Those resolutions are as follows:

1. Resolution 2013.52 - Approving Monthly Sponsored Services for Suffolk County Community College (this resolution covers June and July health insurance premiums in the approximate amount of $3.6 million);

2. Resolution 2013.54 - Approving Suffolk County Community College’s Monitoring Report Response to Middle States Commission on Higher Education (this resolution approves the College’s submission by September 1st of the Monitoring Report to the Middle States Commission);

3. Resolution 2013.60 – Accepting a Subcontract from the Research Foundation for College Access Challenge Grant (grant is for summer programming running through August 2013).

4. Resolution 2013.61 – Extending a Tuition Payment Plan to certain non-credit, workforce development classes (this resolution extends the tuition payment to two non-credit courses in workforce development which will begin in the fall semester of 2013); and

5. Resolution 2013.62 – Authorizing a Contract for College Events Scheduling Software (this resolution authorizes the purchase of software to manage event scheduling for the 2013/2014 academic year.

6. Chairwoman Irizarry is requesting that the start time of the September 19th, 2013 meeting be changed from 4:00 pm to 9:00 am in order to allow her and Student Trustee Espitia travel time to attend the NYCCT Conference on that day.

Due to the time constraints involved in each of these resolutions, the President is requesting that the Executive Committee grant conditional approval to these resolutions so that the Administration can move forward on these matters subject to full confirmation by the entire Board of Trustees at the September 2013 regular Board of Trustees meeting.

In addition, we have several similar Resolutions which appear on the Association Agenda which require your attention. Unfortunately, the By-Laws for the Board of Directors do not contain a conditional approval process similar to the one in the College By-Laws. This may be a modification which the Board may want to consider for future action.

In the Association, we have two critical personnel appointments one appointing Barbara Hurst as the Director of Business Affairs (Resolution 2013.A.14). Ms. Hurst is to start her employment on August 19, 2013. The second critical Resolution (2013.A.15) is appointing Linda Crispi as the Director of the Children’s Learning Center on the Ammerman Campus. Ms. Crispi’s employment is to begin on August 19, 2013. We are seeking your permission to proceed with the employment of these two individuals subject to confirmation by the Board of Directors at the September Board of Directors meeting. The appointing Resolutions will be modified to be retro-active to the appointment dates for the individuals which will be August 19, 2013.

In addition, there was also a Resolution (2013.A18) approving the 2013/2014 Budget of the Suffolk Community College Association. This budget would have gone into effect on September 1, 2013. We are seeking your permission to conditionally put this budget in place, again subject to a retroactive confirmation by the Board of Directors at the September 19, 2013 meeting.

If any members of the Board of Directors object to the Administration’s intentions with respect to the three Board of Directors resolutions, please advise us at your earliest convenience so that we can take the appropriate action if more than four members object to these procedures. If we fail to hear from four or more members in opposition to this plan, then we will proceed as outlined above and all three resolutions will appear on your Association agenda in September for Board approval. We regret having to bring these matters to your attention, but we do believe that action on these items should not wait until September 19th.

Building and Sustaining Motivation In Demanding Times

This workshop will identify key factors that influence the building and sustainability of motivation. An assessment tool will be used to identify individual motivation style and participants will be challenged to identify and access personal strengths which can result in an increase in personal productivity. Finally, a variety of thought provoking quotations will be presented for purpose of stimulating discussion, humor, and personal evaluation.

Stress Management- Stress management does not mean getting rid of all stress. Rather, it means making thoughtful choices about which stress to keep and which to let go. This workshop will focus on identifying a balance between school, work, and home life. Participants will learn how to examine themselves in new ways and evaluate their personal stressors. Individuals will learn to rearrange activities to match one’s priorities and gain a stronger commitment to oneself, school, job and family without adding to stress and burnout.

Instructional Mini-Courses- Because the information delivered in the series of presentations below will extend beyond a single workshop, they are presented as mini-courses.

Herstory Writing Mini Course: The Herstory series will expand and improve how students approach and execute writing, addressing the fundamentals of writing and also including rhetorical and expository elements.

Herstory – This new approach to writing focuses on developing writing skills through self-discovery and guided memoir writing. The Herstory series will be interwoven throughout the Summer EOP Program as a supplement to the traditional writing course. The learning principles which will be developed through Herstory are the principles of rhetoric and effective expository writing. The course will focus on the organization of ideas through guided memoir writing and the development of these ideas through use of specific information. Herstory writing will deal with matters of style, sentence structure, paragraph development, punctuation and vocabulary.

The Money Smart Training Program- This mini course, will aid students in understanding methods of financing college through loans and other sources of financial aid as well as developing their knowledge of how to prepare a personal spending plan, monitor personal expenditures, and use budgeting tools and techniques.

Technological Enhancement of Service Provision – Professors teaching in the EOP summer program and EOP Counselors will use a variety of software to enhance the delivery of academic content and services. These applications will be integrated in classroom instruction and students will be guided in their use to expand their learning experience and to develop skills necessary for academic success.

1. MyStudentSuccessLab - MyStudentSuccessLab is an online solution designed to help students ‘Start strong, Finish stronger” by building skills for ongoing personal and professional development.

This Learning Outcomes based technology offers Pre- and Post-Diagnostic questions linked to key learning objectives, provides an overview of learning objectives to build vocabulary and repetition, and promotes student engagement through video interviews on key issues “by students, for students”. Practice exercises improve class preparation and learning. Graded activities build critical thinking skills and develop problem-solving abilities. Students have access to relevant FinishStrong 247 YouTube videos, MySearchLab use for doing effective research, and more.

Features include College Transition, Communication, Critical Thinking, Financial Literacy, Goal Setting, Information Literacy, Interviewing, Job Search Strategies, Learning Preferences, Listening and Taking Notes In Class, Majors/Careers and Resumes, Memory and Studying, Problem Solving, Reading and Annotating, Self-Management Skills at Work and Stress Management.
Suffolk County Community College will use funding from the College Access Challenge Grant to enhance summer program activities designed to foster adjustment, higher levels of preparation and persistence for incoming students. The enhancements as described below will supplement the basic services already provided through the Educational Opportunity Program. Because of their enrollment in the Educational Opportunity Program, all students being serviced by the College Access Challenge funds have been determined to be economically and academically disadvantaged.

Workshop Series- Workshops to be presented are designed to aid students in the transition to the demands of the college setting and will focus on the development of critical thinking skills, effective student practices and behaviors, goal setting, building motivation and managing stress.

Introduction to Critical Thinking and Why It Is Essential

This workshop will present an overview of critical thinking and its place in every aspect of our lives. Critical thinking is to be distinguished from other thinking because of the systematic nature of high quality thought. The quality of our thinking will affect the quality of our lives. Future society will be shaped by the work of the mind, work that involves reasoning, comprehension and flexibility. The series will allow us to assess our own level of thinking. The characteristics of a critical thinker will be discussed and identification of psychological and functional barriers to creative thought will be examined. A variety of innovative techniques such as collaborative paired learning, Socratic questioning and PMI theory, will be briefly introduced.

Your Role as a Successful Student: Strategies on Study Skills, Test Taking, and Time Management Academic Study Skills

Studying has three primary purposes – to comprehend, retrieve, and apply information, concepts, and skills when needed. This workshop will introduce characteristics of a successful student, recognize external and internal factors of motivation, and demonstrate how to design a successful study environment. A critical reading technique known as SQ3R will be introduced along with the Cornell note taking method and Mapping. These strategies are particularly relevant for students studying the sciences. Finally, challenges to effective time management will be addressed and a variety of test taking strategies for objective, essay and standardize test will be introduced.

Discovering, Rediscovering, or Confirming Your Goals

Goal setting is a powerful process that allows dreams to become a reality. This workshop will present essential components that must be developed in order for effective goal setting to be initiated and sustained until the goal itself has been achieved. Techniques on how to write out goals will be presented and challenges of recognizing the impact of ‘comfort zone’ will be discussed. Understanding the importance of defining success on a personal, academic, and professional level will be introduced. Finally, participants will recognize their areas of potential but more importantly, recognize that potential without a plan of action – remains potential.
II. **Computer Literacy Series** - Examples of subject matter to be covered include Basic Keyboarding and Computer Skills, Orientation and Windows, Microsoft Word, Microsoft Excel, Microsoft Access and PowerPoint.

III. **Math Media** - MathMedia software will be used to support classroom instruction, group and independent learning modes. The level of math covered will be contingent on student need and ability. The software includes basic, intermediate and advanced mathematical applications.

Subject: REQUEST FOR LEGISLATIVE RESOLUTION

The Division is requesting a Legislative Resolution to add $61,933 in additional 100% State Aid to Family Service League of Suffolk County. I am attaching drafts of the fiscal impact statement, intro resolution and routing form as well as the Office of Mental Health's 2013 revised third quarter state aid letter which includes this funding. In addition, I have included the letter from the OMH Long Island Field Office detailing the specifics of the funding.

MEMORANDUM OF SUPPORT

TITLE OF BILL: ACCEPTING AND APPROPRIATING 100%
FEDERAL FUNDS ADDITIONALLY AWARDED BY THE U.S.
MARSHALS SERVICE TO THE SUFFOLK COUNTY DEPARTMENT OF
PROBATION AND AUTHORIZING THE COUNTY EXECUTIVE TO
EXECUTE RELATED AGREEMENTS.

PURPOSE OR GENERAL IDEA OF BILL: The Director of Probation has
requested the acceptance of additional funds in connection with the US Marshalls
Service Regional Fugitive Task Force for the funding of Overtime incurred by the
Probation Officer assigned to the USMA Task Force.

SUMMARY OF SPECIFIC PROVISIONS: This Legislation requests the
acceptance and allocation of $1,200 of additional funding for the 2012-2013
Federal fiscal period. This funding will facilitate reimbursement for additional
hours necessitated on the task force.

JUSTIFICATION: The Probation Department has participated in the US
Marshalls Service Task Force for many years and receives an annual allocation of
funding for the purpose of Overtime cost reimbursement to the County. For the
funding period of October 9, 2012 through September 30, 2013 an additional
allocation of $1,200 was awarded to the Probation Department for additional task
force hours.

FISCAL IMPLICATIONS: The additional funding for overtime will allow
for reimbursement of additional hours of overtime incurred by the Probation
Officer assigned to the Task Force. The additional funding was not included in
the adopted 2013 Operating Budget. The Legislation requests the appropriation of
the additional $1,200.
September 16, 2013

Jon Schneider, Deputy County Executive

Enclosed please find 2 copies of the resolution packet prepared by the Suffolk County Department of Probation to accept additional funding in the amount of $1,200.00 grant funding from the U.S. Department of Justice Marshalls Service. The resolution for the award of the additional $1,200 is for the funding period effective October 9, 2012 through September 30, 2013. The grant is for reimbursement of Overtime costs associated with the Suffolk County Probation Department participation in the U.S. Marshalls Fugitive Task Force.

A copy of the award letter is attached. Currently and for a number of years, the Probation Department participates in the efforts of the Long Island Division of the U.S. Marshalls Fugitive Task Force. This joint effort is in order to identify and target for prosecution, the most dangerous federal, state and local fugitives on the eastern seaboard, specifically within the Long Island Region.

It is requested at this time that priority consideration be given to this resolution due to the fact that the grant period was effective for the 2012 - 2013 budget year, with the funding year ending September 30, 2013.

Please feel free to contact Anne Abel, Principal Accountant at 2-5032 if you have any questions. I thank you in advance for any assistance that can be given to this matter.

Dr. Michael Lehrer Ph.D.
Chief Toxicologist
Suffolk County Toxicology Laboratory
Building 487, North County Complex
Hauppauge, NY 11788

Dear Dr. Lehrer:

I am pleased to notify you that the Suffolk County Toxicology Laboratory has been awarded $90,000 for the 2013-2014 State Fiscal Year (SFY) Aid to Crime Laboratories Grant Program. The grant contract is for the 12-month period beginning July 1, 2013 and ending June 30, 2014.

The SFY 2013-14 grant application must be submitted within 45 days of receiving this notice, otherwise you will be in jeopardy of losing this year’s award. Please note, all prior year contracts must be currently compliant with contract conditions (up-to-date progress reports, fiscal cost reports and vouchers) before the 2013-14 application can be approved. All final reports and vouchers for 2012-2013 contracts ending June 30, 2013 are required to be submitted by August 15, 2013.

Additional new requirements and information for the 2013-14 grant period:

- **Reports and Vouchers**: 2013-14 contracts now require quarterly progress reports and vouchers to be submitted within 30 days of completion of each quarter.

- **Appendix M - Participation By Minority Group Members And Women With Respect To State Contracts**: Grantees must submit documentation showing compliance with New York State Executive Law Article 15-A which requires goals for maximum feasible participation of New York State Certified minority- and women-owned business enterprises (”MWBE”) and the employment of minority groups’ members and women in the performance of New York State contracts. The Division of Criminal Justice Services (DCJS) has established an overall goal of 20% for MWBE participation, 14% for Minority-Owned Business Enterprises (”MBE”) participation and 6% for Women-Owned Business Enterprises (”WBE”) participation (based on the current availability of qualified MBEs and WBEs). Each grantee must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of this Contract, and the Contractor agrees that DCJS may withhold payment pending receipt of the required MWBE documentation. The directory of New York State Certified MWBEs can be viewed at: [http://www.esd.ny.gov/mwbe.html](http://www.esd.ny.gov/mwbe.html).
• There are also changes to the boiler plate appendices. The new/updated appendices are available for your review on the DCJS website under the Contract Documents list at: http://www.criminaljustice.ny.gov/ofpa/forms.htm

In order to facilitate the application process, the application must be completed and submitted through the DCJS internet-based automated Grants Management System (GMS). **No other format of application will be accepted.** If you have questions or need assistance, you can submit an e-mail attachment to funding@dcjs.ny.gov or call DCJS at (518) 457-9787 for assistance. In the near future, Donna Palombo, Criminal Justice Program Representative 1, will be contacting your office to assist in the processing of your contract.

We are pleased to be able to provide funding assistance this year for your Aid to Crime Laboratories program. We look forward to working with you in our continued efforts to improving public safety in New York State.

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of Federal funding to compliance with Federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice is responsible for ensuring that recipients of financial aid from OJP, its component offices and bureaus, the Office on Violence Against Women (OVW), and the Office of Community Oriented Policing Services (COPS) comply with applicable Federal civil rights statutes and regulations. We at OCR are available to help you and your organization meet the civil rights requirements that come with Justice Department funding.

Ensuring Access to Federally Assisted Programs

As you know, Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of Federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website at http://www.lep.gov.

Ensuring Equal Treatment for Faith-Based Organizations

The Department of Justice has published a regulation specifically pertaining to the funding of faith-based organizations. In general, the regulation, Participation in Justice Department Programs by Religious Organizations; Providing for Equal Treatment of all Justice Department Program Participants, and known as the Equal Treatment Regulation 28 C.F.R. part 38, requires State Administering Agencies to treat these organizations the same as any other applicant or recipient. The regulation prohibits State Administering Agencies from making award or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see OCR's website at http://www.ojp.usdoj.gov/ocr/efbo.htm.

State Administering Agencies and faith-based organizations should also note that the Safe Streets Act, as amended; the Victims of Crime Act, as amended; and the Juvenile Justice and Delinquency Prevention Act, as amended, contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the Justice Department has concluded that the Religious Freedom Restoration Act (RFRA) is reasonably construed, on a case-by-case basis, to require that its funding agencies permit faith-based organizations applying for funding under the applicable program statutes both to receive DOJ funds and to continue considering religion when hiring staff, even if the statute that authorizes the funding program generally forbids considering of religion in employment decisions by grantees.

* Questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment may be directed to this Office.
Enforcing Civil Rights Laws

All recipients of Federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to the prohibitions against unlawful discrimination. Accordingly, OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal employment opportunity standards.

Complying with the Safe Streets Act or Program Requirements

In addition to these general prohibitions, an organization which is a recipient of financial assistance subject to the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, 42 U.S.C. § 3789d(c), or other Federal grant program requirements, must meet two additional requirements: (1) complying with Federal regulations pertaining to the development of an Equal Employment Opportunity Plan (EEOP), 28 C.F.R. § 42.301-308, and (2) submitting to OCR Findings of Discrimination (see 28 C.F.R. §§ 42.205(5) or 31.202(5)).

1) Meeting the EEOP Requirement

In accordance with Federal regulations, Assurance No. 6 in the Standard Assurances, COPS Assurance No. 8.B, or certain Federal grant program requirements, your organization must comply with the following EEOP reporting requirements:

If your organization has received an award for $500,000 or more and has 50 or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare an EEOP and submit it to OCR for review within 60 days from the date of this letter. For assistance in developing an EEOP, please consult OCR's website at http://www.ojp.usdoj.gov/ocr/eep.htm. You may also request technical assistance from an EEOP specialist at OCR by dialing (202) 616-3208.

If your organization received an award between $25,000 and $500,000 and has 50 or more employees, your organization still has to prepare an EEOP, but it does not have to submit the EEOP to OCR for review. Instead, your organization has to maintain the EEOP on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form can be found at http://www.ojp.usdoj.gov/ocr/eep.htm.

If your organization received an award for less than $25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEOP requirement. However, your organization must complete Section A of the Certification Form and return it to OCR. The Certification Form can be found at http://www.ojp.usdoj.gov/ocr/eep.htm.

2) Submitting Findings of Discrimination

In the event a Federal or State court or Federal or State administrative agency makes an adverse finding of discrimination against your organization after a due process hearing, on the ground of race, color, religion, national origin, or sex, your organization must submit a copy of the finding to OCR for review.

Ensuring the Compliance of Subrecipients

If your organization makes subawards to other agencies, you are responsible for assuring that subrecipients also comply with all of the applicable Federal civil rights laws, including the requirements pertaining to developing and submitting an EEOP, reporting Findings of Discrimination, and providing language services to LEP persons. State agencies that make subawards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

If we can assist you in any way in fulfilling your civil rights responsibilities as a recipient of Federal funding, please call OCR at (202) 307-0690 or visit our website at http://www.ojp.usdoj.gov/ocr/.

TITLE OF BILL: A draft resolution to appropriate funding for the Rehabilitation of Parking Lots, Sidewalks, Drives and Curbs at Various County Facilities

PURPOSE OR GENERAL IDEA OF BILL: Significant portions of facility parking lots throughout the County have not been resurfaced since construction. Many of these County Facilities have fallen into disrepair and may present a public safety issue. Lack of funding over years to address many of these facilities has resulted in structural deterioration. Over the past several years the severe winters has escalated these structural failures. The addition of solar panels to parking facilities and rising fuel prices increases the cost of resurfacing.

SUMMARY OF SPECIFIC PROVISIONS: Locations to be addressed are prioritized based on condition, cost and the time involved for repair.

JUSTIFICATION: This project will eliminate hazardous conditions and reduce the risk of injuries and the County's exposure to liability claims. Reconstruction of these facilities ultimately reduces maintenance costs.

FISCAL IMPLICATIONS: The County will issue bonds in the amount of 1,750,000 to fund the project.

Subject: Request for Introductory Resolution for Capital Project 8223
Ronkonkoma Wallpaper

We are requesting that a resolution be drafted to extend the duration of Fund 8223.312 to December 31, 2015. The funding was appropriated for construction/remediation of the former Ronkonkoma Wallpaper Factory before the full extent of contamination was known at the site and is now known to be insufficient. A subsequent Remedial Investigation revealed that significant contamination was present at the site. As a result, supplemental funding was requested. It is expected that the full funding to remediate Ronkonkoma Wallpaper will be appropriated in 2014. At that time, fund 8223.312 will be required to remediate the site.

The referenced Suffolk County owned property is contaminated with heavy metals. The site must be remediated to the satisfaction of the NYSDEC.

Therefore, we request that a resolution be prepared to extend funding for CP 8223 as detailed above.

RE: Amending Resolution No. 467-2012 in Connection with Resurfacing of CR 111, Daniel Road Highway from the Vicinity of NY 27, Sunrise Highway to the Vicinity of I-495 Westbound Access Ramp; and CR 105, Cross River Drive from the Vicinity of NY 24 to NY 25, Towns of Brookhaven, Riverhead and Southampton (CP 5599)

Attached is a draft resolution and duplicate copy to amend Resolution No. 467-2012. The resolution, for construction costs associated with resurfacing of CR 111, Daniel Road Highway from the Vicinity of NY 27, Sunrise Highway to the Vicinity of I-495 Westbound Access Ramp; and CR 105, Cross River Drive from the Vicinity of NY 24 to NY 25, was adopted with a total appropriation of $6,513,750. The State of New York sought and received Federal authorization for an agreement totaling $6,516,000, and subsequently, issued the County State Marchiselli aid (15% share) based on that amount.

The total appropriation is currently $6,513,750, with a share allocation of 80% Federal reimbursement ($5,211,000) and 20% County share ($1,302,750). This resolution would amend the share allocation by increasing the total State agreement amount, adding in State Marchiselli aid and decreasing the County share. The new allocation would be broken down as $5,212,800 Federal Aid (80%), $977,400 State Aid (15%) and $325,800 County share (5%). This amending resolution will also revise the Project Identification Number (PIN) from a temporary OT, to PIN 076008.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5599(Amend 467-12 CR111-CR105).doc”.

RE: Amending Resolution No. 717-2011 in Connection with the Reconstruction of CR 80, Montauk Highway, Town of Brookhaven (CP 5516)

Attached is a draft resolution and duplicate copy to amend Resolution No. 717-2011. The resolution, for right-of-way acquisition costs associated with the Reconstruction of CR 80, Montauk Highway, was adopted to amend prior resolution nos. 1524-2006 and 768-2007, to allow for the acceptance of State Marchiselli aid. The project has since received additional Marchiselli aid and, therefore, Resolution 717-2011 must be amended to reflect this change.

The total cost of right-of-way acquisition is currently $4,300,000, with a share allocation of 80% Federal reimbursement ($3,440,000), 10% State Marchiselli reimbursement ($450,000) and 10% County share of $410,000. This resolution would amend the share allocation by increasing the State Marchiselli aid and decreasing the County share. The new allocation would be broken down as $3,440,000 Federal Aid (80%), $645,000 State Aid (15%) and $215,000 County share (5%).

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5516(Amend 717-11 CR80).doc”.

RE: Amending Resolution No. 460-2011 in Connection with the County Share for Participation in the Installation of a Closed Loop Signal System on Various County Roads (CP 3309)

Attached is a draft resolution and duplicate copy to amend Resolution No. 460-2011. The resolution, for services in connection with the Installation of a Closed Loop Signal System on Various County Roads (Phase 6), was adopted with a temporary Project Identification Number (PIN). The project has since been assigned a permanent PIN for Federal and/or State aid reimbursement.

Additionally, the resolution did not identify that a portion of the tasks associated with the engineering, planning and construction of the project would be performed by Department of Public Works staff and, therefore, be eligible for reimbursement (or chargeback), nor was language included that would allow for State Marchiselli reimbursement, should such reimbursement become available.

This amending resolution addresses the above item.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP3309(Amend 460-11 CL6).doc".

TITLE OF BILL: Amending the 2013 Capital Budget and Program and Appropriating funds in connection with the Rehabilitation of Various Bridges and Embankments (CP 5850)

PURPOSE OR GENERAL IDEA OF BILL: This funding will provide for additional funding to repair work currently ongoing on the bridge carrying CR 19, Patchogue-Holbrook Road over the Long Island Railroad.

SUMMARY OF SPECIFIC PROVISIONS: The current Capital Budget for construction is insufficient and offsets have been identified within CP 5196 – Engineering for County Wide Highway Signal Management System in the amount of $500,000 (this project is currently under design and the Department is not at a point to move to the next phase of engineering); CP 5200 – Engineering for Surveying for Dredging of County Waters in the amount of $100,000 (the current appropriated funding is sufficient to complete the work anticipated for this year)

JUSTIFICATION: These funds will enable Suffolk County Department of Public Works to rehabilitate and repair CR 19, Patchogue Holbrook Road bridge, in which severe deterioration was discovered in the course of the current construction project.

FISCAL IMPLICATIONS: Bonds will be issued to finance this project and principal and interest costs will be incurred over the life of the Bonds.

RE: Amending the 2013 Capital Budget and Program and Appropriating Funds in Connection with the Rehabilitation of Various Bridges and Embankments (CP 5850)

Attached is a draft resolution and duplicate copy to appropriate the sum of $600,000 for construction in connection with the above referenced project. There are insufficient funds included in the 2013 Capital Budget and Program for this request and, as such, an offset must be provided.

It is our intent to utilize CP 5196 – Engineering for a County-Wide Highway Sign Management System ($500,000) – this project is currently under design, however, the Department is not ready to progress to the next phase of design; CP 5200 – Engineering for Surveying for Dredging of County Waters ($100,000) – there are sufficient funds appropriated to complete the anticipated work this year.

Additional construction funds are required due to unforeseen deteriorated conditions on the bridge that carries CR 19, Patchogue-Holbrook Road over the Long Island Railroad. These conditions were discovered during the rehabilitation of the bridge that is presently underway, and which would not have been discovered until the rust and paint removal process had begun. Severe deterioration of the main structural girders and bearing points presents a potential threat to the traveling public if not repaired.

The Suffolk County Council on Environmental Quality has reviewed these types of bridge rehabilitation projects and has determined that they constitute a Type II Action as well, as provisions of Title 6 NYCRR Part 617.5(c)(1), (2) and (27) involves the maintenance or repair of an existing structure and/or the replacement, rehabilitation or reconstruction in-kind, on the same site.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5850(Br Rehab Addntl Constr).doc”.

RE: 2013 Capital Project Funds – Purchase of Replacement Vehicle

The Office for Aging submitted a 2013 capital project in the amount of $134,410 to purchase replacement vehicles for the Nutrition Program for the Elderly. We anticipate purchasing two vehicles to transport seniors to congregate meal sites.

At this time, I am requesting that capital funds be released so that the Office for Aging can continue to provide vehicles for the Nutrition Program for the Elderly. I am attaching the resolution and supporting background information needed to release funds for this project.

Please let me know if you need additional information. I appreciate your consideration.

Subject: Request for Introductory Resolution for 2013 Capital Program 8237

In accordance with program needs and consistent with the 2013 Adopted Capital Budget, a request of $25,000 is made for upgrade of the groundwater model. The model must be updated to include current land use data and up to date ground water information. The ability to apply the models in a timely and cost effective manner is critical to implementation of many CWRMP recommendations. The model will also be central to evaluation of alternative onsite sewage disposal projects. This includes evaluating the impacts of new planning initiatives and sewage management options. The Department must have the capability to maintain, update and apply these models. It is essential that multiple staff members have the necessary training to ensure that the models can be run in a timely and efficient manner.

Practical, detailed ground and surface water impact assessments will be necessary for additional town and village planning initiatives intended to implement “Smart Growth” development projects, similar the Montauk Highway Corridor pilot study conducted under the CWRMP.

In addition, it should be noted that an additional $200,000 of funding was provided in 2010 by the SCWA with the condition that additional work be performed for developing source water protection
standards and watershed rules and regulations, and to enhance agricultural environment management programs. Ground water modeling is a fundamental tool in developing the cost benefit analysis required when implementing new rules and regulations.

For the purposes of this Lease and all agreements supplemented to this Lease, the term “Business Day” shall mean any day except a Saturday, a Sunday or any day in which commercial banks are required or authorized to close in Suffolk County, New York.
Section 3.02 Provided TENANT is not in default of any of the terms of this Lease, TENANT, shall have the option to renew this Lease for one additional three (3) year period, commencing upon the expiration of the initial term (“Option”). Said Option may be exercised by TENANT by notifying Airport Management, in writing, by registered or certified mail, return receipt requested no less than ninety (90) days prior to the expiration of the then current term of its desire to exercise the Option. The Option may be granted, in writing, at the sole discretion of the Commissioner of the Department of Economic Development and Planning. All of the terms and conditions of this Lease, other than annual Rent, shall apply to the Option. If TENANT fails to notify COUNTY of its intent in accordance herewith, the Option shall thereupon terminated. COUNTY shall be under no obligation to send any notice to the TENANT regarding its obligation to notify the COUNTY of its intent to exercise said Option.

Section 3.03 Termination – Either party shall have the right to terminate this lease without penalty upon 90 days written notice subject to the remaining terms and conditions described herein.

4. RENT AND SECURITY

Section 4.01 “Annual Rent” for the Premises for the first year of the Lease Term shall be $2,444.76 per year, (or $9.55 per square foot times 256 square feet), payable by TENANT to COUNTY at COUNTY’s address set forth herein, or at such other place designated by COUNTY in writing, in equal monthly installments of $203.73 payable within ten (10) days of TENANT’s receipt of the invoice for each calendar month during the Term, with partial months prorated. Commencing on the first anniversary date of the Commencement Date, and on each anniversary date thereafter, Annual Rent shall increase by two and one half percent (2.5%) over the Annual Rent in the preceding year. Rent includes use of existing utilities including electric. Heat and air conditioning are supplied from the Terminal Building HVAC system at no additional fee. No modifications will be made to the system for the tenant’s use.

Section 4.02 Annual Rent shall be adjusted in the first year of the Option period to an amount equal to the Annual Rent in effect the immediately preceding year, plus any cost of living adjustment greater than seven and one-half percent (7.5%) for the original three-year term, plus 2.5%. If the cost of living index for the original three-year term does not exceed 7.5% as measured by the Consumer Price Index (hereinafter called the “Index”) applicable for Suffolk County, New York, for all items of the Bureau of Labor Statistics of the United States Department of Labor, Annual Rent for the first year of the Option period shall be increased by two and one-half (2.5%) over the prior year’s annual rent. Thereafter, Annual Rent during the Option Term shall increase by 2.5% over the Annual Rent in the preceding year.

Section 4.03 COUNTY acknowledges that, upon commencement of the initial lease term, County received from TENANT a deposit in the amount of $1,222.38 representing security payment for the Premises, for rent and performance by TENANT and all other obligations under this Lease. The security deposit, less any monies due the COUNTY by reason of violation of the terms of this Lease by the TENANT shall be returned to the TENANT at the termination of the Lease, or any extensions thereof, together with such interest, if any, as shall have accrued thereon.

Section 4.04 TENANT shall pay all rent without set-off, abatement, deductions, defense or claims, except as specifically set forth herein, to COUNTY at COUNTY’s address set forth herein or at such other place as COUNTY may designate in writing, in lawful currency of the United States of America.

Section 4.05 TENANT shall be liable for a penalty of one and one half percent (1.5%) per month for any part of the Rent required to be paid to COUNTY hereunder not paid within fifteen (15) days of the date it is due. In addition to the overdue rent, such penalty shall accrue on the unpaid balance, which includes any previously accrued and unpaid penalties and fees, until said unpaid balance is liquidated. For any payment which is less
than a full month late, the penalty shall be assessed at the rate of five one hundredths of one percent (0.05%) per day.

Section 4.06 Each late charge shall be payable immediately upon demand made at any time therefore by COUNTY. No acceptance by COUNTY of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of COUNTY to payment of any late charge or late charges payable under the provisions of this Section 4 with respect to such unpaid amount. Each late charge shall be and become additional fees, recoverable by COUNTY in the same manner and with like remedies as if it were originally a part of the Rent payable hereunder. Nothing in this Section 4 is intended to or shall be deemed to affect, alter, modify or diminish in any way (i) any rights of COUNTY under this Lease, including without limitation, County’s rights set forth in Section 18 of this Lease or (ii) any obligations of TENANT under this Lease. In the event that any late charge imposed pursuant to this Section 4 shall exceed a legal maximum, such late charge payable under this Lease shall be payable instead at such legal maximum.

Section 4.07 Any sums, charges, fees, expenses or amounts to be paid by TENANT pursuant to the provisions of this Lease other than Annual Rent, shall be designated as and deemed to be “Additional Rent” and shall be payable by TENANT to COUNTY within thirty (30) days after COUNTY gives TENANT written notice that such payment is due. COUNTY shall have the same rights against TENANT for default in the payment of Additional Rent as for default in the payment of Annual Rent.

5. TAXES

Section 5.01 TENANT agrees to pay as Additional Rent, within ten (10) days of receipt of notice from COUNTY, any “Real Estate Taxes” or other payments in lieu of taxes, “PILOTS”, levied against TENANT’S occupancy or use of the Premises or any improvements placed thereon as a result of TENANT’S occupancy or use for other than public purposes. Any challenge to any assessment or tax shall be the obligation of TENANT and COUNTY’S responsibility shall be limited to sending to TENANT copies of any notice of assessment or tax bill actually received by COUNTY. In the event any tax paid by TENANT shall be refunded to COUNTY, the same shall be credited against Annual Rent installment next due.

The term “Real Estate Taxes” shall mean and be deemed to include all real estate taxes, assessments, county taxes, transit taxes or any other governmental charge of a similar nature whether general, special, ordinary or extraordinary, foreseen or unforeseen, of any kind or nature whatsoever including without limitation assessments for public improvements or benefits. If, due to a change in the method of taxation, any franchise, income, profit, sales, rental, use and occupancy or other tax shall be substituted for or levied against the COUNTY or any owner of the building and/or the land in lieu of Real Estate Taxes hereinabove defined, upon or with respect to the building or the land, such tax shall be included in the term “Real Estate Taxes”. Nothing contained herein shall be construed to include as “Real Estate Taxes” any inheritance, estate, succession, transfer, gift franchise, corporation, income or profit tax or capital levy that is or may be imposed upon COUNTY.

6. UTILITIES

Section 6.01 In the event utilities are not presently available at the site, TENANT agrees that the installation of any utilities for its use shall be at TENANT’s sole cost and expense and that TENANT shall assume and be responsible to pay for any utilities services, including the connections thereto, used by it with respect to its operations under this Lease.

Section 6.02 COUNTY shall have no liability to TENANT for any loss, damage or expense sustained or incurred by reason of any change, failure, inadequacy, unsuitability or defect in the supply or character of the
utilities furnished to the Premises or if the quantity or character of the utilities are no longer available or suitable for TENANT's requirements. The provisions of this section shall survive the expiration of this Lease.

Section 6.03 In the event utility service is sub-metered, TENANT shall be responsible for payment of the actual cost as billed to the COUNTY, net of any credits, abatements or incentives.

Section 6.04 Tenant will be responsible for the maintenance and repair of all utility service lines placed on the Leased Premises and used by the TENANT exclusively.

7. USE OF THE PREMISES

Section 7.01 TENANT may use the Premises for the purpose of operating an office, book storage, and book writing (author), and for no other purpose.

Section 7.02 TENANT's use of the Premises shall be subject to, and in accordance with, in all material respects, all rules, regulations, laws, ordinances, statutes, and requirements of all Governmental Authorities, including the American Disabilities Act, and the requirements of any fire insurance rating organization and all insurance companies writing policies covering the Premises or any part or parts thereof and any Fire Insurance Rating Organization, Board of Fire Underwriters and/or similar bodies having jurisdiction thereof, whether the same now are in force or at any time in the future may be passed, adopted, enacted, or directed (collectively, "Requirements").

For purposes of the Lease, "Governmental Authority" shall mean, the United States of America, the State of New York, the County of Suffolk, and any other city, state, municipality, village, county, town, department, board or instrumentality of any and/or all of the foregoing, or any quasi-governmental authority, now existing or hereafter created, and any officer thereof, having jurisdiction over the Building.

Section 7.03 TENANT shall pay all costs, expenses, claims, fines, penalties, and damages that may in any manner arise out of or be imposed because of the failure of TENANT to comply with Section 7.02 and shall indemnify and save COUNTY harmless against and from all costs, expenses, liabilities, losses, damages, suits, fines, penalties, claims, and demands because of TENANT’s failure to comply with the foregoing, and TENANT shall not call upon COUNTY for any disbursement or outlay whatsoever in connection therewith, and hereby expressly releases and discharges COUNTY, its officers, employees, agents, servants, and contractors of and from any liability therefore. TENANT, at its sole cost and expense, may, by appropriate legal proceedings conducted in good faith and with due diligence, contest the amount or validity or application, in whole or in part, of any Requirement, provided that if a lien is filed against the Premises by reason of any failure of TENANT to comply with such Requirement pending such contest, TENANT shall have furnished such security, if any, as may be required in the proceedings or which will discharge such lien (by substitution or otherwise) against the Premises, or is otherwise reasonably satisfactory to COUNTY.

Section 7.04 TENANT will not suffer any act to be done or condition to exist on the Premises, or any part thereof, or any article to be brought thereon which may be dangerous unless safeguarded as required by law, or which may, in law, constitute a nuisance, public or private.

Section 7.05 TENANT shall not suffer or permit the Premises or any portion thereof to be used by the public as such, without restriction or in such manner as might reasonably tend to impair the interest of COUNTY in the Premises or any portion thereof, or in such manner as might reasonably make possible a claim or claims of adverse usage or adverse possession by the public, as such, or of implied dedication of the Premises or any portion thereof.
Section 7.06 TENANT agrees not to permit the accumulation (unless concealed in appropriate containers) or burning of any rubbish or garbage in, on or about any part of the Premises. TENANT shall cause and pay for all garbage and rubbish to be collected or disposed of from the Premises.

8. NO WARRANTIES BY COUNTY

Section 8.01 TENANT acknowledges that TENANT is leasing the Premises “AS IS” and COUNTY shall not be required to perform any work or furnish any materials in connection with the Premises.

Section 8.02 Except as otherwise set forth in this Lease, (i) COUNTY makes no warranty of any kind or nature, express, implied or otherwise, or any representations or covenants of any kind or nature in connection with the conditions of the Premises or any part thereof, and (ii) COUNTY shall not be liable for any latent or patent defects therein or be obliged in any way whatsoever to correct or repair any such latent or patent defects.

Section 8.03 Except as may be otherwise expressly provided in the Lease, COUNTY shall not be obligated to provide any services to TENANT.

9. CARE AND REPAIR OF PREMISES

Section 9.01 It shall be TENANT’S sole obligation to take good care of the Premises and make and be responsible for any and all repairs, maintenance, replacements or renovations required. TENANT shall perform any work required to accommodate the needs of TENANT. All work is to be conducted in a good and workman-like manner, in accordance with Section 14 below, at TENANT’S sole cost and expense. Such repairs and replacements, ordinary as well as extraordinary, shall be made promptly as and when necessary. All repairs and replacements shall be of good workmanship and of quality and class at least equal to the original work or equal to the subsequently renovated and improved work.

Section 9.02 On default of TENANT in making such repairs or replacements, upon ten (10) days written Notice to TENANT, COUNTY may, but shall not be required, to make such repairs and replacements for TENANT’S account. The expenses thereof shall be a cost to TENANT, payable in accordance with Section 4.07 above.

Section 9.03 TENANT agrees to perform maintenance and make repairs and replacements in any case where County, in its reasonable judgment, determines that it is necessary to do so in order to preserve the safety of the Leased Premises, or to correct any condition which reasonably could cause injuries or damages to persons or property.

10. RIGHTS OF ENTRY RESERVED

Section 10.01 The COUNTY, by its officers, employees, agents, representatives and contractors shall have the right at any reasonable time to enter upon the Premises for the purpose of inspecting the same, for observing the performance by TENANT of its obligations under this Agreement and for the doing of any act or thing which the COUNTY may be obligated or have the right to do under this Agreement, or otherwise. In the event of a question of a contractor’s authority to enter upon the Premises, TENANT shall contact the COUNTY. Nothing in this Section 10.01 shall be construed to create a duty on the COUNTY to inspect the Premises.

Section 10.02 Without limiting the generality of the foregoing, the COUNTY by its officers, employees, agents, representatives and contractors and by the employees, agents, representatives and contractors of any furnisher of utility services in the vicinity, shall have the right, for its own benefit, for the benefit of TENANT,
or for the benefit of others at the Airport, to maintain existing and future utilities systems or portions thereof on the Premises, including therein, without limitation thereto, systems for the supply of heat, water, gas, fuel, electricity and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, telegraph and telephone services; including all lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to such systems, and to enter upon the Premises at all reasonable times to make such repairs, replacements or alterations as may, in the opinion of the COUNTY, be deemed necessary or advisable and, from time to time, to construct or install, in or under the Premises new systems or parts thereof, including lines, pipes, mains, wires, conduits and equipment; provided, however, that in the exercise of such rights of repair, alteration or new construction the COUNTY shall not unreasonably interfere with the use and occupancy of the Premises by TENANT.

Section 10.03 The COUNTY shall, as an additional remedy, upon the giving of a Notice of Termination as provided in Section 18 below, have the right to re-enter the Premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of TENANT under this Lease, and shall in no event constitute an acceptance of surrender.

Section 10.04 The exercise of any or all of the foregoing rights by the COUNTY or others shall not be or be construed to be an eviction of TENANT nor be made the grounds for any abatement of rent, nor any claim or demand for damages, consequential or otherwise.

Section 10.05 Nothing in this Section 10 shall impose or shall be construed to impose upon the COUNTY any obligation so to construct or maintain or to make repairs, replacements, alterations or additions, nor shall it create any liability for any failure so to do.

11. LIENS

Section 11.01 In the event it is permissible for any mechanics’ or other liens to be filed against any portion of the Premises by reason of TENANT’s acts or omissions or because of a claim against TENANT, TENANT shall cause the same to be cancelled or discharged of record by bond or otherwise within ninety (90) days after notice from COUNTY. If TENANT shall fail to cancel or discharge said lien or liens within said 90-day period, COUNTY may cancel or discharge the same and upon COUNTY’s demand, TENANT shall reimburse COUNTY for all costs incurred in canceling or discharging such liens together with an administrative fee equal to 5% of all such costs, such reimbursement to be paid as Additional Rent.

12. PREVAILING WAGE

Section 12.01 TENANT agrees to comply with the prevailing wage requirements of Section 220 of the Labor Law in connection with any Alterations, defined at Section 14 below, including, but not limited to, the building, land, parking lot, and all other portions of the Premises.

Section 12.02 No person performing, aiding in, or assisting in TENANT’s construction of any Alterations, defined below at Section 14.01, shall be paid less than the said prevailing rates as defined and utilized under Section 220 of the Labor Law.

Section 12.03 TENANT, its contractors, and subcontractors shall file transcripts of original payrolls for the construction of any Alterations under this Lease, with the Department, within ten (10) days after its first payroll, and every thirty days thereafter, said payroll transcripts to be subscribed and affirmed as true under penalty of perjury. TENANT, its contractors and subcontractors, shall keep their books open for inspection by representatives of the Suffolk County Department of Audit and Control and/or its representatives, including the
Office of the District Attorney, on a monthly basis during the construction of the Alterations, to ensure that TENANT, its contractors and subcontractors are in compliance with these terms and conditions, provided that twenty-four (24) hour-notice is given to TENANT, its contractors and/or subcontractors prior to the inspection.

Section 12.04 TENANT agrees that it shall include clauses in all of its agreements with its contractors and subcontractors for the construction of any Alterations stating that: (i) said contractors and subcontractors shall pay prevailing wages, as agreed to in this Lease between County of Suffolk and TENANT; (ii) said contractors and subcontractors shall file transcripts of original payrolls for all work performed in connection with the construction and preparation of the Improvements under this Lease with the Department within ten (10) days after its first payroll, and every thirty days thereafter, said transcripts to be subscribed and affirmed as true under penalty of perjury and (iii) TENANT, its contractors, and subcontractors shall keep their books open for inspection by representatives of the Suffolk County Department of Audit and Control and/or its representatives, including the Office of the District Attorney, on a monthly basis during the construction of the Alterations to ensure that TENANT, its contractors and subcontractors are in compliance with these terms and conditions, provided that twenty-four (24) hour-notice is given to TENANT, its contractors and/or subcontractors prior to the inspection.

Section 12.05 During the construction of any Alterations, TENANT shall maintain at the job site, and with County Department of Labor, a copy of all payrolls or transcripts thereof as would be required to be maintained pursuant to Section 220 of the New York Labor Law.

Section 12.06 During the construction of any Alterations, TENANT shall provide to County employment attendance sheets for all employees, including employees of subcontractors, for each day on which work is performed on the site, upon a form reasonably acceptable to County, containing such information as the Commissioner of the Department of Labor reasonably deems appropriate, including job classification, hours of employment, wage rate and supplements payable, and employer.

13. LAWFUL HIRING OF EMPLOYEES LAW IN CONNECTION WITH CONTRACTS FOR CONSTRUCTION OR FUTURE CONSTRUCTION

This Lease is subject to the Lawful Hiring of Employees Law of the County of Suffolk, Suffolk County Code Chapter 234, as more fully set forth in the Exhibit B entitled "Suffolk County Legislative Requirements." In accordance with this law, Contractor or employer, as the case may be, and any subcontractor or owner, as the case may be, agree to maintain the documentation mandated to be kept by this law on the Construction Site at all times. Contractor or employer, as the case may be, and any subcontractor or owner, as the case may be, further agree that employee sign-in sheets and register/log books shall be kept on the Construction Site at all times during working hours and all covered employees, as defined in the law, shall be required to sign such sign-in sheets/register/log books to indicate their presence on the Construction Site during such working hours.

14. ALTERATIONS

Section 14.01 TENANT shall not make any renovations or "Alterations," meaning any alterations, installations, improvements, additions, renovations or physical changes made by TENANT to the Premises or any part or portion thereof of the Premises, without the prior written approval of COUNTY. TENANT shall, before making any Alterations, at its expense, obtain all permits, approvals and certificates required by any "Legal Requirement" or Governmental Authority any (upon completion) certificates of final approval thereof and shall promptly deliver to COUNTY duplicates of all such permits, approvals and certificates. TENANT agrees to carry, and to cause TENANT's contractors and sub-contractors to carry such insurance as set forth under Section 16 hereunder.
For the purposes of this Lease, the term "Legal Requirements" shall mean laws, statutes and ordinances (including building codes and zoning regulations and ordinances) and the orders, rules, regulations, directives and requirements of all federal, state, county, city and borough departments, bureaus, boards, agencies, offices, commissions and other subdivisions thereof, or of any official thereof, or of any other governmental, public or quasi-public authority, whether now or hereafter in force, and all requirements, obligations and conditions of all instruments of record which may be applicable to the Premises or any part thereof or the sidewalks, curbs, or areas adjacent thereto. Any work previously done by TENANT during their occupancy of the Premises was done in conformity with all Legal Requirements.

Section 14.02 Any Alterations made by TENANT shall be complete and erected wholly within the boundary lines of the Premises and shall be and become a part of the Premises under this Lease. Any Alterations shall be made and performed in a good and workman like manner and shall be in compliance with all Legal Requirements. TENANT agrees that all Alterations shall be promptly commenced and completed and shall be performed so as not to unreasonably delay, hinder or interfere with COUNTY’s management, or operations of Gabreski Airport or the Industrial Park.

Section 14.03 All Alterations and/or improvements made by the TENANT to the Premises which are so attached to the Premises that they cannot be removed without material injury to the Premises, shall become the property of the COUNTY upon installation, as part of the Premises and shall remain upon and be surrendered with the Premises upon the expiration or earlier termination of this Lease, in which event, the same shall be removed from the Premises by TENANT at TENANT’s cost and expense. Nothing in this section shall be construed to give COUNTY title to or to prevent TENANT’s removal of trade fixtures, moveable office furniture, equipment and other personal property. TENANT shall, at TENANT’s sole cost and expense, remove all of the TENANT’s personal property and those improvements made by the TENANT which have not become the property of the COUNTY and surrender the Premises in a broom-clean condition, reasonable wear and damage by fire, the elements, casualty, or other cause not due to the misuse of neglect by TENANT or TENANT’S agents, servants, or visitors excepted. COUNTY is under no obligation to repair, rebuild or replace any real and/or personal property in the event of loss.

15. NEGATIVE COVENANTS

Section 15.01 TENANT shall not use, occupy, maintain or operate the Premises, nor suffer or permit the Premises or any part thereof to be used, occupied, maintained or operated, nor bring into or keep at the Premises, nor suffer or permit anything to be brought into or kept therein, which would in any way (a) violate any term, covenant or condition of this Lease; (b) violate any restrictive covenant, operating covenant, encumbrance or easement affecting the Premises; (c) violate any Legal Requirements; (d) make void or voidable any insurance policy then in force with respect to the Premises or make any such insurance unobtainable or increase the rate of any insurance with respect to the Premises; (e) cause physical damage to the Premises or any part thereof; (f) permit the excess accumulation of waste or refuse matter; (g) constitute a public or private nuisance; (h) not conform to all applicable federal, state and local laws and regulations regulating toxic waste and discharge, including, but not limited to, Articles VII and XII of the Suffolk County Sanitary Code.

Section 15.02 TENANT shall commit no act of waste and shall take good care of the Premises and the fixtures and appurtenances therein.

Section 15.03 TENANT shall not, without COUNTY’S written consent: (a) do or suffer anything to be done on the Premises which will increase the rate of fire insurance on the building, (b) permit the creation or imposition of any liens or encumbrances upon the Premises except as expressly permitted herein.

16. IDEMUNITY AND INSURANCE
Section 16.01 TENANT shall indemnify and hold harmless the County of Suffolk, the COUNTY's officers, agents, employees or any other person against all claims, expenses (including attorney's fees), losses and liabilities of whatsoever nature by reason of the liability imposed by law upon the COUNTY, except in cases of County's sole negligence, for damage because of bodily injury, including death at any time resulting there from or sustained by any person or persons, or on account of damage to property arising out of or in consequence of this Lease, whether such injuries to persons or damage to property are due or claim to be due to any passive negligence of the COUNTY, its employees or agents or any other person. TENANT shall keep in full force and effect Commercial General Liability Insurance, including contractual coverage, in accordance with the provisions of Section 16.04.

Section 16.02 The risk of loss or destruction from any peril to the furniture, fixtures, equipment of other personal property of TENANT while on the Premises shall be borne by the TENANT. It is further understood that the TENANT waives any right to subrogation against the COUNTY for loss or destruction or from any period to the furniture, fixtures, equipment or other personal property of the TENANT while on the said Premises except in cases due to any active or passive negligence of the County, its employees, officers and agents.

Section 16.03 If all or any part of the Premises is destroyed by fire or other casualty, the County shall have no obligation to restore the Premises. In such event, TENANT may elect to terminate this Lease.

Section 16.04 TENANT further agrees to procure, pay the entire premium for, and maintain throughout the term of this Lease insurance in amounts and types specified by the COUNTY. Unless otherwise required by the COUNTY, in writing, such insurance will be as follows:

i. Tenant Legal Liability Insurance in the amount of One Hundred Thousand Dollars ($100,000).

Section 16.05 Any contractors and subcontractors who may at any time be involved with construction or reconstruction of the Premises on behalf of TENANT shall be required to procure and maintain throughout the term of construction insurance in the amounts and types specified in Section 16.04. TENANT must provide insurance, prior to construction, for any and all contractors including but not limited to, sub-contractors engaged by it for the Construction Work.

Section 16.06 All insurance required by this agreement shall be maintained with insurance underwriters authorized to do business in the State of New York with an A.M. Best Rating of A- or better.

Section 16.07 TENANT shall furnish COUNTY Declaration Pages for each such policy of insurance, and, upon request, a true and certified original copy of each such policy, evidencing compliance with the aforesaid insurance requirements. In the case of commercial general liability insurance, the County of Suffolk shall be named as an additional insured and TENANT shall furnish a Declaration Page and endorsement page evidencing the COUNTY's status as an additional insured on said policy.

Section 16.08 All such Declaration Pages, certificate, and other evidence of insurance shall provide for the County of Suffolk to be notified in writing thirty (30) days prior to any cancellation, nonrenewal, or material change in said policy.

Section 16.09 In the event that any of the insurance required by this agreement ceases to be in full force and effect, TENANT agrees to cease all operations covered by the terms of this Lease.
Section 16.10 COUNTY shall not be obligated to maintain insurance for loss from fire or other peril causing damage or destruction to the real property of the COUNTY or to rebuild in the event of a partial or complete loss at the Premises. In the event of such a loss, this Lease shall terminate unless TENANT shall promptly restore the Premises. Rent shall in any event abate for the period the Premises are uninhabitable. TENANT may at its option obtain fire and other peril insurance for said Premises. Such insurance shall name COUNTY as an additional insured and shall contain a waiver of subrogation against COUNTY.

17. SIGNs

Section 17.01 TENANT shall not, without the prior written approval of the COUNTY, which approval shall not unreasonably be withheld, erect, maintain or display any advertising, signs, posters or similar devices at or on the Premises or elsewhere at the facility; provided, however, that on interior portions of the Premises which are not visible from the public roadways, TENANT may install necessary directional and identification signs.

18. DEFAULT REMEDIES/DAMAGES

Section 18.01 The occurrence of any one or more of the following events shall constitute an "Event of Default" by TENANT under this Lease:

(i) If TENANT shall default in the payment when due of any installment of Total Annual, and any such default continues for ten (10) Business Days after COUNTY has given TENANT a written notice specifying such default; or

(ii) If TENANT defaults in the keeping, observance or performance of any covenant or agreement (other than a default of the character referred to in (i) above), and if such default continues and is not cured within fifteen (15) days after COUNTY gives TENANT written notice specifying same, or, in the case of a default which for causes beyond TENANT’s reasonable control cannot, with reasonable diligence be cured within such 15-day period, if TENANT shall not immediately upon the giving of such written notice, (a) advise COUNTY of TENANT’s intention duly to institute all steps necessary to cure such default and (b) institute and thereafter diligently prosecute to completion all steps necessary to cure the same, or:

1. Filing by or the final adjudication against TENANT of any petition in bankruptcy, or in the final adjudication of any petition for the appointment of a receiver or trustee for the assets or business of TENANT; or
2. The making by the TENANT of any general assignment for the benefit of creditors; or
3. The occurrence of any act which operates to deprive TENANT permanently of the rights, powers and privileges necessary for the proper conduct and operation of its business granted herein; or
4. The abandonment and discontinuance of the operation of TENANT; or
5. The failure of TENANT to maintain all required insurance and to furnish evidence of same within ten (10) days of written demand by COUNTY; or
6. In the event of partial or complete loss to the Premises rendering it uninhabitable and, at the discretion of COUNTY, the Premises will not be restored;

then, in any such case or upon such occurrence, in addition to any other remedy available to COUNTY at law or in equity, COUNTY may give to TENANT a notice of intention of COUNTY to end the Term of this Lease (the “Termination Notice”) specifying a day not less than seven (7) Business Days thereafter and, upon the giving of the Termination Notice, this Lease and the Term and estate hereby granted shall expire and terminate upon the day so specified in the Termination Notice as fully and completely and with the same force and effect as if
the day so specified were the Expiration Date and all rights of TENANT shall terminate and TENANT shall remain liable for damages as hereinafter provided.

Section 18.02 From and after any date upon which COUNTY gives a Termination Notice, COUNTY, without further notice, may enter upon, re-enter, possess and repossess itself of the Premises, by force, summary proceedings, ejectment or otherwise, and may dispossess and remove TENANT and all other persons and property from the Premises and may have, hold and enjoy the Premises and the right to receive all rental and other income of and from the same. As used in this Lease the words “enter” and “re-enter” are not restricted to their technical legal meanings. Upon and after such entry into possession, the COUNTY may, but shall have no obligation to re-let the Premises, or any part thereof, for the account of TENANT.

Section 18.03 If this Lease and the Term shall expire and come to an end as provided in Section 18.01, or by or under any summary proceeding or any other action or proceeding, TENANT shall pay to COUNTY Total Annual Rent and Additional Rent payable under this Lease by TENANT to COUNTY to the date upon which this Lease and the Term shall have expired and come to an end or to the date of re-entry by the COUNTY, as the case may be. Nothing herein contained shall be construed as limiting or precluding the recovery by COUNTY against TENANT of any damages to which COUNTY may lawfully be entitled in any case other than those particularly provided for above.

Section 18.04 Except for the monetary obligations of either party, COUNTY and TENANT shall not be in default of this Lease because of such party’s inability to perform the covenants and obligations set forth herein during the continuance of any period of Force Majeure, except as may otherwise be expressly specified in this Lease.

Section 18.05 Notwithstanding anything to the contrary hereinabove or hereafter set forth, in the event that COUNTY, by other act sells, assigns, transfers, conveys, leases or by any other act for agreement grants occupancy, management or control of the Premises or a portion thereof, in which this leasehold is located to an entity other than a unit of Federal, State or Local Government, or wishes to demolish the Premises, then COUNTY or its successor/assignee shall have the right to terminate this Lease, upon ninety (90) days written notice to TENANT, such 90- days to mean three (3) entire months under the Lease, not including the portion of the month in which the notice is given.

Section 18.06 The exercise of any remedies herein provided shall be cumulative and shall in no way affect any other remedy available to COUNTY at law or in equity.

Section 18.08 Failure of COUNTY to declare this Lease terminated upon the default of TENANT for any of the reasons set out shall not operate to bar or destroy the right of COUNTY to cancel this Lease by reason of any subsequent violation of the terms hereof.

AUTHORIZING A LEASE AGREEMENT WITH RYSAM PRODUCTIONS INC. FOR USE OF PROPERTY AT FRANCIS S. GABRESKI AIRPORT

Proposed Changes in Present Statute: (Please specify section when possible.)

SCIN Form 175a
RESOLUTION NO. -2013, ADOPTING LOCAL LAW NO. -2013, A LOCAL LAW TO STRENGTHEN THE ANIMAL ABUSE OFFENDERS REGISTRY

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2013, a proposed local law entitled, "A LOCAL LAW TO STRENGTHEN THE ANIMAL ABUSE OFFENDERS REGISTRY" and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. - 2013, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO STRENGTHEN THE ANIMAL ABUSE OFFENDERS REGISTRY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law 55-2010, codified at Chapter 299 of the SUFFOLK COUNTY CODE, established the Suffolk County Animal Abuse Offenders Registry (the "Registry").

This Legislature also finds and determines that animal cruelty is a serious problem, with thousands of cases of animal abuse reported each year in the United States.

This Legislature further finds that the Registry is designed to protect animals from owners previously convicted of crimes involving animal abuse or animal cruelty.

This Legislature also finds that it is prudent to expand the field of organizations who are qualified to maintain the Registry on behalf of the County of Suffolk.

This Legislature also finds that providing notice of the registration requirement to those convicted of animal abuse crimes at the time of sentencing will increase compliance with registration requirements.

Therefore, the purpose of this law is to amend the Registry law to allow the Suffolk County Police Department, to contract with appropriate organizations dedicated to animal rights, rescue and/or preventing animal abuse, to maintain the Registry, and to further strengthen the requirements of the law.

Section 2. Amendments.

Article IV of Chapter 299 of the SUFFOLK COUNTY CODE is hereby amended as follows:
ARTICLE IV
Animal Abuse Offenders Registry

§ 299-27. Creation of registry.

A registry is hereby created which shall contain the names and residence information of individuals living in Suffolk County who are convicted of an animal abuse crime. The Commissioner of the Suffolk County Police Department is hereby authorized[,] and empowered [and directed] to contract with qualified organizations dedicated to animal rights, rescue and/or preventing animal abuse [the Suffolk County Society for the Prevention of Cruelty to Animals (SCSPCA)] to establish and maintain a publicly accessible registry for such individuals residing in Suffolk County. The selected [SCSPCA] contractor shall receive all fees associated with the registration as compensation for its maintenance and administration of the registry.

§ 299-28. Registration requirements.

A. All persons 18 years of age or older who reside in Suffolk County and are convicted of an animal abuse crime on or after the effective date of this article must register with the Suffolk County Animal Abuse Registry at a Suffolk County Police Department precinct within five days following the effective date of this article or their release from incarceration or, if not incarcerated, from the date of conviction [the rendering of judgment].

B. All persons 18 years of age or older who reside in Suffolk County and are convicted of an animal abuse crime shall be notified at sentencing by the Office of the Suffolk County District Attorney of the requirement to register pursuant to §299-28 (A).

C. [B.] Each person required to register with the Animal Abuse Registry shall submit:

(1) His or her name;

(2) Any aliases he or she is known under;

(3) His or her residential address; and

(4) A photograph of his or her head and shoulders from the front.

D[C]. Each person registered with the Animal Abuse Registry shall update his or her registration information each time he or she moves from one residential address to another or, if his or her residential address does not change, annually from the date of his or her first registration.

E[D]. Each person required to register with Suffolk County shall remain on the Animal Abuse Registry for five years following his or her release from incarceration or the date judgment was rendered, whichever is later. Registered persons who are convicted of subsequent animal abuse crimes shall remain on the registry for 10 years following their most recent conviction.

* * * *
Section 3. Applicability.

This law shall apply to all actions on or after the effective date of this Law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not effect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environment Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20) and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

This proposed local law would amend the County's Animal Abuse Offenders Registry law.

Currently, the Police Department is required to contract with the Suffolk County Society for the Prevention of Cruelty to Animals ("SCSPCA") to establish and maintain the Animal Abuse Offenders Registry. This law would authorize the Police Department to contract with any qualified organization dedicated to animal rights, animal rescue or the prevention of animal abuse to operate the Registry.

Additionally, this law would require the District Attorney's Office to notify persons convicted of an animal abuse crime of this law's registration requirement at the time of sentencing and specify that the person should register at a Police Department precinct.

This law will take effect immediately upon its filing in the Office of the Secretary of State.
