RESOLUTION NO. -2009, AUTHORIZING
THE USE OF NEIGHBORHOOD STABILIZATION PROGRAM
GRANT FUNDS TO BE ALLOCATED PENDING DISCLOSURE
OF NEEDS STUDY

WHEREAS, pursuant to the Federal Housing and Economic Recovery Act of 2008, the Suffolk County Office of Community Development applied for funding under the Neighborhood Stabilization Program to address the problem of abandoned and foreclosed homes; and

WHEREAS, foreclosed homes sit unoccupied for long periods of time, thereby encouraging vandalism; and foreclosed homes lead to declines in the values of neighboring homes; and foreclosed homes lead to increased incidents of crime in the affected communities; and foreclosed homes lead to significant disinvestment in the affected communities, all of which accelerate and magnify the severe economic harm that results from the current stagnating and declining local economic activity; and

WHEREAS, the United States Department of Housing and Urban Development has outlined provisions governing the Neighborhood Stabilization Program, including, but not limited to:

a.) Grantees must ensure that all citizens have equal access to information about the program.

b.) Grant funds must be distributed to the areas of greatest need, including those with the greatest percentage of home foreclosures, the highest percentage of homes financed with subprime mortgages, and identified by the grantee as likely to face a significant rise in the rate of home foreclosures.

c.) The grantee must address the three need categories stated above, but may also consider other need categories.

WHEREAS, Suffolk County Office of Community Development, in its application for Neighborhood Stabilization Program funds, identified eight communities as eligible for NSP funding and determined that Mastic, Mastic Beach, and Shirley will receive the largest portion of the funding, while Selden, Centereach, East Patchogue, Coram and Medford were identified as additional communities with a high level of need; and

WHEREAS, the County of Suffolk, hereinafter referred to as the “Applicant” of the Community Development Block Grant consortium, which includes all of the County except for the Town of Babylon and the Town of Islip, after thorough consideration of the $5.68 million to be allocated to the County, for the purpose of promoting sustainability, stability through homeownership, and expanding access to affordable housing, has hereby determined that a standard for conducting the data analysis required by HUD regulations must be established, to ensure that every high-risk area has been considered, and make the analytic process accessible to all citizens and interested parties; and
WHEREAS, the Applicant, due to the expedited nature of the Neighborhood Stabilization Program and the short statutory time frames in which to construct an action plan, has hereby recognized the need to establish a formal County policy of acquiring and rehabilitating foreclosed homes, thus minimizing any potential for waste and misuse of program funds; now, therefore be it

and be it further

II. PROGRAMMATIC TERMS AND CONDITIONS

2nd RESOLVED, that the Applicant hereby agrees to abide by those conditions outlined by the U.S. Department of Housing and Urban Development, in the event that the aforementioned aid or grants are secured, in addition the following guidelines:

RESOLUTION NO. -2009, ADOPTING LOCAL LAW NO. -2009, A LOCAL LAW TO IMPROVE PROTECTIONS TO RESIDENTS OF PLANNED RETIREMENT COMMUNITIES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2009, a proposed local law entitled, "A LOCAL LAW TO IMPROVE PROTECTIONS TO RESIDENTS OF PLANNED RETIREMENT COMMUNITIES;" now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2009, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO IMPROVE PROTECTIONS TO RESIDENTS OF PLANNED RETIREMENT COMMUNITIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Suffolk County Legislature enacted Local Law No. 1-2007 (codified in Chapter 383 of the SUFFOLK COUNTY CODE) to protect occupants of homes in planned retirement communities.

This Legislature also finds and determines that a lawsuit was commenced challenging the validity of this law.

This Legislature further finds and determines that, while the majority of Local Law No. 1-2007 was upheld by the courts, certain provisions were invalidated.

Therefore, the purpose of this law is to amend Chapter 383 of the SUFFOLK COUNTY CODE to ensure that adequate protections are provided to occupants of homes in planned retirement communities in Suffolk County.

Section 2. Amendments.

Chapter 383 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Chapter 383. Planned Retirement Communities

****

§ 383-3. Leases.

(A) Any planned retirement community owner or operator shall offer every homeowner or tenant the opportunity to sign a long term lease [for ninety-nine
years. with [the sole] an option of the homeowner or tenant to cancel said lease for reasonable cause on ninety days written notice to said owner or operator.

(B) A copy of the planned retirement community’s rules and regulations, if any, shall be attached to and become a part of the lease provided for by this section, as if fully set forth therein and that said rules and regulations may not be changed, altered, amended or modified without the written consent of three-fourths of all homeowners or tenants then in residence[,] with the consent of the planned retirement community owner or operation, which consent shall not be unreasonably withheld.

****

****

(F) No rule or regulation may be added, amended, repealed or changed by the planned retirement community owner or operator without the written consent of [all] three-fourths of the then residing homeowners or tenants.

****

§383-7. Sale of homes.

(A) The homeowner has the [unrestricted] right to sell his home in the said planned retirement community [,] without unreasonable, arbitrary restrictions being placed thereon by the planned retirement community owner or operator.

(B) The right to sell a planned retirement community home includes the incidental right to use any and all methods common to sales of residential property.

(C) The planned retirement community homeowner’s lease agreement is assignable to a subsequent purchaser, without unreasonable or arbitrary conditions or restrictions by the planned retirement community owner or operator.

****

§ 383-10. Furnishing services.

(A) Any planned retirement community owner or operator who has agreed to provide hot or cold water, heat, light, power, or any other service or facility to an occupant of the planned retirement community shall not intentionally or willfully fail to furnish such services or otherwise interfere with a quiet enjoyment on the leased premises.

(B) Planned retirement community owners or operators must provide every homeowner or tenant by December 1st of each year the annual base residency charge for the coming year along with an itemized accounting of how those charges were calculated based on a stated overall cost for providing services and maintenance for the community in its entirety.
§383-12. Penalties and Remedies.

(A) Any planned retirement community owner or operation who unlawfully violates a provision of this law shall be subject to [guilty of a misdemeanor punishable by] a fine not to exceed five hundred dollars ($500) [and/or imprisonment not to exceed six (6) months] for each day a violation exists.

(B) Any planned retirement community home owner or tenant injured or damaged in whole or in part as a result of a violation of any of the provisions of this section may bring an action for recovery of damages [in an amount not to exceed three times the actual damages or five hundred dollars, whichever is greater.] plus reasonable attorney’s fees. The remedy shall be in addition to and shall not preclude or diminish any action that an individual may have under common law or any local, state or federal law or regulation.

(C) The Suffolk County Attorney may commence an action to restrain, prevent, and/or enjoin a violation of this section or a continuance of such violation of this section or a continuance of such violation by a planned retirement community owner or operator.

Section 3. Applicability.

This law shall apply to all sales, leases, or other actions involving planned retirement communities occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality
(CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect on the thirtieth (30th) day immediately subsequent to filing in the Office of the Secretary of State.

RESOLUTION NO. 1223-2009, DIRECTING THE SUFFOLK COUNTY DEPARTMENT OF HEALTH SERVICES TO ESTABLISH AN ONLINE HEALTHCARE DIRECTIVES REGISTRY FOR SUFFOLK COUNTY RESIDENTS

WHEREAS, healthcare proxy statements, living wills, do not resuscitate orders, and medical orders for life sustaining treatment are all healthcare directives that, when prepared in advance, provide a voice to patients when they are no longer able to participate in making treatment decisions; and

WHEREAS, healthcare directives are documents containing critical information regarding what types of treatment a patient wants and who they want making treatment decisions on their behalf; and

WHEREAS, often, patients do not have copies of these documents with them when they are brought to a hospital for treatment, particularly for emergency treatment; and

WHEREAS, without having access to these documents, healthcare workers and the patient’s loved ones may make treatment decisions that a patient would not have otherwise consented to; and

WHEREAS, maintaining a registry of these healthcare directives online would allow patients, their loved ones and healthcare professionals to have access to them at any time, which will ensure that patients are treated in a manner consistent with their wishes; and

WHEREAS, one successful program that has been utilized by multiple counties in New York to provide these services is “Assuring Your Wishes” (www.assuringyourwishes.org), 11 Stokum Lane, New City, County of Rockland, State of New York 10956; and

WHEREAS, Assuring Your Wishes, a not-for-profit organization, runs a healthcare directives online database that protects the privacy of individuals while allowing these documents to be readily available to healthcare professionals and loved ones; and

WHEREAS, other counties have found that utilizing the Assuring Your Wishes service is easier and more cost effective than developing and implementing an independent online registry; and

WHEREAS, Suffolk County seeks to join other state and local governments in providing this important service to its residents and it appears this goal can be achieved at a reasonable cost; now, therefore be it

1st RESOLVED, that the Commissioner of the Suffolk County Department of Health Services is hereby authorized, empowered and directed to establish an online healthcare directives registry for use by the residents and healthcare providers of Suffolk County; and be it further
2nd RESOLVED, that the Department of Health Services shall explore the feasibility of establishing this online healthcare directives registry through Assuring Your Wishes; and be it further

3rd RESOLVED, that the Suffolk County Department of Health Services is hereby authorized and empowered to collect advanced healthcare directives from residents of Suffolk County who would like to use the online storage service; and be it further

4th RESOLVED, that the Department of Health Services shall, within one hundred twenty (120) days after the effective date of this resolution, provide a written report to the County Legislature and the County Executive describing how they have implemented an online healthcare directives registry; and be it further

5th RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

RESOLUTION NO. –2009, REQUIRING THE POSTING OF
ALL COUNTY LEGAL NOTICES ON-LINE

WHEREAS, local laws, notices and certain other matters are required, under
state and county law, to be published in the County’s official newspapers; and

WHEREAS, the County of Suffolk expends hundreds of thousands of dollars
each year for the publication of legal notices but reaches a very limited audience by doing so; and

WHEREAS, the Clerk of the County Legislature now posts all legislative legal
notices on the Legislature’s website; and

WHEREAS, posting notices on-line allows many more County residents to
access the information contained in the legal notices; and

WHEREAS, Suffolk County should endeavor to post all of its legal notices on-line
to better inform the public; such a policy could also serve as a useful demonstration project that
would encourage the State Legislature to authorize counties to post legal notices on-line in lieu
of costly publication; now, therefore be it

1st RESOLVED, that each department, office and agency of Suffolk County
government is hereby directed to provide an electronic copy of all legal notices it publishes in
the official county newspapers to the Clerk of the Suffolk County Legislature; and be it further

2nd RESOLVED, that the Clerk of the Legislature is hereby authorized, empowered
and directed to post all legal notices it receives from County departments, offices and agencies
on the website of the County Legislature; and be it further

3rd RESOLVED, that this Legislature, being the State Environmental Quality Review

A LOCAL LAW CLARIFYING MEMBERSHIP REQUIREMENTS FOR THE CHILD PROTECTIVE ADVISORY BOARD

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the Child Protective Advisory Board ("the Board") was established by Resolution No. 131-1973 to advise and educate in the protection of children in Suffolk County. This board is made up of representatives from the County Legislature, the County Executive's office, the Department of Social Services, and non-governmental members from the fields of: medicine, mental health, school nurses, hospital staff, elementary school teachers, probation officers, social workers, education, and the Suffolk County Concerned Citizens for Child Protection.

This Legislature also finds and determines that many of the appointed nongovernmental members of the Board are Executive Directors of the organizations they represent.

This Legislature further finds and determines that the nongovernmental members of the Board should be allowed to send a designee to Board meetings.

Therefore, the purpose of this law is to provide nongovernmental members of the Child Protective Advisory Board with the ability to designate a representative to attend meetings they can not attend.

Section 2. Amendments.

Section A10-2 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Article X, Department of Social Services
§A10-2. Child Protective Advisory Board

D. Said nongovernmental members of the Advisory Board shall be appointed by the County Executive with the approval of the Legislature, to serve at the pleasure of the Legislature, with no compensation other than reimbursement for necessary expenses in connection with duties performed pursuant to this section. Nongovernmental members of the Advisory Board may designate one personal representative who may attend and participate in meetings of the Advisory Board in their stead. Said designation shall be made in writing and filed with the Chairperson of the Advisory Board.

Section 3. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk
New York will meet at the County Center in the meeting room of the Suffolk County Legislature
in Hauppauge, New York, in said County, on May 12, 2009 at 2:30 PM, Prevailing Time, for the
purpose of conducting a public hearing upon a proposal to plan the increase and improve the
infrastructure facilities that are associated with electrical and mechanical systems and building
renovations for Suffolk County Sewer District No. 3 – Southwest in and about the Towns of
Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans,
report and recommendations prepared by and filed with the County legislature by the Suffolk
County Sewer Agency with the assistance of the Suffolk County Department of Public Works,
at which time and place said Suffolk County Legislature will consider such proposal and hear all
parties interested therein concerning the same.
The project is to provide improvements to buildings, electrical systems, mechanical systems, HVAC and auxiliary equipment to extend the life to support treatment processes. The cost opinion associated with the project is $2.0 million for the infrastructure improvement project. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2010. Based on the project schedule, the maximum payment will be during 2011 at a value of $187,800. Financing is at 5.5% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately $1.92 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the towns resulting in an increase of $0.005091 per $1,000 of full value for Capital Project 8170, the Infrastructure Improvement Project.

In addition to the Infrastructure Improvement Project there are three concurrent projects in Sewer District No. 3 - Southwest. The total increase per typical property for all four projects is approximately $15.53.

SUBJECT: Calling for a Public Hearing for the Purpose of Considering the Increase and Improvement of Facilities for Sewer District No. 3 – Southwest (Infrastructure Improvements) CP 8170
DATE: February 27, 2009

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW-bw CP 8170 – SD 3 – Southwest (Infrastructure Improvements) Hearing 2-27-09 and backup filed as Backup DPW-bw CP 8170 – SD 3 – Southwest (Infrastructure Improvements) Hearing 2-27-09. The resolution calls for a public hearing to provide funds for the improvement to various infrastructure elements of Bergen Point including buildings, electrical, HVAC, and mechanical systems. Due to multiple capital projects for this sewer district, individual project reports are prepared for the public hearings. Considering capital projects 8132, 8180, and 8181 along with 8170 the total adopted program cost for 2009 is $16.2 million and results in an annual increase on the typical property of less than $16 per year. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on May 12, 2009 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to construct an ultraviolet disinfection system for Suffolk County Sewer District No. 3 – Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the Suffolk County Legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at
which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide construction of an ultraviolet disinfection system which includes a concrete chamber, ultraviolet equipment, electrical supply, a backup diesel generator, and miscellaneous auxiliary equipment. The cost opinion associated with the Ultraviolet Disinfection project is $10.0 million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2010. Based on the project schedule, the maximum debt payment will be during 2011 at a value of $939,000. Financing is at 5.5% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately $9.59 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the towns resulting in an increase of $0.025455 per $1,000 of full value for Capital Project 8132, the Ultraviolet Disinfection System.

In addition to the Ultraviolet Disinfection System project there are three concurrent projects in Sewer District No. 3 – Southwest. The total increase per typical property for all four projects is approximately $15.53.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.

2nd RESOLVED, this Legislature, being the lead agency under the State Environmental Review Act (“SEQRA”), Environmental Conservation Law Article 8, and pursuant to Resolutions Nos. 266-2005 and 984-2008 hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations (“NYCRR”), the Legislature has no further responsibilities under SEQRA, and be it further

From: Janet DeMarzo, Commissioner
      Department of Social Services

Date: March 3, 2009

Subject: REQUEST FOR LEGISLATIVE RESOLUTION:
Accepting 100% funding from the NYS OTDA for the Safety Net Assistance Project (SNAP)

I am requesting that the attached legislative resolution be submitted to the Suffolk County Legislature:

"ACCEPTING AND APPROPRIATING 100% GRANT FUNDING FROM THE NEW YORK STATE OFFICE OF TEMPORARY AND DISABILITY ASSISTANCE TO THE SUFFOLK COUNTY DEPARTMENT OF SOCIAL SERVICES FOR THE SAFETY NET ASSISTANCE PROJECT (SNAP) AND AUTHORIZING THE COUNTY EXECUTIVE AND THE COMMISSIONER OF SOCIAL SERVICES TO EXECUTE A CONTRACT."

The New York State Office of Temporary and Disability Assistance awarded Suffolk County Department of Social Services $100,000 in State Funding for the Education and Assistance Corporation (EAC) to provide specialized services to Safety Net Non Maintenance of Effort recipients. The purpose of this funding is to provide case management services targeting Safety Net Non MOE recipients with substance abuse or concurrent disabilities in early recovery, who have been absent from the work force. We anticipate that the program will start in May 2009.

Attached please find the above referenced resolution, the introduction form (SCIN Form 175a), the fiscal impact statement (SCIN Form 175b), and the grant approval letter from NYS. If you have any questions, please contact Patricia Clark at 854-9939.

Thank you.

Dear Commissioner DeMarzo:

Thank you for submitting your proposal to participate in the Safety Net Assistance Project (SNAP). I appreciate the time and effort that you and your staff spent in completing your submission. I am pleased to inform you that your proposal has been approved in the amount of $100,000 for the calendar year 2009.

Thirty-six proposals representing forty local districts totaling over $1.6 million were submitted in competition for $765,000 in available funds. You are to be commended for being one of the seventeen counties that were selected in a very competitive process. The large number of proposals is indicative of the interest in working with the exempt and work-limited Safety Net population.

As you prepare to implement your program please make sure that the enclosed requirements and claiming instructions are met.

Please contact Susanne Haag at (518) 486-6291 if you have any questions on SNAP or reporting through TRACS2. We look forward to working with you as you implement your program and greatly appreciate your efforts to provide specialized services for these needy adults.

Sincerely,

MEMORANDUM

TO: Ben Zwirn, Assistant Deputy County Executive
FROM: Thomas LaGuardia, P.E., Chief Deputy Commissioner
DATE: February 3, 2009
RE: AMENDING THE 2009 CAPITAL BUDGET AND PROGRAM AND APPROPRIATING FUNDS IN CONNECTION WITH IMPROVEMENTS TO CR 80, MONTAUK HIGHWAY, BETWEEN NYS 112 AND CR 101, SILLS ROAD, TOWN OF BROOKHAVEN (CP 5534)

Attached are a draft resolution and duplicate copy to appropriate the sum of $150,000 for construction inspection in connection with the above referenced project.

There are no funds included in the 2009 Capital Budget and Program for this project and, as such, an offset must be provided. We intend to use land acquisition funds from CP 5097, Reconstruction of CR 17, Carleton Avenue, Town of Islip. Row acquisition is no longer included in CP 5097, thus, the funds are available.

This project consists of widening key intersections and resurfacing CR 80, Montauk Highway. The project extends from NYS Rt. 112 to CR 101, Patchogue/Yaphank Rd./Sills Rd. (a distance of 1.1 miles). The key objective of the project is to improve traffic flow and safety on CR 80, Montauk Highway. Proposed construction will accommodate current traffic volumes, as well as those projected to exist twenty years after completion of construction, while minimizing impacts to the commercial properties located within the project limits. Additional project goals are to upgrade existing pavement and drainage systems, and to increase safety through the addition of turn lanes, off street parking, the modification of traffic control devices and installation of appropriate safety appurtenances and improve the visual aesthetics of the roadway.

Pursuant to the State Environmental Quality Review Act Environmental Conservation Law Article 8 (hereinafter “SEQRA”), Resolution No. 666 of 2002 classified the action contemplated by this as an Unlisted Action.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title...

SUBJECT: Request for Introductory Resolution - Capital Program 3416
Rehabilitation of the Fire-Rescue Communications Center

Attached for your review is a draft resolution appropriating the sum of $3,995,000.00 for the
planning, re-construction and rehabilitative equipping of the Suffolk County Fire-Rescue Com-
munica tions Center in its existing location on the lower level of the FRES administrative wing of
the Probation Building (C0110) on the Yaphank County Complex. It is my understanding that
this action is considered a Type II action under SEQRA as no substantive changes are being
made to the structure or the environment.

As you may be aware, the existing fire-rescue communications center radio control equipment
runs on a MS-DOS operating system, has surpassed its useful life expectancy and is no longer
supported by Motorola. Furthermore, it cannot be expanded to accommodate migration to addi-
tional frequency spectrum (UHF and 746 to 806 MHz) thereby preventing the department from
meeting the communication needs of the fire and emergency medical service providers. Addi-
tionally, the fourteen plus year old dispatch console furniture itself is suffering from the wear and tear
of a 24 X 7 operation. Repair now is problematic and, as the consoles continue to deteriorate, re-
pair will virtually be impossible. Similarly, as communications equipment needs have grown over
the years, a need for additional conditioned, uninterruptible power has risen proportionately as
well, particularly since the CAD system was brought on line in 2005. The power demand is ex-
pected to further expand to accommodate the expansion to the UHF frequency spectrum that is
an immediate need and the 746 to 806 MHz spectrum for the future transition of the fire service
onto the county 800 MHz trucked radio system. The increased heat load resulting from new radio
and computer equipment will also drive a need to supplement or expand the HVAC capabilities of
both the communications center and its equipment room.

An e-mail copy of the resolution has been sent to CE Reso Review under the title of "Reso-CP-
3416 Fire Rescue Comm Center Refurbishing.

If you have any questions, please contact Warren Horst of my office at 24855.

SEP 23 2008

JOHN M. CYZGIER, JR., Surrogate
In this proceeding to probate the will of a nondomiciliary decedent, the court is entertaining the petition on the basis of the allegations that decedent left real property in Suffolk County; that the distributees are similar under the laws of Latvia and New York; and that the propounded instrument, which was executed in New York, has not been offered for probate elsewhere.

Jurisdiction has been obtained over all the necessary parties, including the New York State Department of Taxation and Finance, which does not oppose the relief requested by petitioner.

The Surrogate's Court has the discretion to entertain a petition for original probate of the will of a nondomiciliary (see In re Heller-Baghero's Will, 26 NY2d 337; Estate of Renard, 100 Misc2d 347; SCPA 1605).

Given the fact that the exercise of jurisdiction over the estate of a nondomiciliary is discretionary, the court in weighing the facts alleged, finds that the relevant factors favor granting jurisdiction for original probate (SCPA 206[1], 1605[1]; see Matter of George Kenreth Scott, NYLJ, June 21, 1994, 23, col. 1; Will of Nelson, 125 Misc2d 851).

It appears that the propounded instrument was duly executed on July 24, 1990 and at the time of execution, decedent was in all respects competent to make a will and not under any restraint. The genuineness of the will and the validity of its execution having been shown to the satisfaction of the court, probate is granted (SCPA 1408, EPIL 3-2.1).
Estate of Janis Kliewens, Deceased.

Accordingly, letters testamentary shall issue to petitioner, and having qualified according to law, without bond, as same is dispensed with pursuant to the terms of decedent's will.

FAIR MARKET REVIEW FOR REDEMPTION PURPOSES

TAX MAP NO.: 0500-441-01-6
APPRAISER: Joseph Grossman
DATE OF VALUE: August 22, 2008
DATE REC'D: September 9, 2008
APPRaised AMT: $430,000.00

This appraisal has been desk reviewed in accordance with the policy of the Department. The desk review is effectively a screening process to determine if there are any obvious significant errors, omissions or inconsistencies in the areas of appraisal technique, appraisal judgment, pertinent data and valuation.

COMMENTS: The subject consists of a .45 acre parcel located on the west side of West Lane across the street from Cove Walk, unincorporated hamlet of Bay Shore, New York 11706. The parcel is currently vacant, partially cleared and slightly irregular in shape with 100 feet of road frontage on West Lane, an open paved road.

The consultant utilized four comparable sales. Two sales are located in Bay Shore as the subject property and the other two are located in East Islip. The consultant has chosen appropriate comparable sales and adjusted accordingly for lot size, location and utility. In addition, Grossman did not consider a time adjustment as the comparable sales utilized reflects the current market trend for vacant land in this area.

The appraisal report meets Suffolk County’s contract requirements and is acceptable in form.

Accordingly, a reasonable estimate of value for the subject is $430,000.

PURPOSE OF THE APPRAISAL

This appraisal is made for the purpose of estimating the market value of the subject property as of August 22, 2008. Market value is defined as "the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

1) Buyer and seller are typically motivated;

2) Both parties are well informed or well advised and each acting in what he considers his own best interest;

3) A reasonable time is allowed for exposure in the open market;

4) Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and

5) The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale."

*The Dictionary of Real Estate Appraisal, Third Addition, Appraisal Institute 1993

Reasonable exposure time for a property of this type and within this value range is considered to be approximately 9-12 months, if the property was properly marketed.

PROPERTY RIGHTS APPRAISED

The property rights appraised are ownership in fee simple.

FUNCTION & SCOPE OF THE APPRAISAL

The function of this appraisal report is to deliver a well reasoned market value estimate of the subject property as of the effective value date. It is also intended to function as a source of market data and other information to assist the Suffolk County Department of Planning Division of Real Estate in its decision-making process in connection with various matters pertaining to the subject property. This report is not intended for any other use. This is a limited scope restricted appraisal report.

Our analysis includes an inspection of the subject area. Both internal and external influences on the subject are considered. The subject’s neighborhood is analyzed in terms of existing economic conditions as well as possible future trends. An opinion of the property’s highest and best use is determined and described.

During our research of the subject property’s market area, recorded sales data is obtained from published property information services, town and county offices, and local real estate agents. Current offerings of similar properties are also considered. The data found during this search is verified, described, analyzed and then compared to the subject. A value estimate is then made based on the analysis of the data presented.

This parcel is currently vacant, partially cleared land. The site is surrounded by improved residential properties to its north, south and west sides.

UTILITIES:
Public water, sewer, electric, telephone and cable television are currently available to this site.

AREA TRENDS:
The national economy has been showing signs of weakness after a period of slow growth. The local economy has also been showing signs of weakness. The real estate market is currently weak and over supplied after several years of increased activity and value appreciation.

NEIGHBORHOOD:
The neighborhood is improved primarily with single family residences. There are some commercial properties located along Main Street as well as some portions of the waterfront in this area. Supporting shopping and services are found predominately along the commercial districts along the areas main roadways. This neighborhood is convenient to all supporting shopping, services, and recreational facilities.

ZONING & CLASSIFICATION:
The subject property is zoned Residence AAA by the Town of Islip. This zoning category requires a minimum lot area of 40,000 square feet and a minimum lot width of 150'.

HIGHEST AND BEST USE:
The subject property is a substandard sized, rectangular parcel which is adjacent to improved residential properties on all sides. Although it is substandard in size, it largely conforms in size to other parcels in the neighborhood. Our informal discussion with Town of Islip planning representatives indicate there to be a reasonable probability that a variance can be obtained for the development of this lot with a single family residence which conforms with the area. The highest and best use, therefore, considered to be for residential development.

EXPLANATION OF VALUE:
The sales comparison process resulted in indicated value of $430,000.00 and this is considered to be a reasonable figure for the subject.

RECONCILIATION AND FINAL VALUE ESTIMATE: No reconciliation is necessary as the sales comparison approach is the only approach applied. The final value estimate of $430,000.00 is equal to the result of that approach.

AFFIDAVIT

STATE OF NEW YORK
COUNTY OF SUFFOLK

Gotfrids Liepins, being duly sworn, says:

1. I reside at 574 Higby Lane, West Islip, NY 11795-1610 and I am the applicant on the annexed “Application for Recovery of Real Property Acquired by Suffolk County”.

2. I am 87 years old. I was born February 5, 1920 in Latvia. I entered the United States as a refugee under the Displaced Persons Program on December 17, 1950.

3. After entering the United States I have been employed as a carpenter in the home building industry here on Long Island.

4. I am retired and my sole source of income is Social Security which amounts to approximately $1,111.00 per month. I do not remember the year when I retired. Since retirement, I have not filed income tax returns.

5. I do not own an automobile or any other property. I did own two vacant lots on West Lane in Bay Shore. Lot 3 I lost in a Sheriff’s sale and Lot 6, which is the subject of this application, I lost to the County of Suffolk for non-payment of taxes.

6. The reason the taxes were not paid was because I did not have enough money to pay the taxes and I believed my former partner, Mr. Janis Klievens, would pay the taxes.

7. I respectfully request that the property be given back to me because it is my one and only saving for retirement.

AFFIDAVIT

STATE OF NEW YORK
COUNTY OF SUFFOLK

Ivars Berzins, being duly sworn, says:

1. I am an attorney admitted to practice law in New York and I maintain my offices at Ivars Berzins, P.C., 484 West Main Street, Babylon, NY 11702-3000.

2. I have been retained by Mr. Godfrids Liepins to assist him in submitting the “Application for Recovery of Real Property Acquired by Suffolk County”, for the vacant lot in on West Lane in Bay Shore, District 500, Section 441.00, Block 1.00, Lot 6.000. Section 441 of the Tax Map is annexed as Exhibit 8.

3. I have known Mr. Liepins at least thirty years and as far back as 1981 I represented him in an unrelated matter.

4. I have interviewed Mr. Liepins several times in connection with this application. I have also visited the Suffolk County Treasurer’s Office and reviewed the records pertaining to this property. See Exhibit 1.

5. Mr. Liepins admits that it is his signature on the return receipt for the certified mail but insists that it was an empty envelope that he received. He also claims that he sent it back to the Suffolk County Treasurer. The records show that Michael Studley from Infinity Funding on 4/21/05 was in contact with the Treasurer’s Office and said that “they are working on a loan for the owner & expect to pay within 2 weeks”. The next entry shows that on 5/27/05 Mr. Studley said that “they are no longer involved with this property”. Mr. Liepins tells me that he has no recollection of ever dealing with a Michael Studley and has no knowledge of Infinity Funding. I spoke with M. Michael W. Studley, Vice President of Infinity Funding Ltd., and he
told me that he has no recollection of this matter except that there is no record of Mr. Liepins having actually filled out and submitted a loan application.

6. I obtained a title report that shows that Mr. Liepins owned the property on September 5, 1972 and conveyed a one half interest to Janis Klievens as of that date. Thus, the property has remained on the record in those two names until by deed dated June 29, 2006 the Suffolk County Treasurer conveyed the property to Suffolk County. The title report is annexed as Exhibit 2.

7. The title report also shows that Olga Buzermanis in whose house Mr. Liepins lives, has a $37,040.65 judgment against Mr. Liepins.

8. Mr. Liepins tells me that the reason he conveyed a ½ interest in the property to Mr. Klievens in 1972 was because they were going to be partners in the building business. Mr. Liepins has a document dated December 15, 1994, Exhibit 3, which purports to dissolve this partnership and acknowledges that Mr. Liepins should be the sole owner of the property and pay “all transfer expenses”. It appears from another simultaneously executed document, Exhibit 4, that Mr. Liepins was indebted to Mr. Klievens for $62,036.00, to be paid on or before May 15, 1995. I was not involved in this transaction and it appears that the two of them prepared these documents and signed them before a notary.

9. On or about December 19, 1994 Mr. Klievens moved to Latvia. By letter dated August 25, 1998 Mr. Klievens asked me to assist him in collecting this indebtedness from Mr. Liepins. I knew Mr. Klievens since I had represented him in a previous unrelated matter. After I could not amicably resolve the matter with Mr. Liepins, Mr. Klievens authorized me to commence an action against Mr. Liepins in Supreme Court, Suffolk County, Index number 1718/1999. On June 1, 1999 this action resulted in a $84,047.73 default judgment entered in
favor of Mr. Klievens and against Mr. Liepins. After I was unable to amicably collect this judgment, Mr. Klievens authorized me to issue a real property execution against the other vacant lot Mr. Liepins owned in his name only on West Lane in Bay Shore, District 500, Section 440.00, Block 02.00, Lot 3.000. On December 13, just four days before the Sheriff’s sale, Mr. Liepins attorney, Dennis P. Rigas, Esq., made a motion that resulted in the Court’s March 12, 2002 Order, Exhibit 5, allowing the sale to proceed. In the meantime, I did everything I could to assist Mr. Rigas in selling the property and thus paying the judgment before the Sheriff’s sale that ultimately took place on September 24, 2002. The judgment and all other liens on the lot were satisfied and Mr. Liepins lost a substantial equity in the lot. This was a most unfortunate result for Mr. Liepins that I could not prevent without violating my professional obligation to represent Mr. Klievens interests zealously.

10. It appears to me that the ½ interest in the property subject to this application should have been formally conveyed by Mr. Klievens to Mr. Liepins after the judgment was paid, but I have no knowledge of either one of them, either individually or through counsel, taking any steps to effect a formal transfer. It is my opinion that Mr. Liepins is the equitable owner of the entire parcel.

11. I do not know what conversations or transactions may have taken place between Mr. Liepins and Mr. Klievens following the Sheriff’s sale, but I did recently learn by calling Mr. Klievens daughter, Mrs. Ausma Sena, in Latvia that Mr. Klievens had been afflicted with testicular cancer and died on March 29, 2004. Mrs. Sena sent me the death certificate, Exhibit 6, and told me that Mr. Klievens wife, Anna has also died, leaving Mrs. Sena as the sole heir. Mrs. Sena is aware that her father was paid in full and has no claim against the property or Mr. Liepins.
12. Based on all of the foregoing, it is understandable why Mr. Liepins would harbor a belief that Mr. Klievens should be responsible for payment of the taxes since he has been paid in full but a re-conveyance has not taken place.

13. In my opinion, Mr. Liepins does not pose a danger to himself or others and is capable of managing his daily living. I do have serious misgivings about his wisdom and good judgment, or lack thereof, for managing his property interests. I am told that Mr. Liepins has a sister, Alida I. Krasts, who was born in 1918, lives in Pennsylvania and is not in good health. His sister has two sons, Janis Krasts and Aivars Krasts, who could qualify as guardians of Mr. Liepins property.

14. I am confident that the appraisal for this property will show a value that is grossly disproportionate to the tax arrears and would result in an unconscionable windfall to Suffolk County if it was not returned to Mr. Liepins.

15. I am also confident that if the property can be recovered, I can arrange for Mr. Liepins a loan that will cover the current taxes and all arrears and expenses until the property can be sold at fair market value in an orderly fashion.

16. Mr. Liepins issued to me a power of attorney which is annexed as Exhibit 7.

WHEREFORE, I respectfully urge our legislators to favorably consider this application.

A favorable outcome would go a long way toward keeping this applicant off the welfare rolls.

JANIS KLEEVENS,
Plaintiff,

v

GOTFRIDS LIEPINS,
Defendant.

Motion Date: 12/20/01, 12/21
Motion: 003-MD

X Final Disposition

ORDERED that this motion by the defendant for a post-judgment protective order preventing the execution sale of a certain parcel of defendant's real property is denied.

The Sheriff's sale had been scheduled for Monday, December 17, 2001. On December 13, 2001, the defendant obtained an Order to Show Cause staying the sale pending further order of this Court - - that is, pending determination of this motion.

The defendant has uniformly ignored the mandates of this Court; indeed, he has been adjudicated in contempt and subsequently apprehended by the Sheriff and escorted to the Courthouse for post-judgment discovery.

The basis, allegedly, for the instant motion was an imminent private sale of the subject property, which, the Court now learns, was never consummated.

The plaintiff may re-schedule the sale.

Any Order to Show Cause presented in the future for the Court's signature is to be submitted to Hon. Patrick Henry and not to any other Justice, and the Clerk of the Court shall so mark this file.

The basis, allegedly, for the instant motion was an imminent private sale of the subject property, which, the Court now learns, was never consummated.

The plaintiff may re-schedule the sale.

Any Order to Show Cause presented in the future for the Court’s signature is to be submitted to Hon. Patrick Henry and not to any other Justice, and the Clerk of the Court shall so mark this file.

for the period
January 1, 2007 through December 31, 2008

A. Request for Evaluation of Safety and Enforcement Program

At least two weeks prior to the commencement of work to be covered by this contract, NYSDOT shall request the Contractor to evaluate the safety and enforcement concerns associated with NYSDOT's general supervision of the planned construction and/or maintenance work. The request shall be directed to the Office of the Chief of Patrol of the Suffolk County Police Department.

B. Meeting and Site Inspection

As soon after this notification as possible representatives of the Contractor and NYSDOT shall meet for the purpose of reviewing the details of the planned construction and/or maintenance work. This meeting shall include a site inspection at the time of day when the planned construction and/or maintenance activity would occur.

C. Contractor Safety and Enforcement Evaluation

As soon as practical, but in no event later than four (4) days prior to the planned commencement of work to be covered under this contract, the Contractor shall identify the safety and enforcement issues associated with the planned construction and/or maintenance work and the proposed deployment of Contractor personnel which in the judgment of the Contractor is necessary to protect the public. The Contractor shall provide the Engineer in Charge of the construction project or Resident Maintenance Engineer of the maintenance project with this evaluation.
D. **NYSDOT Action**

Within one business day of receipt of the evaluation by the Engineer in Charge or Resident Maintenance Engineer, NYSDOT shall notify the Contractor that:

i. the evaluation is acceptable, or

ii. the evaluation requires further discussion, or

iii. the Department does not intend to take any action with respect to the planned construction and/or maintenance work under this contract.

E. **Effect of NYSDOT Notice**

Where the Department finds the evaluation acceptable, the provisions of paragraph F of this Protocol and Work Program shall apply.

Where the Department finds the evaluation to require further discussion, the NYSDOT Region 10 Construction Engineer or Resident Maintenance Engineer and the Contractor’s Second Deputy Chief of Patrol shall meet and resolve to place the planned work in category D (i) or D (ii) forthwith.

Where the Department does not intend to take any action under this contract the matter is concluded and this Protocol shall have no further force and effect with respect to the work in question. Nothing in this Protocol or Agreement shall preclude the Department from arranging for New York State Police patrols in connection with the construction and/or maintenance work determined to be in this category D (iii).

F. **Effect of Accepting the Evaluation**

Where the Contractor has concluded that the planned construction and/or maintenance work requires dedicated police officers to ensure the safety of the public and work site and the proper enforcement of laws, the Contractor shall provide the services identified in the evaluation and the Department shall be responsible for the cost of such effort in accordance with Schedule A. and the Budget under this Contract.
Where the Contractor has concluded that some service less than dedicated police officers, including but not limited to intensive patrol of the construction or maintenance site to be a special detail within the officer’s post or otherwise, the Contractor shall implement the plan and the payment provisions of this contract shall not apply.

G. Miscellaneous

i. Contractor personnel on the construction or maintenance site shall remain under the control of their commanding officers.

ii. NYSDOT personnel on the construction or maintenance site will be responsible for progressing construction/maintenance in the work site in accordance with the Construction Contract or Maintenance Guidelines, including but not limited to the plan for the maintenance and protection of traffic unless and until the police officer clearly takes control of the site in connection with an incident or for other law enforcement reasons.

iii. The officer assigned to patrol the site and the NYSDOT Engineer in Charge or Regional Maintenance Engineer shall communicate frequently on matters which in either’s opinion affect safety or law enforcement.

iv. The Contractor shall identify for the Engineer in Charge and the Resident Maintenance Engineer a means of rapid and efficient communication with any police officer assigned to duties in connection with paragraph F of this Protocol and Work Program.

H. Contractor’s Eligible Costs are intended to include all costs actually incurred by the contractor. These costs are:

(a) The overtime rate of pay of the officer actually utilized and as found in the labor contract in effect on the date of performance. In the event a labor contract is subsequently renewed at different rates of pay and is retroactive in scope, the Contractor may resubmit and be reimbursed at the new rate.

(b) Actual retirement pension costs which are calculated using a multiplier of 16.90% times actual labor costs. Pension costs are sometimes adjusted retroactively by the State. The Contractor may resubmit and be reimbursed for actual cost increases that are incurred by a multiplier adjustment that is applied retroactively.

(c) Social security multiple of 7.65% and any subsequent increase made by federal law.

(d) Meal allowances pursuant to labor contract and actually paid.

(e) Mileage allowance for travel to work sites, pursuant to labor contract and actually paid.

(f) Police vehicle use based on $9.65 per hour assignment, as agreed by both parties as reasonable.
I. Contract Funds

An additional of $1,271,000 is being added to this Agreement for calendar year 2008. This combined with the current encumbrance of $1,180,000 results in total of $2,451,000 with expenditures to date equal $500,000. Therefore, approximately $1,951,000 remains available for payment of costs contained in the year 2008 budget and for projects contained in prior years budget.

SUBJECT: INTRODUCTORY RESOLUTION REQUEST  

In January 2009, a Patrol Special Operations Team Bureau was established to assist and support Patrol Division Commands in actively suppressing violent crimes, assaults, illegal weapons possession and other crimes that adversely affect the quality of life within communities. This bureau has proven to be extremely beneficial. However, it has been found that two undercover vehicles are now needed to successfully conduct fixed and mobile surveillance of gun and gang related targets. The Department is, therefore, requesting approval for an increase in fleet for this purpose.

Copies of a draft resolution, impact statement and introduction form are attached. An e-mail version was also sent to CE RESO REVIEW under the titles “Reso-POL-FLEET INCREASE-2009”; “Backup-POL-FLEET INCREASE-SCIN 175A”; and “Backup-POL-FLEET INCREASE-SCIN 175B”.

[Handwritten note: RAISED BY JPBUOT]
RESOLUTION NO. -2009, ADOPTING
LOCAL LAW NO. -2009, A LOCAL LAW SETTING
LEASE TERMS PERTAINING TO LEASES OF REAL
PROPERTY ACQUIRED FOR AIRPORT USE

WHEREAS, there was duly presented and introduced to this County Legislature
at a regular meeting held on , 2009 a proposed local law entitled “A LOCAL LAW
SETTING LEASE TERMS PERTAINING TO LEASES OF REAL PROPERTY ACQUIRED
FOR AIRPORT USE”, and said local law in final form is the same as when presented and
introduced; now, therefore be it

RESOLVED, that said local law be enacted as follows:

LOCAL LAW NO. -2009, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW SETTING LEASE TERMS PERTAINING TO LEASES OF
REAL PROPERTY ACQUIRED FOR AIRPORT USE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE
COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County owns a substantial
amount of real property located at Francis S. Gabreski Airport, Westhampton Beach (the
“Airport”) that was originally released to the County as surplus government property, to be used
for airport purposes. In furtherance of the objective to better manage the Airport and
simultaneously promote an area for development of business and/or industrial use, approximately 58 acres were released by the Federal Aviation Administration for purposes of
non-aviation development. This area is identified in the Town of Southampton Zoning Code as
the Gabreski Airport Planned Development District (the “APDD”).

This Legislature finds that Article XLII of the Suffolk County Administrative Code,
Section A42-2, authorizes the County to lease airport property not necessary for the proper and
efficient operation of the airport for a term of up to 40 years, and for such other purposes as this
Legislature may determine provided such other purposes do not interfere with the proper and
efficient operation of the Airport.

This Legislature further finds and determines that the 40-year lease term limit set
forth in Section A42-2 of the Suffolk County Administrative Code may impose an economic and
commercial hurdle to the initial development of the site as a business/industrial park.

Therefore, the purpose of this local law is to authorize the Department to lease property within
the APDD for an initial lease term of forty years, and a single option period not to exceed an
additional 40 years.
Section 2. Amendments.

Section A42-2 of the SUFFOLK COUNTY CODE is hereby amended to read as follows:

Article XLII
DEPARTMENT OF ENVIRONMENT AND ENERGY

§ A42-2.
A. Notwithstanding the provisions of § 352 of the New York General Municipal Law, the County [Division of Real Property Acquisition and Management] may lease, [subject to the provisions of § C15-4 of the Suffolk County Charter] for a term not exceeding 40 years, real property acquired for airport purposes and not necessary for the efficient and proper operation of the airport, and for such other purposes as the Legislature may determine, provided that such other purposes do not interfere with the proper and efficient operation of the remainder of the airport. Notwithstanding the foregoing limitation, property located within the Airport Planned Development District may be leased for an initial term not exceeding 40 years with the option to extend the lease for a term not to exceed an additional 40 years.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.
Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

STATE OF NEW YORK

27

2009-2010 Regular Sessions

IN SENATE

(PREFILED)

January 7, 2009

Introduced by Sen. FUSCHILLO -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

AN ACT to amend the vehicle and traffic law and the state finance law, in relation to the creation of the ignition interlock and mandatory probation pilot program for all persons convicted of driving while intoxicated; making an appropriation therefor; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The vehicle and traffic law is amended by adding a new article 21-D to read as follows:

ARTICLE 21-D

IGNITION INTERLOCK

AND MANDATORY PROBATION PILOT PROGRAM

SECTION 555. LEGISLATIVE INTENT.

556. IGNITION INTERLOCK AND MANDATORY PROBATION PILOT PROGRAM FOR DRIVING WHILE INTOXICATED OFFENDERS.

S 555. LEGISLATIVE INTENT. THE LEGISLATURE HEREBY FINDS AND DECLARES THAT IGNITION INTERLOCK DEVICES ARE HIGHLY SUCCESSFUL LAW ENFORCEMENT TOOLS FOR PREVENTING DRIVING WHILE INTOXICATED RECIDIVISM. CURRENT LAW DOES NOT MANDATE IGNITION INTERLOCK DEVICES AND PROBATION FOR ALL OFFENDERS JUST FOR THOSE WHO HAVE BEEN CONVICTED OF THE OFFENSE OF AGGRAVATED DRIVING WHILE INTOXICATED, WHO HAVE ALSO BEEN GIVEN PROBATION AS A CONDITION OF THEIR SENTENCING. NATIONAL STUDIES HAVE CONCLUSIVELY SHOWN THAT FIRST TIME OFFENDERS WHO HAD MANDATORY IGNITION INTERLOCK DEVICES INSTALLED IN THEIR VEHICLES WERE SIXTY PERCENT LESS LIKELY TO COMMIT THE OFFENSE OF DRIVING WHILE INTOXICATED AGAIN. THESE STUDIES HAVE ALSO FOUND A CORRELATING ECONOMIC BENEFIT IN REDUCING THE EXPENDITURE OF
20 COURT RESOURCES AND DAMAGES CREATED BY REPEAT OFFENDERS. FOR EVERY ONE

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets
[ ] is old law to be omitted.

7 ONLY TO PERSONS SENTENCED BY A COURT LOCATED IN THE FOLLOWING COUNTIES:
8 ALBANY, ERIE, NASSAU, ONONDAGA, MONROE, WESTCHESTER AND SUFFOLK. THIS

11 PROBATION AND INTERLOCK PROGRAM FOR ANY PERSON WHO HAS BEEN CONVICTED OF
12 A VIOLATION OF SUBDIVISION TWO, TWO-A OR THREE OF SECTION ELEVEN HUNDRED

15 SECTION ELEVEN HUNDRED NINETY-TWO OF THIS CHAPTER IS AN ESSENTIAL
16 ELEMENT OR TO PREVENT COURTS IN OTHER JURISDICTIONS FROM REQUIRING
17 PROBATION AND THE INSTALLATION OF AN IGNITION INTERLOCK DEVICE AS A
18 CONDITION OF PROBATION.
19 2. (A) IN ADDITION TO ANY OTHER PENALTIES PRESCRIBED BY LAW, THE COURT
20 SHALL REQUIRE THAT ANY PERSON WHO HAS BEEN CONVICTED OF A VIOLATION OF

24 HUNDRED NINETY-TWO OF THIS CHAPTER IS AN ESSENTIAL ELEMENT, SHALL BE
25 SENTENCED TO A PERIOD OF PROBATION AND SHALL INSTALL AND MAINTAIN, AS A
26 CONDITION OF SUCH PROBATION, A FUNCTIONING IGNITION INTERLOCK DEVICE IN
27 ACCORDANCE WITH THE PROVISIONS OF THIS SECTION PROVIDED, HOWEVER, THE

5 COURT RELATING TO THE OPERATION OF A MOTOR VEHICLE OR THE CONSUMPTION OF
6 ALCOHOL. IN EXERCISING DISCRETION RELATING TO THE ISSUANCE OF A POST-RE-
7 VOCATION CONDITIONAL LICENSE PURSUANT TO THIS SUBDIVISION, THE COMMISS-
8IONER SHALL NOT DENY SUCH ISSUANCE BASED SOLELY UPON THE NUMBER OF
9 CONVICTIONS FOR VIOLATIONS OF ANY SUBDIVISION OF SECTION ELEVEN HUNDRED
10 NINETY-TWO OF THIS CHAPTER COMMITTED BY SUCH PERSON WITHIN THE TEN YEARS
11 PRIOR TO APPLICATION FOR SUCH LICENSE. UPON THE TERMINATION OF THE PERI-

32 PARTICIPANT'S HOUSEHOLD, AS EVIDENCED BY A WRITTEN STATEMENT TO THAT
33 EFFECT FROM A LICENSED MEDICAL PRACTITIONER,
34 (8) ENROUTE TO AND FROM A CLASS OR AN ACTIVITY WHICH IS AN AUTHORIZED
35 PART OF THE ALCOHOL AND DRUG REHABILITATION PROGRAM AND AT WHICH PARTIC-
36 IPANT'S ATTENDANCE IS REQUIRED, AND

51 (E) THE COMMISSIONER SHALL NOTE ON THE OPERATOR'S RECORD OF ANY PERSON
Section 4

2. **When a court imposes the condition specified in subdivision one of this section**, the court shall notify the commissioner in such manner as the commissioner may prescribe, and the commissioner shall note such condition on the operating record of the person subject to such conditions.

3. **The cost of installing and maintaining the ignition interlock device shall be borne by the person subject to such condition. Such cost shall not replace, but shall instead be in addition to, any fines, surcharges, or other costs imposed pursuant to this chapter or other applicable laws.**

4. **The installation and service provider of the device shall be responsible for the installation, calibration, and maintenance of such device.**

5. **Those convicted of any of the above offenses who cannot afford to maintain and operate an ignition interlock system shall have one provided for them by the county probation and correctional alternatives department and will be enrolled in a payment plan, based on their income, so that said expenses may be paid back to the county over a period of time. However, if the ignition interlock provider offers the same or similar payment plan for the operation and maintenance of the device, the county is not obligated to offer such a repayment plan.**

6. **The commissioner of the department of health shall approve ignition interlock devices for installation pursuant to subdivision one of this section and shall publish a list of approved devices.**
