RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW TO LIMIT CAMPAIGN DONATIONS BY MEMBERS OF THE ETHICS COMMISSION

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010 a proposed local law entitled, "A CHARTER LAW TO LIMIT CAMPAIGN DONATIONS BY MEMBERS OF THE ETHICS COMMISSION"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO LIMIT CAMPAIGN DONATIONS BY MEMBERS OF THE ETHICS COMMISSION

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk created the Suffolk County Ethics Commission in 1988.

This Legislature further finds that the Ethics Commission was vested with new powers and authority so that it could effectively monitor the actions of public officials, investigate possible conflicts of interest and ensure integrity in Suffolk County government.

This Legislature determines that the Ethics Commission has the authority to inspect financial disclosure statements, issue advisory opinions, receive complaints, conduct investigations, issue subpoenas and assess civil penalties.

This Legislature finds that the Ethics Commission cannot carry out its important mandate and successfully exercise its broad powers unless it is recognized as a truly independent, non-partisan and non-political entity. Accordingly, this Legislature has enacted certain safeguards to ensure that the Commission is insulated from politics to the fullest extent practicable. Presently, no political party officer can serve on the Commission and no more than two members of the Commission can belong to the same political party.

This Legislature also finds that recent media reports show that members of the Suffolk County Ethics Commission and its legal staff have contributed money to various county elected officials and their political committees.

This Legislature determines that members of the Ethics Commission should not make contributions to county elected officials because the contributions, at a minimum, create a perception that the Commission may be subject to favoritism or swayed by political considerations. Such a perception undermines the legitimacy of the Ethics Commission.
Therefore, the purpose of this law is to bar the members of the Ethics Commission from making political contributions to county elected officials.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

"CONTRIBUTION" as defined in §14-100 of NEW YORK ELECTION LAW.

"COUNTY ELECTED OFFICIAL" shall mean the Suffolk County Executive, Suffolk County Clerk, Suffolk County Sheriff, Suffolk County District Attorney, Suffolk County Treasurer, Suffolk County Comptroller and any member of the Suffolk County Legislature.

Section 3. Amendment.

Article XXX of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

ARTICLE XXX, Ethics Commission

****

§ C30-7. Campaign Contributions.

A. Members of the Commission shall not make a contribution to any county elected official or any candidate for county office.

B. A prohibited contribution by a Commission member shall constitute grounds for removal from the Commission by the appointing authority.

****

Section 4. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.
This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW TO DISCOURAGE SPECULATIVE REVENUES AND ENSURE BALANCED BUDGETS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010 a proposed local law entitled, "A CHARTER LAW TO DISCOURAGE SPECULATIVE REVENUES AND ENSURE BALANCED BUDGETS"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO DISCOURAGE SPECULATIVE REVENUES AND ENSURE BALANCED BUDGETS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County Executive is required to submit a proposed operating budget to the County Legislature each year for consideration and amendment.

This Legislature also finds that the County Executive's proposed 2011 operating budget includes millions of dollars of revenues from the sale of County-owned properties, including the sale of the John J. Foley Skilled Nursing Facility and 95 acres of land that is part of the County Executive's proposed Legacy Village development.

This Legislature finds that these land sale revenues are highly speculative as the County Legislature has failed to declare either property as surplus to the County's needs (as legally required) and both proposed sales have met strong public resistance and legislative opposition.

This Legislature also determines that the County Executive's decision to embrace speculative revenues is contrary to sound budgetary practices and makes it more likely that the County will confront yet another budget shortfall crisis in 2011.

This Legislature also finds that reliance on speculative revenues exacerbates the County's budgetary structural imbalance that bond rating agencies have already warned against and could lead to a future reduction in the County's bond rating.

This Legislature finds that action must be taken to ensure that future budgets are fiscally sound and based on legitimate revenue projections.

Therefore, the purpose of this law is to amend the SUFFOLK COUNTY CHARTER to provide that revenues from proposed land sales may not be included in a County operating
budget unless the County Legislature has determined that the property is not needed for public use.

Section 2. Amendment.

Article IV of the SUFFOLK COUNTY CHARTER is hereby amended to read as follows:

ARTICLE IV, County Budget and Capital Program

§ C4-6. Submission of proposed county budget by County Executive.

L. Revenue from the sale of County-owned real property shall not be included in a recommended operating budget, nor approved as part of an adopted operating budget, unless the County Legislature has previously determined that the real property is no longer necessary for public use, by a resolution adopted by the affirmative vote of two-thirds of the entire membership of the Legislature. This restriction shall not apply to the disposition of real properties acquired by the County of Suffolk pursuant to the Suffolk County Tax Act.

Section 3. Applicability.

This law shall apply to operating budgets recommended and adopted on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality
(CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO.
-2010, A LOCAL LAW AUTHORIZING THE COUNTY
EXECUTIVE TO EXECUTE AGREEMENTS FOR THE SALE
OF THE JOHN J. FOLEY SKILLED NURSING FACILITY

WHEREAS, there was duly presented and introduced to this County Legislature
at a regular meeting held on ______________, 2010, a proposed local law entitled, "A LOCAL LAW
AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE AGREEMENTS FOR THE SALE
OF THE JOHN J. FOLEY SKILLED NURSING FACILITY"; and said local law in final form is
the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in final form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW AUTHORIZING THE COUNTY EXECUTIVE TO
EXECUTE AGREEMENTS FOR THE SALE OF THE JOHN J. FOLEY
SKILLED NURSING FACILITY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY
OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature finds and determines that John J. Foley Skilled Nursing Facility (the
"Facility") is a 264-bed facility located on approximately 14 acres in Yaphank in Suffolk County
(the County). In addition to operating 252 residential health care facility beds (including an
Alzheimer’s unit) and 12 designated AIDS beds, the nursing facility operates a 60-slot Adult Day
Health Care Program (ADHCP). In 1995, the Facility began operating in a newly-constructed
building. The total building size is approximately 181,749 square feet with recent (2005)
expansions to the adult day health and rehabilitation program space as well as dining and
recreational areas on the second floor.

This Legislature further finds and determines that the County has examined the
operations at the Facility in order to determine the feasibility of continuing its operation as a
County facility. The County has determined that, due to business impediments unique to
municipalities (rising municipal labor and employee benefit costs and unreliability of continued
intergovernmental transfer (IGT) payments), operating a municipal skilled nursing home is no
longer in the best fiscal interest of the County.

This Legislature further finds and determines that where the County had once provided
the Facility as an institution for destitute individuals, this is no longer the case. All nursing
homes are eligible to receive payments from Medicaid and uninsured and underinsured patients
can be cared for at any of Suffolk’s 40+ nursing homes.
This Legislature further finds and determines that the Facility could be operated at the same high level of care, but more efficiently by individuals or entities that do not face the operational restrictions particular to municipalities.

This Legislature further finds and determines that pursuant to Suffolk County Resolution No. 881-2008 the County Executive, through the Department of Health Services issued a request for expressions of interest ("RFEI") to transfer ownership and/or operation and management of the "Facility." Qualified RFEI respondents received a request for proposals ("RFP") to transfer ownership and/or operation and management of the Facility issued on September 21, 2009. On February 23, 2010, based on the evaluation of the RFP Review Committee, an award letter for the sale of the Facility was issued to Mr. Kenneth Rozenberg. The County issued, and Mr. Kenneth Rozenberg accepted, a Letter of Intent, dated March 17, 2010, to enter into an agreement for the sale and purchase of the Facility.

This Legislature also finds that pursuant to Suffolk County Introductory Resolution No. 1337-2010, a Land Sale Contract and Asset Purchase Agreement ("the Plan") has been subject to the Suffolk County Administrative Code Section A9-6 review process, including four separate public hearings at which comments were solicited.

Therefore, the purpose of this law is to approve the Plan, an agreement for the sale and purchase of the Facility by the County to Mr. Kenneth Rozenberg, an established nursing home operator, through his companies, Foley Operating LLC and Foley Land LLC.

Section 2. Approval of Request for Proposals.

The County hereby approves the award dated February 23, 2010 to Mr. Kenneth Rozenberg for the sale of the Facility and all assets, property, real or personal, and rights used or usable in the operation of the Facility, of every type and description, tangible or intangible, wherever located.

Section 3. Declaration of Surplus Land.

The 14.06 acres of land, which acreage shall be subject to final survey, is surplus to County needs. The Facility and all associated assets and inventory used to carry out its functions as a skilled nursing facility, as more specifically set forth in the proposed Asset Purchase Agreement and Land Sale Contract, is likewise declared surplus to County needs.

Section 4. Sale of Surplus Land.

The sale by the County to Mr. Kenneth Rozenberg through his company Foley Land LLC of the County's right, title and interest in and to 14.06 acres of land, without recourse, is hereby authorized in exchange for the delivery, to or upon the order of the County, of (i) the payment of the purchase price as set forth in the proposed Land Sale Contract, and (ii) upon such other terms and conditions as are set forth in the proposed Land Sale Contract with Foley Land, LLC, as purchaser, and the County, as seller.

Section 5. Approval of Land Sale Contract.

The form and substance of the Land Sale Contract, presented to the members of the Legislature at this meeting as Exhibit 1, is hereby approved.
Section 6. Execution and Delivery of Land Sale Contract.

The execution and delivery on behalf of and in the name of the County by the County Executive and/or his designee(s) of the Land Sale Contract presented to the members of the Legislature at this meeting, is hereby authorized and directed, with such ministerial and non-substantive changes therein as the County Executive and/or his designee(s) may approve, and the execution and delivery of such Land Sale Contract shall be conclusive evidence of his approval of any such changes and of the authorization and direction thereof by this Legislature.

Section 7. Sale of the Facility.

The sale by the County to Kenneth Rozenberg through his company Foley Operating LLC of all assets, property, real or personal, and rights used or usable in the operation of the Facility, of every type and description, tangible or intangible, wherever located, without recourse, is hereby authorized in exchange for the delivery, to or upon the order of the County, of (i) the payment of the purchase price as set forth in the proposed Asset Purchase Agreement, and (ii) upon such other terms and conditions as are set forth in the proposed Asset Purchase Agreement with Foley Operating LLC, as purchaser, and the County, as seller.

Section 8. Approval of Asset Purchase Agreement.

The form and substance of the Asset Purchase Agreement, presented to the members of the Legislature at this meeting as Exhibit 2, is hereby approved.

Section 9. Execution and Delivery of Asset Purchase Agreement.

The execution and delivery on behalf of and in the name of the County by the County Executive and/or his designee(s) of the Asset Purchase Agreement presented to the members of the Legislature at this meeting, is hereby authorized and directed, with such ministerial and non-substantive changes therein as the County Executive and/or his designee(s) may approve, and the execution and delivery of such Asset Purchase Agreement shall be conclusive evidence of his approval of any such changes and of the authorization and direction thereof by this Legislature.

Section 10. Further Actions.

The County Executive and/or his designee(s) are further authorized to execute and deliver, on behalf of the County, such agreements, instruments or authorizations as may be contemplated by, or necessary or advisable to consummate or otherwise give full effect to, the Land Sale Contract, the Asset Purchase Agreement and this local law, and which are deemed necessary or desirable to effectuate the transactions contemplated by the Land Sale Contract, the Asset Purchase Agreement and this local law, and to perform all acts and do all things required or contemplated to be performed or done by the Land Sale Contract, the Asset Purchase Agreement or by this local law or by any agreement, instrument or authorization approved, contemplated, necessary or authorized hereby.

Section 11. Suffolk County Administrative Code A9-6 Compliance

The County has complied with the procedures set forth in Section A9-6 of the Administrative Code. A report to the Suffolk County Legislature pursuant to Suffolk County
Administrative Code Section A9-6 is attached as Exhibit 3. In addition, attached as Exhibit 4 is a letter from the New York State Department of Health supporting Kenneth Rozenberg as purchaser of the Facility.

Section 12. Applicability.

This law shall apply to all actions and transactions occurring on or after the effective date of this law. Adoption of this law shall be conclusive evidence of full compliance with Suffolk County Administrative Code § A9-6, and shall apply to all actions and transactions occurring on or after the effective date of this law.

Section 13. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 14. SEQRA Determination.

This Legislature has independently considered the Environmental Assessment Form ("EAF"), the Council on Environmental Quality ("CEQ") recommendation, and any relevant testimony concerning the same; and

This Legislature, being the lead agency under State Environmental Quality Review Act ("SEQRA") and Chapter 279 of the Suffolk County Code, hereby determines that this local law constitutes an unlisted action, pursuant to 6 NYCRR Part 617 of the implementing regulations pertaining to Article 8 (SEQRA) of the Environmental Conservation Law; and

This Legislature hereby determines that implementation of this action will not have a significant adverse impact on the environment for the following reasons, as demonstrated in the EAF:

1. The action involves the simple transfer of the ownership of an existing operating facility and associated property with no change to the environment or facility operations;

2. The proposed action will not exceed any of the criteria in Section 617.7 of Title 6 NYCRR which sets forth threshold for determining significant impact on the environment;

3. The proposal does not appear to significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and Code;

4. The parcel does not appear to suffer from any severe environmental development constraints (no poor soil properties, no high ground water and no unmanageable slopes); and
This Legislature hereby directs, in accordance with Section 279.5(c) (4) of the Suffolk County Code, the Suffolk County Council on Environmental Quality to prepare and circulate any appropriate notices or determinations in accordance with this resolution.

Section 15. Effective Date.

This Local Law shall not take effect until at least forty-five (45) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within forty-five (45) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against such Local Law in conformity with the provisions of §24 (1) (a) of the MUNICIPAL HOME RULE LAW, and upon filing in the Office of the Secretary of State.

PROPOSED LOCAL LAW YEAR 2010

TITLE: I.R. NO. 2010; A LOCAL LAW AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE AGREEMENTS FOR THE SALE OF THE JOHN J. FOLEY SKILLED NURSING FACILITY

SPONSOR: THE PRESIDING OFFICER, ON THE REQUEST OF THE COUNTY EXECUTIVE.

DATE OF RECEIPT BY COUNSEL: 10/28/2010    PUBLIC HEARING: 11/16/2010

DATE ADOPTED/NOT ADOPTED: _______    CERTIFIED COPY RECEIVED: _______

This proposed local law authorizes the sale of the County's John J. Foley Skilled Nursing facility ("Foley facility") to two companies controlled by Kenneth Rozenberg. Specifically, this law:

1. Declares the 14.06 acres of land on which the Foley facility sits and all associated assets and inventory, as surplus to the needs of the County. Pursuant to Section 215 of NEW YORK COUNTY LAW, any surplus declaration requires a two-thirds vote of approval by the County Legislature.

2. Approves the Land Sale Contract that is attached as Exhibit "1" to the proposed local law. Pursuant to this contract, the buyer¹ will acquire the building and land currently used as the Foley facility, together with certain easements, for Eighteen Million Dollars ($18,000,000.00). The buyer represents that it "intends to continue to use the premises as a skilled nursing facility as it is being operated by seller."

3. Approves the Asset Purchase Agreement attached to the local law as Exhibit "2". Pursuant to this agreement, the buyer² will purchase the Foley facility assets - that is all of the assets, properties and rights used or usable in the operation of the Foley facility, separate and apart from the building and property that is the subject of the Land Sale Agreement. Among the assets are the licenses, certificates and permits held by the County to operate the Foley Facility and the Adult Day Care Program, to the extent that they are transferrable. The purchase price of the assets is Eighteen Million Dollars ($18,000,000.00).

The Asset Purchase Agreement provides that the buyer will not assume or be responsible for any collective bargaining contract or agreement related to the Foley facility and the adult day care program. The buyer agrees that for a three-month period

¹ The buyer in this transaction is Foley Land LLC.
² The buyer in this transaction is Foley Operating LLC.
following the closing, it will offer the Foley facility’s’ existing employees the positions of employment that the buyer determines are necessary to operate the facility, provided that the existing employees are qualified to perform the job requirements. To the extent the buyer offers employment to the former County employees, their rates of pay will be consistent with nursing homes in Suffolk County.

Additionally, the County agrees to use reasonable efforts to obtain licenses to increase the adult day care program from the current 24 participants to 60 participants.

Pursuant to this Agreement, the buyer agrees to continue treatment of each patient receiving services at the Foley facility on the date of closing. Only patients requiring services not available at the facility will be eligible for transfer. To the extent any resident is being treated at another facility, the buyer will reserve the resident’s bed in accordance with applicable law and comply with “bed hold” regulations.

The Agreement further provides that should the County Legislature fail to approve the sale of assets by December 31, 2010, either party will have the right to terminate.

The parties also agree to use “reasonable commercial efforts” to complete the subject transaction by December 31, 2011.

4. **States that the County has complied with the procedures set forth in Section A9-6 of the SUFFOLK COUNTY ADMINISTRATIVE CODE.** This section of the Code sets forth detailed procedures that must be followed before any health care service currently provided by the County may be privatized. Among the requirements are four (4) public hearings and a report from the Budget Review Office. In an attempt to comply with Section A9-6, a report from the Suffolk County Department of Health Services and a letter from New York State Department of Health have been attached to the local law as Exhibits “3” and “4”.

This law is made subject to a permissive referendum.

RESOLUTION NO. 2010, ADOPTING LOCAL LAW NO. 2010, A CHARTER LAW TO REQUIRE THE APPROPRIATE USE OF TAXPAYER MONIES FOR FUNDED POSITIONS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010 a proposed local law entitled, "A CHARTER LAW TO REQUIRE THE APPROPRIATE USE OF TAXPAYER MONIES FOR FUNDED POSITIONS"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO REQUIRE THE APPROPRIATE USE OF TAXPAYER MONIES FOR FUNDED POSITIONS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that, under Section 2-1 the Suffolk County Charter, the County Legislature "shall determine County policies" and, under Section 2-8 of the Suffolk County Charter, the County Legislature makes appropriations and levies taxes.

This Legislature also finds and determines that, under Sections 3-2 and 3-3 of the Suffolk Charter, the County Executive is the administrative head of County Government who has general supervision over all administrative units of the County, is charged with the obligation and responsibility to execute the policies and mandates of the County Legislature as duly promulgated and enacted by it, and is limited in the discharge of his or her responsibilities in County budgeting, as Chief Budget Officer, to the powers granted in Article IV of the Suffolk County Charter.

This Legislature further finds and determines that, under normal circumstances, the checks and balances between the policy-making legislative branch of government and the management and execution of those policies by the executive branch of government serve the public well by reflecting the collective will of the electorate and avoiding concentrations of power in any one individual or group of individuals.

This Legislature finds that the Office of the County Executive has engaged in administrative action preventing an appointing authority from filling vacant budgeted positions in County Government without the written approval of the County Executive, which action has routinely been exercised by the Office of the County Executive in good and difficult fiscal times.
This Legislature determines that the continuous and routine exercise of this unilateral administrative action by the Office of the County Executive undermines and is detrimental to the checks and balances of County Government.

This Legislature further determines that such action is inimical and contrary to the County Charter which delegates the power to set policy to the County Legislature by legislative enactment and enables the County Executive, acting unilaterally, to frustrate, impair or nullify such duly enacted legislation and the underlying policies which such enacted legislation was intended to establish, promote and protect.

This Legislature finds that the long-standing practice of the Office of the County Executive to take unilateral administrative action in the arena of budgeting for the personnel who deliver the public services demanded and expected by the electorate is a matter of great concern to the Legislature and to the electorate residing within this County.

This Legislature also determines that this frustration, impairment and nullification of County policy by the unilateral administrative action of the Office of the County Executive results in questionable and uncertain County budgeting whereby positions of employment are created in the annual County Operating Budget to carry out and implement legislatively enacted policies but, in practice, are rarely filled or are filled at levels below what is budgeted for the implementation of those specific County policies.

This Legislature also finds that such unilateral administrative action by the Office of the County Executive results in disruption and the inefficient and avoidable expenditure of taxpayer funds by the appointing authority who may be required to reassign personnel or incur overtime due to the aforesaid exercise of County Executive unilateral action.

This Legislature also finds that the budgeting of such policies creates a public expectation that what is provided for in the Adopted Annual County Operating Budget will actually occur, the failure of which such occurrence unfairly causes the public to believe it was mislead and deceived by the actions of its policy makers, thereby eroding public confidence in County institutions and its elected officials due to the County Executive’s practice of creating illusory payrolls that are often never used and for which policy-making County Legislators are unfairly blamed.

This Legislature, being aware of the New York State Court of Appeals holding in a case entitled Caputo, Romaine, and Catterton v. Halpin., 78 N.Y.2d 117, which determined, among other things, that the Suffolk County Charter and Administrative Code established and conferred implied powers to the County Executive to unilaterally approve or disapprove the filling of vacant positions, adopts this law amending the County Charter with the express and explicit intention and purpose of eliminating, removing and abolishing any implied power that the Court believed may have existed under the current County Charter with respect to the budgeting of certain positions of employment in the Adopted County Operating Budget.

This Legislature declares that, by the enactment of this charter amendment, it shall be the policy of the County that the County Executive does not have any implied power to take any unilateral administrative action that prevents the filling of certain budgeted positions of employment in the Adopted County Operating Budget.
This Legislature finds that decisions regarding the filling of budgeted positions shall be made by the County of Suffolk acting through its co-equal branches of government via duly enacted resolution of the County of Suffolk.

This Legislature also finds that the aforesaid unilateral practice by the Office of the County Executive to nullify the filling of budgeted County positions of employment is particularly and unacceptably disruptive and detrimental to the mission and the day-to-day operations of offices supervised and managed by the County-wide elected officials.

Therefore, the purpose of this law is to preclude the practice of creating illusory County payrolls; to reaffirm the supremacy of the County Legislature as the policy-making body of County Government; to more precisely and clearly state those budgetary powers granted to each of the two co-equal branches of County Government by the County Charter with respect to appropriations, revenues, and personnel; to extinguish any implied power by the County Executive to take unilateral administrative action that prevents an appointing authority from filling certain budgeted positions of employment or which freezes the hiring of personnel to occupy certain budgeted positions of employment contained in the Adopted County Operating Budget all without increasing any expenditure of County funds beyond what was approved in the pertinent County Operating Budget.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

A) "ADEQUATE APPROPRIATIONS" shall mean the amount of appropriations certified by the Legislative Office of Budget Review as sufficient to compensate the person being contemplated to fill a budgeted position for that person’s services, including any and all fringe benefits, for a stated or defined period of time, calculated as of the effective date of the Adopted County Operating Budget.

B) "APPOINTING AUTHORITY" shall mean the County-wide elected official possessing the legal authority and power to appoint subordinate positions in his or her department under New York State and Suffolk County Law.

C) "ADOPTED COUNTY OPERATING BUDGET" shall mean all of the appropriations and all of the revenues contained in the Suffolk County Expense Budget in effect on January 1st of the pertinent fiscal year.

D) "DEPARTMENT" shall mean any unit, office or agency of County Government created by the SUFFOLK COUNTY CHARTER or by Suffolk County Local Law, the head of which is elected by the voters of Suffolk County on a County-wide basis.

County or who is to be chosen for the non-competitive, exempt, or unclassified jurisdictional classes, other than elected officials or department heads, all in accordance with the New York Civil Service Law and Suffolk County Civil Services Rules.

F) "PUBLIC EMERGENCY" shall mean a declaration issued by the County Executive to the County Legislature, in writing, identifying an event that has arisen out of or been caused by a sudden unforeseen occurrence or disaster such as a hurricane, fire, tornado, flood, blizzard, explosion, airplane crash, earthquake, nuclear war, radiological emergency, war, terrorist act, civil unrest or disobedience, act of God, or comparable event.

Section 3. Amendments.

I) Section C4-2 of the SUFFOLK COUNTY CHARTER is hereby amended to read as follows:

§ C4-2. Chief budget officer designated.

The County Executive shall be the Chief Budget Officer of Suffolk County[ ], whose powers with respect to the filling of positions of employment contained in the Adopted County Operating Budget, in those departments headed by a County-wide elected official, other than in the Office of County Executive, shall be ministerial in nature, anything in Article IV or other relevant section of the SUFFOLK COUNTY ADMINISTRATIVE CODE or state law to the contrary notwithstanding.

II) A new Section C4-33 of the SUFFOLK COUNTY CHARTER is hereby added to read as follows:

§ C4-33. Filling budgeted departmental positions of employment.

A) Any filled position in any department which may become vacant or any position in any department created by resolution, budget amendment, local law or charter law enacted into law by the County of Suffolk, the adequate appropriations for which are contained in the Adopted County Operating Budget, shall be filled by the pertinent appointing authority at the budgeted grade and requested step set forth in the pertinent collective bargaining agreement or salary plan, as the case may be, within ninety days after adequate appropriations are available for the filling of such position or after the occurrence of a vacancy for which adequate appropriations are available, as the case may be, any administrative action taken or to be taken by the Office of the County Executive to the contrary notwithstanding, unless the County Executive issues a declaration, with requisite findings, to the County Legislature and the pertinent appointing authority that such position should not be filled based upon one of the following:

1) An order of the New York State Civil Service Department or New York State Civil Service Commission prohibits the filling of such a position;

2) An order of a court of competent jurisdiction prohibits the filling of such a position;

3) A department or agency of the federal government having jurisdiction over the matter has stated in writing that the appointing authority is prohibited from filling such position;
4) **A budget deficiency exists under Section C4-27 of the SUFFOLK COUNTY CHARTER;**

5) **A public emergency exists;**

6) **A suspension, freeze, transfer or reduction of any funds in the Adopted County Operating Budget has been proposed or has been implemented by the County Executive on or after the effective date of the pertinent Adopted County Operating Budget pursuant to any provision set forth in Article IV of the SUFFOLK COUNTY CHARTER; pursuant to Article IV of the SUFFOLK COUNTY ADMINISTRATIVE CODE; or pursuant to any other provision of federal, state or County law relating to or bearing upon the fiscal, budgetary or personnel and staffing affairs of Suffolk County; or**

7) **The appointing authority has failed or declined to fill the budgeted position and a written request to amend the Adopted County Operating Budget for the purpose of abolishing or transferring the pertinent position has been duly filed with the County Legislature for its consideration.**

The aforesaid declaration with the requisite findings shall be in writing and filed with the Clerk of the County Legislature.

B) **In the event that the County Executive files a written declaration with the requisite findings pursuant to paragraph (A) of this section, then the Legislature, on its own motion, may reject the declaration, via enactment of a resolution directed solely and exclusively to such purpose within thirty days after its receipt of said declaration, in which event the pertinent appointing authority shall have thirty days to fill such position in accordance with the New York Civil Service Law and Suffolk County Civil Service Rules, measured from the date of enactment of such resolution, any administrative action to the contrary notwithstanding. Such resolution shall require the affirmative vote of at least a majority of the entire membership of the County Legislature and shall be subject to the approval or veto of the County Executive. If approved by the County Executive, the resolution shall be deemed enacted as of that date of approval.**

C) **If, within ten days after its submission to the County Executive, the County Executive returns such resolution to the County Legislature with a statement of his or her reasons for vetoing it, such resolution shall not be effective unless the County Legislature, on a motion to override such veto, passes it by an affirmation vote of at least two-thirds of the entire membership of the County Legislature within thirty days of its return.**

D) **If within ten days after its submission to him or her, the County Executive does not return such resolution to the County Legislature with a statement of his or her reasons for vetoing it and does not approve the resolution, such resolution shall be deemed to be approved and enacted as of said tenth day.**

E) **In the event that the County Executive or pertinent appointing authority does not comply with any action taken by the County Legislature under paragraph (B) of this section or, in the event that the County Executive and the pertinent appointing authority have jointly failed to comply with paragraph (A) of this section, then any County Legislator may introduce a resolution directing the pertinent appointing authority to fill the position in**
question via an appointment of the appropriate individual who qualifies under and pursuant to the pertinent New York State Civil Service Law and Suffolk County Civil Service Rules, which appointment shall require the approval of at least three-fourths of the entire membership of the County Legislature, which resolution shall not be subject to the approval or veto of the County Executive.

F) Nothing in Sections 4-6 through 4-9 of the SUFFOLK COUNTY ADMINISTRATIVE CODE is intended or shall be construed to diminish or restrict the powers granted to the County Legislature or any appointing authority under this section of the SUFFOLK COUNTY CHARTER. Any administrative action promulgated or undertaken by the County Executive which has the effect of preventing or delaying the filling of any vacant positions heretofore issued or created, and in effect on the effective date of this law, is hereby nullified and superseded by this law.

III) Section C4-29 of the SUFFOLK COUNTY CHARTER is hereby amended to read as follows:

§ C4-29. Allotment system.

There shall be a system for the allotment of funds by the County Executive to department heads from appropriations authorized for the agency involved. No appropriation authorized for any department shall be available for expenditure unless the County Executive approves an allotment of funds to the department or a requested allotment becomes effective pursuant to § A4-7 of the Administrative Code[.], except as to appropriations for the filling of positions of County employment contained in the Adopted County Operating Budget, the allotment for which shall be deemed approved and effective as of the first day of the fiscal year for which such appropriation has been made or as otherwise prescribed by the Adopted County Operating Budget, anything in Article IV or other relevant section of the SUFFOLK COUNTY ADMINISTRATIVE CODE to the contrary notwithstanding.

Section 4. Applicability.

This law shall apply to any actions occurring on or after the effective date of this law with respect to any Adopted County Operating Budget in effect on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.
Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the Office of the Secretary of State.

This proposed charter law will establish a new procedure for filling vacancies in those departments headed by Suffolk County’s county-wide elected officials.

This law would require county-wide elected officials to fill vacancies within their departments within 90-days, if adequate appropriations are contained in the County’s operating budget, unless the County Executive issues a declaration that such position shall not be filled because:

1. The Department of Civil Service prohibits such action.
2. A court order prohibits such action.
3. The federal government prohibits such action.
4. A budget deficiency exists.
5. A public emergency exists.
6. A suspension, freeze, transfer or reduction of funds has been proposed or implemented by the County Executive.
7. The department head declines to fill the position and seeks to abolish or transfer the position.

The County Legislature can reject the County Executive’s declaration by resolution, in which event the department head must fill the position within 30 days. In the event the County Executive and/or the department head does not comply with the legislative resolution, the Legislature may enact another resolution by three-fourths vote directing the filling of the vacancy. Such a resolution shall not be subject to County Executive approval.
This law is subject to a permissive referendum.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW TO INCREASE TRANSPARENCY AND ACCOUNTABILITY IN COUNTY BUDGET PROCESS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010, a proposed local law entitled, "A CHARTER LAW TO INCREASE TRANSPARENCY AND ACCOUNTABILITY IN COUNTY BUDGET PROCESS"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO INCREASE TRANSPARENCY AND ACCOUNTABILITY IN COUNTY BUDGET PROCESS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Suffolk County Charter empowers the County Legislature to amend the operating budget proposed by the County Executive.

This Legislature finds that a practice has evolved over time whereby the County Legislature amends the proposed operating budget each year through an "omnibus" resolution, which typically bundles hundreds of line item changes in a single resolution.

This Legislature determines that legislators are often required to cast a vote on an omnibus resolution before they, and the public, have a meaningful opportunity to review and debate the many line item changes contained therein or to consider the omnibus resolution’s fiscal impact.

This Legislature further finds that for many years, the County Legislature exercised its budget amending authority in a different manner, considering each proposed amendment individually. While this process was time consuming, it was transparent and helped produce a meaningful and open debate of budget issues.

Therefore, the purpose of this law is to bar the use of omnibus-type budget amending resolutions and to require the County Legislature to consider proposed budget amendments on an individual basis.

Section 2. Amendments.
Section C4-10 of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

§ C4-10. Action by County Legislature on proposed budget.

A. Not less than 10 days after public hearings required by § C4-9 and not later than the 10th day of November or the 52nd day after the County Executive has actually submitted the proposed budget required by § 4-6 to the County Legislature, whichever is later, the County Legislature shall adopt the proposed county budget consisting of an expense budget by voting to approve a separate mandated portion and a separate nonmandated portion, with or without amendment. If the County Legislature does not adopt a county budget on or before the 10th day of November or the 52nd day after the County Executive has actually submitted the proposed budget required by § C4-6 to the County Legislature, whichever is later, the proposed county budget shall be deemed adopted as submitted. [The Suffolk County Legislature's Budget Review Office shall prepare budgetary and financial forecasts of cost to continue expenditures and revenues for major omnibus-type budget amending resolutions for the following year.]

B. The County Legislature may amend the proposed county budget by [submitting a] adopting budget amendment resolutions which [will] add or increase an [item of appropriation] expenditure; [or] strike or reduce an [item of appropriation] expenditure except for [appropriations for] debt service and any other [appropriations] expenditures required by law[.]; add, increase, reduce, or eliminate a revenue; add, reduce or transfer personnel. The Legislature shall not amend the proposed budget in an omnibus fashion but may combine a limited number of line item changes in one resolution to achieve a single purpose or to provide an offset for an increased expenditure, addition of personnel or change in revenue.

***

Section 3. Applicability.

This law shall apply to amendments of the proposed budget occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND
REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the office of the Secretary of State.

This proposed charter law would bar the County Legislature from amending the operating budget recommended by the County Executive “in an omnibus fashion”.

Further, this law would clarify that the County Legislature may enact, on an line item basis, budget amendment resolutions that add or increase an expenditure; strike or reduce an expenditure; add, increase, reduce, or eliminate a revenue; or add, reduce or transfer personnel. The law does provide, however, that a budget amendment resolution may combine a limited number of line item changes to achieve a single purpose or to provide an offset for an increased expenditure, addition of personnel or change in revenue.

This law will take effect immediately upon its filing in the Office of the Secretary of State and apply to amendments of proposed operating budgets occurring on or after that date.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW ESTABLISHING AN OFFICE OF CONSUMER AFFAIRS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010 a proposed local law entitled, "A CHARTER LAW ESTABLISHING AN OFFICE OF CONSUMER AFFAIRS"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW ESTABLISHING AN OFFICE OF CONSUMER AFFAIRS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Suffolk County is in the midst of difficult economic times.

This Legislature also finds and determines that Suffolk County's elected officials have a duty to run the government efficiently and provide cost savings to County residents when possible.

This Legislature further finds and determines that the County can achieve cost savings by reorganizing the functions of the County Department of Consumer Affairs and transferring positions and funding to a newly created Office of Consumer Affairs within the County Executive's Office.

This Legislature finds that abolishing the Department of Consumer Affairs and transferring its functions to the Office of Consumer Affairs will reduce the cost of County government and will free up scarce resources for other government functions without increasing County real property taxes.

Therefore, the purpose of this law is to abolish the County Department of Consumer Affairs and to reorganize its functions, duties and responsibilities in a more cost effective fashion by transferring its functions to the newly created Office of Consumer Affairs within the County Executive's Office.

Section 2. Repealed.

Article XXXI of the SUFFOLK COUNTY CHARTER is hereby repealed.
Section 3. Creation of Office.

A new Article XXXI of the SUFFOLK COUNTY CHARTER, creating a Suffolk County Office of Consumer Affairs, is hereby enacted to read as follows:

ARTICLE XXXI, OFFICE OF CONSUMER AFFAIRS

§C31-1. Definitions.

A. "Director" shall mean the head of the Office.

B. "Office" shall mean the Suffolk County Office of Consumer Affairs

§C31-2. Office established; director; organization of office.

A. There is hereby established an Office of Consumer Affairs in the County Executive's Office, the head of which shall be the Director of Consumer Affairs and who may also be the County Director of Weights and Measures. No additional compensation shall be automatically extended to an individual holding both positions by virtue of his or her title as County Director of Weights and Measures. The Office of Consumer Affairs shall be organized into four (4) divisions for the purposes of performing the functions, duties and responsibilities of the Office of Consumer Affairs. These divisions shall be named the Bureau of Administration, the Bureau of Consumer Complaints, the Bureau of Licensing, and the Bureau of Weights and Measures.

B. There is hereby established within the Office of Consumer Affairs in the County Executive's Office, a Bureau of Weights and Measures, the head of which shall be a Director, who may also serve as the Director of the Office of Consumer Affairs and who shall have the powers, status and duties set forth in the NEW YORK AGRICULTURE AND MARKETS LAW.

The Director of the Office of Consumer Affairs shall have the following powers and duties:

A. To receive and investigate complaints and initiate investigations of unfair or deceptive practices against consumers.

B. To hold hearings, subpoena witnesses, administer oaths, take the testimony of any person under oath and in connection therewith compel the production of any evidence relating to any matter under their investigation by the Office of Consumer Affairs, provided that the Director shall obtain the written consent of the County Executive or the County Attorney before issuing a subpoena or subpoena duces tecum. At any hearing, a witness shall have the right to have present and be advised by counsel during the conduct of such hearing.

C. To initiate and encourage consumer education programs and to prepare and disseminate, through publication or otherwise, consumer educational and informational materials to the consumers of Suffolk County.

Edwin M “Buzz” Schwenk of Southampton

Born in Southampton he graduated from Southampton High School in 1941 and from Colgate University in 1947 with a BA in political science. His high school and college careers were dominated by a love of sports.

Mr. Schwenk was in college when the U.S. entered World War II and he enlisted in Colgate’s Navy Program. He left college to serve on the USS Kearsarge, an air craft carrier based in Newport. He was a Plank member of the Kearsarge, a part of the original crew.

He returned from the war to finish at Colgate and then followed his father in the dairy business running Schwenk’s Dairy from 1947 to 1978. He met his wife, the former Diana Barnes, while delivering milk to her Water Mill home in the summer of 1942. Running the dairy presented him with another entrepreneurial opportunity. He saw a niche for convenience stores that featured Schwenk’s milk as a price leader and the Katrinka Stores were born. Eventually there were 14 Katrinka stores throughout Suffolk County and he served as president and CEO from 1961 to 1981.

He served on the board of directors of the Tinker National Bank from 1963 to 1967, started his own public relations firm, Omnibuzz Associates in 1978, and was the legislative liaison for the LI Builders Institute from 1987 to 1989 and their executive director from 1991 to 1996.

In 1993 he was directly involved with the creation of the Long Island Pine Barrens Protection Act. This legislation created the third largest land preserve in the State of New York and ended years of expensive litigation for the building industry while protecting, in perpetuity, a sole source aquifer.

In 1998 he spearheaded the passage of the Community Preservation Act. The act established a two percent transfer tax on real estate sales to preserve open space and recreational land, purchase targeted lands and protect the quality of life on the East End of Long Island. There were many people who worked diligently on the transfer tax but the Southampton Press pointed out in an editorial that “one man stands out as the giant who made it possible here” and that is Buzz Schwenk. The fund has preserved thousands of acres on the East End.

Mr. Schwenk is survived by his wife of 62 years, Diana Barnes Schwenk, his daughters Diana Urban of North Stonington, Conn. and Kathryn Root of Brandon, Vermont and his grandchildren, Lex Urban and Kate and Kirsten Root. He is pre-deceased by his son, Edwin Christopher Schwenk.

RESOLUTION NO. -2010,
DIRECTING MODERNIZATION OF THE
COUNTY FINANCIAL DISCLOSURE
FORM

WHEREAS, the “Suffolk County Financial Disclosure Law” was adopted as Local Law No. 12-1978; and

WHEREAS, the first “declared policy” of the Law is to “ensure to the citizens of Suffolk County a county government that is administered free from any conflicts of interest by any employees who affect the integrity of the County government;” and

WHEREAS, that starting in the late 1980(s), the County of Suffolk crafted a series of ethics laws, including financial disclosure requirements, that attempted in good faith to meet State requirements for such disclosure, however, the State’s leading expert in the field of Ethics law has opined the County Financial Disclosure Statement adopted pursuant to the Law does not adequately meet the State’s declared policy; and

WHEREAS, the annual Statement of Financial Disclosure required by the Commission on Public Integrity of the State of New York (NYS Form) asks questions aimed at determining true conflicts of interests in a more extensive manner, such as whether officials have promises of future employment by private firms, or whether officials or their immediate family members serve on boards of organizations which, though not having government contracts, regularly appear before State agencies to lobby for and against policies, and whether the filer has been reimbursed for expenses by private entities; and

WHEREAS, the types of conflicts described above are not captured in the County’s Financial Disclosure Statement, and therefore leave the County in violation of State minimal standards; and

WHEREAS, modernization of the County’s form is long overdue and will help expose conflicts; now, therefore be it

1st RESOLVED, that the Suffolk County Ethics Commission, consistent with the powers of the Suffolk County Ethics Commission enumerated in section 61-6 (A) of the Suffolk County Code, be and hereby is directed, authorized and empowered to review the Suffolk County Financial Disclosure Statement and recommend proposed revisions, alterations, or amendments to the statement form, including the information required by State law, to modernize it and to make it consistent with the policy declaration of the Suffolk County Legislature that the form “ensure to the citizens of Suffolk County a county government that is administered free from any conflicts of interest by employees who affect the integrity of County government;” and be it further
2nd RESOLVED, this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

RE:       CP 1664 – Energy Conservation at Various County Facilities

Attached for your review is a draft resolution appropriating the sum of $4,183,825 for energy conservation projects at various County buildings. This funding will be used to replace miscellaneous pieces of inefficient heating, cooling and lighting equipment with modern, energy efficient equipment and lighting. This may also include conversion of oil-fired appliances to natural gas fired, the replacement of inefficient, single-pane glazing in existing doors and windows, and other miscellaneous modifications. I have attached a listing of current and future projects for your reference. While this list is not exhaustive, it does provide a general overview of proposed expenditures.

This action is considered a Type II action under SEQRA in accordance with Resolution No. 506-1995. An e-mail copy of the resolution has been sent to CE RESO Review sent under the title Reso-DPW-CP 1664 Resolution Energy Cons.doc.

Please ensure that separate point numbers are created for these funds so they are not inadvertently mingled with previously appropriated federal ARRA funds.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW TO ENHANCE TRANSPARENCY IN COUNTY BUDGET PROCESS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010 a proposed local law entitled, "A CHARTER LAW TO ENHANCE TRANSPARENCY IN COUNTY BUDGET PROCESS"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO ENHANCE TRANSPARENCY IN COUNTY BUDGET PROCESS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County Legislature amends the County Executive's recommended operating budget each year by adopting a series of budget amendment resolutions.

This Legislature further finds that under existing law, budget amendment resolutions are supposed to be “laid on the table” and distributed to legislators at least two days prior to the scheduled vote on said amendments. However, the Presiding Officer may waive the two-day notice requirement at the request of the Director of the Budget Review Office.

This Legislature further finds and determines that a budget amending resolution may also be amended by the Legislature at any time prior to a final vote on the resolutions.

This Legislature determines that while it is desirable for the County Legislature to maintain flexibility in the budget-making process, the absence of any real deadline for filing budget amendment resolutions and the Legislature's unlimited authority to amend such resolutions "on the floor" can lead to unnecessary confusion, controversy and simple human errors.

This Legislature also finds that the current budget process deprives Legislators and the citizens of Suffolk County the opportunity to fully review and debate proposed changes to the County’s operating budget.

This Legislature further finds that the County’s budget process would benefit from stronger deadlines and greater transparency.
Therefore, the purpose of this law is to require that budget amendment resolutions be filed at least five days prior to any vote on said resolutions and that amendments to said resolutions be authorized by a super majority vote of the Legislature.

Section 2. Amendment.

Article IV of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

ARTICLE IV, County Budget and Capital Program

* * * *

§ C4-10. Action by County Legislature on proposed budget.

* * * *

B. The County Legislature may amend the proposed county budget by submitting a budget amendment resolution which will add or increase an item of appropriation or strike or reduce an item of appropriation except for appropriations for debt service and any other appropriations required by law.

* * * *

(2) The Presiding Officer of the County Legislature shall establish a cutoff date each year for the filing of budget amendment resolutions by members of the County Legislature which date shall be a reasonable number of days immediately preceding the date scheduled for the actual vote on such budget amendment resolutions, provisions of § C2-12A of the Suffolk County Charter to the contrary notwithstanding. The Presiding Officer of the County Legislature shall also establish a cutoff date for the distribution of budget amendment resolutions by members of the County Legislature which date shall be at least [two] five days immediately preceding the date scheduled for the actual vote on such budget amendment resolutions, provisions of § C2-12A of the Suffolk County Charter to the contrary notwithstanding[,] unless such deadline is waived by the Presiding Officer at the request of the Director of the Legislative Office of Budget Review pursuant to a written determination by the Director of the Legislative Office of Budget Review that such deadline cannot be met by his or her office.

(3) In no event shall the County Legislature act upon such budget amendment resolutions unless and until such resolutions shall have been placed upon the desks or tables of the members of the County Legislature at least [two] five days prior to such legislative action, provisions of § C2-12A of the Suffolk County Charter to the contrary notwithstanding. Any such budget amendment resolution may be amended, prior to initial legislative action on the entire such budget amendment resolution, by a procedural vote to so amend approved by at least a [majority] two-thirds vote of the entire membership of the County Legislature. [This two-day notice requirement may be waived by the Presiding Officer at the request of the Director of the Legislative Office of Budget Review pursuant to a written determination by the Director of the Legislative Office of Budget Review that such deadline cannot be met by his or her office.]
[The County Legislature shall list in one document all of the amendments it has made in the proposed county budget and shall include such provisions in such budget amendment resolutions as shall be necessary to implement the objectives contained therein.]

***

Section 3. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the office of the Secretary of State.

SPONSOR: LEGISLATOR CILMI

DATE ADOPTED/NOT ADOPTED: CERTIFIED COPY RECEIVED:

This proposed law would make the following changes in the process by which the County Legislature amends the recommended operating budget each year:

1. Budget amendment resolutions would have to be laid on the table and distributed to legislators at least five days prior to the scheduled vote on said amendments. Currently, budget amendment resolutions must be distributed two days prior to any vote.

2. The Presiding Officer’s present authority to waive the deadline for filing budget amendment resolutions would be eliminated.

3. Budget amendment resolutions could only be amended “on the floor” by a two-thirds vote of the Legislature. Presently, a simple majority vote is required to amend budget resolutions.

This law is made subject to a permissive referendum.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW STRENGTHENING THE BUDGET ADOPTION PROCESS

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2010, a proposed Local Law entitled “A CHARTER LAW STRENGTHENING THE BUDGET ADOPTION PROCESS”; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK
A CHARTER LAW STRENGTHENING THE BUDGET ADOPTION PROCESS

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature finds and determines that under municipal home rule law, proposed local laws must be on the desks of members of a local governing board for at least seven calendar days (exclusive of Sunday) before the local legislative body may act on it.

This legislature further finds and determines that municipal home rule recognizes a distinction between local laws and resolutions, so that under municipal home rule, local resolutions are not subject to the same seven day requirement to which local laws are subject.

This Legislature further finds and determines that in the interest of good government and in the best interests of its residents, the Suffolk County Charter applies the same stringent parameters of the seven day “laid on the table” rule to local resolutions so that in Suffolk County government, no action, except in very limited circumstances may be taken by the Legislature unless a proposed resolution is in final form and laid on the tables of legislative members for seven days, exclusive of Sunday. Once such exception deals with any resolutions relating to the annual adoption of the operating budget, which exception authorizes that budget amending resolutions may be distributed at least two days before an actual vote, unless the two day deadline is waived by the Presiding Officer at the request of the Director of the Legislative Office of Budget Review pursuant to a written determination by the Director of the Legislative Office of Budget Review that such deadline cannot be met by his or her office.
This Legislature further finds and determines that in the last few annual budget cycles, amendments to the recommended operating budget are not being distributed within the prescribed timeline. This is not in the best interests of the residents of the County. People who are affected by the budget and these amending resolutions are not given any time to evaluate the financial impact of budget amendments, the Budget Office is not given any time to do any financial analysis, and the public at large is deprived of information about the budget until the time of the vote. Moreover, legislators are deprived of the opportunity to read the details of the proposed budget plan. This delay makes a mockery of transparency in the budget process and deprives the public of intelligent comment during any public portion of the meeting of the Legislature wherein the budget is adopted.

Therefore the purpose of this law is to require that the cutoff date for the distribution of budget amendment resolutions by members of the County Legislature and that such resolutions be placed on the desks or tables of the County Legislators shall be at least two days immediately preceding the date scheduled for the actual vote on such budget amending resolutions.

Section 2. Amendments.

A.) Section C4-10(B)(2) of Article IV of the Suffolk County Charter is hereby amended as follows:

Article II
The County Legislature

***

2. The Presiding Officer of the County Legislature shall establish a cutoff date each year for the filing of budget amendment resolutions by members of the County Legislature which date shall be a reasonable number of days immediately preceding the date scheduled for the actual vote on such budget amendment resolutions, provisions of § C2-12A of the Suffolk County Charter to the contrary notwithstanding. The Presiding Officer of the County Legislature shall also establish a cutoff date for the distribution of budget amendment resolutions by members of the County Legislature which date shall be at least two days immediately preceding the date scheduled for the actual vote on such budget amendment resolutions, provisions of § C2-12A of the Suffolk County Charter to the contrary notwithstanding, [, unless such deadline is waived by the Presiding Officer at the request of the Director of the Legislative Office of Budget Review pursuant to a written determination by the Director of the Legislative Office of Budget Review that such deadline cannot be met by his or her office.]
B.) Section C4-10(B)(3) of Article IV of the Suffolk County Charter is hereby amended as follows:

3. PROPOSED LOCAL LAW YEAR 2010

TITLE: I.R. NO. -2010; A CHARTER LAW STRENGTHENING THE BUDGET ADOPTION PROCESS

Pursuant to the SUFFOLK COUNTY CHARTER, the County Legislature amends the County Executive’s recommended operating budget each year by adopting budget amendment resolutions. Under current law, these resolutions must be “laid on the table” and distributed to the Legislators at least two days prior to the scheduled vote on such amendments. However, the Presiding Officer may waive that deadline if the Budget Review Office determines that this two day deadline cannot be met.

This proposed law would eliminate the Presiding Officer’s authority to waive the filing deadline for budget amendment resolutions.

This law is made subject to a permissive referendum.
