RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A CHARTER LAW TO ENHANCE BUDGETING FLEXIBILITY AND RESPONSIVENESS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011 a proposed local law entitled, "A CHARTER LAW TO ENHANCE BUDGETING FLEXIBILITY AND RESPONSIVENESS"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO ENHANCE BUDGETING FLEXIBILITY AND RESPONSIVENESS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Suffolk County Legislature is entrusted by the Suffolk County Charter with the County’s power of appropriation.

This Legislature further finds that the Legislature is a co-equal branch of government responsible for making policy for the County of Suffolk.

This Legislature also determines that in order to fulfill their policy and budget making role, members of the County Legislature should have the ability to initiate amendments to the County’s Operating Budget throughout the fiscal year.

This Legislature further finds and determines that the Legislature requires more flexibility to amend the County Operating Budget in order to respond to rapidly changing economic conditions and meet the needs of County residents.

Therefore, the purpose of this law is to enable the members of the County Legislature to introduce budget modification resolutions throughout the entire fiscal year without restriction, subject to the continued requirement that such modifications maintain overall spending in the Operating Budget at adopted levels.

Section 2. Amendment.

Article IV of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

Article IV, County Budget and Capital Program.
§C4-31. Modifications to budget after adoption.

****

G. During a fiscal year and after adoption of the annual expense budget, any budget modification to the annual expense budget may be effectuated by the adoption of an appropriate resolution introduced by any Legislator in accordance with § C2-11 of this Charter and this subsection and approved by at least a majority of the entire membership of the County Legislature, even though the head of the pertinent County department has not submitted a request for such budget modification, as long as the purpose of such budgetary modification is to reduce, lower, terminate or cancel appropriations; to abolish positions of employment; to terminate contract agencies; to terminate or reduce the size of County programs or departments; or to make transfers of appropriations that are offset by reductions in other appropriations. [Resolutions incorporating such budget modifications introduced by any Legislator may only be laid on the table at the first regular legislative meeting in February, April, June or September.] Any resolutions introduced by any Legislator in accordance with these provisions may then be acted upon by the full County Legislature whenever eligible for consideration pursuant to the Rules of the County Legislature and subject to the Laws of Suffolk County.

Section 3. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.
Section 6. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the Office of the Secretary of State.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A CHARTER LAW TO REAFFIRM THE COUNTY LEGISLATURE’S POLICY-MAKING AUTHORITY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011, a proposed local law entitled, "A CHARTER LAW TO REAFFIRM THE COUNTY LEGISLATURE’S POLICY-MAKING AUTHORITY"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO REAFFIRM THE COUNTY LEGISLATURE’S POLICY-MAKING AUTHORITY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the SUFFOLK COUNTY CHARTER designates the County Legislature as the policy-making branch of Suffolk County Government.

This Legislature further determines that the County Legislature alone is empowered by the Charter to organize, alter and abolish any unit of County Government and to transfer any function or duty from one unit to another.

This Legislature finds that in recent years, the County Executive has encroached on the Legislature’s policy-making authority through unilateral administrative action and careful manipulation of the budget process.

This Legislature determines that the County Executive most recently usurped the Legislature’s policy-making authority by forcing the closure of the John J. Foley Skilled Nursing Facility -- ending the County’s 100-year commitment to providing nursing home services to the needy, displacing hundreds of residents and firing 250 employees -- all without a majority vote of the County Legislature in support of this radical policy change.

This Legislature also finds and determines that services and functions traditionally performed by the County of Suffolk should only be terminated by an affirmative vote of the County Legislature in accordance with the SUFFOLK COUNTY CHARTER.

This Legislature also determines that the Legislature must take proactive steps to protect its policy-making authority and maintain a proper balance of power in Suffolk County Government.
Therefore, the purpose of this law is to reaffirm the County Legislature's policy-making preeminence under the SUFFOLK COUNTY CHARTER and to add express language requiring affirmative legislative approval for policy changes affecting the delivery of services by the County of Suffolk.

Section 2. Amendment.

Article II of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

ARTICLE II, The County Legislature.

* * * *

* * * *

E. No proposal to terminate a function or service performed by the County of Suffolk or to close a facility owned, operated or funded by the County where such function is performed or service delivered, shall be advanced or implemented by any County employee or officer unless such action is expressly authorized by the County Legislature via a duly enacted resolution. The termination of a function or service, or the closure and/or conveyance of a County facility shall not be included as part of an adopted County operating budget unless such action is authorized by the County Legislature via a duly enacted stand-alone resolution.

* * * *

Section 3. Applicability.

A. This law shall apply to actions occurring on or after the effective date of this law.

B. The requirements of this law shall not apply when a contract agency of the County is defunded.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND
REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the Office of the Secretary of State.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A LOCAL LAW AMENDING THE COUNTY AFFORDABLE HOUSING PROGRAM TO PROVIDE AFFORDABLE HOUSING TO HOMEOWNERS DISPLACED NY NATURAL DISASTER

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on 2011, a proposed local law entitled, “A LOCAL LAW AMENDING THE COUNTY AFFORDABLE HOUSING PROGRAM TO PROVIDE AFFORDABLE HOUSING TO HOMEOWNERS DISPLACED NY NATURAL DISASTER”; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK A LOCAL LAW AMENDING THE COUNTY AFFORDABLE HOUSING PROGRAM TO PROVIDE AFFORDABLE HOUSING TO HOMEOWNERS DISPLACED NY NATURAL DISASTER

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature finds and determines that Local Law No. 17-2004 (Article 36 of the Suffolk County Administrative Code) increased affordable housing opportunities by providing additional housing and funding options, including the creation of a workforce housing program and by further streamlining the process by which individuals and municipalities may work with the County to achieve these goals.

This Legislature also finds and determines that Suffolk County is always vulnerable to threats of hurricane, flood or tornado. In many cases, our residents cannot obtain insurance for these perils. It is in the interest of the County to assist only the most vulnerable members of our population with these perils. This assistance can be provided at little or no cost to the County, while the County advances the important public policy of affordable housing.

This Legislature also finds that the goals of the affordable housing program can be advanced if the County makes available to qualified homeowners displaced by hurricane, flood or tornado property for their relocation upon the condition that affordability restrictions that run with the land in perpetuity are imposed on the property. This way the County can restore stability to people who have lost their homes through natural disaster, while still assuring that parcels are forever dedicated to the public purpose of providing people to the working men and women of this County.

Therefore, the purpose of this law is to increase affordable housing opportunities under the County’s Affordable Housing Program by expanding the 72-h transfer program set forth in Article XXXVI of the Suffolk County Administrative Code to include property transfers to benefit qualified homeowners who are displaced from their homes due to hurricane, flood or tornado upon the conditions that the transfers are restricted in perpetuity for affordability.
Section 2. Amendments.

Section A36-2 of the Suffolk County Administrative Code is hereby amended as follows:

Article XXXVI
Affordable Housing

****

§ A36-2. Suffolk County housing opportunities programs.

****

C.) New York State General Municipal Law § 72-h transfer program for homeowners displaced by natural disaster.

1.) Designated uninhabitable improved parcels and vacant parcels shall be transferred by the County to participating municipalities for nominal consideration and shall be constructed and/or reconstructed for affordable housing purposes for homeowners displaced by a natural disaster. These parcels shall be subject to covenants and restrictions requiring cooperating municipalities to transfer these parcels to eligible individuals whose income is no more than two times the HUD-established limits for the Nassau-Suffolk PMSA adjusted by family size. Units constructed and/or reconstructed on a parcel transferred pursuant to this Subsection C, and sold to homeowners displaced by natural disaster, subject to a hierarchy of local preferences established by the participating municipality, shall be constructed and/or reconstructed, as the case may be, using design and construction features in compliance with § A36-3 of this article.

2.) For purposes of this section, natural disaster means (a) hurricane, flood or tornado which renders uninhabitable a person’s primary residence, and (b) that there was not available for purchase prior to the loss of the primary residence from any private insurance or government sponsored insurance program insurance for loss caused by hurricane, flood or tornado, and (c) that no other source of indemnity for the loss is available to the homeowner from any other Federal, State or County program.

3.) Deed restrictions.

a.) Parcels transferred pursuant to this section shall contain deed covenants and restrictions, which covenants shall run with the land, as follows:

i. "The use of the parcel herein described is hereby restricted solely to the development of a single family residential dwelling unit for a homeowner displaced by a natural disaster with all right, title, and interest reverting back to the County of Suffolk, at the sole option of the County of Suffolk, in the event the grantee, at any time, uses or attempts to use the parcel herein
described for any other use or purpose, including, without limitation, no use or purpose.

ii. "All right, title, and interest to the parcel herein described shall revert back to the County of Suffolk should any one or more of the following events occur:

1. construction of a single family residential dwelling for a homeowner displaced by a natural disaster upon the parcel described herein within three (3) years from the date of transfer to the grantee, unless one or more extensions of time is granted, in writing, for good cause shown, by the Suffolk County Director of Affordable Housing or any successor thereto. Notwithstanding the foregoing, such extensions shall not exceed, in the aggregate, a period of four (4) years from the date of transfer to the grantee, unless approved by a duly enacted resolution of the County of Suffolk;

2. If the income of the homeowner displaced by a natural disaster, at the time of occupancy of the single family dwelling constructed on the parcel described herein, should exceed two times the HUD established median income for the Nassau-Suffolk Primary Metropolitan Statistical Area adjusted by family size;

3. If the sale price of the single family dwelling constructed on the parcel described herein exceeds sixty percent (60%) of the median sales price for Suffolk County single family dwellings, based upon the State of New York Mortgage Agency Guidelines;

4. If the homeowner displaced by a natural disaster fails to occupy the single family dwelling constructed on the parcel described herein as his and/or her primary residence for a period of ten (10) consecutive years from the time of occupancy of such single family dwelling; provided, however, that right title and interest shall not revert to the County of Suffolk, when the homeowner displaced by a natural disaster sells to a first time home owner or buyer meeting the income qualifications set forth in section A42-4(H)(1)(b)(2) of the Suffolk County Administrative Code, or as amended; and

a.) providing further that any gain realized from such sale up to and including the fifth anniversary of ownership shall be paid to the County of Suffolk, and
any realized gain during the sixth year of ownership up to and including the tenth anniversary of ownership, shall be paid to the County of Suffolk declining ratably thereafter to fifty percent (50%), and any realized gain after the tenth year of ownership shall not be paid to the County of Suffolk; and

b. ) providing further that the income qualifications and the formula for recapture of realized gain set forth in this paragraph shall apply to each and every subsequent sale;

5. If all or any portion of the single family residential dwelling is rented or leased to any other person, whether or not by written agreement;

6. If the grantee fails to certify to the Suffolk County Director of Affordable Housing, (or his or her designee), prior to closing of the title by a homeowner displaced by a natural disaster:

a. ) the dates of completion and occupancy of the single family dwelling constructed on the parcel described herein; and

b. ) the total income, from all sources, of all occupants of the single family dwelling constructed on the parcel described herein; and

c. ) the sales price of the single family dwelling constructed on the parcel described herein; and

d. ) the single family dwelling constructed on the parcel described herein meets all applicable building and zoning codes, rules and regulations;

7. If the grantee fails to provide the Suffolk County Director of Affordable Housing, (or his or her designee), with a detailed, annual written report no later than December 31 of each year commencing in the year immediately subsequent to the date of this deed, which report shall include any and all information as may be required by the said Director, including, but not limited to, the status of the development and/or sale of the parcel described herein, and an accounting of all sums directly or indirectly attributable to the use of the parcel described herein.*
Section 3. Applicability.

This Law shall apply to all transfers made pursuant to General Municipal Section 72-h made on or after the effective date of this law, and shall be for the benefit of all homeowners who meet the income requirements of this Law who have been heretofore displaced, or are hereafter displaced, by hurricane, flood or tornado.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c) (20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

PROPOSED LOCAL LAW YEAR 2011

TITLE: I.R. NO. 2011; A LOCAL LAW AMENDING THE COUNTY AFFORDABLE HOUSING PROGRAM TO PROVIDE AFFORDABLE HOUSING TO HOMEOWNERS DISPLACED BY NATURAL DISASTERS

SPONSOR: PRESIDING OFFICER ON REQUEST OF THE COUNTY EXECUTIVE

DATE OF RECEIPT BY COUNSEL: 1/13/11 PUBLIC HEARING: 3/18/11
DATE ADOPTED/NOT ADOPTED: CERTIFIED COPY RECEIVED:

This proposed law would amend the County's section 72-h/affordable housing program to provide a local preference for homeowners displaced by a natural disaster.

Under the proposed law, the County may transfer properties to participating municipalities for the purpose of constructing housing for persons whose primary residence was made inhabitable by a hurricane, flood or tornado. Such persons must demonstrate that they could not purchase insurance for the damaged residence and that there is no other source of indemnity to compensate them for the damages suffered.

The proposed law would allow applicants with incomes up to twice the HUD established limits for the Nassau-Suffolk PMSA to participate in the program. Parcels transferred under this program would be subject to the following covenants and restrictions:

1. Parcels must be used to develop a single family residence.
2. Construction must start within 3 years of transfer.
3. The sale price of the residence cannot exceed 60% of the median sales price for a single family residence in Suffolk County.
4. The homeowner displaced by natural disaster must occupy the residence for a period of 10 years. If the property is sold during that period, Suffolk County shall receive a percentage of the profits based upon the home’s original date of purchase under this program.
5. Title shall revert if all or a portion of the residence is rented or leased to another person.
6. Title shall revert if the grantee fails to provide the Suffolk County Director of Affordable Housing with an annual report on the status of the development and/or sale of parcels in this program.
This local law will take effect immediately upon its filing in the Office of the Secretary of State.

Mr. John Pavacic
Commissioner
Suffolk County Parks and Recreation
P.O. Box 144
Montauk Highway
West Sayville, NY 11796-0144

Dear Commissioner Pavacic,

The Northport Road Runners Club would once again request permission to hold the ninth annual Doug Wood 5K trail run, utilizing the trails in the Makamah Nature Preserve in Northport. This scholarship event for about 400 people, will be on Saturday, April 9th, 2011 at 8:30 AM.

The race course starts and finishes at the Norwood Avenue School in Northport turning east along the LIPA right of way. The runners follow the trail to the last northerly trail head into the Makamah Nature Preserve which loops two miles back to the right of way. They return west on the LIPA trail to finish at Norwood Avenue School.

This 5K cross country race (including approximately 2 miles of preserve trails) will have little to no effect on the environment due to the long distance and resulting slow pace of the participants. Our planning includes a group of volunteers dedicated to improving and protecting the natural beauty in and around the preserve.

The club has many years experience in planning and executing cross country and road events. We will provide an indemnity insurance policy of $2,000,000 for all participants and we will take full responsibility for everyone taking part in the event.

We hope you will again approve our request to include some of the Makamah trails in this memorial race. It is a great benefit to two outstanding causes; Commemorating an outstanding resident of Suffolk County and benefiting two promising high school athletes.

Sincerely,

Bill Fleming
NRRC Race Director, Doug Wood Memorial 5k Race

RESOLUTION NO. -2011, DESIGNATING THE SECOND WEEK OF NOVEMBER AS TOLERANCE AND ACCEPTANCE WEEK IN SUFFOLK COUNTY

WHEREAS, the United States has long been considered "the great melting pot", where people of different ethnicities, nationalities, cultures and faiths come together to live in harmony; and

WHEREAS, it is the differences among us, in familial background, abilities and life experience, that have created and sustained our nation's rich and vibrant culture; and

WHEREAS, there are individuals in our society who do not embrace our collective differences, but instead choose to act out against persons whom they perceive as different from themselves, as was demonstrated most clearly in the tragic death of Marcelo Lucero in November 2008, who was attacked and killed by teenagers in Patchogue; and

WHEREAS, following the death of Mr. Lucero, residents throughout Suffolk County came together to denounce such hateful acts and encourage tolerance, understanding and an appreciation of our differences; and

WHEREAS, Suffolk County should continue to foster an atmosphere of tolerance and acceptance among all County residents towards all members of our community; now, therefore be it

1st RESOLVED, that the week of November 6 – 12, 2011, and every second week in November in each year thereafter shall be designated "Tolerance and Acceptance Week" in Suffolk County, to nurture an environment of understanding and acceptance of any and all residents in Suffolk County; and be it further

-2011, A LOCAL LAW TO REQUIRE RESPONSIBLE DISPOSAL 
OF EXPIRED AND UNUSED MEDICATIONS BY HOSPITALS, 
NURSING HOMES, HOSPICE FACILITIES AND LONG-TERM 
CARE FACILITIES 

WHEREAS, there was duly presented and introduced to this County Legislature 
at a meeting held on , 2011, a proposed local law entitled, "A LOCAL LAW TO 
REQUIRE RESPONSIBLE DISPOSAL OF EXPIRED AND UNUSED MEDICATIONS BY 
HOSPITALS, NURSING HOMES, HOSPICE FACILITIES AND LONG-TERM CARE 
FACILITIES" now, therefore, be it 

RESOLVED, that said local law be enacted in form as follows: 

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK 

A LOCAL LAW TO REQUIRE RESPONSIBLE DISPOSAL OF 
EXPIRED AND UNUSED MEDICATIONS BY HOSPITALS, 
NURSING HOMES, HOSPICE FACILITIES AND LONG-TERM 
CARE FACILITIES 

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF 
SUFFOLK, as follows: 

Section 1. Legislative Intent. 

This Legislature hereby finds and determines that Suffolk County has 
demonstrated a commitment to protecting our environment and the health and safety of County 
residents. 

This Legislature also finds and determines that Suffolk County is located on a 
sole source aquifer which supplies the County’s drinking water. 

The Legislature also finds that Suffolk County is surrounded by three estuary 
systems that include numerous harbors and bays that provide recreational and commercial 
benefits to residents. 

This Legislature further finds and determines that, in recent years, communities 
across the nation, including New York City, have discovered trace amounts of prescription and 
over-the-counter medications in their drinking water. 

This Legislature finds that these medications enter water supplies and costal 
waters through improper disposal methods which can directly introduce medications into the 
water supply and surface waters or allow pills to degrade in soil and enter groundwater systems.
This Legislature also finds that the long term effects of exposure to these trace amounts in humans is unknown. However, negative effects have been observed in fish, frogs and turtles.

This Legislature determines that hospitals, nursing homes, hospice facilities and long-term care facilities utilize large quantities of medications in providing health services to those in need.

This Legislature also finds that these facilities should have an established protocol for the safe disposal of unused and expired medications that protects the County's drinking water supply and the County's rivers, estuaries, bays and ocean.

This Legislature also finds that the Environmental Protection Agency and New York State Department of Environmental Conservation have issued protocols against flushing unwanted pharmaceuticals.

This Legislature further finds that ensuring that these facilities have an established policy for the safe disposal of unused and expired medications protects the environment and County residents from any harm they may incur from exposure to medications in the drinking water supply.

Therefore, the purpose of this law is to require all hospitals, nursing homes, hospice facilities and long-term care facilities to annually establish and file with the Suffolk County Department of Health Services a plan for the safe disposal of unused and/or expired medications.

Section 2. Requirements.

A. All hospitals, hospice facilities, nursing homes, and long term care facilities located in the County of Suffolk shall file with the Department of Health Services a written plan for the safe disposal of unused and/or expired medications. Such plan must establish the means by which the facility will dispose of such medications in an environmentally safe manner to prevent medications from entering our drinking water supply and our rivers, estuaries, bays and ocean.

B. Commencing in 2012 and continuing each year thereafter, each facility shall file their written medication disposal plan with the Suffolk County Department of Health Services on or before January 30th.

Section 3. Penalties.

Failure to file a written medication disposal plan with the Department of Health Services shall constitute a violation and shall be punishable by a civil fine of five hundred dollars ($500.00).

Section 4. Enforcement.

This law shall be enforced by the Department of Health Services in accordance with the procedures set forth in §760-202 through 760-215 of the Suffolk County Sanitary Code.
Section 5. Rules and Regulations.

The Commissioner of the Department of Health Services is hereby authorized and empowered to establish rules and regulations necessary for the implementation of this law.

Section 6. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 7. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 8. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 9. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

2nd RESOLVED, that the 11th Resolved clause of Resolution No. 1129-2007 shall be amended to read as follows:

11th RESOLVED, that the project will not have a significant adverse impact on the environment for the following reasons:

1.) the proposed action will not exceed any of the criteria in 6 NYCRR, Section 617.7, which sets forth thresholds for determining significant effect on the environment, as demonstrated in the Environmental Assessment Form; and

2.) the proposal does not appear to significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and Code; and

3.) the parcels do not appear to suffer from any severe environmental development constraints (no limiting soils properties, no high groundwater, and no unmanageable slopes); and

4.) the proposed use of the subject parcel(s) [will be for park purposes as stated in the 8th RESOLVED clause above; and] is primarily passive recreation with a limited active parkland component, as described in the Boys and Girls Harbor management Plan, dated July 15, 2010; and

5.) if not acquired, the property will most likely be developed for residential purposes, incurring far greater environmental impact than the proposed acquisition and preservation of the site would have;

and, be it further

3rd RESOLVED, that in all other respects the Resolved clauses set forth in Resolution No. 1129-2007 shall remain unchanged and in full force and effect, and the Director of the Division of Real Property Acquisition and Management and/or her designee; the County Planning Department; the County Department of Parks, Recreation and Conservation; the County Department of Public Works; the County Comptroller; and the County Treasurer are hereby authorized, empowered, and directed to take such actions and procedures necessary to implement the directives of Resolution No. 1129-2007 and which are required to acquire such County interest in said lands; and, be it further

Commissioner Gregory J. Blass
Thomas Contegni, Director
Suffolk County Department of Social Services
3085 Veterans Memorial Highway
Ronkonkoma, New York 11779

Dear Commissioner Blass:

The New York State Office of Children and Family Services ("OCFS") through the Division of Child Care Services ("DCCS") is pleased to inform you of the OCFS intentions to renew the Memorandum of Understanding (MOU) for your Local Department of Social Services, (LDSS) 2011 Day Care Registration and Inspection program. This letter serves to provide you with the funding level for calendar year 2011. The MOU documents included in the email attachments that accompany this letter will provide your agency with the necessary information to complete the 2011-Day Care Registration and Inspection Project electronic application. Please complete all documents in the electronic application and submit the documents electronically to Diane Miller DCCS program manager at ay3710@dfa.state.ny.us Please be advised that the signature of an authorized LDSS representative will only be required at the time that your agency receives the hard copies of the MOU from your contract manager for review and approval.

The disbursement of funding for your registration contract is described below:

New MOU Period: January 1, 2011 to December 31, 2011
Maximum Funding Available: $1,033,079.00

Please take note that DCCS is currently reviewing the 2011 registration performance standards to see if any updates are needed. Once this is completed within the next few weeks we will forward both the Appendix C and Appendix C-1 to you as well for your review. This should not however stop your completion and submission of your 2011 registration renewal package. This year the registration MOU electronic application includes your 2011 Appendix D (application pages) and the 2011 simplified budget(s).

The LDSS Districts that utilize a subcontractor to conduct the Day Care Registration and Inspection services will have included in their electronic application an additional subcontractor budget that also needs to be completed. The subcontractor’s budget if applicable should be included in your completed electronic application package prior to submitting the 2011 application to both the DCCS Regional Office
Manager and the DCCS contract manager for review. DCCS has included your agency’s prior budget(s) in your agency’s 2011 electronic application. The previously completed budget(s) documents are an attempt to save you time. Updating the budget(s) rather than having to re-enter all the information should expedite the process. DCCS has entered the 2011 dates into the Day Care Registration application and budget(s) pages for you. If you would prefer new blank attachments please contact your DCCS contract manager.

Please be reminded where applicable the LDSS, as the contractor, is responsible for the day care registration and inspection project. Therefore it is required that LDSS if they utilize a subcontractor to perform the Registration services on their behalf; include in their subcontractor’s agreement the standard performance levels of the registration MOU found in Appendix C-1. It is required that a signed copy of the subcontractor’s agreement must be provided at the time of renewal each year to the appropriate DCCS Regional Office Manager. In addition, if the LDSS utilizes a subcontractor to conduct the Day Care Registration services, it is essential that the subcontract agreement contain the same rules of confidentiality and professional conduct that are required of all registration staff in the LDSS and the DCCS Regional Offices. DCCS is also requesting that the 2011 subcontract agreements include the following statement: **It is important to note that during the Day Care Registration and Inspection contract period training will be conducted and attendance is required as determined by the OCFS DCCS Regional Office.** Again if your county utilizes a sub-contractor to provide the registration services please provide to the Regional Office a signed copy of the sub contract agreement.

As it is the legal responsibility of the contractor, LDSS to provide supervision and oversight for the Day Care Registration and Inspection Project, DCCS requires that for each renewal year LDSS identify a designate/liaison for the Day Care Registration and Inspection Project. It is a requirement that the LDSS staff person is employed at a professional level. Therefore it is necessary to provide your region’s DCCS Regional Office with the name of the current LDSS registration staff person responsible for the monitoring of the registration activities.

The Appendix C-1 performance standards include the requirement that the contractor maintain identified staffing levels that are necessary to conduct the registration activities and that there be specific designated staff conducting the registration activities. Therefore all registration staff must be identified, by name, as well as their percent of time scheduled for the registration project; this information will be recorded on the personnel page of the budget format. It is a project requirement that at the beginning of each MOU renewal term that the registration staffing plans, which would include staff resumes, must be submitted to the DCCS Regional Office for review and approval. The staffing levels are also reviewed and updated quarterly on the Summary of Quarterly Registration Review Report by the DCCS Regional Office. If any staffing requirements are not satisfactorily met, there will be a reduction of the quarterly performance payment as described in the Registration MOU Appendix C-1.

The performance based claiming process provides quarterly payments for the registration and inspection services upon verification of the standard performance levels being met. Therefore at the end of each quarter, a voucher must be submitted to your
DCCS Regional Office. The appropriate DCCS Regional Office Manager, after completing a Summary of Quarterly Registration Review Report, will attach their completed and signed quarterly registration report to the quarterly standard voucher submitted by the LDSS. The DCCS Regional Office report will specify if a full quarterly payment will be allocated. If a performance standard in not met a payment reduction percentage must be applied as established in the Appendix-C-1. A copy of the completed signed Summary of Quarterly Registration Review Report will be provided to the LDSS contractor and where applicable the subcontractor. This documentation and voucher will also be forwarded to the Registration Contract Manager at DCCS Central Office for the processing of the quarterly payment.

Please be assured that all efforts that you are able to make to submit your completed registration packages electronically by October 27, 2010 will be greatly appreciated. It is essential to take into consideration that the MOU processing time frame remains at a two-month minimum from the time that the MOU and budget are reviewed and approved by DCCS. Obviously the sooner your registration renewal package is returned to your DCCS Regional Office Manager and your contact manager, the sooner we can begin the review and approval process, your contribution in this process cannot be overstated.

Please contact the following Contract Managers with any questions or concerns:

Kevin Helems at AD8338@dfa.state.ny.us phone number (518) 402-6860 or
Kathy Pierone at Ty3533@dfa.state.ny.us phone number (518) 402-6771

Again please email a copy of your completed electronic registration renewal documents directly to my attention, Diane Miller at ay3710@dfa.state.ny.us phone number (518) 474-9614

Thank you for your continued partnership and your commitment to the children and families in New York State.

Sincerely,

Building 110 East Avenue

Dear Dr. Marmo:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of Federal funding to compliance with Federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice is responsible for ensuring that recipients of financial aid from OJP, its component offices and bureaus, the Office on Violence Against Women (OVW), and the Office of Community Oriented Policing Services (COPS) comply with applicable Federal civil rights statutes and regulations. We at OCR are available to help you and your organization meet the civil rights requirements that come with Justice Department funding.

Ensuring Access to Federally Assisted Programs

As you know, Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of Federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website at http://www.lep.gov.

Ensuring Equal Treatment for Faith-Based Organizations

The Department of Justice has published a regulation specifically pertaining to the funding of faith-based organizations. In general, the regulation, Participation in Justice Department Programs by Religious Organizations; Providing for Equal Treatment of All Justice Department Program Participants, and known as the Equal Treatment Regulation 28 C.F.R. part 38, requires State Administering Agencies to treat organizations the same as any other applicant or recipient. The regulation prohibits State Administering Agencies from making award or grant administration decisions on the basis of any organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see OCR's website at http://www.ojp.usdoj.gov/ocr/etfbo.htm.

State Administering Agencies and faith-based organizations should also note that the Safe Streets Act, as amended; the Victims of Crime Act, as amended; and the Juvenile Justice and Delinquency Prevention Act, as amended, contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the Justice Department has concluded that the Religious Freedom Restoration Act (RFRA) is reasonably construed, on a case-by-case basis, to require that its funding agencies permit faith-based organizations applying for funding under the applicable program statutes both to receive DOJ funds and to continue considering religion when hiring staff, even if the statute that authorizes the funding program generally forbids considering of religion in employment decisions by grantees.

Questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment may be directed to this Office.
Enforcing Civil Rights Laws

All recipients of Federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to the prohibitions against unlawful discrimination. Accordingly, OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal employment opportunity standards.

Complying with the Safe Streets Act or Program Requirements

In addition to these general prohibitions, an organization which is a recipient of financial assistance subject to the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, 42 U.S.C. § 3789d(c), or other Federal grant program requirements, must meet two additional requirements: (1) complying with Federal regulations pertaining to the development of an Equal Employment Opportunity Plan (EEOP), 28 C.F.R. § 42.301-.308, and (2) submitting to OCR Findings of Discrimination (see 28 C.F.R. §§ 42.205(5) or 31.202(5)).

1) Meeting the EEOP Requirement

In accordance with Federal regulations, Assurance No. 6 in the Standard Assurances, COPS Assurance No. 8.B, or certain Federal grant program requirements, your organization must comply with the following EEOP reporting requirements:

If your organization has received an award for $500,000 or more and has 50 or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare an EEOP and submit it to OCR for review within 60 days from the date of this letter. For assistance in developing an EEOP, please consult OCR’s website at http://www.ojp.usdoj.gov/ocr/eepop.htm. You may also request technical assistance from an EEOP specialist at OCR by dialing (202) 616-3208.

If your organization received an award between $25,000 and $500,000 and has 50 or more employees, your organization still has to prepare an EEOP, but it does not have to submit the EEOP to OCR for review. Instead, your organization has to maintain the EEOP on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form can be found at http://www.ojp.usdoj.gov/ocr/eepop.htm.

If your organization received an award for less than $25,000, or if your organization has less than 50 employees, regardless of the amount of the award, or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEOP requirement. However, your organization must complete Section A of the Certification Form and return it to OCR. The Certification Form can be found at http://www.ojp.usdoj.gov/ocr/eepop.htm.

2) Submitting Findings of Discrimination

In the event a Federal or State court or Federal or State administrative agency makes an adverse finding of discrimination against your organization after a due process hearing, on the ground of race, color, religion, national origin, or sex, your organization must submit a copy of the finding to OCR for review.

Ensuring the Compliance of Subrecipients

If your organization makes subwards to other agencies, you are responsible for assuring that subrecipients also comply with all of the applicable Federal civil rights laws, including the requirements pertaining to developing and submitting an EEOP, reporting Findings of Discrimination, and providing language services to LEP persons. State agencies that make subwards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

If we can assist you in any way in fulfilling your civil rights responsibilities as a recipient of Federal funding, please call OCR at (202) 307-0690 or visit our website at http://www.ojp.usdoj.gov/ocr/.

Sincerely,

Michael L. Alston

15. SUMMARY DESCRIPTION OF PROJECT (See instruction on reverse)
The Second Chance Act of 2007 (Pub. L. 110-199) provides a comprehensive response to the increasing number of people who are released from prison and jail and returning to communities, including resources to address the myriad needs of these offenders to achieve a successful return to their communities. Section 201 of the Second Chance Act authorizes the Second Chance Act Reentry Demonstration Program Targeting Offenders with Co-occurring Substance Abuse and Mental Health Disorders Program, which is designed to provide treatment and recovery support services to offenders during incarceration and after their return to the community. This section specifically addresses the treatment needs of offenders who have substance abuse disorders and authorizes grants to states, units of local government, territories, and Indian tribes to improve the provision of drug treatment to offenders in prisons, jails, and juvenile facilities during the period of incarceration and through the completion of parole or other court supervision after release into the community.

The term co-occurring disorders (COD) refers to co-occurring substance-related and mental disorders. Clients said to have COD have one or more substance-
related disorders as well as one or more mental disorders. At the individual level, COD exist when at least one disorder of each type can be established independent of the other and is not simply a cluster of symptoms resulting from a single disorder. Projects will implement or expand offender treatment programs for re-entering offenders with co-occurring substance abuse and mental health disorders. Programs should require urinalysis and/or other proven reliable forms of drug and alcohol testing for program participants, including both periodic and random testing, and for former participants while they remain in the custody, or under community supervision, of the state, local, or tribal government.

The Suffolk County Criminal Justice Coordinating Council will use grant funds in the amount of $591,112 to implement programs that will target 24 adults each year with co-occurring mental health and substance abuse disorders. The Suffolk County Day Reporting Program (DRC) and Dual Recovery Program are both operated through a joint effort between the County Probation and Community Mental Hygiene Departments. Both are licensed to provide mental health and substance abuse services to probationers. The DRC is a comprehensive, multi-service center. The overall DRC goals are to provide the supervision and services that will help probationers achieve sobriety, maintain good physical and mental health, and acquire education and training for future success. The DRC program will target higher-risk offenders who have been dually diagnosed with serious mental health disorders and alcohol or substance addictions. Probationers with drug/alcohol and mental health treatment conditions released from jail and sentenced to probation are eligible to participate in the Day Reporting Center Program (DRC).

From: Art Flescher, L.C.S.W., C.A.S.A.C.
    Director, Division of Community Mental Hygiene Services

Date: December 10, 2010

Subject: REQUEST FOR CN LEGISLATIVE RESOLUTION

Suffolk Community Council provides services to both the Mentally Ill and Developmentally Disabled consumers of Suffolk County. The agency maintains two programs that focus on providing and maintaining crucial housing services to existing and potential consumers. The Clearinghouse contract provides mediation services for existing housing clients and maintains a housing database of Supported Housing and Community Residence locations throughout Suffolk county. The Single Point of Access (SPA) program works closely with the Division’s Housing Single Point of Access staff. The programs are unique to both the County and Suffolk Community Council.

Several months ago, the Board of Directors of Suffolk Community Council voted to dissolve the corporation. After the loss of the Executive Director, the United Way of Long Island has been overseeing the operation of the programs and has expressed an interest in continuing for the last year in the contract term. As the calendar year comes to a close, there remains one more year on the current contract term which runs from 2009 through 2011.

The Division respectfully requests a Certificate of Necessity in order to insure the continuation of the above mentioned services effective January 1, 2011 through December 31, 2011. The United Way of Long Island, Inc. has the support of both the S.C.C. Board and of the Division. If the transition does not occur, effective January 1, 2011, services to the housing clients in Suffolk County will be severely impacted. Attached are drafts of the intro resolution, fiscal impact statement, routing form as well as correspondence from the Board of Directors of Suffolk Community Council, dated November 18, 2010 and the United Way of Long Island, Inc., dated November 24, 2010.

Thank you for your consideration.

Dear Mr. Flescher,

I am writing on behalf of the Board of Directors of the Suffolk Community Council, Inc. to request that the programs operated by the Suffolk Community Council under contract with the County of Suffolk be transitioned to the United Way of Long Island, Inc. at the beginning of the new contract period on January 1, 2011. As you are aware, the Board of Directors has decided to dissolve the corporation and cease operations.

We are concerned that the programs continue to serve the people of Suffolk County without interruption. For the past several months, the United Way of Long Island has capably managed these programs in the absence of the Council's Executive Director. Since program operations are currently housed in the United Way's offices, a transition to the United Way would be the least disruptive way to maintain them.

It is my understanding that the United Way of Long Island is prepared to assume responsibility for these contract during the next contract year.

Please let me know if you require additional information.

Sincerely,
Michael L. McClain
President

Dear Mr. Flescher,

This letter will serve as confirmation that United Way of Long Island is in a position to accept the following Suffolk County contracts if so awarded:

1. Clearinghouse (SFCLR) Inclusive of Mediation Services
2. Single Point of Access (SPA)

The acceptance of these contracts is an effort to provide the smooth transition with no disruption of services as Suffolk Community Council dissolves its affiliation as contract manager as of December 31, 2010.

Sincerely,

Theresa Regnante

Resolution Title:
AMENDING THE 2011 ADOPTED OPERATING BUDGET TO TRANSFER FUNDING FROM
PROGRAMS OPERATED BY SUFFOLK COMMUNITY COUNCIL TO THE UNITED WAY OF
LONG ISLAND, INC.

Reason for Urgency:
Suffolk Community Council’s Board of Directors voted to dissolve the corporation in the fall of
2010. For the past several months, the United Way of Long Island has managed the
Clearinghouse/ Mediation contract; as well as, the Housing Single Point of Access programs and
has done so in an effective and efficient manner. It is necessary to amend the 2011 Suffolk
County Adopted budget in order to ensure the continuation of the program into 2011 without
disruption of services.

These programs are vital to both the mental health and developmentally disabled population and
are the only programs of their nature in Suffolk County. For the Single Point of Access Housing
Program alone, over 192 people with severe and persistent mental illness are served every year
through the mediation project. This service includes contacts with housing providers, case
managers, treatment staff, family members, and the client all toward resolving the complicated
problems associated with this population. For example, the mediation project of Suffolk
Community Council works closely with Nassau Suffolk Law Services to prevent evictions. No
one else provides this service. The Council works on processing housing applications and
maintaining the Clearinghouse database. Without the transition to the United Way of Long
Island, Inc. for the remainder of the contract term (January 1 through December 31, 2011), these
vital programs will cease entirely on December 31, 2010.

We respectfully request consideration of a Certificate of Necessity to continue the program
without interruption into 2011.

Instructions: All departments requesting a Certificate of Necessity must submit this form along with
the resolution and explanation to Suffolk County Executive Office, Intergovernmental Relations.

RE: Resolution Request along with a Certificate of Necessity

Dear Mr. Crannell:

I request the introduction of the enclosed Resolution to amend the 2011 Adopted Operating Budget to transfer funding from programs operated by Suffolk Community Council to the United Way of Long Island, Inc. These programs provide mediation and housing services to the mentally ill and developmentally disabled consumers of Suffolk County. A Certificate of Necessity is included to ensure the continuation of these vital services in 2011.

I enclose a financial impact statement and other back-up documentation for this Resolution. If you have any questions on the enclosed, please call Anthony Rotundo at 3-8517. Shinnecock East County Park

LATITUDE: 40.84441
LONGITUDE: -72.47103

DAMAGE DESCRIPTION AND DIMENSIONS:

PA-02-NY-1899-PW-00524(0):

During the incident period (March 13-31, 2010) of the declared event, flooding and strong winds severely eroded dunes and beach at Shinnecock East County Park. The damages to the applicant's owned and maintained facility include: □ Loss of 415 ft of 25 ft wide by 6 ft high dune along the park access road from 40.845197, -72.469463 to 40.844529, -72.470690 □ Loss of 100 ft of 10 ft wide by 4 ft high dune along the park access road from 40.844529, -72.470690 to 40.844407, -72.471026 Latitude, longitude in the previous section reflects the beginning of damage, which continues to 40.844407, -72.471026. Loss of the aforementioned dune has placed the paved park access road at risk of damage from a five-year storm.

SCOPE OF WORK:

PA-02-NY-1899-PW-00524(0):

Work to be Completed: Applicant will use force account labor to place an emergency protective berm along the 515 ft stretch of shore north of the park access road. Assuming a standard wedge to be placed against the remaining dune, the volumes of sand to be placed are as follows: 25 ft wide x 6 ft tall x 1 ft if = 75 cf per ft / 27 cf per cy = 2.78 cy per ft x 415 if = 1,154 cy of sand to be placed from 40.845197, -72.469463 to 40.844529, -72.470690 10 ft wide x 4 ft tall x 1 ft if = 20 cf per ft / 27 cf per cy = 0.74 cy per ft x 100 if = 74 cy of sand to be placed from 40.844529, -72.470690 to 40.844407, -72.471026 Total sand for project = 1,154 cy + 74 cy = 1,228 cy, which approximates pre-disaster conditions. Compatible beach sand to be obtained from a DEC approved source, TBD. Cost to place and shape the sand, using a 55 h.p. wheeled loader, were obtained from "Get-A-Quote" (http://www.get_a_quote.net), 2009 National Construction Estimator, page 605, see attached. MEMORANDUM

TO: Ken Crannell, Deputy County Executive

FROM: James Peterman, P.E., Chief Deputy Commissioner

SUBJECT: Appropriating Funds in the 2011 Capital Budget and Program for the purchase of Sewer Facility Maintenance Equipment (CP 8164)

DATE: January 7, 2011

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW-CP 8164 – Sewer Maintenance Equipment 1-7-11 and backup filed as Backup DPW-CP 8164 – Sewer Maintenance Equipment 1-7-11. The resolution transfers from the 2011 Operating Budget $1,000,000 for sewer maintenance equipment per the attached list, and authorizes an increase in the number of vehicles in the Sanitation fleet. This Capital Project is for the purpose of ensuring that the proper sewerage facility maintenance equipment for various districts is available. The majority of this equipment is associated with the sewer system response, rehabilitation and repair. Attention and focus has been increasing annually as the 1,250 miles of sewers require attention and regulations concerning maintenance are implemented.

We request this resolution be laid on the table at your convenience.

MEMORANDUM

TO: Ken Crannell, Deputy County Executive

FROM: James Peterman, P.E., Chief Deputy Commissioner

SUBJECT: A Draft Resolution Transferring Funds from the Assessment Stabilization Reserve Fund, and Appropriating Funds in Connection with Improvements to Suffolk County Sewer District No. 23 – Coventry Manor (CP 8149)

DATE: January 10, 2011

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW CP 8149 SD #23 – Coventry Manor ASRF Improvements dated 1-10-11 and backup filed as Reso-Backup DPW CP 8149 SD #23 – Coventry Manor ASRF Improvements dated 1-10-11. The resolution transfers Assessment Stabilization Reserve Funds for construction purposes. It is noted that a public hearing was held indicating that the project amount of $1 million was necessary to perform the project.

During 2010, additional planning funds were requested and at this time construction funds are insufficient to implement the project and have been included in the 2011 Adopted Capital Program. As we have indicated in past resolutions based on the guidance of the County Attorney’s office due to the use of the Assessment Stabilization Reserve Funds, there will be no fiscal impact to the benefited properties based on the Suffolk County Assessment Stabilization Reserve Fund allowing all residents of the sewer district to experience only a 3% annual increase regardless of any improvements performed, therefore, will not jeopardize the project hearing process. This resolution, therefore, appropriates the additional construction funding of $250,000.

We would appreciate the draft resolution being laid on the table at your convenience.

RESOLUTION NO. -2011, TO REPEAL RESOLUTION NO. 652-1997 WHICH ABOLISHED THE CHARGING OF LEGAL FEES BY THE DEPARTMENT OF LAW IN CHILD SUPPORT SERVICES (CSS) CASES

WHEREAS, by Resolution No. 652-1997, this Legislature directed that the Department of Law no longer charge legal fees for legal assistance rendered to parents in Child Support Services (CSS) cases; and

WHEREAS, the Department of Law has heretofore provided legal services in these cases pursuant to a retainer agreement with the recipients of such legal services, and

WHEREAS, this Legislature is cognizant that in August 2009, the New York State Legislature passed and the Governor signed into law Chapter 343 of the 2009 Session Laws of New York known as the "Child Support Modernization Act" which, among other provisions, amended Social Services Law §111-c by adding a new subdivision 4 as follows:

SSL §111-c (4)

4. a. A social services district represents the interests of the district in performing its functions and duties as provided in this title and not the interests of any party. The interests of a district shall include, but are not limited to, establishing paternity, and establishing, modifying and enforcing child support orders.

b. Notwithstanding any other provision of law, the provision of child support services pursuant to this title does not constitute nor create an attorney-client relationship between the individual receiving services and any attorney representing or appearing for the district. A social services district shall provide notice to any individual requesting or receiving services that the attorney representing or appearing for the district does not represent the individual and that the individual has a right to retain his or her own legal counsel.

WHEREAS, this Legislature is cognizant that the New York State Office of Temporary and Disability Assistance has now promulgated a final Administrative Directive, 10-ADM-02, entitled "Legal Services and Cost Recovery for Recipients of Child Support Services", which became effective on March 23, 2010, and which requires that the cost of providing legal services must be billed to and recovered from the individual receiving such services, except in a situation where the court has ordered the noncustodial parent to pay counsel fees; and

WHEREAS, Administrative Directive, 10-ADM-02, mandates that legal services must be provided in the same manner for both local and interstate cases; and
WHEREAS, Administrative Directive 10-ADM-02 states that federal law permits states to recover costs beyond an application fee and that New York has elected to recover costs through an actual costs methodology if the legal services are procured through a cooperative agreement; and

WHEREAS, Administrative Directive 10-ADM-02 directs that legal services, provided by a county attorney's office be pursuant to a cooperative agreement; now, therefore, be it

1st RESOLVED, that in light of the amendment to Social Services Law §111-c and the promulgation of Administrative Directive 10-ADM-02 by the NYS Office of Temporary and Disability Assistance, Resolution No. 652-1997 is repealed in order that the Department of Social Services and the Department of Law may take the necessary steps to comply with the requirements of SSL §111-c and 10-ADM-02 in the provision of legal services in both local and interstate child support cases.

SCIN FORM 175b (10/95)
SUPPORTING DOCUMENTATION FOR PROPOSED RESOLUTION TO REPEAL

RESOLUTION NO. 652-1997

Federal regulations allow States to recover the cost of legal services in non-public assistance cases from child support collected on behalf of the custodial parent. From 1988 – 1993, legal services were provided free of charge in these cases by Nassau/Suffolk Law Services under a NYS DSS sponsored pilot “Legal Assistance Program.” Nassau/Suffolk Law Services was overwhelmed by the number of requests for legal services and when the pilot program ended, all clients were then represented by the County Attorney. Owing to the high volume, enhanced staffing went to the CA, justified by the fact that some costs could be recovered from child support collections under federal and state law and regulations. Costs were recovered on all cases with collections regardless of the financial situation of the recipient. In 1997, the Suffolk County Legislature sought to establish income guidelines to be used in cost recovery. It was determined that this was contrary to state policy, requiring services be provided equally to all clients regardless of their income levels. Resulting county legislation (Resolution No. 652-1997) directed Suffolk CSEB to cease recovering the costs of legal representation from all CSEB clients.

Recent amendments to Social Services Law §111-c now clearly provide that the attorneys for the social services district shall represent the district, not the individual recipient of child support services. Further, the provision of legal services does not create an attorney-client relationship between the attorney for CSEB and the child support services recipient. State-wide enabling regulations, which were long awaited, require the recovery of the cost of legal services from the child support of the non-public assistance client in both local and interstate cases, except in very limited situations. The new legislation and regulations mandate the need for the attached resolution, which will allow Suffolk to be in compliance with the most recent requirements of Social Services Law and state-wide regulations.
RESOLUTION NO. 552 - 1997, TO REPEAL RESOLUTION NO. 35-1997, IN CONNECTION WITH COUNTY DEPARTMENT OF LAW FEE SCHEDULE FOR LEGAL ASSISTANCE TO PARENTS IN CHILD SUPPORT CASES

WHEREAS, federal law has been changed in such a manner as to render Resolution No. 35-1997, a "Resolution Directing the County Department of Law to Reform Fee Schedule for Legal Assistance to Parents in Child Support Cases," unnecessary; now, therefore, be it

RESOLVED, that Resolution No. 35-1997, a "Resolution Directing the County Department of Law to Reform Fee Schedule for Legal Assistance to Parents in Child Support Cases," is hereby repealed in its entirety, effective immediately; and be it further

RESOLVED, that nothing contained herein shall affect the validity of any fees heretofore collected pursuant to Resolution No. 35-1997.

(Rev. 3/2010)
Section 2

I. **Summary**

This administrative directive provides the local district Child Support Enforcement Unit (CSEU) with procedures to obtain legal services, provide legal services to requesting child support services recipients (hereafter referred to as “CSS recipients”), and recover costs of those services.

II. **Purpose**

The purpose of this administrative directive is to provide procedures and forms for obtaining legal services for the child support program, for providing legal services to requesting CSS recipients and for recovering the costs for providing those legal services.

III. **Background**

Under federal and State law and regulation, child support enforcement services must be made available by the child support enforcement program operated in compliance with Title IV-D of the Federal Social Security Act (Title IV-D) equally to both public assistance recipients and non-public assistance recipients. If the children are not in receipt of public assistance, either the custodial or noncustodial parent may apply for such services. Federal law requires that services under the State plan must be made available to any eligible individual who files an application (45 CFR 302.33(a)). Under State law, legal services must be made available by the CSEU to all persons applying for services pursuant to Social Services Law (SSL) § 111-g (CSS recipient).

On August 11, 2009, the Governor signed Chapter 343 of the Laws of 2009, the “Child Support Modernization Act.” The bill was effective immediately. Among other things, the bill clarifies that an attorney representing or appearing for the district, (hereafter referred to as the “CSEU attorney”) does not represent the CSS recipient in a traditional attorney-client relationship but rather represents the child support agency in performing its functions and duties.

As originally conceived in the 1970s, child support enforcement programs operating in compliance with Title IV-D were responsible for establishing paternity and obtaining support for custodial parents. Over the last several decades, the Title IV-D program has expanded to require state certified programs to provide services to both custodial and noncustodial parents and the caseload composition has changed from predominantly public assistance families to former or never-assistance families. Attorneys providing legal services to the IV-D program are generally government employees (county attorneys or local county department of social services employees) or are under contract
with local governments. In order to fulfill this expanded role and ensure compliance with attorney ethical obligations, the child support enforcement attorney's role has been clarified in states nationwide to provide that the IV-D attorney and the IV-D staff do not represent individual parties but instead represent the agency with respect to the delivery of IV-D services, and specifically to establish paternity and establish, modify and enforce orders of support.

Legal services to establish paternity, and establish, modify or enforce child support must be provided to all CSS recipients who request such services, and must be provided in the same manner for both local and interstate cases. Either the custodial or the noncustodial parent may apply for child support services, including legal services. Local district child support programs must ensure that there are sufficient numbers of attorneys available to provide legal services (see 18 NYCRR 347.17 and 45 CFR 303.20(f)).

Legal services may be provided by the local district DSS attorney's office, by the county attorney by cooperative agreement, or by a purchase of service agreement with a private attorney or not-for-profit legal services attorney.

Federal law allows states to recover costs beyond an application fee, either by recovering the actual cost of the services or a standardized cost (42 USC § 654(E) (ii)). A state that recovers standardized costs must develop a written methodology to determine standardized costs which are as close to actual costs as is possible (45 CFR § 302.33(d)(2)). New York has elected to recover costs through the standardized costs methodology if the cost is incurred by a DSS attorney, or actual costs if the service is procured through a cooperative agreement or a purchase of services agreement. This administrative directive will provide a methodology for determining costs that can be recovered either from the noncustodial parent or from the custodial parent.

Information about cooperative agreements and cost recovery are consolidated into this administrative directive and replace the existing instructions found in 77 ADM 20 and 85 ADM 32.

IV. Program Implications

Local districts must review current procedures for obtaining and providing legal services to CSS recipients and ensure compliance with the statute and regulation and these instructions. Implementation of these procedures will ensure that CSS recipients who request legal services for child support are provided legal services in the same manner for both local and interstate cases.

V. Required Action

A. CSEU Procedures for Obtaining Legal Services

1. CSEU Options for Legal Services
Legal services for child support may be obtained through the DSS attorney, the County Attorney’s Office by cooperative agreement, or by purchase of service agreement with a private attorney or not-for-profit legal services attorney.

Federal regulations established specific criteria in 45 CFR 303.107 which all cooperative agreements and purchase of service agreements must meet to be eligible for federal reimbursement under the Title IV-D program. Attachment 1, Cooperative Agreement/Purchase of Services Agreement, provides local districts with a sample contract that includes necessary federal and State requirements that must be used when developing a cooperative agreement for legal services. A Purchase of Service Agreement may be based on the draft Cooperative Agreement/Purchase of Services Agreement as well. Additionally, local districts should review Chapter 5 of Volume 3 (Volume 4 for New York City) of the Fiscal Reference Manual for information about cooperative agreements.

Note: All child support enforcement services cooperative agreements and purchase of service agreements are subject to prior approval by DCSE, and must be sent to DCSE’s Bureau of Program Operations for prior approval.

2. Clarification of No Attorney-Client Relationship

a. Services Provided

When a CSS recipient applies for legal services, they are requesting that an attorney appear on behalf of the child support agency and provide assistance to the CSEU in the child support matter. The attorney providing legal services does not represent the individual requesting services in a traditional attorney-client. Instead, the attorney represents the CSEU for the purpose of helping it perform its statutory functions. A limited exception to this rule is set forth below in V.A.2.c. These functions include establishing paternity, establishing or modifying child support obligations in accordance with the Child Support Standards Act, and enforcing child support obligations. The assistance of counsel may be very beneficial to the individual requesting legal services, but it also creates an additional cost. The CSS recipient will be required to reimburse the CSEU for this cost, as set out below.

The provision of legal services to CSS recipients requesting such services does not create an attorney-client relationship with the CSEU attorney. A limited exception to this rule is set forth below in V.A.2.c. Either the custodial or the noncustodial parent may apply for child support services, including legal services. As in cases where the custodial parent has applied for public assistance and assigned his or her child support rights, no attorney/client
privilege or right to confidentiality in communications between the CSEU attorney and the CSS recipient exists. The Right to Recovery Agreement for Legal Services form (Attachment 2, Attachment 3 for a Spanish version) provides an explanation and a disclaimer that any legal services provided by CSEU attorneys are provided to the CSEU, not to the CSS recipient individually. The notice advises that if at any time the CSS recipient’s interests are different from the CSEU’s, the attorney’s role is to represent the interest of the CSEU.

It is important that the CSEU attorney, when providing legal services, clearly disclose his or her role to the CSS recipient at each appropriate opportunity. Full disclosure can eliminate honest misunderstandings or the creation of an implied attorney-client relationship. The CSEU attorney should not by word or conduct imply that an attorney/client relationship exists. The Right to Recovery Agreement for Legal Services form also advises the CSS recipient that they may obtain a private attorney to represent their interests.

In order to avoid the creation of an implied attorney-client relationship, it is also important that staff is trained about the delivery of legal services and should not suggest to the CSS recipient that the CSEU attorney is the CSS recipient's attorney. Instead, CSEU staff should be reminded to refer to the CSS recipient as "customers" or "recipient of services" rather than "clients." The CSEU attorney should do the same.

In providing legal services to the CSEU in CSS cases, the attorney should seek to achieve the goal of the child support program - to ensure that children receive appropriate financial and medical support. The Child Support Standards Act (CSSA) guideline percentages provide the presumptively correct amount of support. The attorney should generally seek a guidelines order and enforce that order according to its terms. As in cases where the child is in receipt of public assistance, the attorney should prepare for trial, call witnesses, offer evidence and take all necessary steps to establish, modify or enforce a child support order.

However, unlike the public assistance case, the person receiving services has the ultimate financial interest, and may also participate in the hearing, testify on his or her own behalf and offer evidence. The parents may stipulate to a non-guidelines award. The CSEU attorney should assist the court in making sure that the agreement meets the requirements to deviate (opt-out) from the guidelines (FCA 413(h)). This assists in ensuring that the parties make an informed decision. The court should review agreements to ensure
that they are in the best interests of the child and meet the statutory requirements.

The CSEU attorney should object to an agreement of the parties that is contrary to state law and Title IV-D requirements (i.e., direct payments in a SSL § 111-g case, stays on enforcement, suspended orders, repayment schedules or alternate additional amounts). The attorney should object to any order that directs the CSEU to act or refrain from acting in a manner inconsistent with program requirements.

b. Transition of Existing Cases

If the CSEU provided legal services in a manner that created an attorney-client relationship between the CSS recipient and the attorney, the CSEU attorney will need to ensure that there is no conflict of interest arising from the prior representation. Counsel should review the requirements of Rules 1.6, 1.9, and 1.11 of the Rules of Professional Conduct. Counsel may not reveal confidential information or use such information to the disadvantage of a CSS recipient or for the advantage of the lawyer or a third person unless the CSS recipient gives informed consent.

If the lawyer (including his or her present or former law office) formerly represented a CSS recipient, he or she must determine if the new application for services involves the same or a substantially related matter in which the CSS recipient's interests are materially adverse to the interests of the CSEU. If so, the attorney cannot appear on behalf of the CSEU unless the CSS recipient gives informed consent, confirmed in writing. The consent should authorize the CSEU attorney to use confidential information of the former CSS recipient protected by Rule 1.6. A sample consent form is attached as Attachment 11. Absent informed consent of the CSS recipient as required herein, the attorney shall not provide legal services.

If the attorney must recuse him or herself due to a conflict of interest, and if the recipient of services does not sign the waiver but still wants legal services (by checking option #2 on Attachment 11), then alternate arrangements will have to be made by the child support agency. Paragraph (b) of rule 1.11 of the Rules of Professional Conduct provides guidance as to when another attorney in the DSS legal bureau or the county attorney's office may provide legal services:

1.11(b) When a lawyer is disqualified from representation under paragraph (a), no lawyer in a firm with which that
lawyer is associated may knowingly undertake or continue representation in such a matter unless:
(1) the firm acts promptly and reasonably to:
(i) notify, as appropriate, lawyers and non-lawyer personnel within the firm that the personally disqualified lawyer is prohibited from participating in the representation of the current client;
(ii) implement effective screening procedures to prevent the flow of information about the matter between the personally disqualified lawyer and the others in the firm;
(iii) ensure that the disqualified lawyer is apportioned no part of the fee therefrom; and
(iv) give written notice to the appropriate government agency to enable it to ascertain compliance with the provisions of this Rule; and
(2) there are no other circumstances in the particular representation that create an appearance of impropriety.

If compliance with this rule is not possible, the CSEU will be required to procure outside counsel to provide legal services on the case.

c. Special Considerations: Not-for-profit legal services

A CSEU may elect to enter into a purchase of service agreement with a not-for-profit legal services corporation or agency (Corporation or Agency) to provide legal services for the establishment of paternity and the establishment, modification and enforcement of support in accordance with Title IV-D. Where the provision of legal services by such Corporation or Agency would be precluded because of conflict of interest barriers, the CSEU may elect to structure the delivery of legal services by the Corporation or Agency under a purchase of services agreement with the CSEU in a manner that does not require such Corporation or Agency to represent the district in providing legal services to CSS recipients and permits the creation of an attorney-client relationship between the CSS recipient and the Corporation or Agency attorney. All other requirements of this ADM are applicable to such arrangements including the recovery of costs for legal services. Any form adaptations necessary for implementing the legal services requirement in such manner will require the prior approval of DCSE and must be sent to DCSE's Bureau of Program Operations for such approval.

Districts are reminded of their responsibilities to secure compliance with Title IV-D state plan requirements by any entity or person under contract with the district including compliance with Title IV-D confidentiality requirements.
3. Calculating Costs of Legal Services

A standard hourly rate must be set for child support legal services as follows:

a. Legal Services Costs if Provided by DSS Attorney

When the CSEU attorney is the DSS attorney, the DSS attorney’s standardized hourly rate for legal services can be obtained from information provided on the LDSS-2347, "Schedule D, DSS Administrative Expenses Allocation and Distribution by Function and Program." The Worksheet to Calculate the DSS Attorney Hourly Rate for Legal Services (Attachment 4) is provided to assist local districts with the calculation. The CSEU may use the standardized rate for the individual attorney assigned to a case, or the average standardized rate for all attorneys that provide legal services in CSS cases.

b. Legal Services Costs if Provided by County Attorney or Private Attorney

When a local district provides legal services by a cooperative agreement with the County Attorney’s Office or by a purchase of services agreement with a private attorney or not-for-profit legal services attorney, the agreement must set forth an hourly rate that will be charged for legal services. The hourly rate charged for legal services by the County Attorney’s Office should be a standardized rate that is as close to actual costs, including salary, fringe benefits and administrative overhead, as possible. While the Worksheet to Calculate the DSS Attorney Hourly Rate for Legal Services (Attachment 4) cannot be completed line-by-line by the County Attorney’s Office, it can be used as a guide to assist in calculating the hourly rate based on actual costs. The rate charged by either the private attorney or not-for-profit legal services attorney must also be reasonable and representative of the usual costs of legal services in the community. For example, in some counties, private attorneys agree to represent persons applying for legal services at the same hourly rate as assigned counsel or law guardians (currently $75.00 per hour).

The hourly rate will be the basis for the recovery from the person receiving services.

The hourly rate for services set forth in the Right to Recovery Agreement for Legal Services form shall continue throughout the duration of the support proceeding regardless of any change in rates that may occur.
c. Attorney Notification to Support Collection Unit (SCU) of Attorney Costs

The attorney must provide the SCU with an itemized statement based on their records for the total hours required to provide legal services. The *Time Record for Legal Services Provided* (Attachment 5) is provided to assist attorneys with providing and maintaining these records. Attorneys should record the services provided and the time expended contemporaneously with the provision of the services; these records should not be created after the services have been rendered. At the conclusion of the case the attorney must determine the total hours expended and provide the SCU with the information necessary to advise the CSS recipient of those total costs and perform the necessary account adjustments. The attorney should complete and provide the SCU with the *SCU Notice of Total Costs for Legal Services* (Attachment 6) and a copy of the *Time Record For Legal Services Provided* (Attachment 5).

B. CSEU Procedures for Providing Legal Services to CSS Recipients

1. Eligibility for Legal Services

   a. CSS Applicant/Recipients

      The CSEU must make available legal services as described in section V.B.3. to establish paternity and establish, modify, adjust, or enforce child support to CSS applicant/recipient who sign a *Right to Recovery Agreement for Legal Services*. CSS applicant/recipient are individuals who have applied for child support services pursuant to SSL § 111-g or who are no longer in receipt of public assistance, Medicaid or foster care but are continuing to receive child support services and request legal services.

   b. Interstate Cases

      The CSS recipient may have or be applying for services in New York State, including directly from another state or through a child support program in another state. In any case, a request for legal services must be accommodated by having the CSS recipient complete a *Right to Recovery Agreement for Legal Services* as provided in section V.B.2. A person receiving child support services in another state must receive the same services as a person who applies for child support services in New York.
c. International Cases

Per 42 USC 654, section 454(c) of the federal Social Security Act, there cannot be any fees imposed in international child support cases to a party living in another country. Therefore, legal services should be provided without cost recovery on all such cases. This does not apply to parties living in other countries who apply directly to New York for child support services, nor does it apply to parties residing in New York on international cases. It only applies to parties living in other countries who apply for child support services to the foreign country's child support agency. These cases should be handled similarly to other cases in that services should be provided on all applicable cases, but no cost recovery will take place.

2. Requests for Legal Services

a. CSS Applicants/Recipients

To request legal services, a CSS applicant/recipient must sign the Right to Recovery Agreement for Legal Services portion of the "Application for Child Support Services" (LDSS 2521 or the new application/referral LDSS 4882, when available), or by signing a separate Right to Recovery Agreement for Legal Services form (LDSS 4920) for interstate cases or for cases where an application is already on file. Copies of LDSS 4920 and the LDSS 4920 SP, the Spanish language version of the form are attached (Attachments 2 and 3, respectively). A Right to Recovery Agreement for Legal Services must be completed each time a CSS recipient makes a new request for legal services. This will ensure that they are aware of any changes to the hourly rate.

b. Interstate Cases

Although New York has notified other jurisdictions of its cost recovery policy and provided the Right to Recovery Agreement for Legal Services form, it is possible for an out-of-state local support agency to be unaware of the need to submit a Right to Recovery Agreement for Legal Services form. It is recommended that the CSEU or the CSEU attorney forward a Right to Recovery Agreement for Legal Services form, including the hourly rate of legal services, to the out-of-state local agency. If the transmittal package does not include a request to testify electronically, it is recommended that the CSEU or the CSEU attorney send a request for electronic testimony to persons receiving services that reside in other states.
International Cases

A Child Support Enforcement Transmittal #1 received from a foreign country is sufficient to provide legal services for these cases. No separate Right to Recovery Agreement for Legal Services form is required.

3. Legal Services Subject to Cost Recovery

a. Legal Services Costs that are Recoverable

Costs that may be recovered for reasonable and usual legal services rendered in the course of the child support proceeding include:

i. reviewing the file or petitions, discovery, and preparation for court appearances and hearings;
ii. court appearances and hearings;
iii. client conferences, correspondence, discussions with opposing counsel, etc;
iv. drafting letters/notices, drafting and filing objections/appeals, assisting with the creation of non-standard petitions, and orders prepared by counsel’s office; and
v. presenting objections and appeals.

b. Non-Recoverable Legal Services Costs

Costs that may not be recovered for legal services related activities include:

i. drafting petitions (except in circumstances where the complexity of the issues requires that it be prepared or reviewed by counsel’s office);
ii. service of process;
iii. drafting orders (unless prepared or reviewed by counsel’s office); and
iv. preparing and issuing administrative subpoenas.

New York regulations do not permit recovery of other costs or expenses associated with providing legal services, such as filing fees. Such costs are program administrative expenses.

4. Recovery of Costs for Legal Services

a. Costs Recovered from CSS Recipient

Costs recovered from the CSS recipient who is a custodial parent can only be recovered from support collected: 1) at the rate of 25%
of the current child support obligation amount; 2) if there is no current support obligation, an amount equal to 25% of the former current support obligation amount; or 3) if there never was a current support obligation, at a rate of 25% of the additional amount determined pursuant to 18 NYCRR 347.9(e), until such time as the CSEU is reimbursed for the total cost of legal services provided.

If legal services are provided at the request of a CSS recipient who is a noncustodial parent, he or she must pay the CSEU: 1) at the rate of 25% of the current child support obligation amount; 2) if there is no current support obligation, an amount equal to 25% of the former current support obligation amount; or 3) if there never was a current support obligation, at a rate of 25% of the additional amount determined pursuant to 18 NYCRR 347.9(e), until such time that the CSEU is reimbursed for the total cost of the legal services provided.

b. **CSS Recipient Notice of Legal Services Hourly Rate**

Before signing an agreement the CSS recipient should review the *Right to Recovery Agreement for Legal Services* (Attachment 2) with the CSS recipient to ensure that they understand the legal services disclaimer, the hourly rate which the CSEU should include in the Agreement, and the method of recovering the cost of legal services. If the CSS recipient has questions, he or she should be referred to the appropriate staff person or attorney for clarification.

c. **CSS Recipient Notice of Total Costs of Legal Services Provided**

At the conclusion of the proceedings, the CSS recipient must be advised of the total cost of legal services rendered. Once the SCU receives the *SCU Notice of Total Costs for Legal Services* and the *Time Record for Legal Services Provided* from the attorney, local districts should complete and mail to the CSS recipient the *Notice of Total Costs for Legal Services* (Attachment 7 for custodial parents and Attachment 8 for noncustodial parents) to advise the CSS recipient of those total costs and the manner in which they will be recovered.

d. **Court Ordered Counsel Fees from Noncustodial Parent**

Family court has discretion to award counsel fees to the custodial parent or DSS in proceedings to establish paternity or establish, modify, or enforce an order of child support. See Family Court Act (FCA) sections 438(a) and 536. However, if the noncustodial parent is found to be in willful violation of a child support order,
the court “shall” order payment of counsel fees; including costs incurred pursuant to a Right to Recovery Agreement for Legal Services form. See FCA sections 438(b) and 454(3). Where appropriate, counsel must request the court to order counsel fees to be paid by the noncustodial parent. The CSEU attorney should request that the court order a payment schedule and state in the disposition of the order that payments must be made as directed by the SCU. Any counsel fees ordered to be paid by the noncustodial parent should not be assessed to or recovered from the CSS recipient.

e. Notice to Noncustodial Parent of Court Ordered Payments for Counsel Fees

When the court orders the noncustodial parent to pay counsel fees, the SCU must create a separate account for the court ordered payments as explained under section V.B.5. The Notice of Court Order for Counsel Fees (Attachment 9) should be completed and sent to the noncustodial parent advising of the obligation, payment schedule, date to begin payments, account number, and how to make payments.

f. Enforcement of Court Ordered Counsel Fees or the Cost of Legal Services from Noncustodial Parents

If the noncustodial parent does not pay court awarded counsel fees or repay the cost of legal services under the Right to Recovery Agreement for Legal Services, the amount due may not be enforced using regular child support enforcement tools. Instead these amounts must be enforced by other means permitted by law.

When the court orders the noncustodial parent to pay counsel fees it should state the manner in which the fees should be repaid. The issuing court may enforce such a provision directly, using its contempt powers. The court may also reduce the amount due to judgment, and the debt may be enforced using the general enforcement provisions of Civil Practice Laws & Rules (CPLR) Article 52.

However, the family court does not have jurisdiction to enforce an agreement to repay the cost of legal services costs. This debt arises from the Right to Recovery Agreement for Legal Services Agreement and would be enforced as a contract action in civil court. The court would reduce the amount due to a judgment, enforceable under the general enforcement provisions of CPLR Article 52.
5. CSMS Account Creation/Adjustments for Legal Services Costs

The following actions should be taken for creating and adjusting CSMS accounts to address legal services costs:

a. Costs Payable by the Custodial Parent CSS Recipient

If the court does not order counsel fees to be paid by the noncustodial parent (section V.B.5.b.), the ledger for recovery of legal services costs from the CP should be set up as follows:

i. An account should be created (or adjusted if it exists) with a ledger for the current support payable to the CP/CSS recipient (e.g., 11BW ledger). The obligation amount on this ledger should be 75% of the amount indicated for current support in the order. The distribution switch, located in the DIST-SW field on the individual ledger screen, should be set to a “1” (disburse all applied per court order), and the billing switch, located in the BILL-SW field on the IVDQRY screen, should be set to a “4” (same as 1, except income execution amount is greater than zero).

ii. A sub-account (ledger) should be created for the "fee for services" payable to DSS with a ledger type 24CZ (DSS Voluntary Agreement Arrears, Non-IV-D Fee for Service). The obligation amount on the 24CZ ledger should be 25% of the current support obligation amount as indicated in the order or in an arrears-only case, the former current support obligation, or in a never current support case, at a value of 25% of the additional amount.

iii. The total "fee for services" rendered should be entered on the 24CZ ledger as an Arrears Set At Balance (ASAB), via a 62 Batch Type.

iv. When the NET DUE on the 24CZ equals the ASAB, increase the obligation amount on the 11BW ledger by the obligation amount on the 24CZ ledger and set the obligation amount on the 24CZ ledger to 0.00. A district can monitor this by setting a tickler date when these two fields are expected to be equal.

v. When the ASAB on the 24CZ ledger reaches zero, the message “ARREARS SATISFIED” will appear on the Daily Action Listing and the status of that ledger, located in the STATUS field, should be changed to “03” (terminated). When this happens, increase the obligation amount on the
11BW ledger by the obligation amount on the 24CZ ledger, or 100% of the current support order obligation, if the situation in section V.B.5.a.iv. has not already occurred.

vi. Each payment received by the SCU will be credited to the account based on the normal distribution hierarchy. This would cause CSMS to account for, apply, and disburse the payments following the normal distribution rules.

vii. The total applied amount for the 24CZ ledger appears on the MADE AND RETAINED NON-IV-D FEE FOR SERVICES roll and should be reported on line 17 "Deductible Collection Costs" of the Schedule D-8.

b. Costs Payable by the Noncustodial Parent

If the noncustodial parent is receiving CSS services or if the court orders the noncustodial parent to pay counsel fees, the legal services costs are not recovered as a portion of a child support payment and are not enforceable as child support. For example, an income execution cannot be issued to recover the cost. Therefore, the noncustodial parent is responsible for making payments as ordered by the court or pursuant to the Right to Recovery Agreement for Legal Services.

i. An account should be created for the noncustodial parent (if one does not already exist) with a ledger for the current support payable to the client (e.g., an 11BW ledger). The obligation amount on this ledger should be the amount indicated in the order. The DIST-SW field should be set to a "1" and the BILL-SW field should be set to a "4."

ii. A sub-account should be created for the legal services costs payable by the noncustodial parent to DSS with a ledger type 24C or a 34C if the NCP is ordered to repay a custodial parent’s private attorney. If the order is for arrears only, create a 12BW ledger for the amount of arrears that were established. The obligation amount on the 24C or 34C ledger should be the amount indicated for legal services in the order.

iii. The total costs payable by the noncustodial parent should be entered on the 24C or 34C ledger as an ASAB, via a 62 Batch Type.

iv. The noncustodial parent must be notified on how and where to make payments for legal services. Local districts should use the Notice to Noncustodial Parent of Total
Costs of Legal Services (Attachment 8) or Notice of Court Order for Counsel Fees (Attachment 9) to provide the noncustodial parent with payment instructions.

VI. Systems Implications

None.

VII. Additional Information

A. Fiscal Claiming of Recovery of Costs of Legal Services

When a recovery is made from the CSS recipient, the dollar amount is considered to be a reduction in child support administrative costs (unless a private attorney or non-for-profit legal services attorney was providing the legal services and the cost of those services was not claimed as an administrative expense). Therefore, the actual amount recovered is a deductible collection cost and must be reported on Schedule D-8, Line 17, Section 2. This is found under administrative expenditures for the Child Support Program (the F-8 function) and is claimed on Schedule D-8 (LDSS-2547) Allocation for Claiming Title IV-D Child Support Activities & Support Collection Unit Expenditures. Any recovery amounts received during a month should be credited against the child support administrative costs for the same month.

Instructions for cooperative agreements may be found in the Fiscal Reference Manual, Volume 3 (Volume 4 for NYC) County Cost Allocation Plan, Chapter 5. Instructions for the Schedule D are found in Chapter 7; instructions for time records are found in Chapter 4; and instructions for completing Schedule D-8 are found in Chapter 15.

B. Legal Representation on Objection or Appeal

Legal services include those for objections or appeals from an order when appropriate. Attachment 10 is a memorandum which discusses legal representation on objection or appeal, and may be referenced by attorneys when considering this issue.

C. Obtaining Notices/Forms

All notices included with this ADM will be available through ERS or may be locally reproduced from the publication of this ADM. In order to ensure that use of the revised Right to Recovery Agreement for Legal Services begins in a timely manner, local districts must destroy all previous versions of this notice immediately, make copies of the attachment, and provide those copies to applicants/ recipients until the local district orders and receives, or otherwise prepares, a supply of the revised forms. This can be done in one of three ways.
1. **OTDA-876 Process:** local districts must request printed copies of the revised LDSS form by completing and submitting an OTDA-876 “Request For Forms or Publication,” to:
   
   Office of Temporary and Disability Assistance  
   BMS Document Services and Operational Support  
   P.O. Box 1990  
   Albany, New York 12201  
   Questions concerning ordering forms should be directed to BMS Document Services at 1-800-343-8859, ext. 4-9522.

2. **OTDA Intranet Website:** Documents may also be ordered via the intranet. To order the forms you must obtain an OTDA-876 electronically by going to the OTDA Intranet Website at http://otda.state.nyenet/, then to the Division of Program Support & Quality Improvement page and then to the PSQI E-Forms page, to the Bureau of Management Services section (this section contains the electronic OTDA-876). For a complete list of forms available for downloading, please refer to OTDA Intranet site: http://otda.state.nyenet/ldss_efoms/default.htm.

3. **Via E-Mail:** For those who cannot access OTDA’s intranet, the Internet e-mail address is: gg7359@otda.state.ny.us.

**VIII. Effective Date**

RE: Request for Introductory Resolution for 2011-2013 Capital Project 4080

We are requesting that the above referenced Capital Project (CP) be appropriated. This CP requires swift action as the equipment must be specified, ordered, purchased, received, inventoried and installed prior to the Federal Communications Commission (FCC) deadline of December 31, 2012. This mandate is linked to the Association of Public Communications Officials (APCO) Project 25 requirements for public radio spectrum frequency allocation.

This CP provides for one (1) mobile UHF high-band radio for each ambulance operated by volunteer fire departments and volunteer ambulance corps in the Suffolk County EMS System, and each hospital in the county. This is needed to comply with federal narrow banding specifications, making current ambulance radios, originally purchased by the Department of Health Services, obsolete. This action is necessary to maintain inter-operability across the EMS System, and provide for redundant form of radio communications to support the county’s 800 MHz Trunked Radio System, thereby enhancing our regional communications systems for ambulances, hospitals and the county’s dispatch center.

Thank you for your time and attention in this matter, please feel free to call (38308) or email Robert.delagi@suffolkcountyny.gov if you have any questions or require any additional assistance.

William is the CEO and founder of Classic Transportation located in Bohemia, New York. Bill started Classic with two station wagons in 1976 operating airport share rides in the New York metropolitan area. In 1983 Classic added motorcoaches. Classic Coach currently operates charters and scheduled daily line run service to Atlantic City from seventy pickup locations throughout Nassau, Suffolk, Brooklyn, and Queens. In February 2009, Bill purchased the assets of Hampton Luxury Liner, an upscale scheduled line service operating between the Hamptons and New York City. Classic Coach and Hampton Luxury Liner currently operate fifty pieces of equipment consisting of motorcoaches, minibuses, trolleys, and vans.

Bill has acted as a leader and innovator on a national basis concerning safety in commercial transportation as well as using technology in HOV share ride environment. Bill was featured on Good Morning America for using the Drivecam video camera feedback system. Bill is very active in various industry trade groups and associations. He is a past President of AGTA (Airport Ground Transportation Association). A few years back Classic received the prestigious International Operator of the Year award from AGTA. In addition, Bill Schoolman is spearheading the campaign against the MTA payroll tax to get the corrupt tax annulled. In December 2009, Bill filed a lawsuit in New York State Supreme Court against the Metropolitan Commuter Transportation Mobility Tax. NYS legislature levied this tax last year requiring employers to set aside .34 cents for every $100 in payroll costs. Employers were told to hand the money over to the badly plagued Metropolitan Transportation Authority. Mr. Schoolman has spoken to groups like business associations, trade associations, chambers, and civic associations about this corrupt tax and how to help get it annulled.

Bill has a bachelor's degree in Engineering from Lehigh University and a Masters degree in Engineering from the Polytechnic Institute of Brooklyn and was an adjunct professor at both Long Island University and Polytechnic Institute.

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of the State and any attempts to assign the contract without the State's written consent are null and void. The Contractor may, however, assign its right to receive payment without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6.a).

4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under any contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) FEDERAL EMPLOYER IDENTIFICATION NUMBER and/or FEDERAL SOCIAL SECURITY NUMBER. All invoices or New York State standard vouchers submitted for payment for the sale of goods or services or the lease of real or personal property to a New York State agency must include the payee's identification number, i.e., the seller's or lessor's identification number. The number is either the payee's Federal employer identification number or Federal social security number, or both such numbers when the payee has both such numbers. Failure to include this number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or New York State standard voucher, must give the reason or reasons why the payee does not have such number or numbers.

(b) PRIVACY NOTIFICATION.

(1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. The information is maintained in New York State's Central Accounting System by the Director of Accounting Operations, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. (b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein; and

(c) The Contractor shall seate, in all solicitations or advertisements for employees, that in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State; or (iii) banking services, insurance policies or the sale of securities. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which affects the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Governor's Office of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

1. For grant solicitations or direct grant awards announced before April 10, 2006, if this Agreement exceeds $15,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for $50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in writing and signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:
   A. For State funded grants:
      For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computer-produced workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher position and at the end of each time reporting period.
   B. For Federally funded grants:
      Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable.

The most current version of these Federal OMB Circulars may be viewed on-line at: www.whitehouse.gov/omb/circulars.

The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract which results in a change of greater than 10 percent to any budget category must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller. An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract which result in a change of 10 percent or less to any budget category, the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

2. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. A letter signed by the Chief Executive Officer or Fiscal Officer authorizing these changes must be submitted to DCJS with the next voucher or fiscal cost report submission.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.
10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed $450 per day (not including travel and subsistence costs). A rate exceeding $450 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.
B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services.

1. Consultant services that cost up to $999 under this grant agreement can be obtained at the Grantee's discretion.
2. Consultant services that cost between $1,000 and $4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.
3. Consultant services that cost between $5,000 and $9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.
4. A Grantee obtening consultant services that cost in excess of $10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.
C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.
B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.
C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.
2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to $999 at its discretion.
3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $1,000 and $4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.
4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between $5,000 and $9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.
5. A Grantee spending in aggregate of $10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.
6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module and print and submit such reports to DCJS/ODPF program representatives with the final program progress report or sooner. Alternatively, the Grantee may use the Equipment Inventory reports prescribed by DCJS to list equipment purchases and submit them to DCJS via postal service. Items of equipment costing less than $500 do not need to be reported on the Equipment Inventory Reports although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.
This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee’s accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS’ judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee’s failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. “1501 et seq.” as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reapportioned by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports and one final report to DCJS via the GMS system and additional information or amended data as required.

A. Program progress reports will be due within 45 days of the last day of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due within 45 days of the last day of the calendar quarter from the start date of the program.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:
Calendar Quarter; Report Due
January 1 - March 31; May 15
April 1 - June 30; August 15
July 1 - September 30; November 15
October 1 - December 31; February 15

B. The final report, or where applicable interim progress reports, will summarize the project’s achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the
full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges within 45 days after the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS’ approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- Schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Agreement;
- Appendix A, Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and
- Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year $500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

- OMB Circular A 21, Cost Principles for Educational Institutions;
- OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;
- OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;
- OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and
- OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee, additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: www.whitehouse.gov/omb/circulars.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the
Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

**Award Contract**

**Project No.** RE10-1036-D00

**Grantee Name** Suffolk County

**Reentry Task Forces and Enhanced Services**

**APPENDIX C**

**PAYMENT AND REPORTING SCHEDULE**

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.

2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted within 45 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Finance with its final fiscal cost report within 45 days of termination of this grant contract.

4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see http://www.criminaljustice.state.ny.us/ofpa/forms.htm). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.

5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law (http://caselaw.lp.findlaw.com/nycodes/c113/a19.html). Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Finance in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.

6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services
Office of Finance
4 Tower Place
Albany, NY 12203-3764

7. Payment Schedule

PAYMENT and PAYMENT DUE DATE

1: Pending appropriation, 30 days after commencement date of contract with proper documentation or upon receipt of proper documentation, whichever is later.

2-4: Quarterly

A not-for-profit Grantee operating on a multi-year contract may voucher for an optional fifth quarter advance against the succeeding year's appropriation, pursuant to NYS Finance Law, Section 179-u.

All submitted vouchers will reflect the Grantee's actual expenditures and will be accompanied by supporting detailed itemizations of personal service and non-personal service expenditures and other documentation as required, and by a fiscal cost report for the reporting period. DCJS reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement. In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DCJS in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation. Fiscal cost reports must be submitted showing grant expenditures and/or obligations for each quarter of the grant within 45 days after the last day of the quarter for the reporting period.

Advance payments shall be permitted as specified in Appendix A-1, and in the amount specified in Appendix D (Special Conditions).

Payment requests need to include the following documents as required:

-Detailed Itemization of Personal Service Expenditures
-Detailed Itemization of Non-Personal Service Expenditures
-Detailed Itemization of Consultant Expenditures
-Expert witness agreement and supporting documentation
-Voucher and Fiscal Cost Report signed
-Written documentation of all required DCJS prior approvals as follows:
-DCJS approval of non-competitive consultant.
-DCJS approval of non-competitive vendor for services.
-DCJS approval of consultant services reimbursement greater than $450 per eight hour day.
-DCJS approval of change to Personal Services by more than 10 percent.

Billing invoices submitted to the agency must contain all information and supporting documentation required by the Contract, the Agency and the State Comptroller. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner’s sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller’s procedures to authorize electronic payments. Authorization forms are available at the State Comptroller’s website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at 518-474-4032. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with the State Comptroller’s electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

**APPENDIX D - Work Plan**

**Goal**

All County Re-entry Task Forces (CRTFs) will work to achieve the following stated goals of re-entry: (1) to assist individuals released from prison with obtaining services; (2) to conduct strategic planning and improve system-wide coordination; and (3) to conduct public education and outreach. The following performance standards set forth what the CRTFs should achieve. These are minimum standards. While DCJS takes the position that these are achievable objectives, circumstances unique to each CRTF may be such that one or more of these measurables may not be obtainable during the period of this grant. In such instances, the CRTF will have the opportunity to provide quarterly narratives that detail and explain the reasons for not achieving the prescribed outcome. DCJS will then work with the CRTF to help eliminate this condition so that the objective or objectives become achievable. The extent to which each CRTF meets their standards will be considered in future funding decisions.

**Objective #1**

Each CRTF will establish a formal organizational and committee structure to assist each county in developing and implementing effective strategies to further the three goals of re-entry.

**Task #1 for Objective #1**

Each CRTF will develop policies and procedures that clearly define the goals of the CRTF, including the roles and responsibilities of its members.

# Performance Measure

1. Each CRTF is required to submit all policies and procedures to be approved by DCJS, including a list of task force members and their roles and responsibilities by December 31, 2010.

**Task #2 for Objective #1**

Each CRTF will create: a steering committee to provide strategic planning and to eliminate local barriers to re-entry; a services committee to foster the effective delivery of services to its participants; and a public education committee to conduct education and outreach events.

# Performance Measure

1. Provide DCJS with a membership list for each committee.

**Objective #2**

Each Country Re-entry Task Force will serve the re-entry population, with a focus on high-risk offenders.

**Task #1 for Objective #2**

The CRTF will coordinate with Parole to identify appropriate referrals for at least 30% of individuals released to parole supervision within the county, or ten parolees monthly, whichever is greater. Other referrals can be accepted at the discretion of the CRTF.

# Performance Measure

1. Provide DCJS with the number of individuals served monthly, by type of referral.

**Task #2 for Objective #2**

At least 85% of individuals referred by Parole and accepted by the CRTF will be offenders who have at least a 50% percent chance of re-arrest within two years following their release (identified by a DCJS risk score of 4 or more). While the CRTF may serve offenders who have a risk score of three or lower, this percentage of individuals should represent no more than 15% of the total population served.

# Performance Measure

1. Provide DCJS with the risk scores of those served monthly.

**Task #3 for Objective #2**

The CRTF will conduct a needs assessment for all CRTF participants (beginning November 1) on a form developed by DCJS if a formal assessment is not made available by Parole. The intake assessment will help identify the specific needs for each participant, including housing, treatment for substance abuse, cognitive behavioral therapy and others. If Parole has completed and shared a COMPAS risk and needs assessment and/or a Transition Accountability Plan (TAP) with the task force, a second assessment is not needed.

# Performance Measure

1. Provide DCJS with the number of assessments completed by CRTF monthly; number of COMPAS assessments received from Parole monthly; number of TAPs received from Parole monthly.

**Objective #3**

Effective case planning and management that ensures that the needs of program participants are identified and met.

**Task #1 for Objective #3**

The CRTF will create a written plan for each task force participant that reflects his/her needs as determined by the assessment, which may include enrollment and participation in: a vocational training or job-readiness program; educational program; substance abuse treatment; cognitive behavioral treatment; or another approved program.
# Performance Measure
1 Provide DCJS with the number of plans completed monthly.

Task #2 for Objective #3
The CRTF will make referrals to the services identified in the plan.

# Performance Measure
1 Provide DCJS with the number of individuals referred monthly, and the type of program referrals made.

Objective #4
Identify and eliminate local barriers to re-entry.

Task #1 for Objective #4
The CRTF will conduct a comprehensive annual assessment of the re-entry resources that are available in their county and identify the gaps that need to be filled to meet the needs of the re-entry population. The CRTF will provide quarterly updates to DCJS on any new needs that have been identified as well as any progress made in obtaining new resources.

# Performance Measure
1 Annual assessments will be submitted to DCJS. Quarterly assessments will describe progress made in obtaining new resources.

Task #2 for Objective #4
Each CRTF will utilize its steering committee to reduce barriers to re-entry and enhance available services that address the criminogenic and stability needs of the formerly incarcerated.

# Performance Measure
1 The Steering Committee shall meet monthly and submit the attendance roster for each meeting to DCJS.

Objective #5
Improve the public's understanding of re-entry related issues and efforts that are being made to improve outcomes for the formerly incarcerated. Build more partnerships to enhance the local capacity to deliver re-entry services.

Task #1 for Objective #5
The CRTF will make efforts to improve public awareness of local re-entry efforts by holding at least two approved public education events.

# Performance Measure
1 The CRTF will report on public education events held each quarter to DCJS.

Task #2 for Objective #5
The CRTF will hold at least two approved outreach events in order to build new partnerships to expand local capacity to provide re-entry related services (e.g., housing, employment, mentoring).

# Performance Measure
1 The CRTF will report on outreach events held each quarter to DCJS.

Award Contract

RE10-1036-D00 Suffolk County 1087 09/20/2010

Award Conditions

Upon approval of this grant by the Office of the State Comptroller, or DCJS for "T" contract only, the Grantee is authorized to initially voucher for advance payment of those prospective expenses previously approved by DCJS not to exceed $0.00 from the total contracted amount. Consistent with paragraph 15 of Appendix A-1 of this grant contract, vouchers for advance payments for the purchase of equipment and supplies must be supported by a copy of the purchase order.

General Conditions

APPENDIX D - Special Conditions

Participating law enforcement agencies that are funded by DCJS to conduct drug, firearms or vehicle theft or vehicle related insurance fraud investigations shall register with SAFETNet. Participation in SAFETNet obligates the registered agency to submit information regarding persons or addresses under active investigation in accordance with SAFETNet standard operating procedures. All criminal justice information management software which grantee may purchase or develop with funds provided under the terms of this agreement must conform to established New York State Criminal Justice Data Standards as documented in the most current version of the New York Statewide Criminal Justice Data Dictionary. In addition, all such information management software purchased or developed with funds provided under the terms of this agreement must conform to statewide standards for the collection, processing and reporting of criminal justice information as documented in the New York State Standard Practices Manual for the Processing of Fingerprintable Criminal Cases. The latest versions of both documents referenced above can be accessed at the DCJS web site or obtained by calling the DCJS Customer Contact Center at (800) 262-3257.

Grantee agrees that all specifications for technology purchases exceeding $5000 (excluding laptops and desktop computers) must be reviewed by the DCJS Office of Justice Information Services. The review will take place within three business days and should be coordinated through the DCJS Office of Funding and Program Development.

Law enforcement agencies must submit full UCR Part 1 crime reports (including supplemental homicide reports) and domestic violence victim data to DCJS by 30 days following the end of the month. These monthly reports may be submitted either under the Uniform Crime Reporting System (UCR) or under the Incident Based Reporting Program (IBR). Failure to submit this information may result in grant funds being withheld. UCR agencies must fill out the Domestic Violence Victim Data table found on the last page of the Return A in accordance with the new domestic violence reporting requirements. These requirements can be found on-line at http://www.criminaljustice.state.ny.us/criminet/ojsa/cimerereporting/domestic_violence_reporting_alert_5-08-08.pdf. Failure to submit this information may result in grant funds being withheld. Agencies reporting through IBR do not submit a supplemental report for domestic violence. The required data is automatically collected through the monthly submission of an IBR file.

Grantee agrees that if the project is not operational within 60 days of the original starting date of the grant period, it will report by letter to OPDF the steps taken to initiate the project, the reasons for delay, and the expected starting date. If the project is not operational within 90 days of the original starting date of the grant period, the Grantee will submit a second statement to OPDF explaining the delay. The State may either cancel the project and redistribute the funds or extend the implementation date of the project beyond the 90-day period when warranted by extenuating circumstances.

On a quarterly basis the Grantee will maintain written certification (in a form prescribed by DCJS) of time spent by each employee on the grant and maintain a system of time sheets. Time sheets will be signed by the individual and countersigned by the supervisor in a higher level position at the end of each payroll period.

Notwithstanding the provisions of paragraph 10 of Appendix A1, the parties agree that DCJS’ prior approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The parties agree that the employment shall be supported by a written agreement and requests for reimbursement supported by documentation identifying the criminal matter involved, services provided, time commitment and fee schedule.

Although Appendix A1 requires four (4) quarterly progress reports, for purposes of a DCJS grant award, grantees should submit progress reports as follows:

Four (4) progress reports for contracts of $100,000 or more;
Two (2) progress reports for contracts between $1 and $99,999.

Please Note: Four (4) Quarterly Progress Reports are required for all Operation IMPACT and Drug Treatment Diversion Program grantees. Whenever possible, the District Attorney’s Office or the primary police department should coordinate the submission of the quarterly progress reports so that one consolidated report is submitted for all IMPACT funded agencies within an IMPACT county.

Grantee agrees that these funds will be used to supplement and not supplant existing funds and services. This contract may be extended, increased, decreased, terminated, renewed, amended or renegotiated at the discretion of the Commissioner of the Division of Criminal Justice Services.

Strategy Special Conditions

Grantee agrees that if funding is being provided for the implementation of any DCJS crime reduction strategies including, but not limited to Youth Violence Reduction, DNA Evidence Collection, STEPS, DMI, or Re-Entry, that the implementing agency(s) will coordinate their IMPACT strategy with those other strategy initiatives in the county.

The following condition will apply to contracts between two New York State governmental entities: This is an agreement between two New York State governmental entities, and as such the provisions contained herein with respect to grants are applicable only to the extent that the provisions would otherwise be applicable between New York State governmental entities.

As per NYS Executive Law, Article 35, §837-a (8), DCJS is mandated to submit an Operation IMPACT Annual Report. As such, agencies receiving IMPACT funds shall be required to submit separately, in a consolidated report to be compiled and submitted by the District Attorney’s Office and/or primary IMPACT police department on behalf of the full partnership, a detailed written report regarding their Operation IMPACT initiatives for the calendar year 2009. This report will be submitted no later than November 15, 2009 and shall include:

(a) The types of crime data obtained, analyzed and used regularly by the IMPACT Partnership;
(b) A description of the local IMPACT crime reduction strategy, including any modifications;
(c) The number of personnel from each local, state and federal agency participating in various Operation IMPACT activities;
(d) A description of training provided to participating personnel in connection with Operation IMPACT;
(e) The number of arrests made by law enforcement as a direct result of Operation IMPACT;
(f) The number of prosecutions as a direct result of Operation IMPACT activities and the disposition of those cases;
(g) The number of IMPACT related cases and IMPACT related gun crime cases transferred for federal prosecution;
(h) Any available demographic information about persons arrested and prosecuted and the disposition of such matters;
(i) Any other information about the program’s effectiveness in reducing crime.

Participating law enforcement agencies receiving IMPACT funding shall submit all crime guns and guns recovered under conditions requiring investigation into the New York State Criminal Gun Clearing House via NYSPIN GGun. Law enforcement agencies shall also submit all crime guns and guns recovered under conditions requiring investigation to the respective Firearms Laboratory for testing and requested entry into NIBIN (National Integrated Ballistics Identification Network). Primary and DCJS-designated secondary IMPACT police departments will submit Monthly IMPACT Gun Data Reports within 30 days following the end of each month. Said monthly reports will include the number of shooting incidents involving injury or death, the number of shooting victims, the number of crime guns recovered, and the number of firearms submitted to the lab for entry into NIBIN.

Participating law enforcement agencies receiving IMPACT funds shall enforce the provisions of Orders of Protection, particularly with respect to those provisions prohibiting the ownership or possession of firearms, when so ordered in family or criminal court and served upon the defendant and will enforce the firearms prohibition provisions of the federal Violence Against Women Act. All IMPACT funded agencies that are responsible for the management of sex offenders will be vigilant in maintaining current addresses for all sex offenders assigned to their jurisdiction and promptly report any action taken with regard to address verification on eJusticeNY. All IMPACT funded agencies are monitored for this requirement.

All IMPACT funded agencies that are responsible for obtaining photos due from sex offenders under their supervision will do so in a timely manner and promptly upload the updated photos to eJusticeNY. All IMPACT funded agencies are monitored for this requirement.

Participating law enforcement agencies shall ensure that their department’s process for submitting fingerprint cards to DCJS includes a mechanism to flag those arrests where a Domestic Incident Report (DIR) is filed in the criminal incident. All IMPACT funded agencies are monitored for this requirement. All agencies receiving IMPACT funding that have a responsibility to collect DNA samples from offenders under their supervision who, by law, are required to submit said sample will ensure that the sample is collected in a timely manner as is required by law. All IMPACT funded agencies are monitored for this requirement.

For each month that a Grantee receiving IMPACT funds fails to: (1) submit full UCR Part 1 crime reports within 30 days of the end of the month, as required above, and/or (2) participate in a meeting of the full IMPACT Partnership, and/or (3) submit monthly gun data within 30 days following the end of each month, as stated above, 1/12 of 20% of the total grant award will be deducted for the respective non-compliant agency. At no time will the amount deducted for non-compliance with these conditions exceed 20% of the total grant award.

Notwithstanding the provisions of Appendix A-1, paragraph 8, budget amendments for grant contracts are governed as follows:

A. Any proposed modification to the contract which results in a change of greater than 10 percent to any budget category must be submitted for prior written approval by DCJS and the Office of the State Comptroller. An Appendix X and a DCJS-55 setting forth the proposed amendment must be submitted to DCJS for approval by DCJS and the Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract which result in a change of 10 percent or less to any budget category, the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior written approval of DCJS. A DCJS-55 setting forth the proposed amendment must be submitted to and approved by DCJS before the next voucher and/or fiscal cost report will be approved.

2. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. A DCJS-55 and a letter signed by the Chief Executive Officer or Fiscal Officer authorizing these changes must be submitted to DCJS with the next voucher or fiscal cost report submission.

The grantee must work towards the development of a comprehensive array of services within the county to ensure that the individual needs of all returning individuals can be appropriately addressed. The grantee shall review all services proposed by sub-contractors for compliance with evidence-based practice as defined by the Transition from Prison to the Community model and New York State's adaptation of that model (NYTPC).

In addition to services designed to meet the basic survival needs of returning persons, the grantee must ensure that the county's network of services includes those that address crime-producing needs and either: 1) have been evaluated for effectiveness in achieving their desired outcomes using sound research methodology; 2) on their face, comport with evidence-based interventions for people who have offended; and/or 3) can be evaluated as part of the contract with the grantee.

Re: INTRODUCTORY RESOLUTION REQUEST – CP 3014 –
Improvements to the County Correctional Facility C-141, Riverhead

Per the 2011 Adopted Capital Budget, the Sheriff’s Office requests the introduction of a resolution to appropriate funds in connection with the repair or replacement of infrastructure throughout the Riverhead Maximum and Medium Security Correctional Facility for 2011 under Capital Project 3014.

This resolution appropriates $1,000,000 in construction funds, $600,000 for site improvements and $100,000 in furniture and equipment funds in 2011 so that the much needed repairs and renovations to the 1969 and 1991 portions of the Correctional Facility can continue in a timely manner. As a direct result of thirty-one years of continuous overcrowding, this facility continues to deteriorate at an alarming rate and requires immediate repairs to keep the facility operational and habitable. With a housing capacity of 1,191 with variances, and an anticipated growth in the County’s inmate population over the next decade, this complex must continue to be used for years to come.

The intent of this project is to repair critical infrastructure systems before they fail and create a safety hazard, which would otherwise necessitate intervention on an emergency basis and ultimately cost more to correct.

In order to avoid a significant backlog of deferred maintenance in our correctional system, we urge that this resolution be laid on the table at your earliest convenience. Our objective is to generate significant cost savings by accelerating projects now, thereby avoiding construction cost inflation and cost increases due to deterioration caused by deferred maintenance.

Copies of a draft resolution, impact statement and introductory form are attached. An e-mail version was also sent to CE RESO REVIEW, under the titles:
“Reso-Sheriff-2011 funds for CP3014”; “Backup-SHF-CP 3014-SCIN 175A”;

Re:       INTRODUCTORY RESOLUTION REQUEST – CP 3009 –
           Renovations at the Yaphank Correctional Facility

Per the 2011 Adopted Capital Budget, the Sheriff’s Office requests the introduction of a resolution to appropriate funds in connection with renovations to the original portion of the Yaphank Correctional Facility for 2011 under Capital Project 3009.

This resolution appropriates $100,000 in planning funds, $150,000 in construction funds, and $100,000 in furniture and equipment funds in 2011 so that the much needed repairs and renovations to the 1959, 1983 and 1988 portions of the Yaphank Correctional Facility can continue in a timely manner. As you are aware, with a capacity to house 504 inmates and an anticipated growth in the County’s inmate population over the next decade, this original portion of the complex must continue to be used for years to come.

The intent of this project is to repair critical infrastructure systems before they fail and create a safety hazard, which would otherwise necessitate intervention on an emergency basis and ultimately cost more to correct.

In order to avoid a significant backlog of deferred maintenance in our correctional system, we urge that this resolution be laid on the table at your earliest convenience. Our objective is to generate significant cost savings by accelerating projects now, thereby avoiding construction cost inflation and cost increases due to deterioration caused by deferred maintenance.

Re: INTRODUCTORY RESOLUTION REQUEST – TRANSFER OF FUNDs FROM PRISONERS' COMMISSARY FUND TO GENERAL FUND

As you are aware, Sheriff DeMarco has been actively pursuing avenues to off set the cost of County government. In that regard, it has been recently determined that, if funds permit, non-mandated expenses, or a portion thereof, incurred in the course of operating our Prisoners' Commissary, may be paid from the Sheriff's Commissary Fund Account.

Per the 2010 Adopted Operating Budget, the Sheriff's Office requests the introduction of a resolution to transfer $223,411 from the Sheriff's Commissary Fund Account to the General Fund via Revenue Account 001-SHF-3150-2466 – Sheriff's Reimbursement from Commissary.

RESOLUTION NO. 2011, ADOPTING LOCAL LAW NO. 2011, A LOCAL LAW TO INCREASE AWARENESS OF THE HARMFUL EFFECTS OF TOBACCO USE

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011, a proposed local law entitled, "A LOCAL LAW TO INCREASE AWARENESS OF THE HARMFUL EFFECTS OF TOBACCO USE" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO INCREASE AWARENESS OF THE HARMFUL EFFECTS OF TOBACCO USE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that millions of Americans use tobacco products regularly.

This Legislature finds that an individual trying tobacco products can become addicted to nicotine by smoking as few as twenty cigarettes.

This Legislature also finds and determines that tobacco use has been linked with cancers of the mouth, throat, and lungs, as well as other serious illnesses such as stroke, heart disease, asthma and emphysema.

This Legislature finds that the treatment of diseases caused by tobacco use cost the United States $96 billion annually.

This Legislature determines that recent studies have shown that the nation's progress in reducing tobacco products has slowed in recent years and may be stalled. Currently, over twenty percent of adults and over nineteen percent of teens in the United States use tobacco.

This Legislature finds that graphic images have been used in public service announcements in recent years to show the physical damage caused to one's body by using tobacco. Presently, thirty nations around the world require the display of large graphic warnings about the health problems associated with tobacco use.

This Legislature determines that the European Union has taken this approach a step further, mandating that similar graphic images be placed on every pack of cigarettes sold in the region.
This Legislature also finds that the U.S. Food and Drug Administration is currently in the process of selecting similar images to place on individual cigarette packs beginning in 2012.

This Legislature determines that the County of Suffolk should use images in a similar manner to discourage people from starting the use of tobacco products and encourage those that do use tobacco to quit.

This Legislature further finds that displaying images depicting the physical damage caused by tobacco use, at the point of sale, will better inform the public of the serious dangers associated with tobacco.

Therefore, the purpose of this law is to require the placement of public health messages depicting the negative effects of tobacco use near advertisements and displays where tobacco products are offered for sale in Suffolk County.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

“COMMISSIONER” shall mean the Commissioner of the Department of Health Services.

“DEPARTMENT” shall mean the Department of Health Services.

“PERSON” shall mean any individual, firm, partnership, corporation, company, society, association, or any organized group of persons whether incorporated or not.

“PUBLIC HEALTH MESSAGE” shall mean a sign containing words and images which conveys important information about health issues to the public regarding the effects of smoking. For example: photos of lungs inflicted with cancer, emphysema and COPD; photos of damaged mouth tissue, tongues, gums and teeth; pre-surgical x-rays and photos and post-surgical photos; photos of pregnant women and the effects of smoking on their fetuses; photos of severely stained teeth, skin and fingers. Text on the sign shall be in a contrasting color from the background, in all capital letters and at least 3/4 inch in height.

“TOBACCO PRODUCTS” shall mean one or more cigarettes or cigars, bidis, chewing tobacco, powdered tobacco, blunt papers or wrappers, cigarette rolling papers of any kind, pipes, or any other tobacco-based product.

Section 3. Requirements.

A. Any person selling or offering for sale tobacco products shall post public health messages provided by the Department regarding the negative effects of using tobacco products prominently at eye level within five feet from the location of tobacco products, advertisements or registers at which they will be sold.

B. A minimum of one public health message containing photographic images depicting negative health consequences of tobacco use must be posted for every four tobacco advertisements or displays. In the event that there is at least one tobacco advertisement or display, but fewer than four of same, there shall be a minimum of one public health message posted.
Section 4. Enforcement.

A. This law shall be enforced by the Department of Health Services in accordance with the procedures set forth in §760-202 through 760-215 of the Suffolk County Sanitary Code.

B. All public health messages regarding the negative effects of using tobacco products shall be prepared, in English and Spanish, by the Department of Health Services.

Section 5. Penalties.

Violation of this law shall be punishable by a civil fine of two hundred fifty dollars ($250.00) for a first offense. All subsequent violations shall be punishable by a civil fine of seven hundred fifty dollars ($750.00).

Section 6. Rules and Regulations.

The Commissioner is hereby authorized and empowered to establish rules and regulations necessary for the implementation of this law.

Section 7. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 8. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 9. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 10. Effective Date.

This law shall take effect on the one hundred eightieth (180th) day immediately subsequent to filing in the Office of the Secretary of State.

RESOLUTION NO. -2011 ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW IN RELATION TO DISPOSITION OF AUCTION PROPERTIES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , a proposed local law entitled, "A LOCAL LAW IN RELATION TO DISPOSITION OF AUCTION PROPERTIES"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW IN RELATION TO DISPOSITION OF AUCTION PROPERTIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK,

as follows:

Section 1. Legislative Intent.

This legislature hereby finds and determines that the County of Suffolk disposes of many properties acquired through the provision of the SUFFOLK COUNTY TAX ACT by public auction.

This Legislature further determines that Local law No. 13-1990 imposed a requirement that the auction of parcels with habitable structures be limited to those persons who agreed to occupy the premises for a period of at least 10 years. This requirement was intended to discourage speculators, encourage home ownership and strengthen neighborhoods throughout Suffolk County. However, this requirement has proven to have an adverse effect on auction sales for owner occupancy.

This Legislature also finds that sales have been stymied by a 10 year restriction, and that the public in general is discouraged from entering an agreement of such an onerous length of time. The present state of economy and the housing market further weakens the value of said agreement. Parcels subject to said agreement which are not bid upon impose further financial and community hardship while they await a future auction date. Those not sold at the October 2010 auction for example, will cost the County of Suffolk $30,000 in additional real estate tax and an undetermined cost for maintenance before the opportunity for sale at another auction. Furthermore said 10 year restriction is in excess of the 5 year restriction imposed in the Affordable Housing Program.

This Legislature finds that it is necessary to reduce the owner occupancy requirement for auctioned properties from ten (10) to five (5) years in order to better achieve the stated goals of Local Law No. 13-1990.

Therefore, the purpose of this law is to restrict the auction of County parcels with structures to individuals who agree to a restrictive covenant in their deeds which require the parcel's owner to reside at the premises, said restriction to run with the land for a five (5) year period following the transfer of the deed from the County.

Section 2. Amendments.

Section A42-4 of the SUFFOLK COUNTY ADMINISTRATIVE CODE is hereby amended as follows:

G. Public auction. All parcels approved for disposition, except those that may be sold as provided in Subsection H or as provided under § A36-2A of the Suffolk County Administrative Code, shall be offered for sale to the highest bidder at public auction pursuant to regulations established for such auctions by the Commissioner. All parcels approved for disposition, which have structures affixed thereto capable of physical occupancy by individuals, shall only be offered for sale to the highest bidder at a public auction who is willing to agree, in writing, to a restrictive covenant in such deed as may convey title to such individual requiring the owner of the parcel, or his or her natural children or natural parents, to occupy said premises, for a period of at least five years subsequent to the taking of title pursuant to regulations established for auction by the Commissioner. [said restriction to run with the land for a period of ten (10) years subsequent to the transfer of title from the County of Suffolk.] The owner of the parcel shall provide to the County written notice of any subsequent transfer of the parcel within said [ten 10] five year period. The Commissioner shall reserve to the County a right of reverter should this restriction be violated. In those instances in which a former property owner has affirmatively waived, in writing, his, her or its right of redemption of property under Subsections A and B of this section, then the Commissioner, or his or her designee, shall take such measures as shall be necessary and appropriate to expedite the offering for sale of such parcels to the highest bidder at public action in accordance with the provisions of this article at the earliest possible date.

1. The Director of the Division of Real Property Acquisition and Management in the Department shall take such measures as shall be necessary and appropriate to ensure that the transfer of title for sale of such parcels shall take place within two years after the signing of the contract of sale for such parcels.

2. If the transfer of title for sale of such parcels shall not take place within two years after the signing of the contract of sale, then the Director of the Division of Real Property Acquisition and Management in the Department shall provide a written report to the County Legislature and appear before the Ways and Means Committee and the Parks and Recreation Committee of the County Legislature, or any successor committees thereto, in order to continue the transfer process.

3. The Director of the Division of Real Property Acquisition and Management in the Department shall lower the upset price for the public auction of such County-owned real estate parcels approved for such disposition as many times as shall be necessary and appropriate to effectuate the sale of such parcel at the third public auction if such parcel has been unsuccessfully listed at public auction two prior times.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.
Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

It should be noted that the occupancy restriction was increased from five (5) to ten (10) years in 2008 by the enactment of Local Law No. 9-2008.

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on __________, 2011; a proposed local law entitled, "A LOCAL LAW TO AMEND CHAPTER 152 OF THE ADMINISTRATIVE LOCAL LAWS EXEMPTING THE HEALTH COMMISSIONER AND THE CHIEF MEDICAL EXAMINER FROM CERTAIN SALARY CAPS;" and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2008, SUFFOLK COUNTY, NEW YORK

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Article V of Chapter 152 the Suffolk County Administrative Laws imposes a salary cap such that an employee’s annual salary may not equal or exceed the salary of the County Executive.

Therefore, the purpose of this law is to provide an exemption to the salary cap for the positions of Health Commissioner and Medical Examiner.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011,
A LOCAL LAW TO PROHIBIT PET WASTE AND WATERFOWL
FEEDING ON COUNTY PROPERTY

WHEREAS, there was duly presented and introduced to this County Legislature
at a regular meeting held on , 2011, a proposed local law entitled, “A LOCAL LAW TO
PROHIBIT PET WASTE AND WATERFOWL FEEDING ON COUNTY PROPERTY”, and said
local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROHIBIT PET WASTE AND WATERFOWL FEEDING ON
COUNTY PROPERTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the presence of pet and
waterfowl fecal matter on County property produce harmful bacteria which present a threat to
public health and water quality of our harbors, bays, lakes, and ponds.

This Legislature further finds that the feeding of migratory waterfowl, such as
Canada Geese, encourages them to halt their normal migrations and establish residency in
Suffolk County, makes them susceptible to avian diseases, and causes nutritional problems.

This Legislature further finds that the County is required to implement a local law
prohibiting pet waste and the feeding of geese on municipal properties pursuant to 33 U.S.C §
1342, the rules and regulations promulgated there under and the New York Environmental
Conservation Law Article 17, Title 8.

This Legislature further finds it necessary to provide for the health, safety, and
general welfare of the citizens of Suffolk County by prohibiting the feeding of waterfowl that
results in:

A. An increase of pathogen loads to waterbodies; or

B. A violation of the State Pollutant Discharge Elimination System General Permit
No. GP-0-10-002, as amended, for Stormwater Discharges from Municipal Separate Storm
Sewer Systems, issued by the New York State Department of Environmental Conservation to
Suffolk County pursuant to New York State Environmental Conservation Law Article 17, Title 8.
This Legislature further finds it necessary to provide for the health, safety, and general welfare of the citizens of Suffolk County by prohibiting the feeding of waterfowl that may result in:

A. A violation of a Total Maximum Daily Load Allocation; or

B. A violation of a Federal or State water quality standard.

This Legislature further finds that the above General Permit No. GP-0-10-002, as amended, also requires the County to implement a local law to prohibit feeding of waterfowl on municipal properties and to implement appropriate enforcement procedures and actions.

Therefore the purpose of this law is to create a local law to prohibit pet waste and goose feeding on all County property to protect the health and safety of the citizens of Suffolk County, to protect the County’s water quality by reducing the amount of fecal matter deposited in the water and adjacent shoreline, and to establish an enforcement program to accomplish these goals.

Section 2. Definitions.

As used in this law, the following terms shall have the meaning indicated:

COUNTY PROPERTY -- Any land which is owned, maintained, leased or managed by Suffolk County for any purpose whatsoever, including but not limited to roads, parks, preserves, and beaches.

FEED -- To give, place, expose, deposit, distribute or scatter any edible material with the intention of feeding, attracting or enticing migratory waterfowl.

PET -- Any domesticated animal kept for pleasure, not utility, and normally maintained in or near the household of the owner thereof.

PERSON -- Individuals; natural persons; partnerships; joint ventures; societies; associations; clubs; corporations; unincorporated groups of any members; or officer, directors or stockholders or any kind of personal representative thereof, in any capacity, acting for himself or for any other person, under either personal appointment or pursuant to law.

WATERFOWL -- Bird that frequents water, whether migratory or domestic, including but not limited to Canada geese, mute swans and mallard ducks.

Section 3. Prohibitions.

A. No person owning, harboring, keeping, possessing or in charge of any pet shall cause, suffer or allow such pet to soil, defile or defecate on County property unless all feces are immediately collected by said person in a sanitary manner, sealed and deposited in a garbage receptacle. In areas where a garbage receptacle is not on site, the sealed bag of feces shall be removed from the County property and deposited in the said person’s garbage receptacle.

B. No person shall feed or provide food for any waterfowl on County property at any time of the year.
Section 4. Exemptions.

The prohibition set forth in Section 3. A. shall not apply to a person who is handicapped or who is visually impaired and accompanied by a guide dog or service dog.

Section 5. Penalties for Offense.

Any violation of any provision this law shall be subject to a civil penalty, in an amount not less than $50.00 nor more than $400.00.

Section 6. Enforcement.

The enforcement of this law shall be the responsibility of the police department having jurisdiction over the County property where the offense occurs.

Section 7. Applicability

This law shall apply to all instances of uncollected pet feces, improperly disposed of pet feces, and waterfowl feeding on County property occurring on or after the effective date of this law.

Section 8. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 9. SEQRA Determination.

This Legislature, being the lead agency under the State Environmental Quality Review Act ("SEQRA"), N.Y. Environmental Conservation Law Article 8 and Chapter 279 of the Suffolk County Code, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York Code of Rules and Regulations ("NYCRR") §617.5(c)(20) and (27), in that the action constitutes routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment. Since this law is a Type II action, the Legislature has no further responsibilities under SEQRA.

Section 10. Effective Date.

This law shall become effective ninety (90) days subsequent to filing with the New York State Secretary of State.

This law will also prohibit the feeding of waterfowl on any County-owned property.

Violation of any portion of this law shall be subject to a civil penalty of no less than fifty dollars ($50.00), nor more than four hundred dollars ($400.00). Curiously, the law states it will be enforced by the police department having jurisdiction over the County property where an offense occurs.

This law will take effect ninety (90) days after its filing in the Office of the Secretary of State.

RESOLUTION NO. __-2011, ADOPTING LOCAL LAW NO. ____-2010, A LOCAL LAW TO AMEND THE RULES AND REGULATIONS FOR THE USE OF SUFFOLK COUNTY PARKS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on _______, 2011, a proposed local law entitled, "A LOCAL LAW TO AMEND THE RULES AND USE OF SUFFOLK COUNTY PARKS;" now, therefore be it

RESOLVED, that the said local law be enacted in form as follows:

LOCAL LAW NO. __-2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO AMEND THE RULES AND REGULATIONS FOR THE USE OF SUFFOLK COUNTY PARKS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK; as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that this Legislature, within Suffolk County Local Law No. 9-1980 which allowed Suffolk County residents to remove wood from Parks that had either fallen down or was cut down by authorized agents of the Department of Parks, Recreation and Conservation, recognized that due to the increased cost of home heating fuel, more and more Suffolk County residents have turned to heating their homes by burning wood.

This Legislature finds that this statement is even truer today, given the prolonged national recession, high unemployment, and the continual rising cost of home heating fuel.

This Legislature also finds and determines that in some instances, due in part to the increase of weather-related events which have caused a high number of downed trees and tree limbs within Suffolk County Parks, the Department of Parks, Recreation and Conservation has had to utilize staff and other resources to remove such wood and debris at the expense of Suffolk County taxpayers.

Therefore, the purpose of this law is to amend the SUFFOLK COUNTY CODE to eliminate the permit fee for the removal of firewood from Suffolk County Parks in order to incentivize Suffolk County residents to make such requests, which will have the dual benefit of helping to relieve the financial burden on Suffolk residents in heating their homes and assisting the Department of Parks, Recreation and Conservation in decreasing its costs for the removal of downed trees from Suffolk County Parks.

Section 2. Amendment.

Section 378-7(D) of the SUFFOLK COUNTY CODE is hereby amended to read as follows:

CHAPTER 378, PARKS AND PARKS FACILITIES

Article I

Rules and Regulations

****

D. Firewood.
Notwithstanding the prohibition set forth in § 378-4A(16) and (18) herein, the Commissioner may establish rules and regulations to allow [citizens of] Suffolk County parks residents to obtain wood which has either fallen down or has been cut down by authorized agents. In adopting such rules and regulations, the Commissioner may establish a fee of no more than $15. Further, such rules and regulations shall establish a system, whether by lot or otherwise, to ensure that all interested residents of Suffolk County will have an equal opportunity to obtain wood.

Section 3. Applicability.

This law shall apply to all requests for a permit to remove firewood from Suffolk County Parks on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20) and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing with the Secretary of State.
