RESOLUTION NO. -2012, ADOPTING LOCAL LAW NO. -2012, A LOCAL LAW ESTABLISHING REGISTRATION REQUIREMENT FOR HEALTH DEPARTMENT EXPEDITORS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2012, a proposed local law entitled, "A LOCAL LAW ESTABLISHING REGISTRATION REQUIREMENT FOR HEALTH DEPARTMENT EXPEDITORS"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2012, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW ESTABLISHING REGISTRATION REQUIREMENT FOR HEALTH DEPARTMENT EXPEDITORS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Department of Health Services and the Board of Health regulate many activities that affect the public health of the residents of Suffolk County.

This Legislature also finds that the Department of Health Services considers applications and issues permits to individuals and businesses to conduct certain activities that are regulated by the Department.

This Legislature further finds that a fundamental area of concern for the Department of Health Services and the Board of Health is the protection of the County's surface waters and underground drinking water supply under Article 6 of the SUFFOLK COUNTY SANITARY CODE.

This Legislature also determines that the Department of Health Services must approve the water supply and sewage disposal facilities for proposed realty subdivisions, development and other construction projects.

This Legislature finds that individuals and businesses often hire "expeditors" to assist in moving their permit applications through the Department of Health Services.

This Legislature also finds that no special qualifications or expertise are required for persons who provide expediting services.

This Legislature further finds that expeditors working with the Department of Health Services should be required to register with the Department.
This Legislature determines that a registration requirement for expeditors will allow for greater transparency in the permitting process.

This Legislature also finds and determines that a registration requirement will allow the Department of Health Services to hold expeditors accountable and suspend or revoke the registration of expeditors who are guilty of misconduct.

Therefore, the purpose of this law is to establish a registration requirement for expeditors who interface with the Department of Health Services.

SPONSOR: LEGISLATOR BROWNING

DATE OF RECEIPT BY COUNSEL: 5/2/2012 PUBLIC HEARING: 6/5/2012
DATE ADOPTED/NOT ADOPTED: CERTIFIED COPY RECEIVED:

This proposed local law would require persons providing expediting services to register with the Department of Health Services. “Expediting services” are defined in the law as “a service, with provides, for any compensation or consideration, assistance in expediting or progressing an application for the issuance of a permit or other approval by the Department of Health Services, including the filing of an application with the Department or requesting or negotiating the approval of such application.”

The owner or lessee of a premises for which the application is filed, registered architects, professional engineers and attorneys are exempt from the law’s registration requirement.

Applicants for the expeditor’s certificate of registration must be at least 18 years of age and of good character. The law authorizes the Commissioner of the Department of Health Services to deny registration to persons who have been convicted of giving or receiving a bribe, giving or receiving unlawful gratuities, official misconduct or other corruption related acts.

The proposed local law will prohibit registered expeditors from representing that they are a governmental entity or affiliated with a governmental entity. The law would further require that expediting service contracts contain a provision allowing the contractee to cancel the agreement within 3 days after entering into such agreement.

The initial application fee for the expeditor certificate of registration will be $200; the fee for the registration shall be $400 biennially.
Persons providing expediting services without the required registration will be guilty of a misdemeanor and subject to a fine up to $5,000 or year in jail, or both.

DATE: April 2, 2012

SUBJECT: Peconic Estuary Program - Adopted Resolution #1027-2066
         No Cost Contract Extension

I am writing to request that a resolution be drafted to amend Adopted Resolution No. 1027-2006 (attached). The originally proposed project has been completed, but some funds remain in this NY State Grant in the amount of $50,381.72. The NY State Department of Environmental Conservation (DEC) has granted an extension to this grant (State Grant #C-303053) until December 31, 2013 (see attached).

The grant amendment names new contractors to complete the additional mapping work that will be accomplished with the remaining funds. Because the original resolution accepting and appropriating these grant funds named the State University of New York at Stony Brook as the contractor, an amendment to the resolution is required in order to spend the remaining grant funds in accordance with the grant contract amendment. The new contractors will be Cornell Cooperative Extension of Suffolk County, The U.S. Fish and Wildlife Service, and the James W. Sewall Company.

Please do not hesitate to contact Alison Branco, PEP Program Director, at 2.5808 if you have any further questions.

County Executive’s Office, 12th Floor
H. Lee Dennison Building
Veterans Memorial Highway
Hauppauge, NY 11788-0099

Dear Mr. Schneider:

I request the introduction of the enclosed Resolution amending Resolution No. 1027-2006, accepting and appropriating 80.1% State grant funds from the New York State Department of Environmental Conservation to the Suffolk County Department of Health Services for the support of the Peconic Bay Estuary Program. Resolution No. 1027-2006 accepted and appropriated $200,000 in grant funds for the Peconic Bay Estuary Program Benthic Mapping Project. The originally proposed project was completed and there are grant funds remaining for additional mapping. The Department of Environmental Conservation (DEC) has approved the use of these remaining funds for additional mapping via ground-truthing, photo-interpretation, and aerial photography of the Peconic Estuary. The grant period has been extended to December 31, 2013 to perform these additional mapping studies. This legislation is needed to extend the grant period and to name other contractors needed to perform this additional mapping of the Peconic Estuary.

I enclose a financial impact statement and other back-up documentation for this Resolution. If you have any questions on the enclosed, please call Walter Dawdydiak at 2-5800. Also, an e-mail version of this Resolution was sent to CE RESO REVIEW and the file name is “Reso-HSV-Amend Reso. 1027-06 PEP.docx.”

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2012, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO INCREASE THE MEMBERSHIP AND CLARIFY JURISDICTION OF THE GABRESKI AIRPORT CONSERVATION AND ASSESSMENT COMMITTEE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Resolution No. 214-2012 formally created and codified the Gabreski Airport Conservation and Assessment Committee. This Committee is authorized to review and make advisory recommendations regarding proposed licenses and leases at the airport.

RESOLUTION NO. -2012, ADOPTING LOCAL LAW NO. -2012, A LOCAL LAW TO IMPROVE THE SAFETY OF VEHICLES USED BY CHILD CARE PROVIDERS THAT CONTRACT WITH THE COUNTY ("LOOK BEFORE YOU LEAVE OUR CHILDREN ACT")

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2012, a proposed local law entitled, "A LOCAL LAW TO IMPROVE THE SAFETY OF VEHICLES USED BY CHILD CARE PROVIDERS THAT CONTRACT WITH THE COUNTY ("LOOK BEFORE YOU LEAVE OUR CHILDREN ACT") now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2012, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO IMPROVE THE SAFETY OF VEHICLES USED BY CHILD CARE PROVIDERS THAT CONTRACT WITH THE COUNTY ("LOOK BEFORE YOU LEAVE OUR CHILDREN ACT")

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that child care providers are entrusted with protecting the safety and security of thousands of Suffolk County's youngest residents.

This Legislature also finds and determines that many child care providers take the children they care for on field trips.

This Legislature further finds and determines that children frequently fall asleep in vehicles and are sometimes difficult to see from the front of a large vehicle.

This Legislature finds that vehicles used by child day care providers to transport children on field trips should be thoroughly checked each time they are parked to ensure that sleeping children are not left behind.

This Legislature determines that cost effective alarm systems are available which prompt drivers to check the vehicle for sleeping children prior to exiting.

This Legislature also finds that the County should require all child care providers it contracts with to install such alarms on vehicles used to transport children to ensure the highest standards of child safety.
Therefore, the purpose of this law is to require all child care providers that contract with the County of Suffolk to install and maintain a child safety alarm system in all vehicles used to transport children.

**Section 2. Definitions.**

As used in this law, the following terms shall have the meanings indicated:

"CHILD" shall mean any individual person under the age of 12.

"CHILD CARE" shall mean care for a child on a regular basis provided away from the child's residence for less than twenty-four hours per day by someone other than the parent, step-parent, guardian, or relative within the third degree of consanguinity of the parents or step-parents of such child. Child care shall not refer to care provided in: a day camp; an after-school program operated for the purpose of religious education, sports, or recreation; or a kindergarten, pre-kindergarten, or nursery school for children three years of age or older, or after-school program for children operated by a public school district or by a private school or academy which is providing elementary or secondary education or both, in accordance with the compulsory education requirements of the State Education law, provided that the kindergarten, pre-kindergarten, nursery school, or after school program is located on the premises or campus where the elementary or secondary education is provided.

"CHILD CARE PROVIDER" shall mean any individual, association, corporation, partnership institution or agency which provides child care for seven or more children for more than three hours per day per child.

**Section 3. Requirements.**

Any child care provider which contracts with the County of Suffolk to provide child care services must install and maintain in working condition a child safety alarm system in all vehicles used to transport children. The alarm system shall prompt the driver to inspect the vehicle for children prior to exiting such vehicle each time it is parked.

**Section 4. Approved Child Safety Alarm List.**

The Department of Social Services shall maintain a list of child safety alarm manufacturers and alarm systems that are approved to be installed in such vehicles.

**Section 5. Contract Language.**

All County contracts between a child care provider and the County subject to this law shall contain the following paragraph or substantially equivalent language:

"Pursuant to County law, the child care provider shall install and maintain, in good working, condition an alarm system in all vehicles used to transport children which shall prompt the driver to inspect the vehicle for children prior to exiting each time it is parked. The County shall have the authority, under appropriate circumstances, to terminate this contract and to seek other remedies as set forth therein for violations of this law."

**Section 6. Rules and Regulations.**
The Department of Social Services is hereby authorized and empowered to promulgate rules and regulations associated with the implementation and enforcement of this law.

Section 7. Applicability.

This law shall apply to all contracts between the County and child day care providers entered into on or after the effective date of this law.

Section 8. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 9. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 10. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

All future contracts between the County and child care providers will contain a clause requiring same.

This law will be enforced by the Department of Social Services ("DSS"). In furtherance of this law, DSS will maintain a list of child safety alarm manufacturers and alarm systems that are approved to meet the County’s standards. Dear Mr. Schneider:

Enclosed for your consideration and submission is the proposed resolution pursuant to:

AMENDING THE ADOPTED 2012 OPERATING BUDGET TO TRANSFER FUNDS FROM FUND 477 WATER QUALITY PROTECTION, AMENDING THE 2012 CAPITAL BUDGET AND PROGRAM, AND APPROPRIATING FUNDS IN CONNECTION WITH THE SLIP REGIONAL SHELLFISH HATCHERY

There are sufficient funds included in the 2012 Operating Budget Fund 477 for this project. The Suffolk County Water Quality Review Committee, at its June 16, 2011 meeting, approved “Islip Regional Shellfish Hatchery Improvements”, submitted by the Town of Islip, as an appropriate use of Suffolk County Water Quality Protection and Restoration Program funds in the amount of $150,000.

After your examination please place this on the Legislative Agenda as soon as possible. If you have any questions or concerns please contact me.

Sincerely,

Re: “Reso-ECODEVPLN-NYSAM County Ag Farmland Protection Plan Grant-2012.doc”

Dear Mr. Schneider:

Attached for your review and consideration is a proposed Introductory Resolution that would (1) authorize, empower, and direct the Suffolk County Department of Economic Development and Planning to apply to the New York State Department of Agriculture and Markets for State funds to assist in the development of an update to the Suffolk County Agricultural and Farmland Protection Plan and (2) authorize, empower, and direct the Suffolk County Department of Economic Development and Planning to develop an update to the Suffolk County Agricultural and Farmland Protection Plan.

The County must have an adopted county agricultural and farmland protection plan to apply for State funds to assist in farmland protection efforts (e.g., acquisition of development rights). The County adopted its first county agricultural and farmland protection plan in 1996 (See Resolution No. 861-1996). The State has since recommended that plans adopted more than ten years ago be updated. To facilitate such effort, the State has expressed its intent to make grant funds available to assist in the development of plan updates.

RE: Appropriating Funds in Connection with the Rehabilitation of Various Bridges and Embankments (CP 5850)

Attached is a draft resolution and duplicate copy to appropriate the sum of $2,900,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2012 Capital Budget and Program for this project.

This funding is intended for the rehabilitation of Landing Avenue Bridge, Shore Drive Embankment, Brown's Creek Bridge and Quantuck Creek Bridge and Bulkhead. These projects will repair roadway approaches and asphalt wearing surface over the concrete bridge deck, spall and crack repair to steel girders and underside of the concrete deck, repairs to sidewalks, curbs and concrete railing members.

It may be necessary to add and/or substitute other bridge and/or embankment locations due to permits, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and determined that it constitutes a Type II action and no further review is required. The Suffolk County Legislature concurred with this finding pursuant to Resolution 1167-1995.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP5850(Rehab Bridges).doc".

RE: Amending the 2012 Capital Budget and Program and Appropriating Funds in Connection with the Installation of a Closed Loop Signal System on Various County Roads (CP 3309, PIN 075993)

Attached are a draft resolution and duplicate copy to appropriate the sum of $1,375,000 for construction in connection with the above referenced project. There are insufficient funds included in the 2012 Capital Budget and Program for this project. However, pursuant to the Suffolk County charter, Section C4-13, an offsetting authorization is not required on amendments which are financed in an amount of at least fifty percent (50%) by Federal or State aid.

The project proposes to replace the traffic controllers at 46 intersections along 6 corridors (9 systems), and to implement these controllers on the centralized traffic signal system at the County office in Yaphank. Traffic signals on these routes would be electronically interconnected and new traffic signal timing plans would be developed and installed to provide coordinated traffic movements, thus improving traffic flow. Additionally, this funding will allow for 15 signals along 2 corridors (3 systems) of recently completed construction projects to be connected to the centralized traffic signal system in Yaphank.

This is a Federally funded project. Mandated milestones must be met to insure that Federal funds are obtained. Recent changes to the procedures for obtaining final Federal authorization require that the County pass a resolution and have local and State contracts in place prior to final authorization.

This project constitutes a Type II Action as it involves routine or continuing agency administration for the installation of traffic control devices on existing streets.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP3309(CL.Ph7 Constr).doc”.

RE: CP 1664 – Energy Conservation at Various County Facilities

Attached for your review is a draft resolution appropriating the sum of $300,000.00 Planning and $2,967,766.00 Construction, for a total of $3,267,766.00. These funds will be used to continue with our aggressive energy conservation program. I have attached a listing of current proposed projects for your reference. While this list is not exhaustive, it does provide a general overview of proposed expenditures. Please note that the work of this project complements that of equipment replacement work within Capital Program No. 1715 – Riverhead County Center Power Plant Upgrade.

We have worked extensively with the Office of Legislative Budget Review to enable these projects to be conducted this calendar year to exploit the maximum operating savings up front. These much needed improvements to our mechanical and electrical infrastructure will save an estimated $1,000,000 per year in operating costs.

This action is considered a Type II Action under SEQRA in accordance with Resolution No. 506-1995.

RE: CP 1706 – Replacement/Clean-up of Fossil Fuel, Toxic and Hazardous Material Storage Tanks

Attached for your review is a draft resolution appropriating the sum of $200,000 in Construction funds to our program to bring all of our storage tanks and facilities in compliance with Article 12 of the Suffolk County Health Code. With a few exceptions, which will be addressed as part of larger building renovation projects, we have completed the original program as outlined by the Suffolk County Tank Committee. Nevertheless, we continue to have various Departments identify tanks that were not included on the original list, and need to be upgraded or replaced.

As the upgrading and replacement of tanks are mandated by Article 12 of the Suffolk County Sanitary Code and Title 40 of the Code of Federal Regulations, the Legislature has determined that under the State Environmental Quality Review Act (SEQRA), Environmental Conservation Law Article 8, that this action constitutes a Type II action pursuant to Volume 6 of the New York Code of Rules and Regulations (NYCRR).

The funding will be used to continue interior and exterior restoration of the older courts buildings on Griffing Avenue in Riverhead. In particular, we will continue with the exterior structural repairs which began in 2011 and may include but not necessarily be limited to the first and second floor of the Old Supreme Court (C002). Please note that this project facilitates several other Courts’ projects to relocate and redistribute operations and personnel.

This action is considered a Type II Action under SEQRA in accordance with NYCRR, Part 617.5(c) (1) and (2) since it involves the maintenance or repair involving no substantial changes in an existing structure or facility and the replacement, rehabilitation or reconstruction of a structure or facility, in kind.

An e-mail copy of the resolution has been sent to CE RESO Review sent under the title Reso-DPW-CP 1130 Civil Ct Renov.doc.

TO: Jon Schneider, Deputy County Executive

FROM: Gary Quinn, Commissioner of Information Technology

DATE: January 17, 2012

SUBJECT: Capital Project # 1726 – FIBER CABLING NETWORK and WAN TECHNOLOGY UPGRADE

We are forwarding a draft resolution requesting appropriation of $100,000 for the year 2012. The resolution amount represents the monies that will be provided by CP-1726 for Capital Project # 1726. An email version of the resolution was sent to CE RESO saved under the title “Reso-ITS-CP-1726.”

Program Description: The current County WAN infrastructure is nearing the end of its useful life. There are significant numbers of county switches and routers that are already at the end of their useful life and over the course of the next three years; all of the equipment will be either be at the end of its lease or at the end of its useful life. A phased approach to equipment replacement and refresh is required in order to ensure the integrity of the County’s WAN network. WAN equipment will be replaced with current technology and equipment that will provide the County with the ability to have a managed approach to growth and improve existing county services. The majority of the equipment is located in the Hauppauge, Riverhead and Yaphank datacenters. However; all the equipment in every county site will need to be replaced in the next three years.

Operating Budget Impact: This program will have a positive operating budget impact as it will proactively upgrade the county WAN allowing us to add sites/users in managed approach rather than an ad-hoc fashion.

Dear Mr. Schneider:

Enclosed for your consideration and submission is the proposed resolution pursuant to:

AMENDING THE ADOPTED 2012 OPERATING BUDGET TO TRANSFER FUNDS FROM FUND 477 WATER QUALITY PROTECTION, AMENDING THE 2012 CAPITAL BUDGET AND PROGRAM, AND APPROPRIATING FUNDS IN CONNECTION WITH STORMWATER REMEDIATION TO WATCHOGUE CREEK

After your examination please place this on the Legislative Agenda as soon as possible. If you have any questions or concerns please contact me.

Sincerely,

SUBJECT: A Draft Resolution Amending the 2012 Adopted Operating Budget and the 2012 Capital Budget and Program and Accepting and Appropriating Funds in connection with the Sewer District No. 21 — SUNY, Improvement Project - CP 8121
DATE: April 5, 2012 (Revised from February 6, 2012)

Attached is a draft resolution and appropriate forms with backup for the transfer of funds for the SD 21 — SUNY Improvement Project filed as Reso DPW sd21 CP 8121 improvement project 4-5-12 and backup filed as Reso Backup DPW sd21 CP 8121 improvement project 4-5-12. The project had been included in the prior capital budget years, however, changes in scope due to regulations, the need to evaluate additional alternatives, and increased consultant assistance has led to the need for additional funds. The 2012 operating budget contains over $1.8 million in the CP 8121 operating fund balance. This resolution is to request that $250,000 be transferred into the capital project (CP 8121) that is specific for improvements to the sewer district.

We would request that this resolution be laid on the table as soon as possible.

RE: Proposed resolution authorizing the filing of an application for FFY 2012 Section 5309 Bus and Bus Facilities Program grant funding on behalf of the Town of Southampton

The Town of Southampton is applying for Federal Transit Administration (FTA) grant funds to under the FFY 2012 Section 5309 Bus and Bus Facilities Program. Grant funds will be used to purchase route management software, a fuel management system, and an engine diagnostic tool for the Town’s Essential Services/Handicapped Transportation Program. Applications for such grants need to be applied for and administered by designated recipients of FTA 5307 formula funds. As the County is the local designated recipient for 5307 transit funds, and the Transportation Division is responsible for preparing and filing for Federal and State transit capital and operating grant funding, as well as implementing the grants, we wish to facilitate the Town’s application for these grant funds. In order for the County to apply for these Federal funds (80% share) on behalf of the Town of Southampton, a resolution authorizing the County to apply for the funds is needed. The Town of Southampton and the New York State Department of Transportation will provide the required 20% local share. There will be no cost to the County to apply for these funds on behalf of the Town, nor will there be any cost to the County to execute the grant, if approved by the FTA.

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2012, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROHIBIT SMOKING IN COUNTY PARKS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk was one of the first municipalities in the nation to prohibit smoking in certain indoor areas open to the public.

This Legislature also finds and determines that the County has placed restrictions on smoking because the effects of secondhand smoke pose a serious threat to the health, safety and welfare of citizens who do not smoke.

This Legislature further finds and determines that the dangers of secondhand smoke are not limited to indoor smoking.

This Legislature finds that the County owns a number of parks which provide residents with easy access to the beauty of nature and recreational opportunities.

This Legislature determines that many smokers discard their cigarettes on the ground when smoking outside, leaving unsightly litter which detracts from other residents' enjoyment of County parks and beaches.

This Legislature further finds that in 2011, New York City banned smoking at all City-owned parks and beaches.

This Legislature also determines that the County of Suffolk should ban smoking at all County owned and/or operated parks and beaches in order to provide County residents with the highest levels of protection from secondhand smoke and to preserve the cleanliness of County parklands.

Therefore, the purpose of this law is to prohibit smoking in any park or beach owned and/or operated by the County of Suffolk.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

PROPOSED LOCAL LAW YEAR 2012

TITLE: I.R. NO. 2012; A LOCAL LAW TO ENHANCE PROVISIONS FOR ENFORCEMENT OF CERTAIN CONSUMER PROTECTION LAWS

SPONSOR: PRESIDING OFFICER ON REQUEST OF THE COUNTY EXECUTIVE

DATE OF RECEIPT BY COUNSEL: 5/3/12  PUBLIC HEARING: 6/5/12

Chapters 387 and 542 of the SUFFOLK COUNTY CODE establish civil penalties for unfair trade practices and item pricing violations to protect consumers purchasing goods and services in the County. This proposed local law would amend Chapters 387 and 542 to increase civil penalties for violations of these consumer protection laws.

Currently, civil penalties for violations of laws against unfair trade practices, as established in Chapter 387, are no more than $750 for a first violation and no more than $1,500 for subsequent violations. This law would increase those penalties to no less than $1,000 and no more than $5,000 for initial violations, with subsequent violations set at no less than $2,500 and no greater than $10,000. This law will also allow penalties to be recovered through a settlement agreement. Failure to adhere to settlement agreements will be punishable by penalties and/or revocation of County licenses and/or permits of the violator.

Chapter 542 governs the County’s item pricing laws and waiver process. Civil penalties for noncompliance with item pricing laws are currently capped at $1,000 per inspection. This local law would increase this cap to $30,000. This law will also set a floor for settlement agreements associated with violations of item pricing laws by requiring payment of no less than 25% of the maximum possible penalty allowed following a hearing. Failure to adhere to settlement agreements will be punishable by penalties and/or revocation of County licenses and/or permits of the violator.
This law would also increase the item pricing waiver fees for most retail stores. The fee structure is currently set as follows:

<table>
<thead>
<tr>
<th>Gross Sq. Footage</th>
<th>Waiver Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under 3,000</td>
<td>$500</td>
</tr>
<tr>
<td>3,001 – 10,000</td>
<td>$1,000</td>
</tr>
<tr>
<td>10,001 – 30,000</td>
<td>$3,000</td>
</tr>
<tr>
<td>30,001 – 90,000</td>
<td>$5,000</td>
</tr>
<tr>
<td>Over 90,000</td>
<td>$15,000</td>
</tr>
</tbody>
</table>

This law would change the fee structure to the following:

<table>
<thead>
<tr>
<th>Gross Sq. Footage</th>
<th>Waiver Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under 3,000</td>
<td>$500</td>
</tr>
<tr>
<td>3,001 – 10,000</td>
<td>$2,500</td>
</tr>
<tr>
<td>10,001 – 20,000</td>
<td>$5,000</td>
</tr>
<tr>

<td>$7,500</td>
</tr>
<tr>

<td>$20,000</td>
</tr>
<tr>
<td>Over 100,000</td>
<td>$35,000</td>
</tr>
</tbody>
</table>

This local law will take effect immediately upon its filing in the Office of the Secretary of State.
