RESOLUTION NO. -2012, ADOPTING LOCAL LAW NO. -2012, A LOCAL LAW TO MAKE A TECHNICAL CHANGE TO TAX MAP VERIFICATION FEES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on __________, 2012, a proposed local law entitled, "A LOCAL LAW TO MAKE A TECHNICAL CHANGE TO TAX MAP VERIFICATION FEES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2012, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO MAKE A TECHNICAL CHANGE TO TAX MAP VERIFICATION FEES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 11-2012 amended the Real Property Tax Service Agency’s tax map verification fees.

This Legislature also finds that Local Law No. 11-2012 referenced fees charged for “temporary or dummy number assigned”. The Real Property Tax Service Agency advises this Legislature that they no longer utilize temporary or dummy numbers and any reference to temporary or dummy numbers should be deleted from the County’s law.

Therefore, the purpose of this local law is to make a technical correction to the Tax Map Verification fee schedule to eliminate the unnecessary reference to temporary or dummy numbers.

Section 2. Amendments.

Section A18-3 of the SUFFOLK COUNTY ADMINISTRATIVE CODE is hereby amended as follows:

§ A18-3. Verified identification numbers required on all instruments filed pertaining to title of land.

* * * *

G. The Director of the Real Property Tax Service Agency is entitled, for the verification of Tax Map numbers upon instruments presented for recording or filing, to a fee of $60.00 per parcel, payable to the County Clerk at the time of recording or filing. [For each temporary or dummy number assigned, the fees will be charged as outlined in Subsections C(1) and (2) above.]

* * * *
Section 3. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCCR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Dear Danielle,

The League for Animal Protection of Huntington, Inc., is a private, not-for-profit, all-volunteer organization based in Huntington. We run a cat shelter in East Northport called Grateful Paw and our volunteers also work with the dogs residing in the Town of Huntington Animal Shelter.

The League would like to hold a fundraising event at Cathedral Pines on June 3, 2012, to benefit our animals. We will be inviting mountain bikers to come ride laps around the trail, putting up $5 for each lap they complete. We will have a table where riders can sign in and ask questions about the fundraiser and/or The League. Refreshments and snacks will be provided to the riders; no alcoholic beverages will be served. There will also be a raffle for gift certificates from local bike shops and we will have merchandise from our shelter available for purchase, such as T-shirts and pet items.

We would like the fundraiser to run from 8am until 12pm, with the gazebo available until 4pm for a barbeque after everyone has finished their rides. We will be asking people to bring food and drinks for the barbeque. The estimated amount of people expected to participate is not more than 50.

Enclosed please find the League’s payment of $150.00 for the permit and a copy of the promotional flyer we intend on distributing at local bike shops and pet stores. We will forward a certificate of insurance naming Suffolk County as an additional insured as soon as we receive it from our insurance broker.

Please call me at 917-834-7456 if you have any questions or comments regarding this fundraising event.

Dear Danielle,

The Care Center, Inc., in Islandia, NY, is a 501C3, women's resource center. We have had our annual walk fundraiser in Blydenburgh Park for a number of years. We have been informed that the requirement for insurance has been raised from $1,000,000 to $2,000,000 per occurrence. Our insurance company does not offer this coverage and in order to obtain it we would need to purchase an additional policy at further expense.

As a faith based organization, we try very hard to use our financial resources wisely. We receive no government monies and all our funding comes from churches and individuals that share our vision. This event provides a substantial part of our annual budget. Would it be possible for the additional insurance requirement to be waived for us for this event? Any help that you could give us with this would be greatly appreciated.

To the extent permitted by law, we shall indemnify and hold harmless the County of Suffolk, its consultant (if any), employees, agents and other persons from and against all claims, costs, judgments, liens, encumbrances and expenses, including attorneys' fees, arising out of the acts or omissions or negligence of this organization, its officers, agents, servants or employees in connection with the services described or referred to The Care Center 2012 Event.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act.

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise employment, or other Federal taxes, please let us know.

Grantees and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change in the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Tracey Bellone  
Suffolk County Commissioner of Parks  
PO Box 144  
West Sayville, NY 11796

Dear Ms. Bellone,

The Long Island Office of the Cystic Fibrosis Foundation would like to request the use of Blydenburgh County Park on Saturday, May 12, 2012 from 7:00 am to 3:00 pm for our Great Strides walk. We expect approximately 200 walkers. We will need to set up tables for registration and food/beverage distribution, a walk route, musical entertainment, trash receptacles, decorations and children’s activities. We also requested use of the showmobile.

Cystic fibrosis is a life-threatening genetic disease affecting the lungs and digestive systems of over 30,000 individuals in the U.S. today. When the Foundation was established in 1955, children with CF rarely lived long enough to attend elementary school. Due in large part to the Foundation’s aggressive investments in innovative research and comprehensive care, many people with the disease can now expect to live into their 30s, 40s and beyond.

Funds raised through Great Strides support research and patient care in an effort to continue extending the length and improving the quality of life for people with CF. We fund more CF research than any other organization, and nearly every CF drug available today was made possible because of Foundation support. We are a nonprofit donor-supported organization. Our focus is to support the development of new drugs to fight the disease, improve the quality of life for those with CF, and ultimately to find a cure.

We look forward to working with the staff at Blydenburgh Park once again to establish a fun, safe and successful event. Please contact me at 516-827-1290 or at adayboch@cff.org with any questions and any next steps.

Sincerely,

Arlene Dayboch

Dear Danielle,

New York Blood Center and Long Island Greenbelt Trail Conference are holding the Hike for Life fundraising hike event on May 6, 2012. The event is intended to raise money for New York Blood Center and raise awareness about the need for blood donations. This is a “friends asking friends” fundraising format. Hikers ask their contacts to sponsor them with contributions to New York Blood Center. Contributions are accepted at any level. The event is promoted via email notices to the Greenbelt mailing list in addition to notifications sent to blood donors in the area.

New York Blood Center (operating region, Long Island Blood Services) is one of the largest blood collection and distribution organizations in the country. We provide blood and blood products along with medical services to 200 hospitals in the greater New York area. More than The event attracts serious hikers who will hike a 32 mile trail from the south shore to the north shore, others who will begin their hike at Blydenburgh County Park for an 11 mile stretch to the Long Island Sound. At a distance of around five miles from Sunken Meadow Park another group of hikers will start and the shortest distance of three miles will be hiked by a group who will meet at Sunken Meadow for a loop leading them and all hikers to the picnic ground. About 75 people are expected to participate at the Blydenburgh County Park using it as a rest area if they are among the 32-mile hikers or as a meeting and hike start for the 11-mile hikers.

From around 12:00 noon to 2:00 PM New York Blood Center staff will greet hikers who will begin the 11 mile hike at Blydenburgh County Park. Depending on their walking speeds, groups of hikers who are part of the 32 mile hike will take a needed break at Blydenburgh County Park and then continue north. Blydenburgh park is used as a rest area and meeting ground only. Hikers will be offered water bottles and sealed snacks such as Granola Bars.

Enclosed are the following documents: Proof of New York Blood Center’s status as a 501(C)(3) organization, a valid certificate of insurance, and the Application for Parkland Group Permit. Our payment of $140 ($100 Park Use Fee and $40 for 20 parked cars) will be mailed separately. Thank you for your attention and helping New York Blood Center advance its mission.

Sincerely,

Diana Zaferiou

WHEREAS, since the rabies baiting program began in 2006, about 10% of purchased baits were saved after each Fall Campaign in the event Suffolk County had another positive raccoon and we needed to 'spot bait' the affected area the following Spring; and

Dear Mr. Schneider:

I request the introduction of the enclosed Resolution to authorize the transfer of oral rabies vaccine (ORV) bait to the Nassau County Department of Health Services. Since the rabies baiting program began in 2006, about 10% of purchased baits were saved after each Fall Campaign in the event Suffolk County had another positive raccoon and we needed to ‘spot bait’ the affected area the following Spring. Suffolk County had no confirmed cases in 2010 or 2011 so there remains a surplus of 21,200 ORV baits. Nassau County had a positive case in 2010 and would like to continue baiting the Nassau-Queens target area in the summer of 2012. These baits are being properly refrigerated and stored but have a shelf life that ends in September of 2012. Rather than have these baits expire and pay for disposal, the Department would like to transfer them to be used by Nassau County.

I enclose the financial impact statement and other materials for this Resolution. If you have any questions on the enclosed, please call Salvatore Scarpitta at 3-3196. Also, an e-mail version of this resolution was sent to CE RESO REVIEW and the file name is “Reso-HSV-Transfer Rabies Bait.docx.”

RESOLUTION NO. 2012, APPROVING AN INCREASE IN FLEET FOR AN AMMUNITION DISPOSAL TRAILER FOR THE SUFFOLK COUNTY POLICE DEPARTMENT'S EMERGENCY SERVICES SECTION THROUGH THE USE OF ASSET FORFEITURE FUNDS

WHEREAS, the Emergency Services Section is a unit consisting of specially trained officers who engage in both high-risk and highly technical operations and has responsibilities related to bombs and explosives; and

WHEREAS, the Emergency Services Section also provides assistance to other agencies outside the Police District when requested; and

WHEREAS, the Section is able to offer very technical and highly specialized equipment, along with the necessary expertise to operate such systems, devices and equipment; and

WHEREAS, the Section finds that due to the large amount of seized ammunition that has been collected and awaiting disposal, there now exists a hazardous condition; and

WHEREAS, these items have been collected over several years, and have been left in storage and not been destroyed. Currently, there is no safe way that is environmentally sensitive to dispose of the aged ammunition, which is in a severely deteriorated condition; and

WHEREAS, the Acting Police Commissioner finds that an ammunition disposal trailer is needed to immediately relieve the hazardous condition that exists due to the large amount of unstable ammunition that requires immediate destruction; and

WHEREAS, the trailer will provide a means to dispose of the ammunition in a way that is safe for officers, and safe for the environment. Once the ammunition is burned, the debris can be disposed of without concern for hazardous substances, and discarded as normal waster material; and

WHEREAS, additionally, the Emergency Services Section has canvassed other bomb squads and determined that the preferred method for disposing of hazardous ammunition is by utilizing an ammunition disposal trailer; now, therefore, be it

1st RESOLVED, that this Legislature, being the lead agency under the State Environmental Quality Review Act (“SEQRA”), Env. Con. Law Art. 8, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of the New York Code of Rules and Regulations (“NYCRR”) Section 617.5(c)(20)(25) and (27), in that the resolution concerns purchase of furnishings, equipment and supplies, other than land, radioactive material, pesticides, herbicides or other hazardous materials, and adoption of a local legislative decision in connection with same; as a Type II action, the Legislature has no further responsibilities under SEQRA; and be it further

2nd RESOLVED, that the Police Department is given authorization to increase the Police fleet by one trailer (Ammunition Disposal trailer), which purchase will be funded through the use of Asset Forfeiture funds.

TERMS AND CONDITIONS

Whereas, the Town of Southold agrees to pay the overtime costs incurred by the County for the dredge crew assigned to projects within the Town, in an amount of approximately $6,800 per week, in order to assist the County in expediting the progress of scheduled dredging work; and

Whereas, by expediting the progress of the scheduled dredging work, it is the objective of the parties to create additional time within the dredge program schedule so that additional dredging within the Town of Southold may be performed this December; and

Whereas, the Town of Southold will pursue the time extensions from any and all regulatory agencies for the additional locations under consideration, in the event additional dredging can be timely performed; and

Whereas, the Town of Southold understands that overtime for the dredge crew must be authorized immediately to create sufficient time within the dredge schedule to complete additional locations. The Town of Southold agrees to pay incurred overtime costs regardless of the approval of the time extensions from the regulatory agencies; and

Whereas, the Town of Southold recognizes that dredging is highly weather dependent and delays due to weather could jeopardize completing additional creeks within the Town of Southold notwithstanding the dedication of additional time to the dredging projects; and

Whereas, the Town of Southold agrees to pay the incurred overtime costs actually incurred during the term of this Agreement for dredging work within the Town of Southold, even if weather related delays prohibit the completion of additional locations; and

Whereas, the Suffolk County Department of Public Works, Highway Division, Office of Bridges, Structures and Waterways will keep representatives from the Town of Southold apprised of the progress of the dredging projects. If the progress is not acceptable to the Town, the Town may direct the County to stop all future overtime authorizations, however, all associated overtime costs will be reimbursed by the Town of Southold.

Now Therefore, in consideration of the mutual provisions and covenants hereafter set forth, the parties hereto agree as follows:

1. Recitals: The parties acknowledge that the foregoing recitals are true and correct and hereby incorporated into this Agreement as if fully set forth herein.

2. Term: This Agreement shall be deemed to have commenced on the date set forth on the first page of this Agreement ("Commencement Date"). In no event shall the Town be responsible for dredging overtime expenses incurred by the County after December 31, 2011.

3. Regulatory Extensions: The Town of Southold will immediately pursue the time extensions from any and all regulatory agencies for the additional locations under consideration, in the event additional dredging can be timely performed
4. Overtime Costs Incurred: Town of Southold understands that overtime for the County dredge crew was authorized to proceed with overtime work as of December 6, 2011 in order to create sufficient time within the dredge schedule windows to pursue additional locations within the Town. The Town Agrees to pay the overtime costs incurred by the County during the term of this Agreement for dredging work within the Town of Southold, regardless of the approval of any time extensions from the regulatory agencies.

a. Obligation to Pay: The Town understands that that there are no guarantees that any additional waterways will be dredged by the County beyond those already scheduled to be performed. The Town agrees to pay the overtime costs incurred by the County notwithstanding that additional locations may not be completed. The County acknowledges that the Town’s obligation to pay overtime costs will terminate at the expiration of this Agreement and that the Town will have no obligation to pay the County for overtime costs incurred during future dredging project absent written authorization from the Town of Southold Town Board.

b. Termination: The Department will advise the Town of progress on the dredging operations within the Town. In the event the progress is not acceptable to the Town, the Town may provide written notice to the Department directing that overtime work on the Town dredging projects cease. Notwithstanding such directive, the Town will remain liable to pay the overtime costs incurred by the County up to the time notice to stop was provided.

5. Notices: Unless otherwise expressly provided herein, all notices shall be in writing and shall be deemed sufficiently given if sent by regular first class mail and certified mail, or personally delivered during business hours as follows: 1) to the Town, at the address on page 1 of the Agreement and 2) to the County at the Department, or as to either of the foregoing, to such other address, fax or e-mail as the addressee shall have indicated by prior written notice to the addressee. All notices received by the County relating to a legal claim shall be immediately sent to the Department and also to the County Attorney at 100 Veterans Memorial Highway, P.O. Box 6100, (Sixth Floor), Hauppauge, New York, 11788. The County shall report to the Contractor in writing within ten (10) days of the initiation by or against it of any legal action or proceeding in connection with or relating to the Agreement.

6. Severability: It is expressly agreed that if any term or provision of the Agreement, or the application thereof to any person or circumstance, shall be held invalid or unenforceable to any extent, the remainder of the Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and every other term and provision of the Agreement shall be valid and shall be enforced to the fullest extent permitted by law.

7. Merger; No Oral Changes: It is expressly agreed that the Agreement represents the entire agreement of the parties and that all previous understandings are herein merged in the Agreement. No modification of the Agreement shall be valid unless in written form and executed by both parties.
8. **Governing Law:** The Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflict of laws. Venue shall be designated in the Supreme Court, Suffolk County, the United States District Court for the Eastern District of New York, or, if appropriate, a court of inferior jurisdiction in Suffolk County.

9. **No Waiver:** It shall not be construed that any failure or forbearance of the County to enforce any provision of the Agreement in any particular instance or instances is a waiver of that provision. Such provision shall otherwise remain in full force and effect, notwithstanding any such failure or forbearance.

10. **No Intended Third Party Beneficiaries:** The Agreement is entered into solely for the benefit of the County and the Contractor. No third party shall be deemed a beneficiary of the Agreement and no third party shall have the right to make any claim or assert any right under the Agreement.

11. **Certification as to Relationships:** The Contractor certifies under penalties of perjury that, other than through the funds provided in the Agreement and other valid agreements with the County, there is no known spouse, life partner, business, commercial, economic, or financial relationship with the County or its elected officials. The Contractor also certifies that there is no relationship within the third degree of consanguinity, between the Contractor, any of its partners, members, directors, or shareholders owning five (5%) percent or more of the Contractor, and the County.

**End of Text for Article I**

2. **General Payment Terms**

   a. **Presentation of Town Payment Voucher**

      In order for payment to be made by the Town to the County pursuant to this Agreement, the County shall prepare and present a Payment Voucher which shall document the weekly overtime dredging costs incurred by the County.

MEMORANDUM

TO: Jon Schneider, Deputy County Executive
FROM: Gilbert Anderson, P.E. Commissioner
DATE: February 8, 2012
RE: Appropriating Funds in Connection with Improvements to Environmental Recharge Basins (CP 5072)

Attached is a draft resolution and duplicate copy to appropriate the sum of $250,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2012 Capital Budget and Program for this project.

This on-going project will improve the functionality, security, appearance and potential public health impacts of the County's recharge basins. The County maintains over 250 recharge basins, most of which are over 25 years old. The natural growth of vegetation has encroached into holding areas, reducing the natural recharge ability of the basins. The shedding of needles and leaves from the plantings as well as the materials contained in the runoff from roadways have caused the bottoms of the basins to become silted, limiting the recharge of water back into the ground. The vegetation has also encroached into the security fencing around the basins compromising the safety barriers around these sites.

A potential list of recharge basin locations is attached. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and have determined that they constitute a Type II action and no further review is required.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5072(Recharge Basins).doc”.

RE: INTRODUCTORY RESOLUTION APPROPRIATING FUNDS IN CONNECTION WITH UPDATING COMMUNICATIONS IN PARK POLICE VEHICLES (CP 7141)

Enclosed please find a draft resolution and supporting documentation relative to the above-captioned. An e-mail version of this resolution was sent to CE RESO REVIEW under the file name “RESO-PKS-Appropriating Funds for CP 7141 Updating Communications in Park Police Vehicles.doc”.

Parks Police vehicles use Mobile Data Computers (MDC’s) which are hosted by the Suffolk County Police Department. The operating system for these MDC’s has changed which has made some equipment obsolete. Replacement equipment is needed for fifteen (15) vehicles and includes the MDC, docking station modification, power supply modification, adapter plates, a 5-year service plan, and installation. It is imperative that Park Police have these MDC’s in their patrol vehicles in order to be able to function in the County dispatch system as well as to perform their police duties.

This draft resolution seeks to appropriate $125,000 in the 2012 Capital Budget in connection with updating communications technology in Park Police vehicles.

Should you require anything further, please contact my office at 4-4985.

RESOLUTION NO. -2012, ADOPTING LOCAL LAW NO. -2012, A LOCAL LAW TO AMEND THE PROMPT PAYMENT POLICY FOR ALL NOT-FOR-PROFIT CONTRACT AGENCIES

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on 2012, a proposed local law entitled, "A LOCAL LAW TO AMEND THE PROMPT PAYMENT POLICY FOR ALL NOT-FOR-PROFIT CONTRACT AGENCIES"; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2012, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO AMEND THE PROMPT PAYMENT POLICY FOR ALL NOT-FOR-PROFIT CONTRACT AGENCIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 2-2008 and Local Law No. 41-2010 respectively, established a County payment policy to pay child care providers and all not-for-profit contract agencies in a prompt manner.

This Legislature also finds that adherence to this policy in a period of fiscal crisis on the federal, State and County levels will escalate the challenges confronting the County in its efforts to equitably allocate its limited revenues in a timely manner.

This Legislature further finds and determines that pursuant to his authority under Suffolk County Charter § C4-27 the County Executive has declared a fiscal emergency and has formally notified the County Legislature that there is a funding deficiency for 2012 and available revenues will be less than total amounts appropriated for the current fiscal year.

This Legislature also finds that the County is currently facing a 3-year deficit of $530 million and funding does not exist to meet penalty interest payments required by the County payment policy in the event that an invoice is paid later than is required by the policy.

This Legislature further finds that it is the policy of the County to promptly pay all child care providers and not-for-profit contract agencies, however, during a fiscal crisis, it is imprudent to charge penalties to the County if it is unable to comply with this policy.

Therefore, the purpose of this law is to amend the County’s prompt payment policy to add an exception to compliance when the County Executive has declared a County funding deficiency.

Section 2. Amendments.

I. Article IX of Chapter 189 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Article IX. Payments to Child-Care Providers
§ 189-46. Prompt payment policy.

B. The County shall not be required to make payment within 30 days of receipt of invoice when:

(1) The necessary appropriation required to authorize payment has not been enacted;

(2) The County is entitled to a set-off against the invoice amount;

(3) Statutory or contractual provisions, if any, make payment within 30 days impossible; or

(4) Some or all of the invoice amount must be withheld to satisfy claims, liens or judgments against the child-care provider; any remaining amount due the child-care provider shall be paid within 30 days of receipt of invoice.

(5) The County Executive has advised the Legislature of a funding deficiency pursuant to Suffolk County Charter section C4-27.

II. Article XI of Chapter 189 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Article XI. Payment Policy for Nonprofit Contract Agencies

§189-56. Prompt payment policy.

B. The County shall not be required to make payment within 30 days of receipt of invoice when:

(1) The necessary appropriation required to authorize payment has not been enacted;

(2) The County is entitled to a set-off against the invoice amount;

(3) Statutory or contractual provisions, if any, make payment within 30 days impossible; or

(4) Some or all of the invoice amount must be withheld to satisfy claims, liens or judgments against the contract agency; any remaining amount due the contract agency shall be paid within 30 days of receipt of invoice.

(5) The County Executive has advised the Legislature of a funding deficiency pursuant to Suffolk County Charter section C4-27.

Section 3. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.
Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not effect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environment Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20) and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

This proposed local law would amend the County's "prompt payment" law to add a new exemption that would relieve the County of its obligation to pay invoices submitted by child care providers and not-for-profit organizations within thirty (30) days of its receipt of such invoice.

Specifically, this law would suspend the prompt payment requirements after the County Executive declares a budget deficiency pursuant to §C4-27 of the Suffolk County Charter.

This law will take effect immediately upon its filing in the Office of the Secretary of State.
