RESOLUTION NO. - 2013, ADOPTING LOCAL LAW NO. -2013, A LOCAL LAW TO STRENGTHEN POLICY AGAINST DUAL PUBLIC SALARIES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on __________, 2013, a proposed local law entitled, "A LOCAL LAW TO STRENGTHEN POLICY AGAINST DUAL PUBLIC SALARIES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2013, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO STRENGTHEN POLICY AGAINST DUAL PUBLIC SALARIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk unanimously enacted Local Law 31-2011 which prohibits County elected officials from collecting another publicly-funded salary while serving the residents of Suffolk County.

This Legislature finds that Local Law 31-2011 exempted public school teachers and professors at public universities from this prohibition.

This Legislature further finds that is was never envisioned or intended by this Legislature that an individual employed full-time in any publicly-funded position, including teachers in public school districts and public university professors, might consider simultaneously serving the residents in Suffolk County in an elected capacity.

This Legislature seeks to hold itself to the highest ethical standards and believes that allowing an elected official of Suffolk County to serve in a full-time capacity in any other publicly-funded position would constitute a breach of the public trust and would deprive the residents he or she represents of the full personal attention required by the challenges of the day.

This Legislature wishes to reaffirm its commitment to the taxpayers and residents of Suffolk County and state unequivocally that it is neither legal nor ethical for a member of this Legislature or any County-wide official to remain employed in a full-time capacity by, and collect a full-time salary from, any other level of the government.

Therefore, the purpose of this law is to amend the County ethics statute and expressly prohibit the County's elected officials from working full-time as a teacher in a public school district or as a professor at a public university.
Section 2. Amendments.

Chapter 77 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Chapter 77: Ethics and Accountability

Part 1: Code of Ethics and Financial Disclosure

Article 1: Code of Ethics

* * * *

§ 77-4 Prohibition on dual office-holding; other provisions relating to political party officials.

* * * *

B. No elected official shall hold another paid position of employment with the County or a paid position of employment with any department, office, commission, board or agency of the United States of America, New York State, any town or village government, or public benefit corporation created under the provisions of New York State law. This provision shall not apply to an elected official who also holds a part-time position as a teacher in a public school district or a professor at a public university or college working less than 20 hours a week.

* * * *

Section 3. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality
(CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

**Section 6. Effective Date.**

This law shall take effect immediately upon filing in the Office of the Secretary of State.

This proposed local law would amend the County’s ethics code provision that bars elected officials from holding another paid position of public employment. Specifically, this law would narrow the existing exemption for public school teachers and public university professors, to exempt only those who hold part-time teaching positions.¹

I’m pleased to announce that the New York State Office of Children and Family Services (OCFS) has awarded a second Child Care Fraud Prevention and Detection Incentive grant of $59,998.00 to Suffolk County to continue to help prevent and reduce fraud in the child care subsidy program.

All funds for the second year of the grant must be used for services and expenses incurred through March 31, 2014. To receive reimbursement for expenditures, claims must be submitted no later than June 30, 2014. The district will claim expenditures according to the instructions outlined in 11-OCFS-LCM-14.

Thank you for your continued commitment to combatting child care subsidy fraud in your district. I will keep you updated on our ongoing efforts to address fraud and promote the integrity of our child care programs.

If you have any questions or would like more information about our child care subsidy fraud initiative, please do not hesitate to contact Michael Miller at (518) 408-3395 or by email at Michael.Miller@ocfs.ny.gov.

MEMORANDUM OF SUPPORT

TITLE OF BILL:

ACCEPTING AND APPROPRIATING 100% GRANT FUNDING IN THE AMOUNT
OF $59,998 FROM THE NEW YORK STATE OFFICE OF CHILDREN AND FAMILY
SERVICES TO THE SUFFOLK COUNTY DEPARTMENT OF SOCIAL SERVICES
FOR A CHILD CARE FRAUD PREVENTION AND DETECTION INCENTIVE GRANT

PURPOSE OR GENERAL IDEA OF BILL:

The purpose of this resolution is to accept and appropriate $59,998 (100% funded) grant award
from the New York State Office of Children and Family Services. This resolution will authorize
the utilization of these funds to assist New York State with their commitment in reducing fraud in
the childcare subsidy program.

SUMMARY OF SPECIFIC PROVISIONS:

The New York State Office of Children and Family Services have awarded Suffolk County as
the recipient of State Funding for $59,998 to assist in their multi-faceted, anti-fraud initiative to
identify and investigate suspected fraud cases. Suffolk County Department of Social Services
was awarded this funding, in a competitive selection process to help prevent and reduce fraud
in the childcare subsidy program. Funds will be utilized in accordance with the award from New
York State by enhancing the current proactive initiatives in place by the Special Investigations
Unit.

JUSTIFICATION:

The State has awarded Suffolk County use of these funds to further expand on our current fraud
prevention activities. These funds serve as an extension to the original grant awarded to Suffolk
County of $100,000 by NYS OCFS and appropriated by Resolution No. 338 of 2012. The
current award of $59,998 will be used to further those fraud activities. The Department of Social
Services had a great deal of success with the original award which yielded recoveries in the
amount of $255,825 allowing the funds to go back into the Child Care program for those families
in need of this important service. In addition, there is a positive benefit with these cases being
closed. The estimated amount of money Suffolk saved by closing these cases due to the fraud
in future years is estimated at $244,200 annually. In addition to childcare fraud, as investigators
were working on these cases, additional inconsistencies existed in other cases as well. An
additional $73,586 was uncovered in the recipients corresponding Temporary Assistance,
SNAP (Food Stamp) or Medicaid cases.

FISCAL IMPLICATIONS:

The requested resolution is to appropriate 100% grant funds, no cost to the county.

2013 INTERGOVERNMENTAL RELATIONS
MEMORANDUM OF SUPPORT

TITLE OF BILL: Amending the 2013 Capital Budget and Program and Appropriating Funds in Connection with Strengthening and Improving County Roads (CP 5014)

PURPOSE OR GENERAL IDEA OF BILL: This funding will provide for additional funding for the repair and/or resurfacing of roadways as well as related appurtenances such as drainage and curb at localized locations. This will improve both the surface and structural conditions of the road and significantly extend the life of various roadways. Preventive maintenance is necessary to provide safe highways and mitigate future costly reconstruction projects.

SUMMARY OF SPECIFIC PROVISIONS: revised estimates for engineering for CP 5557 (CR94) and no purchases of Hybrid and CNG vehicles (CP 5601 & 5602) have made $660,000 available for use as offsets for this request.

JUSTIFICATION: These funds enable Suffolk County Department of Public Works to issue work orders for preventive maintenance.

FISCAL IMPLICATIONS: Bonds will be issued to finance this project and principal and interest costs will be incurred over the life of the Bonds.

MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E. Commissioner
DATE: November 8, 2013
RE: Amending the 2013 Capital Program and Budget and Appropriating Funds in Connection with Strengthening and Improving County Roads (CP 5014)

Attached is a draft resolution appropriating the sum of $660,000 for construction services in connection with the above referenced project. There are insufficient funds included in the 2013 Capital Budget and Program for this project and, as such, an offset must be provided.

It is our intent to utilize the remaining funds from CP 5557 (Intersection Improvements on CR 94, Nugent Drive), as revised estimates for engineering have indicated a lower cost; CP 5601 (Hybrid Electric Vehicles), as there will be no purchase of Hybrid vehicles this year and CP 5602 (Alternate Fuel/Compressed Natural Gas Vehicles), as there will be no purchase of CNG vehicles this year.

The damage inflicted on Suffolk County roadways as a result of the volatile winter season of 2012/2013, coupled with normal wear and tear, has caused extensive damage to the roads. Additionally, since the court ruling of the County being responsible for the maintenance of System Roads, much of the annual funding for strengthening and improving County Roads has been used to bring many unsafe, hazardous System Roads up to County standards.

The services provided by this Capital Project includes excavation and replacement of existing deteriorated pavement, patching and other items of work required prior to the placement of new concrete or asphalt pavement, such as drainage, concrete curb and the installation of pavement markings consisting of thermoplastic striping and plowable all-weather reflective markers.

We will utilize this funding to supplement the $5,400,000 appropriated this year (adopted via Resolutions 459-2013 and 864-2013), to attempt to meet this year’s goal to improve roadways on the attached list. It may be necessary to add and/or substitute other roads and/or revise limits of work due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature under a previous version of the implementing rules and regulations of SEQRA and determined that the project constitutes a Type II action.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5014(S&I CRs Nov).doc”.

Re: INTRODUCTORY RESOLUTION REQUEST – TRANSFER OF FUNDS FROM PRISONERS’ COMMISSARY FUND TO GENERAL FUND

As you are aware, Sheriff DeMarco has been actively pursuing avenues to offset the cost of County government. In that regard, it has been recently determined that, if funds permit, non-mandated expenses, or a portion thereof, incurred in the course of operating our Prisoners’ Commissary, may be paid from the Sheriff’s Commissary Fund Account.

Per the 2013 Adopted Operating Budget, the Sheriff’s Office requests the introduction of a resolution to transfer $251,144.00 from the Sheriff’s Commissary Fund Account to the General Fund via Revenue Account 001-SHF-3150-2466 – Sheriff’s Reimbursement from Commissary.

Copies of a draft resolution, impact statement and introductory form are attached. An e-mail version was also sent to CE RESO REVIEW, under the titles:
