RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW TO ESTABLISH A COMMON SENSE POLICY FOR SPECIAL MEETINGS OF THE LEGISLATURE

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010 a proposed local law entitled, "A CHARTER LAW TO ESTABLISH A COMMON SENSE POLICY FOR SPECIAL MEETINGS OF THE LEGISLATURE"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO ESTABLISH A COMMON SENSE POLICY FOR SPECIAL MEETINGS OF THE LEGISLATURE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that special meetings of the County Legislature may be held upon the direction of the Presiding Officer of the County Legislature, the County Executive or upon a written request signed by a majority of the members of the County Legislature.

This Legislature also finds that the provision for special meetings of the Legislature set forth in the SUFFOLK COUNTY ADMINISTRATIVE CODE is designed to allow the County Legislature to respond to exigent situations in a timely manner.

This Legislature further finds that while almost every meeting (both regular and special) of the Suffolk County Legislature is held at the legislative auditoriums in Hauppauge and Riverhead, a practice has evolved in recent years whereby the County Executive calls a special meeting for the purpose of giving a “State of the County” address at a non-County government location. For most of Suffolk County's history, County Executives delivered this speech to the Legislature at regular legislative meetings.

This Legislature determines that a State of the County speech is not the proper subject of a special legislative meeting as no official business is conducted by the Legislature at these events.

This Legislature also determines that staging the State of the County speech at a non-County facility, in the framework of a special legislative meeting, leads to an unnecessary waste of taxpayer dollars for security, stenographic expenses, et al.
This Legislature finds and determines that while a County Executive is free to deliver a speech wherever and whenever he or she may choose; there is no logical reason to convene a special meeting of the Legislature when he or she does so.

This Legislature also determines that when the County Executive delivers his annual report to the County Legislature he should do so at a regular meeting of the Legislature in accordance with longstanding practice and simple common sense.

Therefore, the purpose of this law is to protect taxpayer dollars by requiring that special meetings of the County Legislature be conducted at the legislative auditoriums in Hauppauge or Riverhead and that the County Executive deliver his annual report to the County Legislature at a regular legislative meeting.

Section 2. Amendment.

I. Article 3 of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

ARTICLE III. The County Executive

***

C3-3. Specific functions.

In addition to the functions assigned to the County Executive in other provisions of this Charter, the County Executive shall:

***

F. Report to the County Legislature annually at the close of the fiscal year, or as soon thereafter as practicable, the financial and other affairs of the county, together with the reports of the departments of county government. If the County Executive wishes to deliver a verbal report to the County Legislature, he shall do so at a regularly scheduled meeting of the Legislature.

***

II. Article 2 of the SUFFOLK COUNTY ADMINISTRATIVE CODE is hereby amended as follows:

Rogers Legislature Building, Hauppauge, or the Maxine S. Postal Legislative Auditorium in the Riverhead County Center, Riverhead. Notice in writing of the time, place and purpose of the special meeting shall be given to each member at least two days before the date fixed for holding the meeting, or a member may waive such notice by a writing signed by him. Only business, including the enactment of local laws or resolutions, specified in the notice thereof may be transacted at a special meeting.

***

Section 3. Applicability.

This law shall apply to County Executive annual reports and legislative special meetings occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO INCREASE THE PROPERTY TAX EXEMPTION FOR COLD WAR VETERANS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO INCREASE THE PROPERTY TAX EXEMPTION FOR COLD WAR VETERANS" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO INCREASE THE TAX EXEMPTION FOR COLD WAR VETERANS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk adopted a Cold War Veteran property tax exemption with the enactment of Local Law 37-2007.

This Legislature also finds and determines that the New York State Legislature recently amended Section 458-b of NEW YORK REAL PROPERTY TAX LAW and authorized local governments to increase the maximum exemption allowable for Cold War Veterans.

This Legislature further finds that it is the consistent policy of the County of Suffolk to offer eligible veterans the maximum tax exemptions permissible under state law as a means of recognizing their sacrifices on behalf of our nation.

Therefore, the purpose of this local law is to increase the maximum property tax exemption eligible for Cold War Veterans.

Section 2. Amendments.

Chapter 458 of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

Chapter 458, TAXATION

* * * *

ARTICLE VIII, Exemption for Veterans, Spouses and Unremarried Surviving Spouses of Veterans, Gold Star Parents and Cold War Veterans

* * * *
§ 458-23. Exemption granted to veterans, spouses and unremarried spouses of veterans, Gold Star parents and Cold War veterans.

C. Exemptions granted to Cold War veterans under § 458-b of the Real Property Tax Law.

(1) The maximum exemption allowable to qualifying residential real property under § 458-b shall be 15% of the assessed real value of the property; provided, however, that such exemption shall not exceed $[12,000] 54,000, or the product of $[12,000] 54,000 multiplied by the latest state equalization rate of the assessing unit or, in the case of a special assessing unit, the latest class ratio, whichever is less.

(2) Where the Cold War veteran received a compensation rating from the United States Veterans Affairs or from the United States Department of Defense because of a service-connected disability, qualifying residential real property shall be exempt from taxation to the extent of the product of the assessed value of such property multiplied by 50% of the cold war veteran disability rating; provided, however, that such exemption shall not exceed $[40,000] 180,000, or the product of $[40,000] 180,000 multiplied by the latest state equalization rate for the assessing unit or, in the case of a special assessing unit, the latest class ratio, whichever is less.

(3) If a Cold War veteran receives the exemption under Subsection A or B of this section, the Cold War veteran shall not be eligible to receive the exemption under this Subsection C.

(4) The exemption provided under this Subsection C shall be granted for a period of 10 years.

Section 3. Applicability.

This law shall apply to assessment rolls prepared on the basis of taxable status dates occurring on or after January 1, 2011.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK
ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. 
-2010, A LOCAL LAW REQUIRING ADVISORY BOARDS TO
CONDUCT OPEN MEETINGS

WHEREAS, there was duly presented and introduced to this County Legislature
at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW
REQUIRING ADVISORY BOARDS TO CONDUCT OPEN MEETINGS" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW REQUIRING ADVISORY BOARDS TO
CONDUCT OPEN MEETINGS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk
periodically establishes commissions, committees, task forces and panels to study issues that
are important to county residents.

This Legislature finds that these commissions, committees, task forces and
panels are typically charged with the responsibility of gathering and analyzing information,
seeking and obtaining public input and offering recommendations for further action by the
County Executive and/or the County Legislature.

This Legislature determines that while most of these entities are advisory in
nature, the recommendations they make often guide the eventual development and
implementation of policies that impact the public.

This Legislature further finds that New York State's Open Meetings Law requires
public bodies to conduct meetings that are adequately noticed and open to members of the
public. However, the state law has been interpreted by the courts to exclude advisory bodies
from Open Meetings requirements.

This Legislature finds and determines that some county advisory bodies are, as a
matter of general practice, conducting meetings that are not advertised and not open to the
public. For example, Resolution 1260-2009 created a task force to review the operations of the
County’s health center network and determine if Suffolk County would benefit from Federally
Qualified Health Center (FQHC) status. This task force is not posting notices of their meetings
and the meetings are closed to the public.

This Legislature finds that the county’s advisory bodies should adhere to Open
Meetings principles because they often play an important role in making public policy.
This Legislature also determines that Open Meetings encourage citizen participation and foster transparency -- important considerations at a time when trust in public institutions is at an all-time low.

Therefore, the purpose of this local law is to require that all advisory bodies established by the County of Suffolk comply with Open Meetings requirements.

Section 2. Definitions.

ADVISORY BODY – any commission, committee, task force, panel or other entity created by the County of Suffolk through enactment of a resolution or by executive order, which is authorized and empowered to act in an advisory capacity and/or to make advisory recommendations to the County Executive, the Suffolk County Legislature or any other department, agency or officer of Suffolk County government.

Section 3. Meetings of Advisory Boards.

A. Advisory bodies shall comply with the open meetings and public notice requirements set forth in Article 7 of NEW YORK PUBLIC OFFICERS LAW.

B. Advisory bodies may conduct executive sessions for the purposes set forth in Section 105 of NEW YORK PUBLIC OFFICERS LAW.

Section 4. Applicability.

This law shall apply to the meetings of advisory bodies occurring on or after the effective date of this law.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. 
-2010, A LOCAL LAW TO EXPAND SUFFOLK COUNTY’S LAW AGAINST BIAS ACTS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on December 1, 2010, a proposed local law entitled, "A LOCAL LAW TO EXPAND SUFFOLK COUNTY’S LAW AGAINST BIAS ACTS" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO EXPAND SUFFOLK COUNTY’S LAW AGAINST BIAS ACTS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that bias-related incidents based on the race, color, nationality, national origin, ancestry, gender, religion, age, disability and sexual orientation continue to exist in Suffolk County.

This Legislature also finds and determines that Local Law No. 1-2000, codified as Article III of Chapter 89 of the SUFFOLK COUNTY CODE, established a prohibition on bias acts and imposed civil penalties on individuals who committed acts of vandalism, property damage or threats based on such biases.

This Legislature further finds and determines that, since the implementation of Local Law No. 1-2000, Suffolk County has seen an increase in the number of bias-related violent acts against individuals.

This Legislature finds that these acts are just as unacceptable, if not more so, as the acts already subject to civil penalties under the Code.

This Legislature determines that bias-related violent acts should be added to Chapter 89 of the SUFFOLK COUNTY CODE as acts subject to civil sanctions.

Therefore, the purpose of this law is to amend Chapter 89 of the SUFFOLK COUNTY CODE to include bias-related violent acts as being subject to civil penalties.

Section 2. Amendments.

Chapter 89 of the SUFFOLK COUNTY CODE is hereby amended to read as follows:

Chapter 89. HUMAN RIGHTS COMMISSION
Article III, Bias Acts.

§ 89-10. Prohibition of bias-related activities.

D. No person shall, by reason of any motive or intent relating to, or any antipathy, animosity or hostility based upon, the race, color, gender, religion, national origin, age, ancestry, sexual orientation, disability, handicap or health-related condition of another individual or group of individuals, commit an offense described in Section 485.05(3) of the New York State Penal Law.

E. Implementation of provisions; enforcement.

(1) The Suffolk County Human Rights Commission is hereby authorized to promulgate and issue such rules and regulations as shall be necessary and sufficient to implement this law.

(2) The Suffolk County Human Rights Commission shall enforce this law by referring the civil proceedings to the County Department of Law.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality
(CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

**Section 6. Effective Date.**

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. -2010 ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW PROHIBITING THE SALE OF AEROSOL DUSTING PRODUCTS TO MINORS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on 2010 a proposed local law entitled, "A LOCAL LAW PROHIBITING THE SALE OF AEROSOL DUSTING PRODUCTS TO MINORS" now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010 SUFFOLK COUNTY, NEW YORK

A LOCAL LAW PROHIBITING THE SALE OF AEROSOL DUSTING PRODUCTS TO MINORS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that aerosol dusting products, commonly known as "canned air", are intended to clean computers and other electronic devices.

This Legislature also finds and determines that while these products are sold as "canned air", they are actually comprised of various gases that are compressed into liquid and evaporate before they leave the canister.

This Legislature further finds and determines that these products are now being abused, particularly by minors.

This Legislature finds that, when inhaled, these products can produce a short-term "high", characterized by a sense of euphoria and dizziness, by cutting off the flow of oxygen to the brain.

This Legislature determines that inhaling these products can cause damage to the kidneys, liver, heart, and brain, or result in paralysis, permanent brain damage or cardiac arrest.

This Legislature also finds that, in addition to the internal damage caused by inhaling these products, users are also susceptible to "sudden sniffing death", which occurs when the hydrocarbons in these products provoke irregular heart rhythms leading to sudden fatal cardiac arrest, usually within seconds of inhalation.

This Legislature further finds that "sudden sniffing deaths" associated with the use of "canned air" products can occur at anytime during their use and with no warning.
This Legislature also determines that many states and local governments have passed legislation restricting the age of individuals who can purchase aerosol dusting products as a means to deter young people from engaging in this dangerous activity.

This Legislature further determines that Suffolk County needs to protect the health and welfare of its young residents by restricting their ability to purchase aerosol dusting products.

Therefore, the purpose of this law is to prohibit the sale of aerosol dusting products to minors in Suffolk County.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

“AEROSOL DUSTING PRODUCT” shall mean any product used for cleaning purposes that is made of compressed liquid gases, including, but not limited to, difluoroethane, trifluoroethane, tetrafluoroethane, or hydrocarbons, which are expelled when a trigger is pulled.

“MINOR” shall mean any person under the age of eighteen (18).

“PERSON” shall mean any natural person, individual, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint stock association, or other entity of business of any kind.

Section 3. Prohibitions.

No person located within the County of Suffolk shall sell or offer for sale at retail any aerosol dusting product to any minor, or knowingly sell or offer for sale at retail any aerosol dusting product to any minor making the purchase from within the County of Suffolk.

Section 4. Enforcement.

This law shall be enforced by the Suffolk County Department of Health Services in accordance with the provisions of Article II, §§ 760-202 through 760-220, of the Suffolk County Sanitary Code.

Section 5. Authority to Promulgate Rules and Regulations.

The Commissioner of the Suffolk County Department of Health Services is hereby authorized and empowered to promulgate such rules and regulations as he or she deems necessary to implement this law.

Section 6. Penalties.

Any person who knowingly violates the provisions of this law shall be subject to a civil penalty of five hundred dollars ($500) for an initial violation of the law and a penalty of one thousand dollars ($1,000) for each subsequent violation.
Section 7. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 8. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 9. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW BANNING THE SALE OF DRINKING GAMES TO MINORS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on __________, 2010, a proposed local law entitled, "A LOCAL LAW BANNING THE SALE OF DRINKING GAMES TO MINORS" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW BANNING THE SALE OF DRINKING GAMES TO MINORS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that drinking games like beer pong have become increasingly popular in recent years.

This Legislature also finds and determines that some drinking games have become so popular that they have led to the development of video games, board games, branded products used for game play, and even a "World Series of Beer Pong".

This Legislature further finds and determines that many of these drinking game products are sold at retail stores and malls throughout Suffolk County and, as such, are readily accessible to minors.

This Legislature determines that drinking games promote binge drinking, a behavior that should be discouraged, particularly among young people.

This Legislature also finds that binge drinking can lead to alcohol poisoning, a life threatening reaction to an alcohol overdose that can cause serious illness or even death.

This Legislature finds that people who begin drinking in their early teens are four times more likely to become dependant upon alcohol than those who begin drinking at the legal age.

This Legislature also determines that the brain development of adolescents can be negatively impacted by alcohol consumption.

This Legislature further determines that young people who abuse alcohol are more likely to engage in other risky behaviors, including experimentation with other drugs.
This Legislature finds that the sale of alcohol to persons under 21 years of age is prohibited by State law; common sense dictates that the sale of drinking games to residents under the age of 21 should also be prohibited.

Therefore, the purpose of this law is to ban the sale of drinking games in Suffolk County to persons under the age of twenty one (21).

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

A) “DRINKING GAME” shall mean any board game, deck of cards, kit or other product that is manufactured and/or marketed as being used for a game in which beer or any other form of alcohol is consumed during the course of play, which includes, but is not limited to, Beer Pong, Beirut, Flip Cup, Quarters, and Kings.

B) “PERSON” shall mean any natural person, individual, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint stock association, or other entity of business of any kind.

Section 3. Prohibitions.

No person within the County of Suffolk shall sell or offer for sale drinking games to persons under 21 years of age.

Section 4. Penalties.

Any person who violates any provision of this law shall be subject to the imposition of a civil penalty of up to $750, for a first violation, and up to $1,500 for each subsequent violation. Each prohibited product sold shall constitute a separate violation.

Section 5. Enforcement.

This law shall be enforced by the Suffolk County Department of Health Services.

Section 6. Authority to Promulgate Rules and Regulations.

The Commissioner of the Suffolk County Department of Health Services is hereby authorized and empowered to promulgate such rules and regulations as he or she deems necessary to implement this law.

Section 7. Applicability.

This law shall apply to the sale of drinking games on or after the effective date of this law.

Section 8. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or
unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 9. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW REQUIRING OWNERS OF PRIVATE RESIDENTIAL COMMUNITIES TO ENSURE EMERGENCY ACCESS TO ROADS AFTER SNOWFALL

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on [date], 2010, a proposed local law entitled, "A LOCAL LAW REQUIRING OWNERS OF PRIVATE RESIDENTIAL COMMUNITIES TO ENSURE EMERGENCY ACCESS TO ROADS AFTER SNOWFALL" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW REQUIRING OWNERS OF PRIVATE RESIDENTIAL COMMUNITIES TO ENSURE EMERGENCY ACCESS TO ROADS AFTER SNOWFALL

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Long Island experiences snow storms regularly throughout the winter.

This Legislature also finds and determines that, in order to ensure the safety of Suffolk County residents, streets and roads must be cleared after snow storms.

This Legislature further finds and determines that local governments are responsible for clearing the streets that they maintain, but are not required to plow roads in private residential communities.

This Legislature finds that some private residential communities take an exceedingly long time to remove snow from their roads.

This Legislature determines that when private roads remain unplowed, emergency response vehicles may not be able to use them, leaving residents of private communities in significant danger if they need emergency medical or fire services.

This Legislature also finds that all roads, both publicly and privately maintained, must be cleared promptly following snow storms so that emergency responders can access homes and buildings if necessary.

Therefore, the purpose of this law is to require that the owners of private residential communities remove snow accumulation in excess of four inches from their streets and roads.
Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

"OWNER" shall mean the person(s) and/or corporation(s) that holds a possessory interest in a parcel of real property on which a private residential community is built or the person(s) or corporation(s) hired for the purpose of providing day-to-day management of a private residential community.

"PRIVATE RESIDENTIAL COMMUNITY" shall mean a residential community containing apartments, condominiums, townhouses, co-operative housing, and one- or two-family homes that is responsible for the maintenance of its own roads and is comprised of at least ten housing units.

Section 3. Requirements.

The owners of private residential communities in Suffolk County must clear snow accumulations in excess of four inches from the community's roadways to allow emergency vehicles access to their residents' homes.

Section 4. Penalties.

Owners of private residential communities who violate this law shall be subject to a civil penalty not to exceed $1,000 per violation. Each day such a violation continues shall constitute a separate and distinct violation.

Section 5. Enforcement.

A. This law shall be enforced by the Department of Fire, Rescue and Emergency Services. The Commissioner of the Department of Fire, Rescue and Emergency Services shall be authorized to impose the civil penalties prescribed in this law after an alleged violator is given an opportunity to be heard at a hearing upon sufficient notice.

B. The Department of Fire, Rescue and Emergency Services shall promulgate such rules and regulations as it deems necessary and appropriate for the implementation and enforcement of any provision of this law.

Section 6. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 7. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm,
Section 8. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 9. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

Re: N.Y.S. Governor’s Traffic Safety Committee Child Passenger Safety Seat Grant Program with 100% Support.

The Sheriff's Office is a successful applicant for the New York State, Governor’s Traffic Safety Committee [GTSC], Child Passenger Safety Seat Program With 100% Support for Sheriff’s Traffic Safety Initiative. The GTSC has made $13,500 in funds (GTSC FFY2010) available for the Sheriff’s Office Child Passenger Safety Program to include the purchase of a cargo trailer for storage and transport of car seats.

Grant money will be used to provide public information and education, designed to save lives and to support the Sheriff's Office traffic safety initiatives. Child safety seats reduce the risk of fatal injury by 71% when used correctly, however misuse reduces effectiveness. More than 90% of child safety seats are used improperly. This agency will address this issue by participating in the state’s Child Passenger Safety grant program.

The Sheriff's Office will run a regularly scheduled child safety seat fitting station staffed by Deputy Sheriffs who are trained as child safety seat technicians. These Technicians will inspect and/or install a child safety seat properly for those who visit the fitting station. Grant funding will help to implement and carry out the Child Passenger Safety Program.

An e-mail version of the resolution was sent to CE RESO REVIEW, saved under the title “Reso-Sheriff-GTSC Grant – Child Passenger Safety Seat Program”.

Thank you for your consideration in reviewing this draft resolution.

The Sheriff’s Office is a successful applicant for the NYS Governor’s Traffic Safety Committee [GTSC], Local Grant Program With 100% Support for Sheriff’s Traffic Safety Initiative. The GTSC has made $12,800 in funds (GTSC FFY2010) available for the Sheriff’s Office Helmet Distribution and Education Program.

$12,800 of grant money will be used to provide public information and education, designed to save lives. According to the National Traffic Safety Administration (NHTSA) 773 bicyclists were killed and an additional 44,000 were injured in traffic crashes during the year of 2006.

According to the CDC, bicycle helmets are 85 % to 88 % effective in mitigating head and brain injuries, making the use of helmets the single most effective way to reduce head injuries and fatalities resulting from bicycle crashes. With that in mind, the S.C. Sheriff’s Office will implement a helmet distribution and fitting program to ensure proper fitting and use of helmets for bicyclists, in-line skaters, non-motorized scooter riders and skateboarders. The SCSO will encourage the use of appropriate safety equipment to include knee pads, elbow pads, wrist guards, reflective equipment, clothing or vests through education. Bicycle rodeos will teach children the necessary survival skills when riding a bicycle in urban environments. The SCSO proposes through this program to educate the public and encourage the use of helmets while bicycling and engaged in wheel sports thereby increasing compliance with the state and county helmet law. Grant funding will help to implement and carry out the Helmet Distribution and Education Program.

An e-mail version of the resolution was sent to CE RESO REVIEW, saved under the title “Reso-Sheriff – GTSC Grant Helmet Distribution and Education Program”.

Re: Selective Traffic Enforcement (STEP) Grant program, Request for Legislation

The Sheriff’s Office is a successful applicant for the New York State, Governor’s Traffic Safety Committee [GTSC], Local Grant Program With 100% Support for Sheriff’s Traffic Safety Initiative. The GTSC has made $34,000 in funds (GTSC FFY2010) available for the Sheriff’s Office STEP Program.

The Sheriff’s Office agrees to participate in the Governor’s Traffic Safety Committee FFY 2010 “STEP” To Reduce Unsafe Driving Behaviors Program. The STEP program targets identified crash-causing violations including but not limited to speeding, aggressive driving, and distracted driving.

The Sheriff’s Office will use a portion of the funding to participate in the statewide Operation Safe Stop (School Bus Safety) program. This will be carried out by highly visible enforcement to reduce the crash problem.

Grant funding will help to implement and carry out the Sheriff’s Office traffic safety initiative.

An e-mail version of the resolution was sent to CE RESO REVIEW, saved under the title “R eso-Sheriff-GTSC Grant – Selective Traffic Enforcement Program.”

Thank you for your consideration in reviewing this draft resolution.

Dear Mr. Levy:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of Federal funding to compliance with Federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice is responsible for ensuring that recipients of financial aid from OJP, its component offices and bureaus, the Office on Violence Against Women (OVW), and the Office of Community Oriented Policing Services (COPS) comply with applicable Federal civil rights statutes and regulations. We at OCR are available to help you and your organization meet the civil rights requirements that come with Justice Department funding.

Ensuring Access to Federally Assisted Programs

As you know, Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of Federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website at http://www.lep.gov.

Ensuring Equal Treatment for Faith-Based Organizations

The Department of Justice has published a regulation specifically pertaining to the funding of faith-based organizations. In general, the regulation, Participation in Justice Department Programs by Religious Organizations; Providing for Equal Treatment of all Justice Department Program Participants, and known as the Equal Treatment Regulation 28 C.F.R. part 38, requires State Administering Agencies to treat these organizations the same as any other applicant or recipient. The regulation prohibits State Administering Agencies from making award or grant administration decisions on the basis of an organization’s religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary’s religion. For more information on the regulation, please see OCR’s website at http://www.ojp.usdoj.gov/ocr/effbo.htm.

State Administering Agencies and faith-based organizations should also note that the Safe Streets Act, as amended; the Victims of Crime Act, as amended; and the Juvenile Justice and Delinquency Prevention Act, as amended, contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the Justice Department has concluded that the Religious Freedom Restoration Act (RFRA) is reasonably construed, on a case-by-case basis, to require that its funding agencies permit faith-based organizations applying for funding under the applicable program statutes both to receive DOJ funds and to continue considering religion when hiring staff, even if the statute that authorizes the funding program generally forbids considering religion in employment decisions by grantees.

Questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment may be directed to this Office.
Enforcing Civil Rights Laws

All recipients of Federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to the prohibitions against unlawful discrimination. Accordingly, OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal employment opportunity standards.

Complying with the Safe Streets Act or Program Requirements

In addition to these general prohibitions, an organization which is a recipient of financial assistance subject to the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, 42 U.S.C. § 3789d(e), or other Federal grant program requirements, must meet two additional requirements: (1) complying with Federal regulations pertaining to the development of an Equal Employment Opportunity Plan (EEOP), 28 C.F.R. § 42.301-.308, and (2) submitting to OCR Findings of Discrimination (see 28 C.F.R. §§ 42.205(5) or 31.202(5)).

1) Meeting the EEOP Requirement

In accordance with Federal regulations, Assurance No. 6 in the Standard Assurances, COPS Assurance No. 8.B, or certain Federal grant program requirements, your organization must comply with the following EEOP reporting requirements:

If your organization has received an award for $500,000 or more and has 50 or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare an EEOP and submit it to OCR for review within 60 days from the date of this letter. For assistance in developing an EEOP, please consult OCR’s website at http://www.ojp.usdoj.gov/ocr/eeop.htm. You may also request technical assistance from an EEOP specialist at OCR by dialing (202) 616-3208.

If your organization received an award between $25,000 and $500,000 and has 50 or more employees, your organization still has to prepare an EEOP, but it does not have to submit the EEOP to OCR for review. Instead, your organization has to maintain the EEOP on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form can be found at http://www.ojp.usdoj.gov/ocr/eeop.htm.

If your organization received an award for less than $25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEOP requirement. However, your organization must complete Section A of the Certification Form and return it to OCR. The Certification Form can be found at http://www.ojp.usdoj.gov/ocr/eeop.htm.

2) Submitting Findings of Discrimination

In the event a Federal or State court or Federal or State administrative agency makes an adverse finding of discrimination against your organization after a due process hearing, on the ground of race, color, religion, national origin, or sex, your organization must submit a copy of the finding to OCR for review.

Ensuring the Compliance of Subrecipients

If your organization makes subawards to other agencies, you are responsible for assuring that subrecipients also comply with all of the applicable Federal civil rights laws, including the requirements pertaining to developing and submitting an EEOP, reporting Findings of Discrimination, and providing language services to LEP persons. State agencies that make subawards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

If we can assist you in any way in fulfilling your civil rights responsibilities as a recipient of Federal funding, please call OCR at (202) 307-0690 or visit our website at http://www.ojp.usdoj.gov/ocr/.

Sincerely,

Michael L. Alston

Dear Commissioner Blass:

Thank you for submitting your proposal in response to 09-LCM-16 to participate in the Safety Net Assistance Project (SNAP). I appreciate the time and effort that you and your staff spent in completing your submission. I am pleased to inform you that your proposal has been approved in the amount of $50,000 for calendar year 2010.

Thirty proposals representing totaling over $1.4 million were submitted in competition for $765,000 in available funds. You are to be commended for being one of the sixteen counties that were selected in a very competitive process, as many that were not selected were also very good proposals. The large number of proposals is indicative of the interest in working with the exempt and work limited Safety Net population.

As you prepare to implement your program please make sure that the enclosed program requirements are met. Reporting instructions are also included as an attachment.

Please contact Susanne Haag at (518) 486-6291 if you have any questions on SNAP or TRACSS2. We look forward to working with you as you implement your program.

Sincerely,

Elizabeth R. Berlin
Executive Deputy Commissioner

RE: APPROPRIATING FUNDS IN CONNECTION WITH INTERSECTION IMPROVEMENTS ON CR 19, PATCHOGUE-HOLBROOK ROAD AT FURROWS ROAD (CP 5128)

Attached are a draft resolution and duplicate copy to appropriate the sum of $900,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2010 Capital Budget and Program for this project.

This project would provide separate left-turn lanes and separate right turn lanes on CR 90, Furrows Road. The existing cross-section of a combination left & thru lane plus a separate right-turn lane in both directions on CR 90, is producing operational problems due to an increased number of east-west left-turns. This project will provide one left-turn lane, one thru lane, and one right-turn lane on the eastbound and westbound approaches to the intersection. This would mitigate the current operational problems.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CR19 Intersection Improvements.doc”.

MEMORANDUM

FROM: Thomas LaGuardia, P.E., Chief Deputy Commissioner
DATE: February 1, 2010
RE: APPROPRIATING FUNDS IN CONNECTION WITH RECONSTRUCTION OF DRAINAGE SYSTEMS ON VARIOUS COUNTY ROADS (CP 5024)

Attached are a draft resolution and duplicate copy to appropriate the sum of $500,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2010 Capital Budget and Program for this project.

Increasing traffic volumes and the aging of the county road drainage systems require various levels of maintenance, repair and replacement. Major reconstruction projects are progressed with individual capital projects. However, the life of the drainage systems can be extended with less costly improvements. Large scale repairs, replacement in kind, and other miscellaneous drainage maintenance projects will be performed under CP 5024.

This project includes excavation and repair or replacement of existing deteriorated drainage structures, piping, other items of work required preparatory to the drainage repairs include new concrete or asphalt pavement surrounding such drainage appurtenances, concrete curb and concrete sidewalk. Other associated items of work may also be required including, but not limited to, installation of pavement markings consisting of thermoplastic striping.

The drainage systems proposed to be reconstructed and improved include, but are not limited to, the attached list. It may be necessary to add and/or substitute other drainage systems and/or revise limits of work due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and determined that, they are a "replacement in-kind" and/or repair of existing facilities, and are a Type II Action under 6NYCRR Part 617.5 (c) (1) of SEQRA.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW- Reconstruction of Drainage Systems on Various County Roads .doc".

MEMORANDUM

TO: Ken Orannell, Deputy County Executive

FROM: Thomas LaGuardia, P.E., Chief Deputy Commissioner

DATE: February 1, 2010

RE: APPROPRIATING FUNDS IN CONNECTION WITH STRENGTHENING AND IMPROVING COUNTY ROADS (CP 5014)

Attached are a draft resolution and duplicate copy to appropriate the sum of $5,775,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2010 Capital Budget and Program for this project. It is important to note that much of this funding is reimbursed through the New York State Consolidated Local Street and Highway Improvement Program (CHIPS).

Increasing traffic volumes and the aging of the county road system require various levels of maintenance. Major reconstruction projects are progressed with individual capital projects. However, the life of the roads can be extended with less costly improvements. Minor resurfacing and other miscellaneous projects are performed under CP 5014.

This project includes excavation and replacement of existing deteriorated pavement, patching, other items of work required preparatory to the placement of new concrete or asphalt pavement such as drainage and concrete curb, and the placement of concrete or asphalt pavement. Other associated items of work may also be required including, but not limited to, installation of pavement markings consisting of thermoplastic striping and all-weather reflective markers.

The roads proposed to be strengthened and improved include, but are not limited to, the attached list. It may be necessary to add and/or substitute other roads and/or revise limits of work due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed our Strengthening and Improving County Roads Program and found that it constituted a Type II Action and no further review is required. The County Legislature concurred with this finding pursuant to Resolution No. 1171-1995.
An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-Strengthening and Improving County Roads.doc”.

RE: INTRODUCTORY RESOLUTION APPROPRIATING FUNDS IN CONNECTION WITH THE REMOVAL OF TOXIC AND HAZARDOUS MATERIALS IN COUNTY PARKS (CP 7185)

Enclosed please find a draft resolution and supporting documentation relative to the above-captioned. An e-mail version of this resolution was sent to CE RESO REVIEW under the file name “RESO-PKS- Appropriating Funds for CP 7185 - Removal Toxic Materials.doc”.

Frequently in the course of rehabilitating or restoring parks or historic structures, hazardous materials are discovered including lead, asbestos, and PCBs, among other substances. Special training and procedures must be followed in handling these materials, which increases the costs associated with their removal.

The funds appropriated under this resolution will go toward removal of underground storage tanks at Timber Point, Cedar Point, and Robinson Duck Farm County Parks and other parks; installing and upgrading leak detection systems to comply with State and Federal regulations; and other projects as needed.

Should you require anything further, please contact my office at 4-4984.

Enclosed please find a draft resolution and supporting documentation relative to the above-captioned. An e-mail version of this resolution was sent to CE RESO REVIEW under the file name “RESO-PKS-Appropriating Funds for CP 7007 Fencing and Surveying at County Parks.”

The 2010 Adopted Capital Budget includes $180,000 for planning and site improvements for Fencing and Surveying at County Parks. This resolution seeks to appropriate $50,000 in planning and $130,000 in site improvements for fencing and surveying at McAllister, West Hills, Southaven and Robert C. Murphy County Parks, as well as other parks. The installation of fencing at these parks is needed to mitigate County liability for hazardous and/or dangerous conditions and to protect the public from injury.

RE: INTRODUCTORY RESOLUTION APPROPRIATING FUNDS IN CONNECTION WITH RECONSTRUCTION OF SPILLWAYS IN COUNTY PARKS (CP 7099)

Enclosed please find a draft resolution and supporting documentation related to the above-captioned. An e-mail version of this resolution was sent to CE RESO REVIEW under the file name “Reso-PKS- Appropriating Funds for CP 7099 Reconstruction of Spillways.doc”. This project will seek to reconstruct existing spillway structures primarily at two county parks, Hubbard County Park and Blydenburgh County Park, however, additional sites may require funding.

Hubbard County Park, Flanders, has three such spillways in need of significant rehabilitation. Failure to take corrective actions on these structures could result in significant losses of wetland habitat and other ecologically sensitive habitats within the park.

Blydenburgh County Park, Hauppauge, features one of Long Island’s most significant freshwater lakes. At approximately 120 acres in size, Stump Pond is the signature feature of the park and provides the water source for a historic mill. Stump Pond provides important recreational opportunities to Suffolk residents who enjoy fishing and paddling. This project will serve to renovate the spillway and ensure the integrity and safety of the entire impoundment.

Should you require anything further, please contact my office at 4-4984.

SCIN FORM NO. 175b (10/95)
SECURING THE CITIES AGREEMENT
AMENDMENT #1
TERM, PERSONAL SERVICES AND TRAINING/EXERCISE ALLOCATIONS AND REPORTING REQUIREMENTS

**First Amendment** to the Agreement for the Procurement of Goods and Services and Construction Projects between the City of New York, acting by and through the New York City Police Department (NYPD), and Suffolk County Police Department (Agency).

The Agency and the NYPD agree to enter into this First Amendment on the 30th day of January 2006 for the purposes of:

A) Specifying the term of the agreement, heretofore not stated;
B) Providing further requirements for the receipt of equipment by the Agency;
C) Detailing the procedure by which the Agency will be reimbursed by the NYPD for personnel and other acceptable costs, if any, incurred for training purposes;
D) Detailing the reporting requirements, as to form and frequency, required by the NYPD in order to receive reimbursement pursuant to the terms of the Agreement.

A) **Paragraph #19** – This Agreement and the First Amendment will remain in effect from the date indicated above unless terminated by either agency within 30 days of written notice by either party. All equipment provided by the NYPD to the Agency must be returned to the NYPD 30 days after the written notice becomes effective, unless otherwise agreed to by both parties.

B) **Paragraph #7** – The Agency shall schedule and participate in the training for any equipment received as required by the NYPD. Furthermore, equipment shall not be deployed by any members of your agency without proper training.

C) **Paragraph #7A** – In order for the Agency to be reimbursed by the NYPD through the New York City Financial Management System (FMS) for allowable costs related to training provided by the NYPD or its contractor(s) pursuant to the terms of the Agreement, the Agency agrees to the following:

i. In cooperation with the NYPD's Agency Chief Contracting Officer, effective immediately, the Agency will register as a vendor with New York City. The Agency will complete and submit all required vendor registration documents, including a Substitute W-9 form (Attached as Appendix "A" with related instructions);

ii. Prior to training, the Agency will submit to the NYPD a projected Personnel training budget that will include: 1) the anticipated number of people in each rank who will attend the training on overtime (Trainee overtime); and/or, 2) the anticipated number of people in each rank who will backfill on overtime the member in training (Trainee backfill overtime); 3) the overtime cost structure for each rank; 4) the training or backfill hours required; and 5) the computed total cost, not to exceed the Agency's allocation as identified by the NYPD (Attached as Appendix "B").

iii. In the event that the agency is providing training under this program and elects to provide trainers on overtime (Trainer overtime) or to backfill
trainers on overtime (Trainer backfill overtime), the same information as stated above for the trainee or trainee backfill, must be provided.

iv. Only Rank-for-Rank will be reimbursed for the Trainee backfill position. For example, the agency cannot request backfill reimbursement for a Lieutenant if a Police Officer attended the training.

D) **Paragraph #7B** – For each month the Agency sends personnel for training, the Agency will submit an itemized invoice (sample attached as Appendix “C”) to the NYPD, including:

   a. the date of training;
   b. course name;
   c. the **name** and **rank** of each officer who attended the training on overtime or their backfill (as stated above) on overtime;
   d. the **name** and **rank** of each Training Program Instructor whose personal services costs are being billed against the STC Budget;
   e. the hourly overtime rate per rank;
   f. the number of hours each member attended training on overtime or provided overtime backfill or provided training on overtime;
   g. the reimbursement amount requested for each member, and;
   h. the total reimbursement amount requested.

   i. **No other training expense items will be requested by the Agency nor will the Agency be reimbursed by the NYPD under the FFY08 STC Grant Program for these expense items. Ancillary, nominal costs are expected to be absorbed by the Agency as a cost of reaching the overall goals of the STC Program;**

   ii. The Agency will maintain all personal service overtime documentation and records for each submission for reimbursement by the NYPD in accordance with the terms of the federal Securing the Cities grant that will fund the training as well as other applicable federal regulations.

*All other terms and conditions of the Agreement remain in full force and effect.*

IN WITNESS WHEREOF, the parties hereto have executed the First Amendment to the Agreement on the dates appearing opposite their respective signatures.

A condition of the use of the equipment is for SCPD officers to be properly trained in its use. NYPD will reimburse Suffolk for overtime costs associated with this training.

Re: 2010 Approval Letter for Community  
Chemical Dependency and Problem  
Gambling Treatment, Prevention, Recovery  
Services

Dear Mr. MacGilvray:

The enclosed State Aid Funding Authorization (SAFA) for the 2010 local fiscal period reflects your tentative base funding levels for Office of Alcoholism and Substance Abuse Services (OASAS) supported chemical dependency and problem gambling prevention, treatment, and recovery services in your County. As you are aware, the 2010-11 State Budget has not yet been released and, therefore, final approved funding will be determined after the Budget is passed.

Tentative base funding levels are the result of the Program Performance Review process, which has just recently been completed by OASAS Field Operations and Budget Management staff. In some cases, the SAFA may indicate that State Aid has been unallocated as a result of Performance Review, prior year management plans, or other issues. If you have not received a management plan letter or have any questions regarding these actions, please contact your Field Office representative regarding required actions.

The enclosed SAFA reflects the following adjustments for the 2010 local fiscal period:

• The return to appropriate base funding for programs which had one-time adjustments during the 2009 local fiscal period;
• Annualization of the 2009-10 Enacted Budget reductions, and
• Any adjustment to Funding Source codes to identify State and/or Federal funding for treatment, prevention, and recovery services (please see enclosed listing of Funding Source Codes), as well as the inclusion of initiative codes to identify specific services and/or revenues.
If applicable, the enclosed SAFA may also include funding for:

- Annualization of the restored 2009 funding for Managed Addiction Treatment Services (MATS) (Program Code 3810);
- Drug Law Reform residential program expansions, and
- The inclusion of funding for the first round of the Upstate Permanent Supportive Housing (PSH) Initiative (Program Code 3470).

As in the past, funding for Safe and Drug-Free Schools and Communities services (SDFSC) (Funding Code P) and Dormitory Authority of the State of New York (DASNY) (Program Code 4270) cannot be transferred to any other OASAS programs.

Please note that, if there are direct-contract programs assigned to your county, an informational copy of the SAFA for all funded programs - allocated and direct - is also enclosed.

**Outstanding Budget Issues**

There may be programs on the 2010 SAFA marked with an X-restriction. This restriction indicates that there are unresolved budget/contract issues with the program. No advance payments can be made for programs with an X-restriction until the pending issues are resolved and the restriction is removed. Please contact your Field Office representative to discuss the outstanding issues and required actions.

**2010 Program Codes, Funding, Funding Source, Restriction and Initiative Codes/Timeline**

Enclosed are a listing of updated program codes and an updated listing of funding, funding source, restriction and initiative codes used on the 2010 SAFA, as well as an updated OASAS State Aid Timeline. The Timeline outlines OASAS’ requirements for submission of documents and payment of State Aid advances, including when advances will be withheld for failure to submit required documents to OASAS.

**Submission of Claims**

To better manage available funding, OASAS has established deadlines for submission of claims and subsequent revisions that are being implemented over a three year period as indicated below. We are now in the second year of the phase-in of this policy and the following deadlines continue to apply.

Dear Director MacGilvray CSW:

The NYS Office of Mental Health (OMH) is authorizing your initial State aid funding levels for the period January 1, 2010 to December 31, 2010 as listed in Attachment A of this letter (Funding Source Allocation Table). The Attachment A also includes the new Case Management Report which provides information for programs funded with the two new Case Management Funding Codes. As in the past, the listing of programs which are being funded by Disproportionate Share (DSH) Revenue is included.

The State aid allocations authorized in this letter include full annual funding for initiatives previously authorized in local fiscal year 2009, reflect the funding code consolidation project and realignment of certain program funding to other funding codes. A separate transmittal will be sent to each county showing these changes. Also for counties which operate Community Residence programs, the 2010 Community Residence G-1-Ns (Gross-Income-Net) were previously sent and will be updated in the near future for SSI rate changes and bond recoupment amounts. They will be resent under separate cover. Any changes due in your authorization level based on the enactment of the 2010-11 State Budget will result in a revised State aid letter.

Consistent with established practice 2010 the Preliminary Allocation Summary submitted through ALFS will be due April 1, 2010. Please note that this is a correction of the second letter which was issued on December 18, 2009, and your PAS must agree to this version. Due to the large volume of changes for the fund code consolidation project, the MHPD edit preventing submission of your PAS have been disabled, however the exception report will be available for review. Final Consolidated Budget Reports (CBRs) are not due until November 1, 2010. The Consolidated Claim Report (CCR) and Consolidated Financial Report (CFR) are due May 1, 2011. Guidelines for completion of the CBR/CCR/CFR can be accessed through the OMH website.

The 2010 Spending Plan Guidelines are available on the OMH website. As a reminder and as indicated in the General Provisions section of these Guidelines, "Failure to submit the PAS, CBR, CCR or CFR schedules in a timely manner may result in the delay of subsequent State aid payments and/or Medicaid payments". In addition, please remember if you receive Federal Funds to submit your two Federal Certifications which are also available on the OMH website. We are unable to advance Federal Funds without these certifications. Please share the guidelines with all of your subcontract providers so that they may become familiar with the guidelines that apply to them, and refer to the guidelines as necessary.

Inherent in OMH’s budget and claiming policy is an expectation that your Department will monitor expenditures against budgeted costs throughout the year. Please notify OMH of any significant fiscal or programmatic problems as soon as they become known. If you have questions regarding any local mental health fiscal issues, including questions regarding the information or instructions that are included in this letter, please call Gary Schiliro at (631) 761-3334.

Subject: REQUEST FOR LEGISLATIVE RESOLUTION

The Office of Mental Health 2010 State Aid letter adds additional state aid funding for the provision of a third Crisis Residence - SRO for CONCERN. This Agency currently contracts with Suffolk County and provides housing services to the SPMI residents of Suffolk County. This funding represents an expansion of those services.

CONCERN opened a third site in East Patchogue as of July 1, 2009. This additional site is providing housing for fifty additional Suffolk residents in need of living quarters.

Attached for your review are drafts of the intro resolution, fiscal impact statement and routing form. Also attached is a copy of the 2010 State Aid letter issued December 18, 2009. Please reference the allocation and the remarks for fund code 72F, with respect to state aid allocated to Concern. I am requesting a Legislative Resolution to accept and appropriate this additional state aid into the 2010 Suffolk County Operating Budget. Thank you.

WHEREAS, an EIS needs to be prepared by the County; and

WHEREAS, sufficient funds are not included in the 2010 Capital Budget and Program to
cover the cost of said request and pursuant to Suffolk County Charter, Section C4-13, an

RE:            Yaphank – Capital Budget Program #6420.111

Capital Budget Program No. 6420 was appropriated in 2005 for the purpose of supporting planning services for the possible sale or lease of a portion of the Yaphank County Center. We have now started the environmental review process and the Legislature has issued a Positive Declaration on the proposal to declare 255 acres of the property surplus and to authorize a contract of sale. An environmental impact statement must be prepared along with compliance with all other aspects of the State Environmental Quality Review Act (SEQRA). Accordingly, I am requesting $411,000 in capital funds for professional consulting services for this effort.

Your assistance in this matter is appreciated. Please contact me if you need any additional information.

SUBJECT: Appropriating Funds in the 2010 Capital Budget and Program for the purchase of Sewer Facility Maintenance Equipment (CP 8164)

DATE: January 25, 2010

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW-bw CP8164 – Sewer Maintenance Equipment 1-25-10 and backup filed as Backup DPW-bw CP8164 – Sewer Maintenance Equipment 1-25-10. The resolution transfers from the 2010 Operating Budget $1,000,000 for sewer maintenance equipment per the attached list, and authorizes an increase in the number of vehicles in the Sanitation fleet. This Capital Project is for the purpose of ensuring that the proper sewer facility maintenance equipment for various districts is available. The majority of this equipment is associated with the sewer system response/rehabilitation and liquid sludge hauling. Attention and focus has been increasing annually as the 1,250 miles of sewerage and regulations concerning maintenance are implemented. We request this resolution be laid on the table at your convenience.

Dear Director MacGilvray  CSW:

The NYS Office of Mental Health (OMH) is authorizing your initial State aid funding levels for the period January 1, 2010 to December 31, 2010 as listed on Attachment A of this letter (Funding Source Allocation Table). The Attachment A also includes the new Case Management Report which provides information for programs funded with the two new Case Management Funding Codes. As in the past, the listing of programs which are being funded by Disproportionate Share (DSH) Revenue is included.

The State aid allocations authorized in this letter include full annual funding for initiatives previously authorized in local fiscal year 2009, reflect the funding code consolidation project and realignment of certain program funding to other funding codes. A separate transmittal will be sent to each county showing these changes. Also for counties which operate Community Residence programs, the 2010 Community Residence G-I-Ns (Gross-Income-Net) were previously sent and will be updated in the near future for SSI rate changes and bond recoupment amounts. They will be resent under separate cover. Any changes due in your authorization level based on the enactment of the 2010-11 State Budget will result in a revised State aid letter.

Consistent with established practice 2010 the Preliminary Allocation Summary submitted through ALFS will be due April 1, 2010. Please note that this is a correction of the second letter which was issued on December 18, 2009, and your PAS must agree to this version. Due to the large volume of changes for the fund code consolidation project, the MHPD edit preventing submission of your PAS have been disabled, however the exception report will be available for review. Final Consolidated Budget Reports (CBRs) are not due until November 1, 2010. The Consolidated Claim Report (CCR) and Consolidated Financial Report (CFR) are due May 1, 2011. Guidelines for completion of the CBR/CCR/CFR can be accessed through the OMH website.

The 2010 Spending Plan Guidelines are available on the OMH website. As a reminder and as indicated in the General Provisions section of these Guidelines, "Failure to submit the PAS, CBR, CCR or CFR schedules in a timely manner may result in the delay of subsequent State aid payments and/or Medicaid payments". In addition, please remember if you receive Federal Funds to submit your two Federal Certifications which are also available on the OMH website. We are unable to advance Federal Funds without these certifications. Please share the guidelines with all of your subcontract providers so that they may become familiar with the guidelines that apply to them, and refer to the guidelines as necessary.

Inherent in OMH’s budget and claiming policy is an expectation that your Department will monitor expenditures against budgeted costs throughout the year. Please notify OMH of any significant fiscal or programmatic problems as soon as they become known. If you have questions regarding any local mental health fiscal issues, including questions regarding the information or instructions that are included in this letter, please call Gary Schihiro at (631)761-3334.
Additional back-up material regarding IR1271 is on file in the Legislative Clerk’s Office, Hauppauge.

MEMORANDUM

TO: Ken Cranna, Deputy County Executive
FROM: Thomas LaGuardia, P.E., Chief Deputy Commissioner
DATE: February 2, 2010
RE: APPROPRIATING FUNDS IN CONNECTION WITH THE COUNTY SHARE FOR PARTICIPATION IN THE RECONSTRUCTION OF CR 3, PINELAWN ROAD, TOWNS OF HUNTINGTON AND BABYLON (CP 5510)

Attached are a draft resolution and duplicate copy to appropriate the sum of $125,000 for seed money associated with land acquisition in connection with the above referenced project. There are sufficient funds included in the 2010 Capital Budget and Program for this project.

This project is listed as having Federal aid associated with it in the 2010 Capital Budget and Program. The Federal authorization for the land acquisition is being delayed due to NYS fiscal problems. We require seed money to continue the acquisition process so that the delay does not put the future Federal aid in jeopardy.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CR 3 Reconstruction.doc”.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO EXPAND OPPORTUNITIES TO CREATE HOUSING UNDER THE 72-H TRANSFER PROGRAM

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO EXPAND OPPORTUNITIES TO CREATE HOUSING UNDER THE 72-H TRANSFER PROGRAM" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO EXPAND OPPORTUNITIES TO CREATE HOUSING UNDER THE 72-H TRANSFER PROGRAM

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that transfers of County-owned land to towns and villages pursuant to NEW YORK GENERAL MUNICIPAL LAW § 72-h, play a critical role in the creation of affordable/workforce housing in Suffolk County.

This Legislature further finds that while Local Law No. 37-2006 amended affordability and income limit requirements under the County's Workforce Housing Program in order to increase flexibility and expand opportunities to develop housing, § 72-h program requirements went unchanged by this local law.

This Legislature also determines that many prospective first time homebuyers whose incomes exceed the limits currently prescribed under the § 72-h program, continue to be priced out of the Long Island housing market.

This Legislature also determines that the § 72-h transfer program should be flexible so that the County can take advantage of all opportunities to develop affordable housing in our communities and better serve the needs of first time homebuyers.

Therefore, the purpose of this local law is to authorize the Director of Workforce Housing to waive the income limits of the § 72-h transfer program and authorize the transfer of homes constructed under this program to persons whose incomes do not exceed 120% of the HUD established median income limits for our region.

Section 2. Amendments.

Article 36 of the SUFFOLK COUNTY ADMINISTRATIVE CODE is hereby amended as follows:
ARTICLE XXXVI
Affordable Housing

§ A36-2. Suffolk County housing opportunities programs.

B. New York State General Municipal Law § 72-h transfer program.

(1) Designated uninhabitable improved parcels and vacant parcels shall be transferred by the County to participating municipalities for nominal consideration and shall be constructed and/or reconstructed for affordable housing purposes. These parcels shall be subject to covenants and restrictions requiring cooperating municipalities to transfer these parcels to eligible individuals whose income does not exceed 80% of the HUD-established limits for the Nassau-Suffolk PMSA adjusted by family size unless the Director, subject to legislative approval, issues a waiver and authorizes the transfer to eligible individuals whose income do not exceed 120% of the HUD established limits. Units constructed and/or reconstructed on a parcel transferred pursuant to this Subsection B, and sold or rented subject to a hierarchy of local preferences established by the participating municipality, shall be constructed and/or reconstructed, as the case may be, using design and construction features in compliance with § A36-3 of this article, and shall be made available to military veterans pursuant to such local preference who served during expeditionary service in a theater of conflict in Iraq or Afghanistan, as verified by the Director of the Suffolk County Veterans Agency, which credentials shall qualify such persons as first-time homebuyers as defined in this article, subject to the following:

(2) Deed restrictions.
(a) Parcels transferred pursuant to this section shall be to a first-time homebuyer and shall contain deed restrictions as follows:

[1] For owner-occupied housing:

[a] Property must remain the principal residence of owner for a period of at least five consecutive years;

[b] Income of first-time homebuyer must not exceed 80% of the HUD established median income limits for the Nassau-Suffolk PMSA adjusted by family size or, in the case where a waiver has been issued by the Director as authorized under § A36-2(B)(1), income must not exceed 120% of the HUD established median income limits for the Nassau-Suffolk PMSA adjusted by family size;
[c] Subsidized purchase price of home shall not exceed 60% of median sales price for Suffolk County based on State of New York Mortgage Agency (SONYMA) guidelines; and

[d] Construction must be completed and the housing occupied by eligible purchasers within three years of transfer unless an extension of time is granted in writing by the Director after good cause is shown. Said extension shall not exceed two two-year extensions unless approved by duly enacted resolution.

[e] Failure to comply with any of the restrictions herein shall result in the property reverting to Suffolk County.

[2] For rental housing:

[a] Income of purchaser must not exceed 80% of the HUD established median income limits for the Nassau-Suffolk PMSA adjusted by family size or, in the case where a waiver has been issued by the Director as authorized under § A36-2(B)(1), income must not exceed 120% of the HUD established median income limits for the Nassau-Suffolk PMSA adjusted by family size;

[b] Rent shall not exceed HUD established fair market rent for the Nassau-Suffolk PMSA based on bedroom size;

[c] Home must meet local building and zoning codes;

[d] Construction must be completed and the housing occupied by eligible tenants within three years of transfer unless an extension of time is granted in writing by the Director after good cause is shown. Said extension shall not exceed two two-year extensions unless approved by duly enacted resolution; and

[e] Property must remain in the possession of tenants who meet the income limits and rental limits set forth in § A36-2B(2)(a)[2][a] and [b] above for at least 10 consecutive years after the transfer date.

[f] Failure to comply with any of the restrictions herein shall result in the property reverting to Suffolk County.

* * * *

Section 3. Rules and Regulations.

The Director of Affordable Housing shall, within 90 days of the effective date of this law promulgate rules, regulations and criteria necessary to implement this law.
Section 4. Applicability.

This law shall apply to § 72-h transfers occurring on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

PROPOSED LOCAL LAW YEAR 2010

TITLE: I.R. NO. -2010; A LOCAL LAW TO EXPAND OPPORTUNITIES TO CREATE HOUSING UNDER THE 72-H TRANSFER PROGRAM

SPONSOR: LEGISLATOR SCHNEIDERMAN

DATE ADOPTED/NOT ADOPTED: CERTIFIED COPY RECEIVED:

This proposed local law would amend the County's § 72-h affordable housing program.

Presently, County-owned parcels transferred for affordable housing purposes pursuant to § 72-h of NEW YORK GENERAL MUNICIPAL LAW are subject to covenants/restrictions requiring that the participating municipalities transfer these parcels to individuals whose income limits do not exceed 80% of the HUD established limits for Nassau-Suffolk PMSA. The proposed law would authorize the Director of Affordable Housing to issue waivers authorizing participating municipalities to transfer parcels to individuals with incomes up to 120% of the HUD established limits. Such waivers would be subject to legislative approval.

The proposed law authorizes and directs the Director of Affordable Housing to promulgate rules, regulations and criteria necessary to implement this law.

This law will take effect immediately upon its filing with the Office of the Secretary of State and will apply to § 72-h transfers occurring on or after that date.

Dear Supervisor Throne-Holst:

First, on behalf of my wife Joyce and myself, please accept our congratulations on your election as supervisor. We wish you all the best as you begin your term of office and face the challenges ahead.

As a matter of introduction, my name is William B. Sickles and I am a lifelong resident of Southampton. I recently retired from the Suffolk County Department of Parks, Recreation and Conservation as the Senior Superintendent of Parks. In that role, I was responsible for the overall operation of the department including golf courses, campgrounds, beaches, endangered species protection and overall park maintenance.

John Pavacic, Commissioner of Suffolk County Parks, recently contacted me with information that Ed Walters has submitted his resignation as Park Trustee representing the Town of Southampton. As you know, each town has a representative who serves on the Suffolk County Board of Trustees for the Suffolk County park system.

Over the years, I have worked with various town departments, including Planning and Parks, as well as working closely with the Town Trustees on a variety of issues. In addition, on a local level, I have worked with groups such as the Group for the East End, The Nature Conservancy and Friends for the Long Pond Greenbelt. With that in mind, I believe with my over 38 years of service to the Suffolk County Department of Parks, I could ably represent the Town of Southampton on the board.

If you think that I might be a suitable representative for the Town of Southampton, please feel free to contact me at you or your representative.

Thank you for your time and consideration and again, best wishes.

Sincerely Yours,

William B. Sickles

To be completed by the Executive Budget Office
MEMORANDUM

TO: Chris Kent, Chief Deputy County Executive
FROM: Amy Engel, County Executive Assistant
DATE: January 7, 2010
RE: Recovery Zone Bonds

There was a discussion of the distinction between the governmental taxable bonds that the County can use for our Capital Budget projects versus the private activity bonds that can be used through our IDA.

There is a New York State deadline of January 29, 2010 at which point the State would like to see our Facility Bond Issuance Plan. The plan should include a list of potential projects, the resolution designating the Recovery Zone boundary and a timeline detailing project readiness.

It was agreed that:
We will do a straightforward resolution designating the entire County as the boundary for the Recovery Zone. In a whereas clause it will allow coordination with the State Bond Bank. There will NOT be any mention of the IDA in this resolution.

We will prepare to submit to NYS by January 29th the proposed resolution, a potential list of projects i.e. our Capital Budget & Program, and a letter stating Suffolk County’s understanding that we must act in timely manner to utilize our funding allocation or it may be recaptured and reallocated.

We will investigate the possibility of using some money for job training and education purposes as working capital instead of using it all for traditional capital expenses i.e. brick and mortar type uses.

Next Steps:
K. Crannell will reach out to Frances Walton of ESDC. He will obtain a copy of the model resolution designating the Recovery Zone and obtain a copy of the OS from the last Bond Bank transaction completed. He’ll find out in what format the Bond Bank would need our Capital Program in order to do an analysis and what confidentiality assurances they can provide. He’ll also invite them to come out to speak to us.

B. Ferguson will talk to IDA Bond Counsel, Nixon Peabody to ask if a second resolution is necessary and what will be necessary with regard to Huntington and Smithtown.

A. Engel will coordinate with Eric Naughton and Carmine Chiusano of the Budget office regarding our Capital Program. She’ll schedule a follow up meeting with Chris Kent. She’ll coordinate with Intergovernmental Relations about the resolution and Certificate of Necessity.
ATTACHMENT A:

The American Recovery and Reinvestment Act (ARRA) passed on 2/17/09 includes a variety of temporary financing programs relevant to economic development projects, including new categories of tax exempt, tax credit and subsidy bonds under “Build America Bonds” and other provisions. Given their enhanced benefits for economically distressed areas, Recovery Zone Bonds merit particular attention, as outlined below:

Recovery Zone Bonds

Program Description: Recovery Zone Bonds (RZBs): are two new types of bonds, designed to provide tax incentives for state and local governments through lower borrowing costs, thereby spurring job creation and economic recovery in distressed areas.

Permitted issuers include municipalities with populations over 100,000 and counties.

Deadline: RZBs must be issued in 2009 and 2010; before January 1, 2011.

"Recovery Zones" are defined as: any area designated by the issuer as having significant poverty, unemployment, rate of home foreclosures, or general distress; areas that are economically distressed due to closure or realignment of military installations (BRAC), and any areas designated (as of ARRA effective date of 2/17/09) as empowerment zones or renewal communities.

The two types of RZBs have differing purposes as outlined below:

- Recovery Zone Economic Development Bonds (taxable), for government purpose projects (not available for 501(c)(3) not-for-profit organizations or for private activity purposes) using capital and working capital expenditure to promote development and other economic activity in a recovery zone, such as:
  - new money capital expenditures for property located in a recovery zone;
  - new money capital expenditures for public infrastructure and construction of public facilities; and
  - expenditure for job training and educational programs.

Federal Davis-Bacon prevailing wage rules apply to projects.

National Volume cap: $10 billion.

Tax incentive: the issuer would get a direct federal subsidy of 45% of the interest (an enhancement over the Build America Bond direct subsidy of 35%).

- Recovery Zone Facility Bonds (tax exempt), designed to support private business and trade activity in recovery zones. Generally, bonds would be issued by the county or municipality and proceeds loaned, or project leased or sold, to a private, for-profit company as the true borrower. Key elements for eligible projects include:
  - private use depreciable property, such as equipment and buildings (but not land), whose original use begins with the taxpayer;
  - ineligible properties include residential rental properties, golf courses, country clubs, massage parlors, hot tub or suntan facilities, racetracks or gambling facilities or stores primarily selling alcohol;
  - the property must be constructed, reconstructed, renovated or acquired after the location is designated as a recovery zone.
Tax incentive: the interest on the bonds is excluded from federal gross income.

To qualify as this type of bond, 95% of the proceeds must be used for recovery zone property.

National Volume cap: $15 billion.

NYS Total for both RZB types: $925,245,000:

$370,098,000 for Recovery Zone Economic Development Bonds (taxable);

$555,147,000 for Recovery Zone Facility Bonds (tax exempt)

RECOVERY ZONE FACILITY BOND ALLOCATION

WAIVER FORM

The American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5, added Sections 1400U-1 and 1400U-3 of the Internal Revenue Code of 1986 (the “Code”), authorizing counties and large municipalities to issue recovery zone facility bonds (“RZFBs”). Section 1400U-1(a) of the Code provides that the Secretary of the Treasury shall allocate the national recovery bond limitation among counties and large municipalities pursuant to specific guidelines. Code Section 1400U-1(a)(3)(A) provides in part that a county or large municipality may waive any portion of its limitation.

The Secretary of the Treasury allocated such limitation (an “Allocation”) among counties and large municipalities and set forth substantive guidance on recovery zone bonds in Notice 2009-50 (the “Notice”).

Alternative 1 (to be used in a full waiver situation) [Pursuant to the Notice, [Name of County/City/Town] received an Allocation in the amount of [$] for RZFBs. As of the date hereof, the [Name of County/City/Town] has not issued RZFBs using such Allocation or otherwise transferred such Allocation to another party authorized to issue such bonds.]

Alternative 2 (to be used in a partial waiver situation) [Pursuant to the Notice, [Name of County/City/Town] received an Allocation in the amount of [$] for RZFBs. As of the date hereof, the [Name of County/City/Town] has not issued RZFBs in an amount in excess of [$] using such Allocation or otherwise transferred the remaining portion of such Allocation to another party authorized to issue such bonds.]

As the Authorized Representative of the [Name of County/City/Town], I hereby represent to the Urban Development Corporation (dba Empire State Development Corporation), which is the duly authorized New York State government entity responsible for recovery zone bond reallocations, that the [Name of County/City/Town] will be unable to use all or a portion of its designated Allocation as set forth below.

Pursuant to Code Section 1400U-1(a)(3)(A) and Section 4.05 of the Notice, the [Name of County/City/Town] HEREBY EXPRESSLY, IRREVOCABLY AND AFFIRMATIVELY WAIVES its right to use its Allocation in the amount of $__________ with respect to RZFBs. In connection with this waiver, the [Name of County/City/Town] acknowledges that ESDC will reallocate such RZFB Allocation to another eligible issuer within the State as it shall determine in its discretion.

Subject: Guidance and Timelines for Recovery Zone Facility Bond Issuance, Submission of Waivers and Reallocation Process

We hope that elected officials for counties and municipalities that have received allocations for both types of Recovery Zone Bonds (RZBs), and other interested parties, may find the attached brief helpful for their planning purposes related to RZ Economic Development Bonds and RZ Facility Bonds (please see Attachment A for additional background, and the attached pdf showing all RZB allocations by the IRS to New York State counties and municipalities).

As you may be aware, Empire State Development is the duly authorized New York State government entity responsible for providing guidance related to RZBs, particularly with respect to RZ Facility Bonds. In order to plan effectively for New York State’s RZ Facility Bond usage, we hereby request that those of you representing counties and municipalities having received RZB allocations submit your Issuance Plans for RZ Facility Bonds to Kay Wilkie at ESD’s Albany headquarters no later than January 29, 2010.

Such RZ Facility Bond Issuance Plans should include:

- A brief description of the project(s) to be funded by the RZ Facility Bond (RZFB) allocation, specifying the projected amount(s), outlining the qualifying project(s) purpose, and sponsor contact information.
- A copy of the Recovery Zone Designation Resolution related to the RZFBs.
- A timeline summarizing RZFB project readiness, including all efforts undertaken and approvals secured to date, all planned or pending local actions and approvals (public hearings, SEQRA, etc.), and dates for issuance and for commencing project.

Following submission of the RZFB Issuance Plans by allocation recipients, you are also asked to keep ESD advised of project updates, schedule changes, revisions or deletions.

In the event that you do not intend to use your RZFB allocations, each recipient has the option of immediately waiving allocations in full or in part, and assigning such amounts to ESDC for reallocation to other eligible and essential projects throughout New York State. Your full cooperation in this process would be most sincerely appreciated.

Authorized officials of NYS counties and municipalities that wish to waive all or part of RZFB allocations are required to provide a written confirmation of such waiver to ESDC as soon as possible, or no later than March 1, 2010, using the Waiver Form, (included as Attachment B, indicating Alternative 1 for full waivers, or Alternative 2 for partial waivers); to be available on ESDC’s website, www.empire.state.ny.us.

For more information regarding RZBs, RZFB Issuance Plans, and the RZFB reallocation process outlined in this memo, please contact Kay Wilkie at 518-292-5270; kwilkie@empire.state.ny.us.

Thank you for your consideration.

Introduced by Sen. FOLEY -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the Suffolk county tax act, in relation to the sale of delinquent tax liens on brownfield property

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Chapter 311 of the laws of 1920 constituting the Suffolk county tax act is amended by adding a new section 46-a to read as follows:

§ 46-a. The county shall have the right to enter into contracts to sell some or all of its delinquent tax liens on property identified as brownfield sites pursuant to sections 27-1405 of the environmental conservation law, except superfund sites placed on the U.S. Environmental Protection Agency’s (USEPA) National Priority List (NPL) as defined by the Comprehensive Environmental Response, Compensation, and Liabilities Act of 1980 to clean up abandoned hazardous waste sites, held by such county to one or more private parties subject to the following conditions:

(a) The consideration to be paid may be more or less than the face amount of the tax liens sold.

(b) The county shall set the terms and conditions of the contract of sale and all prior contracts of sale shall be deemed valid and shall be enforced under this act and that the county may require the purchaser to remediate the property in accordance with the provisions of title 17 of article 27 of the environmental conservation law and to promote investment in and development of such parcels.
(c) The county shall provide property owners with at least thirty days advance notice of such sale in the same form and manner as is provided by subdivision 2 of section 1190 of the real property tax law and shall be done by regular mail to the last known address. Failure to provide such notice by the county shall not in any way affect the validity of any such sale of a tax lien or tax liens or the validity of the taxes or interest prescribed by law with respect thereto.

(d) The sale of a tax lien pursuant to this act shall not operate to shorten the otherwise applicable redemption period or change the otherwise applicable interest rate.

(e) Upon the expiration of the redemption period prescribed by law, the purchaser of a delinquent tax lien, or its successors or assigns, may foreclose the lien as in an action to foreclose a mortgage as provided in section 1194 of the real property tax law. The procedure in such action shall be the procedure prescribed by article 13 of the real property actions and proceedings law for the foreclosure of mortgages. At any time following the commencement of an action to foreclose a lien, the amount required to redeem the lien, or the amount received upon sale of a property, shall include attorney's fees, court costs, title fees, service of process fees, and other disbursements allowed by a court of competent jurisdiction upon the filing of said court with proof of said expenses.

(f) The provisions of title 5 of article 11 of the real property tax law shall apply so far as is practicable to a contract for the sale of tax liens pursuant to this act.

§ 2. This act shall take effect immediately.

SPONSORS MEMO:

NEW YORK STATE SENATE
INTRODUCER'S MEMORANDUM IN SUPPORT
submitted in accordance with Senate Rule VI, Sec 1

BILL NUMBER: S5995

SPONSOR: FOLEY

TITLE OF BILL:
An act to amend the Suffolk county tax act, in relation to the sale of delinquent tax liens on brownfields property

PURPOSE:
The amendment would allow Suffolk County to sell or dispose of tax liens for less than outstanding tax due on lien on parcels identifies by the County as Brownfields except Superfund Sites. The sale or disposal of the County tax liens on these parcels will satisfy open real property tax liens and promote the return of these parcels to a productive real property taxpaying use.

SUMMARY OF PROVISIONS:
Adds a new section 46-a which would allow Suffolk County to sell or dispose of tax liens for less than outstanding tax due on lien on parcels identifies by the County as Brownfields except Superfund sites. The sale or disposal of the County tax liens on these parcels will
satisfy open real property tax liens and promote the return of these parcels to a productive real property taxpaying use.

JUSTIFICATION:
Suffolk County acquires an interest and, in most instances, take title by tax deed to real property for non-payment of taxes. However, the County has decided not to take title for non-payment of real property taxes on parcels identified as Brownfields. A parcel is identified as a Brownfield site as a result of its past use and/or the presence of known contamination on the site.

In many instances, the tax liens held by the County on Brownfield parcels and the cost to remediate the property are, in most instances, in excess of the appraised value of the property assuming the site is without contamination. Allowing the County, the option to sell or dispose of the tax liens for less than the outstanding tax due on a Brownfield parcel with the requirement that the buyer will remediate the parcel will promote private developers to acquire the tax liens, invest money to clean up the land, and convert these contaminated non-taxpaying parcels into productive taxpaying use.

The Suffolk County Treasurer currently lists seventy-six parcels with tax liens that are eligible for sale or disposal that the County has been reluctant to take a tax deed due to the presence of contamination on the property. The seventy-six parcels include approximately 215 acres of potentially contaminated, under utilized land that would be remediated and restored to the tax rolls if the tax lien on the property could be sold or transferred to a private developer.

LEGISLATIVE HISTORY:
New Bill.

FISCAL IMPACT ON THE STATE:
The amendment would have a long term benefit to the taxpayers by returning these parcels, which are non producing tax revenue, to productive, taxpaying use.

EFFECTIVE DATE:
This act shall take immediately.
