RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO ENSURE THE SAFE USE OF AIR GUNS IN SUFFOLK COUNTY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on 2010, a proposed local law entitled, "A LOCAL LAW TO ENSURE THE SAFE USE OF AIR GUNS IN SUFFOLK COUNTY" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO ENSURE THE SAFE USE OF AIR GUNS IN SUFFOLK COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that air guns discharge small caliber ammunition and pellets propelled by air or compressed gas.

This Legislature also finds and determines that thousands of people throughout Suffolk County, including many minors, own and use air guns.

This Legislature further finds and determines that air guns are not classified by the State of New York as weapons.

This Legislature finds that air guns vary widely in velocity and power, with some air guns firing strongly enough to be used for hunting.

This Legislature determines that improper or reckless use of air guns can cause serious injury or even death.

This Legislature also finds that persons under the age of twenty (20) are the most frequent victims of air gun injuries.

This Legislature also determines that Suffolk County should regulate the use of air guns in residential areas to ensure the safety of all County residents, especially the County's youth.

Therefore, the purpose of this law is to prohibit the discharge of any air gun within two hundred (200) feet of any residence in Suffolk County.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:
"AIR GUN" shall mean any rifle, pistol or shot gun which fires projectiles by means of compressed air or other gas.

"PERSON" shall mean any natural individual.

Section 3. Prohibitions.

No person shall discharge an air gun within two hundred (200) feet of any residential dwelling in Suffolk County.

Section 4. Penalties.

Any person found violating this law will be guilty of a violation and subject to a penalty of not more than two hundred fifty dollars ($250.00).

Section 5. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 6. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 7. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 8. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO INCREASE PUBLIC CONFIDENCE IN GOVERNMENT BY AMENDING THE NEPOTISM PROVISIONS OF THE SUFFOLK COUNTY CODE

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO INCREASE PUBLIC CONFIDENCE IN GOVERNMENT BY AMENDING THE NEPOTISM PROVISIONS OF THE SUFFOLK COUNTY CODE," and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO INCREASE PUBLIC CONFIDENCE IN GOVERNMENT BY AMENDING THE NEPOTISM PROVISIONS OF THE SUFFOLK COUNTY CODE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the public is often leery of public officials placing relatives on the public payroll. This is especially so when an elected official appoints a relative to work directly under the supervision of the appointing public official.

This Legislature further finds that, while the existing nepotism provisions of the Suffolk County Code promote public confidence by assuring openness in hiring practices, there is no prohibition against a county official having direct supervision over a relative he or she appoints.

Therefore, the purpose of this law is to amend §A6-3 of the Suffolk County Code to clarify that in no case should a County official hire a relative when that County official supervises his or her relative.

Section 2. Amendments.

The Suffolk County Code is hereby amended as follows:
§ A6-3. Hiring or promoting relatives of County officials.

A.) Definitions. As used in this section, the following terms shall have the meanings indicated:

ANOTHER COUNTY OFFICIAL — The County Executive; a County Legislator; any other elected official; [or] an official appointed to an elected County position; [or] any department head with the power to hire, fire or promote; all Chief Deputy County Executives and Deputy County Executives; all Commissioners and Deputy Commissioners of County Departments; or a County police official holding the rank of Captain or above.

IMMEDIATE FAMILY -- Spouse or issue.

NOT BEING FILLED PURSUANT TO CIVIL SERVICE EXAMINATIONS -- The hiring or promoting to fill unclassified positions and classified positions in the exempt, laborer and noncompetitive class. The restriction shall also apply to competitive class positions but only to the extent that the hiring or promoting is to a provisional, temporary or seasonal position in the competitive class.

PROMOTE -- To place a person currently in County employment in another County job which pays a higher biweekly salary, exclusive of overtime and other fringe benefits.

RELATIVE -- The spouse, issue, brother, sister, parent, brother-in-law, sister-in-law, parent-in-law, niece or nephew.

SUPERVISES HIS OR HER RELATIVE -- The power to hire, fire or promote, sign time and accounting records, or to conduct job performance evaluations.

B.) Hiring or promotional requirements. Whenever the County of Suffolk desires to hire or promote a person who is a relative of another County official as defined herein, or who is a relative of a County police official holding the rank of Captain or above, for a position not being filled pursuant to New York Civil Service Law competitive examinations or for promotional or supervisory positions in the Suffolk County Police Department, then such hiring or promoting shall not be effective unless or until it is approved by a resolution of the Suffolk County Legislature,[] except that in no case shall a resolution of the Suffolk County Legislature be approved to hire or promote a person who is a relative of another County official into a position where that County official supervises his or her relative.
****

Section 3. Applicability.

This law shall apply to the employment of a relative of another County official as of the effective date of this law.

Section 4. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 5. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Re: Resolution – Increasing the Petty Cash Fund  
For the Public Administrator of Suffolk County

Dear Mr. Crannell:

The attached resolution requests an increase to the Public Administrator’s Petty Cash account, which is known as the Public Administrator’s Special Account, from the current $5,000 to $10,000. The P.A. Special Account is held through the Suffolk County National Bank in account number 110158391.

The purpose of the account is to provide a source of temporary funds for the payment of various expenses prior to the office’s appointment by the Surrogate Court as administrator of an estate or guardianship. These expenses may include court fees for the filing of a petition for letter of administration, fees to file an administrative bond, as required by the court, and the payment of the premium on the bond. They may also include the purchase of death certificates, charges for obtaining liability insurance coverage on real property, the retention of independent contractors for the initial inventory and security of real property, and other ancillary expenses.

Only after the Office of the Public Administrator is issued Letters of Administration, do we have the legal authority to marshal estate assets, liquidate them and establish an estate account. Immediately thereafter, the expenses are reimbursed to the P. A.’s Special Account. The assets may encompass real estate, automobiles, boats, jewelry, personal property, insurance policies, and stocks and bond investments. The experience of the office is that the liquidation of assets may be lengthy, especially in the selling of real property as the downturn in the housing market has affected the ability to auction these properties in a timely manner. As indicated above, insurance has to be maintained on these properties and premiums must be paid. The liquidation of bank accounts, insurance policies, and equities,
though not as protracted a process as real estate, may still take some time and delay reimbursement to the Special Account. These challenges place a severe fiscal burden on the Public Administrator’s ability to administer the estates when the balance in the Special Account is so low. The increase in the Special Account will alleviate these challenges. It should be noted that the last increase in the Public Administrator’s Special Account occurred on November 21, 1996 and the expenses that occur in the initial stages of estate administration (insurance premiums, court fees, bond premiums) have increased dramatically.

The Public Administrator Special Account is reconciled monthly and the office submits the necessary forms to the Department of Taxation and Finance through the Department Financial Account Reporting Form as required in Standard Operating Procedure D-08.

Thank you for your assistance.

Very Truly Yours,

Certificate of Necessity Requested

Attached please find the following for the Operation IMPACT VII Grant Program:

- Grant Resolution
- Grant SCIN Forms
- Request for Introduction of Legislation
- Financial Impact Statement
- Copy of grant award letter from DCJS
- Copy of grant budget

Electronic copies of the resolution and SCIN forms will be transmitted to CE RESO REVIEW. Grant contract signature will be done on-line in the DCJS Grants Management System (GMS) upon passage and signature of the resolution.

Due to the fact that this is a one year project with no extensions given, it is imperative that the resolution to accept and appropriate the funding for the project pass as soon as possible in order for equipment purchase requisitions to be entered into IFMS before the Purchasing cut off date in early October. For this reason we are requesting a Certificate of Necessity for the September 16th meeting of the Legislature.

If you have any questions concerning this resolution package please do not hesitate to contact Susan Krause, Grants Technician, at (631) 852-6601 or Sarah Furey, Senior Grants Analyst, at (631) 852-6042.

Honorable Thomas J. Spota
Suffolk County District Attorney
North County Complex, Bldg. 77
Veterans Memorial Highway
Hauppauge, NY 11788

Mr. Richard Dormer
Commissioner
Suffolk County Police Department
John L. Barry Police Headquarters
30 Yaphank Avenue
Yaphank, NY 11980

Dear District Attorney Spota and Commissioner Dormer:

I am pleased to announce that your Operation IMPACT Partnership will receive $1,228,794 for the purpose of sustaining and enhancing your Operation IMPACT crime reduction efforts. It is our hope that with these funds, you will be able to reduce violent crime within your primary IMPACT jurisdiction through the strategy that your partnership developed for the coming contract year.

As stated in the RFA, there was $13.5 million available to award under Operation IMPACT VII, or slightly more than a ten percent decrease in the total amount available to award under IMPACT VI. As a result, most of our IMPACT partners will find that their award is less than last year’s. We continued to direct our resources to the primary jurisdiction police department and other partnership agencies that play a critical role in the implementation of each proposed strategy. This will support the core strategies aimed at reducing violent crime within those primary jurisdictions.

The attached spreadsheet represents your county’s entire budget request for IMPACT VII and the “Awarded” column designates how much funding was approved for each individual budget request. Please note that most staffing positions supported by the current year strategy were again funded through IMPACT VII.

The process we use to make award decisions is deliberate, awarding funds to positions and items justified as being critical to implement the proposed strategies. While each agency is expected to use the approved budget in the “Awarded” column when developing this year’s contract, we do allow for minor adjustments to be made if the head of the agency making the request can demonstrate why the strategy would benefit from that adjustment. All requests to make changes to the approved budget must be made in writing (via e-mail) to your IMPACT
“Ambassador” or Hilary McGrath by July 19, 2010. The Division of Criminal Justice Services (DCJS) reserves the right to approve or deny any request. The overall award amount cannot be adjusted.

Any reallocation of funds requested on IMPACT VII contracts will be carefully scrutinized by the Deputy Commissioner of the Office of Public Safety to ensure the requested budget amendment is in the best interest of the IMPACT strategy overall. All budget reallocation requests must be made in a timely manner and no amendments will be accepted after June 1, 2011. All reallocations must receive approval before the agency can move forward with the expenditure.

Mary Ann Dudla of the DCJS Office of Program Development and Funding will be contacting the individuals listed as the “primary contacts” on the applications to assist in contract preparation. All applications must be submitted by August 6, 2010.

Each partnership is expected to begin implementing their IMPACT VII strategies upon receipt of their award letter, as all expenses incurred beginning July 1, 2010 will be eligible to be reimbursed once the contract is fully executed. In addition, if county legislative approval for this award is locally mandated, we recommend you take the necessary steps to get the contract on the next council or legislative agenda for review and approval. This will ensure timelier processing of your contract.

Thank you for your continued efforts in implementing Operation IMPACT. Although, we are faced with a continued decrease in funding for IMPACT initiatives during this fiscal crisis, we are fortunate for the opportunity to continue to fund your core crime reduction components. We thank you for your continued dedication to this critical crime reduction program.

Very truly yours,

Sean M. Byrne
Acting Commissioner

Description of Project:
SCCC is a tri-campus commuter college and EOP students must learn to balance home, work, and school while addressing transportation and family issues. The 2010 EOP Summer Program will allow students to begin this “balancing act”. Students will attend a 5-week program at a campus closest to their home, to work on their math, reading and writing skills as well as computer literacy. In addition, EOP staff will assist students with navigating the various programs and services offered at each campus. The goal then of the 2010 EOP Summer Program is to improve EOP students’ academic skills and computer literacy, develop good study habits, learn how to manage their time effectively, and make a smoother transition to college.

APPROVED BY:
RESOLUTION NO. 2010, ADOPTING LOCAL LAW NO.
2010, A LOCAL LAW TO REQUIRE HOMELESS SEX
OFFENDERS TO REPORT THEIR OVERNIGHT LOCATIONS

WHEREAS, there was duly presented and introduced to this County Legislature
at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO
REQUIRE HOMELESS SEX OFFENDERS TO REPORT THEIR OVERNIGHT LOCATIONS"
now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO REQUIRE HOMELESS SEX OFFENDERS TO
REPORT THEIR OVERNIGHT LOCATIONS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that sex offenders in New York
State are required under the Sex Offender Registration Act ("SORA") to provide their permanent
residence address to the State Division of Criminal Justice Services.

This Legislature also finds and determines that each time a sex offender moves
to a new residence, they must update their registration under SORA.

This Legislature further finds and determines that homeless registered sex
offenders are more difficult for the State and County to track, as they have no permanent
address on file.

This Legislature finds that Suffolk County provides overnight accommodations for
some homeless sex offenders in trailers at Riverhead and West Hampton.

This Legislature determines that some homeless sex offenders do not utilize the
County's trailers, making it difficult to determine their whereabouts on any particular night.

This Legislature also finds that sex offenders have a high rate of recidivism.

This Legislature further finds that allowing homeless sex offenders to move from
community to community each night without reporting where they are staying puts the public
safety at risk.

Therefore, the purpose of this law is to require homeless sex offenders living in
Suffolk County to report their whereabouts to the Suffolk County Police Department each night.
Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

"HOMELESS SEX OFFENDER" shall mean any natural person required to register as a sex offender pursuant to the New York State Sex Offender Registration Act, has so registered, and who does not have a permanent residence on file.

Section 3. Requirements.

Any homeless sex offender present in Suffolk County must report their overnight location to the Suffolk County Police Department by 11:59 p.m. each day.

Section 4. Penalties.

Any person who knowingly violates this law once shall be guilty of a violation punishable by a fine of two hundred fifty dollars ($250.00). Any second violation of this law shall constitute a violation punishable by a fine of five hundred dollars ($500.00). All subsequent violations of this law shall constitute a misdemeanor punishable by a fine of up to $1,000 and/or up to one year's imprisonment.

Section 5. Establishment of Homeless Sex Offender Reporting Line.

The Suffolk County Police Department is hereby authorized, empowered and directed to establish a direct telephone line dedicated to receiving calls from homeless sex offenders reporting their overnight location.

Section 6. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 7. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 8. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration,
management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

**Section 9. Effective Date.**

This law shall take effect on the ninetieth (90th) day following its filing in the Office of the Secretary of State.

SCIN FORM 175b (10/95)
RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO SUNSET LIVING WAGE SUBSIDIES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO SUNSET LIVING WAGE SUBSIDIES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO SUNSET LIVING WAGE SUBSIDIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk enacted a Living Wage Law in 2001 to require businesses receiving grants, loans, tax incentives, contracts and other forms of compensation from the County to pay their employees a wage sufficient to support a family.

This Legislature determines that the Living Wage Contingency Fund was established to help contract agencies, on a temporary basis, transition to paying employees a living wage while continuing to deliver important services.

This Legislature finds that the "transitional financial assistance" first offered to contract agencies in 2002 is evolving into a permanent taxpayer financed subsidy. More than $450,000 was paid out of the Living Wage Contingency Fund in 2009 and again in 2010.

This Legislature further finds that the Living Wage Law presently makes a special allowance for child-care providers allowing them to pay their employees a lower hourly wage than all other contract agencies.

This Legislature finds that the time has come to phase-out the Living Wage Contingency Fund.

Therefore, the purpose of this law is to bar the use of County funds for living wage compliance after December 31, 2010.

Section 2. Repeal.

Section 347-15 of the SUFFOLK COUNTY CODE is hereby repealed.
Section 3. Prohibition.

No County funds shall be used to provide financial assistance to any contract agency in order to meet increased payroll expenses associated with Living Wage Law requirements.

Section 4. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect January 1, 2011.

Following the enactment of the Living Wage Law in 2001, the County established a Living Wage Contingency Fund to help not-for-profit corporations and child care providers meet increased payroll expenses associated with the law’s requirements.

This proposed law would phase out the Living Wage Contingency Fund and bar the County from providing financial assistance to contract agencies to meet Living Wage Law requirements.

This law will take effect January 1, 2011.

EXHIBIT "A"
RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO PROTECT CHILDREN FROM CADMIUM POISONING

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO PROTECT CHILDREN FROM CADMIUM POISONING;" and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROTECT CHILDREN FROM CADMIUM POISONING

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that in March 2006, a tragic incident occurred in which a 4-year old boy from Minneapolis, Minnesota died after he swallowed a metal charm that was nearly pure lead. In 2008, a federal law was passed that banned high levels of lead in children's jewelry.

This Legislature also finds and determines that an Associated Press investigation found that 12 of 103 (12%) pieces of inexpensive metal jewelry purchased and tested by the Associated Press in late 2009 contained at least 10% by weight of the metal cadmium.

This Legislature further finds that during the first half of 2010, at least five recalls or safety warnings were issued in conjunction with the Consumer Product Safety Commission for cheap imported children's jewelry that contained high levels of cadmium. The recalls included jewelry sold in a variety of discount stores, box stores, young people's boutique stores and online.

This Legislature additionally finds that movie themed promotional glasses being sold by McDonalds were also recently recalled due to the presence of cadmium.

This Legislature finds that it appears that manufacturers have substituted cadmium in their manufacturing process after lead was prohibited by law in the United States in 2008. The toxic effects that may result from children ingesting lead are well established, but the effects of cadmium on young children have been less studied.

This Legislature further finds that Cadmium is a heavy metal that occurs naturally in some soils and rocks, is used in manufacturing processes and is known to cause cancer in humans. Cadmium levels build up in the body over time and remain in the body, and there is no known treatment for Cadmium exposure.
This Legislature finds that exposure to high amounts or even long term exposure to low doses of cadmium have been linked to cancer, kidney damage, and perhaps may hinder normal brain development in young children. A day after the Associated Press report, the top U.S. consumer safety regulator warned Asian manufacturers not to substitute other toxins for lead in children’s charm bracelets and pendants.

According to the New York State Department of Health and the Consumer Product Safety Commission, children can be exposed to cadmium by accidentally swallowing a piece of jewelry or by putting it in their mouth and could potentially ingest significant amounts of cadmium by sucking or biting their jewelry. Some of these items may easily shed cadmium. As is true with so many toxic substances, exposure in young children may have significantly greater consequences, since their brain is still developing and their body’s ability to handle such toxic exposures is less mature.

This Legislature finds that the federal government restricts the amount of cadmium in drinking water and regulates workplace exposure, but thus far, there are no regulations regarding cadmium in jewelry. However, the Consumer Product Safety Commission and the New York State Department of Health have warned parents, grandparents and caregivers to not allow young children to be given or to play with cheap metal jewelry, especially when they are unsupervised.

This Legislature finds that, according to the New York State Department of Health, there is no way to tell by how it looks if a piece of metal jewelry has a high level of cadmium in it. The Legislature finds that several states and the federal government have started considering a ban on cadmium in children’s products.

This Legislature finds that Suffolk County is committed to the protection of the public health and welfare of our County’s children.

The purpose of this law is to reduce the exposure of children to cadmium through toys, jewelry and other products, by implementing a ban on the sale of children’s products containing certain levels of cadmium in Suffolk County.

Section 2. Definitions.

As used in this law, the following terms shall have the meaning indicated:

A. “CHILDREN’S PRODUCT” means a toy, jewelry, collectibles, food or beverage containers or other article primarily intended for use by or marketed to children under twelve years of age. The following shall be considered in determining if the toy or article is intended for a child under twelve years of age:

• A statement by the manufacturer, distributor or retailer about the intended use of such article
• The context and manner of advertising, promotion, and marketing of the article, including but not limited to a label, packaging, placement or advertisement.
• Whether the article is sold in a store, website, or catalog that primarily sells items geared toward or suitable for children or in a section of a store, website or catalog that primarily sells items geared toward or suitable for children.
• Whether the article is commonly recognized by consumers as being intended for use by a child under twelve years of age.
• Whether the article is offered or sold in conjunction with another article intended for use by a child under twelve years of age.
• Whether the article is sized for children under twelve years of age.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW STRENGTHENING THE SOCIAL HOST LAW TO DETER THE CONSUMPTION OF ALCOHOL BY MINORS WITHIN THE SUFFOLK COUNTY PARK SYSTEM

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2010, a proposed Local Law entitled “A LOCAL LAW STRENGTHENING THE SOCIAL HOST LAW TO DETER THE CONSUMPTION OF ALCOHOL BY MINORS WITHIN THE SUFFOLK COUNTY PARK SYSTEM;” and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW STRENGTHENING THE SOCIAL HOST LAW TO DETER THE CONSUMPTION OF ALCOHOL BY MINORS WITHIN THE SUFFOLK COUNTY PARK SYSTEM

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County’s Social Host To Deter The Consumption Of Alcohol By Minors (Laws of Suffolk County, Chapter 214) applies to residences only.

This Legislature further finds that illegal underage alcohol consumption takes place at County campsites, particularly in those cases where a campsite is reserved by young adults over the age of 21 years, and such young adult is accompanied by others under the age of 21 years.

This Legislature further finds that no alcoholic beverages are permitted in County campgrounds, so this type of underage drinking is especially insidious as it erodes the quality of life at County campgrounds.

Therefore the purpose of this law is to strengthen the County’s social host law to deter illegal alcohol consumption at County campgrounds.

Section 2. Amendment.

Section 214-14 of the Laws of Suffolk County is hereby amended as follows:
§ 214-14. Allowing consumption of alcohol by minors at private residences prohibited; exceptions.

A.) It shall be unlawful for any person over the age of 18 who (i) owns, rents, or otherwise controls a private residence, or (ii) reserves, uses, occupies or otherwise controls a camp-site within the Suffolk County Parks system to knowingly allow the consumption of alcohol or alcoholic beverages by any minor on such premises or to fail to take reasonable corrective action upon learning of the consumption of alcohol or alcoholic beverages by any minor on such premises. Reasonable corrective action shall include, but not be limited to:

(1) Making a prompt demand that such minor either forfeit and refrain from further consumption of the alcoholic beverages or depart from the premises; and

(2) If such minor does not comply with such request, promptly reporting such underage consumption of alcohol either to the local law enforcement agency or to any other person having a greater degree of authority over the conduct of such minor.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-
0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.
