an amount not to exceed $430,000,000 for such purpose, authorizing the issuance of not to exceed $430,000,000 refunding bonds to finance said appropriation, and making certain other determinations relative thereto.

3. Purpose of Proposed Legislation
   To authorize the refunding of certain outstanding serial bonds which were originally issued pursuant to duly adopted bond resolutions when and if market conditions become favorable and allow for the realization of savings.

4. Will the Proposed Legislation Have a Fiscal Impact?  
   - Yes [X]  
   - No [ ]

5. If the answer to item 4 is "yes", on what will it impact?

6. If the answer to item 5 is "yes", Provide Detailed Explanation of Impact
   The figures for this Fiscal Impact Statement are as of October 18, 2013 and assume that only one bond issue is currently a candidate for potential refunding. However, authorization is requested for the current candidate and for issues which are not currently candidates so that if they do become viable candidates for refunding, the County can access the market quickly to execute a transaction which achieves sufficient savings. This approach was taken with previously adopted Refunding Bond Resolutions 273-2004, 228-2008 and 870-2011.

7. Total Financial Cost of Funding over 5 Years on Each Affected Political or Other Subdivision.
   Anticipated net gross savings would be determined when market conditions are favorable for the refunding of the outstanding debt.

8. Proposed Source of Funding
   General Obligation Refunding Serial Bonds

9. Timing of Impact
   The impact of the refunding will not extend beyond the original term of the bonds to be refunded. To be determined when market conditions are favorable for the refunding of the outstanding debt.

Dear Commissioner Webber,

Nearly thirty years ago the Fund chose to financially support the creation of Hogan’s Alley at the Suffolk County Police Firearms Training Range located at what was then the Police Academy in Westhampton. We saw that donation as being within our organizations guidelines and an opportunity to possibly prevent a serious injury or death to not only a Suffolk County Police Officer but law enforcement officers from all over Suffolk County. Hogan’s Alley is a training tool that provides a more realistic scenario than the turning targets that are in use now. It is not meant to replace the turning targets but rather supplement them. It enhances the officers training and better prepares them for real world street encounters. Unfortunately today Hogan’s Alley is in need of a complete restoration.

With this said and as we have previously discussed, our organization is offering to financially back this project with a budget limit of $35,000. In previous discussions with Sgt. O’Malley and Sgt. Suarez this amount would allow for the recreation of Hogan’s Alley. This restoration would be adding another training opportunity for the participants at the firearms range.

If this donation is of interest to the Department and the County can give us assurances that the Fund will have no liability in the construction and/or future use of this site, please advise us as how best to proceed.
