RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO BROADEN ELIGIBILITY FOR SENIOR CITIZEN TAX EXEMPTION

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO BROADEN ELIGIBILITY FOR SENIOR CITIZEN TAX EXEMPTION" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO BROADEN ELIGIBILITY FOR SENIOR CITIZEN TAX EXEMPTION

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that it is the longstanding policy of the County of Suffolk to offer its senior citizens the broadest property tax exemption permissible under state law.

This Legislature also further finds that the New York State Legislature enacted legislation in 2009 which authorized municipalities to exclude the proceeds of a reverse mortgage when calculating a senior citizen's income for the purpose of determining eligibility for a property tax exemption.

This Legislature determines that a senior citizen of moderate means should not lose their property tax exemption because they execute a reverse mortgage on their home.

Therefore, the purpose of this local law is to amend Chapter 458 of the SUFFOLK COUNTY CODE to reflect recent changes in state law and allow more seniors to obtain a property tax exemption.

Section 2. Amendments.

Section 458-7 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Chapter 458, TAXATION

* * * *

Partial Real Property Tax Exemption For Persons Over 65

* * * *
§ 458-7. Eligibility criteria.

* * *

C. No exemption shall be granted if the income of the owner or the combined income of the owners of the property for the income tax year immediately preceding the date of making application for exemption exceeds the sum of $3,000, or such other sum not less than $3,000 nor more than $26,000 beginning July 1, 2006, $27,000 beginning July 1, 2007, $28,000 beginning July 1, 2008, and $29,000 beginning July 1, 2009. "Income tax year" shall mean the twelve-month period for which the owner or owners filed a federal personal income tax return or, if no such return is filed, the calendar year. Where title is vested in either the husband or the wife, their combined income may not exceed such sum, except that where the husband or wife, or ex-husband or ex-wife, is absent from the property as provided in Subparagraph (ii) of Paragraph 3(d) of § 467 of the RPTL, then only the income of the spouse or ex-spouse residing on the property shall be considered and may not exceed such sum. Such income shall include social security and retirement benefits, interest, dividends, total gain from the sale or exchange of a capital asset which may be offset by a loss from the sale or exchange of a capital asset in the same income tax year, net rental income, salary or earnings, and net income from self-employment, but shall not include a return of capital, gifts, inheritances payments made to individuals because of their status as victims of Nazi persecution, as defined in P.L. 103-286, EN or monies earned through employment in the federal foster grandparent program, and any such income shall be offset by all medical and prescription drug expenses actually paid which were not reimbursed or paid for by insurance. Furthermore, such income shall not include the proceeds of a reverse mortgage, as authorized by Banking Law § 6-h and Real Property Law §§ 280 and 280-a; provided, however, that monies used to repay a reverse mortgage may not be deducted from income, and provided additionally that any interest or dividends realized from the investment of reverse mortgage proceeds shall be considered income. The provisions of this subsection notwithstanding, such income shall not include veterans disability compensation, as defined in Title 38 of the United States Code. In computing net rental income and net income from self-employment no depreciation deduction shall be allowed for the exhaustion or wear and tear of real or personal property held for the production of income.

* * *

Section 3. Applicability.

This law shall apply to assessment rolls prepared on the basis of taxable status dates occurring on or after January 1, 2011.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm,
partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

WHEREAS, Hilda Lindley was the founder of Concerned Citizens of Montauk;

and

WHEREAS, Mrs. Lindley played a leading role in stopping the development of Indian Fields in Montauk in 1971 and the subsequent preservation of the approximate 1,100 acres as Theodore Roosevelt County Park; and

WHEREAS, Hilda Lindley's home, which is located in Theodore Roosevelt County Park, was taken by the County through eminent domain; and

WHEREAS, Hilda Lindley's home, which is known as "The Blockhouse," was a World War II submarine spotting station disguised to look like a farm house. Lindley purchased the house in 1951; and

WHEREAS, the County agreed in 1976 to allow Mrs. Lindley and her family to remain at the Blockhouse under the provisions of a 35 year lease; and

WHEREAS, the lease will expire in 2011; and

WHEREAS, Hilda Lindley passed away in 1980; and

WHEREAS, the County of Suffolk wishes to recognize Hilda Lindley's trailblazing work on behalf of environmental preservation in Suffolk County; and

WHEREAS, no person is more responsible for the existence of the Theodore Roosevelt County Park than Hilda Lindley; now, therefore be it

1st RESOLVED, that pursuant to Section 251(1) of New York County Law, the structure known as The Blockhouse at Theodore Roosevelt County Park, shall be renamed "The Hilda Lindley House" to honor Lindley's extraordinary legacy; and be it further

2nd RESOLVED, the Department of Parks, Recreation and Conservation is hereby authorized, empowered and directed to take all actions necessary to effectuate this naming and dedication; and be it further

3rd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

RESOLUTION NO. -2010, ESTABLISHING A LONG
ISLAND POWER AUTHORITY LEGISLATIVE OVERSIGHT
COMMITTEE

WHEREAS, when the Long Island Power Authority ("LIPA") was formed, the
County of Suffolk established safeguards to ensure that the authority was accountable to its
ratepayers; and

WHEREAS, Local Law No. 36-1999 obligates the elected officials of the County
of Suffolk to oversee LIPA to ensure the enforcement of all statutory, common law and
consumer rights of the County’s ratepayers; and

WHEREAS, recent information has surfaced about LIPA’s rates and practices
that suggest the authority has not always acted in the best interests of all of its ratepayers in
Suffolk County; and

WHEREAS, concerns were raised after LIPA’s response to severe storms in
March, 2010 left thousands of ratepayers without electricity for days; and

WHEREAS, LIPA’s practices remain controversial, including their recent decision
to reduce funding for their solar power program and the hefty $30 million incurred for standby
costs preceding Hurricane Earl; and

WHEREAS, an oversight committee should be established to determine if LIPA’s
actions are adverse to the County’s ratepayers and may warrant the consideration of legal
action; and

WHEREAS, Suffolk County must examine LIPA’s structure, billing, and storm
response practices to safeguard the rights of its resident ratepayers; now, therefore be it

1st RESOLVED, that a special Long Island Power Authority Legislative Oversight
Committee is hereby created to study and analyze the rates, contracts and practices of the Long
Island Power Authority to determine if LIPA is working in the best interests of the Suffolk County
ratepayers, including, but not limited to, an examination of LIPA’s rate structure, its variable rate
system, the use of peak/off-peak rates, and its storm and disaster response policies; and be it
further

2nd RESOLVED, that this Committee shall have bi-partisan representation and
consist of the following members:

1) a person who has familiarity with the operations of LIPA, who will be selected by
the Presiding Office of the Suffolk County Legislature and shall serve as Chair;

2) two (2) experts in the operation of electric utility companies, to be selected by the
Suffolk County Legislature;

3) two (2) energy experts, to be selected by the Suffolk County Legislature;
4) a member of a civic organization to be selected by the Suffolk County Legislature.

and be it further

3rd RESOLVED, the Committee shall hold its first meeting no later than thirty (30) days after the oaths of office of all members have been filed, which meeting shall be convened for the purpose of organization and the appointment of a chairperson, vice chairperson and a secretary; and be it further

4th RESOLVED, that four (4) members of the Committee shall constitute a quorum to transact the business of the Committee at both regular and special meetings; and be it further

5th RESOLVED, that support services and technical assistance involving the month-to-month operation of this Committee, as well as supplies and postage as necessary, will be provided by the staff of the Office of Legislative Budget Review and the Clerk of the Legislature; and be it further

6th RESOLVED, that the Committee may conduct such hearings and meetings at any place or places within the County of Suffolk for the purpose of obtaining necessary information or other data to assist it in the proper performance of its duties and functions as it deems necessary; and be it further

7th RESOLVED, that the Committee may delegate to any member of the Committee the power and authority to conduct such hearings and meetings; and be it further

8th RESOLVED, that the Committee is hereby authorized, empowered and directed to hold at least four (4) public hearings, with two (2) hearings being held in the five East End towns and two (2) hearings in the five West End towns, to assemble the data and information necessary to complete the valuation, study, and report required with all reasonable efforts to be made to ascertain the views, wishes and opinions of the residents of Suffolk County; and be it further

9th RESOLVED, that said Committee shall issue a written report, after a comprehensive study and analysis of LIPA's rates, specifically its standard rates, variable rates, and peak/off-peak rates, contracts, practices, and disaster and storm response policies to determine if the authority is acting in the best interests of Suffolk County's ratepayers; and be it further

10th RESOLVED, that this special Committee shall submit a written report of its findings and determinations together with its recommendations for action, if any, to each member of the County Legislature and the County Executive no later than one year subsequent to the effective date of this Resolution for consideration, review and appropriate action, if necessary, by the entire County Legislature; and be it further

11th RESOLVED, that the Committee shall expire, and the terms of office of its members terminate, as of December 31, 2011, at which time the Committee shall deposit all the records of its proceedings with the Clerk of the Legislature; and be it further
12th RESOLVED, that this study shall not be performed by any outside consultant or consulting firm unless explicit approval and authorization for such consultant or consulting firm is granted pursuant to a duly enacted resolution of the County Legislature; and be it further

13th RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW ESTABLISHING TOURISM GRANT PROGRAM IN SUFFOLK COUNTY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW ESTABLISHING TOURISM GRANT PROGRAM IN SUFFOLK COUNTY"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW ESTABLISHING TOURISM GRANT PROGRAM IN SUFFOLK COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that tourism is a vital component of the economy of Suffolk County.

This Legislature also finds and determines that Local Law No. 34-2009 increased the County’s hotel/motel tax to fund programs and activities that strengthen Suffolk’s tourism industry.

This Legislature further finds and determines that 24% of the revenues generated by the hotel/motel tax, up to an amount of $2 million, goes to a tourism promotion agency.

This Legislature also determines that Suffolk County contracts with the Long Island Convention and Visitors Bureau ("LICVB") as the designated tourism promotion agency for the promotion of Long Island as a tourist destination.

This Legislature finds that while the revenues presently generated by the hotel/motel tax to fund the LICVBV is well below the $2 million cap set by Local Law No. 34-2009, future revenues may exceed $2 million when the local economy strengthens. Accordingly, this Legislature wishes to specifically provide how such excess revenues will be used to spur tourism.

This Legislature determines that there are many local tourism promotion agencies which specialize in hotel promotion.

This Legislature also finds that many of these agencies have full-time staff and offices located in popular tourist areas, as well as experience in attracting visitors to their region of the County for extended stays.
This Legislature further finds that many of these agencies promote Suffolk County as a tourist destination on modest budgets, with very little funding for advertising.

This Legislature determines that in the event revenues generated by the hotel/motel tax for the tourism promotion agency exceeds $2 million in any fiscal year, those excess proceeds should be used to establish an advertising matching grant program for local tourism promotion agencies. Such a program will stretch advertising dollars and ensure the maximum benefit to the tourism industry in Suffolk County.

Therefore, the purpose of this law is to utilize excess revenues generated under the tourism promotion agency component of the hotel/motel tax to create a matching grant program to enhance tourism advertising by local tourism groups.

Section 2. Amendments.

Chapter 327 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Chapter 327, HOTELS AND MOTELS

   ***

Article II, Hotel and Motel Tax

   ***

§ 327-14. Distribution of tax revenues.

All revenues resulting from the imposition of the tax payable hereunder shall be paid into the treasury of the County of Suffolk and shall be distributed within 30 days after receipt by the County under the following formula.

A. Twenty-four percent of all revenues collected, but not more than $2,000,000 per fiscal year, shall be delivered to the tourism promotion agency which the County of Suffolk contracts with pursuant to the provisions of § 327-13A of this article. Should twenty-four percent of revenues collected in any fiscal year exceed $2,000,000, the excess amount shall be utilized by the Department of Economic Development and Workforce Housing to administer a matching grant program. The matching grant program shall be operated under the following guidelines:

   (1) Grant funding may go to any local tourism promotion agency (except the tourism promotion agency the County contracts with pursuant to § 327-13) which maintains full-time staff, an office, and represents at least 10 hotels and 500 units of lodging ("recipient agency").

   (2) The matching grant program will provide one dollar in matching funds for every dollar used for advertising purposes by a recipient agency. The funds available to a recipient agency in a calendar year shall be based on the respective share (measured as a percentage) of hotel tax revenue generated in the zip code areas served by the recipient agency in the preceding fiscal year, as reported by the Suffolk County Treasurer's Office.
(3) Any recipient agency seeking funds through the matching grant program must submit a request to the tourism promotion agency by March 1st of each year. Funds granted under the matching grant program must be distributed to recipient agencies by June 1st of each year.

(4) The advertising decisions shall be made by the recipient agency, but must follow the same standards, limitations, and regulations established for the tourism promotion agency.

***

Section 3. Applicability.

This law shall apply to hotel/motel tax revenues generated on or after January 1, 2011.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

PROPOSED LOCAL LAW YEAR 2010

TITLE: I.R. NO. 1981 -2010; A LOCAL LAW ESTABLISHING TOURISM GRANT PROGRAM IN SUFFOLK COUNTY

SPONSOR: LEGISLATOR SCHNEIDERMAN

DATE OF RECEIPT BY COUNSEL: 10/6/10 PUBLIC HEARING: 11/16/10

Under current law, 24% of the revenues generated by the County’s hotel/motel tax, up to an amount of $2 million in any fiscal year, is delivered to the County’s tourism promotion agency. Currently, the County of Suffolk contracts with the Long Island Convention and Visitors Bureau.

This proposed law provides that in the event that more than $2 million is generated in any fiscal year under the above described component of the hotel/motel tax, the Department of Economic Development and Workforce Housing will use the excess proceeds to establish a matching grant program to benefit other local tourism promotion groups.

Under said program, agencies receiving grant monies must represent at least ten (10) hotels and 500 units of lodging and maintain a full-time staff and office. Further, $1.00 in matching grant funds will be provided for every advertising dollar spent by recipient agencies.

This law will take effect immediately upon its filing in the Office of the Secretary and apply to Hotel/Motel Tax revenues collected after January 1, 2011.

FURTHER, notwithstanding the above description, it is the intention of this conveyance to give title only to such properties as was acquired by the County of Suffolk by Tax Deed on August 8, 2007, from Angie M. Carpenter, the County Treasurer of Suffolk County, New York, and recorded on August 10, 2007 in Liber 12517 at Page 588.

WHEREAS, in accordance with Suffolk County Local Law 16-I976, provision has been made for the sale of such real property acquired by the County through tax sale; and

WHEREAS, Joseph Zachary Gazza, as Agent for Eugene R. Augusiewicz, has made application of said above described parcels and Joseph Zachary Gazza, as Agent for Eugene R. Augusiewicz, has paid the application fees and $3,225.87, as payment of taxes, penalties, interest, recording fees, and any other charges due the County of Suffolk, pursuant to Local Law, by applicant, through November 30, 2010; and

1st - RESOLVED, this Legislature, being the State Environmental Quality Review Act (SEQRA) Lead Agency, hereby finds and determines that adoption of this law is not an action within the meaning of the State Environmental Quality Review Act and the regulations adopted thereto. See 6 N.Y.C.R.R. Section 617.2(b) (2). The Legislature further finds and determines that even if the adoption of the local law is an action within the meaning of SEQRA, the adoption of law is a Type II action constituting a legislative decision in connection with routine or continuing agency administration and management, not including new programs or major reordering of priority. See 6 N.Y.C.R.R. Section 617.13(d) (15) and (21). As a Type II action, the Legislature has no further responsibilities under SEQRA 6 N.Y.C.R.R. Section 617.5(a)(1); and be it further

2nd - RESOLVED, that Director of the Division of Real Property Acquisition and Management, and/or her designee, be and she hereby is authorized to execute and acknowledge a Quitclaim Deed to EUGENE R. AUGUSIEWICZ, 22 True Harbor Way, West Islip, New York 11795, to transfer the interest of Suffolk County in the above described properties and on the above described terms.

RESOLUTION NO. -2010, EXTEND DEADLINE FOR THE EQUESTRIAN TASK FORCE

WHEREAS, Resolution No. 187-2009 established an equestrian task force to study and analyze issues relating to the benefits of maintaining the equine industry in Suffolk County, as well as the economic and zoning issues associated with said maintenance, including, but not limited to: the creation of horse intensive zoning, the expansion of government preservation programs that consider the size and location of the property as well as the number of horses maintained there, the feasibility of developing shared or cooperative programs to reduce the costs of necessary purchases, and to examine ways to allow horses easier and access to various parks and trail systems; and

WHEREAS, the Task Force requires additional time to complete their report; now, therefore be it

1st RESOLVED, that the 12th RESOLVED clause of Resolution No. 187-2009, as amended by Resolution Nos. 810-2009 and 509-2010, is hereby amended as follows:

12th RESOLVED, that this Task Force shall submit a written report of its findings and determinations together with its recommendations for action, if any, to each member of the County Legislature and the County Executive no later than [September 30, 2010] December 31, 2010 for consideration, review, and appropriate action, if necessary, by the entire County Legislature; and be it further

and be it further

2nd RESOLVED, that the 13th RESOLVED clause of Resolution No. 187-2009, as amended by Resolution Nos. 810-2009 and 509-2010, is hereby amended as follows:

13th RESOLVED, that the Task Force shall expire, and the terms of office of its members terminate, as of [December 31, 2010] March 30, 2011 at which time the Task Force shall deposit all the records of its proceedings with the Clerk of the Legislature; and be it further

and be it further

3rd RESOLVED, that all other terms and conditions of Resolution No. 187-2009 shall remain in full force and effect; and be it further

4th RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on
Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

RESOLUTION NO. 2010, AUTHORIZING PLANNING STEPS FOR THE ACQUISITION OF LAND UNDER THE SUFFOLK COUNTY DRINKING WATER PROTECTION PROGRAM, AS AMENDED BY LOCAL LAW 24-2007 (BOOM DEVELOPMENT CORPORATION PROPERTY – TOWN OF RIVERHEAD)

WHEREAS, the Suffolk County Drinking Water Protection Program, as amended by Local Law 24-2007, authorizes the use of 31.10% of sales and compensating use tax proceeds generated each year for specific environmental protection, including the acquisition of open space in accordance with specific criteria set forth therein; and

WHEREAS, the parcel(s) listed in Exhibit “A” of this resolution meets the criteria for acquisition under the Drinking Water Protection Program; and

WHEREAS, adequate funding is provided for, pursuant to Section C12-2(A)(1)(g) of the SUFFOLK COUNTY CHARTER, from 31.10% of the sales and compensating use tax proceeds, for the acquisition of such land as open space; now, therefore, be it

1st RESOLVED, that the parcel(s) listed in Exhibit "A" of this resolution, consisting of approximately 14.8 acres, is hereby approved for preliminary planning steps and ultimate inclusion in the Suffolk County Drinking Water Protection Program pursuant to Article XII of the SUFFOLK COUNTY CHARTER; and be it further

2nd RESOLVED, that the parcel(s) listed in Exhibit “A” meet the criteria required by the Suffolk County Drinking Water Protection Program; and be it further

3rd RESOLVED, that the Commissioner of the County Department of Public Works and/or the Director of the Division of Real Property Acquisition Management, Department of Environment and Energy, and/or her designee is hereby authorized, empowered, and directed, pursuant to Section 8-2(W) of the SUFFOLK COUNTY CHARTER, to have surveys and maps prepared for the subject parcel(s) in accordance with Resolution No. 423-1988; and be it further

4th RESOLVED, that the Director of the Division of Real Property Acquisition and Management within the County Department of Environment and Energy, or his or her deputy, is hereby authorized, empowered, and directed, pursuant to Section 42-2(C) of the SUFFOLK COUNTY CHARTER, to have the subject parcel(s) appraised, environmentally audited, and searched for title; and be it further

5th RESOLVED, that the cost of such surveys, title searches, audits, maps and/or appraisals, if any, shall be paid from the funds to be appropriated pursuant to Article XII of the SUFFOLK COUNTY CHARTER as a reimbursement, if necessary, for costs incurred and paid for from other funds or as a direct payment from such proceeds, as the case may be; and be it further

6th RESOLVED, that the Director of the Division of Real Property Acquisition and Management within the County Department of Environment and Energy, or his or her deputy, is hereby further authorized, empowered, and directed, pursuant to Section 42-2(C) of the
SUFFOLK COUNTY CHARTER, to utilize such valid appraisals for the subject parcel(s) as may be made available to the County by any pertinent municipality, either voluntarily or upon request by the County of Suffolk; and be it further

7th RESOLVED, that the County of Suffolk may reimburse any municipality, whose appraisal is utilized for the above-described purpose, for the cost of obtaining such appraisal in the event that the County elects to utilize such appraisals for the subject parcel(s); and be it further

8th RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

EXHIBIT “A”
RESOLUTION NO. 2010, ACCEPTING AND APPROPRIATING 100% FUNDING FROM THE NEW YORK STATE OFFICE OF TEMPORARY AND DISABILITY ASSISTANCE (OTDA) TO THE SUFFOLK COUNTY DEPARTMENT OF SOCIAL SERVICES FOR ADDITIONAL FOOD STAMP / SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP) ADMINISTRATIVE FUNDING PROVIDED UNDER THE DEPARTMENT OF DEFENSE APPROPRIATIONS ACT OF 2010 (DEFENSE BILL)

WHEREAS, the New York State Office of Temporary and Disability Assistance has awarded Suffolk County Department of Social Services funds provided under the 2010 Defense Bill, in the amount of $894,989 for the costs associated with administering the SNAP program; and

WHEREAS, the funding will be offset by a claiming adjustment to reflect the reduction of the regular fifty-percent federal share of SNAP; and

WHEREAS, the net increase in funding will be fifty-percent of the award, or $447,494, to be used to cover the increased costs associated with processing the growing number of food stamp applications and managing escalating caseloads due to the continued economic downturn; and

WHEREAS, it is the intention of the Department of Social Services to utilize these funds as specified by the NYS OTDA in the local commissioners memorandum (10-LCM-12) to help address the growing strain on existing resources related to administering SNAP. Local districts are to use the funds to supplement, not supplant, current state funds for SNAP; and

WHEREAS, the Department of Social Services would utilize this additional funding for Food Stamp Program administration for overtime and other associated expenses; and

WHEREAS, the Department of Defense Appropriations Act of 2010 funds are 100% federally funded and it is in the best interest of Suffolk County to accept and appropriate these funds; now, therefore, be it

1st RESOLVED, that the County Comptroller and County Treasurer be and they are hereby authorized to accept the following funds:

REVENUES: $447,494

001-4611 FEDERAL AID: Food Stamps Administration $447,494

and be it further

2nd RESOLVED, that the total funds in the amount of $447,494 are hereby appropriated as follows:

ORGANIZATIONS $447,494

Department of Social Services

Section 2

I. Background

The purpose of this Local Commissioners Memorandum (LCM) is to issue local district federal fiscal year (FFY) 2010 allocations of additional Food Stamp/Supplemental Nutrition Assistance Program (SNAP) administrative funding provided under the Department of Defense (DoD) Appropriations Act of 2010 (Defense Bill).
II. Background

The Defense Bill provided significant new resources for SNAP. Section 1002 of Pub. L. 111-118, the Department of Defense (DoD) Appropriations Act, 2010, appropriated $400 million to be allocated to State agencies for the costs associated with administering the Supplemental Nutrition Assistance Program (SNAP). These are 100 percent Federal funds and do not require a State match. The $400 million is intended to help address the growing strain on existing resources related to administering SNAP. States are to use the funds to supplement, not supplant, current State funds for SNAP.

Effective with March 2010 certification costs, $27 million in Defense Bill funds are being allocated to the local districts to cover the increased costs associated with processing the growing number of Food Stamp applications. A breakdown of individual county allocations for FFY 2010 is attached.

III. Program Implications

The Office of Temporary and Disability Assistance (OTDA) has established local district allocations for the SNAP administration portion of the Defense Bill. The federal methodology for awarding funding to states was based on a two-part formula, with 75% of the funds allocated to states based on each state’s share of SNAP households and 25% based on each state’s share of the increase in the number of households participating in SNAP. NYS is allocating these funds to local districts using the same factors, for the period January through December 2009.

IV. Claiming Instructions

The Defense Bill grant is 100 percent federal funds. There is no match requirement for these funds. The match requirement for the regular 50 percent federal SNAP administrative funds remains in effect. It will not be necessary for the local districts to submit a separate claim in order to access the funds provided through this allocation. Since the Defense Bill award is available for expenditures beginning March 1, 2010, OTDA will reimburse 100 percent of the gross amount of certification costs with Defense Bill funds for expenditures beginning with the original Schedule D-7 (Distribution of Food Stamp Expenditures to Activities, LDSS-2347E) claim submission for March 2010 until a district’s allocation has been expended. The dollar amount to be reimbursed will be the sum of amounts taken from Section 1, Line 8, Column 2 (Certification) and Section 2, Line 6, Column 2. This will be paid at 100 percent federal share, up to the amount of the allocation, out of a separate cost center set up specifically for these funds and will appear as a bottom-line adjustment.

Since the Defense Bill funds cannot be used as the match for regular (non-Defense Bill) USDA SNAP funding, for those costs reimbursed with 100 percent Defense Bill funds, there will be a bottom-line adjustment to reflect the reduction of the regular 50 percent federal share of SNAP, which was reflected as part of the USDA settlement above the line.
Adjusting entries related to these transactions should be processed as a debit to A4611 and a debit to A400 for the federal share adjustment amount and as a credit to A4611 for the Defense Bill federal share amount.

These funds are to be reported on the Statement of Expenditures of Federal Awards (SEFA) as regular SNAP administrative expenditures using CFDA number 10.561 (State Administrative Matching Grants for SNAP Program) under the SNAP reporting cluster.

Subject: REQUEST FOR LEGISLATION:
Accepting 100% Funding for Additional Food Stamp / Supplemental Nutrition Assistance Program (SNAP) Administrative Funding under the Department of Defense Appropriations Act of 2010 (Defense Bill)

I am submitting my request for the introduction of the attached resolution to accept Federal Department of Defense Funds under the 2010 Federal Defense Bill for administrative costs of the Food Stamp program:

ACCEPTING AND APPROPRIATING 100% FUNDING FROM THE NEW YORK STATE OFFICE OF TEMPORARY AND DISABILITY ASSISTANCE (OTDA) TO THE SUFFOLK COUNTY DEPARTMENT OF SOCIAL SERVICES FOR ADDITIONAL FOOD STAMP / SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP) ADMINISTRATIVE FUNDING PROVIDED UNDER THE DEPARTMENT OF DEFENSE APPROPRIATIONS ACT OF 2010 (DEFENSE BILL)

The NYS Office of Temporary and Disability Assistance awarded Suffolk County 100% Federal funds for the costs associated with administering the Food Stamp/Supplemental Nutrition Assistance Program (SNAP). The funding is to be used for overtime and associated costs to support the Social Service Examiners in all of the DSS centers.

Attached please find the above referenced resolution, the introduction form (SCIN Form 175a), the fiscal impact statement (SCIN Form 175b), and related back-up material. The e-copies relating to this resolution are titled “Reso-DSS-Food Stamp Award Funding DOD 2010.” If you have any questions, please contact Patricia Clark at 854-9939.

RESOLUTION NO. -2010, AMENDING THE MAP OF THE COUNTY ROAD SYSTEM TO REMOVE A PORTION OF CR 19, PATCHOGUE-HOLBROOK ROAD (WEST AVENUE) AND AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE AN AGREEMENT WITH THE VILLAGE OF PATCHOGUE TRANSFERRING OWNERSHIP AND MAINTENANCE OF SAID ROADWAY TO THE VILLAGE OF PATCHOGUE

WHEREAS, the County Roadway System is intended to include major arterials to facilitate movement from local roadways to highways, expressways and freeways; and

WHEREAS, CR 19, Patchogue-Holbrook Road (West Avenue) from Montauk Highway (West Main Street) to approximately 200' south of Division Street in the Village of Patchogue, is a minor arterial roadway and functions as a local roadway rather than a County roadway; and

WHEREAS, the Incorporated Village of Patchogue has agreed to assume maintenance and ownership of CR 19, Patchogue-Holbrook Road (West Avenue) from Montauk Highway (West Main Street) to approximately 200' south of Division Street; now, therefore be it

1st RESOLVED, that CR 19, Patchogue-Holbrook Road (West Avenue) from Montauk Highway (West Main Street) to approximately 200' south of Division Street, a distance of approximately 0.40 miles, is hereby removed from the official County Map and Road System, subject to approval of the New York State Commissioner of Transportation; and be it further

2nd RESOLVED, that the above described portion of CR 19, Patchogue-Holbrook Road shall be transferred to the Incorporated Village of Patchogue in accordance with the provisions of Highway Law §115-b; and be it further

3rd RESOLVED, that the Suffolk County Department of Public Works is hereby authorized, empowered and directed to take such actions as may be necessary and appropriate to consummate the transfer including, but not limited to, developing and agreement with the Village of Patchogue and developing the associated roadway description; and be it further

4th RESOLVED, that the County Legislature hereby authorizes the County Executive, or his designee, to execute an agreement with the Village of Patchogue for the transfer of maintenance and ownership of CR 19, Patchogue-Holbrook Road (West Avenue) Montauk Highway (West Main Street) to approximately 200' south of Division Street, to the Village of Patchogue; and be it further

Exhibit A
General Terms and Conditions

Whereas, the intent of the County Roadway System is to include major arterials to facilitate
movement from local roadways to highways, expressways and freeways; and

Whereas, CR 19, Patchogue-Holbrook Road (West Avenue) from Montauk Highway (West
Main Street) to approximately 200' south of Division Street in the Village of Patchogue is a minor arterial
roadway and functions as a local roadway rather than a County roadway; and

Whereas, County Legislative Resolution No. _______, attached as Exhibit B, authorized the
County to enter into an agreement with the Village for the transfer of portions of said County Road in
accordance with the provisions of Highway Law § 115-b;

Whereas, pursuant to Village Board Resolution No. _______, attached as Exhibit C the
Village authorized the Village Mayor to execute an Ownership Transfer Agreement with the County of
Suffolk for portions of the subject County Roads in accordance with the provisions of Highway Law
§115-b;

Now, therefore, the parties hereto agree as follows:

1. Recitals

The parties acknowledge that the foregoing recitals are true and correct and hereby incorporated
into this Agreement as if fully set forth herein.

2. Term of Agreement

The term of this Agreement shall be as set forth on page one of this Agreement.

3. Description of Highways Transferred

The portion of CR 19, Patchogue-Holbrook Road (West Avenue) beginning at Montauk Highway
(West Main Street), thence southerly to approximately 200' south of Division Street Montauk

SCIN FORM NO. 175b (10/95)
Dear Commissioner Dormer:

Enclosed please find the State and Local Task Force Agreement between the Suffolk County Police Department and the Drug Enforcement Administration. Please sign and date the enclosed document and return it to my attention, Drug Enforcement Administration, 175 Pinelawn Road, Suite 205, Melville, New York 11747.

If you have any questions, please contact my office at 631-420-4510.

Sincerely,

[Signature]

John H. Austin, Jr.
Assistant Special Agent in Charge
This agreement is made this 30th day of September, 2010, between the United States Department of Justice, Drug Enforcement Administration (hereinafter "DEA") and the Suffolk County Police Department (hereinafter "SCPD").

Whereas there is evidence that trafficking in narcotics and dangerous drugs exists in the Long Island area and that such illegal activity has a substantial and detrimental effect on the health and general welfare of the people of Long Island, the parties hereto agree to the following:

1. The Long Island Task Force will perform the activities and duties described below:

   a. Disrupt the illicit drug traffic in the Long Island area by immobilizing target violators and trafficking organizations;

   b. Gather and report intelligence data relating to trafficking in narcotics and dangerous drugs; and

   c. Conduct undercover operations where appropriate and engage in other traditional methods of investigation in order that the Task Force's activities will result in effective prosecution before the courts of the United States and the State of New York.

2. To accomplish the objectives of the Long Island Task Force, the SCPD agrees to detail five (5) experienced Officers to the Long Island Task Force for a period of not less than two (2) years. During this period of assignment, the SCPD officers will be under the direct supervision and control of DEA supervisory personnel assigned to the Task Force. Nothing herein shall be construed to limit the Suffolk County Police Commissioner from exercising disciplinary control over members of the department assigned to the task force for acts committed while on the task force.

3. The SCPD Officers assigned to the Task Force shall adhere to DEA policies and procedures. Failure to adhere to DEA policies and procedures shall be grounds for dismissal from the Task Force.

4. The SCPD Officers assigned to the Task Force shall be deputized as Task Force Officers of DEA pursuant to 21 U.S.C. 878.
5. To accomplish the objectives of the Long Island Task Force, DEA will assign nine (9) Special Agents to the Task Force. DEA will also, subject to the availability of annually appropriated funds or any continuing resolution thereof, provide necessary funds and equipment to support the activities of the DEA Special Agents and SCPD officers assigned to the Task Force. This support will include: office space, office supplies, travel funds, including the use of credit cards for gasoline, oil, oil filters, minor repairs and incidental towing and storage charges, funds for the purchase of evidence and information, investigative equipment, training, and other support items. In lieu of DEA providing official government vehicles for SCPD Task Force Officers, SCPD agrees to provide vehicles for their officers so that they can perform their investigative duties.

6. During the period of assignment to the Long Island Task Force, the SCPD will remain responsible for establishing the salary and benefits, including overtime, of the SCPD Officers assigned to the Task Force, and for making all payments due them. DEA will, subject to availability of funds, reimburse the SCPD for overtime payments made by it to SCPD Officers assigned to the Long Island Task Force for overtime, up to a sum equivalent to 25 percent of the salary of a GS-12, step 1, Federal employee (currently $17,202.25), per officer, per year.

7. In no event will the SCPD charge any indirect cost rate to DEA for the administration or implementation of this agreement.

8. The SCPD shall maintain on a current basis complete and accurate records and accounts of all obligations and expenditures of funds under this agreement in accordance with generally accepted accounting principles and instructions provided by DEA to facilitate on-site inspection and auditing of such records and accounts.

9. The SCPD shall permit and have readily available for examination and auditing by DEA, the United States Department of Justice, the Comptroller General of the United States, and any of their duly authorized agents and representatives, any and all records, documents, accounts, invoices, receipts or expenditures relating to this agreement. The SCPD shall maintain all such reports and records until all audits and examinations are completed and resolved, or for a period of three (3) years after termination of this agreement, whichever is sooner.

10. The SCPD will comply with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, as amended, and all requirements
imposed by or pursuant to the regulations of the U.S. Department of Justice implementing those laws, 28 C.F.R. Part 42, Subparts C, F, G, H, and I.

11. The SCPD agrees that an authorized officer or employee will execute and return to DEA the attached OJP Form 4061/6, Certification Regarding Lobbying; Debarment; Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements. The SCPD acknowledges that this agreement will not take effect and no Federal funds will be awarded to the SCPD by the DEA until the completed certification is received.

12. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal money, the SCPD shall clearly state: (1) the percentage of the total cost of the program or project which will be financed with Federal money and (2) the dollar amount of Federal funds for the project or program.

13. The term of this agreement shall be from the date of signature by representatives of both parties to September 30, 2011. This agreement may be terminated by either party on 30 days advance written notice. Billings for all outstanding obligations must be received by DEA within 90 days of the date of termination of this agreement. DEA will be responsible only for obligations incurred by SCPD during the term of this agreement.

August 30, 2010

Mr. Steve Levy
Suffolk County Police Department
30 Yaphank Avenue
Yaphank, NY 11980

Dear Mr. Levy:

On behalf of Attorney General Eric Holder, it is my pleasure to inform you that the Office of Justice Programs has approved your application for funding under the FY 10 Congressionally Selected in the amount of $250,000 for Suffolk County Police Department.

Enclosed you will find the Grant Award and Special Conditions documents. This award is subject to all administrative and financial requirements, including the timely submission of all financial and programmatic reports, resolution of all interim audit findings, and the maintenance of a minimum level of cash-on-hand. Should you not adhere to these requirements, you will be in violation of the terms of this agreement and the award will be subject to termination for cause or other administrative action as appropriate.

If you have questions regarding this award, please contact:

- Program Questions, Starr Small, Program Manager at (202) 514-9870; and

- Financial Questions, the Office of the Chief Financial Officer, Customer Service Center (CSC) at (800) 458-0786, or you may contact the CSC at ask.ocfo@usdoj.gov.

Congratulations, and we look forward to working with you.

Sincerely,

Laurie Robinson
Assistant Attorney General

AUTHORIZING THE FORMAL APPROVAL FOR
THE CONNECTION OF CANON USA, INC. (HU-1604)
TO SUFFOLK COUNTY SEWER DISTRICT NO. 3 - SOUTHWEST

WHEREAS, Canon USA, Inc. is a proposed commercial development in
Melville, New York, on property identified on the Suffolk County Tax Maps as District
0400, Section 254.00, Block 01.00, Lots 004.000, 009000, and Section 254.00, Block
02.00, Lots 004000, 049000, and

WHEREAS, the Premises are not located within the boundaries of Suffolk
County Sewer District No. 3 – Southwest (the "District"), or within the boundaries of
any other municipal sewer district, and

WHEREAS, it is anticipated that Canon USA, Inc. will generate a
wastewater flow of Forty Five Thousand Three Hundred Eighty-One gallons per day
(45,381 GPD), and

WHEREAS, Canon USA, Inc. has applied to this Agency for permission to
connect Canon USA, Inc. to the sanitary sewerage facilities of the District, and

WHEREAS, the District's sewage treatment plant has sufficient capacity
to accept the flow which is expected to emanate from Canon USA, Inc., and

WHEREAS, the connection of Canon USA, Inc. to the District will be
financially beneficial to the District, and environmentally beneficial to Suffolk County,
and

WHEREAS, pursuant to Section 617.5(c) (11) and (20), of the SEQRA
regulations, this project is listed as a Type II Action, and requires no further action, and

NOW, THEREFORE, IT IS
1st RESOLVED, that pursuant to Section 617.5(c) (11) and (20), of the
SEQRA regulations, this project is a Type II Action, and requires no further action,
now, therefore, be it further

2nd RESOLVED, that Canon USA, Inc. be permitted to connect to the sanitary
sewerage facilities of the District, upon such terms and conditions as the
Administrative Head of the District may impose, subject to the terms and conditions
hereof, and it is further

3rd RESOLVED, that Forty Five Thousand Three Hundred Eighty-One gallons
per day (45,381 GPD), of capacity in the District's sewage treatment plant be
allocated to Canon USA Inc., and it is further
4th RESOLVED, that the connection authorized herein is subject to the approval of the Suffolk County Legislature and the New York State Department of Environmental Conservation, and it is further

5th RESOLVED, that the connection authorized herein is subject to the execution of an agreement (the "Connection Agreement") between Canon USA, Inc., the District, the Suffolk County Department of Public Works ("DPW"), the Suffolk County Department of Health Services, the County of Suffolk, and this Agency, which agreement shall contain such terms and conditions as the Administrative Head of the District shall determine, and it is further

6th RESOLVED, that the connection fee to be paid for Canon USA, Inc. shall be paid upon the execution of the Connection Agreement at the rate of $30.00 per gallon of flow per day for a total of $1,361,430.00, and it is further

7th RESOLVED, that Canon USA, Inc. shall, at its sole cost, expense and effort, construct a sewage collection facility for the Canon USA Inc. project and shall offer to dedicate the said facility to this Agency, or to this Agency's nominee, at no charge, and it is further

8th RESOLVED, that Canon USA, Inc. shall furnish a Letter of Credit, in form, wording and amount, and on such terms and conditions, as determined by this Agency's staff, as security for the construction of the sewage collection facility for Canon USA, Inc., as well as for all of the developer's obligations under the Connection Agreement, and it is further

9th RESOLVED, that this resolution shall become null and void, and of no further force or effect, without any further action by this Agency or notice to Canon USA, Inc. if, within one (1) year from the date of the adoption hereof, an agreement in furtherance of the authorization granted herein (the Connection Agreement), in form and content satisfactory to the Chairman of this Agency, has not been negotiated and fully executed by all parties thereto.

RE: Review of 2010/11 SUNY Capital Budget

On June 29th, portions of the 2010/11 State Budget bills for Education were passed by both Houses of the Legislature. This memo provides key highlights of the bills’ provisions for SUNY capital budgets:

- The bills include full re-appropriation of $7.023 billion in prior year funding authorizations across all SUNY capital programs. This allows for payment of post April 1st services and new contract awards which rely on prior year capital appropriations. You can now process such contracts through the Office of the State Comptroller.

- Additionally, as per Executive Budget recommendations, the 2010/11 Educational Facility capital appropriations include $550 million of new funds for critical maintenance projects, allocated to State-operated campuses pursuant to the SUBOA-approved formula. (See attached list for campus allocations.) Availability of these funds for new contracts will require approval by the Division of the Budget. We will advise you when these new appropriations are available.

- As also recommended in the Executive Budget, the 2010/11 capital appropriations for SUNY Community Colleges include a total of $22.426 million in new funds for the State share of costs for projects with local sponsor funding approval. (See attached list of Community College projects.)

If you have any questions, please feel free to contact me or Deputy General Manager Bob Haelen.

This allows for payment of post April 1st services and new contract awards which rely on prior year capital appropriations. You can now process such contracts through the Office of the State Comptroller.

- Additionally, as per Executive Budget recommendations, the 2010/11 Educational Facility capital appropriations include $550 million of new funds for critical maintenance projects, allocated to State-operated campuses pursuant to the SUBOA-approved formula. (See attached list for campus allocations.) Availability of these funds for new contracts will require approval by the Division of the Budget. We will advise you when these new appropriations are available.

- As also recommended in the Executive Budget, the 2010/11 capital appropriations for SUNY Community Colleges include a total of $22.426 million in new funds for the State share of costs for projects with local sponsor funding approval. (See attached list of Community College projects.)

RESOLUTION NO. 2010 AMENDING THE 2010 CAPITAL BUDGET AND PROGRAM AND TRANSFERRING ASSESSMENT STABILIZATION RESERVE FUNDS TO THE CAPITAL FUND AND ACCEPTING FUNDS FROM CHANGING WORLD TECHNOLOGIES AND APPROPRIATING THE ASSESSMENT STABILIZATION RESERVE FUNDS AND CHANGING WORLD TECHNOLOGY FUNDS TO THE CAPITAL PROGRAM OF FATS/OILS AND GREASE TO FUEL DEMONSTRATION PROJECT AND AUTHORIZING EXECUTION OF AGREEMENTS FOR THE PROJECT (CP 8186)

WHEREAS, there exists a need to demonstrate the ability of waste greases and wastewater treatment plant sludges to provide a beneficial program as an alternate fuel and ultimately establish a waste energy platform within Suffolk County; and

WHEREAS, the Adopted Capital Program and Budget includes $50,000 of Assessment Stabilization Reserve Funds and $50,000 of “Other” funds in order to finance the project; and

WHEREAS, there is a collaborative effort thus far with a partnership between Changing World Technologies and Brookhaven National Laboratory in developing a project with some similarities with respect to the displacement of diesel fuel and fuel produced from municipal waste streams via thermal de-polymerization; and

WHEREAS, that collaborative effort and the availability of funding allows the 50% project cost being provided by Changing World Technologies in order to implement the project; and

WHEREAS, there are sufficient funds in the 2010 Capital Budget and Program providing the County share of $50,000 to the capital project; and

WHEREAS, the Administrative Head of Suffolk County Sewer Districts has requested that funds be appropriated to cover the demonstration project to study and investigate the use of waste greases and waste sludges from County's various wastewater treatment facilities as an alternate fuel source; and

WHEREAS, Resolution No. 471-1994 is revised by Resolution No. 461-2006 established the use of a priority ranking system implemented in the Adopted 2010 Capital Budget as a basis for funding capital projects such as this project; and

WHEREAS, it is proposed that $50,000 of the Assessment Stabilization Reserve Fund be appropriated for the purpose of implementing the County's share of the project; and

WHEREAS, it is proposed that $50,000 of funding from Changing World Technologies be accepted and appropriated for the purpose of providing the remaining funds for the demonstration project; now, therefore, be it
1st RESOLVED, that it is hereby determined that this project with a priority ranking of seventy-seven (77) is eligible for approval in accordance with the provisions of Resolution No. 471-1994 as revised by Resolution No. 461-2006; and be it further

2nd RESOLVED, that the Assessment Stabilization Reserve Fund shall provide the sum of $50,000 for the purpose of implementing the demonstration project; and be it further

3rd RESOLVED, that the Changing World Technologies funding of $50,000 be accepted and provided for the remaining $50,000 for the purpose of implementing the demonstration project; and be it further

4th RESOLVED, that the County Comptroller and Treasurer be and they hereby are authorized to accept the following revenue into Capital Fund 527 for Capital Project 8186;

9th RESOLVED, that this Legislature, being the lead agency under the State Environmental Quality Review Act (SEQRA), Environmental Conservation Law Article 8, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(18) (21), of Title 6 of the New York Code of Rules and Regulations (6 NYCRR), in that the law authorizes information collecting including basis data collection and research and preliminary planning process necessary to formulate a proposal for an action but does not commit the County to commence or approve an action. Since this law is a Type II action, the Legislature has no further responsibilities under (SEQRA); and be it further

10th RESOLVED, that the Administrative Head of Suffolk County Sewer Districts be and he hereby is authorized, directed and empowered to enter into contracts and agreements upon such terms and conditions as he deemed necessary relating to the demonstration of fats, oils and grease for the use of an alternate fuel source.

MEMORANDUM

TO: Ken Crannell, Deputy County Executive
FROM: Tom LaGuardia, P.E., Chief Deputy Commissioner
SUBJECT: Amending the 2010 Capital Budget and Program and Transferring Assessment Stabilization Reserve Funds to the Capital Fund and Accepting Funds from Changing World Technologies and Appropriating the Assessment Stabilization Reserve Funds and Changing World Technologies Funds to the Capital Program of Fats/Oils and Grease to Fuel Demonstration Project and Authorizing Execution of Agreements for the Project (CP 8186)

DATE: July 23, 2010

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for referenced capital project filed as Reso DPW Fats/Oils and Grease to Fuel (FOG) Demonstration Project dated 7-20-10 and backup filed as Reso-Backup DPW Fats/Oils and Grease to Fuel (FOG) Demonstration Project dated 7-20-10. The resolution transfers Assessment Stabilization Reserve Funds and also accepts and appropriates funds contributed by Changing World Technologies in collaboration with Brookhaven National Laboratory to perform a demonstration project on utilizing waste greases and wastewater treatment sludges as an alternate fuel source. The project was initiated by having funds placed in the adopted capital program for 2010. This resolution is the next step in progressing with that project. It is noted in the attached letters from Changing World Technologies and also the support letter from the Society for Energy and Environmental Research that the $50,000 of "Other" funds are made available for this project.

We would appreciate the draft resolution being laid on the table at your convenience.

RESOLUTION NO. -2010, CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF CONSIDERING THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 3 - SOUTHWEST (SLUDGE IMPROVEMENTS) (CP 8180)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 3 - Southwest; and

WHEREAS, a map and plan, together with an estimate of cost, has been prepared and filed with the County Legislature pursuant to Section 268 of the County Law in relation to the proposed increase and improvement of the facilities of said sewer district; and

WHEREAS, it is now desired to call a public hearing thereon; pursuant to Section 254 of County Law; now therefore, be it

1st RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1. A meeting of the County Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Riverhead, New York, in said County, on the 7th day of December 2010, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the Suffolk County Legislature in Riverhead, New York, in said County, on December 7, 2010 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to plan the increase and improve the sludge facilities that are associated with the Bergen Point Wastewater Treatment Plant (Sludge Management Plan) for Suffolk County Sewer District No. 3 - Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County Legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.
The project is to provide consultant assistance with respect to the Sludge Management Plan. The cost associated with the project is $200,000 for the engineering portion of the project. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2011. Based on the project schedule, the maximum payment will be during 2012 at a value of $19,000. Financing is at 4.65% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately $0.19 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the towns resulting in an increase of $0.0005526 per $1,000 of full value for Capital Project 8180, Sludge Management Plan.

In addition to the Sludge Improvements Project there are two concurrent projects in Sewer District No. 3 - Southwest. The total increase per typical property for all three projects is approximately $18.64.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.

2nd RESOLVED, this Legislature, being the lead agency under the State Environmental Review Act ("SEQRA"), Environmental Conservation Law Article 8, and pursuant to Resolution 1178-2007 hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations ("NYCRR"), the Legislature has no further responsibilities under SEQRA, and be it further

3rd RESOLVED, this resolution shall take effect immediately.

MEMORANDUM

TO:       Ken Crannell, Deputy County Executive
FROM:     James Peterman, P.E., Chief Deputy Commissioner
SUBJECT: Calling for a Public Hearing for the Purpose of Considering the Increase and Improvement of Facilities for Sewer District No. 3 – Southwest (Sludge Project) CP 8180
DATE:     September 10, 2010

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW-bw CP 8180 – SD 3 – Southwest (Sludge Project) Improvement Hearing 9-10-10 and backup filed as Reso-Backup DPW-bw CP 8180 – SD 3 – Southwest (Sludge Project) Improvement Hearing 9-10-10. The resolution calls for a public hearing to provide funds ($200,000) to gain assistance from the consultant that developed the RFP to evaluate the response to the RFP along with a development of recommendations and a contract to proceed further with the project. This request is based on the tabling action taken by the Legislative Public Works Committee meeting on September 7, 2010 and our recalculating the funds necessary to proceed. Due to multiple capital projects (8180, 8181, and 8183) for this sewer district, individual project reports are prepared for the public hearings for each project. It is noted that the project has no fiscal impact on the benefited properties due to the stabilization of rates by the ASRF imposing a 3% annual increase regardless of the improvements.

We appreciate the draft resolution being laid on the table as soon as possible.

DATE: September 9, 2010

SUBJECT: Request for Introductory Resolution for 2010 Capital Project 8235

I request drafting of an Introductory Resolution for the 2010 Capital Project 8235 - Peconic Bay Estuary Program. The resolution would appropriate $50,000 in the 2010 adopted Capital Budget to purchase a VTTEK automated bacteria identification system to replace a 10-year old instrument that is used to identify bacteria down to a subspecies level. The older system is no longer supported by the manufacturer; i.e., replacement parts are not available. The new system provides definitive identification results for gram-negative rods (including both members of the family Enterobacteriaceae and nonenteric bacilli) within one day.

The new identification system will allow for improved workflow results in time, labor, and money savings for the Public and Environmental Health Laboratory (PEHL).

SUBJECT: Request for Introductory Resolution for 2010 Capital Program 8224

I request drafting of an Introductory Resolution for the 2010 Capital Project 8224 Public Health Related Harmful Algal Blooms (HABs). The resolution would appropriate $25,000 in the 2010 adopted Capital Budget that will be combined with prior appropriations of $35,000 for the same capital project for a total of $60,000. These studies will continue to assess the cause, effects, dynamics, and distribution of Toxic Cyanobacteria and in the County's marine and fresh surface waters.

Red Tide caused by Cochlodinium polykrikoides has occurred throughout the Peconic Estuary and in portions of Shinnecock Bay for the past five years. The organism is not known to cause health effects in humans, but has been found to be lethal to juvenile species of fish and shellfish.

Toxic cyanobacteria blooms represent a serious threat to aquatic ecosystems. Globally, the frequency and intensity of toxic cyanobacteria blooms have increased greatly during the past decade and toxin concentrations during many blooms often surpass the World Health Organization (WHO) safe drinking water and recreational water limit. In Suffolk County, fifteen out of 20 lakes sampled had levels of microcystin exceeding levels permissible for drinking water according to the WHO. Fortunately, Suffolk County residents use these systems for recreation, not potable water.

These investigations will determine factors promoting toxic cyanobacteria and cyanotoxins in Suffolk County’s waters, as well as assess potential remediation factors.

; and, be it further

2nd RESOLVED, that the Director of the Division of Real Property Acquisition and Management and/or her designee, is hereby authorized, empowered, and directed, pursuant to Section C42-3(C)(3) of the SUFFOLK COUNTY CHARTER, to acquire the parcel(s) listed herein above from the reputed owner, the funding for which shall be provided under the New Suffolk County Drinking Water Protection Program, effective December 1, 2007, Open Space component, Section C12-2(A)(1) of the SUFFOLK COUNTY CHARTER, for the County’s purchase price of Eight Hundred Fifty Thousand Dollars ($850,000.00), subject to a final survey; and, be it further

3rd RESOLVED, that the County Comptroller and County Treasurer are hereby authorized to reserve and to pay $850,000.00, subject to a final survey, from previously appropriated funds in capital project 525-8712.210 for the New Suffolk County Drinking Water Protection Program, effective as of December 1, 2007, Open Space component, Section C12-2(A)(1) of the SUFFOLK COUNTY CHARTER, for this acquisition; and, be it further

4th RESOLVED, that the Director of the Division of Real Property Acquisition and Management and/or her designee; the County Planning Department; and the County Department of Public Works are hereby authorized, empowered, and directed to take such actions and to pay such additional expenses as may be necessary and appropriate to consummate such acquisition, including, but not limited to, securing appraisals, title insurance and title reports, obtaining surveys, engineering reports and environmental audits, making tax adjustments and executing such other documents as are required to acquire such County interest in said lands; and, be it further

5th RESOLVED, that pursuant to Section C12-2(A)(2)(c), this property is not to be developed and Two (2) Workforce Housing Development Rights shall be removed and placed in
the Suffolk County Workforce Housing Transfer of Development Rights Program registry pursuant to the Workforce Housing Development Rights Program as developed by the Department of Planning, consistent with Resolution No. 412-2005, as amended, and approved by the Suffolk County Executive and the Suffolk County Legislature; and, be it further

6th RESOLVED, that the acquisition of such parcel(s) meets the following criteria as required under Section C12-2(A)(1) of the SUFFOLK COUNTY CHARTER:

c.) any tract of land located fully or partially within the statutorily
designated Special Groundwater Protection Area: and, be it further

7th RESOLVED, that the subject parcel(s) shall be transferred to the County Department of Parks, Recreation and Conservation for passive recreational use; and, be it further

8th RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II Action pursuant to 6 NYCRR Sections 617.5(c)(20) and (27) of the New York Code of Rules and Regulations since such actions are simply legislative decisions administering and implementing the acquisition of property for passive park purposes which will mainly result in a beneficial impact and for which SEQRA Determination of Non-Significance has already been issued in Suffolk County Resolution No. 1083-2007.

Re: Revised CP 3060 – Purchase of Communications Equipment for Sheriff’s Office

Attached are a revised draft resolution, SCIN Form 175a and 175b for the referenced capital project. As you are aware, the Sheriff’s Office radio system must be upgraded due to FCC rules and regulations. Nextel is required to replace, at their cost, all of our mobile radios which could not be re-banded. However, Nextel was not required to replace those mobile radios that could not be narrow banded, since it was determined that those particular radios were at the end of their useful life anyway. This resolution appropriates $410,000 in equipment funds in 2010 for the replacement of those mobile radios to ensure all Sheriff’s Office radios are both interchangeable and narrow band compatible with the radios that were replaced by Nextel.

In the original draft resolution, we neglected to mention that the funding also includes the replacement and upgrading of mobile data terminals (MDT’s) in the Sheriff’s Office marked units to allow for fully integrated communications between over the air and computer aided dispatch.

An e-mail version of the resolution was sent to CE RESO REVIEW, saved under the title “Reso-Revision of Sheriff-2010 funds for CP3060- Purchase of Communications Equipment for Sheriff’s Office”.

We request that this resolution be laid on the table at your earliest convenience.

Thank you for your consideration in reviewing this draft resolution.

RESOLUTION NO. 2010, CALLING A PUBLIC HEARING UPON A PROPOSAL TO AMEND THE MAP AND PLAN OF SERVICE FOR SUFFOLK COUNTY SEWER DISTRICT NO. 4 - SMITHTOWN GALLERIA, IN THE TOWN OF SMITHTOWN, TO DETERMINE WHETHER IT IS IN THE PUBLIC INTEREST TO EXTEND THE BOUNDARIES IN THE DISTRICT AND AMEND THE OPERATION AND MAINTENANCE BUDGET TO REFLECT FULL CURRENT COSTS AND ANNUAL RATE TO BE CHARGED FOR SEWAGE TREATMENT

WHEREAS, in accordance with New York County Law Article 5-A, and following the submission of maps, plans, and reports, dated July 2002, regarding the proposed establishment of Suffolk County Sewer District No. 4 - Smithtown Galleria, a Public Hearing was held by the Suffolk County Legislature regarding said proposal at the North County Complex in Hauppauge, New York on November 19, 2002; and

WHEREAS, on March 11, 2003, the Legislature duly adopted Resolution No. 179-2003, Making Certain Findings and Determinations Upon a Proposal to Form Suffolk County Sewer District No. 4 - Smithtown Galleria in the Town of Smithtown; and

WHEREAS, on May 11, 2004, the Legislature duly adopted Resolution No. 520-2004, Amending Resolution No. 179-2003 in Connection with Making Certain Findings and Determinations Upon a Proposal to Form Suffolk County Sewer District No. 4 - Smithtown Galleria in the Town of Smithtown; and

WHEREAS, on December 21, 2004, the Legislature duly adopted and on December 27, 2004 the County Executive duly approved Resolution No. 1403-2004, Making Certain Findings and Determinations Upon a Proposal to Form Suffolk County Sewer District No. 4 - Smithtown Galleria in the Town of Smithtown, which Resolution No. 1403-2004 rescinded Resolution No. 179-2003, as amended by Resolution No. 520-2004; and

WHEREAS, pursuant to Article 5-A of the New York County Law and Suffolk County Resolution No. 1403-2004, Suffolk County duly established Suffolk County Sewer District No. 4 - Smithtown Galleria in the Town of Smithtown, relying on the maps, plans and reports of July 2002; and

WHEREAS, pursuant to Article 5-A of the New York County Law, Suffolk County notified the New York State Comptroller’s Office of the establishment of Suffolk County Sewer District No. 4 - Smithtown Galleria; and

WHEREAS, subsequent to the creation of Sewer District No. 4 - Smithtown Galleria, but before ownership and operation of the treatment facilities were assumed by the County, it was determined that the budget, operating expenses and the necessary fees for sewage treatment contained in the July 2002 report were flawed; and

WHEREAS, because the fees for sewage treatment, as proposed in the July 2002 report, would be inadequate to support the operational and maintenance expenses of the
Sewer District as required by law, the County has not yet completed the acquisition through dedication of all necessary sewage facilities nor is said Sewer District currently operating any sewage facility or charging for sewage treatment and disposal service; and

WHEREAS, the Commissioner of the Department of Public Works, Administrator of Sewer District No. 4 - Smithtown Galleria, has submitted a report dated June 2010 recommending certain changes to the map and plan of service for the District to correct and update the operation and maintenance budget, to expand the boundaries of the district to include certain commercial establishments adjacent to the district, and to adjust the expected fees for sewage treatment to be paid by district members, such that the District would produce enough revenue to support the expenses of the District in accordance with law; and

WHEREAS, said changes, if adopted, would result in a change in the rate for sewage treatment from the $470 per year per typical residential connection originally estimated in the July 2002 report and relied upon when a Public Hearing was held which led to the creation of the district, to a proposed rate of $1420 per year per typical residential connection as required to support the budget contained in the June 2010 report; and

WHEREAS, the proposed rate of $1420 per year per typical residential connection is lower than it would be if the additional properties within the proposed extended boundaries of Suffolk County Sewer District No. 4 - Smithtown Galleria were not included; and

WHEREAS, as a result of this proposed increase, extension of the boundaries, and resulting modification to the original map and plan of service for Suffolk County Sewer District No. 4 - Smithtown Galleria, it is now required to call a public hearing pursuant to Sections 253-b and 254 of the New York County Law; and

WHEREAS, it is in keeping with the letter and spirit of Article 5-A of the New York County Law and in the public interest to consider whether such proposed amendments are in the public interest, and acquisition and operation of the sewer district treatment facilities should proceed with such extended boundaries and rate of $1420 per year per typical residential connection necessary to support the operation and maintenance of the district, or whether it would be in the public interest to rescind Legislative Resolution 1403-2004 and the notification to the NYS Comptroller by which Sewer District No. 4 - Smithtown Galleria was created; now, therefore be it

1st

RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1. A meeting of the County Legislature of the County of Suffolk, New York, shall be held at the North County Complex in the meeting room of the County Legislature in Riverhead, New York, in said County, on the 7th day of December, 2010 at 2:30 p.m., Prevailing Time for the purpose of conducting a public hearing on the proposed amendment to the map and plan of service for County Sewer District No. 4 - Smithtown Galleria, as contained in the June 2010 report of the Sewer Agency and Department of Public Works to the Legislature. Said proposed amendments include the extension of the boundaries of the district to include certain commercial properties, and amendment and updating of the operation and maintenance budget such that there would be a change in the rate for sewage treatment from the $470 per year per typical residential connection originally estimated in the July 2002 report and relied upon when a Public Hearing was held which led to the creation of the district, to a proposed rate of $1420 per
year per typical residential connection as required to support the budget contained in the June 2010 report.

Section 2. At the public hearing, the Legislature will consider whether such proposed amendments are in the public interest, and acquisition and operation of the sewer district treatment facilities should proceed with such extended boundaries and rate of $1420 per year per typical residential connection necessary to support the operation and maintenance of the district, or whether it would be in the public interest to rescind Legislative Resolution No. 1403-2004, and the notification to the NYS Comptroller by which Sewer District No. 4 - Smithtown Galleria was created.

Section 3. The Department of Public Works is directed to mail or otherwise deliver notice of said public hearing, including a copy of this resolution, to the extent possible, to all residents and property owners within the boundaries of the district and the areas to be included within the proposed extended boundary, said notice to be delivered not less than ten, nor more than twenty days before the day set herein for said public hearing.

Section 4. A copy of the June 2010 report and recommendations of the Department of Public Works shall be made available at the offices of the Department of Public Works, Yaphank County Center, 335 Yaphank Avenue, Yaphank, New York and at the office of the clerk of the County Legislature at the North County Complex in Hauppauge, New York.

Section 5. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

**NOTICE OF PUBLIC HEARING**

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk, New York, will meet at the North County Complex in the meeting room of the County Legislature in Riverhead, New York, in said County, on the 7th day of December, 2010 at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing upon a proposed amendment to the map and plan of service for County Sewer District No. 4 - Smithtown Galleria, as contained in the June 2010 report of the Sewer Agency and Department of Public Works to the Legislature. Said proposed amendments include the extension of the boundaries of the district to include certain commercial properties, and amendment and updating of the operation and maintenance budget such that there would be a change in the rate for sewage treatment from the $470 per year per typical residential connection originally estimated in the July 2002 report and relied upon when a Public Hearing was held which led to the creation of the district, to a proposed rate of $1420 per year per typical residential connection as required to support the budget contained in the June 2010 report.

At the public hearing, the Legislature will consider whether such proposed amendments are in the public interest, and acquisition and operation of the sewer district treatment facilities should proceed with such extended boundaries and rate of $1420 per year per typical residential connection necessary to support the operation and maintenance of the district, or whether it would be in the public interest to rescind Legislative Resolution 1403-2004 and the notification to the NYS Comptroller, by which Sewer District No. 4 - Smithtown Galleria was created.
Suffolk County Sewer District No. 4 - Smithtown Galleria is currently comprised of an area laying entirely within the Town of Smithtown, known as the Hamlet of Smithtown, bounded by Terry Road (CR 16) to the west and Nesconset-Port Jefferson Highway (NYS Route 347) to the south, such area being more particularly bounded and described as follows:

RE: SMITHTOWN GALLERIA – SD #4

Attached are three (3) copies of a memorandum forwarding an introductory resolution to call for a public hearing to amend the map and plan of the referenced district, extending the boundaries and amending its budget. Additionally attached are three (3) copies of the “Report Recommending Amendment or Modification to the June 2002 Report, Map, Plan of Service and Recommendations for the Formation of Suffolk County Sewar District No. 4 – Smithtown Galleria”, dated June 2010. These reports reflect the detailed analysis of costs that will be the basis of the discussions to be held at the Public Hearing.

As such, we recommend that the report be forwarded along with the introductory resolution. While we expect the same concerns to be raised about the proposed fees, the public hearing will determine whether there is support to push this process any further.

Should you have any questions or concerns regarding these matters please contact my office at ext. 24010.

INTRODUCTION

In accordance with Article 5-A of New York State County Law and by Resolutions No. 494-1965 and No. 518-1965, the Suffolk County Board of Supervisors formed the Suffolk County Sewer Agency in September 1965. The County Legislature, as the successors to the Board of Supervisors, by Resolution No. 407-1970, authorized the Chairman of the Agency to execute agreements with sub-dividers and developers. Thereafter, by Resolution No. 212-1973, the County Legislature again directed the Agency, with the assistance of the Department of Environmental Control acting as its staff, to prepare the necessary maps, plans, specifications and other relevant material for the formation, extension or improvement of County sewer districts.

The Suffolk County Department of Public Works, Suffolk County Sewer Agency and the County of Suffolk entered into a contract with DiCanio Residential Communities, Inc., Smithtown Galleria Corp. and Galleria Environmental Corp. on November 26, 1990 (Exhibit A). This contract contains, among other things, the commitment by the developer to construct wastewater collection, treatment and disposal facilities for a development known as Smithtown Galleria and offer these facilities at no cost to the County, or its nominee. This agreement is recorded against the property and is binding upon all subsequent owners. In the agreement is a provision, which consents to the formation of a County sewer district encompassing the property covered by the agreement.

In accordance with those resolutions and pursuant to Article 5A of the County Law, the Agency caused the Department of Public Works, as the successors to the Department of Environmental Control, to prepare and submit the necessary information and data relating to the formation of Suffolk County Sewer District No 4 – Smithtown Galleria. The report, dated July 2002 (Exhibit B), was submitted to the Legislature, which held a public hearing on the district formation on November 19, 2002. The District was formed in accordance with Resolution No. 1403-2004 (Exhibit C); and the Notification for District Creation (Exhibit D), was submitted to the Office of the NYS Comptroller 5.1

---

Subsequent to the formation of the district, it was determined that the budget, and fees to be paid under the new district's proposed plan of service as contained in the original 2002 Sewer Agency report, were flawed. Portions of the operational costs, namely the spread costs, had been omitted from the budget. As will be stated below it is necessary to amend and modify the map and plan of service to amend the boundaries and amend the projected cost to district members.

The Smithtown Galleria project consists of 187 townhouse units (Windcrest at the Galleria), 42 single family homes (Galleria Heights and Coventry Village at the Galleria), 312 apartment units, a CVS pharmacy (9 Single Family Equivalents (SFE), a clubhouse (1 SFE) and a day care center (11 SFE). The amendment and modification of the proposed district boundaries is suggested to include two adjacent restaurants, Famous Dave's and Carrabba's (also known as Jado's 2 Restaurants) which will result in an additional 52 single family equivalents, making the total 614 SFEs. Jado's 2 Restaurants will increase the flow to the plant by 13,590 gallons per day. A connection agreement to the existing plant by the owner of the two restaurants will be overseen by the Sewer Agency.

**DISTRICT POPULATION**

Using 3.5 persons per townhouse unit, single family home and apartment unit larger than 1200 SF and 2.5 persons for each apartment unit less than 1200 SF, it is estimated that the total population of the district is 1917 persons, or 614 single family equivalents (SFE). Jado's 2 Restaurants is included and resulted in an increase in population of 182.

**GENERAL BOUNDARY DESCRIPTION**

The proposed district is situated in the central portion of the Town of Smithtown in the hamlet of Smithtown. Including the sewage treatment plant site and approximately 3 acres of Jado's 2 Restaurants, the proposed district will consist of approximately 84 acres.

The proposed district, including the two restaurants, is bounded on the south by Port Jefferson - Nesconset Highway (NYS Route 347), on the east and the north by single family homes, and on the west by Terry Road.
A metes and bounds description that was included in the original public hearing report of 2002 and the modified district boundaries of 2008, to include the two restaurants, are included in this report as Exhibits E and F. The map of the district as established by Resolution 1403-2004 and a map of the 2008 proposed district, which includes the two restaurants, are appended hereto as Exhibits G and H.

WASTEWATER TREATMENT FACILITIES
The wastewater treatment plant was designed and constructed to accommodate 178,000 gallons per day (GPD). Of this capacity 8,900 GPD is associated with filter backwashing and reduces the usable connected capacity to 169,100 GPD.

The collection system within the district boundary and within public roads will be accepted for dedication. Where necessary, and as provided for by the existing Agency agreement, easements will be granted for any portion of the collection system not within public roads.

AMENDMENT AND MODIFICATION OF PLAN
The original plan prepared, based on the 2002 budget, and subject of a public hearing and notice to the State Comptroller resulted in the district being legally formed in 2005. Ownership, however, of the pertinent facilities was never transferred to the County. The original estimated cost per typical property in the original 2002 map and plan did not factor in all spread costs. Inclusion of spread costs increases the annual cost per typical property from $470 (2002 map and plan) to $1420 (2010 budget). Since the original map and plan was based on costs for 2002 the map and plan must be amended to include an inflation factor. There will also be a financial contribution from Jado's 2 Restaurants. Exhibits I and J include the budgets for 2002 and in accordance with the above a budget for 2010 that includes the spread costs, the inflation factor and the Jado's 2 Restaurants.

CAPITAL COSTS
No capital costs will be incurred in connection with the formation of this proposed sewer district; and, therefore, there will be no bond issue. The financial contributions associated with the connection of the Jado’s 2 Restaurants will be for the purpose of securing capital improvements. It is estimated that the improvements that are listed in an
inspection report, attached as Exhibit K will cost $350,000. In addition it is possible that after the operation and maintenance responsibilities have been transferred to the County other items will identified as needing repair/replacement. In accordance with established requirements of the Suffolk County Department of Health Services funds must be in place to replace the single largest piece of equipment of the plant. The cost of this replacement is estimated to be $60,000. The $203,850 in connection fees from the Jado’s 2 Restaurants should be applied to these costs ($410,000).

PROPOSED FINANCIAL PLAN AND COSTS TO HOMEOWNERS

A. **Federal and State Aid**

   There is no expectation of receipt of Federal or State funds for the formation of this district.

B. **Preliminary User Charges**

   1. **Present Charges**: Presently, and until the dedication of the proposed district facilities is completed, the allocated operation and maintenance costs will continue to be paid privately to the developer by the present users under the terms of the existing private agreement.

   2. **District Charges**: The Environmental Protection Agency regulations require that any sewer district formed in Suffolk County after December 27, 1977 must charge the users based upon actual use, and not ad valorem. Therefore, the district will be established pursuant to Section 266 of the County Law of the State of New York, and thus require a flat annual sewage charge be paid by all users for the calendar year 2010, or fraction thereof.

C. **Annual Operation and Maintenance Costs and Charges**

   The operation and maintenance budget for 2010, which includes Jado’s 2 Restaurants, is $871,200. The proposed district will consist of condominiums, single family homes, residential apartments, retail, Jado’s 2 Restaurants and office buildings, which will all share equally on a per unit of flow basis in the annual costs of operation and maintenance. Each residential unit will be billed every three months which, together with the per unit basis, is consistent policy with every other non-ad valorem County sewer district. Commercial units are billed annually. It is estimated
that each residential user will pay $1420 per year, while industrial/commercial users will pay a per gallon charge plus any applicable industrial waste fee (See Exhibit J).

**TAXABLE AND NON-TAXABLE REAL PROPERTY IN THE DISTRICT**

There are no state lands or non-taxable properties in the district as amended with the exception of the improvements on the sewage treatment plant site, once dedicated to the district.

The district as amended is within the unincorporated area of the Town of Smithtown and is within School District No. 1. The average assessments in the proposed district, as well as the latest available schedule of taxes levied against properties within the proposed district, are set forth in the following table:

RECOMMENDATIONS, COMMENTS AND FINDINGS

A. The dedication of the facilities in the proposed district will result in fulfilling the intent of the contracts between the developer, the Suffolk County Sewer Agency, et al.

B. The map and plan has been modified to include the new service area boundary which includes the Jado's 2 Restaurants and the spread costs, using district actual cost of services between 2002 and 2009.

C. It is recommended that financial contributions of Jado's 2 Restaurants be provided to secure capital improvement.

D. Finally, it is recommended that this report be made the subject of a public hearing to determine whether it is in the public interest to amend the map's new district boundary and plan of service, as proposed, including the increase in projected fees, and if such is not in such public interest, to rescind Legislative Resolution 1403-2004, which formed the District.

Respectfully submitted,

forth in "Schedule A" annexed hereto, which property is hereinafter referred to as the "PREMISES", and

WHEREAS, GALLERIA ENVIRONMENTAL CORP. is the owner of the site upon which the sewage treatment plant referred to herein shall be constructed, and

WHEREAS, the PREMISES is not located within the boundary of any Suffolk County sewer district, and

WHEREAS, OWNER has caused to be filed with the AGENCY, the COUNTY, the Suffolk County Department of Health Services and the Township of Smithtown, a certain map entitled "The Galleira", which map is dated February, 1988, was prepared by Nelson and Pope, and shows the location of a planned community consisting of apartments, single-family residence dwellings and commercial establishments, upon eighty-one (81) acres of land located at Smithtown, County of Suffolk and State of New York (the PREMISES), and

WHEREAS, the aforesaid planned community is expected to generate approximately ONE HUNDRED SEVENTY-FIVE THOUSAND GALLONS PER DAY (175,000 GPD) of sewage, and

WHEREAS, OWNER is desirous of constructing a sewage treatment plant upon the PREMISES, together with all equipment, appurtenances and/or facilities used in connection therewith, to serve the sewage collection, treatment and disposal needs of the aforesaid planned community,

NOW THEREFORE, in consideration of the individual and mutual covenants, promises and representations herein contained, the parties hereto do hereby agree as follows:

1. DiCANIO RESIDENTIAL COMMUNITIES, INC. and SMITHTOWN GALLERIA CORP. warrant and represent that they own the PREMISES herein described, and that they shall, at their sole cost, expense and effort, provide a legible photocopy of the recorded deed(s) of ownership to the PREMISES, including the Suffolk County Tax Map Number of same, which shall be annexed hereto and marked "Schedule A".

2. OWNER shall comply with all of the provisions of Suffolk County Local Law Number 24-1986 and any amendment thereof and/or successor law thereto. A copy of said local law is annexed hereto and marked "Schedule B".

3. OWNER shall comply with all of the provisions of the Suffolk County Sanitary Code.
4. OWNER shall, at OWNER's sole cost, expense and effort, design and construct, and maintain on a continuous basis, a sewage treatment plant, together with any and all sewer lines, manholes, pretreatment systems, lateral sewers, pump stations and/or force mains, as well as any and all equipment, appurtenances and/or facilities used in connection therewith, necessary, in the sole discretion of the AGENCY and/or DPW, to serve the sewage collection, treatment and disposal needs of the aforesaid planned community.

5. If, in the sole discretion of DPW and/or the Suffolk County Department of Health Services, pretreatment facilities are required, OWNER shall, at OWNER's sole cost, expense and effort, design and construct such pretreatment facilities. Such pretreatment facilities shall be operated and maintained by, at the option of DPW, either (a) DPW, or (b) personnel provided by OWNER, at OWNER's sole cost, expense and effort, which personnel shall be acceptable to DPW. Should DPW so request, OWNER shall provide, at any time or times during the term of this Agreement or during the term of any renewal or extension hereof, at OWNER's sole cost, expense and effort, a sampling station and equipment to measure the volume and strength of sewage flow from the PREMISES. Such sampling station and equipment shall be subject to approval by DPW as a condition of OWNER's continued use of the PREMISES. DPW reserves the right to inspect the PREMISES in connection with such approval if, in its sole discretion, it deems same to be necessary. Testing of samples shall be performed in accordance with the procedure set forth in Standard Methods for the Examination of Water and Waste Water, published by the American Public Health Association, Inc., current edition. OWNER's design and construction of any pretreatment facilities shall be done in a good workmanlike manner and to the satisfaction and specifications of DPW.

6. OWNER warrants and represents that all sewer lines, manholes, lateral sewers, pump stations and/or force mains, as well as any and all equipment, appurtenances and/or facilities used in connection therewith, located in, under or upon the PREMISES, shall be constructed, and shall be maintained, in accordance with the rules and regulations of DPW. Except as may be otherwise provided in paragraph (5) above, any such maintenance required shall be the responsibility of OWNER, and shall be performed at OWNER's sole cost, expense and effort.

7. Prior to the commencement of construction of any sewer lines, manholes, pretreatment systems, lateral sewers, pump stations and/or force mains, or of any and all
equipment, appurtenances and/or facilities used in connection therewith, all hereinafter referred to as "sewerage facilities". OWNER shall, at OWNER's sole cost, expense and effort, (i) obtain from the AGENCY a Special Permit as provided for in Local Law No. 24-1986 (a copy of which is annexed to this Agreement and marked "Schedule B") and/or in any amendment thereof and/or successor law thereto, (ii) obtain a construction permit from the Suffolk County Department of Health Services, and (iii) secure any and all other permits which may be lawfully required by, and abide by the rules and regulations of, each and every municipality and/or department and/or agency having jurisdiction in or over the matter.

8. At least fourteen (14) days prior to the commencement of construction of any sewerage facilities, OWNER shall notify DPW, the AGENCY and the COUNTY, in writing, of the proposed date or dates on which construction is scheduled to commence, and shall include with said notice a tentative schedule setting forth all work proposed to be done during the thirty (30) days following the commencement of construction and the exact location thereof. OWNER shall not commence construction of any sewerage facilities until (i) the location and order of progression of the proposed work as set forth in the aforesaid schedule has been approved by DPW, and (ii) arrangements have been made with DPW for inspection by DPW of the said work. OWNER shall notify DPW, in writing and within twenty-four (24) hours, of any addition(s), deletion(s), change(s) or other modification(s) to, from or in the said schedule. The said schedule shall be updated as necessary by OWNER to set forth all work proposed to be done after the thirty (30) days following the commencement of construction. Such updating shall be done with sufficient frequency so that DPW, the AGENCY and the COUNTY shall have a minimum of thirty (30) days advance notice, via the aforesaid schedule, of all work proposed to be done. All such updates of the said schedule shall be subject to the same terms and conditions as the originally-submitted schedule, as set forth above.

9. OWNER shall, at all times, comply with any and all orders, directives and requests of DPW and of each and every municipality, department and/or agency having jurisdiction in or over the work to be performed by OWNER hereunder.

10. (A) OWNER's construction of all sewerage facilities shall be in accordance with the rules and regulations of DPW and shall be subject to the approval of DPW.

(B) OWNER warrants and represents that all sewer lines, manholes, lateral sewers, pump stations and/or
force mains, as well as any and all equipment, appurtenances and/or facilities used in connection therewith, located in, under or upon the PREMISES, shall be constructed and shall be maintained in accordance with the rules and regulations of DFW. Any such maintenance required shall be the responsibility of OWNER and shall be performed at OWNER's sole cost, expense and effort.

11. Prior to the commencement of construction of any sewerage facilities, OWNER shall, at OWNER's sole cost, expense and effort, submit to DFW an engineering report, plans and specifications of all proposed work, prepared by a professional engineer duly licensed by the State of New York, showing all sewer lines, manholes, pretreatment systems, lateral sewers, pump stations and/or force mains, as well as any and all equipment, appurtenances and/or facilities used in connection therewith, on the PREMISES. Said report, plans and specifications shall include the location of all sewer easements and sites, and shall be subject to review by, and the approval of, DFW prior to the commencement of construction of any sewerage facilities, and no such construction shall commence until the said report, plans and specifications shall have been approved, in writing, by DFW. DFW shall, within a reasonable time, examine the said report, plans and specifications submitted by OWNER, and shall make such inspections and reports as DFW, in its sole discretion, may require. The engineers and inspectors of DFW, as well as all of DFW's staff, shall not replace, nor act as or on behalf of, the engineers, inspectors or staff of OWNER, and nothing contained herein or elsewhere in this Agreement shall be construed to the contrary. At the conclusion of the work hereunder, OWNER shall, at OWNER's sole cost, expense and effort, submit to DFW, in accordance with DFW's specifications, two (2) reproducible transparencies, Mylar or equal, and one (1) microfilm, of "as-built" drawings, prepared by a land surveyor duly licensed by the State of New York, showing the exact location and depth of all sanitary sewerage facilities.

12. Prior to covering, burying or otherwise concealing or obscuring any sewerage facilities, OWNER shall request an inspection by DFW of the construction of same. OWNER shall await such inspection, and shall not cover, bury or otherwise conceal or obscure any sewerage facilities until the same have been both inspected and approved by DFW. In the event that OWNER fails to request an inspection as set forth herein, and/or fails to await such inspection, and causes or permits, whether intentionally or otherwise, any sewerage facilities to be covered, buried or otherwise concealed or obscured before the same have been both inspected and approved by DFW, then OWNER shall, at OWNER's sole cost, expense and effort, excavate, uncover and/or otherwise remove
the same from concealment or obscurity, in order that the same may be inspected, and approved or disapproved, by DPW.

14. Prior to the commencement of construction of any sewerage facilities, OWNER shall, at OWNER's sole cost, expense and effort, furnish an irrevocable letter of credit issued by a New York bank, for the repair, restoration and/or maintenance of any facilities (sewage or otherwise) owned by any political subdivision having jurisdiction over the public land or lands in, through, over, under or upon which OWNER will construct any of the sewerage facilities provided for herein. Said letter of credit shall be in form and wording satisfactory to, and in an amount or amounts requested by, any such political subdivision.

15. (A) (i) Prior to the commencement of construction of Stage 1 of the PLANT, OWNER shall, at OWNER's sole cost, expense and effort, furnish an irrevocable letter of credit issued by a New York bank, in an amount equal to one hundred twenty (120%) percent of the estimated cost of construction of Stage 1, to ensure that, in the event OWNER fails to undertake and/or complete the construction of Stage 1, sufficient financial resources are available to construct, or complete the construction of, Stage 1.

(ii) After the completion of Stage 1 and, at the option of OWNER, the total release of the letter of credit posted therefor, and prior to the commencement of construction of Stage 2 of the PLANT, OWNER shall, at OWNER's sole cost, expense and effort, furnish a second irrevocable letter of credit issued by a New York bank, in an amount equal to one hundred twenty (120%) percent of the estimated cost of construction of Stage 2, to ensure that, in the event OWNER fails to undertake and/or complete the construction of Stage 2, sufficient financial resources are available to construct, or complete the construction of, Stage 2.

(iii) After the completion of Stage 2 and, at the option of OWNER, the total release of the letter of credit posted therefor, and prior to the commencement of construction of Stage 3 of the PLANT, OWNER shall, at OWNER's sole cost, expense and effort, furnish a third irrevocable letter of credit issued by a New York bank, in an amount equal to one hundred twenty (120%) percent of the estimated cost of construction of Stage 3, to ensure that, in the event OWNER fails to undertake and/or complete the construction of Stage 3, sufficient financial resources are available to construct, or complete the construction of, Stage 3.
(iv) Each letter of credit posted hereunder shall be irrevocable, shall be in form and wording satisfactory to DPW, and shall be self-reducing, i.e., as the work progresses on the particular Stage of the construction of the PLANT for which each letter of credit has been posted, the amount of the letter of credit shall be automatically reduced for each dollar advanced by OWNER for the expansion and improvement of the PLANT.

(B) Every letter of credit referred to in paragraph (A) above shall be periodically renewed by OWNER, at OWNER's sole cost, expense and effort, until such time as OWNER has completed the construction of all facilities for which such letter of Credit has been posted. Said renewal(s) shall be made not less than two (2) months prior to the expiration of the said letter of credit or the expiration of any renewal thereof. OWNER shall provide proof of said renewal or renewals to the AGENCY within fourteen (14) days of each renewal. The failure of OWNER to so renew the said letter of credit, or to so provide proof of same, shall constitute a default under the letter of credit and under this Agreement.

(C) No letter of credit referred to in subparagraph (A) above shall be finally released until 1- all work on the stage of the PLANT for which such letter of credit was posted has been completed to the satisfaction of DPW, 2- such stage is operating to the satisfaction of DPW, and 3- such stage achieves such effluent standards for such period of time as may be required by the NYSDEC.

(D) Prior to the release of the final letter of credit, OWNER shall deliver to DPW the maintenance bond hereinafter referred to in paragraph twenty-four (24) for the due, proper and efficient maintenance and operation of the sewerage facilities provided for herein.

(E) In the event that OWNER constructs the plant in more or less than three (3) stages, the provisions of this paragraph (15) shall be amended to reflect the actual number of stages.

16. During the course of construction of the sewerage facilities provided for herein, the engineers, inspectors and staff of DPW, and the Highway Department of the Town and/or Village in which the PREMISES are situate, shall have the right, at any time, to make inspections of the work.
17. During the course of construction of the sewerage facilities provided for herein, OWNER shall, at OWNER's sole cost, expense and effort, make any tests of the sewerage facilities as may from time to time be requested by DPW. In the event that DPW issues a stop-work order, OWNER shall immediately cease all work on the item, or items, set forth in the said order and shall not resume such work until the order shall have been vacated, in writing, by DPW.

18. (A) All costs incurred by DPW during the course of construction of the sewerage facilities provided for herein, including, but not limited to, engineering costs, for any examination, inspection, audit, test, report and/or service either called for herein or, in the sole discretion of DPW, required, shall be borne by OWNER. Prior to the commencement of construction of any sewerage facilities, OWNER shall post the sum of FIFTEEN THOUSAND AND NO/100THS ($15,000.00) DOLLARS, or a sum equal to five (5%) percent of OWNER's total costs for the construction of the sewerage facilities provided for herein, whichever is greater, in cash, or by certified check, bank check or teller's check drawn to the order of "Suffolk County Treasurer", which sum shall be applied toward the aforesaid costs of DPW. Thereafter, OWNER shall from time to time post such further and additional sums as shall be requested by DPW, which shall also be applied toward the said costs of DPW. Subject to paragraphs (19) and (20) below, the total amount of all sums so posted by OWNER shall not exceed five (5%) percent of OWNER's total costs for the construction of the sewerage facilities provided for herein. OWNER shall submit proof, satisfactory to DPW, of its said total construction costs.

(B) In addition to the costs set forth in paragraph (18)(A) above, OWNER shall pay for a two-week inspection, by a representative of DPW, of the facilities to be constructed by OWNER pursuant to the terms hereof. OWNER's offer of dedication of said facilities, as set forth herein, shall not be accepted unless and until such two-week inspection has been performed and said inspection indicates to DPW that the facilities are in good working order.

19. For the sums posted by OWNER pursuant to paragraph (18) above, OWNER shall be entitled to have DPW review no more than two (2) submissions of plans and specifications for approval. In the event that additional submissions are made showing any addition(s), deletion(s), change(s) or other modification(s), whether or not requested or required by DPW, OWNER shall pay, upon demand, in the same manner as set forth in paragraph (18) above, an additional sum in the amount of one-half of one (0.5%) percent of OWNER's total costs for the
construction of the sewerage facilities provided for herein for each such additional submission.

20. The percentage limitations set forth in paragraphs (18) and (19) above on the sums to be paid by OWNER do not include any allowance for any expenses incurred by DPW as a result of OWNER's scheduling work to be performed on overtime, weekends or holidays, or other than during the normal working hours of DPW's staff. No such work shall be scheduled by OWNER without DPW's consent. In the event that any such work is scheduled, OWNER shall pay, upon demand, in the same manner as set forth in paragraph (18) above, an additional sum in an amount estimated by DPW, in DPW's sole discretion, to cover DPW's anticipated additional costs as a result thereof. Should DPW's estimate prove to be insufficient to cover its actual additional costs, OWNER shall, upon demand, pay to DPW, in the same manner as set forth in paragraph (18) above, the difference between the estimated and the actual additional costs.

21. Any unused portion of the sum or sums posted by OWNER pursuant to paragraphs (18), (19) and (20) above shall be returned to OWNER.

22. The sum or sums posted by OWNER pursuant to paragraphs (18), (19) and (20) above shall not exceed reasonable levels for the particular activity(ies) described. DPW shall exercise reasonable controls over its costs in this regard. Upon request by OWNER, DPW shall provide OWNER with evidence to account for its said costs.

23. OWNER shall provide, at OWNER's sole cost, expense and effort, an insurance policy or policies in accordance with the requirements set forth in "Schedule C" annexed to this Agreement. At DPW's request, OWNER shall submit said policy or policies, or due evidence thereof, in the form of certificates or binders, to DPW. The failure of OWNER to furnish and maintain insurance, certificates or binders as required herein may be deemed by DPW to be a default hereunder and DPW, in addition to other remedies to which it may be entitled in such cases, may, but shall not be obligated to, purchase such equivalent insurance at the cost and expense of OWNER.

24. Prior to the commencement of operation of any facilities provided for herein, OWNER shall furnish, at OWNER's sole cost, expense and effort, a maintenance bond, to ensure that, in the event OWNER fails to properly maintain any of the facilities provided for herein, sufficient financial resources are available for same. Said maintenance bond
shall be in form and wording satisfactory to, and in an amount determined by, DPW and/or the AGENCY and/or the COUNTY. Said maintenance bond shall be effective for a period of five (5) years, and shall be renewed by OWNER, at OWNER's sole cost, expense and effort, for successive periods of five (5) years, until such time, if ever, as the AGENCY shall have accepted dedication of the facilities provided for herein. OWNER shall, at OWNER's sole cost, expense and effort, provide for covenants, which shall be recorded in the Office of the Clerk of the County of Suffolk and which shall run with each portion of the PREMISES sold or transferred by OWNER, which shall provide that each and every subsequent owner of any portion of the PREMISES sold or transferred by OWNER shall be lawfully obligated to contribute towards the cost of (i) maintaining the facilities provided for herein and (ii) the maintenance bond, and any renewals thereof, provided for herein, in sufficient amounts so that the sums collected at any time from all owners of the PREMISES shall be sufficient to pay the cost of the maintenance and the maintenance bond provided for herein. No S-9 form or other approval shall be issued by the AGENCY in connection with the PREMISES unless and until the AGENCY approves the form and substance of said covenants and OWNER furnishes proof to the AGENCY that same have been recorded in the Office of the Suffolk County Clerk.

25. OWNER shall save, indemnify and hold harmless DPW, the AGENCY and the COUNTY, and any and all of their departments, agencies, bureaus, employees, personnel, agents and representatives, from and against any and all loss or expense, including attorneys fees, by reason of any liability imposed by law upon any of them, except in cases of their negligence, for any damages or claim for damages arising out of, or in consequence of or in connection with, this Agreement, including, but not limited to, bodily injury, including death at any time resulting therefrom, sustained by any person or persons, or on account of damage to property, whether such injury to persons or damage to property is due or claimed to be due to any passive negligence, or any act or omission, intentional or otherwise, of DPW, the AGENCY or the COUNTY, or any combination of them, and/or any of their departments, agencies, bureaus, employees, personnel, agents or representatives. It is further understood and agreed that OWNER shall, at the option of DPW and/or the AGENCY and/or the COUNTY, defend any of the entities indemnified hereunder with appropriate counsel and, further, shall bear all costs and expenses, including the expense of counsel, in the defense of any action or proceeding arising hereunder.

26. OWNER shall, at OWNER's sole cost, expense and effort, repair, replace and/or restore any and all sewer
27. The sewage treatment plant provided for herein, together with any and all sewer lines, manholes, pretreatment systems, lateral sewers, pump stations and/or force mains, as well as any and all equipment, appurtenances and/or facilities used in connection therewith, and the site upon which same are situate, including the collection system for same, are hereby irrevocably offered for dedication to the AGENCY by OWNER, free of charge and without expectation of any reimbursement or compensation. Upon approval of the construction thereof, the AGENCY may, at any time, accept title to same.

28. (A) DPW may, subject to paragraph (28)(B) below, provide routine and/or minor maintenance, and/or major repairs, and/or any other service, to the sewerage facilities provided for herein, and/or to the sewer lines, manholes, pretreatment systems, lateral sewers, pump stations and/or force mains, as well as to any and all equipment, appurtenances and/or facilities used in connection therewith, necessary, in the sole discretion of DPW, for the upkeep of same. OWNER shall pay for any such work done by DPW.

(B) Except in cases of emergency, DPW shall not undertake any of the work set forth in paragraph (28)(A) above unless OWNER fails to perform same after reasonable notice has been given by DPW. DPW shall have sole discretion in deciding what constitutes an "emergency" as that term is used in this paragraph.

29. No properties, parties, persons, corporations or other entities shall be permitted to connect to any sewerage facilities of OWNER, whether or not situate in, under or upon the PREMISES, nor to any sewerage facilities in, under or upon the PREMISES, whether or not owned by OWNER, without the written consent of the AGENCY. The provisions of this paragraph (29) do not pertain to the individual units which comprise the PREMISES herein.

30. (A) Subject to the execution of an agreement with OWNER acceptable to the AGENCY, which shall provide for
payment of consideration to OWNER for purchase and reservation of capacity in OWNER's sewage treatment plant in an amount acceptable to the AGENCY, and pending the formation of a County sewer district, the AGENCY shall be entitled to arrange for any one or more properties, parties, persons, corporations or other entities to connect to any sewerage facilities of OWNER, whether or not situated in, under or upon the PREMISES, or to any sewerage facilities in, under or upon the PREMISES, whether or not owned by OWNER. The cost of any such connection(s) shall be borne by the property, party, person, corporation or entity connecting. No portion of said cost shall be borne by OWNER. Nothing herein contained shall be construed as a grant of an easement or right of way on, over, under or through any portion of the PREMISES.

30. (B) OWNER shall be entitled to receive from any connecting entity a fair and reasonable charge for said entity's proportionate share of the operation and maintenance costs of the sewage treatment plant. Said charge shall be subject to the approval of the AGENCY.

31. Deleted.

32. This Agreement shall be recorded in the Office of the Clerk of the County of Suffolk and shall be binding upon the heirs, executors, administrators, successors and/or assigns of the parties hereto, including, but not limited to, subsequent owners of the PREMISES.

33. The parties hereto have duly executed this Agreement in counterparts, any one of which may be considered an original.

34. OWNER hereby irrevocably consents to the formation or extension of any County or Town sewer district to serve the sanitary sewage disposal needs of the PREMISES.

35. This Agreement may not be modified or repealed without the prior written consent of the AGENCY.

36. Reasonable written notice of any default by OWNER hereunder shall be given to OWNER. The failure of OWNER to cure any default hereunder within ten (10) days after notice thereof (or, where such default is not curable within ten (10) days, to commence the cure within ten (10) days and to complete the cure within a reasonable period of time), shall (a) constitute an automatic default under any bond(s) or letter(s) of credit posted hereunder by OWNER, and (b) entitle DPW and/or the AGENCY and/or the COUNTY to pursue all available remedies, hereunder or elsewhere, against OWNER.
and OWNER's surety or sureties, unless it is determined, in
the sole discretion of DPW, that OWNER has made a bona fide
attempt to cure said default.

37. OWNER warrants and represents that neither OWN-
ER nor any official, officer, employee, etc., of OWNER has
offered or given any gratuity to any official, employee or
agent of Suffolk County, New York State or any political par-
ty with the purpose or intent of securing an agreement or se-
curing favorable treatment with respect to the awarding or
amending of an agreement, or the making of any determinations
with respect to the performance of an agreement, and that OWN-
ER has read and is familiar with the provisions of Suffolk
County Local Law Number 32-1980, a copy of which is annexed
hereto and marked "Schedule D".

38. If any section, subsection, paragraph, clause,
phrase or provision of this Agreement shall, by a court of
competent jurisdiction, be adjudged or determined to be ille-
gal, unlawful, invalid or unconstitutional, the same shall
not affect the validity of this Agreement as a whole, or any
part or provision hereof, other than the part so adjudged or
determined to be illegal, unlawful, invalid or unconstitu-
tional.

39. OWNER warrants and represents that no Certifi-
cate of Occupancy shall be sought for the PREMISES, or for
any portion thereof, until such time as the sewage treatment
plant is completed and is operating to the satisfaction of
DPW.

40. The following schedules annexed hereto are
incorporated into and made a part of this Agreement, and
their provisions, conditions and requirements, which are to
be performed and complied with by OWNER, are to be given
the same force and effect as if fully set forth at length herein:

SCHEDULES ANNEXED AND PROVISIONS INCORPORATED

Schedule A - Copy of Deed to PREMISES
Schedule B - Local Law No. 24-1986
Schedule C - Insurance Requirements
Schedule D - Local Law No. 32-1980

41. OWNER warrants and represents that its execu-
tion of this Agreement has been authorized by its Board of Di-
rectors pursuant to a duly-adopted resolution.
42. Anything hereinbefore to the contrary notwithstanding, DFW and/or the AGENCY and/or the COUNTY shall give OWNER a minimum of ten (10) days notice prior to calling any Letter of Credit, or holding in default any bond, posted hereunder.

43. (A) Deleted.

(B) Subsequent to the issuance by the AGENCY of an S-9 form in connection with the PREMISES, (i) the filing of an insolvency or bankruptcy petition by OWNER, whether voluntary or involuntary, or (ii) the making by OWNER of an assignment for the benefit of creditors, shall be deemed to be an automatic and immediate default hereunder by OWNER.

44. Deleted.

45. (A) If, within three (3) years from the date hereof, OWNER has not (a) procured, from each and every municipality, department and/or agency having jurisdiction in or over the work to be performed by OWNER hereunder, any and all required permits and/or other authorizations for same, and (b) commenced construction upon the work provided for herein, then and in that event the staff of the AGENCY shall, in its sole discretion, determine, in writing, whether to (1) continue this Agreement in full force and effect and permit OWNER to proceed hereunder, (2) cancel this Agreement, or (3) refer the matter to the AGENCY.

(B) In the event that the staff of the AGENCY determines to continue this Agreement in full force and effect and permit OWNER to proceed with construction of the work provided for herein, this Agreement shall be continued for a period of twelve (12) months. In the event that construction has not commenced, as outlined in subparagraph (A) above, within said twelve (12) months, this Agreement shall be cancelled and the provisions of subparagraphs (C)(1), (C)(2) and (C)(3) below shall control.

(C) In the event that the staff of the AGENCY determines to cancel this Agreement:

(1) this Agreement shall be cancelled and shall be null and void, and no party hereto shall have any rights against, or liabilities to, any other party as a result hereof;

(2) any bond or letter of credit furnished or posted by OWNER in connection with the work provided for herein shall be released; and
(3) any sum or sums of money posted by OWNER in connection with the work provided for herein shall be utilized to pay any and all costs or expenses incurred by DPW and/or the AGENCY and/or the COUNTY in connection with this Agreement; after the payment of any and all such costs or expenses, any remaining sum shall be returned to OWNER.

(D) In the event that the staff of the AGENCY determines to refer the matter to the AGENCY, the matter shall be placed on the agenda of the AGENCY’s next meeting, at which meeting the AGENCY shall determine whether to (1) continue this Agreement in full force and effect and permit OWNER to proceed hereunder, (2) provide new and/or different terms and/or conditions for this Agreement and allow OWNER to proceed hereunder under such new and/or different terms, or (3) cancel this Agreement.

46. (A) The AGENCY or DPW shall determine, in its sole discretion, the amount and the location of acreage of the PREMISES necessary for the construction and operation, including recharge, of the sewage treatment plant to be constructed by OWNER pursuant to this agreement. OWNER shall allocate the said amount of acreage, in the said location, accordingly.

(B) The AGENCY or DPW shall determine, in its sole discretion, the amount and the location of acreage of the PREMISES necessary to allow for (i) a 100% expansion of the sewage treatment plant, and (ii) a 100% expansion of the recharge area. OWNER shall allocate the said amount of acreage, in the said location, accordingly, and shall, at OWNER’s sole cost, expense and effort, irrevocably offer same for dedication to the AGENCY.

(C) OWNER shall have the right to charge all users of the sewage treatment plant for the operation and maintenance of same. Any and all such charges shall be subject to approval by the AGENCY. OWNER’s right to collect such charges shall terminate at such time, if ever, as the AGENCY and/or DPW and/or the COUNTY accepts dedication of the plant.

47. This agreement is subject to the approval of each and every governmental entity having jurisdiction in or over the matter. OWNER shall, at OWNER’s sole cost, expense and effort, comply with each and every requirement of any such governmental entity.
IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement on the date hereinabove set forth:

INSURANCE REQUIREMENTS

OWNER shall save, indemnify and hold harmless the DISTRICT, DPW, the AGENCY and the COUNTY, and any and all of their departments, agencies, bureaus, employees, personnel, agents and representatives, from and against any and all loss or expense, including attorneys fees, by reason of any liability imposed by law upon any of them, except in cases of their negligence, for any damages or claim for damages arising out of, or in consequence of or in connection with, this Agreement and/or OWNER's connection to, and/or use of, the sanitary sewerage facilities of the DISTRICT, including, but not limited to, bodily injury, including death at any time resulting therefrom, sustained by any person or persons, or on account of damage to property, whether such injury to persons or damage to property is due or claimed to be due to any passive negligence, or any act or omission, intentional or otherwise, of the DISTRICT, DPW, the AGENCY or the COUNTY, or any combination of them, and/or any of their departments, agencies, bureaus, employees, personnel, agents or representatives. It is further understood and agreed that OWNER shall, at the option of the DISTRICT and/or DPW and/or the AGENCY and/or the COUNTY, defend any of the entities indemnified hereunder with appropriate counsel and shall further bear all costs and expenses, including the expense of counsel, in the defense of any action or proceeding arising hereunder.

OWNER shall procure and maintain, at OWNER's sole cost, expense and effort, and without expense to the DISTRICT, DPW, the AGENCY or the COUNTY, until final approval by the DISTRICT of the construction covered by this Agreement, insurance for liability for damages imposed by law, of the kinds and in the amounts hereinafter provided, in insurance companies authorized to do business in the State of New York, covering all operations under this Agreement whether performed by OWNER or by a contractor or subcontractor or by any other person or entity. Prior to the commencement of construction of any sewerage facilities, OWNER shall furnish to the DISTRICT a certificate or certificates of insurance, in form satisfactory to the DISTRICT, showing that OWNER has complied with the requirements set forth herein, which certificate or certificates shall provide that the policies of insurance provided for herein shall not be changed or cancelled unless and until thirty (30) days written notice has been given to the DISTRICT.
OWNERS AND CONTRACTORS PROTECTIVE POLICY

OWNER shall procure and maintain, at OWNER's sole cost, expense and effort, a standard form of an Owners and Contractors Protective Policy, in the name of the County of Suffolk, with the limits of ONE MILLION AND NO/100THS ($1,000,000.00) DOLLARS minimum per occurrence. Said policy shall include a provision specifically including coverage for explosion, collapse and underground property damage (XCU).
Schedule D
Suffolk County Local Law No. 32-1980
RESOLUTION NO. 1118-1980, ADOPTING LOCAL LAW NO. 32: YEAR 1980, A LOCAL LAW CONCERNING THE OFFERING, GIVING OR RECEIVING OF A GRATUITY TO OR BY AN OFFICIAL OF A POLITICAL PARTY.

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on December 9, 1980, a proposed local law entitled "A LOCAL LAW CONCERNING THE OFFERING, GIVING OR RECEIVING OF A GRATUITY TO OR BY AN OFFICIAL OF A POLITICAL PARTY," and said local law in final form is the same as when presented and introduced; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 32: YEAR 1980, SUFFOLK COUNTY, NEW YORK

LOCAL LAW CONCERNING THE OFFERING, GIVING OR RECEIVING OF A GRATUITY TO OR BY AN OFFICIAL OF A POLITICAL PARTY.

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK AS FOLLOWS:

Section 1. Definitions.

(a) As used herein, the word "agreement" means any written or oral contract, or any implied contract, including, but not limited to, a contract for the sale of goods or services, a construction contract or a lease or contract relating to real or personal property. The term "agreement" shall also include any transaction whereby a person agrees to sell goods or services or both to the County pursuant to a successful bid.

(b) As used herein, the word "gratuity" means any money, benefit, entertainment, gift, or any other consideration whatsoever.

(c) As used herein, the phrase "official of a political party" shall mean a party officer as defined by Section 1-104(5) of the Election Law.

(d) As used herein, the word "person" means any individual, partnership, firm, corporation, or other legal entity, as well as their employees, agents or representatives.

(e) As used herein, the phrase "political party" shall mean a party as defined by Section 1-104(3) of the Election Law.
Section 2. Prohibitions.

(a) It shall be a crime for any person to offer or give any gratuity to an official of any political party, with the purpose or intent of securing or obtaining an agreement with the County of Suffolk, securing favorable treatment with respect to the awarding or amending of such agreement, or the making of any determination with respect to the performance of an agreement.

(b) It shall be a crime for an official of a political party to solicit, receive or accept a gratuity in connection with securing or obtaining an agreement with the County of Suffolk, securing favorable treatment with respect to the awarding or amending of such agreement, or the making of a determination with respect to the performance of such agreement.

Section 3. Mandatory Contract Clause. In all agreements with the County of Suffolk, made after the effective date of this Law, there shall be a written representation by the person entering the agreement with the County that he has not offered or given any gratuity to any official, employee or agent of Suffolk County, New York State, or of any political party, with the purpose or intent of securing an agreement or securing favorable treatment with respect to the awarding or amending of an agreement, or the making of any determinations with respect to the performance of an agreement, and that such person has read and is familiar with the provisions of this Local Law.

Section 4. Penalties.

(a) Criminal. A violation of Section 2 of this Local Law shall be a Class A misdemeanor and shall be punishable by a sentence of not more than one (1) year in prison or a fine of not more than one thousand dollars, or by both such fine and imprisonment.

(b) Civil Remedies. A violation of Section 2 or 3 of this Local Law shall give the County the option, among other civil remedies, of either terminating the agreement or deducting the value of the gratuity from any amount due or to become due from the County thereunder.

Section 5. Exceptions. This Local Law shall not apply to contributions to political parties, committees or candidates as defined by Section 14-100(15) of the Election Law. Such contributions shall be excluded from and shall not be in violation of this Local Law.

Section 6. Separability. If any part of this Local Law shall be declared unconstitutional by any Court, such declaration shall not affect the constitutionality of any other part.

Section 7. This Law shall take effect immediately.

INTRODUCTION

In accordance with Chapter 254 of the County Law and by Resolutions No. 494-1965 and No. 518-1965, the Suffolk County Board of Supervisors formed the Suffolk County Sewer Agency in September 1965. The County Legislature, as the successors to the Board of Supervisors, by Resolution No. 407-1970, authorized the Chairman of the Agency to execute agreements with subdividers and developers. Thereafter, by Resolution No. 212-1973, the County Legislature again directed the Agency, with the assistance of the Department of Environmental Control acting as its staff, to prepare the necessary maps, plans, specifications and other relevant material for the formation, extension or improvement of County sewer districts.

Therefore, in accordance with those resolutions and pursuant to Article 5A of the County Law, the Agency has caused the Department of Public Works, as the successors to the Department of Environmental Control, to prepare and herewith respectfully submit the necessary information and data relating to the formation of Suffolk County Sewer District No 4 – Smithtown Galleria.

The Suffolk County Department of Public Works, Suffolk County Sewer Agency and the County of Suffolk entered into a contract with DiCanio Residential Communities, Inc., Smithtown Galleria Corp. and Galleria Environmental Corp. on November 26, 1990 (Exhibit A). This contract contains, among other things, the commitment by the developer to
construct wastewater collection, treatment and disposal facilities for a development known as Smithtown Galleria and offer these facilities at no cost to the County, or its nominee. This agreement is recorded against the property and is binding upon all subsequent owners. In the agreement is a provision, which consents to the formation of a County sewer district encompassing the property covered by the agreement.

The Smithtown Galleria project consists of 187 townhouse units (Windcrest at the Galleria), 42 single family homes (Galleria Heights and Coventry Village at the Galleria), 312 apartment units, a CVS pharmacy and a day care center.

DISTRICT POPULATION

Using 3.5 persons per townhouse unit, single family home and apartment unit larger than 1200 SF and 2.5 persons for each apartment unit less than 1200 SF, it is estimated that the total population of the district is 1735 persons, or 551 single family equivalents (SFE).

GENERAL BOUNDARY DESCRIPTION

The proposed district is situated in the central portion of the Town of Smithtown in the hamlet of Smithtown. Including the sewage treatment plant site, the proposed district will consist of approximately 81 acres.

The proposed district is bounded on the south by Port Jefferson - Nesconset Highway (NYS Route 347), on the east and the north by single family homes, and on the west by Terry Road.
A metes and bounds description of the proposed district is included in this report as Exhibit C, and the map of the proposed district is appended hereto as Exhibit D.

WASTEWATER TREATMENT FACILITIES

The wastewater treatment plant was designed and constructed to accommodate 178,000 gpd.

The collection system within the district boundary and within public roads will be accepted for dedication. Where necessary, and as provided for by the existing Agency agreement, easements will be granted for any portion of the collection system not within public roads.

CAPITAL COSTS

No capital costs will be incurred in connection with the formation of this proposed sewer district; and, therefore, there will be no bond issue.

PROPOSED FINANCIAL PLAN AND COSTS TO HOMEOWNERS

A. Federal and State Aid

There is no expectation of receipt of Federal or State funds for the formation of this district.

B. Preliminary User Charges

1. Present Charges: Presently, and until the formation of the district is accomplished, the allocated operation and maintenance costs will continue to be paid to the developer by the present users under the terms of the existing agreement.
2. District Charges: The Environmental Protection Agency regulations require that any sewer district formed in Suffolk County after December 27, 1977 must charge the users based upon actual use, and not ad valorem. Therefore, the district will be formed pursuant to Section 266 of the County Law of the State of New York, and thus make a flat annual sewage charge to the users for the calendar year 2002, or fraction thereof.

C. Annual Operation and Maintenance Costs and Charges

The net operation and maintenance budget for 2002 is $259,470. The proposed district, when fully developed, will consist of condominiums, single family homes, residential apartments, retail and office buildings, which will all share equally on a per unit of flow basis in the annual costs of operation and maintenance. Each residential unit will be billed every three months which, together with the per unit basis, is consistent policy with every other non-ad valorem County sewer district. Commercial units are billed annually. It is estimated that each residential user will pay $470 a year, while industrial/commercial users will pay a per gallon charge plus any appropriate industrial waste fee (See Exhibit B).
TAXABLE AND NON-TAXABLE REAL PROPERTY IN THE DISTRICT

There are no state lands or non-taxable properties in the proposed district with the exception of the improvements on the sewage treatment plant site.

The proposed district is within the unincorporated area of the Town of Smithtown and is within School District No. 1. The average assessments in the proposed district, as well as the latest available schedule of taxes levied against properties within the proposed district, are set forth in the following table:

RECOMMENDATIONS, COMMENTS AND FINDINGS

A. The formed district will result in fulfilling the intent of the contracts between the developer, the Suffolk County Sewer Agency, et al.

B. It is recommended that the formation of the district be accomplished pursuant to the provisions of Article 5A of County Law and that the cost be assessed, levied and collected in accordance with the provisions of Section 266 thereof.

C. It is recommended that the Commissioner of the Suffolk County Department of Public Works be appointed the Administrative Head of Sewer District No. 4 – Smithtown Galleria in compliance with Article VIII, Section 8001, of the Suffolk County Charter.

D. Finally, it is recommended that this report be made the subject of a public hearing on the proposal at the earliest possible date.

Respectfully submitted,

Charles J. Bartha, PE.
Commissioner of the Suffolk County Department of Public Works,
Chairman of the Suffolk County Sewer Agency and Administrative Head of All Suffolk County Sewer Districts

RESOLUTION NO. 1403 -2004, A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS UPON A PROPOSAL TO FORM SUFFOLK COUNTY SEWER DISTRICT NO. 4 – SMITHTOWN GALLERIA IN THE TOWN OF SMITHTOWN

WHEREAS, Resolution No. 179-2003 was adopted on March 11, 2003 and signed by the County Executive on March 27, 2003, and amended by Resolution 520-2004 adopted on May 11, 2004 and signed by the County Executive on May 14, 2004; and

WHEREAS, when adopted, Resolution No. 179-2003, as amended by Resolution 520-2004, contained an error in that pursuant to section 256 of the NEW YORK COUNTY LAW, the resolution should have been made subject to a permissive referendum; and

WHEREAS, it is now desired to rescind Resolution 179-2003, as amended by Resolution 520-2004; and

WHEREAS, the County Legislature of the County of Suffolk, New York, duly adopted Resolution No. 212 of 1973, on March 27, 1973, and approved by the County Executive on March 27, 1973, pursuant to Section 253 of the NEW YORK COUNTY LAW, directing the Suffolk County Sewer Agency (the "Sewer Agency") to prepare maps and plans and a report in accordance with such section in relation to the formation of County sewer districts; and

WHEREAS, the Sewer Agency passed Resolution No. 27 of 2002 approving the maps and plans and report prepared by the Sewer Agency staff and authorized further necessary proceedings in connection with the formation of Suffolk County Sewer District No. 4 – Smithtown Galleria (the "District") for the developments known as Smithtown Galleria, Galleria Heights, and miscellaneous lots, located in the hamlet of Smithtown in the Town of Smithtown; and

WHEREAS, the Sewer Agency has duly caused such maps and plans to be prepared and has transmitted them to the County Legislature, together with a report of its proceedings and its recommendations in accordance with Section 254 of the NEW YORK COUNTY LAW; and

WHEREAS, the County Legislature did, pursuant to Section 254 of the NEW YORK COUNTY LAW, duly adopt Resolution No. 949-2002 Calling for a Public Hearing at the County Center in Riverhead/Hauppauge, New York, on November 19, 2002, upon a proposal to form said County sewer district, to comprise the area described and defined in said maps and plans; and

WHEREAS, the Clerk of the Legislature did duly cause a Notice of Public Hearing to be published at least once in each of the office newspapers of the County, all in the manner and within the time provided by law and proof thereof has been presented to the County Legislature; and

WHEREAS, every entity within the proposed District was notified of the Public Hearing by United States Postal Service regular mail; and

WHEREAS, the Public Hearing was duly held at the time and place aforesaid, at which time all parties therein were duly heard; and

WHEREAS, the County Legislature has duly considered the evidence given at said Public Hearing; and

WHEREAS, this action is related to routine administration and management in accordance with the NEW YORK CODE OF RULES AND REGULATIONS, Volume 6 Sections 617.5(c)(20) and (27), and therefore is determined to be a Type II action requiring no further action; now, therefore, be it
RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1: Resolution No. 179-2003, as amended by Resolution 520-2004, is hereby rescinded.

Section 2: Upon evidence provided at the public hearing and after due consideration of the maps, plans, report and recommendations and data filed with it by the Sewer Agency, that it is in the public interest to form a new sewer district pursuant to Section 271 of the NEW YORK COUNTY LAW substantially in accordance with the maps, plans, report and recommendations of the Sewer Agency, that the facilities within the proposed District are adequate and appropriate, that all of the property owners in the proposed District are benefited by the formation of the proposed District, and that all of the property and property owners benefited by the formation of the proposed District are included within the limits of the proposed District.

(a) The Legislature, being the SEQRA Lead Agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Sections 617.5(c)(20) and (27) of Volume 6 of the NEW YORK CODE OF RULES AND REGULATIONS.

Section 3: The establishment of the proposed sewer district to be designated and known as: “Suffolk County Sewer District No. 4 – Smithtown Galleria”, is hereby approved.

Section 4: Suffolk County Sewer District No. 4 – Smithtown Galleria will comprise an area lying within the Town of Smithtown, more particularly bounded and described as follows:

All that certain plot, piece or parcel of land, situate, lying and being at Smithtown, in the Town of Smithtown, County of Suffolk, and being more particularly bounded and described as follows:

Enclosure
RESOLUTION NO. 1403 -2004, A RESOLUTION
MAKING CERTAIN FINDINGS AND DETERMINATIONS
UPON A PROPOSAL TO FORM SUFFOLK COUNTY
SEWER DISTRICT NO. 4 – SMITHTOWN GALLERIA IN
THE TOWN OF SMITHTOWN

WHEREAS, Resolution No. 179-2003 was adopted on March 11, 2003 and
signed by the County Executive on March 27, 2003, and amended by Resolution 520-2004
adopted on May 11, 2004 and signed by the County Executive on May 14, 2004; and

WHEREAS, when adopted, Resolution No. 179-2003, as amended by Resolution
520-2004, contained an error in that pursuant to section 256 of the NEW YORK COUNTY LAW,
the resolution should have been made subject to a permissive referendum; and

WHEREAS, it is now desired to rescind Resolution 179-2003, as amended by
Resolution 520-2004; and

WHEREAS, the County Legislature of the County of Suffolk, New York, duly
adopted Resolution No. 212 of 1973, on March 27, 1973, and approved by the County
Executive on March 27, 1973, pursuant to Section 253 of the NEW YORK COUNTY LAW,
directing the Suffolk County Sewer Agency (the “Sewer Agency”) to prepare maps and plans
and a report in accordance with such section in relation to the formation of County sewer
districts; and

WHEREAS, the Sewer Agency passed Resolution No. 27 of 2002 approving the
maps and plans and report prepared by the Sewer Agency staff and authorized further
necessary proceedings in connection with the formation of Suffolk County Sewer District No. 4 –
Smithtown Galleria (the “District”) for the developments known as Smithtown Galleria, Galleria
Heights, and miscellaneous lots, located in the hamlet of Smithtown in the Town of Smithtown;
and

WHEREAS, the Sewer Agency has duly caused such maps and plans to be
prepared and has transmitted them to the County Legislature, together with a report of its
proceedings and its recommendations in accordance with Section 254 of the NEW YORK
COUNTY LAW; and

WHEREAS, the County Legislature did, pursuant to Section 254 of the NEW
YORK COUNTY LAW, duly adopt Resolution No. 949-2002 Calling for a Public Hearing at the
County Center in Riverhead/Hauppauge, New York, on November 19, 2002, upon a proposal to
form said County sewer district, to comprise the area described and defined in said maps and
plans; and

WHEREAS, the Clerk of the Legislature did duly cause a Notice of Public
Hearing to be published at least once in each of the office newspapers of the County, all in the
manner and within the time provided by law and proof thereof has been presented to the County
Legislature; and
WHEREAS, every entity within the proposed District was notified of the Public Hearing by United States Postal Service regular mail; and

WHEREAS, the Public Hearing was duly held at the time and place aforesaid, at which time all parties therein were duly heard; and

WHEREAS, the County Legislature has duly considered the evidence given at said Public Hearing; and

WHEREAS, this action is related to routine administration and management in accordance with the NEW YORK CODE OF RULES AND REGULATIONS, Volume 6 Sections 617.5(c)(20) and (27), and therefore is determined to be a Type II action requiring no further action; now, therefore, be it

RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1: Resolution No. 179-2003, as amended by Resolution 520-2004, is hereby rescinded.

Section 2: Upon evidence provided at the public hearing and after due consideration of the maps, plans, report and recommendations and data filed with it by the Sewer Agency, that it is in the public interest to form a new sewer district pursuant to Section 271 of the NEW YORK COUNTY LAW substantially in accordance with the maps, plans, report and recommendations of the Sewer Agency, that the facilities within the proposed District are adequate and appropriate, that all of the property owners in the proposed District are benefited by the formation of the proposed District, and that all of the property and property owners benefited by the formation of the proposed District are included within the limits of the proposed District.

(a) The Legislature, being the SEQRA Lead Agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Sections 617.5(c)(20) and (27) of Volume 6 of the NEW YORK CODE OF RULES AND REGULATIONS.

Section 3: The establishment of the proposed sewer district to be designated and known as: "Suffolk County Sewer District No. 4 – Smithtown Galleria", is hereby approved.

Wastewater Treatment Plant Inspection Memos (2007 & 2009)
TO:       File
FROM:    Ben Wright, P.E.
SUBJECT: Proposed Sewer District 4 – Galleria
DATE:    April 4, 2007

Paul Andres and I met the operator of Galleria on March 26th for the purpose of inspecting the facility prior to a public information meeting. We reviewed the 2005 inspection report in order to compare the condition over the past 18 months. The major issues that would involve improvements prior to the formation of the District include the influent pump station and forcemain, the hydraulics between SBR systems and then controls, and the inadequate filtration system that is installed. Other minor items do not require immediate attention.

It is expected that the influent pump station should have both pumps replaced with larger units. In addition, the 6" forcemain might be increased to 8" diameter. Under present conditions both pumps are required to convey sewage to the treatment system even though the highest average daily flow is in the vicinity of 125,000 gpd.

The current distribution of pumped influent to the SBR’s require throttling of valves in an attempt to balance the flow. This procedure is not successful and requires an evaluation and piping modification. Even though the in-balance exists, the SBR’s were noted to be at levels suggesting that additional capacity will be available in the system. This additional capacity, however, may be due to the influent flows being 70% of design average flows. Additionally the EFD interface/DO control was not usable.

The Parkson filters have not worked properly and regardless of the efforts of the operator and manufacturer, the recommendation is to replace the filter with different units.
Based on the above, the cost associated with these improvements is estimated to be:

1). Pumping System - $50,000  
2). SBR Hydraulic Balancing - $10,000  
3). Effluent Filter Replacement - $250,000

We do expect that the Capital funding associated with the system should have $310,000 available to make these improvements.

MEMORANDUM

FROM: Ben Wright, P.E., Chief Engineer

RE: Proposed Sewer District No. 4 – Galleria

DATE: November 13, 2009

A number of inspections have been made over the past 4 years due to the pending sewer district formation. The inspection during October 2009 reflected little changes to the April 4, 2007 memo and the 2005 inspection report on the facility. The major issues that remain a concern prior to the formation of the district are the influent pump station and forcemain, the hydraulics of the SBR system, and the inadequate filtration system. Based on the most recent inspection, the April 4, 2007 letter which has more details would apply. The 2007 estimates of $310,000 would require an increase due to inflation and, therefore, it is expected that the capital funding to make the major repairs of those three items should be estimated at $350,000.

Assessment Stabilization Reserve Fund (ASRF)
Assessment Stabilization Reserve Fund

Resolution No. 110-1998 adopted Local Law No. 35-1999, establishing a “Common Sense Tax Stabilization Plan for Sewers, Environmental Protection, and County Taxpayers.” The program provides long-term sewer district tax rate stabilization for both debt service and operation and maintenance costs.

Resolution No. 650-2000 re-imposed an additional one-quarter percent sales tax for the period beginning December 1, 2000, through December 31, 2013. An extension of this program was adopted in 2007 and allocated 25% of the additional sales tax to an Assessment Stabilization Reserve Fund (ASRF) for sewers through 2030.

Two funds exist, the ASRF for the smaller districts (Fund 404) and the Southwest Sewer District (Sewer District 3) (Fund 405).

The intent of the ASRF is to stabilize sewer district tax rates beyond 2030 and to protect taxpayers in sewer districts from significant rate increases in a single budget year. Increases above 3% allow the ASRF to be utilized. The use of the Assessment Stabilization Reserve Fund therefore, limits the impact of any capacity project to 3%.

Newly created sewer districts must have their actual costs established over at least a three year prior to being eligible for the current 3% cap afforded through the ASRF.

Methodology for Calculation of Sewer District Usage Charges
Methodology for Calculation of Sewer District Usage Charges

The charge back system established by the Department of Public Works is an efficient and cost effective method of calculating the operating costs for all County sewer districts. Other more elaborate systems could be developed that would track expenses in more detail; however they would also be more costly to operate and maintain. Those additional costs would also have to be passed onto the sewer users.

The following is a narrative explanation of those expenses apportioned to the districts based on their percentage of direct labor costs.

**Personnel Services**

Only the SWSD’s operating budget contains a budget line for personnel. All other sanitation labor is paid out of Fund 261 and then charged back to the various districts based upon methods as detailed below:

**Direct Labor:** Employees working in the field are required to track the amount of time that they spend at each sewer district. This information is recorded on their “blue sheets” and submitted with their official time sheets. The information on their “blue sheets” is entered into a database and the actual cost of time spent at each district is calculated. The percentage of total direct labor expenses charged to each sewer district is used as the basis for distributing many other Fund 261 expenses.

**Objectionable Hazardous Waste Monitoring:** All costs incurred relating to this program are billed separately to commercial properties based upon their water use. They are not included in the chargeback allocations.

**Lab Personnel:** These costs are allocated to the districts based upon the actual number of lab tests performed for each of the districts. They are not included in the chargeback allocations.

**Labor included in Administrative Overhead:** All labor costs not specifically identifiable as being related to a particular sewer district are allocated to the sewer districts through the chargeback system. There are administrative salaries in this category and time paid, but not worked. Time paid but not worked would include holiday pay, sick time and Workers’ Compensation.

**Summary of Personnel Services**

There was $10,545,732 of personnel costs incurred during 2007 in Fund 261. Of that amount $6,446,251 was for labor costs specifically identifiable to the sewer districts. The balance of $4,099,481 which is included in the chargeback costs consists of $2,474,983 for administrative salaries and $1,624,498 for time paid but not worked.

**Total personnel costs allocated to SD# 4 were $81,990.**

- Direct Labor – Other $32,490
- Sanitation Administration $49,500
Operating Expenditures
Actual operating expenses incurred in Fund 261 during 2007 that were not specifically identifiable to a sewer district, were apportioned to all sewer districts, base on the percentage of total direct labor expenses charged to each sewer district. These include costs such as service charges on beepers and Nextel phones, the rental and the cleaning of uniforms, the purchase of tools and miscellaneous supplies used by employees working in the field, and Administrative Office operating costs such as photocopy rental fees, memberships, subscriptions, and research and law books.

Operating expenses for Fund 261 totaled $2,525,968. Of the amount $1,396,351 was for sludge removal and was charged directly to the districts that incurred the cost. An additional $33,665 of operating costs associated with the Lab was not included in the calculation of the chargebacks. In total $1,095,952 was charged back to the districts.

Total operating costs allocated to SD# 4 was $21,919.

Fringe Benefits
This category includes all payments from Fund 261 for Social Security and Unemployment Insurance in addition to contributions to the NYS Retirement System, Employee Medical Health Plan and Employee Benefits Fund.

There was $4,629,015 of fringe benefit costs incurred during 2007 in Fund 261. Of that amount $2,965,347 was for direct labor costs. There was $1,086,430 of fringe benefit costs relating to administrative salaries. In addition, there was $577,238 that was allocated and charged back separately.

Total fringe benefits allocated to SD# 4 was $81,036.

| Direct Labor – Fringe | $59,307 |
| Administrative- Fringe | $21,729 |

Interfund Transfers
Costs incurred by the County in the operation of Fleet Services and the Self Insurance program are apportioned to all County departments. The portion that is charged to Fund 261 is an operating expense of the Fund that is distributed to the districts.

- Fund 16 – Fleet Services
  Costs relating to the operation and maintenance of the vehicles assigned to every County department are tracked by Fleet Services based upon Fund and fleet numbers. This includes the cost of gasoline, parts for repairs and maintenance and labor costs, calculated based upon the rate of pay earned by the mechanic working on the vehicle. The cost of operating Fund 261’s fleet is charged back to the sewer districts based upon their percentage of total labor costs.

- Fund 38 – Self Insurance
  The County is self insured. All costs incurred by Insurance and Risk Management are distributed among all County departments based upon the
number of employees on staff. Self Insurance costs charged to Fund 261 are charged back to the sewer districts based upon their percentage of total labor costs.

The following are costs incurred by Public Works that are apportioned as follows:

- **Fund 259 – Bldg/ San Admin**
  Operating expenses of the Commissioner's Office, Personnel, Finance and DPW Purchasing are charged back to all of the Divisions of the Department. The portion of this cost that is allocated to Fund 261 is apportioned among all of the sewer districts based upon their percentage of total labor costs.

- **Fund 525 – Capital**
  Capital project number 8164 was created for the purchase of heavy equipment for sanitation. Each year funds from the operating budget are transferred to this capital project, creating a reserve to be used for the purchase of heavy equipment when needed. Funding the project in this way avoids large increases in costs in years when such purchases are made and avoids incurring finance charges, thereby saving the rate payers money. This cost is apportioned among all of the sewer districts based upon their percentage of total labor costs.

**Total interfund transfers allocated to SD# 4 was $ 97,406**

RESOLUTION NO. 2010, AMENDING THE 2010 CAPITAL BUDGET AND PROGRAM AND APPROPRIATING FUNDS IN CONNECTION WITH REHABILITATION OF SMITH POINT BRIDGE, TOWN OF BROOKHAVEN (CP 5838)

WHEREAS, the Commissioner of Public Works has requested funds for construction in connection with the Rehabilitation of Smith Point Bridge; and

WHEREAS, sufficient funds are not included in the 2010 Capital Budget and Program to cover the cost of said request and pursuant to Suffolk County Charter, Section C4-13, an offsetting authorization must be provided from another capital project; and

WHEREAS, Resolution No. 471-1994 and as amended by Resolution No. 461-2006 has established a priority ranking system as the basis for funding Capital Projects such as this project; and

WHEREAS, the County Legislature, by resolution of even date herewith, has authorized the issuance of $2,100,000 in Suffolk County Serial Bonds; now, therefore, be it

1st RESOLVED, that this Legislature, being the lead agency under the State Environmental Quality Review Act (“SEQRA”), Environmental Conservation Law Article 8, pursuant to Resolution No. 849-2009, has determined that this law constitutes a Type II action pursuant to Section 617.5 (C), (1), (2), and (7) of Title 6 of New York Code of Rules and Regulations (“NYCRR”), in that the law authorizes replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site. Since this law is a Type II action, the Legislature has no further responsibilities under SEQRA; and be it further

2nd RESOLVED, that it is hereby determined that this project, with a priority ranking of fifty-seven (57) is eligible for approval in accordance with the provisions of Resolution No. 471-1994 as revised by Resolution No. 461-2006; and be it further

3rd RESOLVED, that the County Department of Public Works is hereby authorized, empowered and directed to take such action as may be necessary to complete the Rehabilitation of Smith Point Bridge, pursuant to Section C8-2 (A) of the Suffolk County Charter; and be it further

MEMORANDUM

TO: Ken Crannell, Deputy County Executive
FROM: James K. Peterman, P.E., Chief Deputy Commissioner
DATE: September 27, 2010
RE: Amending the 2010 Capital Budget and Program and Appropriating Funds in Connection with Rehabilitation of Smith Point Bridge, Town of Brookhaven (CP 5838)

Attached is a draft resolution and duplicate copy to appropriate the sum of $2,100,000 for construction in connection with the above referenced project. This project was let for construction in September of this year. We received bids from three contractors which were very competitive and found to be balanced, however, due to this bridge consisting of specialized components of the bascule span and numerous bearings requiring rehabilitation throughout the entire length of the bridge, as well as cleaning and painting of the structural steel, bids came in over the amount of funding presently available.

There are no funds included in the 2010 Capital Budget and Program for this project and, as such, an offset must be provided. It is our intention to utilize the following as offsets:

- CP 5097 (Reconstruction of CR 17, Wheeler Road from CR 100, Suffolk Avenue to Bretton Road) was moved up into the 2009 Capital Budget and Program
- CP 5168 (Rehabilitation of CR 11, Pulaski Road from Oakwood Road to Depot Road) was determined to not require right-of-way acquisition
- CP 5538 (Reconstruction of CR 13, Fifth Avenue from NYS Route 27A, Montauk Highway to Spur Drive North) has been rescheduled for 2011 due to the need for additional funding exceeding the original estimates
- CP 5200 (Dredging of Carman’s River) has been rescheduled for 2011 due to pending permit approval (dependent upon identification of a disposal site by the Town of Brookhaven)
- CP 5054 (Traffic Signal Design) will not require the entire proposed 2010 amount

There are funds remaining within these Capital Programs to offset this request.

The Suffolk County Council on Environmental Quality has reviewed projects of this type and determined they constitute a Type II action in that the law authorizes replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site. Since this law is a Type II action, the Legislature has no further responsibilities under SEQRA.
An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title “Reso-DPW-CP5838.doc”.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO STRENGTHEN THE SOCIAL HOST LAW IN SUFFOLK COUNTY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010, a proposed local law entitled, "A LOCAL LAW TO STRENGTHEN THE SOCIAL HOST LAW IN SUFFOLK COUNTY" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO STRENGTHEN THE SOCIAL HOST LAW IN SUFFOLK COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that underage drinking continues to be a problem in Suffolk County and throughout the nation.

This Legislature also finds and determines that Local Law No. 35-2007, codified in Chapter 214 of the SUFFOLK COUNTY CODE, makes it illegal for adults to knowingly allow minors to consume alcohol at their homes.

This Legislature finds that, despite the enactment of Local Law 35-2007, some parents in Suffolk County continue to allow their teenage children and friends to consume alcohol in their homes.

This Legislature determines that the penalties for violating this law should be increased to emphasize the serious nature of the crime and deter parents and other adults from engaging in this dangerous behavior.

Therefore, the purpose of this law is to amend Chapter 214 of the SUFFOLK COUNTY CODE to enhance the penalties against adults who knowingly allow minors to consume alcohol in private residences in Suffolk County.

Section 2. Amendments.

Chapter 214 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Chapter 214. ALCOHOLIC BEVERAGES

****

Article III, Social Hosts.

A violation of § 214-14 of this article shall be punished as follows:

A. First offense: Any person who violates § 214-14 of this article shall be guilty of a violation punishable by a fine not to exceed [$250] five hundred dollars ($500.00), where such violation constitutes the person’s first offense.

B. Second and subsequent offenses: Any person who violates §214-14 of this article shall be guilty of an unclassified misdemeanor [violation] punishable by a fine [of not less than $250 nor more than $500 where such violation constitutes the person’s second offense] not to exceed one thousand dollars ($1,000.00), a term of imprisonment not to exceed one year, or both.

[C. Third and subsequent offenses: Any person who violates §214-14 of this article shall be guilty of an unclassified misdemeanor punishable by a fine not to exceed $1,000, a term of imprisonment not to exceed one year, or both.]

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.
Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Suffolk County’s social host law holds adults responsible for knowingly allowing minors to consume alcohol in their homes. This proposed local law would increase the penalties for violating the social host law, increasing the fine for a first offense to $500 and making all subsequent offenses an unclassified misdemeanor punishable by a fine of up to $1,000 and/or one year in jail.

This law will take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, AUTHORIZING USE OF SMITH POINT PARK PROPERTY BY GETCO COMPANY, BETWEEN THE PORTS AND EVENT POWER, LONG ISLAND, FOR A TRIATHLON

WHEREAS, the Getco Company, Between the Ports and Event Power (Organizations) would like to use Smith Point Park for the purpose of a Triathlon to benefit various charitable organizations in Suffolk County; and

WHEREAS, the Triathlon would be held on Sunday, August 7, 2011 between the hours of 6:00 a.m. and 1:00 p.m.; and

WHEREAS, the County of Suffolk shall receive consideration in the total amount of Four Hundred Dollars ($400.00), payment of which shall be guaranteed by the Organizations; and

WHEREAS, a Certificate of Insurance and accompanying declaration page naming Suffolk County as an additional insured will be provided by Event Power; now, therefore be it

1st RESOLVED, that the use of County-owned property, Smith Point Park in Shirley, by Getco Company, Between the Ports and Event Power, in consideration of the payment of Four Hundred Dollars ($400.00), for the purpose of holding a Triathlon on Sunday, August 7, 2011, between the hours of 6:00 a.m. and 1:00 p.m. is hereby approved pursuant to Section 215(1) of the NEW YORK COUNTY LAW, subject to the receipt of a Certificate of Insurance and accompanying declaration page naming Suffolk County as an additional insured by the County of Suffolk from Event Power and subject to such additional terms and conditions as may be required by the Risk Management and Benefits Division in the County Department of Human Resources, Personnel, and Civil Service; and be it further

2nd RESOLVED, that before this event shall be permitted to occur, the Organizations must apply for and obtain a permit from the Commissioner of the Department of Parks, Recreation, and Conservation as required by Section 378-7(B) of the Suffolk County Code; and be it further

3rd RESOLVED, that the Commissioner of the County Department of Parks, Recreation and Conservation is hereby authorized, empowered and directed, pursuant to Section 28-4(A) of the SUFFOLK COUNTY CHARTER, and the County Department of Public Works is hereby authorized, empowered and directed, under Section 8-2(W) of the SUFFOLK COUNTY CHARTER, to take such measures, either alone or in conjunction with each other, as shall be necessary and appropriate to facilitate the hosting of the fund drive for the benefit of various charitable purposes; and be it further

4th RESOLVED, that the Organizations shall also provide an entertainment promoter certificate to Suffolk County if it wishes to allow vendors at the event to sell tangible personal property other than food or drink and require these vendors to display such certificate in order to comply with the provisions of the NEW YORK TAX LAW; and be it further
5th RESOLVED, that this Legislature, being the lead agency under the State Environmental Quality Review Act ("SEQRA"), New York Environmental Conservation Law, Article 8, hereby finds and determines that this resolution constitutes a Type II action, pursuant to Volume 6 of New York Code of Rules and Regulations ("NYCRR") §617.5(c)(15), (20), and (27), in that the resolution concerns minor temporary uses of land having negligible or no permanent impact on the environment, routine, or continuing agency administration and management, not including new programs or major reordering of priorities, and adoption of a local legislative decision in connection with the same, and, since this is a Type II action, the County Legislature has no further responsibilities under SEQRA.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A LOCAL LAW TO ESTABLISH MINIMUM STANDARDS FOR BREATH ALCOHOL IGNITION INTERLOCK DEVICES

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2010, a proposed local law entitled, “A LOCAL LAW TO ESTABLISH MINIMUM STANDARDS FOR BREATH ALCOHOL IGNITION INTERLOCK DEVICES,” and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO ESTABLISH MINIMUM STANDARDS FOR BREATH ALCOHOL IGNITION INTERLOCK DEVICES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature finds and determines that alcohol related motor vehicle accidents kill an enormous number of people in the United States each year. Many drivers involved in alcohol related accidents have been arrested previously for driving while intoxicated or driving while under the influence of alcohol. It is of major importance to the citizens of this County that measures be taken to prevent driving while intoxicated and driving while under the influence.

This Legislature further finds and determines that in November 2009 the National Highway Traffic Safety Administration reported:

Alcohol-impaired driving takes an enormous toll in the United States, killing approximately one person every 40 minutes. Despite continued efforts by enforcement, the judiciary, advocates and governmental agencies, nearly 13,000 people were killed in alcohol-impaired-driving crashes in 2007 (NHTSA 2008a). This number has remained remarkably stable for almost two decades after alcohol-involved fatalities declined significantly in the 1980s and early-to-mid 1990s.

Many drivers involved in fatal alcohol-impaired-driving crashes have been arrested previously for driving while intoxicated (DUI). In 2007, drivers with a blood alcohol concentration (BAC) of .08
grams per deciliter or higher in fatal crashes were eight times more likely to have a prior conviction for driving while impaired than were drivers with no alcohol (NHTSA, 2008a).

The prevention of impaired driving is critical to reducing alcohol-impaired-driving deaths and injuries. More than 1.46 million drivers were arrested in the United States in 2006 for driving under the influence of alcohol or narcotics. This number represents an arrest rate of one DWI arrest for every 139 licensed drivers in the United States (NHTSA, 2008b).

Technology presents exciting possibilities in the area of impaired-driving prevention. One promising strategy is the breath alcohol ignition interlock device (BAIID). A BAIID, or more simply an ignition interlock, is an after-market technology device installed in a motor vehicle to prevent a driver from operating the vehicle if the driver has been drinking. Before starting the vehicle, a driver must breathe into the device and if the driver's BAC is over a pre-set limit, the ignition interlock will not allow the vehicle to start.

Research shows that ignition interlocks reduce recidivism among both first-time and repeat DWI offenders, with reductions in subsequent DWI arrests ranging from 50 to 90 percent while the interlock is installed on the vehicle (Voas & Marques, 2003; Willis et al., 2005; Vezina, 2002; Tippetts & Voas, 1997; Coben & Larkin, 1999).

*Ignition Interlocks—What You Need to Know, p. 1*

This Legislature further finds and determines that on August 15, 2010, provisions of New York Law went into effect requiring the installation and operation of breath alcohol ignition interlock devices (New York Vehicle & Traffic Law § 1198). The law requires, in general, that a person who has been convicted of an alcohol related driving offense shall be required to install and maintain, as a condition of probation or conditional discharge, a functioning ignition inter-lock device in his or her vehicle. After the driver has blown into the device, if the operator’s breath alcohol content is detected to be over a pre-set limit, the ignition interlock will prevent the car from starting.

This Legislature further finds and determines that although the law and supporting regulations require basic standards for interlock devices, many devices are on the market and contain various features. For example, part 358 of Title 9 of the New York Code of Rules and Regulations requires, in relevant part, that a manufacturer interested in becoming a certified ignition inter-lock device provider must state in its application descriptive information about its device including, but not limited to, the make and model of the device, special features of the device such as photographic technology, reporting capabilities, global positioning, and real time or next day reporting. In the interest of public safety, certain device features should be required in any interlock devices utilized by the County as part of its ignition interlock program.

Therefore, the purpose of this local law is to establish minimum ignition interlock device features for all offenders sentenced to a period of probation or given a conditional discharge that includes the installation of a breath alcohol ignition interlock device as part of sentencing.
Section 2. Requirements.

The Director of the Suffolk County Probation Department is hereby authorized, empowered and directed to require for all offenders sentenced to a period of probation or given a conditional discharge that includes the installation of a breath alcohol ignition interlock device as part of sentencing, to use only interlock devices that contain the following features:

1.) Real time internet monitoring;
2.) Global positioning satellite technology;
3.) Infra-red or low light driver photo capability;
4.) Voice instructions;
5.) Automatic vehicle tracking; and
6.) 911 emergency response capability.

Section 3. Applicability.

This law shall apply to any and all actions occurring on or after the effective date of this law.

Section 4. Severability

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. SEQRA Determination

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

All persons convicted in the State of New York must install a breath alcohol ignition interlock device ("ignition interlock device") as a term of their probation or conditional discharge. This proposed local law would set minimum requirements for ignition interlock devices installed by the Suffolk County Probation Department.

Under this law, the Probation Department must install ignition interlock devices that contain the following features: real time internet monitoring; global positioning satellite technology; infra-red or low light driver photo capability; voice instructions; automatic vehicle tracking; and 911 emergency response capability.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. 2010, AUTHORIZING PHASE II OF
ENERGY ASSESSMENT OF THE WILLIAM H. ROGERS
LEGISLATIVE BUILDING

WHEREAS, Resolution No. 820-2008 authorized the retention of a consultant to
conduct an energy assessment and optimization of the William H. Rogers Legislative Building; and

WHEREAS, after the issuance of a Request for Proposals, M.C. Alliance Energy
Group, Inc. 30 Crossways East, Bohemia, NY 11716 ("M.C. Alliance") was selected to perform
the energy audit; and

WHEREAS, pursuant to Resolution No. 820-2008, the Presiding Officer of the
Suffolk County Legislature entered into a contract with M.C. Alliance on June 8, 2009; and

WHEREAS, pursuant to their contract, M.C. Alliance has provided an initial
assessment of existing conditions at the William H. Rogers Building, established a baseline
model of the building's performance from which improvements can be measured, identified
conditions that require attention and made recommendations to remedy identified problems; and

WHEREAS, it is advisable and prudent to proceed to Phase II of the William H.
Rogers Building Energy Assessment; and

WHEREAS, Phase II of the energy assessment will focus on measurement and
verification of energy use and energy use reductions that are estimated as part of the cost
benefit analysis associated with recommended energy measures; and

WHEREAS, during Phase II, M.C. Alliance will monitor energy use based on
"real time" electric and natural gas meter readings, monitor the Building Management System
and measure energy use reductions that should result as energy conservation measures are
implemented; and

WHEREAS, the method of verifying savings that will be accomplished during
Phase II is encouraged by the U.S. Department of Energy, the Environmental Protection Agency
Energy Star Program, and the U.S. Green Building Council’s LEED Program; and

WHEREAS, the success of this pilot is anticipated to be the basis for future cost
savings County-wide; now, therefore be it

1st RESOLVED, the Presiding Officer of the Suffolk County Legislature is hereby
authorized and empowered to amend the existing contract or enter into a new agreement with
M.C. Alliance to carry out Phase II of the Energy Assessment of the William H. Roger's
Legislative Building; and be it further

2nd RESOLVED, as part of Phase II, M.C. Alliance will implement a measurement
and verification program to verify that energy conservation measures are properly implemented
and system performance improvements and energy savings are achieved; and be it further
3rd RESOLVED, that the Department of Public Works will work cooperatively with the Legislative Office of Budget Review to implement and monitor the work authorized by this resolution; and be it further

4th RESOLVED, that the cost of Phase II of the energy assessment shall not exceed $10,000 and shall be paid from existing appropriations in Capital Project No. 1664.

RESOLUTION NO. 2010, DIRECTING THE DEPARTMENT
OF SOCIAL SERVICES TO CLOSE THE SEX OFFENDER
TRAILER IN WESTHAMPTON, TOWN OF SOUTHAMPTON

WHEREAS, for several years the Department of Social Services has housed all
homeless sex offenders in two trailers located in Riverside and Westhampton, Town of
Southampton; and

WHEREAS, it is deeply inequitable to bring every homeless sex offender in
Suffolk County to the same two communities each and every day of the year; and

WHEREAS, the County incurs unconscionably large costs transporting sex
offenders to and from the trailers; and

WHEREAS, the living conditions at the trailers are inadequate; and

WHEREAS, the sex offender trailers do not promote public safety; and

WHEREAS, Resolution No. 417-2010 directed the Department of Social Services
to develop a new program to provide emergency housing for homeless sex offenders in
accordance with guidelines set forth in the resolution; and

WHEREAS, Resolution No. 720-2010 directed the Department of Social Services
to implement the new program for housing homeless sex offenders by October 15, 2010; and

WHEREAS, October 15, 2010 has come and gone and the Department of Social
Services has failed to implement the directives of this Legislature; and

WHEREAS, the trailer in Westhampton, Town of Southampton, is in an
unsecured location located adjacent to over 200 units of senior residential housing, a vulnerable
population; now, therefore be it

1st RESOLVED, that the Department of Social Services is directed to close and to
cease using the trailer in Westhampton, Town of Southampton to provide emergency housing
for homeless sex offenders within fifteen (15) days of the effective date of this resolution; and be
it further

2nd RESOLVED, that the Department of Public Works is directed to remove the
trailer from Westhampton within thirty (30) days of the effective date of this resolution; and be it
further

3rd RESOLVED, that this Legislature, being the State Environmental Quality Review
Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II
action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF
RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the
NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations,
rules, policies, procedures, and legislative decisions in connection with continuing agency
administration, management and information collection, and the Suffolk County Council on

RESOLUTION NO. --2010, DECLARING NOVEMBER “NATIVE AMERICAN HERITAGE MONTH” IN SUFFOLK COUNTY

WHEREAS, American Indians and Alaska Natives were the first inhabitants of the land which now constitutes the United States; and

WHEREAS, Long Island is the home of many American Indian tribes; and

WHEREAS, American Indians and Alaska Natives have made important contributions to society, both individually and collectively, in a variety of fields, including agriculture, medicine, music, language, and art; and

WHEREAS, New York was the first state in the nation to proclaim an American Indian Day in 1916; and

WHEREAS, for the past 20 years, the United States has designated November as “National America Indian and Alaska Native Heritage Month”; and

WHEREAS, Suffolk County should join the federal government and other state and local governments to recognize November as “Native American Heritage Month” to honor the many contributions Long Island’s First Americans have made to Suffolk County; now, therefore be it

1st RESOLVED, that beginning in 2010 and continuing every year thereafter, November shall be designated “Native American Heritage Month” in Suffolk County to honor the first residents of Long Island and educate the public of the contributions American Indians have made, and continue to make, to Suffolk County; and be it further

2nd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. - 2010, A LOCAL LAW TO PROMOTE THE PRESERVATION AND INTEGRITY OF THE PINE BARRENS CORE AREA BY PROHIBITING THE REDEMPTION OR CONVEYANCE OF VACANT OR UNIMPROVED PINE BARRENS CORE PARCELS ACQUIRED BY SUFFOLK COUNTY BY TAX DEED

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2010, a proposed local law entitled "A LOCAL LAW TO PROMOTE THE PRESERVATION AND INTEGRITY OF THE PINE BARRENS CORE AREA BY PROHIBITING THE REDEMPTION OR CONVEYANCE OF VACANT OR UNIMPROVED PINE BARRENS CORE PARCELS ACQUIRED BY SUFFOLK COUNTY BY TAX DEED," and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO PROMOTE THE PRESERVATION AND INTEGRITY OF THE PINE BARRENS CORE AREA BY PROHIBITING THE REDEMPTION OR CONVEYANCE OF VACANT OR UNIMPROVED PINE BARRENS CORE PARCELS ACQUIRED BY SUFFOLK COUNTY BY TAX DEED

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds that this Legislature has previously recognized and reaffirmed on several occasions that former owners of properties acquired by the County by tax deed should be entitled to an opportunity to reacquire those properties.

The Legislature further finds and determines that under Section 49 of the Suffolk County Tax Act, the local law providing for a further redemption period, and the Suffolk County Administrative Code, the County of Suffolk permits and affords the owner, and in certain instances any person interested in, or having a lien upon, any real estate sold for taxes and assessments, several opportunities to recover said real estate within certain time periods.

This Legislature further finds that Section A42-3 of the Suffolk County Administrative Code affords one of the means to redeem subsequent to the taking of a tax deed.

The Legislature further finds that pursuant to Section A-42-3 (I) of the Suffolk County Administrative Code, the redemption of properties acquired by the County by tax deed pursuant to the Suffolk County Tax Act may be precluded if the governing village, town, or county within which said real property is located is determined by this Legislature to have a governmental need for the premises and such village, town or county has enacted a resolution specifically stating the nature of that governmental need.
The Legislature further finds that Chapter 27 of the Suffolk County Administrative Local Laws permits Suffolk County to convey properties acquired by Suffolk County by tax deed pursuant to the Suffolk County Tax Act.

The Legislature further finds that pursuant to New York State Environmental Conservation Law Section 57-0117-5, land in the Pine Barrens Core Preservation Area which comes into the public domain shall be deemed to be dedicated to the Long Island Pine Barrens Preserve.

The Legislature further finds that pursuant to New York State Environmental Conservation Law Section 57-0117-7, no publicly owned real property dedicated to the Long Island Pine Barrens Preserve shall be alienated except by law enacted by two successive regular sessions of the New York State Legislature.

The Legislature further finds that the integrity of the Long Island Pine Barrens Preserve can best be maintained by government ownership and maintenance of vacant or unimproved Pine Barrens Core properties.

The Legislature further finds that Suffolk County government has a superior governmental interest and need for vacant or unimproved Pine Barrens Core properties.

Therefore, the purpose of this law is to amend the provisions of Suffolk County Administrative Code Article XLII that permit redemption and the provisions of Chapter 27 of the Suffolk County Administrative Local Laws that permit conveyances to require that vacant or unimproved properties acquired by the County of Suffolk by tax deed that are located in the Pine Barrens Core be deemed to have come into the public domain and shall further be deemed to be dedicated to the Long Island Pine Barrens Preserve, and the redemption or conveyance of said vacant or unimproved Pine Barrens Core properties be prohibited.

**Section 2. Amendments.**

I. Article XLII of the SUFFOLK COUNTY ADMINISTRATIVE CODE is hereby amended as follows:

   Article XLII, Department of Environment and Energy

   ****

   The following rules and regulations for the sale of property acquired by Suffolk County pursuant to Section 46 of the Suffolk County Tax Act shall apply:

   ****

   K. Notwithstanding any provisions of this Article to the contrary, the redemption of vacant or unimproved properties that are located in the Pine Barrens Core that were acquired by the County of Suffolk by tax deed pursuant to the Suffolk County Tax Act is prohibited and the interest acquired by the County of Suffolk in vacant or unimproved Pine Barrens Core properties may not be released. Vacant or unimproved properties acquired by the County of Suffolk by tax deed that are located in the Pine Barrens Core shall be deemed to have come...
into the public domain, and shall further be deemed to be dedicated to the Long Island Pine Barrens Preserve pursuant to NYS Environmental Conservation Law Section 57-0117-5.

II. Chapter 27 of the SUFFOLK COUNTY ADMINISTRATIVE LOCAL LAWS is hereby amended as follows:

Chapter 27, CONVEYANCE OF REAL PROPERTY

§ 27-4. Exemptions.

If the Legislature fails to approve a resolution authorizing a conveyance for a vacant parcel located within the Suffolk County Pine Barrens Zone, as more particularly described in Exhibit A attached hereto, then such parcel shall not be disposed of by the county but shall be retained by the county for open space or watershed protection purposes.]

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm,
partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Underlining denotes addition of new language.

Brackets denote deletion of existing language.

Presently, persons who lose their property due to non-payment of taxes may apply to the
County to reclaim ownership under § A42-3 of the SUFFOLK COUNTY ADMINISTRATIVE
CODE (commonly referred to as a Local Law 16 application) and Chapter 27 of the SUFFOLK
COUNTY CODE (commonly referred to as a § 215 redemption).

This proposed local law would prohibit the redemption of vacant properties located in the Pine
Barrens Core.

This law will take effect immediately upon its filing in the Office of the Secretary of State and
apply to all actions occurring on or after that date.
