County Executive of Suffolk County
RESOLUTION NO. -2010, ADOPTING LOCAL LAW
NO. -2010, A LOCAL LAW TO REGULATE THE OFF-
ROAD USE OF FOUR WHEEL DRIVE VEHICLES AND
MOTORCYCLES

WHEREAS, there was duly presented and introduced to this County Legislature
at a meeting held on __________, 2010, a proposed local law entitled, "A LOCAL LAW TO
REGULATE THE OFF-ROAD USE OF FOUR WHEEL DRIVE VEHICLES AND
MOTORCYCLES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO REGULATE THE OFF-ROAD USE OF FOUR
WHEEL DRIVE VEHICLES AND MOTORCYCLES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Suffolk County has an
extraordinary amount of public property that has been preserved for park and environmental
uses by the State, County and local governments.

This Legislature also finds and determines that, in the 1990s, all-terrain vehicles
became a common hobby in Suffolk County, with many people taking these vehicles off-road
through public and private property.

This Legislature further finds and determines that in the late 1990s and early part
of this decade, Suffolk County passed laws regulating the use of all-terrain vehicles on public
and private property in an effort to protect these lands.

This Legislature finds that protected areas of the Pine Barrens have recently
sustained damaged from four wheel drive passenger vehicles and motorcycles driving off-road
throughout the area.

This Legislature determines that these vehicles disturb soil, uncover underground
power lines, and otherwise damage environmentally sensitive properties.

This Legislature also finds that Suffolk County should regulate the off-road use of
four wheel drive vehicles and motorcycles to protect the public safety, environment, and general
welfare of the County and its residents.
Therefore, the purpose of this law is to regulate the use of four wheel drive vehicles and motorcycles off public highways, prohibiting their use on public property and requiring written consent of private property owners prior to operating such vehicles off-road.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

“CRIME” shall mean a third conviction for a violation of this law after having been twice convicted of such violations within the previous five years.

“FOUR WHEEL DRIVE VEHICLE” shall mean any motor vehicle, as defined in § 125 of the New York State Vehicle and Traffic Law, which has four wheel or all wheel driving technology and is designed to be used both on and off public highways. This term shall not include any tractors, farm equipment or any vehicles used for law enforcement, fire, emergency or military purposes.

“MOTORCYCLE” shall mean any motor vehicle having a seat or saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground. This term shall not include tractors.

“OPERATE” shall mean to ride in, use or control the operation of a four wheel drive vehicle.

“OPERATOR” shall mean any person who operates or is in physical control of a four wheel drive vehicle.

“PERSON” shall mean a natural individual. This term shall not include a police officer, peace officer or member of the United States Armed Forces acting within the scope of his or her public employment or duties.

“PUBLIC HIGHWAY” shall mean any highway, road, alley, street, avenue, public place, public driveway or any other public way.

“SELL” shall mean to sell, exchange, give or dispose of to another, or to offer to agree to do the same for good and valuable consideration.

Section 3. Limitations on use.

A. Public property. No person shall operate a four wheel drive vehicle or motorcycle off a public highway on public property in the County of Suffolk. This restriction shall not apply to persons who have a valid permit from the appropriate jurisdiction to engage in off-road driving.

B. Private property. No person shall operate a four wheel drive vehicle or motorcycle off a public highway on private property in the County of Suffolk unless he or she has first obtained the express written consent of the property owner to operate the vehicle on the property. There shall be a rebuttable presumption that the operator of a four wheel drive vehicle or motorcycle off a public highway on private property in Suffolk County lacks the consent to operate the vehicle if the operator cannot produce written consent from the property owner.
Section 4. Penalties.

A. A violation of Section 3(A) or (B) of this law shall be a criminal violation, the first conviction for which shall be punishable by a fine no less than two hundred fifty dollars ($250.00) nor greater than five hundred dollars ($500.00). A second conviction within five years of an initial violation shall be punishable by a fine not less than seven hundred fifty dollars ($750.00) nor greater than one thousand five hundred dollars ($1,500.00).

B. Any third or subsequent violations of this law within a five year period shall constitute an unclassified misdemeanor and shall be punishable by a fine of up to five thousand dollars ($5,000) and/or up to one year’s imprisonment.

C. The parent or legal guardian, other than a state or legal social services department foster parent having custody, of any unemancipated person under the age of 18 years found guilty of a violation of this law shall be responsible for the payment of the fine imposed by a court of competent jurisdiction for such violation. In no event shall it be a defense that the parent or legal guardian has exercised due diligent supervision over the activities of the person under the age of 18 years.

D. The parent or legal guardian, other than a state or legal social services department foster parent having custody, of any unemancipated person under the age of 18 found guilty of a violation of this law shall be responsible for restitution for any damage caused to real property or improvements located thereon owned and/or operated by the County of Suffolk. In no event shall it be a defense that the parent or legal guardian has exercised due diligent supervision over the activities of the person under the age of 18 years.

Section 5. Impoundment, redemption, and forfeiture.

A. Impoundment, redemption. In addition to the penalties set forth in Section 4 of this law, a police officer or peace officer may immediately impound a four wheel drive vehicle or motorcycle operated in violation of this law. Such impounded vehicle shall be stored by the pertinent police department or enforcement agency pending identification of the owner as registered with the New York State Department of Motor Vehicles. Such titled owner shall be sent notice of such impoundment at the address on file with the New York State Department of Motor Vehicles by certified mail within five days after the impoundment. The law enforcement agency shall not be responsible for any damages arising out of the provision of an erroneous name or address of such owner. The owner of the vehicle utilized in violation of this law may redeem the same upon satisfactory proof of ownership and payment of a redemption fee of five hundred dollars ($500.00). Such impounded vehicle may only be released to the owner of the vehicle or to his or her agent as evidenced by a written, notarized agent agreement or duly executed power of attorney.

B. Forfeiture. A civil action shall be commenced by the County Attorney, or his or her designee, against a criminal defendant to forfeit a seized four wheel drive vehicle or motorcycle if it can be demonstrated that the vehicle was seized in connection with the violation of this law by an individual who has been twice convicted of violating this law within the previous five-years, except that no vehicle shall be forfeited by reason of any act or omission established by the owner thereof to have been committed or omitted by
any person other than the owner while the subject property was unlawfully in the possession of a person other than the owner.

1. A civil action may also be commenced against a non-criminal defendant to forfeit a four wheel drive vehicle or motorcycle used in the violation of this law subject to the same exceptions contained in Subsections A and B of this section.

2. All actions commenced under this law shall be governed by the procedures enumerated in Article 13-A of the New York Civil Practice Laws and Rules, where not specifically outlined herein.

3. The seizing agency shall send notification of the seizure to all titled owners, registrants and lien holders on file with the Department of Motor Vehicles by certified mail, return receipt requested, within five business days after the seizure. Such notification shall inform the recipient that there is a right to an administrative preliminary hearing to determine whether probable cause exists to believe that the property was used in the violation of this law, and that any person or entity claiming an interest in the property may request a hearing within 15 days of the seizure. When desired, the request must be made in writing, by certified mail, return receipt requested, to the seizing agency at the address contained in the notification. The seizing agency shall schedule the hearing within 10 business days after the request is received or as soon as practicable thereafter.

4. When an administrative preliminary hearing is held, the administrative hearing officer shall review the documents supporting the seizure and any other relevant documents and take any testimony to determine whether there is probable cause to believe that the property was used, was attempted to be used, or was intended to be used in the violation of this law. If probable cause is established by the claimant, the hearing officer shall authorize the seizure and continued retention of the property by the seizing agency pending a judicial determination of the ancillary civil forfeiture action. The administrative hearing officer shall render a ruling within five business days after such hearing, with a copy of such ruling to be provided to all parties.

5. No four wheel drive vehicle or motorcycle shall be forfeited under this law to the extent of the interest of an owner or lienholder by reason of any act or omission established by that owner or lienholder to have been committed without the knowledge of that owner or lienholder. The owner or lienholder must have taken all prudent steps to prevent the illegal use of his or her property. Willful disregard by the owner or lienholder of the acts giving rise to the forfeiture shall not constitute a defense to such forfeiture.

6. Any action to forfeit a seized four wheel drive vehicle or motorcycle under this law shall be commenced within 120 days after the seizure, and said action shall be civil, remedial in nature, and shall not be deemed to be a penalty or criminal forfeiture for any purpose. An action under this law shall not be deemed a criminal proceeding of any type. The action shall be commenced in the manner prescribed by the New York Civil Practice Laws and Rules. Potential claimants to the seized asset shall be served with a summons and
notice or summons and verified complaint. No four wheel drive vehicle or motorcycle shall be forfeited without service of notice upon potential claimants to the seized vehicle and the opportunity for a hearing given prior to such forfeiture.

7. In order to establish its case in any action commenced under this law, the County shall demonstrate, by clear and convincing evidence, that the four wheel drive vehicle or motorcycle in question is subject to forfeiture at the time of commission of the crime which precipitated the seizure or the commencement of an action for the seizure of the property without regard to the final determination of any criminal action brought against the individual for such crime. The owner or lienholder of the vehicle shall then have the burden of providing a lack of knowledge or lack of consent on behalf of said owner or lienholder sufficient to constitute a defense to such forfeiture.

8. All four wheel drive vehicles and motorcycles seized pursuant to this law shall be subject to reasonable and customary towing and daily storage fees. Such fees shall be payable to the seizing agent prior to the release of said property.

Section 6. Disposition of forfeited four wheel drive vehicles.

A. Whenever four wheel drive vehicles or motorcycles are forfeited under this law, the County Attorney, or his or her respective designee, may:

1. Transfer the vehicle to any County agency, department or other political subdivision which demonstrates a need for the vehicle so that the vehicle may be put into official use by that agency, department or other political subdivision.

2. Sell any forfeited vehicle which is not required to be destroyed by the law and which is not harmful to the public.

3. Transfer the vehicle to any County-funded agency or organization demonstrating need for the vehicle so that the vehicle may be put into use by the funded agency or organization in the regular course of business of that funded agency or organization. Any such transfer of forfeited vehicles under this subsection may result in an in-kind deduction from those funds paid by the County to the specific agency or organization.

B. Any funds generated by the sale of forfeited four wheel drive vehicles or motorcycles, minus the necessary expenses incurred in connection with the maintenance, storage and sale of the vehicles prior to disposition and the satisfaction of any valid liens on said vehicles, shall be distributed as follows:

1. Twenty percent to the Office of the County Attorney to offset costs and expenses incurred in the investigation, preparation, and litigation of the forfeiture action, including that proportion of the salaries of the attorneys, clerical staff, and investigative personnel devoted thereto;
2. Ten percent to the Sheriff’s Department to offset costs and expenses incurred in the service of process of the civil forfeiture actions, including that proportion of the salaries of the personnel devoted thereto;

3. Thirty percent shall be deposited into an asset forfeiture fund in a separate, non-lapsing law enforcement purposes subaccount of the seizing law enforcement agency; and

4. Forty percent shall be deposited into an asset forfeiture fund in a separate, non-lapsing law enforcement purposes subaccount of the Suffolk County Parks Department.

Section 7. Discretionary action.

A. Nothing contained in this law shall require the County Attorney, or his or her respective designee, to commence a forfeiture action when, in his or her discretion, it is in the interests of justice not to commence such an action.

B. Nothing contained in this law shall require a court to order forfeiture when it determines, in its discretion, that it is in the interests of justice not to do so.

C. Any property so impounded after seizure shall remain in the custody of the seizing law enforcement agency, except pursuant to a certificate which orders the release of the property in the interest of justice or a showing of legal impediment and subject to the post-seizure retention hearing authorized under Section 5(B) of this law. In order to obtain such a certificate, a party alleging a legal interest in the property seized may commence a special proceeding, in the court in which the forfeiture action may be commenced, requesting the issue of such a certificate on notice to Suffolk County or by filing an appropriate motion after Suffolk County has commenced an action to forfeit the property. In either event, it shall be the obligation of Suffolk County to provide notice of the proceeding to any other parties known to Suffolk County at the time of the proceeding to have a legal interest in the property. The court shall render a ruling in such special proceeding or motion within five business days after such filing or hearing, whichever event occurs last.

Section 8. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 9. Severability.

PROPOSED LOCAL LAW YEAR 2010

TITLE: I.R. NO. -2010; A LOCAL LAW TO REGULATE THE OFF-ROAD USE OF FOUR WHEEL DRIVE VEHICLES AND MOTORCYCLES

SPONSOR: LEGISLATOR BROWNING

DATE OF RECEIPT BY COUNSEL: 12/9/10   PUBLIC HEARING: 

DATE ADOPTED/NOT ADOPTED: 2010   CERTIFIED COPY RECEIVED: 2010

Chapter 469 of the SUFFOLK COUNTY CODE limits the use of all-terrain vehicles on public and private property. This proposed local law would impose similar restrictions on the use of four wheel drive vehicles\(^1\) and motorcycles\(^2\).

Under this law, no person shall operate a four wheel drive vehicle or motorcycle off-road on public property without a valid permit. No person shall operate such vehicles off-road on private property without the express written consent of the property owner.

Violation of this law shall constitute a criminal act. A first violation of this law shall constitute a violation and be subject to a fine not less than two hundred fifty dollars ($250.00) nor more than five hundred dollars ($500.00). A second violation within five (5) years of the first shall be punishable by a fine not less than seven hundred fifty dollars ($750.00), nor more than one thousand five hundred dollars ($1,500.00). Any subsequent violations of this law within a five (5) year period shall constitute an unclassified misdemeanor, punishable by a fine of up to five thousand dollars ($5,000.00) and/or up to one year’s imprisonment.

Additionally, law enforcement may impound any four wheel drive vehicle or motorcycle operating in violation of this law. Such impounded vehicles may be redeemed by the vehicle’s owner for a fee of five hundred dollars ($500.00).

---

\(^1\) “Four wheel drive vehicle” is defined as “any motor vehicle, as defined in § 125 of the New York State Vehicle and Traffic Law, which has four wheel or all wheel driving technology and is designed to be used both on and off public highways. This term shall not include any tractors, farm equipment or any vehicles used for law enforcement, fire, emergency or military purposes.”

\(^2\) “Motorcycle” is defined as “any motor vehicle having a seat or saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground. This term shall not include tractors.”
This law also authorizes the County Attorney to initiate a civil action seeking the forfeiture of a seized four wheel drive vehicle or motorcycle used as the instrumentality of a crime within one hundred twenty (120) days of the vehicle's seizure if it can be demonstrated that the vehicle was seized in connection with the criminal action of an individual who has been twice convicted of violating this law within the previous five (5) years. Any vehicles forfeited pursuant to this law shall be disposed of by the County Attorney either by transfer to a County agency department or political subdivision, sale of the vehicle, or transfer to a County-funded agency or organization demonstrating need for the vehicle to be used in the regular course of business. Funds generated from the sale of forfeited vehicles shall be distributed among the Office of the County Attorney, Sheriff's Department, an asset forfeiture fund for the seizing law enforcement agency, and an asset forfeiture fund for the Suffolk County Parks Department.

This law will take effect immediately upon its filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW TO ELIMINATE REQUIREMENT FOR VERBATIM MINUTES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2010 a proposed local law entitled, "A CHARTER LAW TO ELIMINATE REQUIREMENT FOR VERBATIM MINUTES"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO ELIMINATE REQUIREMENT FOR VERBATIM MINUTES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Council on Environmental Quality ("CEQ") is an advisory board that assists the County of Suffolk in implementing and complying with the State Environmental Quality Review Act ("SEQRA").

This Legislature finds that the County of Suffolk enacted a local law in 2002 requiring CEQ to maintain verbatim minutes of all its meetings.

This Legislature finds that it is not necessary under New York’s Open Meetings Law for any public body to maintain verbatim minutes of their meetings.

This Legislature further finds that CEQ must hire a court reporting company to provide verbatim minutes of its meetings.

This Legislature further determines that there is no compelling rationale for CEQ to maintain verbatim minutes of its meetings.

This Legislature also finds that tax dollars can be saved by eliminating the unnecessary requirement that CEQ maintain verbatim minutes.

Therefore, the purpose of this law is to eliminate the requirement that CEQ maintain verbatim minutes of its meetings.

Section 2. Amendment.

Subsection (D) of Section C1-4 of the SUFFOLK COUNTY CHARTER and Local Law 11-2002 are hereby repealed in their entirety.
Section 3. Applicability.

This law shall apply to the meetings of the Council on Environmental Quality occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

RESOLUTION NO. -2010, ADOPTING LOCAL LAW NO. -2010, A CHARTER LAW TO PROVIDE FOR FAIR AND EQUITABLE DISTRIBUTION OF PUBLIC SAFETY SALES AND COMPENSATING USE TAX REVENUES

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on 2010, a proposed local law entitled, "A CHARTER LAW TO PROVIDE FOR FAIR AND EQUITABLE DISTRIBUTION OF PUBLIC SAFETY SALES AND COMPENSATING USE TAX REVENUES," and said local law in final form is the same as when presented and introduced; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2010, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO PROVIDE FOR FAIR AND EQUITABLE DISTRIBUTION OF PUBLIC SAFETY SALES AND COMPENSATING USE TAX REVENUES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk is authorized to allocate between one-eighth and three-eighths of the revenue generated from the County additional 1% sales and compensating use tax for public safety purposes.

This Legislature also finds that because sales taxes are collected from all over Suffolk County, sales tax revenue generated for public safety purposes should be allocated equitably between the Suffolk County Police District and those towns and villages that maintain their own police forces.

This Legislature determines that Local Law 18-1998 attempted to establish an equitable formula distributing public safety sales tax revenues but, unfortunately, the formula was confusing and compliance with the law has been uneven, at best.

This Legislature also determines that it is necessary to update and clarify the County's formula for allocating public safety sales tax revenues.

Therefore, the purpose of this law is to amend the Suffolk County Charter to establish a fair, population-based formula that will ensure that public safety sales tax revenues are shared equitably between the Suffolk County Police District and the towns and villages lying outside the district.

Section 2. Amendments.

Article IV of the SUFFOLK COUNTY CHARTER is hereby amended as follows:
ARTICLE IV
County Budget and Capital Program

§ C4-6. Submission of proposed county budget by County Executive.

J. The proposed expense budget for any fiscal year shall include in the budget document required by Subsection A(2) of this section special payments to the following municipalities: the Towns of Riverhead, Southampton, Shelter Island, Southold and East Hampton and the Villages of Amityville, Ocean Beach, [Saltaire] Saltaire, Head of Harbor, Nissequogue, Asharoken, Huntington Bay, Lloyd Harbor, Northport, Westhampton Beach, Quogue, Sag Harbor, Southampton, [North Haven] and East Hampton, for public safety purposes from the county's general [1/8] 1/4 of 1% public safety sales and compensating use tax revenues for as long as such [1/8] 1/4 of 1% sales and compensating use tax revenue component, or any successor component thereto, is in effect in Suffolk County. [The special payments shall be based on the respective shares (measured as a percentage) that each municipality bears to all others in the adopted 1997 county operating budget and shall be adjusted upward or downward for years subsequent to fiscal year 1997 by taking into account any increases or decreases each year in the sales and compensating use tax revenues generated by the 1/8 of 1% sales and compensating use tax revenue component.] The special payments shall be computed by multiplying the amount allocated to the Police District Fund by a fraction equal to the total population residing within the aforesaid municipalities divided by the total population of the County. This amount shall then be divided among the municipalities based upon the respective percentage that the population of each municipality bears to all others as determined by the most recent published population survey as published by the Long Island Power Authority (LIPA) or any successor thereto.

C4-10. Action by County Legislature on proposed budget.

K. The adopted expense budget for any fiscal year shall include special payments to the following municipalities: the Towns of Riverhead, Southampton, Shelter Island, Southold and East Hampton and the Villages of Amityville, Ocean Beach, Saltaire, Head of Harbor, Nissequogue, Asharoken, Huntington Bay, Lloyd Harbor, Northport, Westhampton Beach, Quogue, Sag Harbor, Southampton, and East Hampton, for public safety purposes from the county's general 1/4 of 1% public safety sales and compensating use tax revenues for as long as such 1/4 of 1% sales and compensating use tax revenue component, or any successor component thereto, is in effect in Suffolk County. The special payments shall be computed by multiplying the amount allocated to the Police District Fund by a fraction equal to the total population residing within the aforesaid municipalities divided by the total population of the County. This amount shall then be divided among the municipalities based upon the respective percentage that the population of each municipality bears to all others as determined by the most recent
published population survey as published by the Long Island Power Authority (LIPA) or any successor thereto.

* * * *

Section 3. Applicability.

This law shall apply to expense budgets proposed and adopted on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the office of the Secretary of State.

This proposed law would amend and clarify the County’s charter provisions relating to the allocation of public safety revenues generated by the County’s additional 1% sales tax for public safety purposes.¹

Specifically, this law would require that the towns and villages located outside the Suffolk County Police District receive a proportionate share of the public safety sales tax revenues, based on population.² The County Executive would be required to propose, and the Legislature would be required to adopt, an operating budget that provides for such payments.

This law is made subject to a permissive referendum.

¹ Section 1262-j of NEW YORK TAX LAW authorizes the County to use between one-eighth and three-eighths of the revenue generated by the additional 1% sales and compensating use tax for public safety purposes.
² The payments to towns and villages will be calculated by multiplying the amount of sales tax revenues allocated to the Police District by a fraction equal to the population residing within these municipalities divided by the total population of Suffolk County. This amount will then be divided among the towns and villages based upon their respective populations.
