RESOLUTION NO. 746 -2012, ADOPTING LOCAL LAW
NO. 51 -2012, A LOCAL LAW ESTABLISHING REGISTRATION
REQUIREMENT FOR HEALTH DEPARTMENT EXPEDITORS

WHEREAS, there was duly presented and introduced to this County Legislature
at a meeting held on May 8, 2012, a proposed local law entitled, "A LOCAL LAW
ESTABLISHING REGISTRATION REQUIREMENT FOR HEALTH DEPARTMENT
EXPEDITORS"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 51 -2012, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW ESTABLISHING REGISTRATION
REQUIREMENT FOR HEALTH DEPARTMENT EXPEDITORS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Department of Health
Services and the Board of Health regulate many activities that affect the public health of the
residents of Suffolk County.

This Legislature also finds that the Department of Health Services considers
applications and issues permits to individuals and businesses to conduct certain activities that
are regulated by the Department.

This Legislature further finds that a fundamental area of concern for the
Department of Health Services and the Board of Health is the protection of the County's surface
waters and underground drinking water supply under Article 6 of the SUFFOLK COUNTY
SANITARY CODE.

This Legislature also determines that the Department of Health Services must
approve the water supply and sewage disposal facilities for proposed realty subdivisions,
development and other construction projects.

This Legislature finds that individuals and businesses often hire "expeditors" to
assist in moving their permit applications through the Department of Health Services.

This Legislature also finds that no special qualifications or expertise are required
for persons who provide expediting services.

This Legislature further finds that expeditors working with the Department of
Health Services should be required to register with the County of Suffolk.
This Legislature determines that a registration requirement for expeditors will allow for greater transparency in the permitting process.

This Legislature also finds and determines that a registration requirement will allow the County to hold expeditors accountable and suspend or revoke the registration of expeditors who are guilty of misconduct and thereby protect consumers who avail themselves of expediting services.

Therefore, the purpose of this law is to establish a registration requirement for expeditors who interface with the Department of Health Services.
