County Executive of Suffolk County
RESOLUTION NO. -2011, A GRADUAL PHASING OUT
OF THE HOME ENERGY TAX ON SUFFOLK COUNTY
RESIDENTS

WHEREAS, the County of Suffolk presently imposes a two and one-half per cent
(2.5%) tax on residential energy sources and services; and

WHEREAS, this sales tax on home energy is regressive and places an undue
burden on Suffolk County homeowners, particularly our senior citizen population which includes
residents living on fixed incomes; and

WHEREAS, New York Tax Law authorizes Counties to reduce the sales and
compensating use tax rate on residential energy sources and services; and

WHEREAS, this Legislature wishes to phase out the home energy tax; and

WHEREAS, the gradual elimination of this tax will provide relief for Suffolk
County residents who are already overburdened by high taxes and home energy costs; and

WHEREAS, members of this Legislature wish to eliminate the sales and use
taxes on residential energy sources and services over a five year period to afford residents the
benefit of a much needed tax reduction while maintaining fiscal stability by a gradual reduction
in this revenue; now, therefore be it

1st RESOLVED, that Section 2-A of Resolution No. 745-1968, as amended by
Resolution Nos. 813-1980, 1025-2001, and 1034-2005, is hereby amended to read as follows:

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on ____________, 2011, a proposed local law entitled, "A LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the general public perceives that "special interests" use campaign contributions to gain extraordinary access to, and favorable consideration from, government officials.

This Legislature further determines that many members of the general public believe that this "pay to play" culture results in government contracts being awarded on the basis of connections and contributions rather than merit.

This Legislature also finds that elected officials must take appropriate steps to restore the public's faith in political institutions.

This Legislature further finds and determines that limiting the amount of campaign contributions that contractors can make to County Officials is a reform measure that will strengthen public confidence in the integrity of the political system and increase the likelihood that county contracts will, in fact, be awarded to the best qualified individuals and businesses.

Therefore, the purpose of this law is to limit the contributions that contractors can make to elected County Officials and candidates for county office and thereby reduce special interest influence on the county's contracting process.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:
"AGREEMENT" - any written or oral contract between the County of Suffolk and a contractor, for the sale of goods or services, including construction work, or a lease or contract relating to real or personal property. This term shall include a transaction whereby a contractor agrees to sell goods and/or services to the County, pursuant to a successful bid.

"CONTRACTOR" - any individual, partnership, joint venture, corporation or other business entity of any kind that contracts with the County of Suffolk. In the case of a corporation or other business entity, this definition shall extend to the principals, officers and directors of the corporation or business entity, and their relatives, which shall include spouses, issue, brothers and sisters.

"CONTRIBUTION" – as defined in Section 14-100 of the New York Election Law.

"COUNTY" - any department, board, bureau, commission, division, office, or other agency of Suffolk County government.

"ELECTED OFFICIAL" - the Suffolk County Executive, Suffolk County Clerk, Suffolk County Sheriff, Suffolk County District Attorney, Suffolk County Treasurer, Suffolk County Comptroller and members of the Suffolk County Legislature.

"ELECTION CYCLE" – the period between elections for public office, i.e. the four year period between elections for the offices County Executive, County Clerk, County Sheriff, District Attorney, County Treasurer and County Comptroller and the two year period between elections for County Legislature.

"PUBLIC OFFICE" - the offices of Suffolk County Executive, Suffolk County Clerk, Suffolk County Sheriff, Suffolk County District Attorney, Suffolk County Treasurer, Suffolk County Comptroller and Suffolk County Legislator.

Section 3. Limitation on Contributions.

A. No contractor who enters into an agreement or agreements with the County, which in the aggregate exceeds $10,000 during a calendar year, shall make a contribution or contributions totaling more than $500 to any elected official or candidate for public office during the election cycle then prevailing. Contributions made by a contractor prior to entering into an agreement or agreements with the County during that same election cycle shall be counted towards the $500 limit, however, a contribution in excess of $500 made prior to the contractor entering into an agreement with the County shall not constitute a violation hereunder.

B. No County official or candidate for public office shall knowingly accept a contribution from a contractor that exceeds the limit set forth in subsection (A) of this section. For the purposes of this subsection, contributions made to any political committee, authorized by an elected official or candidate for public office to accept contributions on his or her behalf, shall be considered contributions made to such elected official or candidate for public office.

Section 4. Penalties.

A. Any contractor who knowingly makes a contribution in violation of this law shall be guilty of an unclassified misdemeanor, punishable by a fine of $1000 and/or four months in jail.
B. Any elected official or candidate for public office who knowingly accepts a contribution in violation of this law shall be guilty of an unclassified misdemeanor, punishable by a fine of $1000 and/or four months in jail.

C. Any contractor who knowingly violates this law shall be subject to the termination of the agreement by the County of Suffolk.

Section 5. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 6. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 7. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 8. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

PROPOSED LOCAL LAW YEAR 2011

TITLE: I.R. NO. -2011; A LOCAL LAW TO ENACT A CAMPAIGN FINANCE REFORM ACT TO LIMIT CAMPAIGN CONTRIBUTIONS FROM COUNTY CONTRACTORS

SPONSOR: LEGISLATOR SCHNEIDERMAN

DATE ADOPTED/NOT ADOPTED: __________  CERTIFIED COPY RECEIVED: __________

Enactment of this proposed local law would limit the contributions that contractors can make to elected County officials and candidates for County office.

This local law would prohibit any contractor (defined as any individual, partnership, joint venture, corporation or other business entity that contracts with the County of Suffolk, and extends to the principals, officers, directors of the business entity, and their relatives) who enters into an agreement or agreements with the County of Suffolk, which in the aggregate exceeds $10,000 in a calendar year, from making a contribution or contributions totaling more than $500 to any public official or candidate for County office during the election cycle then prevailing. Any contribution made by a contractor prior to entering into a contract with the County of Suffolk would be counted towards the $500 limit, but any excess contribution made prior to entering into the agreement(s) with the County would not constitute a violation.

This local law would also prohibit any elected official or candidate for public office from knowingly accepting a contribution from a contractor in violation of this law. Contributions to a political committee established by the elected official or candidate for public office to accept donations would be considered contributions made to such an elected official or candidate for public office.

This local law would make a violation of this law an unclassified misdemeanor punishable by a fine of $1000 and/or 4 months in jail.

This local law would be effective immediately upon filing in the Office of the Secretary of State.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A CHARTER LAW TO ESTABLISH A TRUTH AND HONESTY ZONE FOR CLEAN CAMPAIGN PRACTICES IN SUFFOLK COUNTY BY BANNING IMPROPER FUNDRAISING

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on ______, 2011 a proposed local law entitled, "A CHARTER LAW TO ESTABLISH A TRUTH AND HONESTY ZONE FOR CLEAN CAMPAIGN PRACTICES IN SUFFOLK COUNTY BY BANNING IMPROPER FUNDRAISING"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO ESTABLISH A TRUTH AND HONESTY ZONE FOR CLEAN CAMPAIGN PRACTICES IN SUFFOLK COUNTY BY BANNING IMPROPER FUNDRAISING

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds that not-for-profit organizations, qualifying for tax exempt status under Section 501(c)(3) of the INTERNAL REVENUE CODE, are prohibited from participating or intervening in "any political campaign on behalf of (or in opposition to) any candidate for public office."

This Legislature also further finds that, notwithstanding this year and absolute ban on such political activity, such organizations are constantly solicited for campaign contributions by elected Suffolk County officials, candidates for Suffolk County office, and employees and/or designees and agents of such officials and candidates.

This Legislature also finds that there exists a public perception that government contracts are often awarded on the basis of political contributions and not upon the qualifications and cost-effectiveness of the proposed contractee.

This Legislature further finds and determines that the use of political action committees further aggravates and magnifies this problem because of the ability of such committees to raise larger sums of money for such contributions.

This Legislature further finds that elected officials must take appropriate measures to change that perception to halt further erosion of public confidence in our political institutions because the influence of money on County political campaigns is growing and, at the very least, creates an appearance that County government favors those who make campaign contributions.
This Legislature desires to prohibit the acceptance of political contributions from persons or businesses contracting with the County to help avoid even the slightest appearance that elected officials are awarding contracts based upon factors other than merit.

This Legislature determines that campaign contributions by County employees to elected County officials, who are required, as a function of their duties and responsibilities as public officers, to discipline, manage, and regulate the activities of those very same County employees, as well as grant, approve, or withhold contractual, financial, and economic benefits to said employees, creates an inherent tension and conflict between such elected officials and county employees, which conflict, in turn, erodes public confidence in the integrity of County government and undermines public support for governmental institutions in this County in general.

This Legislature further determines that in order to deter the corrosive impact of political campaign contributions on county government, to strengthen public confidence in our public institutions, and to eliminate real or perceived pressures on county employees, it is necessary to prohibit all county employees and officers from soliciting campaign contributions.

This Legislature hereby affirms its awareness of Federal laws which prohibit all corporate solicitations and donations, and the solicitation and donations of all persons contracting with the United States Government, as well as State laws pertaining to political contributions.

This Legislature finds that supplementary legislation in the County of Suffolk will not only bolster the people’s confidence in the integrity of the system, but will also increase the likelihood that only the most qualified, talented, and cost-effective firms will be retained by the County.

Therefore, the purpose of this law is to prohibit political contributions by County employees to candidates for County office, to limit political contributions from businesses contracting with the County, to restrict political contributions for County offices by political action committees that are related to firms doing business with the County of Suffolk, to elected officials of the County of Suffolk or to candidates for such office and to ban the solicitation of campaign contributions from tax exempt not-for-profit organizations by elected County officials, candidates for County office, or their designees so as to ensure that County decisions on governmental issues are decided on the merits rather than on the basis of influence by "special interests", subject to the approval of the electorate.

Section 2. Amendment.

The SUFFOLK COUNTY CHARTER is hereby amended by the addition of a new Article XLIII to read as follows:

Section 43-1. Definitions.

proceedings prior to such primary election, or of a candidate for any party position voted for at a primary election; to aid or defeat the nomination by petition of an independent candidate for public office; or to aid or defeat any proposition submitted to the public for approval at referendum. Nothing in this section shall apply to any committee or organization for the discussion or advancement of political questions or principles without connection to any vote, which corporation or committee is not created or formed by or on behalf of any political party. "Political Action Committee" shall not include any party committee of constituted committee, as defined in Article 14 of the NEW YORK ELECTION LAW.

This proposed local law would amend the Suffolk County Charter to add a new Article 43, which would impose new restrictions on contributions\(^1\) to candidates for county offices.\(^2\)

Specifically, this law would:

1) Prohibit County officers, employees and members of any County board, commission or agency from soliciting contributions from any not-for-profit organization for the benefit of a candidate seeking County office;

2) Prohibit County officers or candidates from knowingly accepting contributions from not-for-profit organizations;

3) Prohibit County officers, employees and members of any County board, commission or agency from making any contribution to a candidate for County office;

4) Prohibit County officers or candidates from accepting contributions from County employees;

5) Prohibit County officers, employees and members of any County board, commission or agency from soliciting donations for the benefit of any candidate;

---

\(^1\) A "contribution" is defined as any direct or indirect payment, distribution, loan, deposit, gifts of money, services or anything of value to any candidate, campaign committee, political party or organization connected with an election for public office to be voted on by County voters and includes voter registration and get-out-the-vote operations by corporations and labor organizations and the solicitation of contributions to the political action funds or corporations and labor organizations.

\(^2\) The offices affected by this law are: the Office of the District Attorney, County Legislator, County Executive, County Comptroller, County Treasurer, County Sheriff, and/or County Clerk or any successor offices.
6) Prohibit candidates for County office from knowingly accepting contributions that were obtained by the solicitation efforts of a County officer, employee or elected official;

It should be noted that contributions by individuals to political parties, committees or candidates as defined under Section 14-100 of the NEW YORK ELECTION LAW, are exempted from the law's not-for-profit, employer contribution and political action committee provisions.

Any person who violates this law would be subject to criminal and/or civil penalties. The maximum criminal penalty is one (1) year in jail and/or a fine of up to one thousand dollars ($1,000).

The Ethics Committee would be authorized to promulgate rules and regulations required to effectuate this law.

\(^3\) "Political action committees" are defined as any corporation aiding or promoting and any combination of one (1) or more persons operating or working cooperatively to take part in the election or defeat a candidate for nomination at a primary election or defeating a candidate in a final election. This term does not apply to committees or organizations that seek to advance a political question or principle without a connection to a specific vote, nor does it apply to committees or corporations that are not created by or on behalf of a recognized political party.

\(^4\) "Person" is defined as including individuals, partnerships, joint ventures, societies, associations, clubs, corporations, unincorporated groups of member, officers, directors or shareholders or any kind of personal representative thereof that is acting either for themselves or any other person. Not included in this definition are agents or representatives of corporations traded on the open market and/or stock exchanges as well as corporations that are not openly traded but employ twenty-five (25) or more people.

\(^5\) For the purposes of determining which persons are contracting or doing business with Suffolk County, the County Comptroller would file with the Clerk of the County Legislature a list of persons doing business with the County on March 31, June 30, September 30, and December 31 of each year.
This law is made subject to a mandatory referendum and will take effect on the first day of the first fiscal year following its approval by referendum. Therefore, the earliest date this law can take effect is January 1, 2012.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A LOCAL LAW TO LIMIT THE RESTRAINT OF PETS OUTDOORS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011, a proposed local law entitled, "A LOCAL LAW TO LIMIT THE RESTRAINT OF PETS OUTDOORS;" now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO LIMIT THE RESTRAINT OF PETS OUTDOORS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Suffolk County is a leader in protecting the health and welfare of animals residing in the County.

This Legislature also finds and determines that animal owners will sometimes tie their animals to a stationary object out of doors for a short period of time.

This Legislature further finds and determines that some owners, however, leave their animals tied to a stationary object outside for long periods of time, in some cases, all day.

This Legislature finds that animals left tied to an object outside for prolonged periods may not have sufficient food, water or shelter from inclement weather.

This Legislature further finds that tethers, chains and other restraints can also injure animals, as the restraint may tangle or catch on other objects.

This Legislature also determines that it is in the best interests of County residents and their pets to limit the amount of time animals spend tied to a stationary object.

Therefore, the purpose of this law is to limit the length of time that animals may be restrained outdoors to no more than two hours in any continuous twelve hour period.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

"PERSON" shall mean any individual, firm, partnership, corporation, company, society, association, or any organized group of persons whether incorporated or not.
Section 3. Prohibition.

No person shall tether, leash, fasten, chain, tie, secure or restrain any animal outdoors or cause such animal to be so restrained to a stationary object for longer than two (2) hours in any continuous twelve (12) hour period.

Section 4. Exemption.

This law shall not apply to any federal, state or local law enforcement agency.

Section 5. Penalties.

Violation of this law shall constitute a violation, subject to a fine of up to two hundred fifty dollars ($250.00).

Section 6. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 7. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 8. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 9. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Department of Social Services

Date: March 29, 2011

Subject: REQUEST FOR LEGISLATION:
Requesting Legislative Approval of a Contract Award for Community Guardianship Services

I am requesting the introduction of the attached legislative resolution to be introduced at the next meeting of the Suffolk County Legislature:

"REQUESTING LEGISLATIVE APPROVAL OF A CONTRACT AWARD FOR COMMUNITY GUARDIANSHIP SERVICES FOR THE DEPARTMENT OF SOCIAL SERVICES"

The Department of Social Services has issued a Request for Proposal (RFP) for “Community Guardianship Services” for the Adult Protective Services program in the Family and Children’s Services Administration. In response to the RFP, the Education and Assistance Corporation was the only submission for the provision of these services. This resolution is presented in compliance with Local Law 3-1996 which requires the Suffolk County Legislature to approve the award of any contract in excess of $20,000, awarded pursuant to the RFP process, in which only one party responds to the County’s solicitation of proposals.

Attached please find the above referenced resolution, the introduction form (SCIN Form 175a), the fiscal impact statement (SCIN Form 175b), and related back-up material. The e-copies relating to this resolution are titled “Reso-DSS-Community Guardianship Services Contract.” If you have any questions, please contact Kenneth Knappe at 854-9939.

DEPARTMENT OF THE ARMY LICENSE

Licensor, ________, is the owner/manager/agent of certain real property that the United States of America, hereafter "the Government," requests to use for military training. Licensor hereby grants a license to the Government, upon the following terms and conditions:

1. Revocable License. Licensor grants to the Government a revocable license to enter into and upon the lands and premises described in paragraph 9 below at any time upon written approval and coordination with Airport Management, within the period from May 1, 2011, and October 31, 2011, in order to conduct military training.

2. Compensation. Licensor provides this license at no cost.

3. Scope of Training Activities. The training event may include the use of simunitions (paint balls), tactical movement of soldiers in and around the property, and the use of rotary and fixed-wing aircraft. The specific training activities that will be conducted pursuant to this license agreement will be discussed and agreed to between the Licensor and the Government during the walkthrough, described in paragraph 4 below.

4. Walkthrough. Prior to the Government's use of the premises under this license, representatives of the Government and Licensor will conduct a walkthrough of the premises to observe the general condition of the site and to discuss required preparations, the scope of training activities, and likely repairs by the Government, if any, that may be necessary as a result of the training. The Government will prepare a written memorandum to document the scope of the training activities, repairs that the Government will perform at the conclusion of the training event, and the results of the walkthrough. Should Licensor elect not to participate in the walkthrough, the Government will attach the memorandum to this license. Subsequent to the training event, representatives of the Government and Licensor will conduct a second walkthrough to discuss cleanup and repair issues, if any.

5. Liability.

a. Government Liability to Licensor or Third Parties. The Government is responsible, under the terms of the Federal Tort Claims Act (FTCA), 28 U.S.C. §§ 1346(b), 2671-2680, or the Military Claims Act (MCA), 10 U.S.C. § 2733, as applicable, to Licensor and any third parties for any injury to persons or damage to property proximately caused by the acts or omissions of Government employees acting within the scope of their employment. The Government agrees to return the property to the Licensor in substantially the same condition it was prior to the training event, unless otherwise agreed upon. The Government reserves the right to make repairs to the property that would return it to the condition that existed at the start of the license. The right to make repairs should not be construed as a modification of the rights and obligations under the FTCA or MCA. Licensor or injured third parties may use the FTCA or MCA to recover losses caused as a result of the training exercise that are not repaired or compensated for adequately by the Government using other means. The FTCA provides a means of recovery for negligent acts by government personnel. The MCA provides a means of recovery for damages or injuries caused by military personnel conducting non-combat activities, including training, that are not the
result of negligent acts. In no case will the Government's liability exceed that allowable under applicable law, including the FTCA and MCA.

b. Licensor Liability to the Government. Licensor is not liable to Government for damage or destruction to Government property or equipment, or injury or death to Government personnel. LICENSOR makes no representation that the property is suitable for the contemplated training. Government representatives will inspect and evaluate the suitability and safety of the property for the proposed training. The Government acknowledges that these premises may contain hazardous conditions.

6. Contract Damages to Property. Licensor agrees to notify the Government of any damage to the premises, beyond that discussed by the parties, within five (5) days of the expiration of the period outlined in paragraph 1, above. Failure to notify the Government within the five (5) day period constitutes a waiver of such damage claim. Payments made by the Government under this license are subject to the availability of funds for such purpose.

7. Security. Licensor agrees not to enter or grant permission to others to enter onto the premises during a period of training without prior permission of the Government. Licensor consents to the Government's placement of guards at various points to prevent observation and participation in the training by persons not authorized to do so. Licensor may, however, enter the premises at any time to revoke this license.

8. Licensor's Representation. Licensor makes no representation as to whether the premises are occupied or vacant. It is solely the Government's responsibility to determine and maintain the vacancy of the premises throughout the term of this license. Licensor represents only that neither Licensor nor any of his agents, contractors, or employees shall enter the premises during the period of this license without Government consent, except to revoke the license pursuant to paragraph 7, above.

9. Property Description. The lands or premises affected by this license are located in the State of New York County of Suffolk and are further described as follows: Francis S. Gabreski Airport, Westhampton Beach, New York, Taxiway E, and other areas as specifically approved in writing by Airport Management.

10. Facsimile. The parties agree that a facsimile copy of this license bearing signatures of Licensor's and the Government's representatives are valid for all purposes.

VERSION 30 August 2010, ALL OTHER VERSIONS OBSOLETE
RESOLUTION NO. - 2011 AUTHORIZING A LEASE AGREEMENT WITH AMPCO, INC., FOR USE OF PROPERTY AT FRANCIS S. GABRESKI AIRPORT

WHEREAS: Suffolk County owns and through its Department of Economic Development and Workforce Housing operates and maintains Francis S. Gabreski Airport in Westhampton; and

WHEREAS: AMPCO, Inc. has submitted an application to develop 5 acres of property for the purpose of constructing an aircraft hangar and office space; and

WHEREAS: this project is in compliance with the adopted 1990 Airport Master Plan Update, the 2008 Airport Master Plan Draft Update, the 1995 Central Pine Barrens Comprehensive Land Use Plan, the 1992 Long Island Comprehensive Special Groundwater Protection Area Plan, the 1999 Town of Southampton Comprehensive Update Implementation Strategies Plan and the Town of Southampton Aquifer Protection Overlay District requirements; and

WHEREAS: through Executive Order 26-2006 the County Executive created the Airport Conservation and Assessment Panel (ACAP), comprised mostly of local community group representatives, to evaluate applications for proposed leases, lease renewals, lease extensions, lease modifications and licenses and to issue formal recommendations to the County Executive, the CEQ and the County Legislature; and

WHEREAS: the Airport Conservation and Assessment Panel reviewed the proposed development and recommends that the lease be approved as noted in the Panel’s written recommendations attached as Exhibit A; and

WHEREAS: through resolution 1072-2007 Suffolk County Legislature as SEQRA Lead Agency determined that the proposed development by AMPCO, Inc., constitutes an unlisted action, pursuant to the provisions of Title 6 NYCRR, Part 617 and Chapter 279 of the Suffolk County Code, which project will not have significant adverse impacts on the environment and therefore SEQRA is complete; and

WHEREAS: the lease agreement, for 40 years at an initial annual lease rate of $40,000, is submitted for legislative consideration; now therefore be it

RESOLVED, that the County Executive or his designee, is authorized to execute a license agreement for the use of the above described property between AMPCO, Inc. and the County of Suffolk, in substantial accordance with the agreement annexed as Exhibit B.

County Executive of Suffolk County

Date of Approval:
AMPCO II, LLC

Airport Conservation and Assessment Panel Background:

On May 9, 2006, Suffolk County Executive Order No. 26-2006 created the Airport Conservation and Assessment Panel (ACAP) The panel is charged with evaluating applications for leases, lease renewals, extensions and modifications, licenses, and issuing recommendations to the County Legislature, the CEQ and County Executive on the environmental, economic and community impacts of a lease or license application at Gabreski Airport and to report it’s advisory findings and recommendations to the above parties.

The scope of the ACAP review shall be limited to assessing applications and proposals for the environmental compatibility and economic benefit to the people of the County of Suffolk and are in the public interest as a support, advance, or enhancement of a specifically articulated public policy objective.

A meeting of ACAP was held at 10:00 AM on August 10, 2007 to review the AMPCO II, LLC application submitted on July 24, 2007.

Summary of SEQRA Recommendations/ACAP Findings:

Based on our assessment of the rules governing the implementation of SEQRA, we find the subject application to be an unlisted action.

A Negative Declaration is recommended.

ACAP Recommendations:

ACAP’s approval of this application is contingent on the applicant’s agreement to and/or meeting the following lease conditions:

The applicant agrees to limit clearing of wooded areas and vegetation. Clearing of wooded areas and trees is to be kept to a minimum – with the exception of FAA necessitated sight lines that are approved by ACAP, CEQ and the Pine Barrens Commission.

It is agreed that the hangars to be constructed by the applicant are for private owner operator use only; the applicant further agrees that no portion of the premises will be subleased for on-demand charter service or by any other commercial use tenant.
Only stage three (3) or higher jets are to be used or stored on this site.

There will be no fuel storage on site.

Any outstanding financial issues with the County of Suffolk must be resolved prior to the County entering into a lease agreement with the applicant.

Term of the lease is recommended to be 30 years. At the termination of the 30 years ownership of the buildings will revert back to the County. The tenant will then have the option to lease both the land and the existing buildings for an additional 30 year term based on the market value at the time of renewal.

Any modification or alteration of this space must have the prior approval of ACAP, CEQ, the County of Suffolk and/or any other entity endowed in the future with oversight of airport lease applications.

Any proposed reassignment of the lease requires review and approval by ACAP, CEQ, the County of Suffolk and/or any other entity endowed in the future with oversight of airport lease applications.

Gabreski Airport Voluntary Noise Abatement Procedures – the applicant agrees to provide signage on site to inform users of their responsibility to conform to the approved current and any future voluntary noise abatement procedures. Documents informing users of voluntary noise abatement procedures must be provided to all subtenants and included in the applicant’s lease and any/all subsequent subleases of individual hangars. Applicant agrees to conform and to see to it that subtenants conform to current and any future approved Gabreski Airport voluntary noise abatement procedures.

Waste Oil Removal – the applicant is responsible to provide signage to outline the approved procedure for waste oil removal. Any instructions regarding the removal of waste oil from the site is to conform to regulations as determined by the NYSDEC and the County of Suffolk. Such language is to be included in the lease document.

Tenant will be required to connect to waste treatment lines when the system becomes available.

Lease boundaries are to provide for adequate setbacks. The County will inspect construction to insure the applicant meets all specifications.

Parking spaces - The number of parking spaces will be determined by Suffolk County and will conform to code and regulations to include appropriate handicapped access.
Tenants shall comply with Suffolk County Code Chapter 380 (L.L. 34-1999) which mandates the phase-out of pesticides in all County facilities, buildings and properties.

**Further Considerations:**

The review of this application raised an issue that is of growing concern to many members of the community whose enjoyment of their property is increasingly infringed upon by the presence of low-flying planes and helicopters.

As the CEQ and Legislature are aware, in written decisions and deliberations, ACAP demonstrated a commitment to striking a responsible compromise between the needs of general aviation airport users and the right of area citizens to enjoy the use of their property free from the intrusion of noise pollution caused by aviation activities. However, the impact of the growing use and potential expansion of private helicopter usage at Gabreski airport is a long-range planning issue that has yet to be brought to the attention of CEQ, County Planning Officials and the Legislature.

ACAP strongly recommends that the County undertake an exploration of mitigation measures to alleviate the growing noise pollution and associated problems resulting from the area's increasing exposure to these aircraft. As a beginning, we suggest that an assessment of landing fees, hangar capacity limitations, enhanced compliance with the voluntary noise abatement program as well as an assessment of approach and departure routes be considered for further discussion and investigation. We believe the Gabreski CAB is uniquely positioned to serve a useful purpose and to facilitate a thorough examination of this increasingly troubling issue.

Re: Purchase of Two Additional Motorcycles through the use of Asset Forfeiture Funds

The Sheriff’s Office is in need of two additional motorcycles. Our current motorcycles are 15 years old. The additional motorcycles will ensure equipment availability to provide adequate coverage of our Police Division assignments, which include escorts and traffic enforcement while allowing for periodic regular maintenance of our existing assets.

In recognition of the current economic conditions, in balance with the need for these motorcycles, the Sheriff’s Office has opted to fund this purchase with asset forfeiture monies rather than request additional Operating Budget funding.

RESOLUTION NO. 2011, CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF CONSIDERING THE PLANNING OF THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 3 - SOUTHWEST (OUTFALL - FINAL EFFLUENT PUMPING STATION) (CP 8108)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 3 - Southwest; and

WHEREAS, a map and plan, together with an estimate of cost, has been prepared and filed with the County Legislature pursuant to Section 268 of the County Law in relation to the proposed planning for an increase and improvement of the facilities and renovating/constructing improvements to the Final Effluent Pumping Station (FEPS) and the associated ultraviolet disinfection elements of said sewer district; and

WHEREAS, the FEPS element of the outfall project is considered Phase I; and

WHEREAS, the Administrative Head of the Sewer District has requested that funds be appropriated to cover the planning and renovating/constructing costs associated with the improvement project related to the Outfall-Final Effluent Pumping Station (FEPS); and

WHEREAS, it is now desired to call a public hearing thereon; pursuant to Section 254 of County Law; now, therefore be it

1st RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1. A meeting of the County Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 7th day of June 2011, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on June 7, 2011 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to plan the increase and improve the first phase of the Outfall project, i.e., the Final Effluent Pumping Station and associated ultraviolet disinfection
system linked to that work of County Sewer District No. 3 – Southwest in and about the within
the Town of Babylon, in and for said County, substantially in accordance with certain maps,
plans, report and recommendations prepared by and filed with the County legislature by the
Suffolk County Sewer Agency with the assistance of the County Department of Public Works,
which time and place said County legislature will consider such proposal and hear all parties
interested therein concerning the same.

The project is to provide construction and rehabilitation of the Final Effluent Pumping
Station and related systems. The cost opinion associated with the Outfall - Final Effluent
Pumping Station project is $35 million. The project elements are more fully described and
defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is
proposed that the project will be implemented during 2012. Based on the project schedule, the
maximum debt payment will be during 2013 at a value of $2,772,000. Financing is at 4.00%
over 20 years for serial bonds. This unsubsidized increased rate amounts to a value per
typical property of approximately $27.58 per year. This figure was developed using the full
value of the Towns of Babylon and Islip along with the median full value of a typical property
within the towns resulting in an increase of $0.0918 per $1,000 of full value for Capital Project
8108, (Outfall – Final Effluent Pumping Station).

In addition to the Capital Project 8108, (Outfall – Final Effluent Pumping Station)
project there are two concurrent projects in Sewer District No. 3 – Southwest. However, there
will be no fiscal impact to the benefited properties, since pursuant to the Suffolk County
Assessment Stabilization Reserve Fund, all residents of sewer districts experience a 3% annual
increase regardless of any improvements performed with the annual typical property increase
being $19.17 including all three projects.

A copy of the map, plan, and estimate of costs relating to said proposed increase,
improvement, and extension of facilities is on file in the Office of the Clerk of said County
Legislature, where the same may be examined during regular business hours.

2nd RESOLVED, this Legislature, being the lead agency under the State
Environmental Review Act ("SEQRA"), Environmental Conservation Law Article 8, hereby finds

TO: Ken Crannell, Deputy County Executive
FROM: James Peterman, P.E., Chief Deputy Commissioner
SUBJECT: Calling for a Public Hearing for the Purpose of Considering the Increase and Improvement of Facilities for Sewer District No. 3 – Southwest (Outfall – Final Effluent Pumping Station) CP 8108
DATE: March 10, 2011

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW CP 8108 – SD 3-Southwest (Outfall-Final Effluent Pumping Station) Improvement Hearing 3-10-11 and backup filed as Backup DPW CP 8108 – SD 3-Southwest (Outfall-Final Effluent Pumping Station) Improvement Hearing 3-10-11. The resolution calls for a public hearing to provide funds for the rehabilitation and renovation of the final effluent pump station at Bergen Point. The improvements will extend the service life and provide redundancy in this facility which conveys treated wastewater through the 6½ mile ocean outfall. It is also a link in the hydraulics and impact from the ultraviolet disinfection system that must be addressed with this project.

We appreciate the draft resolution being laid on the table as soon as possible.

RE: Proposed Increase and Improvement to the Facilities of Suffolk County
Sewer District No. 3, Southwest - Outfall (Final Effluent Pumping Station - CP 8108)

Presiding Officer Lindsay:

Pursuant to Article 5-A of the New York State County Law, we have requested a resolution calling for a public hearing. The total cost of the request is $35 million and when amortized will exceed the 3% stabilized cap. Serial bonds are the means of financing the project. Due to numerous capital projects proposed for this sewer district, we have been advised that individual reports and public hearings are advisable. When evaluating the cumulative impact of the 2011 program for capital projects 8170, 8181 and 8108, we conclude that the cost for typical property is above the State Comptroller's cap of $14 and, therefore, an application to the State Comptroller is required. The final effluent pump station is a critical element at the Bergen Point Wastewater Treatment Facility and these improvements are necessary to be consistent with the Outfall Replacement Project as well as the service life of the facility.

If you wish any further information or details, please contact Ben Wright, P.E., Division of Sanitation, at 852-4204.

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on June 7, 2011 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to perform tasks necessary to reduce infiltration and inflow of County Sewer District No. 3 – Southwest in and about in the Towns of Babylon and Islip, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County Legislature by the Suffolk County Sewer Agency with the assistance of the County Department of Public Works, at which time and place said County legislature will consider such proposal and hear all parties interested therein concerning the same.
The project is to provide construction and rehabilitation of sewers to remove and reduce extraneous flows from entering the sanitary system. The cost opinion associated with the Infiltration/Inflow Study/Sewer Rehabilitation Project is $4.5 million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2012. Based on the project schedule, the maximum debt payment will be during 2013 at a value of $356,400. Financing is at 4.00% over 20 years for serial bonds. This unsubsidized increased rate amounts to a value per typical property of approximately $3.54 per year. Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW CP 8181 – SD 3 – Southwest (Infiltration/Inflow Study/Sewer Rehabilitation) Hearing 3-10-11 and backup filed as Backup DPW CP 8181 – SD 3 – Southwest (Infiltration/Inflow Study/Sewer Rehabilitation) Hearing 3-10-11. The resolution calls for a public hearing to provide funds for the construction and rehabilitation of sewers to remove and reduce extraneous flows from entering the sanitary system. The work involves equipment purchases, rehabilitation by grouting, lining, and in some cases sewer replacement. Due to multiple capital projects for this sewer district, individual project reports are prepared for the public hearings. Considering capital projects 8108, 8170, and 8181, the total adopted program cost for 2011 is $44.7 million and results in an annual increase in the typical property of less than $20 per year.

We appreciate the draft resolution being laid on the table as soon as possible.

RE: Proposed Increase and Improvement to the Facilities of Suffolk County
Sewer District No. 3 – Southwest - Infiltration/Inflow Reduction (CP 8181)

Presiding Officer Lindsay:

In connection with the above captioned matter, I herewith submit to you a report together with the recommendations relative thereto. Pursuant to Article 5-A of New York State County Law, we have requested a resolution calling for a public hearing. The total 2011 cost of this project is $4.5 million, when amortized, will not as a single project exceed the 3% stabilized cap in 2011. Serial Bonds are the means of financing this project. Due to numerous capital projects proposed for this sewer district, we have been advised that individual reports and public hearings are advisable. When evaluating the cumulative impact of the 2011 program for CP 8108 and 8170, along with 8181, we conclude that the cost per typical property in the maximum year of 2013 is above the State Comptroller's cap of $14. It is noted, however, that the project will not have a fiscal impact on the benefited property due to stabilization of rates by the ASRF regardless of the improvements. An application to the State Comptroller may be required considering all projects.

4th RESOLVED, that the moneys appropriated pursuant to this resolution shall be used for the sole and exclusive purpose of funding operations at the John J. Foley Skilled Nursing Facility, until and unless directed otherwise by the Suffolk County Legislature.
RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A LOCAL LAW TO PROTECT PUBLIC SAFETY AT REPRODUCTIVE HEALTH CARE FACILITIES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on __________, 2011, a proposed local law entitled, "A LOCAL LAW TO PROTECT PUBLIC SAFETY WHEN ACCESSING REPRODUCTIVE HEALTH CARE FACILITIES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROTECT PUBLIC SAFETY WHEN ACCESSING REPRODUCTIVE HEALTH CARE FACILITIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that access to reproductive health services is a personal right protected under State and federal law.

This Legislature also finds and determines that the right to express one's views and engage in peaceful demonstration is also a right protected under federal and State law.

This Legislature further finds and determines that some individuals or groups exceed the bounds of their First Amendment right of expression by engaging in physical activities that prevent access to reproductive health care facilities or harass and intimidate individuals trying to access those facilities.

This Legislature finds that individuals seeking to access reproductive health care facilities and the operators of those facilities should be to enter or exit a facility without interference.

This Legislature determines that Suffolk County wants to ensure that all parties' rights – for those seeking access to reproductive health care facilities and those engaging in protected speech near such facilities – are protected.

Therefore, the purpose of this law is to prohibit the obstruction of access to, or interference with the operation of, reproductive health care facilities.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:
"PERSON" shall mean any natural person, individual, not-for-profit organization, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint-stock association or other entity or business organization of any kind.

"PREMISES OF A REPRODUCTIVE HEALTH CARE FACILITY" shall mean the driveway, entrance, entryway, or exit of a reproductive healthcare facility, the building in which such facility is located and any parking lot in which the facility has an ownership or leasehold interest.

"REPRODUCTIVE HEALTH CARE FACILITY" shall mean any building, structure or place, or any portion thereof, at which licensed, certified, or otherwise legally authorized persons provide health care services or health care counseling relating to the human reproductive system.

Section 3. Prohibitions.

A. No person shall knowingly physically obstruct or block another person from entering into or exiting from the premises of a reproductive health care facility by physically striking, shoving, restraining, grabbing or otherwise subjecting a person to unwanted physical contact, or attempt to do the same.

B. No person shall knowingly obstruct or block the premises of a reproductive health care facility, so as to impede access to or from the facility, or attempt to do the same.

C. No person shall knowingly enter or remain on a public way or sidewalk adjacent to a reproductive health care facility within a radius of thirty-five feet of the premises of a reproductive health care facility.

D. No person shall knowingly interfere with the operation of a reproductive health care facility, or attempt to do the same, by activities including, but not limited to, interfering with, or attempting to interfere with, medical procedures being performed at such facility or the delivery of goods to such facility.

Section 4. Penalties.

Any person who violates the provisions of this article shall be guilty of an unclassified misdemeanor punishable by a fine of up to $1,000 and/or up to one year's imprisonment.

Section 5. Civil cause of action.

Where there has been a violation of Section 3 of this law, any person whose ability to access a reproductive health care facility has been interfered with, and any owner or operator of a reproductive health care facility or owner of a building in which such a facility is located, may bring a civil action in any court of competent jurisdiction for any of the following relief: (1) injunctive relief; (2) treble the amount of actual damages suffered as a result of such violation, including, where applicable, damages for pain and suffering, or damages in the amount of five thousand dollars, whichever is greater; and (3) attorneys' fees and costs.
Section 6. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 7. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 8. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 9. Effective Date.

This law shall take effect on the ninetieth (90th) day immediately subsequent to filing in the Office of the Secretary of State.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A LOCAL LAW TO IMPOSE NEW LIMITATIONS ON THE FUTURE EMPLOYMENT OF COUNTY OFFICERS AND EMPLOYEES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on [date], 2011, a proposed local law entitled, "A LOCAL LAW TO IMPOSE NEW LIMITATIONS ON THE FUTURE EMPLOYMENT OF COUNTY OFFICERS AND EMPLOYEES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO IMPOSE NEW LIMITATIONS ON THE FUTURE EMPLOYMENT OF COUNTY OFFICERS AND EMPLOYEES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the public’s trust in government and public institutions is undermined every time it is revealed that the judgment of an elected or appointed official has been compromised by a conflict of interest.

This Legislature also finds that the "revolving door" phenomenon – by which a public official goes to work for a person, firm or corporation that he or she was responsible for regulating or overseeing at the time of their separation from government – is a pervasive practice that erodes public confidence in government.

This Legislature also finds that in the past, some high ranking County officials have left County government to accept employment with entities that did business with the official’s department or agency. Such movement from the public sector to the private sector creates, at the very least, an appearance of self-dealing by the former official and/or a conflict of interest that may have compromised their actions while serving in a public role.

This Legislature determines that the County of Suffolk has enacted post-employment restrictions for its officers and employees but the current law does not adequately address the problems associated with the "revolving door" between government and private enterprise.

Therefore, the purpose of this law is to bar County officers and employees from soliciting, negotiating for or accepting employment with entities that have a contractual relationship with the County when such officer or employee is involved in the award, administration or oversight of such contract.
Section 2. Amendments.

Section A30-5 of the SUFFOLK COUNTY ADMINISTRATIVE CODE is hereby amended as follows:

ARTICLE XXX, Code of Ethics

****

§A30-5. Restrictions on future employment.

****

E. No officer or employee shall solicit, negotiate for or accept employment with any person or business entity which is involved in a contractual relationship with the County while such officer or employee is directly concerned with or personally participating in the award, administration, oversight or performance of such contract on behalf of the County. If an officer or employee is directly concerned with or personally participating in the award, administration, oversight or performance of a contract at the time he or she terminates service or employment with the County, the officer or employee may not accept employment with the person or business entity contracting with the County for a period of one year after separation from the County.

Section 3. Applicability.

This law shall apply to the actions of County officers and employees and former County officers and employees occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.
Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

If an officer or employee is directly concerned with or personally participating in the award, administration, oversight or performance of a contract at the time he or she terminates his or her service of employment with the County, this law provides that the officer or employee may not accept employment with the person or business entity contracting with the County for a period of one year after his or her separation from the County.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. 
-2011, A LOCAL LAW TO PROHIBIT COUNTY ELECTED
OFFICIALS FROM COLLECTING TWO PUBLIC SALARIES

WHEREAS, there was duly presented and introduced to this County Legislature
at a meeting held on , 2011, a proposed local law entitled, "A LOCAL LAW TO
PROHIBIT COUNTY ELECTED OFFICIALS FROM COLLECTING TWO PUBLIC SALARIES"
now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROHIBIT COUNTY ELECTED OFFICIALS
FROM COLLECTING TWO PUBLIC SALARIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that virtually all polling shows that
trust in public institutions and public officials has eroded to historically low levels.

This Legislature also finds that the public's cynicism and distrust is heightened
when the conduct of a public official is compromised by a conflict of interest.

This Legislature also finds that public confidence in government suffers when
officials collect two public salaries simultaneously, the so-called "double-dip".

This Legislature further finds that the County of Suffolk must take all reasonable
actions to restore and rebuild public confidence in County government.

This Legislature further determines that prohibiting County elected officials from
holding paid employment with any other level of government constitutes a good first step in
restoring public confidence as it would reduce the incidence of real and/or perceived conflicts of
interest and prevent double-dipping

Therefore, the purpose of this law is to bar any County elected official from
holding a paid position of employment with any other level of government.

Section 2. Amendments.

Article 30 of the SUFFOLK COUNTY CODE is hereby amended as follows:

ARTICLE XXX, Ethics Commission

* * * *
§ A30-8. Prohibited activities.

***

E. No county-wide elected official or member of the County Legislature shall hold a paid position of employment with any department, office, commission, board or agency of the United States of America, New York State, any town or village government, or any public benefit corporation created under the provisions of New York State law.

***

Section 3. Exceptions.

This law shall not apply to a county-wide elected official or County Legislator who also holds a position as a teacher in a public school district or a professor at a public university or college.

Section 4. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Re: Abandonment of Tax Deed
85 Old Nichols Road, Nesconset, N.Y. 11767
SCTM # 0800-169.00-01.00-009.001

Dear Ms. Greene:

Please see the attached deed, and other correspondence associated with a vacant parcel of property adjacent to Holy Cross Parish, of the Diocese of Rockville Center. This property was erroneously assessed as taxable property, and therefore resulted in an assessment generated by the Town. As a categorically eligible exempt property due to the owner’s status as a bona fide religious corporation, I now request that the County Tax deed be set aside, in accord with the Suffolk county Tax Act.

Further, I ask that this property be reserved, set aside, and not be advanced for auction purposes. Your assistance with this request will be most appreciated.

Sincerely,

John M. Kennedy Jr.

The records of this office indicate that payment of the 2005/06 tax was not made on the above captioned property which is assessed to you on the current tax roll.

The Suffolk County Tax Act permits a period of three years from the date of the tax sale to redeem the sale. If redemption is not effected within this period, the tax sale purchaser is entitled to apply to this office for a tax deed to the property. Suffolk County is the tax sale purchaser from the 2005/06 tax sale.

The three year redemption period from the sale expired on December 08, 2009 and the official notice to redeem was published in the two official newspapers of the County: namely, The Smithtown News, One Brooksite Drive, Smithtown, NY. 11789 and The Smithtown Messenger, 127 E. Main St., Smithtown, NY 11789.

As required by Section 1125, Subd. 1, of the New York State Real Property Tax Law, we are sending you this statement reflecting the amount of $5,317.52 due within 2 weeks of receipt of this letter or the County will take a tax deed to the property. Payments being made by check should be certified funds.

The League for Animal Protection of Huntington, Inc., is a private, not-for-profit, all-volunteer organization based in Huntington. We run a cat shelter in East Northport called Grateful Paw and our volunteers also work with the dogs residing in the Town of Huntington Animal Shelter.

The League would like to hold a fundraising event at Cathedral Pines on May 15, 2011, to benefit our animals. We will be inviting mountain bikers to come ride laps around the trail, putting up $5 for each lap they complete. We will have a table where riders can sign in and ask questions about the fundraiser and/or The League. Refreshments and snacks will be provided to the riders; no alcoholic beverages will be served. There will also be a raffle for gift certificates from local bike shops and we will have merchandise from our shelter available for purchase, such as T-shirts and pet items.

We would like the fundraiser to run from 8am until 12pm, with the gazebo available until 4pm for a barbeque after everyone has finished their rides. We will be asking people to bring food and drinks for the barbeque. The estimated amount of people expected to participate is not more than 50.

Enclosed please find The League’s payment of $150.00 for the permit, a certificate of insurance naming Suffolk County as an additional insured and a copy of the promotional flyer we intend on distributing at local bike shops.

Please call me at 917-834-7456 if you have any questions or comments regarding this fundraising event.

RE: PERMIT FOR WALKATHON AT GARDNER PARK
WEST ISLIP ON MAY 21, 2011

Almost Home is a non-profit animal rescue group, which has rescued and rehomed over
375 dogs and cats in less than 4 years, and has spayed or neutered countless more through
its Training Wheels Program.

In order to continue helping animals find a forever home, feeding, providing dog houses
and medical care for dogs and cats in low income areas on Long Island, Almost Home is
dependent on fundraisers such as this walkathon.

Almost Home hereby requests the use of the Gardiner Park on May 21, 2011 for a
walkathon. Entrants will bring their dogs on leashes to take part in the walkathon. Almost
Home volunteers, experienced in dog behavior and training, always maintain an
organized and safe event, remaining respectful guest of the county parks.

Attached is our tax-exempt form and certificate of insurance. We look forward to hearing
from you with a favorable response.

Sincerely yours,

Marion Skirbe
Board Secretary

INTRODUCER'S MEMORANDUM IN SUPPORT

BILL NUMBER: S4197

SPONSOR: JOHNSON

TITLE OF BILL:
An act to amend the vehicle and traffic law, in relation to authorizing
the county of Suffolk to install and operate traffic-control signal
photo violation-monitoring devices at up to one hundred intersections

PURPOSE:
This legislation seeks to prevent the deaths and injuries caused by
motorists running red lights by expanding Suffolk County's existing
demonstration program by increasing the number of intersections author-
ized to install traffic-control signal photo violation-monitoring
devices from fifty to one hundred.

SUMMARY OF PROVISIONS:
Section one of the bill amends Vehicle and Traffic Law § 1111-b(a)(1) to
increase the number of intersections in Suffolk County at which traff-
ic-control signal photo violation monitoring devices may be installed.
Section two of the bill provides the effective date.

EXISTING LAW:
Suffolk County's traffic-control signal photo violation-monitoring
demonstration program is currently limited to 50 intersections.

JUSTIFICATION:
Red light running accidents are often the worst type of accident; they
tend to involve speed and "right-angle" impacts, which lead to a large
number of bodily injuries and death to motorists, passengers, pedestri-
ans and bicyclists. The extended use of photo violation monitoring
devices has been shown to dramatically reduce the number of red light
violations at the intersections being monitored. By reducing the number
of vehicles running red lights, the likelihood of right angle and pedes-
triian accidents is reduced.

LEGISLATIVE HISTORY:
New bill.

FISCAL IMPLICATIONS:
None.

EFFECTIVE DATE:
This act shall take effect immediately, with provisions.
HOME RULE MESSAGE REQUESTING THE NEW YORK STATE LEGISLATURE TO AMEND CHAPTER 311 OF THE LAWS OF 1920, CONSTITUTING THE SUFFOLK COUNTY TAX ACT, IN RELATION TO THE SALE OF DELINQUENT TAX LIENS ON BROWNFIELDS PROPERTY (ASSEMBLY BILL A. A5554 AND SENATE BILL S. 4229)

WHEREAS, the purpose of Assembly Bill No. A. 5554 and Senate Bill No. S. 4229 is to amend the Suffolk County Tax Act to allow the County to sell tax liens it holds on sites identified as Brownfield sites, because of their past use and/or the presence of known contamination thereon, for less than the value of said liens; and

WHEREAS, there are currently seventy-six parcels, encompassing approximately 215 acres, in Suffolk County with tax liens that are eligible for sale or disposal, for which the County has refrained from taking tax deeds because these parcels have been designated as Brownfields sites, which often have an appraised value of less than the amount of the tax lien and the cost to remediate the property; and

WHEREAS, allowing the County, the option to sell or dispose of the tax liens for less than the outstanding tax due on a Brownfield parcel with the requirement that the buyer will remediate the parcel will promote private developers to acquire the tax liens, invest money to clean up the land, and convert these contaminated non-taxpaying parcels into a productive taxpaying use; and

WHEREAS, legislation has been introduced in the New York State Senate and the New York State Assembly to amend the Suffolk County Tax Act to authorize Suffolk County to sell or dispose of tax liens for less than the outstanding tax due on liens on parcels identified as Brownfields, except Superfund sites, and to require remediation by purchasers, now, therefore be it:

1st RESOLVED, that this Legislature hereby requests the State of New York to enact Assembly Bill No. A. 5554 and Senate Bill No. S. 4229 for the purpose of amending Chapter 311 of the Laws of 1920, constituting the Suffolk County Tax Act, in relation to the sale of delinquent tax liens on Brownfields Property; and be it further

2nd RESOLVED, that the Clerk of this Legislature is hereby directed to forward copies of this Resolution to the Honorable Andrew M. BILL NUMBER: S4229

SPONSOR: MARCELLINO

TITLE OF BILL:
An act to amend the Suffolk county tax act, in relation to the sale of delinquent tax liens on brownfields property

PURPOSE OR GENERAL IDEA OF BILL:
The amendment would allow Suffolk County to sell or dispose of tax liens for less than outstanding tax due on lien on parcels identifies by the County as Brownfields except Super-fund Sites. The sale or disposal of the County tax liens on these parcels will satisfy open real property tax liens and promote the return of these parcels to a productive real property taxpaying use.

SUMMARY OF PROVISIONS:
Adds a new section 46-a which would allow Suffolk County to sell or dispose of tax liens for less than outstanding tax due on lien on parcels Identifies by the County as Brownfields except Superfund sites. The sale or disposal of the County tax liens on these parcels will satisfy open real property tax liens and promote the return of these parcels to a productive real property taxpaying use.

JUSTIFICATION:
Suffolk County acquires an interest and, in most instances, take title by tax deed to real property for non-payment of taxes. However, the County has decided not to take title for non-payment of real property taxes on parcels identified as Brownfields. A parcel is identified as a Brownfield site as a result of its past use and/or the presence of known contamination on the site.

In many instances, the tax liens held by the County on Brownfield parcels and the cost to remediate the property are, in most instances, in excess of the appraised value of the property assuming the site is without contamination. Allowing the County, the option to sell or dispose of the tax liens for less than the outstanding tax due on a Brownfield parcel with the requirement that the buyer will remediate the parcel will promote private developers to acquire the tax liens, invest money to clean up the land, and convert these contaminated non-taxpaying parcels into productive tax paying use.

The Suffolk County Treasurer currently lists seventy-six parcels with tax liens that are eligible for sale or disposal that the County has been reluctant to take a tax deed due to the presence of contamination on the property. The seventy-six parcels include approximately 215 acres of potentially contaminated, under utilized land that would be remediated and restored to the tax rolls if the tax lien on the property could be sold or transferred to a private developer.
PRIOR LEGISLATIVE HISTORY:
2009-10: A.5995-A

FISCAL IMPLICATIONS:
The amendment would have a long-term benefit to the taxpayers by returning these parcels, which are non-producing tax revenue, to productive, tax paying use.

EFFECTIVE DATE:
This act shall take immediately.

NEW YORK STATE SENATE
INTRODUCER'S MEMORANDUM IN SUPPORT
submitted in accordance with Senate Rule VI. Sec 1

BILL NUMBER: S4196

SPONSOR: JOHNSON

TITLE OF BILL:
An act to amend the tax law, in relation to extending the authority of
the county of Suffolk to impose an additional one percent of sales and
compensating use tax

PURPOSE:
To reauthorize Suffolk County's additional 1% sales tax for a two-year
period ending on November 30, 2013.

SUMMARY OF PROVISIONS:
The bill amends the Tax Law to extend Suffolk County's authorization to
impose an additional 1% sales tax until November 30, 2013.

JUSTIFICATION:
Currently, a county must secure state legislative approval each time it
seeks to impose a sales tax rate above 3%. The State Legislature grants
that authority to a county for a set period of time, usually one or two
years. A county must then seek reauthorization from the State Legisla-
ture if the tax rate is to remain above the 3% limit.

The county's additional 1% sales tax remains a critical component of
Suffolk County's daily operations. The importance of extending the 1%
cannot be overstated. Each 1% produces approximately $263,000,000 in
revenue. In fact, in 2011 the county's sales tax is projected to repre-
sent 53% of the general fund revenues. In addition, up to 3/8 of the 1%
sales tax is applied to police operations. If the county does not
receive this funding and property taxes are not raised, public safety
could be jeopardized should the County need to reduce staff.

Counties are the primary providers of health and human services in New
York State. This role has evolved over the years as New York expanded
and adopted new programs and services, requiring counties to administer
and finance them. Although Suffolk County has made tremendous progress
in managing its share of mandated expenses, the dramatic growth of these
programs over the past several years has placed an extraordinary strain
on the County's Budget. Some of the most costly mandated programs for
Suffolk County in 2011 will include the following:

o Gross mandated costs are projected to be approximately $1,108,693,148
  in 2011;

o Mandated costs associated with the Education of Handicapped Children
  Program are projected to increase from $163,170,000 in 2009 to
  $168,070,000 in 2011;
Mandated costs of programs provided by the Department of Social Services are projected to increase from $392,786,709 in 2009 to $456,332,257 in 2011.

Health care costs continue to rise at an alarming rate. Each year, the cost of providing medical services rises significantly above the cost of living. These increases have a dramatic effect on contracted health services provided to the 47,000 Suffolk County employees, retirees and dependents. The increase is highlighted by the following:

- Gross employee medical and health expenditures are projected to increase from an actual $252,035,000 in 2009 to a projected $309,093,267 in 2011. This is a projected $57 million increase in expenditures.

In order to finance state and federal programs, counties have two basic revenue options: real property taxes or sales tax. Both revenue sources create problems for residents and businesses. However, the property tax is by far the least favored among taxpayers. While real property taxes overall remain significantly higher in Suffolk County than the rest of the nation, the County has been able to hold the line on its portion of the property tax. In order to replace the 1% of revenue generated by the sales tax, 2011 General Fund property taxes would have to increase from $49 million to $312 million - an increase of more than 600%.

Stated another way, if the 1% was not continued and property taxes were not increased, the County would be forced to cut the entire $263 million from the discretionary side of the budget. This would equate to the loss of more than 5,100 jobs, more than 77% of the current AME workforce.

LEGISLATIVE HISTORY:
New York State last granted authorization for Suffolk County to renew this component of the sales tax through Chapter 283 of the Laws of 2009.

FISCAL IMPLICATIONS:
None to state.

LOCAL FISCAL IMPLICATIONS:
Anticipated $263 million in revenue for Suffolk County.

EFFECTIVE DATE:
This act shall take effect immediately.
