WHEREAS, the Office of Legislative Budget Review should examine the short- and long-term impacts of changing the fee structure on the motor fuel facility industry in Suffolk County and present their findings to the County Legislature to provide a fuller understanding of the effect of these proposed changes; now, therefore be it

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A LOCAL LAW TO INCREASE THE TIME ANIMAL ABUSE OFFENDERS MUST REMAIN ON THE COUNTY'S ANIMAL ABUSE OFFENDERS REGISTRY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011, a proposed local law entitled, "A LOCAL LAW TO INCREASE THE TIME ANIMAL ABUSE OFFENDERS MUST REMAIN ON THE COUNTY'S ANIMAL ABUSE OFFENDERS REGISTRY" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO INCREASE THE TIME ANIMAL ABUSE OFFENDERS MUST REMAIN ON THE COUNTY'S ANIMAL ABUSE OFFENDERS REGISTRY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that in 2010, the County of Suffolk established the first registry for animal abuse offenders in the United States.

This Legislature also finds and determines that the Suffolk County Animal Abuse Offenders Registry currently requires all individuals convicted of specified crimes against animals to register for a period of five years following their conviction.

This Legislature further finds and determines that studies have shown that individuals who abuse animals are more likely to commit violent acts against persons, including children, as well.

This Legislature finds that concerns have been raised that having a five year registration period may be insufficient to monitor animal abuse offenders who may be a risk not only to animals, but to people in the community.

This Legislature determines that the length of time animal abuse offenders remain on the registry should be extended from five years to ten years in the interest of protecting our communities.

Therefore, the purpose of this law is to extend the time animal abuse offenders must remain on the registry from five years to ten years.

Section 2. Amendments.

Section 207-28 of the SUFFOLK COUNTY CODE is hereby amended as follows:
Chapter 207, ANIMALS

***

ARTICLE IV, Animal Abuse Offenders Registry.

***

***

D. Each person required to register with Suffolk County shall remain on the Animal Abuse Registry for five years following his or her release from incarceration or the date judgment was rendered, whichever is later. Registered persons who are convicted of subsequent animal abuse crimes shall remain on the registry for [five] ten years following their most recent conviction.

***

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.
Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Subject: REQUEST FOR LEGISLATIVE RESOLUTION:
Accepting 100% grant funding for the Child Care Council of Suffolk, Inc.

I am requesting that the attached legislative resolution be submitted to the Suffolk County Legislature:

"ACCEPTING AND APPROPRIATING 100% GRANT FUNDS FROM THE NEW YORK STATE OFFICE OF CHILDREN AND FAMILY SERVICES (OCFS) TO THE SUFFOLK COUNTY DEPARTMENT OF SOCIAL SERVICES FOR THE CHILD CARE COUNCIL OF SUFFOLK, INC. FOR THE DAY CARE REGISTRATION AND INSPECTION CONTRACT"

The NYS OCFS has awarded the Suffolk County Department of Social Services 100% grant funds for the Child Care Council of Suffolk, Inc., in the amount of $1,033,079. Since the Suffolk County Department of Social Services staff no longer provide any ancillary services in support of the Child Care Council's Day Care Registration and Inspection Program, the Department is passing through the entire amount to the Child Care Council of Suffolk, Inc. thus increasing their award from $986,153.00 to $1,033,079. This $46,926 increase in funding will enable the Child Care Council of Suffolk, Inc to expand their office space thereby improving program efficiency.

Attached please find the above referenced resolution, the introduction form (SCIN Form 175a), and the fiscal impact statement (SCIN Form 175b), the grant approval letter and related back-up material.

To be completed by the Executive Budget Office
October 10, 2010

Commissioner Gregory J. Blass
Thomas Contegni, Director
Suffolk County Department of Social Services
3085 Veterans Memorial Highway
Ronkonkoma, New York 11779

Dear Commissioner Blass:

The New York State Office of Children and Family Services ("OCFS") through the Division of Child Care Services ("DCCS") is pleased to inform you of the OCFS intentions to renew the Memorandum of Understanding (MOU) for your Local Department of Social Services, (LDSS) 2011 Day Care Registration and Inspection program. This letter serves to provide you with the funding level for calendar year 2011. The MOU documents included in the email attachments that accompany this letter will provide your agency with the necessary information to complete the 2011-Day Care Registration and Inspection Project electronic application. Please complete all documents in the electronic application and submit the documents electronically to Diane Miller DCCS program manager at av3710@dfa.state.ny.us Please be advised that the signature of an authorized LDSS representative will only be required at the time that your agency receives the hard copies of the MOU from your contract manager for review and approval.

The disbursement of funding for your registration contract is described below:

New MOU Period: January 1, 2011 to December 31, 2011
Maximum Funding Available: $1,033,079.00

Please take note that DCCS is currently reviewing the 2011 registration performance standards to see if any updates are needed. Once this is completed within the next few weeks we will forward both the Appendix C and Appendix C-1 to you as well for your review. This should not however stop your completion and submission of your 2011 registration renewal package. This year the registration MOU electronic application includes your 2011 Appendix D (application pages) and the 2011 simplified budget(s).

The LDSS Districts that utilize a subcontractor to conduct the Day Care Registration and Inspection services will have included in their electronic application an additional subcontractor budget that also needs to be completed. The subcontractor’s budget if applicable should be included in your completed electronic application package prior to submitting the 2011 application to both the DCCS Regional Office
Manager and the DCCS contract manager for review. DCCS has included your agency’s prior budget(s) in your agency’s 2011 electronic application. The previously completed budget(s) documents are an attempt to save you time. Updating the budget(s) rather than having to re-enter all the information should expedite the process. DCCS has entered the 2011 dates into the Day Care Registration application and budget(s) pages for you. If you would prefer new blank attachments please contact your DCCS contract manager.

Please be reminded where applicable the LDSS, as the contractor, is responsible for the day care registration and inspection project. Therefore it is required that LDSS if they utilize a subcontractor to perform the Registration services on their behalf; include in their subcontractor’s agreement the standard performance levels of the registration MOU found in Appendix C-1. It is required that a signed copy of the subcontractor’s agreement must be provided at the time of renewal each year to the appropriate DCCS Regional Office Manager. In addition, if the LDSS utilizes a subcontractor to conduct the Day Care Registration services, it is essential that the subcontract agreement contain the same rules of confidentiality and professional conduct that are required of all registration staff in the LDSS and the DCCS Regional Offices. DCCS is also requesting that the 2011 subcontract agreements include the following statement: It is important to note that during the Day Care Registration and Inspection contract period training will be conducted and attendance is required as determined by the OCFS DCCS Regional Office. Again if your county utilizes a sub-contractor to provide the registration services please provide to the Regional Office a signed copy of the sub contract agreement.

As it is the legal responsibility of the contractor, LDSS to provide supervision and oversight for the Day Care Registration and Inspection Project, DCCS requires that for each renewal year LDSS identify a designate/liaison for the Day Care Registration and Inspection Project. It is a requirement that the LDSS staff person is employed at a professional level. Therefore it is necessary to provide your region’s DCCS Regional Office with the name of the current LDSS registration staff person responsible for the monitoring of the registration activities.

The Appendix C-1 performance standards include the requirement that the contractor maintain identified staffing levels that are necessary to conduct the registration activities and that there be specific designated staff conducting the registration activities. Therefore all registration staff must be identified, by name, as well as their percent of time scheduled for the registration project; this information will be recorded on the personnel page of the budget format. It is a project requirement that at the beginning of each MOU renewal term that the registration staffing plans, which would include staff resumes, must be submitted to the DCCS Regional Office for review and approval. The staffing levels are also reviewed and updated quarterly on the Summary of Quarterly Registration Review Report by the DCCS Regional Office. If any staffing requirements are not satisfactorily met, there will be a reduction of the quarterly performance payment as described in the Registration MOU Appendix C-1.

The performance based claiming process provides quarterly payments for the registration and inspection services upon verification of the standard performance levels being met. Therefore at the end of each quarter, a voucher must be submitted to your
DCCS Regional Office. The appropriate DCCS Regional Office Manager, after completing a Summary of Quarterly Registration Review Report, will attach their completed and signed quarterly registration report to the quarterly standard voucher submitted by the LDSS. The DCCS Regional Office report will specify if a full quarterly payment will be allocated. If a performance standard is not met a payment reduction percentage must be applied as established in the Appendix-C-1. A copy of the completed signed Summary of Quarterly Registration Review Report will be provided to the LDSS contractor and where applicable the subcontractor. This documentation and voucher will also be forwarded to the Registration Contract Manager at DCCS Central Office for the processing of the quarterly payment.

Please be assured that all efforts that you are able to make to submit your completed registration packages electronically by **October 27, 2010** will be greatly appreciated. It is essential to take into consideration that the MOU processing time frame remains at a two-month minimum from the time that the MOU and budget are reviewed and approved by DCCS. Obviously the sooner your registration renewal package is returned to your DCCS Regional Office Manager and your contact manager, the sooner we can begin the review and approval process, your contribution in this process cannot be overstated.

Please contact the following Contract Managers with any questions or concerns:

Kevin Helems at AD8338@dfa.state.ny.us phone number (518) 402-6860 or
Kathy Pierone at Ty3532@dfa.state.ny.us phone number (518) 402-6771

Again please email a copy of your completed electronic registration renewal documents directly to my attention, Diane Miller at av3710@dfa.state.ny.us phone number (518) 474-9614

Thank you for your continued partnership and your commitment to the children and families in New York State.

Dear Mr. Levy:

I am pleased to announce that the NYS Division of Homeland Security and Emergency Services (DHSES) is awarding Suffolk County and its regional partnership $108,874, under the FY2010 HazMat Grant Program. Funding for this initiative is provided by the federal Department of Homeland Security’s State Homeland Security Program (SHSP).

We hope to collaborate with you as you develop HazMat assessment and typing standards as your work in this area may lead to statewide standards. Within four months of the date of this award letter, Suffolk County and its regional partners must develop and sign a Regional Partnership Agreement (RPA) to consummate the regional HazMat partnership developed through this grant program. To assist in this process, a RPA template is enclosed.

A representative from DHSES’s Federal Grant Program Administration Unit will be reaching out to your grant point of contact shortly. If you have any questions about this program, please contact Mr. Tony Pesce at (518) 485-0137.

Congratulations on your award! We look forward to working with you to administer this program.

Sincerely,

The Department of FRES will utilize the funding to partner with the Suffolk County Police Department to develop a HazMat Comprehensive Assessment and Typing Standards (CATS) Methodology that will allow HazMat teams to assess their capabilities, adequately type the team, assess training and equipment needs, document the SEL by typing, and ultimately develop a plan to adequately maintain or increase their typing. Such title company must be a Member of the New York Board of Title Underwriters, and shall be on the approved list of title companies authorized by contract to do business with the COUNTY OF SUFFOLK.

9. All sums paid on account of this Contract, if any, and the reasonable expenses of the examination of the title to said premises and of the survey, if any, made in connection therewith are hereby made liens on said premises, but such liens shall not continue after default by the PURCHASER under this contract.

10. The amount of any unpaid taxes, assessments, water charges and sewer rents which the SELLER is obligated to pay and discharge on the Premises, with the interest and penalties thereon to a date not less than two business days after the date of closing title, may at the option of the SELLER be allowed to the PURCHASERS out of the balance of the purchase price, provided official bills therefore with interest and penalties thereon figured to said date are furnished by the SELLER at the closing.

11. If at the date of closing there may be any other liens or encumbrances which the SELLER is obligated to pay and discharge on the premises, the SELLER may use any portion of the balance of the purchase price to satisfy the same, provided the SELLER shall simultaneously
either deliver to the PURCHASERS at the closing of title instruments in recordable form and sufficient to satisfy such liens and encumbrances of record together with the cost of recording or filing said instruments; or, provided that the SELLER has made arrangements with the title company employed by the PURCHASERS in advance of closing, whereby SELLER will deposit with said company sufficient monies, acceptable to and required by it to insure obtaining and the recording of such satisfactions and the issuance of title insurance to the purchaser either free of any such liens and encumbrances, or with insurance against enforcement of same out of the insured premises. The PURCHASERS, if request is made within a reasonable time prior to the date of closing of title, agree to provide at the closing separate checks as requested, aggregating the amount of the balance of the purchase price, to facilitate the satisfaction of any such liens or encumbrances. The existence of any such taxes or other liens and encumbrances shall not be deemed objections to title if the SELLER shall comply with the foregoing requirements.

12. If a search of the title discloses judgments, bankruptcies or other returns against other persons having names the same as or similar to that of the SELLER, the SELLER will on request deliver to the PURCHASERS an affidavit showing that such judgments, bankruptcies or other returns are not against the SELLER, however, if such returns are against the SELLER and can be satisfied by the payment of money only, the SELLER will cause such judgments, bankruptcies or other return(s) to be cleared to the satisfaction of PURCHASERS title company and/or the County Attorney, up to the amount of $1,000,000.00.

13. The deed shall be delivered and the closing shall occur at the offices of Christine Malafi, Suffolk County Attorney, H. Lee Dennison Building, 100 Veterans Memorial Highway, P.O. In the event that the closing has not occurred by September 30, 2011 for any reason other than SELLERS’ default, the SELLER shall have the right to elect to cancel this Contract at any time thereafter upon thirty (30) days written notice to the PURCHASERS, and in the event that the closing does not occur on or before the expiration of the thirty (30) day period, other than by reason, of the SELLERS ‘default, this Contract shall terminate, end and expire and none of the parties to this Contract shall have any further rights, obligations or liabilities against or to the other by reason of this Contract.

14. The parties agree that no broker brought about this sale and each of the parties agrees to hold the other harmless and indemnify the other for any claims by any brokers with whom it has dealt for broker’s commissions arising out of this transaction.

15. It is understood and agreed that all discussions, negotiations, understandings and agreements heretofore had between the parties hereto are merged in this Contract, which alone fully and completely expresses their agreement, and that the same is entered into after full investigation, neither party relying upon any statement or representation, not embodied in this contract, made by the other.
16. As previously set forth in paragraph 2(a) of this Agreement, the purchase price of EIGHT MILLION SIX HUNDRED SIXTY-TWO THOUSAND FIVE HUNDRED FIFTY and 00/100 DOLLARS, more or less ($8,662,550.00), is based on the assumption that the Premises contain 133.27± acres to be conveyed at the agreed upon price of SIXTY-FIVE THOUSAND and 00/100 DOLLARS ($65,000.00), per acre. The price will be adjusted to the actual acreage to be determined by a survey, as set forth hereafter. Within sixty (60) days from the date of the COUNTY OF SUFFOLK’S receipt of a contract properly executed by the SELLER and the TOWN OF RIVERHEAD, the PURCHASERS shall have the Premises surveyed by a professional engineer or licensed land surveyor of PURCHASERS selection at its sole cost and expense and shall provide a copy of such survey to the Seller, together with a statement from the PURCHASERS indicating the Total Acreage of the Premises as established by the PURCHASERS survey. If the SELLER disagrees with the Total Acreage as set forth in the PURCHASERS survey, the SELLER shall, within thirty (30) days of its receipt of the PURCHASERS survey, provide to the PURCHASER its own survey and a statement of the Total Acreage of the Premises and the SELLER’S determination of the Purchase Price based upon the Per Acre Price. In the event the two surveys differ, the SELLER’S surveyor and the PURCHASERS surveyor shall confer and unless the two surveyors have agreed, in writing, to the Total Acreage of the Property within ten (10) days from the date SELLER’S survey is delivered to PURCHASER, they shall within ten (10) days after such ten (10) day period select a third surveyor/engineer to review the surveys and/or survey the Premises independently as such surveyor/engineer may deem appropriate, and the determination of the Total Acreage made by the third surveyor/engineer shall be final and binding upon the parties. The costs and expenses of such third surveyor/engineer shall be borne equally between the parties.

17. The SELLER herein agrees to comply with all disclosure requirements as imposed upon the COUNTY OF SUFFOLK through the various and several local laws and resolutions as enacted by the Suffolk County Legislature.

18. The SELLER further agrees to file and execute all affidavits, documents and vouchers as required by said local laws of the County of Suffolk, rules, regulations, ordinances, statutes and resolutions of the Suffolk County Legislature. This requirement shall survive the closing of title and delivery of the deed.

19. The SELLER represents that to the best of SELLER’S knowledge and without any inquiry or investigation by the SELLER, the premises are undeveloped woodlands and vacant space which contain various drainage structures. 22. These representations and warranties contained in paragraphs 19, 20, 21, and 23 shall survive the closing, shall be binding upon SELLER and their successors and assigns, and shall inure to the benefit of PURCHASERS and their successors and assigns.

Upon such refund and payment, this contract shall be considered canceled, and neither the SELLER nor PURCHASERS shall have any further rights against the other.

During the Inspection Period, PURCHASERS shall have the right to make such environmental audits and inspections at the sole cost and expense of the PURCHASERS for the purpose of determining the existence of any Hazardous Substance (as hereinbefore defined) on or under the Premises in violation of any Environmental Laws (as hereinbefore defined). PURCHASERS understand and agree that any on-site inspections and examinations of the Premises shall be conducted upon reasonable prior notice to SELLER, and SELLER or its representative shall be permitted to be present. PURCHASERS agree to indemnify against and hold SELLER harmless from any claim or mechanics' liens for the cost and expenses arising out of or resulting from the inspection of the Premises by PURCHASERS or their agents, and notwithstanding anything to the contrary in this Contract, such obligation to indemnify and hold harmless SELLER shall survive Closing or any termination of this Contract. All inspections and examinations shall occur at reasonable times and shall be conducted so as not to interfere unreasonably with use of the Premises by SELLER. For the purposes of this Contract, "Environmental Laws" mean all federal, state and local environmental, land use, zoning, health, chemical use, safety and sanitation laws, statutes, ordinances and codes relating to the protection, preservation or remediation of the Environment and/or governing the use, storage, treatment, generation, transportation, processing, handling, production or disposal of Hazardous Substances and the rules, regulations, written and published policies, guidelines, decisions, orders and directives of federal, state and local governmental agencies and authorities with respect thereto. SELLER shall either remEDIATE the Premises, at SELLER’S sole cost and expense, to the satisfaction of the PURCHASERS or, in the alternative, elect to cancel this Contract by sending written notice to the PURCHASERS within twenty (20) days of SELLER’S receipt of the PURCHASERS notice of the results of the environmental report. If the SELLER elects to cancel under this provision, this Contract shall
terminate, end and expire and none of the parties to this Contract shall have any further rights, obligations or liabilities against or to the other by reason of this Contract;

(t) Suffolk County Administrative Code Section A42-4 (N) which states, in effect, that transfer of title to this parcel or interest therein shall take place within two years after the effective date of the County resolution authorizing acquisition of the same;

(g) compliance with Chapter 712 of the Suffolk County Regulatory Local Laws as amended by resolution No. 626-2004 and further as the same may be amended and/or superseded;

(h) Intentionally deleted;

(i) the passage of a resolution by the Suffolk County Legislature authorizing the COUNTY OF SUFFOLK'S acquisition of the Premises;

(j) the COUNTY OF SUFFOLK obtaining and receiving the necessary funding for this acquisition. In the event said funding is not received the COUNTY OF SUFFOLK shall terminate this Contract and thereafter neither party shall have any further rights against or obligations to the other by reason of this agreement; and

(k) the parties acknowledge that concurrently herewith, the PURCHASERS herein are entering into a contract to purchase 172.90± acres of land on an adjacent parcel owned by North Fork Preserve, Inc., however, notwithstanding anything in this Contract to the contrary, it is agreed that this Contract and the contract with North Fork Preserve, Inc., are independent and separate agreements and any cancelation or termination of either contract or the failure of title to close under either contract for any reason whatsoever, shall not negate nor in any way diminish, the validity and enforceability of the other contract and the parties' rights and obligations thereunder.

27A. That portion of the Premises designated as Parcel A is being acquired by the COUNTY OF SUFFOLK pursuant to Chapter XII of the Suffolk County Charter for open space under the Suffolk County Drinking Water Protection Program, as amended and effective December 1, 2007. As set forth in §C12-2(A)(2)(c) the COUNTY OF SUFFOLK reserves the right to dedicate and transfer development rights from that portion of the the Premises to hold for use for the sole purpose of providing workforce housing as defined in Article XXXVI of the Suffolk County Administrative Code. In the event that the COUNTY OF SUFFOLK elects to dedicate and transfer the development rights to that portion of the Premises acquired herein, then said dedication and transfer shall be consistent with Resolution No. 412-2005 Promoting Workforce Housing by Adopting a Transfer of Development Rights Implementation Plan. Accordingly, the Premises will not be developed and the Workforce Housing Development Rights ("WHDR(s)") shall be removed and banked in the Workforce Housing Transfer of Development Rights Program Registry. Pursuant thereto, that portion of the Premises designated as Parcel A shall be permanently sterilized by a legal covenant and must remain as open space in the Suffolk County inventory, and appropriate language shall be added to the deed indicating that the development rights are severed, for workforce housing purposes, and the number of said rights shall be stated therein.
28. This transaction, including, but not limited to the closing thereof, is further subject to the following:

(a) (1) Payment by the COUNTY OF SUFFOLK of ninety percent (90%) of the purchase price allocated to the acquisition of that portion of the Premises designated as Parcel B, and payment of the costs of the survey, appraisal, environmental audit, title insurance, and tax adjustments as of the date of closing, and taxes prior to exemption, if any; and

(2) Payment by the TOWN OF RIVERHEAD of the remaining ten percent (10%) of the purchase price allocated to the acquisition of that portion of the Premises designated as Parcel B; and

(b) The COUNTY OF SUFFOLK and TOWN OF RIVERHEAD entering into a municipal cooperation agreement, for the management of that portion of the Premises designated as Parcel B, and the terms and conditions thereof shall be approved by the Suffolk County Attorney in consultation with the Commissioner of the County Department of Parks, Recreation and Conservation, who is charged with the management and operation of said Parcel B; and

(c) (1) A resolution of the Suffolk County Legislature authorizing the acquisition of that portion of the Premises designated as Parcel B under Article XII of the Suffolk County Charter, as amended and effective December 1, 2007, for active parkland purposes pursuant to §C12-2(A)(1)(i), authorizing the COUNTY OF SUFFOLK’S ninety percent (90%) participation therein, authorizing the TOWN OF RIVERHEAD’S acquisition of the remaining ten percent (10%) thereof, authorizing the sharing of title, as appropriate, with them, and providing for a municipal cooperation agreement with the TOWN OF RIVERHEAD; and

(2) A resolution of the Town Board of the TOWN OF RIVERHEAD authorizing the acquisition of that portion of the Premises designated as Parcel B, authorizing the TOWN OF RIVERHEAD’S ten percent (10%) participation therein, authorizing the sharing of title with the COUNTY OF SUFFOLK, as appropriate, and providing for a municipal cooperation agreement, with the COUNTY OF SUFFOLK.

Each of the provisions of this paragraph shall survive the closing of title.

29. At the closing of title hereunder, if the SELLER is not a foreign person as that term is defined in Internal Revenue Service Code 1445(f)(3) and the regulations issued therein, SELLER shall deliver to PURCHASERS a non-foreign affidavit. In the event that the SELLER are such a foreign person, or in the event that PURCHASERS have actual knowledge that the non-foreign affidavit is false, then PURCHASERS shall deduct, withhold and deliver to the Internal Revenue Service a tax equal to ten (10%) per cent of the purchase price of such amount as has been provided for in a Treasury Department qualifying statement.

30. New York State Tax Law, Section 663, effective September 1, 2003, provides that non-resident individuals selling real property located in New York, except a principal residence,
as that term is defined in the Internal Revenue Code, 26 U.S.C. Section 121, along with two
other exceptions, requires that the SELLER file a return and pay their estimated "personal
income tax liability on the gain, if any, from such sale or transfer." Said section also states that
no deed shall be recorded by any recording officer absent such a certification by the
commissioner or a certification by the transferor that this section is inapplicable to the sale or
transfer. SELLER agrees to comply with New York State Tax Law, Section 663, and further
agree to provide the appropriate certification, accordingly, as a condition of closing. The
provisions of this paragraph shall survive the delivery of any instrument of conveyance pursuant
to this agreement.

31. In the event that any errors or omissions are made in computing the purchase
price, apportionments and/or other adjustments that are made at closing, same shall be corrected
within a reasonable time following the closing, upon a written request from either party. The
provisions of this paragraph shall survive the closing and the delivery of any instrument of
conveyance issued pursuant to this Agreement.

32. The parties to this Agreement hereby certify that, other than the funds provided in
this Agreement, the contract with North Fork Preserve, Inc. and other valid Agreements with the
County, there is no known personal, business, commercial, professional, economic, or financial
relationship between the parties, the signatories to this Agreement, and any partners, members,
directors, or shareholders of more than five per cent (5%) of any party to this Agreement.

33. This Agreement may not be changed or terminated orally. The aforesaid
stipulations are to apply to and bind the heirs, executors, administrators, successors and assigns
of the respective parties.

34. If two or more persons constitute either the SELLER or the PURCHASER, the
word "SELLER" or the word "PURCHASER" shall be construed as if it read "SELLERS" or
"PURCHASERS" whenever the sense of this agreement so requires.

35. At Closing, PURCHASERS shall:

(a) pay to SELLER the full amount of the Purchase Price;

(b) deliver to SELLER resolutions authorizing PURCHASERS to acquire the
Property as herein contemplated and to execute and deliver any and all
instruments necessary to effectuate said conveyance; and

(c) deliver such additional documents as shall be reasonably required to
consummate the transaction contemplated by this Agreement.

36. SELLER shall pay (a) the fees of any counsel representing it in connection with
this transaction and (b) any transfer tax, documentary stamp tax or similar tax which becomes
payable by reason of the transfer of the Property, imposed on this transaction, if any.
PURCHASERS shall pay (c) the fees of any counsel representing PURCHASERS in connection
with this transaction; (d) the fee for the title examination and the Title Report and the premium
for the Owner's Policy of Title Insurance to be issued to PURCHASERS by the Title Company
at Closing; (e) the cost of the Survey, subject to paragraph 16; and (f) the fees for recording the deed conveying the Premises to PURCHASERS, if any. All other costs and expenses incident to this transaction and the closing thereof shall be paid by the party incurring same.

37. Except as otherwise provided in this Contract, no representations, warranties, covenants or other obligations of SELLER set forth in this Contract shall survive the Closing, and no action based thereon shall be commenced after the Closing.

38. The delivery of the deed by SELLER, and the acceptance thereof by PURCHASERS, shall be deemed the full performance and discharge of every obligation on the part of SELLER to be performed hereunder, except those obligations of SELLER which are expressly stated in this contract to survive the Closing.

39. PURCHASERS shall not assign this Contract or any of their rights hereunder without the prior written consent of SELLER which may be given or withheld by SELLER for any or no reason. No permitted assignment of PURCHASERS rights under this Contract shall be effective against SELLER unless and until an executed counterpart of the instrument of assignment shall have been delivered to SELLER and SELLER shall have been furnished with the name and address of the assignee. The term "Purchaser" shall be deemed to include the assignee under any such effective assignment.

40. Any notice pursuant to this Agreement shall be given in writing by (a) personal delivery, or (b) reputable overnight delivery service with proof of delivery, or (c) United States Mail, postage prepaid, registered or certified mail, return receipt requested, or (d) legible facsimile transmission sent to the intended addressee at the address set forth below, or to such other address or to the attention of such other person as the addressee shall have designated by written notice sent in accordance herewith, and shall be deemed to have been given either at the time of personal delivery, or, in the case of expedited delivery service or mail, as of the date of first attempted delivery at the address and in the manner provided herein, or, in the case of facsimile transmission, as of the date of the facsimile transmission provided that an original of such facsimile is also sent to the intended addressee by means described in clauses (a), (b) or (c) above. 41. The provisions of this Agreement and of the documents to be executed and
delivered at Closing are and will be for the benefit of SELLER and PURCHASERS only and are
not for the benefit of any third party (which third parties shall include, without limitation, the
Title Company), and accordingly, no third party shall have the right to enforce the provisions of
this Agreement or of the documents to be executed and delivered at Closing.

42. If PURCHASERS default under this Contract and fail to close in accordance
with the provisions hereof, the SELLER shall be entitled to any and all rights and remedies
available at law or in equity including, but not limited to specific performance.

43. Each party agrees that it will without further consideration execute and deliver
such other documents and take such other action, whether prior or subsequent to Closing, as may
be reasonably requested by the other party to consummate more effectively the purposes or
subject matter of this Agreement. Without limiting the generality of the foregoing,
PURCHASERS shall, if requested by SELLER, execute acknowledgments of receipt with
respect to any materials delivered by SELLER to PURCHASERS with respect to the Premises.
The provisions of this Section 43 shall survive Closing.

44. If any provision of this Agreement is determined by a court of competent
jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall nonetheless
remain in full force and effect.

45. This Agreement is performable in the state of New York and shall in all respects
be governed by, and construed in accordance with, the substantive federal laws of the United
States and the laws of New York State. SELLER and PURCHASERS hereby irrevocably and
exclusively submit to the jurisdiction of any New York State Court located in the County of
Suffolk or the Federal District Court for the Eastern District of New York located in Central
Islip, in any action or proceeding arising out of or relating to this contract and hereby irrevocably
agree that all claims in respect of such action or proceeding shall only be heard, tried and
determined in such courts. PURCHASERS and SELLER agree that the provisions of this
Section 45 shall survive the Closing of the transaction contemplated by this Agreement.

46. PURCHASERS shall promptly order an examination of title and shall cause a copy
of the title report ("Title Commitment") to be forwarded to SELLER'S attorney upon completion
and shall notify SELLER, in writing, of such objections as PURCHASER may have to anything
contained in the Title Commitment or the Survey. SELLER shall have the right, but not the
obligation (except for the payment of money to cure and liens or mortgages to the extent required
pursuant to paragraph 12 hereof), to cure such objections and, if SELLER elects to attempt to
cure, SELLER shall have until the date of Closing to attempt to remove, satisfy or cure the same
and for this purpose SELLER shall be entitled to a reasonable adjournment of the Closing if
additional time is required, but in no event shall the adjournment exceed sixty (60) days after the outside date for Closing set forth in Section 13 hereof. If SELLER elects not to cure any objections specified in PURCHASERS notice, or if SELLER is unable to effect a cure prior to the Closing (or any date to which the Closing has been adjourned), SELLER shall notify PURCHASERS of same, in writing, and PURCHASERS shall thereafter have the following options: (i) to accept a conveyance of the Premises subject to any matter objected to by PURCHASERS which SELLER is unwilling or unable to cure, and without reduction of the Purchase Price; or (ii) to terminate this contract by sending written notice thereof to SELLER, and upon delivery of such notice of termination and SELLERS’ payment to PURCHASERS of the charges set forth in paragraph 26, this contract shall terminate and thereafter neither party hereto shall have any further rights, obligations or liabilities hereunder. If SELLER notifies PURCHASERS, in writing, that SELLER does not intend to attempt to cure any title objection; or if, having commenced attempts to cure any objection, SELLER later notifies PURCHASERS, in writing, that SELLER will be unable to effect a cure thereof; PURCHASERS shall, within thirty (30) days after such written notice has been given, notify SELLER in writing whether PURCHASERS shall elect to accept the conveyance under clause (i) or to terminate this Agreement under clause (ii) of this section.
IN WITNESS WHEREOF, this Agreement has been duly executed by the parties hereto.

Summary Description of Project

The Suffolk County Coalition Against Domestic Violence (SCCADV) has been providing advocacy services in all seven Suffolk County Police Precincts since 1989. The project provides two advocates in each of the seven precincts covering six evenings per week. Precinct Advocates provide victims with services such as crisis intervention, information on rights and options, safety assessments and safety planning, information and referrals to other services including court accompaniment the following day to obtain orders of protection. The project has proven successful as the advocates and police officers work together to provide victims with a well rounded service plan directly at the Precinct level. As part of the project, SCCADV employs a full time Victims Advocate who works with the Suffolk County Police Department Domestic Violence and Elder Abuse Unit reaching out to victims of reported felony criminal contempt charges and providing victims with court accompaniment. A contract that provides funding for seven Precinct Advocates and the Victims Advocate ends on December 31, 2009. The funds available under the Recovery Act will enable SCCADV to sustain these eight positions and continue providing thousands of victims with the vital services they require. Additionally, with this funding, SCCADV and the Suffolk County Police Department will expand its working relationship by pairing all seven Precinct Advocates with the SCPD DV and Elder Abuse Unit in to expand upon the work they already do with the Victims Advocate. The Victims Advocate will also provide court accompaniment to victims specifically in the dedicated Domestic Violence Courts of the District Court two days per week.

Grant Application

Project No. VR09-1015-E01

Grantee Name Suffolk County Coalition Against Domestic Violence Inc.

Work Plan

Goal:
To retain three precinct advocates and a victim advocate to continue providing advocacy services and outreach to victims of domestic violence in three of the SCPD precincts, as well as, in the domestic violence parts of the District Court.

Objective #1
To provide assistance to domestic violence victims in achieving safety by maintaining access to victim services through the victim and precinct advocates.

Task #1 for Objective #1
Assist victims of domestic violence by providing information on rights and options pertaining to the charges being pressed, orders of protection, help develop safety plans and make referrals to other services as needed such as shelter and counseling. The precinct advocates will regularly conduct community outreach within their precinct area, train police officers at monthly squad inspections on the services provided by SCCADV and provide victims with court accompaniment services in Family and District Court in obtaining orders of protection. One day will be dedicated to working out of the administrative office completing paperwork, making follow up calls and answering incoming client and hotline calls.

Performance Measure
1. Number and type of assistance provided to victims by the precinct advocates.
2. Number of outreach units provided to the community.
3. Number, date and topic the precinct advocates provided training to officers on the services available at the SCCADV for domestic violence victims.
4. Number of victims provided with court accompaniment to obtain an order of protection.

Task #2 for Objective #1
The victim advocate will work with the SCPD DV and Elder Abuse Units on a portion of the home visits they conduct and will remain on call for all seven SCPD precincts during the hours of 8:30am – 3:00pm. Victims that do not receive a home visit by the victim advocate or precinct advocate will be contacted by victim advocate via telephone. Additionally, the victim advocate will provide court accompaniment to victims in District Court and will work exclusively in the two domestic violence parts of the District Court on the two days that SCCADV is assigned to cover those courtrooms. The victim advocate will work in the courtrooms assisting existing SCCADV clients who are present for the defendant’s return date and will work with new clients as referred by the DA’s Office. Having open criminal charges against the abuser can prove to be an extremely frightening and an emotional time for victims. The presence of a trained advocate in the courtroom to guide them through the process, explain their options and act as a liaison between the victim and the DA’s office is invaluable.

Performance Measure
1. Number of victims served by victim advocate in the District Court.
2. Number of home visits conducted with both victim advocate and SCPD.
3. Number of victims the victim advocate reached out to via telephone.
4. Number of existing victims from SCCADV the victim advocate assisted in courtroom.
5. Number of new victims assisted by victim advocate in courtroom.

Task #3 for Objective #1
Precinct advocates will accompany the officers on the home visits for victims living in their precinct area. The pairing of the officer and advocate allows the County to provide victims with a well rounded service plan for victims as the differing skill sets and duties complement one another. The officers work hours in the DV Unit will be adjusted one or two evenings per week to enable the officer and advocate to reach out to victims in the evening which will increase the likelihood of making contact with the victim. This will include additional hours
outside of normal tour of duty for SCPD officers to conduct visits with victims during evening hours. It is expected that each precinct advocate will accompany the officers on home visits three times per quarter.

Justification:
- Victims’ Advocate works full time; 35 hours per week. She/he will work 100% on this project; Mondays through Fridays 8:30 AM to 4:30 PM. Times may vary according to program needs.
- Director of Advocacy Services will spend 10% of her time on this project providing supervision to all advocates, program development and over sight of project and submit all information required by the funding provider.
- Suffolk County Police Department - Officers of the Domestic Violence and Elder Abuse Bureau will work outside their normal tour (8-4, M-F) to work with the SCCADV Victims Advocate to visit with victims at times convenient for the victim, usually the evening. We are estimating 3 hours per week for 2 officers (they go out in pairs) resulting in $316.68 per week. This will fluctuate week to week depending on how many new cases come in, etc. Also, the funds provided will likely not cover the officers going out with the advocates for the entire year.
- Precinct Advocates work full time (35 hours per week); three evenings per week in their respective precincts from 3:00 PM to 11:00 PM and two days per week from 8:30 AM to 4:30 PM providing follow-ups and court advocacy. Precinct Advocates will work 100% on this project. Times may vary according to program needs.

DATE: October 3, 2011

RE: CP 1706 – Replacement/Cleanup of Fossil Fuel, Toxic and Hazardous Material Storage Tanks

Attached for your review is a draft resolution requesting that $200,000 be appropriated for continuing with our program to bring all of our storage tanks and facilities in compliance with Article 12 of the Suffolk County Health Code. With a few exceptions, which will be addressed as part of larger building renovation projects, we have completed the original program as outlined by the Suffolk County Tank Committee. Nevertheless, we continue to have various Departments identify tanks that were not included on the original list, and need to be upgraded or replaced.

As the upgrading and replacement of tanks are mandated by Article 12 of the Suffolk County Sanitary Code and Title 40 of the Code of Federal Regulations, the Legislature has determined that under the State Environmental Quality Review Act (SEQRA), Environmental Conservation Law Article 8, that this action constitutes a Type II action pursuant to Volume 6 of the New York Code of Rules and Regulations (NYCRR).

An e-mail copy of the resolution has been sent to CE RESO Review sent under the title Reso-DPW-CP 1706 – Resolution Tank Removal.doc.

MEMORANDUM

TO: Ken Crannell, Deputy County Executive
FROM: James K. Peterman, P.E., Acting Chief Deputy Commissioner
DATE: September 19, 2011
RE: Appropriating Funds in Connection with the Rehabilitation of Various Bridges and Embankments (CP 5850)

Attached is a draft resolution and duplicate copy to appropriate the sum of $1,950,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2011 Capital Budget and Program for this project.

This funding is intended for the rehabilitation of CR 19, Patchogue-Holbrook Road Bridge over the Long Island Rail Road Main Line and CR 97, Nicolls Road Bridge over the Long Island Rail Road. This project will repair roadway approaches and asphalt wearing surface over the concrete bridge deck, spall and crack repair to steel girders and underside of the concrete deck, repairs to sidewalks, curbs and concrete railing members.

*It may be necessary to add and/or substitute other bridge and/or embankment locations due to permits, changes in priorities or other requirements to be determined by this Department.*

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and determined that it constitutes a Type II action and no further review is required. The Suffolk County Legislature concurred with this finding pursuant to Resolution 1167-1995.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5850(Rehab Bridges).doc”.

MEMORANDUM

TO: Ken Crannell, Deputy County Executive
FROM: James K. Peterman, P.E., Chief Deputy Commissioner
DATE: August 24, 2011
RE: Appropriating Funds in Connection with Replacement of Dredge Support Equipment (CP 5201)

Attached is a draft resolution and duplicate copy to appropriate the sum of $100,000 for Replacement of Dredge Support Equipment in connection with the above referenced project. There are sufficient funds included in the 2011 Capital Budget and Program for this project.

It is necessary to rehabilitate and replace equipment periodically to insure that it will remain in a condition that will allow for proper function in order to support our dredging operations. It is our intent to utilize these funds to purchase a replacement skid loader that will allow for the transport of dredge pipes and fuel tanks from cargo trucks to the dredge and booster pump.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and determined that the purchase of replacement equipment constitutes a Type II action and no further review is required.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP5201(Dredge Equip).doc".

SEQR Negative Declaration

Notice of Intent to Not Require a Draft EIS

Determination of Non-Significance

Lead Agency: Village of Southampton

Address: 23 Main Street Southampton, NY 11968-4899

Date: July 26, 2011

This notice is issued pursuant to 6 NYCRR Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review – SEQR) of the Environmental Conservation Law.

The lead agency has determined that the proposed action described below will not have a potential significant adverse effect on the environment and that a Draft Environmental Impact Statement (EIS) need not be prepared.

Title of Action: Suffolk County 477 Funding for Village Drainage Project

SEQR Status: Unlisted Action

Location: The proposed project is located at Bowden Square Park and Lola Prentice Park on Windmill Lane in Southampton, NY.

SCTM Numbers: Bowden Square – District: 904 Section: 5, Right of Way Lola Prentice Park – District: 904 Section: 6 Block: 1 Lot: 1
Description of Action: The proposed action involves funding for installation of subsurface drainage structures to manage stormwater within the Agawam Lake watershed. The proposed structures will be located within the road right of way and within the area of two Village owned parks (Bowden Square Park and Lola Prentice Park).

The Bowden Square drainage structures will encompass an area of approximately 4,000 SF with the installation of twelve 8 foot deep leaching pools each with ten foot diameters. An 18 inch diameter drainage pipe will connect the drainage structures to an existing curb inlet and a second inlet will be installed on North Sea Road.

The Lola Prentice Park drainage structure will encompass an area of approximately 8,825 SF with eight 8 foot deep leaching pools with ten foot diameters. An 18 inch diameter pipe will connect the structures to proposed catch basin curb inlets on either side of Windmill Lane.

Reasons Supporting This Determination:

1. The sites have been evaluated in accordance with the Criteria for Determining Significance as contained in SEQRA 6NYCRR Part 617.7 (c).

2. The proposed action has been evaluated through review of the following materials:
   - Full Part I Environmental Assessment Form (EAF)
   - Part II EAF
   - Review of Aerial Photograph
   - Site and Vicinity Inspection

3. The proposed project is not expected to cause any significant adverse environmental impacts based on project design and mitigation inherent in the project as described herein. The Criteria for Determining Significance are specifically evaluated as follows with respect to this action:
   a. The project will not cause a substantial adverse change in existing ground or surface water quality or quantity, traffic or noise levels; increase in solid waste production; a substantial increase in erosion, flooding, leaching or drainage problems. The site is not located within a flood prone area. The property has minimal topographic relief with no excessive slopes that would pose a constraint to construction.
   b. The project will not result in the removal or destruction of vegetation or fauna; impacts on a significant habitat area; substantial adverse impacts on a threatened or endangered species of animal or plant, or the habitat of such a species; or other significant adverse impact to natural resources. The project areas consist of previously disturbed lawn areas and thus, no rare or threatened species/habitats are associated with the site.
   c. The project will not impair the environmental characteristics of a Critical Environmental Area.
d. The project will not interfere with any plans or goals the community currently has. The project is consistent with Village goals to protect the surface waters of the Village by diverting stormwater.

e. The project is not expected to cause impairment of the character or quality of important historical, archaeological, architectural, or aesthetic resources or of existing community or neighborhood character. Proposed structures will be installed below ground and will not disturb the historical or aesthetic qualities.

f. The project will not cause a major change in the use of either the quantity or type of energy.

g. The project will not create any hazards to human health.

h. The project will not cause a substantial change in the use, or intensity of use of the site which would be out-of-character with the area.

i. The project is not related to any other action which may be undertaken, funded or approved by an agency, such that it does not have a significant impact on the environment on its own, but when considered cumulatively would meet one or more of the criteria. There are no other projects proposed in proximity to the site such that cumulative impacts would occur.

4. The Village of Southampton finds that the documentation prepared is complete in addressing potential adverse environmental impacts related to the proposed project and no significant adverse environmental impacts have been identified. As a result, a Negative Declaration is determined to be appropriate for this project.

Statement No. 54 of the Governmental Accounting Standards Board

Fund Balance Reporting and Governmental Fund Type Definitions
Capital Projects Funds

33. Capital projects funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. Capital projects funds exclude those types of capital-related outlays financed by proprietary funds or for assets that will be held in trust for individuals, private organizations, or other governments.

Debt Service Funds

34. Debt service funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. Debt service funds should be used to report resources if legally mandated. Financial resources that are being accumulated for principal and interest maturing in future years also should be reported in debt service funds.

Permanent Funds

35. Permanent funds should be used to account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government’s programs—that is, for the benefit of the government or its citizenry. Permanent funds do not include private-purpose trust funds, which should be used to report situations in which the government is required to use the principal or earnings for the benefit of individuals, private organizations, or other governments.

EFFECTIVE DATE AND TRANSITION

36. The requirements of this Statement are effective for financial statements for periods beginning after June 15, 2010. Early implementation is encouraged. Fund balance reclassifications made to conform to the provisions of this Statement should be applied retroactively by restating fund balance for all prior periods presented. Changes to the fund balance information presented in a statistical section may be made prospectively, although retroactive application is encouraged. If the information for previous years is not restated, governments should explain the nature of the differences from the prior information.
