WHEREAS, the Town of Islip has agreed to cooperate with OASAS, the LGU and the Proposed Provider to transfer any records, materials or other items necessary to ensure that the Proposed Provider can assume operation of said services on November 1, 2012;

WHEREAS, the Proposed Provider must keep these transferred records in accordance with the New York State Record Retention and Disposition Schedule MU-1, a copy of which will be provided by the Town of Islip to the Proposed Provider;

WHEREAS, pursuant to NYS POL Article 6, the Proposed Provider will be responsible to address any and all Freedom of Information Law (FOIL) requests it receives regarding the transferred records, materials and other items, as they will no longer be in the possession of the Town of Islip; and

NOW, THEREFORE, Town of Islip and Proposed Provider hereby agree to all the terms, conditions, representations and warranties contained in all of the above WHEREAS clauses.

RESOLUTION NO. - 2013, ADOPTING LOCAL LAW NO. -2013, A LOCAL LAW TO IMPROVE THE PROCESS OF PROCURING, SURVEYING AND ENVIRONMENTAL ASSESSMENT SERVICES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2013, a proposed local law entitled, "A LOCAL LAW TO IMPROVE THE PROCESS OF PROCURING, SURVEYING AND ENVIRONMENTAL ASSESSMENT SERVICES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2013, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO IMPROVE THE PROCESS OF PROCURING, SURVEYING AND ENVIRONMENTAL ASSESSMENT SERVICES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Division of Real Property Acquisition and Management is required to maintain pools of qualified title insurance companies and appraisers, which are subject to legislative approval on a periodic basis.

This Legislature also finds that a 2010 audit report of the Suffolk County Comptroller recommended that the Suffolk County Legislature review and approve other lists of vendors used by the Division of Real Property Acquisition and Management in the land acquisition process, specifically surveyors and environmental assessment firms.

This Legislature determines that the Comptroller also recommended that the Division utilize a Request for Qualifications ("RFQ") process every three years to identify qualified vendors to assist the County's land acquisition process.

This Legislature concludes that the Comptroller's recommendations, if implemented, would promote competition and ensure fairness and transparency in the awarding of contracts.

Therefore, the purpose of this law is to require the Division of Real Property Acquisition and Management to issue a Request for Qualifications on a regular basis to identify qualified vendors to utilize in the land acquisition process, and to further require the Division to submit their lists of surveyors and environmental assessment firms for review and approval by the County Legislature.
Section 2. Amendments.

Article XXXV of the SUFFOLK COUNTY ADMINISTRATIVE CODE is hereby amended as follows:

Article XXXV. Department of Economic Development and Planning; Divisions of Planning and Environment and Real Property Acquisition and Management.

***

A35-3. Division of Real Property Acquisition and Management established; Division head.

***

E. There shall be within the Division of Real Property Acquisition and Management a pool of at least 10 qualified title insurance companies, which companies shall be designated by the Director of Real Estate of the Division of Real Property Acquisition and Management with the approval of the County Legislature by duly enacted resolution. Such information as may be reasonably necessary to evaluate the title insurance companies, including but not limited to certifications and licenses, shall be included with the resolution submitted for approval. Designation and approval of the pool of qualified title insurance companies by the County Legislature shall occur no less frequently than every [two] three years.

(1) At a minimum, any title insurance company must be qualified as a New York licensed title insurance company and must maintain such license in good standing for so long as it is involved in County real estate transactions. Proof of such license and certifications shall be submitted to the Director of Real Estate of the Division of Real Property Acquisition and Management on or before December 31 of each year. Further, any title insurance company in the pool must disclose to the Division of Real Property Acquisition and Management the organization of the company (i.e., sole proprietorship, partnership, corporation, limited-liability corporation, etc.), the identity of licensed agents who have the capacity to bind the company, and any other information relevant to the company or underwriter operations. No company utilizing the services of an agent or underwriter with a record of a felony conviction within the preceding 10 years shall be eligible to be enrolled in this pool.

(2) The Director of Real Estate of the Division of Real Property Acquisition and Management shall select on a rotating basis from the pool of title insurance companies to conduct County real estate transactions.

Such information as may reasonably be necessary to evaluate the appraisers or appraisal firms, including but not limited to curriculum vitae, certifications and other applicable licenses, shall be included with the resolution submitted for approval. Designation and legislative approval of the pool of qualified appraisers or appraisal firms shall occur no less frequently than every [two] three years. The Director of Real Estate of the Division of Real Property Acquisition and Management shall select from the pool as many outside appraisers as are necessary to conduct County appraisals. At a minimum, any real property appraisers must be qualified as New York certified general appraisers and must maintain such certification in good standing for so long as they conduct County appraisals. Appraisers, other than real estate appraisers, must maintain such professional licenses or other certifications or qualifications which, in the opinion of the Director of Real Estate of the Division of Real Property Acquisition and Management, are necessary to properly conduct County appraisals. Proof of such certification and licenses shall be submitted to the Director of Real Estate of the Division of Real Property Acquisition and Management on or before December 31 of each year. The Director of Real Estate of the Division of Real Property Acquisition and Management shall promptly forward copies of all such proof to the County Executive and the Clerk of the County Legislature. The selection of appraisers to perform services for the County in connection with the acquisition or disposition of any interest in real estate, from the legislatively approved biennial list, shall be done in a manner that includes administratively established professional criteria. The Division of Real Property Acquisition and Management will issue a Request for Qualification at least once every three years to identify qualified appraisers and professional engineers.

G. There shall be within the Division of Real Property Acquisition and Management a pool of qualified surveyors. The pool of surveyors shall be designated by the Director of Real Estate with the approval of the County Legislature, which approval shall be required once every three years. Such information as may be necessary to reasonably evaluate the qualifications of the environmental assessment firms, including but not limited to, curriculum vitae, certifications and applicable licenses, shall be submitted to the Legislature for approval. At a minimum, an environmental assessment professional must meet the minimum qualifications of an "environmental professional" as defined at 40 CFR § 312.10 and be capable of providing Phase I and Phase II
Environmental Site Assessments pursuant to the most current ASTM standards to remain in the County's pool of approved environmental assessment professionals. The Division of Real Property Acquisition and Management will issue a Request for Qualifications at least once every three years to identify qualified environmental assessment firms.

Section 3. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

RESOLUTION NO. -2013, ADOPTING LOCAL LAW NO. -2013, A CHARTER LAW TO STRENGTHEN FARMLAND PRESERVATION IN SUFFOLK COUNTY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on 2013 a proposed local law entitled, "A CHARTER LAW TO STRENGTHEN FARMLAND PRESERVATION IN SUFFOLK COUNTY"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2013, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO STRENGTHEN FARMLAND PRESERVATION IN SUFFOLK COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Suffolk County’s Farmland Preservation Program, by which the County purchases the development rights to agricultural lands, has successfully protected over 10,000 acres of farmland and helped preserve farming as a viable industry in our County.

This Legislature recognizes the enormous economic benefits associated with farming. A 2010 report of the State Comptroller found that Suffolk is the leading county in New York in total agricultural sales. Suffolk is the State’s top producer of greenhouse, nursery, and floriculture products and is home to one-quarter of the State’s wineries.

This Legislature finds that agriculture employs thousands of residents and is a critical component of the County’s tourism industry.

This Legislature finds that farmland preservation enjoys several other advantages over other kinds of land acquisitions. Preserved farmland remains on the tax roll and the County incurs no maintenance costs for these properties.

This Legislature determines that funding for the acquisition of farmland development rights has dwindled in recent years. Practically speaking, the Drinking Water Protection Program is now the sole source of funding for such acquisitions and these monies are available only on a “pay go” basis.

This Legislature also finds that an earlier iteration of the Drinking Water Protection Program dedicated a fixed percentage of the program’s revenues to the acquisition of farmland development rights. Under the current program, farmland must compete with open space, pine barrens, wetlands, woodlands and hamlet parks for diminishing revenues and there is no fixed amount allocated for farmland.
This Legislature concludes that the Drinking Water Protection Program should be amended to ensure that farmland preservation receives enough funding each year to remain viable.

This Legislature also determines that the Drinking Water Protection Program should be further refined to guarantee that only the most highly rated parcels are targeted for purchase by the County.

Therefore, the purpose of this law is to amend the Suffolk County Drinking Water Protection Program to dedicate a fixed amount of program revenues to farmland preservation and to ensure that only the highest rated properties, as determined by the professional staff in the Department of Economic Development and Planning, are targeted for acquisition by the County of Suffolk.

Section 2. Amendment.

Chapter 12 of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

Article XII.
SUFFOLK COUNTY DRINKING WATER PROTECTION PROGRAM

§ C12-2. Programmatic expenses.

A. Specific environmental protection:

(3) Beginning in 2014, at least 50% of unobligated projected sales tax revenues shall be allocated and utilized for the acquisition of farmland development rights. If the unobligated projected sales tax revenues allocated to the acquisition of farmland development rights are not expended in any year for such purpose, the unexpended revenue will be carried over as a fund balance and utilized for such acquisitions in subsequent years.

(4) Beginning in 2014, parcels receiving the minimum ratings set forth below shall be eligible for acquisition under this program:

<table>
<thead>
<tr>
<th>Description</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Farmland Development Rights</td>

<tr>

<td>50</td>
</tr>
<tr>
<td>Hamlet greens, hamlet parks, pocket parks</td>
<td>50</td>
</tr>
</tbody>
</table>
Parcels receiving ratings lower than those set forth herein shall be eligible for acquisition only if the federal government, the State of New York, a town, village or other interested party agrees to provide a minimum of 50% of the parcel's acquisition costs.

***

Section 3. Applicability.

This law shall apply to action occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

TITLE: I.R. NO. -2013; A CHARTER LAW TO STRENGTHEN FARMLAND PRESERVATION IN
SUFFOLK COUNTY

SPONSOR: LEGISLATOR KRUPSKI

DATE ADOPTED/NOT ADOPTED: CERTIFIED COPY RECEIVED:

This proposed charter law would amend the County's Drinking Water Protection Program to require, beginning in fiscal year 2014, that at least 50% of the unobligated projected sales tax revenues generated for the program's environmental protection component be utilized for the acquisition of farmland development rights.

Additionally, this law would tighten the eligibility criteria for proposed acquisitions under this program. Specifically, farmland acquisitions would have to achieve a score of 12 (out of 25 points) and other acquisitions, i.e. open space, wetland, woodlands, pine barrens, and hamlet parks, would have to score a 50 (out of 100 points) to be eligible for acquisition. Parcels receiving lower scores would not be eligible for acquisition unless the federal government, the State of New York, a town, village or other interested party agreed to pay at least 50% of the parcel’s acquisition costs.

This law, if enacted, will take effect on January 1, 2014.

RESOLUTION NO. 2013, ENHANCING AFFORDABILITY, PREDICTABILITY AND TRANSPARENCY BY IMPLEMENTING A NEW IMPACT ASSESSMENT FEE SCHEDULE

WHEREAS, the Suffolk County Department of Public Works ("Department") typically issues work permits when a new development or redevelopment occurs adjacent to a County roadway; and

WHEREAS, the Department also imposes an impact assessment fee on applicants before they issue a work permit based on the volume of traffic that will be generated by the development; and

WHEREAS, additionally, the Department sometimes requires property owners/developers to make access improvements around the site before they issue a work permit; and

WHEREAS, the costs associated with such improvements can be significant and may, in fact, limit the potential success of such project by draining working capital; and

WHEREAS, impact fees may in some cases be arbitrary and often are assessed after projected costs have been budgeted and, in some cases, after work has begun; and

WHEREAS, in some cases these costs may result in the abandonment or eventual failure of needed development projects; and

WHEREAS, it is necessary and prudent to implement a new impact assessment fee schedule that will streamline the Department's permitting process, provide transparency and cost certainty to applicants, encourage growth and job creation; now, therefore be it

RESOLUTION NO. - 2013, ADOPTING LOCAL LAW NO. -2013, A LOCAL LAW TO STRENGTHEN THE REGULATION OF PRECIOUS METAL AND GEM EXCHANGES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2013, a proposed local law entitled, "A LOCAL LAW TO STRENGTHEN THE REGULATION OF PRECIOUS METAL AND GEM EXCHANGES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2013, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO STRENGTHEN THE REGULATION OF PRECIOUS METAL AND GEM EXCHANGES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk enacted Local Law No. 18-2009 to extend to the secondary gem market record-keeping and reporting requirements that were long applicable to transactions involving precious metals.

This Legislature also finds and determines that some precious metal and gem exchange businesses are not complying with record-keeping and reporting requirements, electing to pay large fines instead.

This Legislature further finds and determines that in some instances, when a precious metal and gem exchange business has its license revoked by the Department of Labor, Licensing and Consumer Affairs, someone associated with the original licensee applies for a new license to ensure the continued operation of the business.

This Legislature finds that the Department of Labor, Licensing and Consumer Affairs should be empowered to deny the issuance of precious metal and gem exchange licenses at locations that have a history of unlawful activity.

Therefore, the purpose of this law is to empower the Department of Labor, Licensing and Consumer Affairs to deny a license application for the operation of a precious metal and gem exchange business at a particular location when an exchange operated at that same location and lost its license within the past two (2) years.

Section 2. Amendments.

Chapter 563 of the SUFFOLK COUNTY CODE is hereby amended as follows:
CHAPTER 563.
LICENSED OCCUPATIONS

Article IV. Precious Metal and Gem Exchanges.

§ 563-37. Licensed Required.

B. Every licensee shall maintain an establishment within the [State of New York] County of Suffolk.

§ 563-38. Authority to withhold license.

A. The Department, in its discretion, may refuse to issue a license to an applicant whose proposed business location was previously operated as a precious metal and gem exchange and the previous establishment's license to operate as same was revoked by the Department within the preceding two (2) years.

B. In determining whether to issue a license during the aforementioned two (2) year period, the Department shall determine whether the proposed licensee is a business entity separate and distinct from the precious metal and gem exchange that had its license revoked, or has acquired the predecessor exchange business through an arm's length transaction. If a transaction is found not to be an arm's length transaction, the Department shall not issue such license.

C. For the purposes of this section, "arm's length transaction" shall mean a sale or transfer of all interests in a precious metal and gem exchange business in the open market between an informed and willing buyer and seller, where neither is under any compulsion to participate in the transaction and is unaffected by any unusual conditions which indicate a reasonable possibility that the sale or transfer is being made for the purpose of permitting the original licensee to avoid the effect of the revocation of license. The following sales shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale, management agreement or other agreement giving the applicant control of the precious metal and gem exchange business, was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of the revocation of license:

1. a sale between relatives;

2. a sale between related companies or partners in business; or

3. a sale or other agreement giving the applicant control of the precious metal and gem exchange business, affected by other facts or circumstances that would
indicate that the transaction is entered into for the primary purpose of permitting the former operator to avoid the effect of the revocation.

§ 563-[40] 41. Required bond.

§ 563-[41] 42. Required records.

§ 563-[42] 43. Inspection of records.

§ 563-[43] 44. Required records.

§ 563-[45] 46. Temporary license pending issuance of permanent license.

§ 563-[46] 47. Exempted operations.

§ 563-[48] 49. Police order to hold property.

Section 3. Applicability.

This law shall apply to the licensing of precious metal and gem exchanges businesses occurring on or after the effective date of this law.
Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Suffolk County licenses precious metals and gem exchanges and requires such businesses to keep records of their transactions. This local law would authorize the Department of Labor, Licensing and Consumer Affairs ("Department") to withhold a license from any applicant whose proposed business location was previously operated as a precious metal and gem exchange and the prior establishment's license to operate as same was revoked by the Department within the preceding two (2) years.

In deciding whether to issue a license to an applicant meeting the criteria stated above, the Department must determine if the proposed licensee is a separate entity from the metal and gem exchange which had its license revoked or if the applicant acquired the business through an arm's length transaction on the open market. Sales between relatives, related companies or partners in business will be assumed not to be an arm's length transaction.

This law will take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. - 2013, ADOPTING LOCAL LAW NO. -2013, A LOCAL LAW TO AMEND LOCAL LAW NO. 26-2004 TO FURTHER REDUCE LIGHT POLLUTION FROM COUNTY-OWNED FACILITIES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2013, a proposed local law entitled, "A LOCAL LAW TO AMEND LOCAL LAW NO. 26-2004 TO FURTHER REDUCE LIGHT POLLUTION FROM COUNTY-OWNED FACILITIES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2013, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO AMEND LOCAL LAW NO. 26-2004 TO FURTHER REDUCE LIGHT POLLUTION FROM COUNTY-OWNED FACILITIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk enacted Local Law No. 26-2004, codified in Chapter 149 of the SUFFOLK COUNTY CODE, to require the use of fully shielded outdoor lighting fixtures to reduce light pollution at County-owned facilities.

This Legislature also finds and determines that advances in lighting technology over the past decade created high-quality, energy-efficient lighting in several forms, with high brightness LEDs becoming the most popular.

This Legislature finds that most LED white light has a substantial blue component, referred to in the lighting industry as "blue-rich white light".

This Legislature determines that blue-rich white light is linked with a higher incidence of glare, particularly outdoors from dusk to dawn. This type of light is also more difficult for human eyes to process as people age.

This Legislature finds that blue-rich white light also creates higher levels of light pollution in the night sky, introducing a portion of the light spectrum which is not currently contributing substantially to such pollution.

This Legislature further finds that blue-rich white light is also associated with disruption of circadian rhythms and melatonin secretion in humans and animals. Disruption of these functions can change the instinctual habits of wildlife living near such light sources.
This Legislature further determines that the County should commit to utilizing only warmer colored outdoor lights at its facilities to protect the health and well-being of residents and protect the County's ecological systems.

Therefore, the purpose of this local law is to amend Chapter 149 of the SUFFOLK COUNTY CODE to require all outdoor lighting purchased or replaced by the County to use "warm white" light sources.

Section 2. Amendments.

DEPARTMENT OF FIRE, RESCUE AND EMERGENCY SERVICES

2013 INTERGOVERNMENTAL RELATIONS
MEMORANDUM OF SUPPORT

TITLE OF BILL:
APPROPRIATE FUNDS IN CONNECTION WITH FRES CAD/COMMUNICATIONS CENTER
REHABILITATION/UHF COMMUNICATIONS INFRASTRUCTURE (CAPITAL PROGRAM
NUMBER 3416)

PURPOSE OR GENERAL IDEA OF BILL:
Appropriate funds for the design, procurement and installation of an Ultra-High Frequency
(UHF) spectrum simulcast communications equipment capability at the Suffolk County Fire,
Rescue Communications pursuant to CP3416 and the 2013 Adopted Capital Program.

SUMMARY OF SPECIFIC PROVISIONS:
Establish funding for the design, procurement, and installation of an Ultra-High Frequency
(UHF) spectrum simulcast communications system at the Suffolk County Fire Rescue
Communications Center through installation of UHF transmitters at up to thirteen current tower
sites. This will result in the capability to once again communicate with current UHF fire agency
users and migrate current fire department paging from the Low Very High Frequency spectrum
(LOW-VHF) to the UHF spectrum, simulcast during the transition on both, and through these
actions significantly improve the alerting/paging and communications interoperability with the
fire service.

JUSTIFICATION:
Since its formation Suffolk Fire Rescue has supported the one hundred and seven fire
departments of Suffolk County through the use of a low band Very High Frequency (LOW-VHF)
system. Much of the equipment in the system is outdated, the spectrum is being abandoned and
most of the local fire agencies have all migrated off LOW-VHF onto Ultra-High Frequency (UHF)
equipment. This migration forced the use of cross banding equipment and other after-market
solutions to maintain the level of service required for the fire departments. Even given this
measure Suffolk Fire Rescue has lost the ability to primarily, or simply in a back-up capacity
alert the local fire department.

FISCAL IMPACT: Issuance of serial bonds.

TITLE OF BILL: Amending the 2013 Capital Budget and Program and Appropriating funds in Connection with the Installation of a Closed Loop Signal System on Various County Roads (CP 3309)

PURPOSE OR GENERAL IDEA OF BILL: This funding will provide for engineering and design for phase 9 in connection with the Closed Loop Signal System.

SUMMARY OF SPECIFIC PROVISIONS: This Capital Program is not in the current Capital Budget, however, as this is a federally aided project with 80% reimbursement, an offset is not required, pursuant to Suffolk County Charter, Section C4-13.

JUSTIFICATION: These funds will enable Suffolk County Department of Public Works to continue with phase 9 of the Closed Loop Signal System for Suffolk County.

FISCAL IMPLICATIONS: Bonds will be issued to finance this project and principal and interest costs will be incurred over the life of the Bonds.
MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E. Commissioner
DATE: April 30, 2013
RE: Amending the 2013 Capital Budget and Program and Appropriating Funds in Connection with the Installation of a Closed Loop Signal System on Various County Roads (CP 3309)

Attached is a revised draft resolution and duplicate copy to appropriate the sum of $1,300,000 for engineering in connection with the above referenced project. There are no funds included in the 2013 Capital Budget and Program for this project, however, pursuant to the Suffolk County charter, Section C4-13, an offsetting authorization is not required on amendments which are financed in an amount of at least fifty percent (50%) by Federal or State aid.

These funds are requested for design services for phase 9 of the Closed Loop Signal System that has been gradually designed and constructed within Suffolk County over the last 11 years. The Closed Loop Signal System allows for signals along County Roads to be electronically interconnected to the centralized traffic signal system at the County office in Yaphank, which will then enable new traffic signal timing plans to be developed and installed to provide coordinated traffic movement and improved traffic flow.

This is a Federally funded project. Mandated milestones must be met to insure that Federal funds are obtained. Recent changes to the procedures for obtaining final Federal authorization require that the County pass a resolution and have local and State contracts in place prior to final authorization.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP3309(Closed Loop Eng) (revised).doc".

SECTION 2.  PURPOSE

Section 2.01 The parties acknowledge that TENANT is a municipal corporation and is entering into and executing this First Extension by virtue of the authority set forth in Resolution No. 2013, for the use of the Demised Premises as space for the Fifth District Court and/or other administrative and executive offices. No other use will be permitted without the LANDLORD’s prior consent, which consent will not be unreasonably withheld.

Section 2.02 LANDLORD warrants that it holds such title to or other interest in the Demised Premises and other property as is necessary to give and fully provide the TENANT with access to the Demised Premises and full use and enjoyment thereof in accordance with the provisions of this First Extension.

Section 2.03 LANDLORD warrants that the intended use of the Demised Premises is a permitted use under LANDLORD’s title to the Demised Premises and that LANDLORD knows of no covenant, restriction, or other agreement which would prevent such use or occupancy. LANDLORD further certifies that no covenants, restrictions, or other impediments to title have been added since the date of the issuance of the title insurance policy.

SECTION 3.  TERM

Section 3.01 The term of this First Extension shall commence on March 1, 2014, (the “Commencement Date”) and shall expire twelve (12) years later on February 28, 2026 (the “Expiration Date”), or on such earlier date as this First Extension may terminate or expire as provided for herein; provided, however, that if such date does not fall on a “Business Day” defined below, then this First Extension shall end on the next Business Day.

For the purposes of this First Extension and all agreements supplemented to this First Extension, the term “Business Day” means any day except a Saturday, Sunday, or any day on which commercial banks are required or authorized to close in Suffolk County, New York.

SECTION 4.  RENT

Section 4.01 “Annual Base Rent” for the Demised Premises for the first year of the Term shall be $343,000.00, beginning on the Commencement Date. The COUNTY’s obligation to pay Annual Base Rent shall be abated for the first three (3) months of the Term, (not including Custodial Charges hereinafter described which shall be payable throughout the Term) and the actual payment of Annual Base Rent shall begin three (3) months after the Commencement Date (“Rent Commencement Date”).

Annual Base Rent shall include insurance, maintenance, and common area charges. For purposes of this First Extension, common area charges mean those costs and expenses incurred by LANDLORD for operating, maintaining and repairing the areas of the building and land provided for the common use or benefit of the TENANT, LANDLORD, the other tenants of the building and land.

Section 4.02 Commencing on the first anniversary date of the Commencement Date, and on each anniversary date thereafter, Annual Base Rent shall increase by 2% over the Annual Base Rent in the preceding year.
Section 4.03 Added to Annual Base Rent shall be the annual fixed amount of $36,960 per year, as “Custodial Charges.” Services which are to be provided in exchange for payment of Custodial Charges shall be in accordance with the cleaning specifications attached hereto as Exhibit A, hereinafter called “Custodial Services”. TENANT agrees to pay, as an “Expense,” defined below in Section 4.07, any increase over the Custodial Charge upon submission of a voucher by LANDLORD, in conformance with Section 4.07 below. TENANT may at any time, upon reasonable written notice to LANDLORD, review Custodial Charges and may elect to terminate Custodial Services by LANDLORD for any reason, upon providing not less than forty-five (45) days written notice to LANDLORD. Upon termination of Custodial Services, the rental amounts set forth below shall be reduced by the amount of $36,960 per year. Partial months shall be prorated.

Section 4.04 “Total Rent” for the Demised Premises, which amount shall include the sum of the amounts set forth in Sections 4.01, 4.02 and 4.03 shall be as follows:

Section 4.05 Total Rent for the Demised Premises shall be payable by TENANT to LANDLORD, at LANDLORD’s address first set forth above, or at such other place designated by LANDLORD in writing, in equal monthly installments, in advance; on the first day of each calendar month during the Term, except, however, the first monthly payment shall be payable within thirty (30) days of the TENANT’s receipt of a signed voucher, in accordance with Section 4.06 below. Partial months shall be prorated.

Section 4.06 The Commencement Date set forth at Section 3.01 shall be the operative determinant for annual rent escalations.

Section 4.07 LANDLORD recognizes that TENANT is a municipal corporation whose financial obligations are strictly regulated by statute. The duly constituted rules, regulations, and proceedings of said municipality require that the payment of Total Rent shall only be made in accordance with such statutes. As part of said procedures, it is necessary that LANDLORD submit vouchers provided by TENANT for the payment of Total Rent hereinabove provided, and any other reasonable documentation as may be required by TENANT for payment of Expenses, as defined in Section 4.08, or other charges under the terms of this First Extension. LANDLORD hereby agrees to submit such vouchers and all reasonable documentation of Expenses or other charges timely and as may be reasonably requested by TENANT’s Department of Audit and Control within one hundred eighty (180) days following the end of the calendar year in which such cost or expense relating to the request for payment was incurred. TENANT agrees to deliver vouchers to LANDLORD at least ten (10) Business Days after a request from LANDLORD for a
voucher(s) to be submitted for payment of an Expense. Failure to submit the vouchers within one hundred and eighty (180) days following the end of the calendar year in which such cost or expense was incurred shall constitute grounds for the TENANT to deny payment for the same. If TENANT fails to deliver the vouchers as required hereunder, then LANDLORD shall not be required to submit the undelivered vouchers as a condition to its right to receive any payment to which such voucher relates, and the failure of LANDLORD to submit such undelivered voucher to TENANT shall not prevent or constitute a condition to LANDLORD’s ability to exercise its rights pursuant to Section 25. Once completed by LANDLORD, LANDLORD shall submit the vouchers to TENANT. By submitting completed vouchers for Total Rent, LANDLORD shall have satisfied its obligation to request payment of Total Rent hereunder for the entire calendar year.

Section 4.08 Any sums, charges, fees, expenses, or amounts to be paid by TENANT pursuant to the provisions of this First Extension, other than Total Rent, shall be designated as and deemed to be “Expense(s)” and shall be payable by TENANT to LANDLORD, as additional rent, within sixty (60) days after LANDLORD gives TENANT written notice that such payment is due, together with a voucher, and any supporting documentation reasonably required by TENANT, for the amount of such Expense, unless otherwise provided in this First Extension except that any Expense submitted for the payment of “Real Estate Taxes,” defined at Section 8.01 shall be payable within thirty (30) days after LANDLORD has given TENANT written notice that such payment is due, together with a voucher and supporting documentation. LANDLORD shall have the same rights and remedies upon TENANT’s failure to pay Expense as for the non-payment of the Total Rent and TENANT’s obligations to make adjustments of Expenses referred to in this First Extension, shall survive any expiration or termination of this First Extension.

Section 4.09 Acceptance of rent from other than named TENANT shall in no event be deemed the acceptance and acquiescence to any assignment or subletting of the Demised Premises in whole or in part. No payment by TENANT or receipt by LANDLORD of an amount less than the monthly rent then due, including additional rent, shall be deemed to be other than on account of the stipulated rent, nor shall any endorsement or extraneous matter on any check or in any letter accompanying such payment of rent affect the terms of this First Extension or be deemed an accord and satisfaction, and LANDLORD may accept such payment without prejudice to any of its rights.

SECTION 5. UTILITIES

Section 5.01 Provided the TENANT is not in default under any of the covenants of this First Extension, LANDLORD shall provide during “Working Hours” (Monday through Friday from 8:00 a.m. to 6:00 p.m. and Saturdays from 8:00 a.m. to 1:00 p.m., holidays excepted: (a) necessary elevator facilities; (b) heat to the Demised Premises when and as required by law; (c) water for ordinary lavatory purposes; and (d) air conditioning/cooling at reasonable temperatures, pressures and degrees of humidity and in reasonable volumes and velocities at suitable locations will be furnish during Working Hours when it may be required for the comfortable use and occupancy of the Demised Premises by the TENANT, (e) electricity to the Demised Premises

Section 5.02 All costs, fees, and charges for public or private utility services for the Demised Premises during the Term (i.e. water, gas, and electric), together with any taxes thereon, shall be paid as indicated on the “Landlord-Tenant Responsibilities Sheet” annexed as Exhibit B. If the charge is a TENANT charge, it shall be paid by TENANT directly to the applicable utility company. Any utility connections required to be made following the Commencement Date shall be a TENANT charge.
SECTION 6. REAL ESTATE TAXES

Section 6.01 LANDLORD shall pay all Real Estate Taxes, as defined below, during the entire Term of this First Extension. TENANT agrees to reimburse LANDLORD, as an Expense, its "Proportionate Share" of Real Estate Taxes levied upon the building, and land of which the Demised Premises form a part. For purposes of this First Extension, "Proportionate Share" means 14.83% of the taxes now properly allocable to the buildings of which the Demised Premises are a part (Building 4 on the Site Plan annexed as Exhibit VI to the Original Lease) and 16.39% of the taxes properly allocable to the land on which Building 1, 2, 3, and 4 on the Site Plan are located. Such percentages are to be adjusted for any future additions to the building or to the land.

The term "Real Estate Taxes" shall mean and be deemed to include all real property taxes, assessments, county taxes, transit taxes, or any other governmental charge of a similar nature whether general, special, ordinary, or extraordinary, foreseen or unforeseen, of any kind or nature whatsoever, including without limitation, assessments for public improvements or benefits. If, due to a change in the method of taxation, any franchise, income, profit, sales, rental, use and occupancy, or other tax shall be substituted for or levied against LANDLORD or any owner of the building and/or the land in lieu of Real Estate Taxes hereinabove defined, upon or with respect to the building or the land, such tax shall be included in the term "Real Estate Taxes". Nothing contained herein shall be construed to include as "Real Estate Taxes" any inheritance, estate, succession, transfer, gift franchise, corporation, income or profit tax, or capital levy that is or may be imposed upon LANDLORD.

Section 6.02 Any and all demands by LANDLORD to TENANT for reimbursement by TENANT of Real Estate Taxes shall be submitted to TENANT within one hundred eighty (180) days of the receipted tax bill. Failure to timely submit the receipted tax bill shall result in forfeiture of the right to reimbursement described under this paragraph heading. LANDLORD shall not be penalized nor shall TENANT be subject to any forfeiture of Expenses if LANDLORD’s receipt of any paid bill for taxes or special assessments is delayed for reasons beyond LANDLORD’s control.

Section 6.03 TENANT shall not be responsible to pay interest on any unpaid installment due to a late payment of any Real Estate Taxes by LANDLORD, which may hereafter be levied, imposed, or assessed against or upon the building and/or the land upon which the Demised Premises are located.

Section 6.04 Any Real Estate Taxes relating to a fiscal period of the taxing authority, a part of which period is included within the Term and a part of which is included in a period of time after the Expiration Date, shall be adjusted between LANDLORD and COUNTY so that COUNTY shall pay only that portion of such Real Estate Taxes allocable to the portion of such fiscal period which coincides with the Term, and LANDLORD shall pay the remainder thereof.

Section 6.05 LANDLORD represents to TENANT that TENANT’s Proportionate Share as defined under Section 6.01 represents the ratio, in the form of a percentage, of the Demised Premises to the entire building. LANDLORD agrees that should LANDLORD make any additions or alterations to the building of which the Demised Premises form a part, in either case for its own use or for the use of the tenant occupants of the building, that TENANT herein shall only pay its Proportionate Share, as adjusted, of the Real Estate Taxes.

Section 6.06 LANDLORD shall have the sole, absolute and unrestricted right, but not the obligation, at any time and from time to time to contest, dispute or protest any Real Estate Taxes
against or affecting the Demised Premises, and/or the tax lot(s) of which the Demised Premises are or become a part, whether by means of negotiations, agreement, legal proceedings or otherwise. In the event LANDLORD shall institute any contest, dispute or protest, it shall have the sole, absolute and unrestricted right to settle any negotiations, contests, proceedings or actions upon whatever terms LANLORD may in its sole discretion determine. Should LANLORD be successful in any such reduction proceedings and obtain a rebate for any year for which TENANT has made a tax payment, proved TEANTN is not in default under this First Extension, LANDLORD shall, after deducting its expenses, including without limitation, attorney’s fees and disbursements in connection therewith, send TENANT a check for TEANTNS share of such rebate.

SECTION 7. PARKING

Section 7.01 During the term of this First Extension, LANDLORD shall provide unobstructed, paved parking spaces contiguous to the subject building wherein the Demised Premises are located, and under the control of LANDLORD, which parking shall be in compliance with all requirements of any “Governmental Authority.”

For purposes of this First Extension, “Governmental Authority” means the United State of America, the State of New York, the County of Suffolk, and any other city, municipality, village, town, department, board, or instrumentality of any and/or all of the foregoing, or any quasi-governmental authority, now existing or hereafter created, and any officer thereof, having jurisdiction over the Demised Premises.

Section 7.02 LANDLORD covenants and represents that it is the ground lessee of the property located south of the Demised Premises and north of Veterans Memorial Highway. Landlord further covenants and agrees that, except for the Enterprise Rental Car building, the aforesaid property lying between the Demised Premises and Veterans Memorial Highway shall be used exclusively for parking purposes during the Term of this Lease. No structure shall be erected thereon so as to obstruct visibility of the demised Premises from Veterans Memorial Highway without the prior written consent of TENANT.

SECTION 8. DELIVERY AND CONDITION

Section 8.01 TENANT hereby acknowledges and agrees that TENANT has used and occupied the Demised Premises for a continuous period and TENANT hereby accepts the Demised Premises in its “as is” condition.

Section 8.02 TENANT agrees that LANDLORD shall not be required to perform any work or furnish any materials to prepare the Demised Premises for TENANT’s occupancy except as specifically set forth in the attached “LANDLORD’s Work Letter,” annexed hereto as Exhibit C.

Section 8.03 At any time, and from time to time after execution of this First Extension and during the Term, the agents and employees of the TENANT may, upon reasonable notice to LANDLORD, enter upon the Demised Premises to determine the potential or actual compliance by LANDLORD with the requirements of this First Extension, which purposes shall include, but not be limited to: (i) inspecting, sampling, and analyzing suspected asbestos-containing materials; (ii) air quality monitoring; (iii) inspecting heating, ventilation, and air conditions systems, maintenance records, and mechanical rooms for the Demised Premises; (iv) inspecting for any leaks, spills, or other potentially hazardous conditions; and (v) inspecting for any current or past hazardous waste operations to ensure that appropriate mitigative actions were taken to alleviate
any activities determined by the TENANT to not be in compliance with environmental standards as set forth in any pertinent Federal, State, or local laws.

Section 8.04 Nothing in Section 8.03 shall be construed to create a duty on TENANT to inspect or to impose a higher standard of care than on other lessees. The purpose of Section 8.03 is to promote the ease with which TENANT may inspect the Demised Premises and report unacceptable conditions to LANDLORD. Nothing in Section 8.03 shall act to relieve LANDLORD of any duty to inspect or of any liability that may arise as a result of LANDLORD’s failure to inspect for, or correct a hazardous condition.

SECTION 9. MEASUREMENT OF DEMISED PREMISES

Section 9.01 At any time following the Commencement Date, TENANT shall have the right, upon notice delivered to LANDLORD to measure the Demised Premises. In the event any such measurement pursuant to this Section 9.01 indicates that the actual square footage is lower than the number set for at Section 1.01 hereinafore, or otherwise agreed upon by LANDLORD and TENANT, the parties shall execute an agreement amending Section 1.01 to reflect the lower, actual square footage of the Demised Premises and adjust rent accordingly. In no event shall TENANT be required to pay for space in excess of that set forth in Section 1.01 unless the increase in building space is the result of a written request by TENANT.

SECTION 10. PREVAILING WAGE

Section 10.01 In the event any construction or reconstruction of the Demised Premises constitutes public work under Article 8 of the Labor Law, LANDLORD agrees to comply with the prevailing wage requirements in connection with such construction or reconstruction of the Demised Premises.

Section 10.02 LANDLORD is advised to fully familiarize itself with all applicable provisions of the New York State Labor Law and more specifically, Article 8, Public Work. If applicable, it is the responsibility of LANDLORD to provide each of its contractors/subcontractors with the prevailing wage rate schedule.

SECTION 11. LAWFUL HIRING OF EMPLOYEES LAW IN CONNECTION WITH CONTRACTS FOR CONSTRUCTION OR FUTURE CONSTRUCTION

Section 11.01 This agreement is subject to the Lawful Hiring of Employees Law of the County Of Suffolk, Suffolk County Code Chapter 353, as more fully set forth in Exhibit D entitled "Suffolk County Legislative Requirements." In accordance with this law, LANDLORD and any subcontractor or owner, as the case may be, agrees to maintain the documentation mandated to be kept by this law on the construction site at all times. LANDLORD and any subcontractor or owner, as the case may be, further agree that employee sign-in sheets and register/log books shall be kept on the construction site at all times during working hours and all covered employees, as defined in the law, shall be required to sign such sign in sheets/register/log books to indicate their presence on the construction site during such working hours.
SECTION 12.  EFFECT OF ACCEPTANCE AND OCCUPANCY

Section 12.01  TENANT’s occupancy of the Demised Premises, shall not be construed either as a waiver of any requirement of or right of the TENANT under this First Extension, or as otherwise prejudicing the TENANT with respect to any such requirement or right.

SECTION 13.  CARE AND REPAIR OF DEMISED PREMISES BY TENANT

Section 13.01  During the Term of this First Extension, and subject to the provisions of Section 15, TENANT shall, at TENANT’s sole cost and expense, make and be responsible for all repairs and replacements relating to the Demised Premises which are not caused by or due to a Latent Defect, and which are in accordance with Exhibit B, as well as those repairs and/or replacements which are made necessary by: (1) the performance of any “Alterations,” defined in Section 14.01, made by TENANT; (2) the negligent use or operation of TENANT’s property or fixtures; (3) the moving of TENANT’s property or fixtures in, out or about the Demised Premises; (4) the negligence or misuse of the Demised Premises by TENANT or its officers, employees, personnel, agents, representatives, contractors, subcontractors, or invitees. All repairs made by or on behalf of TENANT shall be at least equal in quality and design to the original construction of the Demised Premises.

Section 13.02  In the event either TENANT or LANDLORD choose to terminate the provision of Custodial Services by the LANDLORD, in accordance with the provisions of Section 4.03 of this First Extension, LANDLORD shall have no further obligation to provide or perform Custodial Services and TENANT shall be obligated to perform the same at its sole cost and expense.

SECTION 14.  ALTERATIONS

Section 14.01  TENANT shall have the right, during the term of this First Extension, to make any “Alterations,” meaning any alterations, installations, improvements, additions, or renovations to the Demised Premises or any part or portion thereof, with the prior consent of the LANDLORD, which are non-structural and do not affect interior and exterior walls, the foundation or roof of the building and which do not affect or pertain to any plumbing, electrical, heating, ventilation, air-conditioning, mechanical, vertical transport, or other systems and equipment (collectively “Building Systems”). TENANT shall not make Alterations that are structural or affect the interior and exterior walls, foundation or roof of the building, or affect or pertain to any Building Systems.

TENANT shall deliver to LANDLORD a copy of the final plans and specifications showing the actual construction for all Alterations. LANDLORD shall have the right, but not the obligation, to review and supervise any Alterations performed at the Demised Premises.

Section 14.02  All Alterations, excluding TENANT’s trade fixtures, moveable office furniture, and moveable equipment, installed in the Demised Premises, either by TENANT or by LANDLORD on TENANT’s behalf, shall become the property of LANDLORD and shall remain upon and be surrendered with the Demised Premises upon the expiration or earlier termination of the First Extension. Nothing in this Section 14 shall be construed to give LANDLORD title to, or to authorize LANDLORD to prevent TENANT’s removal of trade fixtures, moveable office furniture and equipment.

Section 14.03  LANDLORD and TENANT agree that the Demised Premises and any construction, reconstruction, renovation, or alteration of the Demised Premises shall comply with the standards for new construction set forth by 28 C.F.R. Part 36, including Appendix A, the
Americans with Disability Act Accessibility Guideline (ADAAG), and any local and state codes. If the standards and guidelines conflict, the more stringent code requirements shall be followed. It is further agreed that the heating, ventilating, and air conditions systems in the Demised Premises shall conform to the American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) standards.

SECTION 15. CARE OF DEMISED PREMISES BY LANDLORD

Section 15.01 The Demised Premises, as a whole, are properly constructed and delivered to the TENANT in good condition. Except in case of damage arising out of the willful act or negligence of TENANT, its officers, employees, agents, or invitees, and subject to the provisions of Section 13, LANDLORD shall maintain and promptly repair the Demised Premises, including the building, Building Systems and all equipment, fixtures, and appurtenances furnished by the LANDLORD under this First Extension, to keep same in good repair and condition, and in accordance with general industry practice in the operation of such a building, so that they are suitable in appearance and capable of supplying such heat, air conditioning, light, ventilation, water, access and other things to the Demised Premises, without reasonably preventable or recurring disruption, as is required for the TENANT’s access to, occupancy, possession, use and enjoyment of the Demised Premises as provided in this First Extension, at LANDLORD’s sole cost and expense.

Section 15.02 Subject to Excusable Delays, and in the absence of gross negligence on the part of the TENANT, LANDLORD guarantees that the Demised Premises shall continually have heat, electricity, air conditioning, and plumbing available for use by the TENANT. It is hereby understood and agreed that the heating and air conditioning systems will be kept under a uniform and systematic program of service and repair as prescribed according to manufacturer specifications, solely at LANDLORD’s expense. If any existing heating and air conditioning systems are inadequate to provide a consistent degree of comfort, LANDLORD shall, at its own expense, replace or modify the system to assure consistent comfortable temperatures.

Section 15.03 LANDLORD shall have a building superintendent or a locally designated representative available to promptly correct deficiencies and keep the TENANT notified of the name of that person or persons as well as with all contact information.

Section 15.04 In addition to the LANDLORD’s obligations under Section 19.01, and subject to the provisions of Section 17, LANDLORD shall further make all necessary repairs, replacements and perform maintenance, at no additional cost to TENANT, as follows:

a. to the exterior and to the structure of the building, including roof and roofing;
b. to the exterior water, gas and electrical services, including drainage structures, cesspools, septic tanks and all connecting piping; it being specifically understood that in no event shall LANDLORD be liable for failure of any service provided by an independent utility provider;
c. to the interior walls, ceiling, floors and floor coverings when such are made necessary because of faulty construction, LANDLORD’s failure to keep structure in proper repair, structural failure, or roof leaks;
d. to the plumbing, heating, (including all underground tanks and fuel oil supply and return lines) electrical and air conditioning systems:
e. made necessary by fire or other peril covered by the standard extended 
coverage endorsement on fire insurance or by reason of war, wind, or Acts of 
God, contents excepted;
f. landscaping and general maintenance of landscaped areas of the Building;
g. building maintenance, interior and exterior; and
h. to all items designated as LANDLORD responsibility as shown in Exhibit C.

Section 15.05 TENANT shall give to LANDLORD prompt written notice (notice by fax or e-
mail being acceptable) of any accidents, damage to, or defects in the roof, the exterior of the 
building, plumbing, electrical service, electrical lights, or HVAC apparatus. Absent misconduct 
by the TENANT, these defects shall be remedied by LANDLORD.

Section 15.06 LANDLORD agrees, at its sole cost and expense, to perform all necessary 
maintenance, repairs, and replacements to the Demised Premises caused by the negligence or 
willful misconduct of LANDLORD, and LANDLORD’s employees, agents, contractors, and 
subcontractors. TENANT shall notify LANDLORD of the need for any such repair or 
replacement promptly after TENANT becomes aware of the need for the same.

Section 15.07 LANDLORD shall provide timely maintenance testing and inspection of the 
Demised Premises and the building equipment and systems in accordance with applicable codes. 
Inspection certificates must be displayed as required by law, including annual testing and 
maintenance of fire extinguishers.

Section 15.08 Neither LANDLORD nor its custodial contractor shall be liable for 
consequential or other damages to either person or property caused by any reason beyond 
the reasonable control of LANDLORD, including of the following enumerated matters, 
nor shall LESSOR be deemed to have evicted TENANT, nor shall there be any 
abatement of Annual Rent (except as otherwise provided hereunder), nor shall TENANT 
be relieved from performance of any covenant on its part to be performed hereunder by 
reason of: (i) failure by LESSOR or its custodial contractor to furnish any Janitorial 
Services due to reasons beyond the reasonable control of LANDLORD or its custodial 
contractor; or (ii) breakdown of properly maintained equipment or machinery and the 
reasonably prompt repair of such equipment or machinery utilized in supplying any 
Janitorial Services; or (iii) cessation of any Janitorial Services due to causes or 
circumstances beyond the boundaries of the Premises and not caused by LANDLORD or 
its custodial contractor and which is beyond LANDLORD’s or LANDLORD’s custodial 
contractor’s reasonable control. LANDLORD and its custodial contractor shall use 
reasonable diligence to make such repairs as may be required to machinery or equipment 
within the Building to provide restoration of any Janitorial Services.

Section 15.09 During the Term of this First Extension, LANDLORD shall provide any and all 
necessary exterminating, fumigating, or treatment for rodent, vermin, or insect infestation 
reported by TENANT, or discovered by LANDLORD unless such infestation results from 
TENANT’s misuse or gross negligence, in which case such extermination, fumigation, or 
treatment shall be performed at TENANT’s sole cost and expense. Such extermination, 
fumigation, or treatment to be performed by a New York State Environmental Conservation 
certified applicator subject to the provisions of Chapter 647 of the Suffolk County Code.
SECTION 16. INSURANCE

Section 16.01 TENANT shall procure and keep in full force and effect at its own cost and expense liability insurance in which policy LANDLORD or, in the event TENANT is requested in writing by LANDLORD, LANDLORD’s Mortgagee, or their successors or assigns, shall be named as an additional insured in an amount not less than One Million Dollars ($2,000,000.00) per occurrence for bodily injury and One Million Dollars ($2,000,000.00) per occurrence for property damage, and shall furnish LANDLORD with proof of same. This insurance is to be excess over any other valid and collectible insurance except insurance that is written specifically as excess over the limits of liability that apply to this policy.

Section 16.02 Notwithstanding the foregoing, TENANT, at its sole option, subject to TENANT being in full compliance with all applicable New York State, local and federal regulations regarding TENANT’s self-insurance program and subject to TENANT’s satisfying the Self-Insurance Standard, may elect to be either partially or totally self-insured and thereby assume responsibility for that portion of the liability insurance for which it is insured. In this case, TENANT must notify LANDLORD of its self-insured status by a signed writing. This self-insurance is to be excess over any other valid and collectible insurance.

Section 16.03 TENANT shall only provide liability insurance, naming the LANDLORD as an additional insured, for the area leased. The LANDLORD is required to provide commercial general liability insurance, naming the TENANT as an additional insured, for all common areas or any other areas of the building not leased to the TENANT, including parking areas and walkways, regardless of whether the areas are designated for the TENANT’s use including contractual liability coverage, in an amount not less than Two Million Dollars ($2,000,000.00) per occurrence for bodily injury and Two Million Dollars ($2,000,000.00) per occurrence for property damage.

a. All policies providing such coverage shall be issued by insurance companies with an A.M. Best rating of A- or better.

b. LANDLORD shall furnish to the TENANT current declaration pages for each policy of insurance, other than a policy for commercial general liability insurance, and upon demand, a true and certified original copy of each such policy evidencing compliance with the aforesaid insurance requirements. In the case of commercial general liability insurance, the LANDLORD shall furnish a declaration page or insuring agreement and endorsement page evidencing the COUNTY’s status as an additional insured on said policy, and upon demand, a true and certified original copy of such policy evidencing compliance with the aforesaid insurance requirements.

c. All evidence of insurance shall provide for the Department to be notified in writing thirty (30) days prior to any cancellation, nonrenewal, or material change in the policy to which such evidence relates. It shall be the duty of the LANDLORD to notify the TENANT immediately of any cancellation, nonrenewal, or material change in any insurance policy.

d. In the event LANDLORD shall fail to provide the proof of insurance required under this Section 20.03, the TENANT may, but shall not be required to, obtain such policies and deduct the cost thereof from payments due the LANDLORD under the First Extension or any other agreement between the TENANT and the LANDLORD.
Section 20.04 All risk of loss from fire or any other peril causing damage or destruction to the Demised Premises or any other real or personal property of LANDLORD during the Term shall be borne by LANDLORD. Any property insurance policy(s) obtained by LANDLORD to cover this exposure shall contain a Waiver of Subrogation against TENANT. Prior to the Commencement Date, LANDLORD must submit to TENANT a current certificate of insurance indicating that such waiver is in full force. The risk of loss from any peril to the personal property, furniture, fixtures, equipment of TENANT located on the Demised Premises shall be borne by TENANT, and TENANT waives any right of subrogation against LANDLORD with respect to such losses.

Section 16.06 In the event the property is transferred by LANDLORD, the Transferee shall immediately provide the Department with the required proof of insurance in accordance with this Section 16.

SECTION 17. INDEMNIFICATION

Section 17.01 To the extent permitted by law, TENANT shall protect, indemnify and hold harmless LANDLORD and its officers, officials, employees, contractors, and agents from and against all liabilities, fines, penalties, actions, damages, claims, demands, judgments, losses, costs, expenses, suits or actions (except for claims brought by TENANT employees under Workers’ Compensation Laws), including reimbursement of the cost of reasonable attorneys’ fees, arising out of the acts, omissions, or the negligence of TENANT, its officers, agents, guests, invitees, servants, employees, contractors or subcontracts in connection with the Demised Premises and TENANT’s obligations under the First Extension; provided, however, that TENANT shall not indemnify for that portion of any claim, loss or damage arising under this First Extension due to the negligent act or failure to act of the LANDLORD. TENANT shall defend LANDLORD and its officers, officials, employees, contractors, agents and other persons in any suit, including appeals, or at the County’s option, pay reasonable attorney’s fees for defense of any such suit arising out of the acts, omissions, or negligence of TENANT, its officers, officials, employees, subcontractors or agents, guests and invitees, if any, in connection with the Demised Premises and TENANT’s obligations under the First Extension.

Section 17.02 To the extent permitted by law, LANDLORD shall protect, indemnify and hold harmless TENANT and its officers, officials, employees, contractors, and agents from and against all liabilities, fines, penalties, actions, damages, claims, demands, judgments, losses, costs, expenses, suits or actions, including reimbursement of the cost of reasonable attorneys’ fees, arising out of the intentional acts, omissions, or the negligence of LANDLORD, its officers, agents, guests, invitees, servants, employees, contractors or subcontracts in connection with the Demised Premises and LANDLORD’s obligations under the First Extension; provided, however, that LANDLORD shall not indemnify for that portion of any claim, loss or damage arising under this First Extension due to the negligent act or failure to act of the TENANT. LANDLORD shall defend TENANT and its officers, officials, employees, contractors, agents and other persons in any suit, including appeals, or at the County’s option, pay reasonable attorney’s fees for defense of any such suit arising out of the acts, omissions, or negligence of LANDLORD, its officers, officials, employees, subcontractors or agents, guests and invitees if any, in connection with the Demised Premises and LANDLORD’s obligations under the First Extension.

SECTION 18. FIRE AND CASUALTY DAMAGE

Section 18.01 If either the entire Demised Premises or more than 50% of the Demised Premises is destroyed by fire or other casualty, and cannot be fully restored within one (1) year, this First
Extension will immediately terminate. In case of partial destruction or damage in an amount less that 50% of the Demised Premises, so as to render the entire Demised Premises untenable, as reasonably determined by either LANDLORD or the TENANT, and LANDLORD is unable to guarantee the full restoration of the Demised Premises within six (6) months from the date of such partial destruction or damage, either party may terminate the First Extension by giving written notice to the other party within sixty (60) calendar days of the fire or other casualty; if so terminated, no rent will accrue to the LANDLORD after such partial destruction or damage;

Section 18.02 As long as the TENANT is deprived of the use of any or all of the Demised Premises on account of fire or casualty, Total Rent shall be abated in proportion to the usable area of the Demised Premises that are rendered substantially unfit for occupancy by such fire or casualty, unless, in the TENANT’s sole judgment, such fire or casualty renders the undamaged part of the Demised Premises materially unsuitable for use by the TENANT for the uses contemplated by this First Extension, in which event the Total Rent shall be abated entirely during such period of deprivation.

Section 18.03 Unless LANDLORD or TENANT shall serve a termination notice as provided for in Sections 22.01, LANDLORD shall work diligently to make all repairs and restorations to the Demised Premises, with all reasonable expedition, subject to delays due to adjustment of insurance claims and Excusable Delays. After any such casualty, TENANT shall cooperate with LANDLORD’S restoration by removing from the Demised Premises as promptly as reasonably possible any of TENANT’s salvageable inventory and movable equipment, furniture, and other property as requested by LANDLORD.

Section 18.04 Except as provided in this Section, nothing contained in this First Extension shall relieve TENANT from liability that may exist as a result of damage from fire or other casualty. TENANT acknowledges that LANDLORD will not carry insurance on TENANT’s furniture and/or furnishings or any fixtures or equipment, improvements, or appurtenances removable by TENANT and agrees that LANDLORD will not be obligated to repair any damage thereto or replace the same.

Section 18.05 The parties agree that this Section 18 constitutes an express agreement governing any case of damage or destruction of the Demised Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force shall have no applicability.

SECTION 19.  AIR QUALITY

Section 19.01 The interior of the Demised Premises shall at all times maintain and meet Air Quality Standards suitable for and comparable to commercial office buildings, of similar age and construction type, in the Ronkonkoma, New York area. TENANT may provide, at its own cost, a written report by an outside independent consultant specializing in air quality analysis, notifying LANDLORD that the air quality in the interior Demised Premises is materially adversely affected by specifically found and identified mold or other air contaminants to levels significantly above those identified as normal for a commercial office building as described above. LANDLORD shall take prompt action to cure or otherwise remedy the condition at LANDLORD’s sole cost and expense. Notwithstanding the foregoing, any condition caused by TENANT’s use or occupancy of the Demised Premises may be cured or otherwise remedied by LANDLORD, at TENANT’s sole cost and expense.
Section 19.02. Where LANDLORD has cured an Air Quality condition at the request of TENANT, LANDLORD shall also be required to provide a written report to TENANT, at LANDLORD’s sole cost and expense (unless such Air Quality condition was caused by TENANT, in which case such report shall be provided at TENANT’s sole cost and expense), provided by an outside consultant specializing in Air Quality analysis, reasonably acceptable to the Department, indicating that the condition has been cured and that the Air Quality is suitable for the use intended.

Section 19.03. LANDLORD shall not be required to cure any condition if such condition is caused by the acts or inactions of the TENANT, its invitees, employees, and/or agents.

SECTION 20. NEGATIVE COVENANTS

Section 20.01. TENANT shall not use, occupy, maintain, or operate the Demised Premises, nor suffer or permit the Demised Premises or any part thereof to be used, occupied, maintained, or operated, nor bring into or keep at the Demised Premises, nor suffer or permit anything to be brought into or kept therein, which would in any way (a) violate any term, covenant, or condition of this First Extension, (b) violate any restrictive covenant, operating covenant, encumbrance, or easement affecting the Demised Premises, (c) violate any Legal Requirements, (d) make void or voidable any insurance policy then in force with respect to the Demised Premises or make any such insurance unobtainable or increase the rate of any insurance with respect to the Demised Premises, (e) cause physical damage to the Demised Premises or any part thereof, (f) permit the excess accumulation of waste or refuse matter, or (g) constitute a public or private nuisance.

Section 20.02. TENANT shall not place a load upon any floor or roof of the Demised Premises that exceeds the floor/roof load per square foot that such floor/roof was designed to carry or which is allowed by Legal Requirements.

SECTION 21. LANDLORD’S DEFAULT REMEDIES/DAMAGES

Section 21.01. Upon the occurrence, at any time prior to, or during the Term of the First Extension, in addition to any other remedy available to LANDLORD at law or in equity, of any one or more of the following events (referred to as “Events of Default”):

(i) if TENANT shall default in the payment when due of any installment of Total Rent, and any such default continues for ten (10) Business Days, except for January of each calendar year, then if such default in January continues beyond twenty-five (25) Business Days, after LANDLORD shall give TENANT a written notice specifying such default; or

(ii) if TENANT defaults in the keeping, observance or performance of any covenant or agreement (other than a default of the character referred to in (i) above), and if such default continues and is not cured within thirty (30) days after LANDLORD gives TENANT written notice specifying same, or, in the case of a default which for causes beyond TENANT’s reasonable control cannot, with reasonable diligence be cured within such period of thirty (30) days, if TENANT shall not immediately upon the giving of such written notice, (a) advise LANDLORD of TENANT’s intention duly to institute all steps necessary to cure such default and (b) institute and thereafter diligently prosecute to completion all steps necessary to cure the same;
the following sections shall apply and LANDLORD shall have, in addition to all other rights and remedies available at law or in equity, the rights and remedies set forth herein, which rights and remedies may be exercised upon or at any time following the occurrence of an Event of Default unless, prior to such exercise, the Event(s) of Default has been cured by TENANT in all respects.

Section 21.02 By notice to TENANT, LANDLORD shall have the right to terminate this First Extension as of a date specified in the notice of termination, which date shall not be less than thirty (30) days from the service of the Notice, and in such case, TENANT’s rights, including any based on any option to renew, to the possession and use of the Demised Premises shall end absolutely as of the termination date; and this First Extension shall also terminate in all respects except for the provisions hereof regarding LANDLORD’s damages and TENANT’s liabilities arising prior to, out of or following the Event of Default and the ensuing termination.

Section 21.03 Unless and until LANDLORD has terminated this First Extension pursuant to Section 21.02 above, TENANT shall remain fully liable and responsible to perform all of the covenants, and to observe all the conditions of this First Extension throughout the remainder of the Term to the early termination date.

Section 21.04 LANDLORD may enforce and protect the rights of LANDLORD hereunder by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained herein, and for the enforcement of any other appropriate legal or equitable remedy, including, without limitation, injunctive relief, and for recovery of all moneys due or to become due from TENANT under any of the provisions of this First Extension.

Section 21.05 Without limiting the generality of the foregoing, if TENANT shall be in default in the performance of any of its obligations hereunder, other than a default in the payment of rent or in curing an emergency situation, LANDLORD, upon written notice to TENANT, providing TENANT with thirty (30) days to cure or remedy the default, may (but shall not be obligated to do so), in addition to any other rights it may have in law or in equity, cure such default on behalf of TENANT, and TENANT shall reimburse LANDLORD upon demand for any sums paid or costs incurred by LANDLORD in curing such default.

Section 21.06 LANDLORD shall have all rights and remedies now or hereafter existing at law or in equity with respect to the enforcement of TENANT’s obligations hereunder and the recovery of the Demised Premises. No right or remedy herein conferred upon or reserved to LANDLORD shall be exclusive of any other right or remedy, but shall be cumulative and in addition to all other rights and remedies given hereunder or now or hereafter existing at law. LANDLORD shall be entitled to injunctive relief in case of the violation, or attempted or threatened violation, of any covenant, agreement, condition or provision of this First Extension, or to a decree compelling performance of any covenant, agreement, condition or provision of this First Extension.

Section 21.07 No delay or forbearance by LANDLORD in exercising any right or remedy hereunder, or LANDLORD’s undertaking or performing any act or matter which is not expressly required to be undertaken by LANDLORD shall be construed, respectively, to be a waiver of LANDLORD’s rights or to represent any agreement by LANDLORD to undertake or perform such act or matter thereafter. Waiver by LANDLORD of any breach by TENANT of any covenant or condition herein contained (which waiver shall be effective only if so expressed in writing by LANDLORD) or failure by LANDLORD to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the future of LANDLORD’s right to have any such covenant or condition duly performed or observed by TENANT, or of
LANDLORD’s rights arising because of any subsequent breach of any such covenant or condition nor bar any right or remedy of LANDLORD in respect of such breach or any subsequent breach. LANDLORD’s receipt and acceptance of any payment from TENANT which is tendered not in conformity with the provisions of this First Extension or following an Event of Default (regardless of any endorsement or notation on any check or any statement in any letter accompanying any payment) shall not operate as an accord and satisfaction or a waiver of the right of LANDLORD to recover any payments then owing by TENANT which are not paid in full, or act as a bar to the termination of this First Extension and the recovery of the Demised Premises because of TENANT’s previous default.

Section 21.08 Except for the monetary obligations of either party, LANDLORD and TENANT shall not be in default of this First Extension because of such party’s inability to perform the covenants and obligations set forth herein during the continuance of any period of Excusable Delays, except as may otherwise be expressly specified in this First Extension.

As used in this First Extension, the term “Excusable Delays” means delays arising without the fault or negligence of LANDLORD or LANDLORD’s contractors, subcontractors, and suppliers, and shall include, without limitation: Acts of God or of the public enemy, fire, floods, unusual severe weather, epidemics, quarantine restrictions, strikes, labor disputes, major material shortages preventing procurement of such materials, riots, war insurrection, inaction or delay by governmental authorities, or other unforeseeable causes beyond the control and without the fault or negligence of LANDLORD, its contractors, and subcontractors.

SECTION 22. TENANT’S DEFAULT REMEDIES AND DAMAGES

Section 22.01 The covenant to pay rent and the covenant to provide any service, utility, maintenance, repair or replacements required under this First Extension are interdependent. The occurrence of any one or more of the following during the Term of this First Extension shall constitute a default by LANDLORD under this First Extension: (1) failure to maintain, repair, replace, operate, or service the Demised Premises in accordance with the provisions of this First Extension; or (2) repeated and unexcused failure within an eighteen (18) month period by LANDLORD to maintain any Building System in accordance with the requirements of this First Extension.

Section 22.02 In addition to any other remedy available to TENANT at law or in equity, if LANDLORD shall fail to perform any of its obligations under this First Extension, TENANT may perform the same at the expense of LANDLORD (i) immediately (a) after forty-eight (48) hours written notice in the case of an “Emergency,” as defined below; (b) after ten (10) business days written notice if such failure unreasonably interferes with the efficient operation of the Demised Premises; or (c) after ten (10) business days written notice if such failure may result in a violation of any Legal Requirements or in the cancellation of any required insurance; (ii) in any other case, if such failure shall remain uncured for a period of thirty (30) days next following LANDLORD’s receipt of written notice thereof from the County, unless such failure is of such a nature that, notwithstanding the best efforts of LANDLORD, it cannot be completely cured or remedied within said 30-days, in which event such failure shall not constitute a default by LANDLORD so long as LANDLORD thereafter diligently continues its efforts to cure or remedy the same, then after ten (10) days from the date of the giving of written notice of TENANT’s intention to perform the same or, in the case of a failure which, for causes beyond the LANDLORD’s reasonable control cannot with reasonable diligence by LANDLORD be cured within such additional 10-day period, such 10-day period shall be deemed extended if the LANDLORD immediately upon the receipt of such notice, (a) advises the other of its intention to
institute all steps necessary to cure such failure and (b) institutes and thereafter diligently prosecutes to completion all steps necessary to cure the same, providing TENANT with written reports regarding the progress of the cure.

An "Emergency" means any situation where the Department, in a commercially reasonable standard, concludes that a particular action (including, without limitation, the expenditure of funds) is immediately necessary (i) to avoid imminent material damage to all or any material portion of the Demised Premises, (ii) to protect any Person from imminent harm, or (iii) to avoid the imminent suspension of any necessary material service in or to the Demised Premises, the failure of which service would have a material and adverse effect on the Demised Premises or the COUNTY’s ability to utilize the Demised Premises for its intended purposes, including but not limited to, supplying heat, air-conditioning, ventilation, light and water to the Demised Premises.

Section 22.03 In the event of any failure by LANDLORD to provide any service, utility, maintenance, repair, or replacement required under this First Extension, TENANT may, subject to the notice requirements of Section 26.02 above, by contract or otherwise, perform the requirement and provide LANDLORD with a written invoice containing the resulting cost to the TENANT. LANDLORD shall pay TENANT the costs thereof, within ninety (90) days after receipt by LANDLORD of a written statement as to the amounts of such costs and fee. In the event LANDLORD does not remit the total amount of the costs and fee described herein within the requisite time, TENANT may withhold such amount from the next monthly installment of Total Rent, subject to the limitation that, in no event shall the amount withheld in any month exceed 5% of the next monthly installment of Total Rent. In the event that TENANT is limited from withholding the entire amount owed, TENANT may continue to withhold monies from each next succeeding monthly installment of Total Rent until the total expenses of the TENANT are recouped from LANDLORD. No deduction from rent pursuant to this clause shall constitute a default by the TENANT under this First Extension. This remedy is not exclusive and is in addition to any other remedies that may be available under this First Extension or at law.

Section 22.04 In the event that there is an interruption, curtailment or failure by LANDLORD to supply cooled or outside air, heat, plumbing or electricity for ten (10) consecutive Business Days after LANDLORD has received written notice (e-mail or fax being acceptable) of such interruption, curtailment or failure (except that, with respect to plumbing or electricity, this Section 26.04 shall only apply in the event such interruption, curtailment or failure of such services occurs as a direct result of a failure by LANDLORD or comply with its repair or maintenance obligations regarding such systems as and to the extent required under this First Extension), and where (a) such failure is not caused by Excusable Delays or causes reasonably beyond the control of LANDLORD, (b) the Demised Premises has been placed in a condition where a reasonable TENANT could not reasonably be expected to continue to use the Demised Premises for its intended purpose, and (c) LANDLORD has either not commenced to cure such condition or has not used reasonable diligence in following same to completion, the same shall constitute an actual or constructive eviction, in whole or in part, and TENANT shall be entitled to terminate this First Extension effective immediately and shall further be entitled to an abatement of rent during the period any such interruption, curtailment or failure prior to the First Extension being terminated. In the event the County elects not to terminate this First Extension, TENANT shall be entitled to an abatement of rent during the period any such interruption, curtailment or failure continues and until such services are restored.

Section 22.05 The rights and remedies of TENANT specified hereunder are not exclusive, but are in addition to any other rights and remedies provided by law or equity or otherwise available under this First Extension. TENANT may enforce and protect the rights of TENANT hereunder
by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained herein, and for the enforcement of any other appropriate legal or equitable remedy, including, without limitation, injunctive relief, and for recovery of all moneys due or to become due from LANDLORD under any of the provisions of this First Extension.

Section 22.06 No delay or forbearance by TENANT in exercising any right or remedy hereunder, or TENANT’s undertaking or performing any act or matter which is not expressly required to be undertaken by TENANT shall be construed, respectively, to be a waiver of TENANT’s rights or to represent any agreement by TENANT to undertake or perform such act or matter thereafter. Waiver by TENANT of any breach by LANDLORD of any covenant or condition herein contained (which waiver shall be effective only if so expressed in writing by TENANT) or failure by TENANT to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the future of TENANT’s right to have any such covenant or condition duly performed or observed by LANDLORD, or of TENANT’s rights arising because of any subsequent breach of any such covenant or condition nor bar any right or remedy of TENANT in respect of such breach or any subsequent breach. TENANT’s receipt and acceptance of any payment from LANDLORD which is tendered not in conformity with the provisions of this First Extension or following an Event of Default (regardless of any endorsement or notation on any check or any statement in any letter accompanying any payment) shall not operate as an accord and satisfaction or a waiver of the right of TENANT to recover any payments then owing by LANDLORD which are not paid in full, or act as a bar to the termination of this First Extension.

SECTION 23. LANDLORD’S RIGHT TO INSPECT AND REPAIR: ACCESS GENERALLY

Section 23.01 LANDLORD may, but shall not be obligated to, enter the Demised Premises at any reasonable time, on reasonable written notice to TENANT (except that no notice need be given in case of emergency) for the purpose of inspection or the making of such repairs, replacements, and additions in, to, and about the Demised Premises, as necessary or desirable or to perform any covenant, obligation or service contemplated in this First Extension. LANDLORD shall not be required to notify TENANT in connection with any entry into the Demised Premises during normal business hours for purposes of LANDLORD’s obligations under this First Extension to maintain or repair the Demised Premises, or to perform scheduled cleaning. LANDLORD shall provide telephonic notice at least one hour prior to entering the Demised Premises during non-business hours or to provide unscheduled cleaning services. Notwithstanding anything to the contrary contained in this Section, LANDLORD shall use reasonable efforts in its access of the Demised Premises to cause a minimal amount of interference with TENANT’s use of the Demised Premises.

Section 27.02 LANDLORD may erect and maintain pipes and conduits and wires running over or under the Demised Premises to the other parts of the building of which the Demised Premises for a part. Any work performed pursuant to this Section 23.02 shall be performed in a manner to minimize any impact on TENANT’s use of the Demised Premises.

SECTION 24. SURRENDER OF DEMISED PREMISES; HOLDOVER

Section 24.01 This First Extension and the tenancy hereby created shall cease and terminate at the end of the above term, without the necessity of any further notice from either the LANDLORD or the TENANT to terminate the same and that continued occupancy of the
Demised Premises by the Lessee after the expiration of said term shall not operate to renew the First Extension for said term or any part thereof.

Section 24.02 On the Expiration Date, or upon the earlier termination of this First Extension, TENANT shall, at its expense, quit, surrender, vacate, and deliver the Demised Premises to LANDLORD in good order, condition and repair, ordinary wear and tear and damage for which TENANT is not responsible under the terms of the First Extension, or damage by the elements, fire or other casualty beyond TENANT’s reasonable control excepted, together with all improvements therein. TENANT shall, at its expense, remove from the Demised Premises all TENANT’s personal property and any personal property of Persons claiming by, through or under TENANT, equipment, furniture, and any Alterations not approved by LANDLORD, and shall repair or pay the cost of repairing all damage to the Demised Premises occasioned by such removal. Any TENANT’s personal property or Alterations of TENANT, which shall remain in the Demised Premises after the termination of this First Extension, shall be deemed to have been abandoned and either may be retained by LANDLORD as its property or may be stored or disposed of as LANDLORD may see fit. If property not so removed shall be sold, LANDLORD may receive and retain the proceeds of such sale and apply the same, at LANDLORD’s option, against the reasonable expenses of the sale, moving and storage, arrears of rent and any damages to which LANDLORD may be entitled. Any excess proceeds shall be the property of LANDLORD.

Section 24.03 If TENANT shall remain in possession of the Demised Premises after the termination of this First Extension without the execution of a new lease, TENANT, subject to all of the other terms of this First Extension insofar as the same are applicable to a month-to-month tenancy, and without waiving TENANT’s default or preventing LANDLORD from suing to obtain possession, shall be deemed to be occupying the Demised Premises as a tenant from month to month, at a monthly rental equal to one hundred and five percent (105%) of the monthly rent last payable by TENANT hereunder.

Section 24.04 The provisions of this Section 24 shall survive the expiration or earlier termination of this First Extension.

SECTION 25. NOTICES

Section 25.01 Operational Notices: Any communication, notice, claim for payment, reports, insurance, or other submission necessary or required to be made by the parties regarding this First Extension shall be in writing and shall be given to the TENANT or LANDLORD or their designated representative, by regular or certified mail in postpaid envelope or by a nationally recognized courier service at the following addresses or at such other address that may be specified in writing by the parties and must be delivered as follows: (a) if to TENANT, to the Suffolk County Department of Public Works, Attention: Commissioner, 335 Yaphank Avenue, Yaphank, New York 11980; with a copy to the Suffolk County Department Of Law, Attn: Suffolk County Attorney, 100 Veterans Memorial Highway, P.O. Section 25.02 Notices Relating to Termination and/or Litigation: In the event LANDLORD receives a notice or claim or becomes a party (plaintiff, petitioner, defendant, respondent, third party complainant, third party defendant) to a lawsuit or any legal proceeding related to this First Extension, LANDLORD shall immediately deliver to the TENANT Attorney, at the address set forth above, copies of all papers filed by or against LANDLORD.
a. Any communication or notice regarding termination shall be in writing and shall be given to the TENANT or the LANDLORD or their designated representative at the addresses set forth in Section 29.01 or at such other addresses that may be specified in writing by the parties and shall be deemed to be duly given only if delivered: (i) personally [personal service on TENANT must be pursuant to New York Civil Practice Law and Rules Section 311]; (ii) by nationally recognized overnight courier; or (iii) mailed by registered or certified mail in a postpaid envelope addressed: Notice shall be deemed to have been duly given (1) if delivered personally, upon acceptance or refusal thereof, (2) if by nationally recognized overnight courier, the first Business Day subsequent to transmittal and (3) if mailed by registered or certified mail, upon the seventh Business Day after the mailing thereof.

b. Any notice by either party to the other with respect to the commencement of any lawsuit or legal proceeding shall be effected pursuant to and governed by the New York Civil Practice Law and Rules or the Federal Rules of Civil Procedure, as applicable.

Section 25.03 Each party shall give prompt written notice to the other party of the appointment of successor(s) to the designated contact person(s) or his or her designated successor(s).

SECTION 26.  SUBORDINATION, NONDISTURBANCE AND ATTORNMENT

Section 26.01 TENANT agrees that this First Extension is subject and subordinate to any and all recorded mortgages, deeds of trust and other liens now or hereafter existing or imposed upon the Demised Premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect present or subsequent subordination of this First Extension. TENANT agrees, however, within fifteen (15) Business Days next following the Suffolk County Attorney’s Office receipt of a written demand, to execute such instruments as LANDLORD may reasonably request to evidence further the subordination of this First Extension to any existing or future mortgage, deed of trust or other security interest pertaining to the Demised Premises, and to any water, sewer or access easement necessary or desirable to serve the Demised Premises or adjoining property owned in whole or in part by LANDLORD if such easement does not interfere with the full enjoyment of any right granted TENANT under this First Extension, subject to the conditions stated in Section 26.05.

Section 26.02 No such subordination, to either existing or future mortgages, deed of trust or other lien or security instrument shall operate to affect adversely any right of TENANT under this First Extension so long as TENANT is not in default under this First Extension. LANDLORD will include in any future mortgage, deed of trust or other security instrument to which this First Extension becomes subordinate, or in a separate nondisturbance agreement, a provision to the foregoing effect. LANDLORD warrants that the holders of all notes or other obligations secured by existing mortgages, deed of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to TENANT promptly upon demand.

Section 26.03 In the event of any sale of the Demised Premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, TENANT will be deemed to have attorned to any purchaser, purchasers, transferee or transferees of the Demised Premises or any portion thereof and its or their successors and assigns, and any such purchasers and transferees will be deemed to
have assumed all obligations of LANDLORD under this First Extension, so as to establish direct 
privity of estate and contract between TENANT and such purchasers or transferees, with the 
same force, effect and relative priority in time and right as if the First Extension had initially been 
entered into between such purchasers or transferees and TENANT; provided, further, that such 
purchasers or transferees shall, with reasonable promptness following any such sale or deed 
delivery in lieu of foreclosure, execute all such revisions to this First Extension, or other writings, 
as shall be necessary to document the foregoing relationship.

Section 26.04  Within twenty (20) days next following TENANT’s receipt of a joint written 
request from LANDLORD and a prospective lender of purchaser of the Demised Premises, the 
County Attorney’s Office shall execute and deliver to LANDLORD a letter stating that the same 
is issued subject to the conditions stated in Section 26.05, and, if such is the case, that (1) the First 
Extension is in full force and effect; (2) the date to which the rent and other charges have been 
paid in advance, if any; and (3) whether any notice of default has been issued.

Section 26.05  Letters issued pursuant to Section 26.04 are subject to the following conditions: 
(1) that they are based solely upon a reasonably diligent review of TENANT’s First Extension 
file as of the date of issuance; (2) that TENANT shall not be held liable because of any defect in 
or condition of the Demised Premises; (3) that TENANT does not warrant or represent that the 
Demised Premises comply with applicable Federal, State and local law; and (4) that 
LANDLORD, and each prospective lender and purchaser are deemed to have constructive notice 
of such facts as would be ascertainable by reasonable pre-purchase and pre-commitment 
inspection of the Demised Premises and by inquiry to appropriate Federal, State, and local 
government officials.

SECTION 27.  ASSIGNMENT AND SUBLetting

TENANT shall not assign, sublet, or otherwise transfer any portion of the Demised Premises or 
this First Extension without the prior written consent of LANDLORD, which consent shall not be 
unreasonably withheld or delayed, and upon such reasonable terms and conditions that may then 
be imposed by LANDLORD.

SECTION 28.  LANDLORD’S RIGHT TO SHOW DEMISED PREMISES

LANDLORD may, at any time, show the Demised Premises to prospective purchasers and 
mortgagees and, during the eight (8) months prior to the expiration of this First Extension, to 
prospective tenants, during “Business Hours,” as that term is defined below, upon reasonable 
notice to TENANT or by other special arrangement between LANDLORD and TENANT.

For the purposes of this First Extension, the term “Business Hours” means from 8:30 a.m. to 5:30 
p.m. during Business Days.

SECTION 29.  EMINENT DOMAIN

Section 29.01  If the Demised Premises, or any part thereof, or any estate therein, or any other 
part of the building materially affecting TENANT’s use of the Demised Premises, including 
parking area, be taken by virtue of eminent domain, this First Extension shall terminate on the 
date when title vests pursuant to such taking, rent shall be apportioned as of said date and any 
Total Rent paid for any period beyond said date shall be repaid to TENANT. TENANT shall not 
be entitled to any part of the award or any payment in lieu thereof; however, TENANT may file a
claim for any taking of fixtures and improvements owned by TENANT, and for moving expenses.

Section 29.02 TENANT shall have the right to make a claim against the condemning authority for any taking of TENANT's personal property and for business interruption, moving and related expenses, provided TENANT shall make a separate claim therefore which shall not impair LANDLORD's claim or recovery.

Section 29.03 Notwithstanding the foregoing, if all or any portion of the Demised Premises shall be condemned or taken for governmental occupancy for a limited period of time, this First Extension shall continue in full force and effect (with an abatement of Total Rent, if applicable). If the termination of such governmental occupancy is prior to expiration of this First Extension, LANDLORD shall restore the Demised Premises as nearly as possible to its condition prior to the condemnation or taking.

SECTION 30. ENVIRONMENTAL RESPONSIBILITIES

Section 30.01 TENANT shall not use or suffer the use of all or any part of the Demised Premises to treat, generate, store, dispose of, transfer, release, convey or recover any "Hazardous Substances," as that term is defined below. TENANT shall immediately notify LANDLORD of the presence or suspected presence of any Hazardous Substance on or about the Demised Premises and shall deliver to LANDLORD any notice received by TENANT with respect to any Hazardous Substance relating thereto.

For purposes of this First Extension, the term "Hazardous Substance" means (i) asbestos and any asbestos containing material and any substance that is listed in, or otherwise classified pursuant to any "Environmental Laws," as that term is defined below, or any applicable laws or regulations as "hazardous substance", "hazardous material", "hazardous waste", "infectious waste", toxic substance", "toxic pollutant", or any other formulation intended to define, list or classify substances by reason of deleterious properties such as ignitability, corrosivity, reactivity, carcinogenicity, toxicity, reproductive toxicity, or "EP toxicity", (ii) any petroleum and drilling fluids, produced waters, and other wastes associated with the exploration, development or production of crude oil, natural gas, or geothermal resources and (iii) petroleum product, polychlorinated biphenyls, urea formaldehyde, radon gas, radioactive matter, and medical waste. "Hazardous Substance" shall not include normal cleaning and personal household products being used in their intended manner and otherwise in a manner that is in compliance with Environmental Laws.

"Environmental Laws" means any and all present and future federal, state, and local laws, ordinances, rules, regulations, decisions, and standards relating to protection of human health and the environment, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. 9601 et.seq. ("CERCLA"); the Resource Conservation and Recovery Act of 1976, as amended, 42 U.S.C. 6901 et.seq. ("RCRA"); the Occupational Safety and Health Act) 29 U.S.C. 651 et.seq. ("OSHA"). Environmental Laws shall also include, but are not limited to, any requirements relating to underground storage tanks, the storage and use of gasoline, diesel fuel, waste oil or other petroleum products.

Section 30.02 LANDLORD represents and warrants that to LANDLORD's actual knowledge, the Demised Premises has not been used for the generation, treatment, storage, or disposal of hazardous waste and LANDLORD certifies that, to LANDLORD's actual knowledge, the
Demised Premises comply with all applicable Federal, State, and local regulations concerning the provision of a safe work environment free from environmental contaminants and hazards.

Section 30.03 Except to the extent the same are the obligations of TENANT under the First Extension, LANDLORD shall comply with all Environmental Laws affecting or related to its use or ownership of the Demised Premises, including but not limited to, the construction or demolition of any improvement thereon, and shall give TENANT prompt notice of any lack of compliance with any of the foregoing of which it obtains knowledge and of any notice it receives of the alleged non-compliance with Environmental Laws. TENANT shall cooperate with LANDLORD’s efforts hereunder; provided, however, that TENANT shall not be required to incur any out of pocket costs in so doing. LANDLORD shall indemnify TENANT against all claims, losses, costs, expenses, fines, penalties and damages which may be imposed by reason of, or arising out of LANDLORD’s failure to fully and promptly comply with the provisions of this Section.

Section 30.04 Subject to the provisions of Section 32.02, TENANT, at its expense, shall comply with all Environmental Laws applicable to the Demises Premises and shall give LANDLORD prompt notice of any lack of compliance with any of the foregoing and of any notice it receives of the alleged violation of any Environmental Laws. LANDLORD shall cooperate with TENANT’s efforts hereunder.

Section 30.05 The provisions of this Section 34 shall survive the expiration or earlier termination of this First Extension.

SECTION 31. SIGNAGE

Any signage which may be requested by TENANT shall be subject to approval by both the LANDLORD and the local governmental authority and shall be erected at TENANT’s sole cost and expense.

SECTION 32. QUIET ENJOYMENT

LANDLORD covenants that if and so long as TENANT pays Total Rent and Expenses, and fully and faithfully performs the covenants hereof, TENANT shall peaceably and quietly have, hold and enjoy the Demised Premises for the Term, subject to the provisions of this First Extension.

SECTION 33. NO IMPLIED WAIVER

No failure or delay by either party to insist upon the strict performance of any provision of this First Extension, or to exercise any right, power or remedy consequent upon a breach thereof, and no acceptance of full or partial rent or other performance by either party during the continuance of such breach shall constitute a waiver of any such provision.

SECTION 34. SUFFOLK COUNTY LEGISLATIVE REQUIREMENTS

The parties agree to be bound by the terms of Suffolk County Legislative Requirements, annexed hereto as Exhibit D and made a part hereof.
SECTION 35.  ADDITIONAL DISCLOSURE REQUIREMENTS

Section 35.01  In addition to the requirements set forth under Exhibit D(1), LANDLORD represents and warrants that it shall submit to TENANT verified Public Disclosure Statements ("Statements") required pursuant to the Land Acquisition Public Disclosure Law of Suffolk County (S.C. Code Chapter 551). An updated Land Acquisition Public Disclosure Statements shall be submitted whenever there is a change in any information required pursuant to S.C. Code § 551-6.

Section 35.02  LANDLORD acknowledges that the filing of these statements is a material, contractual and statutory duty and that failure to file the statements shall constitute a material breach of this First Extension, for which TENANT shall be entitled, upon a determination that such breach has occurred, to damages, in addition to all other legal remedies, of five percent (5%) of the amount of the Total Rent for the year in which the breach has occurred; provided, however, no penalty shall be due unless and until LANDLORD has received a written notice of failure to file the requisite forms and fifteen (15) Business Days to cure. No breach shall be deemed to have occurred in the event that TENANT has failed to provide the requisite forms to be completed by LANDLORD upon LANDLORD’s request for same. In any event, TENANT agrees to provide LANDLORD with written notice of any anticipated or actual breach of this Section 35.

Section 35.03  LANDLORD agrees to notify TENANT in writing prior to any transfer of title or conveyance by operation of law. In the event of a transfer of title or a conveyance by operation of law which results in a conflict of interest under State or local law, TENANT shall have the right to cancel this First Extension upon three (3) months notice to LANDLORD from the date of TENANT’s discovery of such transfer or conveyance, unless the consent of the TENANT to such transfer is obtained prior thereto, which consent shall not be unreasonably withheld. Such consent shall not be required for (i) a transfer between current owners or their spouses, children, or trusts or entities for the benefit of such persons; or (ii) any financial institution or mortgagee following a foreclosure or deed-in-lieu of foreclosure. Incident to such application for consent, new Statements, and an affirmation of the provisions of Chapter 664 of the Suffolk County Code (relating to the offering of gratuities) shall be submitted by the proposed new owner, in accordance with the requirements of the TENANT by registered or certified mail, return receipt requested, addressed to the Suffolk County Department of Law, H. Lee Dennison Building, 100 Veterans Memorial Highway, P.O. Box 6100, Hauppauge, New York 11788 or such other address as TENANT may designate in writing. The failure of the TENANT to object to such proposed transfer by notice delivered either personally or by nationally recognized overnight courier to LANDLORD within ten (10) business days of receipt of such application shall constitute consent on the part of the TENANT.

SECTION 36.  COOPERATION ON CLAIMS

Each of the parties hereto agrees to render diligently to the other party, without additional compensation, any and all cooperation, that may be required to defend the other party, its employees and designated representatives against any claim, demand or action that may be brought against the other party, its employees or designated representatives in connection with this First Extension.

SECTION 37.  MISCELLANEOUS

Section 37.01  TENANT shall be permitted to record this First Extension or a memorandum thereof.
Section 37.02 References contained herein to Sections, Exhibits and Schedules shall be deemed to be references to the Articles, Exhibits, and Schedules of and to this First Extension unless specified to the contrary.

Section 37.03 TENANT agrees that, notwithstanding any other provision of this first Extension, LANDLORD shall not be under any personal liability under this First Extension and, if LANDLORD defaults hereunder, TENANT shall look solely to the interest of LANDLORD or its successor in the Premises for the satisfaction of any judgment or other judicial process requiring the payment of money by LANDLORD based upon any default hereunder, and no other assets of LANDLORD or any such successor shall be subject to levy, execution or other enforcement procedure for the satisfaction of any such judgment or process. Upon any conveyance or transfer of the building, the transferor shall be relieved from all liability hereunder. LANDLORD shall not be held liable for any injury to or death of any person or persons, or injury or damage to goods, furniture, fixtures or other property, from theft or accident, or from steam, gas, electricity, water, or rain which may seep into issue or flow from the building, unless same shall be due to LANDLORD's negligence or failure to remove snow and/or ice.

SECTION 38. NOT A CO-PARTNERSHIP OR JOINT VENTURE

Nothing herein contained shall create or be construed as creating a co-partnership or joint venture between the TENANT and LANDLORD or to constitute the LANDLORD as an agent or employee of the TENANT.

SECTION 39. BROKER

LANDLORD and TENANT each represent and warrant to the other that Newmark of Long Island LLC d/b/a Newmark Knight Frank LI ("Broker") brought about this First Extension and that otherwise no other broker or finder took any part in any dealings, negotiations, or consultations with respect to the Demised Premises or this First Extension. LANDLORD agrees to pay Broker a full commission pursuant to a separate agreement between LANDLORD and the Broker. LANDLORD further agrees to indemnify and hold harmless the TENANT against any claim, demand and judgment which may be made or obtained against the COUNTY by Broker or any other broker claiming a commission for bringing about this First Extension. The TENANT shall forthwith notify the LANDLORD of any such claim, demand, or legal action and the LANDLORD shall defend the TENANT against any such claim, demand or legal action at no cost to the TENANT.

SECTION 40. CERTIFICATION

The parties to this First Extension hereby certify that, other than the funds provided in this First Extension and other valid agreements with the TENANT, there is no known relationship within the third degree of consanguinity, life partner, or business, commercial, economic, or financial relationship between the parties, the signatories to this First Extension, and any partners, members, directors, or shareholders of more than five per cent (5%) of any party to this First Extension.
SECTION 41.  NOT IN DEFAULT

LANDLORD warrants that, as of the date hereof, it is not in arrears to the TENANT upon debt or contract and is not in default as a surety, contractor or otherwise on any obligation to or contract with the TENANT.

SECTION 42.  GOVERNING LAW

This First Extension shall be governed by the laws of the State of New York. In the event of any dispute or litigation, the venue of any proceeding to determine the rights and liabilities of the respective parties arising under this Agreement shall be in the New York Supreme Court, Suffolk County; or, in the event of a proceeding in the federal courts, in the District Court for the Eastern District of New York.

SECTION 43.  WAIVER OF TRIAL BY JURY

It is mutually agreed by and between LANDLORD and TENANT that the respective parties hereto shall and they hereby do waive any right to trial by jury in any action, proceeding or in any other matter in any way connected with this First Extension, the relationship of LANDLORD and TENANT, the Demised Premises, and/or any claim of injury or damage, or for the enforcement of any remedy under any statute, emergency or otherwise.

SECTION 44.  SUCCESSORS BOUND

This First Extension shall bind, and inure to the benefit of, the parties and their respective heirs, executors, administrators, successors and assigns.

SECTION 45.  TENANT REPRESENTATIVES

It is expressly understood and agreed by and between the parties hereto that the officers, officials, employees and agents of the TENANT are acting in a representative capacity for the County of Suffolk and not for their own benefit, and that LANDLORD shall not have any claim against them or any of them as individuals in any event whatsoever.

SECTION 46.  INDEPENDENT CONTRACTOR

It is expressly agreed that LANDLORD's status hereunder is that of an independent contractor. Neither the LANDLORD, nor any person hired by LANDLORD shall be considered employees of the TENANT for any purpose.

SECTION 47.  EXECUTION BY LANDLORD

Section 47.01  When the LANDLORD is a partnership, the names of the partners composing the firm must be stated in the Statements required under Section 1 of Exhibit D of this First Extension. The First Extension must be signed with the partnership name, followed by the name of the partner signing the First Extension.

SECTION 48.  SUFFOLK COUNTY LAWS

A copy of the local laws referenced herein can be reviewed online at http://www.co.suffolk.ny.us/legis/

SECTION 49.  APPROPRIATION OF FUNDS

Section 49.01  It is understood by the parties hereto that this First Extension is made subject to the amount of funds appropriated each fiscal year therefor and any subsequent modifications thereof for the period of this First Extension by the Suffolk County Legislature, and no liability on account thereof shall be incurred by the TENANT beyond the amount of funds appropriated each fiscal year therefor.

Section 49.02  The TENANT reasonably believes that funds can be obtained sufficient to pay Total Rent during each year of the Term of this First Extension and hereby covenants that it will do all things lawfully within its power to obtain, maintain, and properly request and pursue funds from which Total Rent may be paid, including making provisions for such payments to the extent necessary in each budget submitted for the purpose of obtaining funding, using its bona fide best efforts to have such portion of the budget approved. It is the TENANT’s intent to pay Annual Base Rent each year, for the full Term of this First Extension, if funds are legally available therefore and, in that regard, the TENANT represents that the use of the Demised Premises are necessary to its proper, efficient and economic operation. LANDLORD and TENANT understand and intend that the obligation of the TENANT to pay Annual Base Rent hereunder shall constitute a current expense of the TENANT and shall not in any way be construed to be a debt of the TENANT in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by the TENANT, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or monies of the TENANT.

Section 49.03  Notwithstanding anything contained in this First Extension to the contrary, in the event no funds or insufficient funds are appropriated and budgeted or are otherwise unavailable by any means whatsoever in any fiscal period for payment of Total Rent due under this First Extension, TENANT shall immediately notify LANDLORD or its assignee of such occurrence and this First Extension shall terminate on the last day of the fiscal period for which appropriations were received without penalty or expense to the TENANT of any kind whatsoever, except as the portions of Total Rent herein agreed upon for which funds have been appropriated and budgeted. In the event of such termination, TENANT agrees to peacefully surrender possession of the Demised Premises to LANDLORD or its assignee on the date of such termination. LANDLORD will have all legal and equitable rights and remedies to take possession of the Demised Premises. Notwithstanding the foregoing, TENANT agrees:

a.  that it will not cancel this First Extension under the provisions of this Section if any funds are appropriated to it, or by it, for the acquisition, retention or operation of the Demised Premises for the fiscal period in which such termination occurs or the next succeeding fiscal period thereafter, and

b.  that it will not during the Term give priority in the application of funds to any other functionally similar premises.
c. This paragraph will not be construed so as to permit the TENANT to terminate this First Extension in order to acquire or lease any other premises or to allocate funds directly or indirectly to perform essentially the same application for which the Demised Premises are intended.

SECTION 50. IDENTIFICATION NUMBER

All invoices or vouchers submitted to the TENANT for payment of rent and/or Expenses must include the payee’s (LANDLORD’s) identification number. The number is either the LANDLORD’s Federal employer identification number or Federal social security number, or both such numbers when the payee has both such numbers. Failure to include this number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on his invoice or Standard voucher, must give the reason or reasons why the payee does not have such number or numbers.

SECTION 51. PARAGRAPH HEADINGS

The paragraph headings in this First Extension are included for convenience only and shall not be taken into consideration in any construction or interpretation of this First Extension or any of its provisions.

SECTION 52. SEVERABILITY

It is expressly agreed that if any term or provision of this First Extension and/or any amendment hereto, or the application thereof to any person or circumstances, shall be held invalid or unenforceable to any extent, the remainder of this First Extension and any amendment hereto, or the application of such term or provisions to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and every other term and provision of this First Extension and any amendment hereto shall be valid and shall be enforced to the fullest extent permitted by law.

SECTION 53. ENTIRE AGREEMENT

It is expressly agreed that this instrument represents the entire agreement of the parties and that all previous understandings are merged in this First Extension; and that no modifications hereof shall be valid unless written evidence thereof shall be executed by the parties thereto.

SECTION 54. NO ORAL CHANGES

It is expressly agreed that this Agreement represents the entire agreement of the parties, that all previous understandings are merged in this Agreement. No modification of this Agreement shall be valid unless written in the form of an Amendment and executed by both parties.

SECTION 55. INTERPRETATION

RE: Proposed Resolution Authorizing Additional Funds for the Purchase and Installation of an Automated Vehicle Locator (AVL) System for Suffolk County Transit Buses (CP 5648)

This resolution will provide additional funds necessary to complete the purchase and installation of the AVL system for Suffolk Transit buses. The AVL contract with INIT, Inc. totals $7,187,537. The SCIN Forms 175a and Statement of Financial Impact Form are attached.

This proposed resolution, with backup, will be forwarded electronically titled: "RESO-DPW-AVL System Additional Funds."

Abt Associates shall not be liable for any costs incurred for such changed work unless the change is issued in writing according to the procedures set forth in this clause.

Abt Associates may direct the HPOG ISS to stop work in accordance with FAR Clause 52.242-15 (Stop Work Order—Alt I) which is incorporated by reference herein, with the following modification: the term "30 days" in paragraph (b)(2) is changed to "15 days". Any such notice shall be informational only and receipt thereof by Abt Associates shall not constitute a waiver by Abt Associates of the delivery schedule, or any of Abt Associates’ rights or remedies hereunder.

4.5 TERMINATION

This MOU may be terminated in whole or in part by Abt Associates at any time during the period of its performance if the Government terminates the Prime Task Order in whole or in part.

In the event of termination, Abt Associates shall have the right to take possession from HPOG ISS of any associated data and/or reports by such means as it sees fit.

The rights and remedies of Abt Associates in this clause are in addition to any other rights and remedies provided by law or under this MOU.
4.6 INFORMATION AND DATA

Except as provided below, the HPOG ISS agrees that all information and data provided by Abt Associates to the HPOG ISS will: (1) be used by the HPOG ISS only for purposes of MOU performance; and (2) not be disclosed to any person except the HPOG ISS’s employees or agents who need such information and data in order to perform the MOU; and (3) be protected by the HPOG ISS through implementation of procedures sufficient to prevent disclosure. The foregoing sentence shall not prevent use or disclosure of information and data which are: (1) in the public domain or publicly known through no fault of the HPOG ISS; (2) approved for use or disclosure by the Abt Associates MOU Officer in writing; or (3) required to be disclosed by a court of competent jurisdiction.

B. The HPOG ISS shall not publish or otherwise discuss, except to Abt Associates or to the Government, any reports, data, or information generated or obtained under promise of confidentiality in the course of performing this MOU.

4.7 WITHHOLDING OF MOU PAYMENTS

Notwithstanding any other payment provisions of this MOU, failure of the HPOG ISS to submit required reports when due, or failure to perform or deliver required work or services, may result in the withholding of payments under this MOU, unless such failure arises out of causes beyond the control, and without the fault or negligence of the HPOG ISS as defined by FAR 52.249-14 (Excusable Delays). Abt Associates shall promptly notify the HPOG ISS of its intention to withhold payment of any invoice/voucher submitted.

4.9 INDEPENDENT CONTRACTORS

Nothing contained in the MOU shall be construed to create a joint venture or partnership between the parties. HPOG ISS is an independent contractor and is neither an agent nor employee of Abt Associates.

4.10 NO WAIVER

Failure to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver of such terms, covenants, or conditions, nor shall any waiver or relinquishment of any right or power hereunder at any one time or more times be deemed a waiver or relinquishment of such right or power at any other time or times.

4.11 ORDER OF PRECEDENCE

Any inconsistency in this MOU shall be resolved by giving precedence in the following order: (1) FAR clauses and other Prime Contract provisions which, by their terms or by operation of law, are required to be incorporated in the MOU; (2) narrative MOU provisions; (3) FAR clauses incorporated in the MOU by reference except those encompassed by (1) above; and (4) exhibits and attachments to the MOU.

ATTACHMENT A
HPOG ISS STATEMENT OF WORK, DELIVERABLE
AND PAYMENT SCHEDULE

The Administration for Children and Families (ACF) of the U.S. Department of Health and Human Services (HHS) has contracted with Abt Associates Inc., the Urban Institute, and Abt Associates Inc.'s subcontractor MEF Associates (the study team) to conduct an impact evaluation of the Health Profession Opportunity Grants (HPOG). Based on discussions to date between Abt Associates and Suffolk County Department of Labor, Licensing & Consumer Affairs (SCDOL), SCDOL will become an HPOG Impact Study site. This Agreement allows the study team to provide funds, materials, and technical assistance to support the participation of SCDOL in the HPOG Impact Study.

The key purposes of this Memorandum of Understanding (MOU) are to support the activities of SCDOL related to their participation in the HPOG Impact Study. Coordinating with the study team, and other Abt Associates Inc., staff as necessary, SCDOL staff will initiate and conduct work on the following tasks:

Task 1: Ongoing Communication with the study team. SCDOL shall participate in ongoing communication with the study team, including weekly teleconferences during the recruitment and random assignment period (approximately January 2013 to November 2014), additional teleconferences as needed, and e-mail correspondence.

Task 2: Assistance with and Participation in HPOG Impact Study Team Site Visits. SCDOL shall contribute to development and coordination of HPOG Impact Study team visits and participate in these site visits. The study team plans to conduct three to four site visits over the course of the HPOG Impact Study, each lasting (1-2 days), to collect information about SCDOL programs, train SCDOL staff on random assignment, and interview staff.

Task 3: Evaluation Design Implementation Plan (EDIP). SCDOL shall work with the study team to develop an Evaluation Design and Implementation Plan (EDIP) that describes the tasks to be completed by SCDOL and the timeline for completing activities and tasks. This work plan is to be finalized with collaboration between the study team and SCDOL at the start of the agreement period and will require approval by ACF. The EDIP will specify the following information:

- **Designing the Intervention and the Counterfactual.** The study team will work with SCDOL to identify the intervention(s) to be tested, as well as the “counterfactual,” or the relevant context that exists in the absence of the intervention(s) and that represents the overall service, economic, political, social, and other important conditions facing the control group. The plan/design will include: (1) a detailed description of the services and benefits available to the study treatment group, and the sequence and conditions under which they are provided; (2) a detailed description of the relevant services and benefits available to the control group; and (3) a description of the target population for the intervention, including demographic and socioeconomic characteristics, education and vocational skill levels, financial and other eligibility criteria if available.

- **Designing the Study and Study Procedures.** Designing the study involves the technical and practical requirements at the SCDOL program. Study team staff will have major responsibility for the technical aspects of study design and working with SCDOL staff to design the operational aspects of the evaluation. The implementation plan/design will include: (1) A plan for implementing the key aspects of the study, including marketing and recruitment of study participants, obtaining informed consent, collecting baseline data, randomly assigning treatment and control status to participants and notifying them of their status, and maintaining the integrity of research group assignments; (2) a description of the administrative data collected for the program that will be available for research purposes; (3) a description of all other data collection contents and processes, including the entity responsible for each data collection activity; (4) a description of procedures to inform the control group of their status, rights, and eligibility for
non-intervention services and benefits, as well the amount of time the control group members will be embargoed from intervention services; (5) target sample sizes for each research group and proposed random assignment ratios; (6) SCDOL management and personnel plan for the intervention(s) and evaluation-related activities; and (7) SCDOL budget to cover all evaluation-related administrative and personnel.

- **Evaluation-related Technical Assistance Needs and Monitoring Evaluation Operations.** The EDIP will specify (1) areas of likely evaluation-related technical assistance needed from the HPOG team and a plan to request and deliver assistance; (2) a plan for monitoring the integrity of evaluation operations and data collection, including a schedule of site visits by HPOG staff; and (3) a plan for regular reporting of evaluation activities and issues to the Impact Study team.

**Task 4: Recruitment and Random Assignment of Participants into HPOG Impact Study.** As specified in the EDIP, the grantee intake goal will be 505 HPOG applicants in total; with 337 randomly assigned to the treatment group and 168 randomly assigned to the control group. This task will include collecting intake data with all study participants and entering into the PRS the intake data (baseline and supplementary baseline questions) for 505 study participants.

**Task 5: Periodic Update of PRS.** On a schedule specified in the EDIP, SCDOL will provide updated program and administrative data on HPOG study participants and activities during the study period (March 2013 through November 30, 2014).

**Total Fixed Price:** $176,128.00

**Deliverables and Schedule of Payments:**
On or after March 31, 2013, SCDOL will provide a report on activities conducted over the course of the previous quarter, along with an associated invoice (in accordance with Section 2.4B of this MOU). At the end of subsequent quarters, SCDOL will provide reports on individuals randomly assigned over the course of the previous quarter along with an associated invoice. Receipt and approval of each report and invoice by Abt Associates will trigger the following payments:

- Report 1 (on or after March 31, 2013) – $22,016.00
- Report 2 (on or after June 30, 2013) – $22,016.00

RESOLUTION NO. -2013, AMENDING RESOLUTION NO. 732-2012, AUTHORIZING A CHARGE BACK FOR THE OUT-OF-COUNTY TUITION

WHEREAS, New York State Education Law requires the County of Suffolk to reimburse other community colleges for certain costs when a Suffolk resident attends a community college on a non-resident basis; and

WHEREAS, the County of Suffolk may, pursuant to Section 6305(f) of the New York State Education Law, charge the amounts paid for such residents back to the County’s ten towns in proportion to the number of town residents who attend community college as non-residents, a process commonly referred to as a “charge back”; and

WHEREAS, Suffolk County Resolution No. 732-2012 authorized a charge back for the academic fiscal year of September 1, 2012 to August 31, 2013 for Suffolk County residents attending New York State Community Colleges as non-residents, with the exception of costs associated with residents enrolled at the New York Fashion Institute of Technology (FIT) in third and fourth year education programs and Master’s Degree programs; and

WHEREAS, on January 16, 2013, the Second Department issued an opinion in the matter of Town of North Hempstead v. and be it further
2nd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. WHEREAS, the Fashion Institute of Technology (FIT) is defined as a community college in State law, even though it offers Baccalaureate and Master’s degree programs in addition to two-year programs;

## 2. Title of Proposed Legislation
Delegating to the County Comptroller of the County of Suffolk, New York, the power to authorize the issuance of and to sell not exceeding $105,000,000 Tax Anticipation Notes of said County in anticipation of the collection of real estate taxes levied for County purposes or returned to the County for collection for the fiscal years commencing January 1, 2010, 2011, 2012 and 2013 and to prescribe the terms, form and contents, and provide for the sale and credit enhancement of such notes.

## 3. Purpose of Proposed Legislation
To issue delinquent tax anticipation notes for cash flow purposes, as we have done for the past number of years. The current 2013 cash flow anticipates revenue of $90,000,000 in such tax anticipation notes. The resolution has been written to provide sufficient latitude in principal should revenue trends decline resulting in the cash flow requiring a larger infusion of funds.

## 6. If the answer to item 5 is "yes", Provide Detailed Explanation of Impact
Since these notes will be issued to mature in September 2014 impact would be to the County’s 2014 operating budget. TANs will be issued during September 2013 for the four most current fiscal tax years. The estimated “gross” interest cost for the maturing note is estimated to be approximately $1,800,000. ($90,000,000 x 2.00% gross coupon for 12 months.)

It is anticipated that a premium may be bid by the underwriters. Thus, it is currently expected that the net interest cost for the notes could be approximately 1.00%.

TITLE OF BILL: Delegating to the County Comptroller of the County of Suffolk, New York, the powers to authorize the issuance of and to sell not exceeding $105,000,000 Tax Anticipation Notes of said County in anticipation of the collection of taxes levied for County purposes or returned to the County for Collection for the fiscal years commencing January 1, 2010, 2011, 2012 and 2013 and providing for other matters in connection therewith.

PURPOSE OR GENERAL IDEA OF BILL: A request for enabling local legislation to approve issuing Tax Anticipation Notes of the County for the upcoming fiscal year to meet cash flow needs.

SUMMARY OF SPECIFIC PROVISIONS: To issue tax anticipation notes for cash flow purposes to cover cash flow needs for fiscal 2013. The current 2013 cash flow anticipates revenue of $90,000,000 in such tax anticipation notes. The resolution has been written to provide sufficient latitude in principal and final sizing will be based upon actual cash flow projection formulas.

JUSTIFICATION: Standard annual request for enabling local legislation to approve issuing Delinquent Tax Anticipation Notes of the County as provided within the most current 2013 cash flow.

FISCAL IMPLICATIONS: The notes will be issued prior to December 31, 2013 for a term of approximately one year and will impact debt service in the 2014 operating budget. Estimated gross interest cost for the maturing note is estimated to be $1,800,000 ($90,000,000 X 2.00% gross coupon for 12 months). It is anticipated that a reasonable premium will be bid by the underwriters and that the net interest cost may be approximately 1.00%. Interest rate estimates are based on current market rates and are subject to change.

Providing adequate pump out facilities to boaters is essential to ensure compliance with the mandates of the “No Discharge Zone” designation and to prevent adverse water quality and public health issues.

JUSTIFICATION:

The funding for this pollution prevention project was recommended at the September 25, 2012 meeting of the WQPRP Review Committee. It was deemed by the Committee to be a prudent and beneficial use of the ¼% sales tax water quality funds. Providing these boat pump out facilities is necessary to protect the water quality of our estuaries.

FISCAL IMPLICATIONS

None to the General Fund. All funding will come from the existing ¼% sales tax generated fund for water quality projects.

TITLE OF BILL: A Draft Resolution for the appropriation of funds to purchase Public Works Highway Maintenance Equipment.

PURPOSE OR GENERAL IDEA OF BILL: This project provides funding for the purchase of highway maintenance equipment for the Department of Public Works. This Department operates a large fleet of several hundred pieces of equipment that is used for public safety highway maintenance work and snow removal on County roads, parking fields and various facilities. In order to provide the public with the level of service required to maintain safe and travel worthy roads, efficient and reliable equipment must be available. Equipment in this Division has a shorter life than most due to the corrosive and abrasive materials and conditions which they are subject to. The cost to repair much of the equipment over time is cost prohibitive. The Division’s fleet is continually evaluated and forecasting is done to insure a systematic replacement program.

SUMMARY OF SPECIFIC PROVISIONS: The equipment that we are looking to replace has become problematic due to age and fatigue. It has exceeded its useful life and it is not cost effective to invest in the repairs required to keep operational. The harsh working conditions and materials (salt) that the equipment is subject to reduces its mechanical integrity as well as the appearance and image reflected on the County. These mechanical problems result in the failure of NYS emission and safety inspections. The life span of most of the equipment does not exceed 10 years. Since this equipment has outlived its useful life, the safety for our employees, the public and the potential for accidents is concerning.

JUSTIFICATION: The purchase of necessary equipment enables the County to meet its mandate to provide safe roadways for the general public. It is essential to be prepared during all types of conditions including Homeland Security threats, weather emergencies such as flooding, snow/ice storms and hurricanes. The equipment replacement program save taxpayer dollars and more importantly insures the readiness of the Department to react to any emergency events and its core mission.

FISCAL IMPLICATIONS: The County will issue $2,049,000.00 in bonds to fund this project.
