

**RESOLUTION NO. 439 -2018, REPEALING RESOLUTION  
NO. 1104-2003, TO RESTORE CONSISTENCY IN SEWER  
CONNECTION POLICY**

**WHEREAS**, Resolution No. 1104-2003 authorizes large reductions in sewer connection fees and design sewage flow rates for adaptive reuse, affordable housing and mixed land use development projects which meet certain criteria; and

**WHEREAS**, to date, no development project has benefited from the provisions of Resolution No. 1104-2003; and

**WHEREAS**, furthermore, since the adoption of Resolution No. 1104-2003, the County of Suffolk has adopted a series of local laws governing connections to County sewer districts by users located outside the geographic boundaries of a sewer district; and

**WHEREAS**, Local Law No. 4-2007 raised the connection fee for these "outside connections" from \$15 to \$30 per gallon per day; Local Law No. 18-2007 established criteria to ascertain whether an outside connection was in the best interests of the residents of an affected sewer district and the County at-large; and Local Law No. 20-2007 and Local Law No. 2-2017 established minimum affordable housing requirements for residential housing developments seeking to connect to a sewer district and a schedule of connection fee reductions for these developments; and

**WHEREAS**, Resolution No. 1104-2003 is inconsistent with these recently enacted local laws and, accordingly, should be repealed to ensure clarity in the County rules and consistency in the treatment of persons and entities which seek to connect to County sewer districts; now, therefore be it

**1st RESOLVED**, Resolution No. 1104-2003 and Chapter 1001 of the SUFFOLK COUNTY CODE are hereby repealed in their entirety; and be it further

**2nd RESOLVED**, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.
