RESOLUTION NO. -2009, ADOPTING LOCAL LAW NO. -2009, A LOCAL LAW TO REDUCE THE USE OF DISPOSABLE BAGS BY RETAIL STORES

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2009, a proposed local law entitled, "A LOCAL LAW TO REDUCE THE USE OF DISPOSABLE BAGS BY RETAIL STORES" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2009, SUFFOLK COUNTY, NEW YORK
A LOCAL LAW TO REDUCE THE USE OF DISPOSABLE BAGS BY RETAIL STORES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that data released by the United States Environmental Protection Agency shows that between 500 billion and 1 trillion plastic bags are consumed worldwide each year.

This Legislature also finds and determines that most plastic bags do not biodegrade; over time, the bags break down into smaller, more toxic petro-polymers which eventually contaminate soils and waterways.

This Legislature further finds and determines that it is estimated that plastic bags account for over 10% of debris that washes up on the United States coastlines.

This Legislature finds that plastic bags can have a devastating effect on wildlife; birds can become entangled in the bags and different species of sea life can die from ingesting plastic bags which they mistake for food.

This Legislature determines that plastic shopping bags are made from polyethylene, a thermoplastic made from oil. Accordingly, reducing the use of plastic bags will decrease our dependence on foreign oil.

This Legislature also finds that less than 1% of plastic bags are recycled, in part, due to the fact that it costs more to recycle a bag than to produce a new one.

This Legislature further finds that it is estimated that Americans consume more than 10 billion paper bags each year. An estimated 14 million trees are cut down annually for paper bag production. The industry appropriately claims that paper bags cost more to ship, stock and store.

Therefore, the purposes of this law are to strengthen current recycling efforts and to reduce the number of disposable carry-out bags provided to customers by retailers through
the imposition of a surcharge of five (5) cents per bag at the point of sale, with one (1) cent going to store owners as an incentive.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

"DISPOSABLE BAG" shall mean any carry-out bag, commonly composed of plastic or Kraft paper, provided at the point of sale to customers to carry purchased goods, but excludes bags used to store produce, flowers, baked goods or meat which are provided by a retailer either (1) prior to the point of sale or (2) at a location other than the point of sale, bags used to cover dry cleaned items, paper bags provided by a pharmacy for the storage of purchased pharmaceuticals or plastic bags used to envelop newspapers intended for delivery at a residence.

"OPERATOR" shall mean a person in control of, or having responsibility for, the daily operation of a retail store, which may include, but is not limited to, the owner of the retail store.

"RETAIL STORE" shall mean any outlet, store, shop, mercantile establishment or other place of business engaged in the retail sale of goods or merchandise directly to consumers, but does not include a restaurant.

"RESTAURANT" shall mean any business that has the sole purpose of selling meals for individual consumption.

"CUSTOMER" shall mean any individual who is an actual purchaser of goods used primarily for personal, family or household purposes.

Section 3. Prohibition.

No retail store located and doing business within the County of Suffolk shall sell, give or provide carry-out bags to customers without collecting the surcharge authorized in Section 4 of this law.

Section 4. Surcharge Requirements.

On or after January 1, 2010, any operator of a retail store who provides disposable bags at the point of sale to a customer shall charge such customer a surcharge of five (5) cents for each such bag.

Section 5. Surcharge Distribution.

The $0.05 surcharge per recyclable paper and plastic carry-out bag shall be distributed as follows:

(A) To the Retail Store:

(1) From each $0.05 surcharge collected, $0.01 will remain with the store; however a store that chooses to offer a carry-out bag credit program to its customers, as outlined in subsection (2) will retain an additional $0.01 from each surcharge collected, for a total of $0.02 per surcharge collected.
(2) For an establishment to retain an additional $0.01 from each surcharge collected, its carry-out bag credit program must:

(a) Credit the consumer a minimum of $0.05 for each carry-out bag provided by the consumer for packaging their purchases, regardless of whether the bag is paper, plastic, or reusable;

(b) Be prominently advertised at each checkout register; and

(c) Reflect the total credit amount on the consumer transaction receipt.

(3) The portion of the surcharge retained is tax exempt.

(B) The remaining amount from each surcharge collected shall be submitted to the Office of the Suffolk County Treasurer. On or before March 31, 2010, each retailer collecting the surcharge as provided in this section shall submit a return to the Suffolk County Treasurer that is applicable to the quarter commencing January 1, 2010, on a form prescribed by the Treasurer, together with payment of the quarterly proceeds of the surcharge collected in accordance with the provisions of this section. Each retailer shall submit such return and payment to the Treasurer each calendar quarter thereafter, on or before the last day of the month immediately following the end of each such calendar quarter. The Suffolk County Treasurer shall deposit any such payment in a Designated Fund for Storm Water Remediation, as established in Section 6 of this law.

Section 6. Designated Surcharge Account; Use of Monies.

There is hereby established an account to be known as the Designated Fund for Storm Water Remediation which shall be a separate, non-lapping account within the General Fund. Monies collected by the Suffolk County Treasurer pursuant to this law shall be deposited in this account and shall only be expended for water quality protection programs and land stewardship initiatives as are authorized in Section C12-2(B) of the SUFFOLK COUNTY CHARTER.

Section 7. Enforcement.

Whenever any retail store fails to collect and pay over the proceeds of the surcharge and/or pay any penalties or interest imposed by this law as provided herein, the Suffolk County Treasurer shall have the authority to request that the County Attorney bring an action to enforce the payment of the same on behalf of the County of Suffolk and to seek the civil penalties authorized by this law.

Section 8. Rules and Regulations.

The Suffolk County Treasurer is hereby authorized and empowered to promulgate rules and regulations necessary to enforce this law.

Section 9. Penalties.
(A) Whenever the proceeds of such surcharge is not paid to the County when due, a penalty of ten percent (10%) of the amount due or fifty dollars ($50.00), whichever is greater, shall be added to the amount due and such penalty shall immediately accrue, and thereafter such proceeds shall bear interest at the rate of one and one-half percent (1.5%) per month until the same is paid.

(B) The Suffolk County Treasurer shall cause copies of a form prescribed for submitting returns as required under Section 5 of this Local Law to be distributed throughout the County. Failure to receive such forms shall not be construed to relieve anyone subject to the provisions of this Local Law from the obligations of submitting a return, together with payment of such proceeds within the time required.

(C) Any violation of this law shall be punishable by a civil fine of five hundred dollars ($500.00) for each violation.

Section 10. Reverse Preemption

This law shall be null and void on the day that Statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this law, or in the event that a pertinent State or federal administrative agency issues and promulgates regulations preempting such action by the County of Suffolk. The County Legislature may determine via mere resolution whether or not identical or substantially similar statewide legislation has been enacted for the purposes of triggering the provisions of this section.

Section 11. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 12. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 13. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality
(CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

**Section 14. Effective Date.**

This law shall take effect one hundred eighty (180) days after its filing in the Office of the Secretary of State.

SPONSOR: LEGISLATOR VILORIA-FISHER

DATE OF RECEIPT BY COUNSEL: 5/7/09 PUBLIC HEARING: 6/9/09

DATE ADOPTED/NOT ADOPTED: ___________ CERTIFIED COPY RECEIVED: ___________

This proposed local law would require all retail stores in Suffolk County to charge a five cent ($0.05) surcharge for each disposable bag it provides to its customers. Disposable bags are defined as paper or plastic bags, used to carry purchased goods, but does not include bags utilized to store produce, flowers, baked goods, meat or dry cleaned items, paper bags used to store pharmaceuticals or newspaper delivery bags. The surcharge will be collected by the retail store from the customer. The surcharge will be distributed as follows:

a) One cent ($0.01) shall remain with the retail store; retail stores offering a bag credit program to their customers shall retain an additional one cent ($0.01). To be eligible for the additional one cent ($0.01) incentive, the store must credit its customers a minimum of five cents ($0.05) for each provided by the customer to package their purchases. Such a program must be prominently advertised and the bag credit must be reflected on the receipt.

b) The remaining amount from each surcharge collected shall be submitted to the Office of the Suffolk County Treasurer on a quarterly basis beginning on March 31, 2010. These funds shall be deposited by the Treasurer in a designated fund which shall be expended for water quality protection programs and land stewardship initiatives.

Any retail store which does not remit surcharge proceeds to the County when due shall incur a penalty equal to ten percent (10%) of the amount due or fifty dollars ($50.00), whichever is greater, in addition to the amount due. Interest on any late remittance and penalties shall accrue at the rate of one and one-half percent (1.5%) per month until it is paid. Violations of this law shall also be punishable by a civil fine of five hundred dollars ($500.00) per violation.

If a retail store fails to collect and remit the surcharge proceeds and/or pay any penalties or interest incurred to the Suffolk County Treasurer, the Treasurer shall have the authority to
request that the County Attorney bring an action to enforce the payment and seek civil penalties as authorized by this law.

This law will be administered by the Office of the Suffolk County Treasurer.

This law will go into effect on January 1, 2010.

Dear Director MacGilvray, CSW:  

The NYS Office of Mental Health (OMH) is reissuing your January 1, 2009 to December 31, 2009 State Aid letter. Your total allocation amount at this time is $19,681,708.  

The allocations authorized in this letter include full annual funding for initiatives previously authorized. The first six months are approved actuals and the second six months are estimates. Any changes in your authorization level based on the enactment of the 2009-10 State Budget will result in a revised State aid letter.  

The 2009 Preliminary Allocation Summary will be due April 1, 2009, and should match this 12/11/08 issuance of the letter. Final Consolidated Budget Reports will be due November 1, 2009. The Consolidated Claim Report and Consolidated Financial Report for local fiscal year 2009 are due May 1, 2010. Guidelines for completion of the CBR/CCR/CFR can be accessed through the OMH website at http://www.omh.state.ny.us/omhweb/cbr/. If any of your providers need assistance in completing these forms, they should contact the OMH Help Desk at 1-800-HELPNYS.  

The Aid to Localities Spending Plan Guidelines which explain the reporting and use requirements of your authorized funding can be accessed through the OMH website at http://www.omh.state.ny.us/omhweb/spguidelines. Please share this website with all of your subcontract providers so that they may become familiar with the guidelines that apply to them, and refer to the guidelines as necessary. As a reminder, failure to submit the PAS, CBR, CCR or CFR schedules in a timely manner may result in the delay of subsequent State aid payments and/or Medicaid payments.  

Inherent in OMH's budget and claiming policy is an expectation that your Department will monitor expenditures against budgeted costs throughout the year. Please notify your OMH field office of any significant fiscal or programmatic problems as soon as they become known. If you have questions regarding any local mental health fiscal issues, including questions regarding the information or instructions that are included in this letter, please call Gary Schiliro at (631)761-3334.  

Sincerely,

DATE: April 23, 2009
RE: AMENDING THE 2009 CAPITAL BUDGET AND PROGRAM AND APPROPRIATING FUNDS IN CONNECTION WITH RECONSTRUCTION OF CR 94, NUGENT DRIVE CULVERTS (CAPITAL PROGRAM NUMBER 5371)

Attached are a draft resolution and duplicate copy to appropriate the sum of $500,000 for construction in connection with the above referenced project. There are insufficient funds included in the 2009 Capital Budget and Program for this project. We intend to utilize $500,000 from CP 5560 construction. This funding is available due to us attaining Federal aid for that project.

The initial project for CR 94, Nugent Drive Culvert, was previously let under a new type of strengthening process termed Fiber Reinforced Polymer Structural Reinforcement. Pre-bid the Certified Licensed installer quoted us a price to complete the procedure on the culvert. The Certified installer doubled his price to the General Contractors during the letting which placed the cost of the project well above the funds available in the Capital Program. We could not award the project and decided it would be more cost effective to remove and replace the Structural Deck and bring the structure to a higher load capacity. Due to the amount of time past from the initial letting, the design changes proposed, and the additional scope included in the current project, additional construction funding is required.

Resolution No. 1168 of 1995 classified the action contemplated by this as a Type II Action, which will not have a significant effect on the environment.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "RESO-DPW-CP 5371.doc".

New York State Agricultural Districts are established in Suffolk County pursuant to Article 25AA of the New York State Agriculture and Markets Law. This Law is the authority for the creation and continuation of agricultural districts in New York State and is amended each year, as necessary, to clarify sections of the law in order to foster continuation of farming in the state.

In 2003 the Agricultural Districts Law was amended and a new section (303-b) was added to establish an annual 30-day period during which a farmer can submit proposals to include viable land within a certified agricultural district. The procedure for adding new parcels is similar to the procedure for renewal of an agricultural district at its eight-year renewal. The Suffolk County Legislature designated the month of January as the 30-day annual open enrollment period (OEP).

During the September 23, 2008 meeting of the Suffolk County Farmland Committee (SCFC), the 2009 OEP was announced. At both the November 25, 2008 and January 27, 2009 meetings of the SCFC, applications for the 2009 OEP were available. In December of 2008, a public notice was placed in Suffolk County’s official papers as notification for the 2009 OEP and posted in the Suffolk County Department of Planning’s office. On January 8th and 9th, applications for the 2009 OEP were available at the Long Island Agricultural Forum held at the Eastern Campus of Suffolk Community College. (Section 303-b does not require public notice of the annual open enrollment period.)

During the 2009 OEP, ten farms encompassing 34 parcels requested inclusion in existing agricultural districts. The Suffolk County Agricultural and Farmland Protection Board (AFPB) met on April 16, 2009 to discuss the parcels presented for inclusion. The AFPB reviewed and voted on all of the farms seeking to join existing agricultural districts during the 2009 OEP. All or part of seven of the farms were accepted, consisting of 13 approved parcels. Three farms were denied.

Appendix A contains a list of 13 parcels totaling 140.6 acres approved by the AFPB for inclusion into existing agricultural districts. This includes 50.7 acres in the Town of Brookhaven, 43.9 acres in the Town of Riverhead, 17.9 acres in the Town of Southampton, and 28.1 acres in the Town of Southold. There were 21 parcels that were not approved, totaling 176.4 acres. The 21 parcels were disapproved because they are not currently being farmed.

The farms that were approved contain various types of agricultural production. Principal farm enterprise is lead by horticultural specialty production with 61.2% of the acreage, followed by horse farms (25.2%), grain production (10.8%), and vineyards (2.8%).

There are many benefits for the inclusion of these parcels in existing agricultural districts. As a matter of policy, the inclusion of new parcels in existing agricultural districts encourages the continuation of viable farming operations within Suffolk County. Agricultural District status limits the exercise of eminent domain on agricultural district parcels and also limits burdensome benefit assessments, special ad valorem levies, or other rates or fees in certain improvement districts or benefit areas for which the farmers would be assessed. Perhaps the most important reason for farms being in an agricultural district is the protection it gives viable farms from nuisance complaints and unduly restrictive local laws. If neighbors are complaining about a farm in the agricultural district the New York State will back up the farm as long as what they are doing is considered normal agricultural practices.
The Suffolk County Agricultural and Farmland Protection Board respectfully submits seven farms consisting of 13 parcels, as identified in Appendix A, for inclusion in the 2009 Open Enrollment Period.

Mr. Ben Zwirn, Deputy County Executive
H. Lee Dennison Building
100 Veterans Memorial Highway
Hauppauge, NY 11788-0099

Dear Mr. Zwirn:

Attached for your review and consideration is a proposed Introductory Resolution that would authorize the inclusion of 13 parcels representing 140.6 acres of farmland into the county’s existing agricultural districts. This inclusion of new parcels is being done in accordance with the provisions of Section 303-b of the New York State Agriculture and Markets Law, Article 25-AA, which requires an annual opportunity for property owners to enter into existing agricultural districts. These parcels have all been approved by the Agricultural and Farmland Protection Board.

Agricultural districts encourage the continuation of farming by providing the “right to farm” protections and property tax benefits.

Please contact me if you require any additional information.

Sincerely,

Thomas A. Isles
Director of Planning

The album’s title and cover artwork clearly symbolizes Shenole Latimer’s desire to place himself and his music squarely within the field of vision of the jazz listeners that he is trying to reach.

Aside from dominating CD Baby’s Editor’s Picks list for an astounding 3 months in 2007, “Front and Center” has also received rave reviews from a host of different media channels including Long Island based Good Times Magazine, Orlando, FL based Impact Press, Chicago, IL based Pitch Fork Magazine, and Beverly Hills, CA based Under the Radar Magazine.

The airplay and internet streaming that Latimer’s album has received can only be described as global. “Front and Center” has not only been played over the airwaves of radio stations both domestic and abroad, but has also traveled the world via internet based radio programs and podcasts.
RESOLUTION NO. 2009, DIRECTING THE SUFFOLK COUNTY SEWER AGENCY TO PREPARE MAPS, PLANS, REPORTS AND MAKE RECOMMENDATIONS IN ACCORDANCE WITH ARTICLE 5-A TO FORM A SEWER DISTRICT AT MONTAUK HIGHWAY IN MASTIC/SHIRLEY

WHEREAS, the Suffolk County Sewer Agency has entered heretofore and will hereafter enter into agreements with various subdividers, developers, and sponsors to make provisions for sewage collection and disposal facilities in and about subdivisions, condominiums, commercial, industrial and other areas, as well as the formation of districts to implement such intentions; and

WHEREAS, the prevalence of cesspools and septic tanks in the Mastic and Shirley communities has contributed to the depletion of oxygen and the increased levels of nitrogen in the Forge River; and

WHEREAS, the nitrogen contribution from failing septic systems is so severe that the Forge River has been placed on the New York State Impaired Waterways list; and

WHEREAS, due to their geographic placement on the south shore of Long Island, the Mastic and Shirley communities have many other environmentally sensitive tributaries which must also be protected from further pollution; and

WHEREAS, sewers would reduce the nitrogen levels entering the Forge River and compliment other environmental restoration projects that Suffolk County has invested in to restore this ailing body of water; and

WHEREAS, the creation of a sewer district would contribute to the revitalization of the Montauk Highway Business District, which has been targeted for economic development;

WHEREAS, such a sewer district would encompass the parcels described in Exhibit “A” and the area shown in the maps attached hereto as Exhibit “B”; now, therefore be it

1st RESOLVED, that the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, be, and they are hereby authorized, empowered and directed to undertake the preparation of appropriate maps, plans, reports and recommendations, all in accordance with Article 5-A of the NEW YORK COUNTY LAW and necessary to initiate the formation of such County Sewer district in and about the Montauk Highway Business District in the communities of Mastic and Shirley, Town of Brookhaven; and be it further

2nd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection, and the Suffolk County Council on
Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

Section 4.06 LESSOR recognizes that COUNTY is a municipal corporation whose financial obligations are strictly regulated by statute. The duly constituted rules, regulations, and
proceedings of said municipality require that the payment of Total Annual Rent shall only be made in accordance with such statutes. As part of said procedures, it is necessary that LESSOR submit vouchers provided by COUNTY for the payment of Total Annual Rent hereinafore provided, and any other reasonable documentation as may be required by COUNTY for payment of Expenses, as defined in Section 4.07, or other charges under the terms of this Second Lease. LESSOR hereby agrees to submit such vouchers and all reasonable documentation of Expenses or other charges timely and as may be reasonably requested by COUNTY’s Department of Audit and Control within one hundred eighty (180) days of incurring the cost or expense relating to the request for payment. COUNTY agrees to deliver vouchers to LESSOR at least ten (10) Business Days after a request from LESSOR for a voucher(s) to be submitted for payment of an Expense. Failure to submit the vouchers within one hundred and eighty (180) days of the cost or expense being incurred shall constitute grounds for the COUNTY to deny payment for the same. If COUNTY fails to deliver the vouchers as required hereunder, then LESSOR shall not be required to submit the undelivered vouchers as a condition to its right to receive any payment to which such voucher relates, and the failure of LESSOR to submit such undelivered voucher to COUNTY shall not prevent or constitute a condition to LESSOR’s ability to exercise its rights pursuant to Section 23. Once completed by LESSOR, LESSOR shall submit the vouchers to COUNTY. By submitting completed vouchers for Total Annual Rent, LESSOR shall have satisfied its obligation to request payment of Total Annual Rent hereunder for the entire calendar year.

Section 4.07 Any sums, charges, fees, expenses, or amounts to be paid by COUNTY pursuant to the provisions of this Second Lease, other than Total Annual Rent, shall be designated as and deemed to be “Expenses” and shall be payable by COUNTY to LESSOR, as additional rent, within ninety (90) days after LESSOR gives COUNTY written notice that such payment is due, together with a voucher, and any supporting documentation reasonably required by COUNTY, for the amount of such Expense, unless otherwise provided in this Second Lease, except that any Expense submitted for the payment of “Real Estate Taxes,” defined at Section 5.01 shall be payable within sixty (60) days after LESSOR has given COUNTY written notice that such payment is due, together with a voucher and supporting documentation.

SECTION 5. REAL ESTATE TAXES

Section 5.01 TENANT shall pay all Real Estate Taxes assessed, levied or imposed upon the Premises or any improvements thereon as currently exist or as may hereafter be constructed upon the Premises for the benefit of TENANT. The term “Real Estate Taxes” shall mean and be deemed to include all real property taxes, assessments, county taxes, transit taxes, or any other governmental charge of a similar nature whether general, special, ordinary, or extraordinary, foreseen or unforeseen, of any kind or nature whatsoever, including without limitation, assessments for public improvements or benefits. If, due to a change in the method of taxation, any franchise, income, profit, sales, rental, use and occupancy, or other tax shall be substituted for or levied against the LESSOR or any owner of the building and/or the land in lieu of Real Estate Taxes hereinafore defined, upon or with respect to the building or the land, such tax shall be included in the term “Real Estate Taxes”. Nothing contained herein shall be construed to include as “Real Estate Taxes” any inheritance, estate, succession, transfer, gift franchise, corporation, income or profit tax, or capital levy that is or may be imposed upon LESSOR.

Section 5.02 LESSOR shall promptly deliver to the COUNTY a true and complete copy of each bill, statement or assessment received by it from any taxing authority with respect to any Real
Estate Taxes payable by COUNTY hereunder or which would become a lien on the premises if not paid.

Section 5.03 If TENANT fails to pay any taxes and assessments when due, TENANT shall be deemed in default in payment of rent, and LANDLORD shall be entitled with respect to the collection thereof, to any and all remedies to which LANDLORD is entitled hereunder, in the event of a default in the payment of rent.

Section 5.04 Any Real Estate Taxes relating to a fiscal period of the taxing authority, a part of which period is included within the Term and a part of which is included in a period of time either before the Commencement Date or after the Expiration Date, shall be adjusted between LESSOR and COUNTY so that COUNTY shall pay only that portion of such Real Estate Taxes allocable to the portion of such fiscal period which coincides with the Term, and LESSOR shall pay the remainder thereof.

Section 5.05 COUNTY, at its own cost and expense, upon not less than thirty (30) days prior written notice to LESSOR, and provided LESSOR has not already done so, shall have the right, but not the obligation, to contest or review by legal proceedings, any Real Estate Taxes imposed upon or against the Premises, in the event that such Real Estate Taxes assessments, water rates, or other charges shall, as a result of such proceedings, whether instituted by LESSOR, its proxy, or COUNTY, be reduced, cancelled, set aside or to any extent discharged, COUNTY shall pay its share of the amount that shall be finally assessed or imposed against the Premises or be adjudicated to be due and payable on such disputed or contested claims, and shall receive any refund on such charges previously paid by COUNTY. In the event LESSOR brings such legal proceedings, any amount refunded to COUNTY may be reduced by the actual and customary costs and expenses incurred by LESSOR in instituting the successful proceeding.

Section 5.06 In the event that COUNTY or LESSOR shall protest or contest any Real Estate Taxes, the contesting party shall provide the other with copies of any application, petition or other papers and pleadings related to such protest or contest. The non-contesting party, at its own cost and expense, may retain co-counsel, attend all hearings and proceedings, present evidence and arguments, and generally participate in any such protest or contest of Real Estate Taxes. In the event either LESSOR or COUNTY shall protest or contest any Real Estate Taxes, the other shall cooperate with all reasonable requests of the party initiating the protest or contest with regard to the prosecution of the protest or contest.

SECTION 6.

UTILITIES

Section 6.01 Provided COUNTY is not in default under any of the covenants of this First Extension, LESSOR shall provide during “Working Hours” (Monday through Friday from 7:00 a.m. to 6:00 p.m. and Saturdays from 7:00 a.m. to 1:00 p.m., holidays excepted: (a) water for ordinary lavatory purposes; and (b) air conditioning/cooling at reasonable temperatures, pressures and degrees of humidity and in reasonable volumes and velocities at suitable locations will be furnish during Working Hours when it may be required for the comfortable use and occupancy of the Premises by COUNTY.

Section 6.02 All costs, fees, and charges related to utility services directly metered and contracted for by COUNTY during the Term, together with any taxes thereon, shall be a COUNTY charge and shall be paid by COUNTY directly to the applicable utility company. All
other utilities and services shall be paid as indicated on the LANDLORD-TENANT RESPONSIBILITIES SHEET, attached hereto as Exhibit A.

Section 6.03 The responsibilities of the parties to the First Extension are indicated on Exhibit A.

SECTION 7. [Omitted]

SECTION 8. CONDITION OF PREMISES – LESSOR’S WORK

Section 8.01 LESSOR and COUNTY acknowledge and agree that COUNTY has previously used and occupied the Premises for a continuous period and, except for the work to be provided by LESSOR expressly under the terms hereof, COUNTY hereby accepts the Premises in their “as is” condition.

Section 8.02 LESSOR hereby agrees to perform work described in Exhibit B ("LESSOR’s Work"), attached hereto and made a part hereof, for COUNTY’s continued occupancy and in accordance with any Plans and Specifications, and Work Schedule agreed to by LESSOR and the Department. LESSOR further represents that the construction, reconstruction, renovation, and any preparation or work required to prepare the Premises for occupancy in accordance with the terms of this First Extension will be in a good and workmanlike manner.

Section 8.03 LESSOR agrees that the Premises and any construction, reconstruction, or renovation of the Premises shall comply with the Americans with Disability Act, and any local and state codes; notwithstanding the foregoing, it is agreed that LESSOR shall have no obligation to update the compliance of the Premises if under applicable law the Premises may remain in its current state. If the standards and guidelines conflict, the more stringent code requirements shall be followed. It is further agreed that any heating, ventilating, and/or air conditioning systems provided in connection with any new construction of the Premises shall conform to the American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) standards.

Section 8.04 [Intentionally Omitted]

Section 8.05 Upon completion of LESSOR’s Work, LESSOR and the Department shall jointly inspect the completed work for the purpose of identifying any Punch List Items to be performed. The performance of Punch List Items shall be commenced and thereafter diligently pursued to completion by LESSOR within ten (10) days of its receipt of a letter and description of the Punch List Items.

Section 8.06 If the Punch List Items can reasonably be completed within thirty (30) days of its receipt of the written Punch List Items and in the event LESSOR fails to complete the Punch List Items within such thirty (30) days (or if LESSOR fails to diligently pursue the completion of a Punch List Item that cannot be reasonably completed within such thirty (30) day period), COUNTY shall be entitled to complete the Punch List Items upon providing LESSOR five (5) business days written notice of its intent to cure the Punch List Items. In the event that COUNTY completes the Punch List Items in accordance herewith, COUNTY may recover from LESSOR the actual costs of completing the same. In addition to the actual costs incurred by COUNTY in connection with completing the Punch List Items, COUNTY may also recover from LESSOR damages, in the amount of five percent (5%) of the actual cost incurred, for the administrative costs incurred in connection with curing the Punch List Items.
Section 8.07 COUNTY agrees that LESSOR shall not be required to perform any additional work or furnish any additional materials to prepare the Premises for COUNTY's occupancy other than that which is set forth in Exhibit B and COUNTY shall accept the Premises in their condition and state of repair and construction.

Section 8.08 During the Term of this First Extension, LESSOR shall provide any and all necessary exterminating, fumigating, or treatment for a rodent, vermin or insect infestation reported by the COUNTY, or discovered by LESSOR, unless such infestation results from COUNTY's misuse or negligence, in which case such extermination, fumigation or treatment shall be at COUNTY's sole cost and expense. Such extermination, fumigation, or treatment to be performed by a New York State Environmental Conservation certified applicator subject to the provisions of Chapter 380 of the Suffolk County Code.

Section 8.09 COUNTY agrees that LESSOR shall not be required to perform any additional work or furnish any additional materials to prepare the Premises for COUNTY's occupancy except as set forth in Exhibit B, and COUNTY shall accept the Premises in their condition and state of repair and construction, excepting "Latent Defects," defined below, as of the date of Commencement. For purposes of this First Extension, "Latent Defects" means defects in the construction of the Premises which COUNTY could not reasonably be expected to discover in its inspection of the Premises.

Section 8.10 LESSOR shall cure Latent Defects within sixty (60) days of receipt of a letter from COUNTY identifying the Latent Defects; provided, however, that such sixty-day (60) period shall be extended to the extent of any delays in LESSOR's completion thereof due to or resulting from the actions of the COUNTY.

SECTION 9. INTENTIONALLY OMITTED

SECTION 10. CONFORMITY TO PLANS AND SPECIFICATIONS

Section 10.01 Occupancy of the Premises by the COUNTY shall not relieve LESSOR in any respect from full compliance at all times with the Approved Final Plans and Specifications. It is further understood and agreed that any installation not in conformity with the Approved Final Plans and Specifications shall be immediately corrected by the LESSOR at LESSOR's sole cost and expense. In the event LESSOR shall, after notice in writing from the COUNTY requiring the LESSOR to comply with the requirements of this section in regard to a specified condition, fail, refuse or neglect to remedy such conditions, the COUNTY may terminate this Second Lease without further obligation, or as to such specified condition, at its option and in addition to any other remedy the COUNTY may have, withhold rent due and bring the Premises into conformity with the Approved Final Plans and Specifications at its own cost including County Administrative Costs of ten percent (10%) of the actual costs incurred in performing the work, and deduct the amount thereof from the rent that may then be or thereafter become due hereunder.

SECTION 11. PREVAILING WAGE

Section 11.01 LESSOR's Work constitutes a public works contract under Article 8 of the Labor Law. LESSOR acknowledges and agrees to comply with the prevailing wage requirements for all of LESSOR's Work in connection with the construction and preparation of the entire Premises
(interior and exterior), including, but not limited to, the building, land, parking lot, and all other portions of the Premises in accordance with the Approved Final Plans and Specifications.

Section 11.02 No person performing, aiding in, or assisting in LESSOR’s Work shall be paid less than the said prevailing rates as defined and utilized under Section 220 of the Labor Law. The wages to be paid shall not be less than the prevailing rate of wages and supplements as set forth by law.

Section 11.03 LESSOR, its contractors, and subcontractors shall file transcripts of original payrolls for the performance of all of LESSOR’s Work under this Second Lease, in connection with the construction and preparation of the entire Premises, with the Department, within ten (10) days after its first payroll, and every thirty days thereafter, said payroll transcripts to be subscribed and affirmed as true under penalty of perjury. LESSOR, its contractors and subcontractors, shall keep their books open for inspection by representatives of the Suffolk County Department of Audit and Control and/or its representatives, including the Office of the District Attorney, on a monthly basis during the performance of LESSOR’s Work, to ensure that LESSOR, its contractors and subcontractors are in compliance with these terms and conditions, provided that twenty-four (24) hour-notice is given to the LESSOR, its contractors and/or subcontractors prior to the inspection.

Section 11.04 LESSOR agrees that it shall include clauses in all of its agreements with its contractors and subcontractors for the performance of LESSOR’s Work stating that: (i) said contractors and subcontractors shall pay prevailing wages, as agreed to in Lease R-938 between the County of Suffolk and the LESSOR; (ii) said contractors and subcontractors shall file transcripts of original payrolls for all work performed in connection with the construction and preparation of the Premises and performance of LESSOR’s Work under this Second Lease with the Department within ten (10) days after its first payroll, and every thirty days thereafter, said transcripts to be subscribed and affirmed as true under penalty of perjury and (iii) LESSOR, its contractors, and subcontractors shall keep their books open for inspection by representatives of the Suffolk County Department of Audit and Control and/or its representatives, including the Office of the District Attorney, on a monthly basis during the performance of LESSOR’s Work to ensure that the LESSOR, its contractors and subcontractors are in compliance with these terms and conditions, provided that twenty-four (24) hour-notice is given to the LESSOR, its contractors and/or subcontractors prior to the inspection.

Section 11.05 During the performance of LESSOR’s Work, LESSOR shall maintain at the job site, and with the County Department of Labor a copy of all payrolls or transcripts thereof as would be required to be maintained pursuant to Section 220 of the New York Labor Law.

Section 11.06 During the performance of LESSOR’s Work, LESSOR shall provide to the COUNTY employment attendance sheets for all employees, including employees of subcontractors, for each day on which work is performed on the site, upon a form reasonably acceptable to the COUNTY, containing such information as the Commissioner of the Department of Labor reasonably deems appropriate, including job classification, hours of employment, wage rate and supplements payable, and employer, prior to payments being made by the COUNTY.

SECTION 12. APPRENTICE TRAINING PROGRAMS

Section 12.01 If the total cost of LESSOR’s Work, as defined at Section 9.02(v), is in excess of
$250,000.00, LESSOR agrees that this Second Lease, with respect to LESSOR’s Work, is subject to Chapter 552 of the Suffolk County Code, and although Chapter 552 may not be applicable to LESSOR’s Work, LESSOR agrees that, in connection with LESSOR’s Work, LESSOR, LESSOR’s contractors, and all subcontractors shall participate in registered and approved apprentice training programs. LESSOR and its contractors shall provide evidence of participation in approved apprentice training programs that are appropriate for the type and scope of work to be performed under this Second Lease.

Section 12.02 After execution of this Second Lease, and at least ten (10) working days prior to the commencement of any of LESSOR’s Work performed pursuant to this Second Lease, LESSOR and its contractors shall provide affidavits attesting to participation in the appropriate, approved apprentice training programs.

Section 12.03 LESSOR or LESSOR’s contractor shall also submit an affidavit of participating in an approved apprentice-training program from each subcontractor performing any aspect of LESSOR’s Work. The COUNTY will provide affidavit forms.

SECTION 13. LAWFUL HIRING OF EMPLOYEES LAW IN CONNECTION WITH CONTRACTS FOR CONSTRUCTION OR FUTURE CONSTRUCTION

Section 13.01 This Agreement is subject to the Lawful Hiring of Employees Law of the County of Suffolk, Suffolk County Code Chapter 224, as more fully set forth in the Exhibit entitled "Suffolk County Legislative Requirements." In accordance with this law, LESSOR and any subcontractor or owner, as the case may be, agree to maintain the documentation mandated to be kept by this law on the Construction Site at all times. LESSOR and any subcontractor or owner, as the case may be, further agree that employee sign-in sheets and register/log books shall be kept on the Construction Site at all times during working hours and all covered employees, as defined in the law, shall be required to sign such sign in sheets/register/log books to indicate their presence on the Construction Site during such working hours.

SECTION 14. RENT ADJUSTMENT FOR IMPROPER OR ILLEGAL ACTIVITY

Section 14.01 If the Commissioner of the Department or his or her designee reasonably determines that there was a violation by LESSOR, his contractors, subcontractors, employees or agents of the Prevailing Wage requirement, the Apprentice Training Program requirement, the Living Wage requirement; or the Lawful Hiring of Employees Law under this Second Lease, and LESSOR fails to cure the violation within thirty (30) days of LESSOR’s receipt of written notice of such violation, at COUNTY’s election, it may: (1) terminate the Second Lease, if such breach occurs prior to occupation of the Premises by COUNTY; or (2) accept damages either in the sum of $500.00 per day for each day that prevailing wages or living wages were not paid, or in an amount equal to the wages determined to have been underpaid, and/or the monetary equivalent of the apprenticeship training not provided, whichever amount is greater.

Section 14.02 In the event LESSOR agrees to pay damages in the sum of $500.00 per day for each day that prevailing wages or living wages were not paid, LESSOR shall pay the amount owed as damages, as set forth therein, within forty-five (45) days after receipt by LESSOR of a written statement as to the amounts owed. In the event LESSOR does not remit the total amount owed as damages described herein within the requisite time, COUNTY may withhold any outstanding amounts from the first following monthly installment of Total Annual Rent, subject to the
limitation that, in no event shall the amount withheld in any month exceed 10% of monthly installment of Total Annual Rent. In the event that COUNTY is limited from withholding the entire amount owed in one month, under this Section 14.02, COUNTY may continue to withhold up to 10% of the monthly installment of Total Annual Rent from each next succeeding monthly installment, until the total amount of damages accruing as a result of a violation under Section 11.01 are recouped from LESSOR. No deduction from rent pursuant to this clause shall constitute a default by the COUNTY under this Second Lease. This remedy is not exclusive and is in addition to any other remedies which may be available under this Second Lease or at Law.

Section 14.03 Prior to making a determination as set forth in Section 14.01, the Commissioner of the Department shall provide to LESSOR a written notice of the action being considered and the basis therefore, together with reasonable documentation evidencing such violation(s). LESSOR shall have a period of ten (10) calendar days after receipt of such notice to submit in person, in writing, or through a representative, information and argument in opposition to the proposed reduction. The Commissioner of Public Works may, upon good cause shown, determine to deduct less than the above amounts from payments. In the event LESSOR proves it is compliant with such requirements, COUNTY shall promptly reimburse LESSOR for all reasonable costs incurred by LESSOR in proving same.

SECTION 15. INTENTIONALLY OMITTED

SECTION 16. EFFECT OF ACCEPTANCE AND OCCUPANCY

Section 16.01 Neither the COUNTY’s acceptance of the Premises for occupancy, nor the COUNTY’s occupancy thereof, shall be construed either as a waiver of any requirement of or right of the COUNTY under this Second Lease, or as otherwise prejudicing the COUNTY with respect to any such requirement or right.

SECTION 17. CARE AND REPAIR OF PREMISES BY COUNTY

Section 17.01 During the Term of this Second Lease, and subject to the provisions of Section 19, COUNTY shall make and be responsible for, at COUNTY’s sole cost and expense, all repairs and replacements relating to the Premises which are not caused by or due to a Latent Defect, and in accordance with the Exhibit A, and those repairs and/or replacements which are made necessary by: (1) the performance of any “Alterations,” defined in Section 18.01, made by COUNTY; (2) the negligent use or operation of COUNTY’s property or fixtures; (3) the moving of COUNTY’s property or fixtures in, out or about the Premises; (4) the negligence or misuse of the Premises by COUNTY or its officers, employees, personnel, agents, representatives, contractors, subcontractors, or invitees. All repairs made by or on behalf of COUNTY shall be at least equal in quality and design to the original construction of the Premises.

SECTION 18. ALTERATIONS

Section 18.01 COUNTY shall have the right, during the term of this Second Lease, to make any “Alterations,” meaning any alterations, installations, improvements, additions, or renovations to the Premises or any part or portion thereof, with notice to, but without the prior consent of, LESSOR which are non-structural and do not affect interior and exterior walls, the foundation or roof of the building and which do not affect or pertain to any plumbing, electrical, heating,
ventilation, air-conditioning, mechanical, vertical transport, or other systems and equipment (collectively "Building Systems"). COUNTY may make Alterations that are structural or affect the interior and exterior walls, foundation or roof of the building, or affect or pertain to any Building Systems, with the prior written consent of LESSOR, which consent shall not be unreasonably withheld or delayed. In the event LESSOR does not provide a written objection to the proposed Alterations within fifteen (15) Business Days of receipt of the County’s written request to perform such Alterations, then LESSOR shall be deemed to have approved the Alteration.

COUNTY shall deliver to LESSOR a copy of the final plans and specifications showing the actual construction for all Alterations. LESSOR shall have the right, but not the obligation, to review and supervise any Alterations performed at the Premises.

Section 18.02 All Alterations and LESSOR’s Work, excluding COUNTY’s trade fixtures, moveable office furniture, and moveable equipment, installed in the Premises, either by COUNTY or by LESSOR on COUNTY’s behalf, shall become the property of LESSOR and shall remain upon and be surrendered with the Premises upon the expiration or earlier termination of the Second Lease. In the event this lease terminates prior to the expiration date, COUNTY acknowledges and agrees that it shall remove exposed telephone, data and computer wiring and cabling to the ceiling and/or walls, at its sole expense. Nothing in this Section shall be construed to give LESSOR title to, or to authorize LESSOR to prevent COUNTY’s removal of trade fixtures, moveable office furniture and equipment.

SECTION 19.

CARE OF PREMISES BY LESSOR

Section 19.01 The Premises, as a whole, shall be properly constructed and will be delivered to the COUNTY in good condition. Subject to the provisions of Section 17, LESSOR shall maintain and promptly repair the Premises, including the building, Building Systems and all equipment, fixtures, and appurtenances furnished by the LESSOR under this Second Lease, to keep same in good repair and condition, and in accordance with general industry practice in the operation of such a building, so that they are suitable in appearance and capable of supplying such heat, air conditioning, light, ventilation, water, access and other things to the Premises, without reasonably preventable or recurring disruption, as is required for the COUNTY’s access to, occupancy, possession, use and enjoyment of the Premises as provided in this Second Lease, at LESSOR’s sole cost and expense.

Section 19.02 Subject to Excusable Delays, and in the absence of gross negligence on the part of the County, LESSOR guarantees that the Premises shall continually have heat, electricity, air conditioning, and plumbing available for use by the COUNTY. It is hereby understood and agreed that the heating and air condition systems will be kept under a uniform and systematic program of service and repair as prescribed according to manufacturer specifications, solely at LESSOR’s expense. If any existing heating and air conditioning systems are inadequate to provide a consistent degree of comfort, LESSOR shall, at its own expense, replace or modify the system to assure consistent comfortable temperatures.

Section 19.03 LESSOR shall have a building superintendent or a locally designated representative available to promptly correct deficiencies and keep the COUNTY notified of the name of that person or persons as well as with all contact information.
Section 19.04 In addition to the LESSOR's obligations under Section 19.01, and subject to the provisions of Section 17, LESSOR shall further make all necessary repairs, replacements and perform maintenance, at no additional cost to COUNTY, as follows:

(i) to the exterior water, gas and electrical services, including drainage structures, cesspools, septic tanks and all connecting piping; it being specifically understood that in no event shall LESSOR be liable for failure of any service provided by an independent utility provider;
(ii) made necessary by fire or other peril covered by the standard extended coverage endorsement on fire insurance or by reason of war, wind, or Acts of God, contents excepted;
(iii) landscaping and general maintenance of landscaped areas of the Premises;
(iv) snow removal on all parking lots and walkways of the Premises;
(v) [intentionally omitted]; and
(vi) to all items designated as LESSOR responsibility as shown in Exhibit A.

Section 19.05 COUNTY shall give to LESSOR prompt written notice (notice by fax or e-mail being acceptable) of any accidents or damage to or defects in, the roof, the exterior of the building, plumbing, electrical service, electrical lights, or HVAC apparatus. Absent negligence by the County, these defects shall be remedied by LESSOR in a reasonably timely fashion.

Section 19.06 LESSOR agrees, at its sole cost and expense, to perform all necessary maintenance, repairs, and replacements to the Premises caused by the negligence or willful misconduct of LESSOR, and LESSOR's employees, agents, contractors, and subcontractors. COUNTY shall notify LESSOR of the need for any such repair or replacement promptly after COUNTY becomes aware of the need for the same.

Section 19.07 LESSOR shall provide timely maintenance testing and inspection of all Premises and building equipment and systems in accordance with applicable codes, and inspection certificates must be displayed as required by law, including annual testing and maintenance of all fire extinguishers and periodic balancing of the HVAC system.

Section 19.08 [Intentionally omitted].

Section 19.09 [Intentionally Omitted]

SECTION 20. INSURANCE

Section 20.01 [Intentionally Omitted]

Section 20.02 LESSOR assumes all risks in the construction of the Premises and shall defend, indemnify, and hold harmless the COUNTY, its officials, employees, servants, and agents from and against all liabilities, fines, penalties, actions, demands, losses, claims, costs, judgments, damages, liens, encumbrances, costs, and expenses, including reasonable attorneys' fees, during the time of construction up to the time of Delivery of the entire Premises.

Section 20.03 During the Term of this Second Lease: COUNTY shall procure and keep in full force and effect at its own cost and expense liability insurance in which policy LESSOR or, in the event COUNTY is requested in writing by LESSOR, LESSOR's Mortgagee, or their successors or assigns, shall be named as an additional insured in an amount not less than Two Million
Dollars ($2,000,000.00) per occurrence for bodily injury and Two Million Dollars ($2,000,000.00) per occurrence for property damage, and shall furnish LESSOR with proof of same. This insurance is to be excess over any other valid and collectible insurance except insurance that is written specifically as excess over the limits of liability that apply to this policy.

Section 20.04 In the event that a lease is for less than 100% of the building, the COUNTY shall only provide liability insurance, naming the landlord as an additional insured, for the area which it leases. The LESSOR is required to provide liability insurance, naming the COUNTY as an additional insured, for all common areas or any other areas of the building not leased to the COUNTY. LESSOR shall likewise provide liability insurance for all exterior areas of the premises such as parking areas and walkways, regardless of whether the areas are designated for the COUNTY’s use including contractual liability coverage, in an amount not less than Two Million Dollars ($2,000,000.00) per occurrence for bodily injury and Two Million Dollars ($2,000,000.00) per occurrence for property damage.

Section 20.05 Notwithstanding the foregoing, however, COUNTY. at its sole option, subject to COUNTY being in full compliance with all applicable New York State, local and federal regulations regarding COUNTY’s self-insurance program and subject to COUNTY’s satisfying the Self-Insurance Standard, may elect to be either partially or totally self-insured and thereby assume responsibility for that portion of the liability insurance for which it is insured. In this case, COUNTY must notify LESSOR of its self-insured status by a signed writing. This self-insurance is to be excess over any other valid and collectible insurance.

Section 20.06 In the event the property is transferred by LESSOR, the Transferee shall immediately provide the Department with the required proof of insurance in accordance with this Section 20.

SECTION 21. INDEMNIFICATION

Section 21.01 LESSOR shall indemnify and hold harmless the COUNTY from and against all claims, costs (including reasonable attorneys’ fees), losses, and liabilities of whatsoever nature arising out of any intentional acts, omissions or negligence of the LESSOR, its officers, agents, servants, employees, contractors or subcontractors in connection with the Premises and its obligations under the Second Lease; provided, however, that LESSOR shall not indemnify for that portion of any claim, loss or damage arising under this Second Lease due to the negligent act or failure to act of the COUNTY. LESSOR, at its own cost and expense, and throughout the term of this Second Lease, shall procure and keep in full force and effect Commercial General Liability insurance, including contractual coverage, in an amount not less than Two Million Dollars ($2,000,000.00) per occurrence for bodily injury and Two Million Dollars ($2,000,000.00) per occurrence for property damage, in accordance with the provisions of Section 20.01(b)-(e).

SECTION 22. FIRE AND CASUALTY DAMAGE

Section 22.01 If either the entire Premises, or more than 50% of the Premises is destroyed by fire or other casualty, and cannot be fully restored within one (1) year, this Second Lease will immediately terminate. In case of partial destruction or damage in an amount less that 50% of the Premises, so as to render the entire Premises untenable, as reasonably determined by either LESSOR or the COUNTY, and LESSOR is unable to guarantee the full restoration of the Premises within six (6) months from the date of such partial destruction or damage, either party may terminate the Second Lease by giving written notice to the other party within sixty (60)
calendar days of the fire or other casualty; if so terminated, no rent will accrue to the LESSOR after such partial destruction or damage;

Section 22.02 As long as the COUNTY is deprived of the use of any or all of the Premises on account of fire or casualty, Total Annual Rent shall be abated in proportion to the usable area of the Premises that are rendered substantially unfit for occupancy by such fire or casualty, unless, in the COUNTY’s sole judgment, such fire or casualty renders the undamaged part of the Premises materially unsuitable for use by the COUNTY for the uses contemplated by this Second Lease, in which event the Total Annual Rent shall be abated entirely during such period of deprivation.

Section 22.03 Unless LESSOR or COUNTY shall serve a termination notice as provided for in Sections 22.01, LESSOR shall work diligently to make all repairs and restorations to the Premises, with all reasonable expedition, subject to delays due to adjustment of insurance claims and Excusable Delays. After any such casualty, COUNTY shall cooperate with LESSOR’s restoration by removing from the Premises as promptly as reasonably possible any of COUNTY’s salvageable inventory and movable equipment, furniture, and other property as requested by LESSOR.

Section 22.04 The parties agree that this Section 22 constitutes an express agreement governing any case of damage or destruction of the Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force shall have no applicability.

Section 22.05 All risk of loss from fire or any other peril causing damage or destruction to the Premises or any other real or personal property of LESSOR during the Term shall be borne by LESSOR. Any property insurance policy(s) obtained by LESSOR to cover this exposure shall contain a Waiver of Subrogation against COUNTY. Current proof of insurance indicating that such waiver is in full force must be submitted by LESSOR to COUNTY prior to the Commencement Date. The risk of loss from any peril to the personal property, furniture, fixtures, equipment of COUNTY located on the Premises shall be borne by COUNTY, and COUNTY waives any right of subrogation against LESSOR with respect to such losses.

SECTION 23. INTENTIONALLY OMITTED

SECTION 24. NEGATIVE COVENANTS

Section 24.01 COUNTY shall not use, occupy, maintain, or operate the Premises, nor suffer or permit the Premises or any part thereof to be used, occupied, maintained, or operated, nor bring into or keep at the Premises, nor suffer or permit anything to be brought into or kept therein, which would in any way (a) violate any term, covenant, or condition of this Second Lease, (b) violate any restrictive covenant, operating covenant, encumbrance, or easement affecting the Premises, (c) violate any Legal Requirements, (d) make void or voidable any insurance policy then in force with respect to the Premises or make any such insurance unobtainable or increase the rate of any insurance with respect to the Premises, (e) cause physical damage to the Premises or any part thereof, (f) permit the excess accumulation of waste or refuse matter, or (g) constitute a public or private nuisance.
Section 24.02 COUNTY shall not place a load upon any floor or roof of the Premises that exceeds the floor/roof load per square foot that such floor/roof was designed to carry or which is allowed by Legal Requirements.

SECTION 25. LESSOR'S DEFAULT REMEDIES/DAMAGES

Section 25.01 Upon the occurrence, at any time prior to, or during the Term of the Second Lease, in addition to any other remedy available to LESSOR at law or in equity, of any one or more of the following events (referred to as “Events of Default”):

(i) if COUNTY shall default in the payment when due of any installment of Total Annual Rent, and any such default continues for twenty (20) Business Days, except for January of each calendar year, then if such default in January continues beyond twenty-five (25) Business Days, after LESSOR shall give COUNTY a written notice specifying such default; or

(ii) if COUNTY defaults in the keeping, observance or performance of any covenant or agreement (other than a default of the character referred to in (i) above), and if such default continues and is not cured within thirty (30) days after LESSOR gives COUNTY written notice specifying same, or, in the case of a default which for causes beyond COUNTY’s reasonable control cannot, with reasonable diligence be cured within such period of thirty (30) days, if COUNTY shall not immediately upon the giving of such written notice, (a) advise LESSOR of COUNTY’s intention duly to institute all steps necessary to cure such default and (b) institute and thereafter diligently prosecute to completion all steps necessary to cure the same;

the following Sections shall apply and LESSOR shall have, in addition to all other rights and remedies available at law or in equity, the rights and remedies set forth herein, which rights and remedies may be exercised upon or at any time following the occurrence of an Event of Default unless, prior to such exercise, LESSOR shall agree in writing with COUNTY that the Event(s) of Default has been cured by COUNTY in all respects.

Section 25.02 By notice to COUNTY, LESSOR shall have the right to terminate this Second Lease as of a date specified in the notice of termination and in such case, COUNTY’s rights, including any based on any option to renew, to the possession and use of the Premises shall end absolutely as of the termination date; and this Second Lease shall also terminate in all respects except for the provisions hereof regarding LESSOR’s damages and COUNTY’s liabilities arising prior to, out of or following the Event of Default and the ensuing termination.

Section 25.03 Unless and until LESSOR has terminated this Second Lease pursuant to Section 25.02 above, COUNTY shall remain fully liable and responsible to perform all of the covenants, and to observe all the conditions of this Second Lease throughout the remainder of the Term to the early termination date.

Section 25.04 LESSOR may enforce and protect the rights of LESSOR hereunder by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained herein, and for the enforcement of any other appropriate legal or equitable remedy, including,
without limitation, injunctive relief, and for recovery of all moneys due or to become due from COUNTY under any of the provisions of this Second Lease.

Section 25.05 Without limiting the generality of the foregoing, if COUNTY shall be in default in the performance of any of its obligations hereunder, other than a default in the payment of rent or in curing an emergency situation, LESSOR, upon second written notice to COUNTY, providing COUNTY with ten (10) additional days to cure or remedy the default, may (but shall not be obligated to do so), in addition to any other rights it may have in law or in equity, cure such default on behalf of COUNTY, and COUNTY shall reimburse LESSOR upon demand for any sums paid or costs incurred by LESSOR in curing such default.

Section 25.06 LESSOR shall have all rights and remedies now or hereafter existing at law or in equity with respect to the enforcement of COUNTY’s obligations hereunder and the recovery of the Premises. No right or remedy herein conferred upon or reserved to LESSOR shall be exclusive of any other right or remedy, but shall be cumulative and in addition to all other rights and remedies given hereunder or now or hereafter existing at law. LESSOR shall be entitled to injunctive relief in case of the violation, or attempted or threatened violation, of any covenant, agreement, condition or provision of this Second Lease, or to a decree compelling performance of any covenant, agreement, condition or provision of this Second Lease.

Section 25.07 No delay or forbearance by LESSOR in exercising any right or remedy hereunder, or LESSOR’s undertaking or performing any act or matter which is not expressly required to be undertaken by LESSOR shall be construed, respectively, to be a waiver of LESSOR’s rights or to represent any agreement by LESSOR to undertake or perform such act or matter thereafter. Waiver by LESSOR of any breach by COUNTY of any covenant or condition herein contained (which waiver shall be effective only if so expressed in writing by LESSOR) or failure by LESSOR to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the future of LESSOR’s right to have any such covenant or condition duly performed or observed by COUNTY, or of LESSOR’s rights arising because of any subsequent breach of any such covenant or condition nor bar any right or remedy of LESSOR in respect of such breach or any subsequent breach. LESSOR’s receipt and acceptance of any payment from COUNTY which is tendered not in conformity with the provisions of this Second Lease or following an Event of Default (regardless of any endorsement or notation on any check or any statement in any letter accompanying any payment) shall not operate as an accord and satisfaction or a waiver of the right of LESSOR to recover any payments then owing by COUNTY which are not paid in full, or act as a bar to the termination of this Second Lease and the recovery of the Premises because of COUNTY’s previous default.

Section 25.08 COUNTY hereby expressly waives for itself and any person claiming through or under COUNTY, any and all rights of redemption granted by or under any present or future laws in the event of COUNTY being evicted or dispossessed for any cause, or in the event of LESSOR’s obtaining possession of the Premises, by reason of the violation by COUNTY of any of the covenants and conditions of this Second Lease or otherwise.

Section 25.09 Except for the monetary obligations of either party, LESSOR and COUNTY shall not be in default of this Second Lease because of such party’s inability to perform the covenants and obligations set forth herein during the continuance of any period of Excusable Delays, except as may otherwise be expressly specified in this Second Lease.
SECTION 26.  COUNTY'S DEFAULT REMEDIES AND DAMAGES

Section 26.01.  Each of the following shall constitute a default by LESSOR under this Second Lease: (1) failure to maintain, repair, operate, or service the Premises as and when specified in this Second Lease, provided such failure shall remain uncorrected for a period of thirty (30) days next following LESSOR's receipt of written notice thereof from the COUNTY, unless such failure is of such a nature that, notwithstanding the best efforts of LESSOR, it cannot be completely cured or remedied within said period of thirty (30) days, in which event, such failure shall not constitute a default by LESSOR so long as LESSOR thereafter diligently continues its efforts to cure or remedy the same; or (2) repeated and unexcused failure by LESSOR to comply with one or more requirements of this Second Lease shall constitute a default notwithstanding that one or all such failures may have been timely cured.

Section 26.02.  With respect to any default of this Second Lease by LESSOR described in Section 26.01 which is not timely cured or remedied, whether or not economic damage is caused to COUNTY, COUNTY shall send a second written notice to LESSOR, providing LESSOR with ten (10) additional days to cure or remedy the default. Such second notice shall expressly state in bold letters that LESSOR's failure to cure such default within said ten (10) additional day period shall result in a penalty being assessed against LESSOR under Section 26.02 of this Second Lease. LESSOR agrees to pay $500.00 in damages, per day, for the period of time such breach continues to exist after the expiration of the ten (10) days. The foregoing penalty shall not apply in the event (and so long as) LESSOR, in good faith, is disputing the existence of any such alleged default.

Section 26.03.  If a default under this Section 26 continues after the expiration of all notice and cure periods provided for herein, COUNTY may, by written notice to LESSOR, terminate this Second Lease, and if so terminated, COUNTY shall be entitled to damages available under this Second Lease, and any other remedy available to COUNTY in law or equity.

Section 26.04.  The COUNTY shall have all of its common law, equitable, and statutory rights of set-off, subject to the further provisions of this Second Lease, including, without limitation. These rights shall include the COUNTY's option to withhold, for the purposes of set-off, any moneys due to LESSOR under this Second Lease up to any amounts due and owing to the COUNTY with regard to this Second Lease and/or any other lease or contract with any County department or agency, including any lease or contract for a term commencing prior to the term of this Second Lease, plus any amounts due and owing to the COUNTY for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The COUNTY shall exercise its set-off rights in accordance with normal County practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the County agency, its representatives, or the County Comptroller, and only after legal consultation with the County Attorney. Notwithstanding anything to the contrary contained herein, in no event shall the amount set-off and withheld by the COUNTY in any particular month exceed seven and one-half percent (7.5%) of the next monthly installment of Total Annual Rent due and payable under this Second Lease. In the event that COUNTY is limited from withholding the entire amount owed in one month, COUNTY may continue to withhold monies from each next succeeding monthly installment of Total Annual Rent (subject to the above limitation) until the total expenses of the COUNTY are recouped from LESSOR. No deduction from rent in the amount permitted pursuant to this clause shall constitute a default by COUNTY under this Second Lease.
Section 26.05  The rights and remedies of COUNTY specified hereunder are not exclusive, but are in addition to any other rights and remedies provided by law or equity or otherwise available under this Second Lease. COUNTY may enforce and protect the rights of COUNTY hereunder by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained herein, and for the enforcement of any other appropriate legal or equitable remedy, including, without limitation, injunctive relief, and for recovery of all moneys due or to become due from LESSOR under any of the provisions of this Second Lease.

SECTION 27.  FAILURE IN PERFORMANCE

Section 27.01  The covenant to pay rent and the covenant to provide any service, utility, maintenance, repair or replacements required under this Second Lease are interdependent. In the event of any failure by the LESSOR to provide any service, utility, maintenance, repair or replacement required under this Second Lease, COUNTY may, subject to the notice requirement set forth in Section 27.02 below, by contract or otherwise, perform the requirement and provide LESSOR with a written invoice containing the resulting cost to the COUNTY, including an administrative fee in accordance with the provisions of Section 27.03. In the event LESSOR does not remit payment of such invoice to COUNTY within thirty (30) days of LESSOR’s receipt of such invoice, then COUNTY may deduct such amount from any payment due under this Second Lease, subject to the limitations set forth in Section 27.03 below. If the COUNTY elects to perform any such requirement, the COUNTY and each of its contractors shall be entitled to access to any and all areas of the building, access to which is necessary to perform any such requirement, and the LESSOR shall afford and facilitate such access. No deduction from Total Annual Rent pursuant to this clause shall constitute a default by COUNTY under this Second Lease. These remedies are not exclusive, but are in addition to any other remedies which may be available under this Second Lease or at law.

Section 27.02  If LESSOR shall fail to perform any of its obligations under this Second Lease, COUNTY may perform the same at the expense of LESSOR (i) immediately (a) after forty-eight (48) hours written notice in the case of an “Emergency,” as defined below; (b) after seven (7) days written notice if such failure unreasonably interferes with the efficient operation of the Premises; (c) after seven (7) days written notice if such failure may result in a violation of any Legal Requirements or in the cancellation of any required insurance and (ii) in any other case if such failure continues after ten (10) days from the date of the giving of written notice of COUNTY’s intention to perform the same or, in the case of a failure which, for causes beyond the LESSOR’s reasonable control cannot with reasonable diligence be cured within such 10-day period, such 10-day period shall be deemed extended if the LESSOR immediately upon the receipt of such notice, (a) advises the other of its intention to institute all steps necessary to cure such failure and (b) institutes and thereafter diligently prosecutes to completion all steps necessary to cure the same.

An “Emergency” means any situation where the Department, in its reasonable judgment, concludes that a particular action (including, without limitation, the expenditure of funds) is immediately necessary (i) to avoid imminent material damage to all or any material portion of the Premises, (ii) to protect any Person from imminent harm, or (iii) to avoid the imminent unforeseen and unforeseeable suspension of any necessary material service in or to the Premises, the failure of which service would have a material and adverse effect on the Premises or the COUNTY’s ability to utilize the Premises for its intended purposes, including but not limited to, supplying heat, air-conditioning, ventilation, light and water to the Premises.
Section 27.03 If COUNTY performs any of LESSOR’s obligations under this Second Lease, LESSOR shall pay COUNTY the costs thereof, together with an administrative fee equal to 5% of such costs, within sixty (60) days after receipt by LESSOR of a written statement as to the amounts of such costs and fee. In the event LESSOR does not remit the total amount of the costs and fee described herein within the requisite time, COUNTY may withhold such amount from the next monthly installment of Total Annual Rent, subject to the limitation that, in no event shall the amount withheld in any month exceed 7.5% of the next monthly installment of Total Annual Rent. In the event that COUNTY is limited from withholding the entire amount owed, COUNTY may continue to withhold monies from each next succeeding monthly installment of Total Annual Rent until the total expenses of the COUNTY and administrative fee are recouped from LESSOR. No deduction from rent pursuant to this clause shall constitute a default by the COUNTY under this Second Lease. This remedy is not exclusive and is in addition to any other remedies that may be available under this Second Lease or at Law.

Section 27.04 In the event that there is an interruption, curtailment or failure by LESSOR to supply cooled or outside air, heat, elevator, plumbing or electricity for ten (10) consecutive business days after LESSOR has received written notice of such interruption, curtailment or failure (except that, with respect to plumbing or electricity, this Section 27.04 shall only apply in the event such interruption, curtailment or failure of such services occurs as a direct result of a failure by LESSOR to comply with its repair or maintenance obligations regarding such systems as and to the extent required under this lease), and where (a) such failure is not caused by Excusable Delays or causes reasonably beyond the control of LESSOR, (b) the Premises has been placed in a condition where a reasonable COUNTY could not reasonably be expected to continue to use the Premises as a Health Center, and (c) LESSOR has either not commenced to cure such condition or has not used reasonable diligence in following same to completion, the same shall constitute an actual or constructive eviction, in whole or in part, and COUNTY shall be entitled to a pro rata abatement of rent during the period any such interruption, curtailment or failure continues and until such services are restored.

Section 27.05 No delay or forbearance by COUNTY in exercising any right or remedy hereunder, or COUNTY’s undertaking or performing any act or matter which is not expressly required to be undertaken by COUNTY shall be construed, respectively, to be a waiver of COUNTY’s rights or to represent any agreement by COUNTY to undertake or perform such act or matter thereafter. Waiver by COUNTY of any breach by LESSOR of any covenant or condition herein contained (which waiver shall be effective only if so expressed in writing by COUNTY) or failure by COUNTY to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the future of COUNTY’s right to have any such covenant or condition duly performed or observed by LESSOR, or of COUNTY’s rights arising because of any subsequent breach of any such covenant or condition or breach any right or remedy of COUNTY in respect of such breach or any subsequent breach. COUNTY’s receipt and acceptance of any payment from LESSOR which is tendered not in conformity with the provisions of this Second Lease or following an Event of Default (regardless of any endorsement or notation on any check or any statement in any letter accompanying any payment) shall not operate as an accord and satisfaction or a waiver of the right of COUNTY to recover any payments then owing by LESSOR which are not paid in full, or act as a bar to the termination of this Second Lease.
SECTION 28. **LESSOR’S RIGHT TO INSPECT AND REPAIR; ACCESS GENERALLY**

Section 28.01 In addition to the provisions set forth at Section 32.01 of this Second Lease, LESSOR may, but shall not be obligated to, enter the Premises at any reasonable time, on reasonable written notice to COUNTY (except that no notice need be given in case of emergency) for the purpose of inspection or the making of such repairs, replacements, and additions in, to, and about the Premises, as necessary or desirable. LESSOR shall not be required to notify COUNTY in connection with any entry into the Premises during normal business hours for purposes of LESSOR’s obligations under this Second Lease to maintain or repair the Premises, or to perform scheduled cleaning. LESSOR shall provide telephonic notice at least one hour prior to entering the Premises during non-business hours or to provide unscheduled cleaning services. Notwithstanding anything to the contrary contained in this Section, LESSOR shall use reasonable efforts in its access of the Premises to cause a minimal amount of interference with COUNTY’s use of the Premises.

SECTION 29. **SURRENDER OF PREMISES; HOLDOVER**

Section 29.01 This Second Lease and the tenancy hereby created shall cease and terminate at the end of the above term, without the necessity of any further notice from either the LESSOR or the COUNTY to terminate the same and that continued occupancy of the Premises by the Lessee after the expiration of said term shall not operate to renew the Second Lease for said term or any part thereof.

Section 29.02 On the Expiration Date, or upon the earlier termination of this Second Lease, COUNTY shall, at its expense, quit, surrender, vacate, and deliver the Premises to LESSOR in good order, condition and repair, ordinary wear and tear and damage for which COUNTY is not responsible under the terms of the Second Lease, or damage by the elements, fire or other casualty beyond COUNTY’s reasonable control excepted, together with all improvements therein. COUNTY shall, at its expense, remove from the Premises all COUNTY’s personal property and any personal property of Persons claiming by, through or under COUNTY, equipment, furniture, and any Alterations not approved by LESSOR, and shall repair or pay the cost of repairing all damage to the Premises occasioned by such removal. Any COUNTY’s personal property or Alterations of COUNTY, which shall remain in the Premises after the termination of this Second Lease, shall be deemed to have been abandoned and either may be retained by LESSOR as its property or may be stored or disposed of as LESSOR may see fit. If property not so removed shall be sold. LESSOR may receive and retain the proceeds of such sale and apply the same, at LESSOR’s option, against the reasonable expenses of the sale, moving and storage, arrears of rent and any damages to which LESSOR may be entitled. Any excess proceeds shall be the property of LESSOR.

Section 29.02 THE COUNTY reserves the absolute right to remain in possession of the Premises after the expiration of the Second Lease Term, or any extension or renewal thereof, on a month to month basis, for a period not to exceed six (6) months. In the event of such holding over by the COUNTY without the execution of a new lease, COUNTY, subject to all of the other terms of this Second Lease, shall be and remain liable to the LESSOR for rent for the Premises at the monthly rate required of the COUNTY during the immediate preceding term prior to the beginning of the holdover period, plus the applicable escalation provided for in Section 4.02 of this Second Lease; provided, however, that if the last rental amount during the immediate preceding term prior to the beginning of the holdover period included a fixed amount for
Construction Costs, the holdover rent shall be reduced by the amount of the monthly Construction Cost.

Section 29.03 If, after the six (6) months the COUNTY continues to occupy the Premises as a hold over, the monthly rate shall increase to one hundred five percent (105%) of the monthly rent last payable by COUNTY under Section 29.02, above.

Section 29.04 The provisions of this Section 29 shall survive the expiration or earlier termination of this Second Lease.

SECTION 30. NOTICES

Section 30.01 Operational Notices: Any communication, notice, claim for payment, reports, insurance, or other submission necessary or required to be made by the parties regarding this Second Lease shall be in writing and shall be given to the COUNTY or LESSOR or their designated representative, by regular or certified mail in postpaid envelope or by Courier Service at the following addresses or at such other address that may be specified in writing by the parties and must be delivered as follows: (a) if to COUNTY, to the Suffolk County Department of Public Works, Attention: Commissioner, 335 Yaphank Avenue, Yaphank, New York 11980; with copies to the Suffolk County Department of Law, Attn: Suffolk County Attorney, 100 Veterans Memorial Highway, P.O. Section 30.02 Notices Relating to Termination and/or Litigation: In the event LESSOR receives a notice or claim or becomes a party (plaintiff, petitioner, defendant, respondent, third party complainant, third party defendant) to a lawsuit or any legal proceeding related to this Second Lease, LESSOR shall immediately deliver to the County Attorney, at the address set forth above, copies of all papers filed by or against LESSOR.

a. Any communication or notice regarding termination shall be in writing and shall be given to the COUNTY or the LESSOR or their designated representative at the addresses set forth in Section 29.01 or at such other addresses that may be specified in writing by the parties and shall be deemed to be duly given only if delivered: (i) personally [personal service on COUNTY must be pursuant to New York Civil Practice Law and Rules Section 311]; (ii) by nationally recognized overnight courier; or (iii) mailed by registered or certified mail in a postpaid envelope addressed: Notice shall be deemed to have been duly given (1) if delivered personally, upon acceptance or refusal thereof, (2) if by nationally recognized overnight courier, the first Business Day subsequent to transmittal and (3) if mailed by registered or certified mail, upon the seventh Business Day after the mailing thereof.

b. Any notice by either party to the other with respect to the commencement of any lawsuit or legal proceeding shall be effected pursuant to and governed by the New York Civil Practice Law and Rules or the Federal Rules of Civil Procedure, as applicable.

Section 30.03 Each party shall give prompt written notice to the other party of the appointment of successor(s) to the designated contact person(s) or his or her designated successor(s).
SECTION 31. SUBORDINATION, NONDISTURBANCE AND ATTORNMENT

Section 31.01 COUNTY agrees that this Second Lease is subject and subordinate to any and all recorded mortgages, deeds of trust and other liens now or hereafter existing or imposed upon the Premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect present or subsequent subordination of this lease. COUNTY agrees, however, within fifteen (15) Business Days next following the Suffolk County Attorney’s Office receipt of a written demand, to execute such instruments as LESSOR may reasonably request to evidence further the subordination of this Second Lease to any existing or future mortgage, deed of trust or other security interest pertaining to the Premises, and to any water, sewer or access easement necessary or desirable to serve the Premises or adjoining property owned in whole or in part by LESSOR if such easement does not interfere with the full enjoyment of any right granted the COUNTY under this Second Lease, subject to the conditions stated in Section 31.05.

Section 31.02 No such subordination, to either existing or future mortgages, deed of trust or other lien or security instrument shall operate to affect adversely any right of the COUNTY under this Second Lease so long as the COUNTY is not in default under this Second Lease. LESSOR will include in any future mortgage, deed of trust or other security instrument to which this Second Lease becomes subordinate, or in a separate nondisturbance agreement on such lender’s standard form, a provision to the foregoing effect. LESSOR warrants that the holders of all notes or other obligations secured by existing mortgages, deed of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the COUNTY promptly upon demand.

Section 31.03 In the event of any sale of the Premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, the COUNTY will be deemed to have attained to any purchaser, purchasers, transferee or transferees of the Premises or any portion thereof and its or their successors and assigns, and any such purchasers and transferees will be deemed to have assumed all obligations of the LESSOR under this Second Lease, so as to establish direct privity of estate and contract between COUNTY and such purchasers or transferees, with the same force, effect and relative priority in time and right as if the Second Lease had initially been entered into between such purchasers or transferees and the COUNTY; provided, further, that such purchasers or transferees shall, with reasonable promptness following any such sale or deed delivery in lieu of foreclosure, execute all such revisions to this Second Lease, or other writings, as shall be necessary to document the foregoing relationship.

Section 31.04 Within twenty (20) days next following the COUNTY’s receipt of a joint written request from LESSOR and a prospective lender of purchaser of the Premises, the County Attorney’s Office shall execute and deliver to LESSOR a letter stating that the same is issued subject to the conditions stated in Section 31.05, and, if such is the case, that (1) the Second Lease is in full force and effect; (2) the date to which the rent and other charges have been paid in advance, if any; and (3) whether any notice of default has been issued.

Section 31.05 Letters issued pursuant to Section 31.04 are subject to the following conditions: (1) that they are based solely upon a reasonably diligent review of the COUNTY’s Second Lease file as of the date of issuance; (2) that the COUNTY shall not be held liable because of any defect in or condition of the Premises; (3) that the COUNTY does not warrant or represent that the Premises comply with applicable Federal, State and local law; and (4) that the LESSOR, and each
prospective lender and purchaser are deemed to have constructive notice of such facts as would be ascertainable by reasonable pre-purchase and pre-commitment inspection of the Premises and by inquiry to appropriate Federal, State, and local government officials.

SECTION 32. ASSIGNMENT AND SUBLETTING

Section 32.01 Except as otherwise provided in this Section 32, COUNTY shall not assign this Second Lease or sublet all or any portion of the Premises without the consent of LESSOR. COUNTY may sublet any part of the Premises with the consent of LESSOR, which consent shall not be unreasonably withheld or delayed, but shall not be relieved from any obligation under this Second Lease by reason of any such subletting. Any assignment of this Second Lease by COUNTY shall be subject to prior written consent of LESSOR, which shall not be unreasonably withheld or delayed.

Section 32.02 LESSOR shall not unreasonably withhold, delay, or condition its consent in the event such sublease meets the following conditions: (a) no default or event of default has occurred that is continuing beyond any applicable notice and grace periods set forth herein; (b) the sublessee assumes all of the obligations of this Second Lease, to the extent applicable to the portion of the Premises so sublet; (c) COUNTY promptly furnishes LESSOR with an executed copy of the sublease or other agreement pursuant to which sublessee shall agree to observe and perform, and to be bound by all of the terms, covenants and conditions of this Second Lease on COUNTY’s part to be observed and performed; (d) the proposed sublessee is a reputable “Person,” defined below, of good character, as reasonably determined by LESSOR, and LESSOR has been furnished with reasonable evidence thereof; (e) the proposed sublessee has a long term, senior, unsecured debt rating from the Rating Agencies at least equivalent to “A” (or its equivalent); and (f) the proposed sublessee shall not be (1) entitled directly or indirectly, to diplomatic or sovereign immunity, unless effectively waived to LESSOR’s reasonable satisfaction, and shall be subject to service of process in, and the jurisdiction of the courts of the State of New York, or (2) any foreign government or multi-national organization (or agency, department or division thereof).

For purposes of this Second Lease, the term “Person” means a natural person, a partnership, a limited liability company, a corporation, and any other form of business or legal association or entity.

Section 32.03 If at any time or from time to time during the term of this Second Lease, COUNTY desires to assign this Second Lease or sublet all or any part of the Premises, COUNTY shall give notice to LESSOR of such desire, including the name, address and contact party for the proposed assignee or subtenant, a description of such party’s business history, the effective date of the proposed assignment or sublease (including the proposed occupancy date by the proposed assignee or sublessee), and in the instance of a proposed sublease, the square footage to be subleased, a floor plan drawn to scale depicting the proposed sublease area, and a statement of the duration of the proposed sublease (which shall in any and all events expire by its terms at least one day prior to the scheduled expiration of this Second Lease, and immediately upon any sooner termination thereof and such other information as LESSOR may reasonably require). LESSOR may, at its option, and in its sole and absolute discretion, exercisable by notice given to COUNTY within thirty (30) days next following LESSOR’s receipt of COUNTY’s notice (which notice from COUNTY shall, as a condition of its effectiveness, include all of the above-enumerated information), elect to recapture the entire Premises for the remainder of the Term if COUNTY is proposing to assign this Second Lease or only such portion for such term as is
proposed by COUNTY to be sublet (and in each case, the parking spaces included in this demise, or a pro-rate portion thereof in the instance of the recapture of less than all of the Premises), and terminate this Second Lease with respect to the space and term being recaptured.

Section 32.04 If LESSOR elects to recapture the Premises or a portion thereof as aforesaid, then with respect to the space and term being recaptured from and after the effective date thereof as approved by LESSOR, after COUNTY shall have fully performed such obligations as are enumerated herein to be performed by COUNTY in connection with such recapture, and except as to obligations and liabilities accrued and unperformed (and any other obligations expressly stated in this Second Lease to survive the expiration or sooner termination of this Second Lease), COUNTY shall be released of and from all obligations hereunder thereafter otherwise accruing with respect to the portion of the Premises and for the term being recaptured. Such portion of the Premises which LESSOR shall have elected to recapture shall be delivered by COUNTY to LESSOR free and clear of all furniture, furnishings, personal property and removable fixtures, with COUNTY repairing and restoring any and all damage to the Premises resulting from the installation, handling or removal thereof, and otherwise in the same condition as COUNTY is, by the terms of this Second Lease, required to redeliver the Premises to LESSOR upon the expiration or sooner termination of this Second Lease. In the event of a sublease of less than all of the Premises, the cost of erecting any demising walls, entrances and entrance corridors, and any other or further improvements in connection therewith, including without limitation, modifications, if any, to HVAC, electrical, plumbing, fire, life safety and security systems painting, wallpapering and other finish items as may be acceptable to or specified by LESSOR shall be paid by COUNTY. All of the foregoing improvements shall be made in accordance with applicable legal requirements and LESSOR’s then standard base building specifications and shall be performed by LESSOR’s contractors. Upon the commencement of any recapture and partial termination of this Second Lease as provided herein, the Total Annual Rent, COUNTY’s share of Real Estate Taxes and other monetary obligations hereunder shall be adjusted and pro-rated based upon the reduced rentable square footage of the unrecaptured portion of the Premises. From and after any recapture for less than the full remainder Term of the Second Lease, LESSOR, at LESSOR’s sole cost and expense, shall deliver possession of the Premises in the condition received from COUNTY at the commencement of the recapture, and the Total Annual Rent and other monetary obligations hereunder shall resume and remain in full force and effect until the expiration or sooner termination of this Second Lease.

Section 32.05 If LESSOR provides written notification to COUNTY electing not to recapture the Premises (or so much thereof as COUNTY had proposed to sublease), or if the time period within which LESSOR may exercise its right of recapture under Section 32.03 has expired, then COUNTY may proceed to market the designated space and may complete such transaction and execute an assignment of this Second Lease or a sublease agreement (in each case in form acceptable to LESSOR) within a period of six (6) months next following LESSOR’s notice to COUNTY that it declines to recapture such space or expiration of the time period within which LESSOR must exercise its right to recapture under Section 32.03, provided that COUNTY shall have first obtained in any such case the prior written consent of the LESSOR to such transaction. If, however, COUNTY shall not have assigned this Second Lease or sublet the Premises with LESSOR’s prior written consent as aforesaid within six (6) months next following LESSOR’s notice to COUNTY that LESSOR declines to recapture the Premises (or such portion thereof as COUNTY initially sought to sublease), then in such event, COUNTY shall again be required to request LESSOR’s consent to the proposed transaction, whereupon LESSOR’s right to recapture the Premises (or such portion as COUNTY shall desire to sublease) shall be renewed upon the same terms and as otherwise provided in Section 32.03 above.
Section 32.06  Any sums or other economic consideration received by COUNTY as a result of any subletting, assignment or license whether denominated rentals under the sublease or otherwise, which exceed, in the aggregate, the total sums which COUNTY is obligated to pay LESSOR under this Second Lease (prorated to reflect obligations allocable to that portion of the Premises subject to such sublease or assignment) shall be divided evenly between LESSOR and COUNTY, with LESSOR's portion being payable to LESSOR as additional rental under this Second Lease without satisfying or reducing any other obligations of COUNTY hereunder.

Section 32.07  Regardless of LESSOR's consent, no assignment shall release COUNTY of COUNTY's obligations or alter the primary liability of COUNTY to pay the Total Annual Rent and to perform all other obligations to be performed by COUNTY hereunder. The acceptance of rent by LESSOR from any other person shall not be deemed to be a waiver by LESSOR of any provision hereof. Consent to one assignment or subletting shall not be deemed consent to any subsequent assignment or subletting. In the event of default by any assignee of COUNTY or any successor of COUNTY in the performance of any of the terms hereof, LESSOR may proceed directly against COUNTY without the necessity of exhausting remedies against such assignee or successor.

Section 32.08  In the event that (i) the Premises or any part thereof are sublet and COUNTY is in default under this Second Lease, or (ii) this Second Lease is assigned by COUNTY, then, LESSOR may collect Total Annual Rent from the assignor or subtenant and apply the net amount collected to the Total Annual Rent herein reserved; but no such collection shall be deemed a waiver of the provisions of this Section 32 with respect to assignment and subletting, or the acceptance of such assignee or subtenant as "tenant" hereunder, or a release of COUNTY from further performance of the covenants herein contained.

Section 32.09  COUNTY shall have no claim, and hereby waives the right to any claim, against LESSOR for money damages by reason of any refusal, withholding or delaying by LESSOR of any consent, and in such event, COUNTY's only remedies therefor shall be an action for specific performance, injunction or declaratory judgment to enforce any such requirement.

SECTION 33.  LESSOR'S RIGHT TO SHOW PREMISES

Section 33.01  LESSOR may show the Premises to prospective purchasers and mortgagees, and during the eighteen (18) months prior to the expiration of this Second Lease, to prospective tenants, during "Business Hours," as that term is defined below, upon reasonable notice to COUNTY or by other special arrangement between LESSOR and COUNTY.

For the purposes of this Second Lease, the term "Business Hours" means from 8:30 a.m. to 5:30 p.m. during Business Days.

SECTION 34.  EMINENT DOMAIN

Section 34.01  If there shall be a total taking, a partial taking of more than fifty percent (50%), or a "Constructive Total Taking," as defined below, of the Premises in condemnation proceedings or by any right of eminent domain, this Second Lease and the Term and estate hereby granted shall forthwith cease and terminate as of the date of taking of possession by the condemning authority. In the event of a taking which is less than a Constructive Total Taking: (i) the Term and estate hereby granted with respect to the taken part of the Premises shall forthwith cease and terminate...
as of the date of taking of possession by the condemning authority and the Total Annual Rent shall be appropriately abated for the period from such date to the date specified in this Second Lease for the expiration of the Term and (ii) LESSOR shall with reasonable diligence restore the remaining portion of the Premises as nearly as practicable to its condition prior to such condemnation or taking. “Constructive Total Taking” shall mean a taking of such scope that, upon the COUNTY’s reasonable determination, the untaken part of the Premises would be uneconomic to operate or which would significantly interfere with COUNTY’s business operations at the Premises. In the event of a partial taking of less than 15% of the Premises, this Second Lease shall continue in force and effect, and Total Annual Rent shall be apportioned as to the percentage of space still remaining subsequent to such taking; and (ii) LESSOR shall with reasonable diligence, and if reasonably possible, restore the remaining portion of the Premises as nearly as practicable to its condition prior to such condemnation or taking at no cost to COUNTY.

Section 34.02 In the event (1) LESSOR cannot restore the Premises for COUNTY’s use within fifteen (15) months following receipt of notice of vesting of title; or (2) the part of the Premises so acquired is more than fifteen percent (15%) of the total area of the Premises immediately prior to such acquisition or condemnation and, after such taking, LESSOR and COUNTY agree that the Premises is no longer suitable for COUNTY’s use, either party may give to the other party, within sixty (60) days next following the date upon which COUNTY shall have received notice of vesting of title, a sixty (60) days notice of termination of this Second Lease and the Term shall come to an end and expire upon the expiration of said sixty (60) days with the same effect as if that were the date hereinbefore set for the expiration of the Term, and the Total Annual Rent hereunder shall be apportioned as of such date.

Section 34.03 (i) The term “Net Award” shall mean: (a) all amounts payable as a result of any condemnation or other eminent domain proceeding, less all reasonable expenses for such proceeding not otherwise paid by COUNTY (including, without limitation, all reasonable costs and expenses (including reasonable attorneys’ fees and expenses) incurred by LESSOR and any mortgagee in participating in any condemnation or eminent domain proceedings; plus (b) all amounts payable pursuant to any agreement with any condemning authority (which agreement shall be deemed to be a taking) which has been made in settlement of or under threat of any condemnation or other eminent domain proceeding affecting the Premises or COUNTY’s access thereto or utilities or facilities serving the Premises, less all expenses incurred as a result thereof not otherwise paid by COUNTY including, without limitation, all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by LESSOR or any mortgagee in participating in any condemnation or eminent domain proceedings.

(ii) If a part or all of the Premises shall be taken or condemned, the Net Award shall go to LESSOR and COUNTY shall have no claim thereto (but COUNTY may file a separate claim for any taking of fixtures and improvements owned by COUNTY which have not become LESSOR’s property, business interruption, and for moving expenses, provided the same shall in no way affect or diminish LESSOR’s award). COUNTY hereby expressly waives, relinquishes and release to LESSOR any claim for damages or other compensation to which COUNTY might otherwise be entitled because of any such taking or limitation of the leasehold estate hereby created, and irrevocably assigns and transfers to LESSOR any right to compensation of all or a part of the Premises or the leasehold estate.

Section 34.04 Notwithstanding the foregoing, if all or any portion of the Premises shall be condemned or taken for governmental occupancy for a limited period of time, this Second Lease
shall continue in full force and effect (without any abatement of the Rent) and COUNTY shall be entitled to receive the entire Net Award therefore (whether paid as damages, rent or otherwise) unless the period of governmental occupancy extends beyond the expiration of this Second Lease, in which case LESSOR shall be entitled to such part of such Net Award as shall be properly allocable to the cost of restoration of the Premises, and the balance of such Net Award shall be apportioned between LESSOR and COUNTY as of the date of such expiration. If the termination of such governmental occupancy is prior to expiration of this Second Lease, COUNTY shall restore the Premises as nearly as possible to its condition prior to the condemnation or taking.

SECTION 35. ENVIRONMENTAL RESPONSIBILITIES

Section 35.01 COUNTY shall not use or suffer the use of all or any part of the Premises to treat, generate, store, dispose of, transfer, release, convey or recover any "Hazardous Substances," as that term is defined below. For purposes of this Second Lease, the term "Hazardous Substance" means (i) asbestos and any asbestos containing material and any substance that is listed in, or otherwise classified pursuant to any "Environmental Laws," as that term is defined below, or any applicable laws or regulations as "hazardous substance", "hazardous material", "hazardous waste", "infectious waste", toxic substance", "toxic pollutant", or any other formulation intended to define, list or classify substances by reason of deleterious properties such as ignitability, corrosivity, reactivity, carcinogenicity, toxicity, reproductive toxicity, or "EP toxicity", (ii) any petroleum and drilling fluids, produced waters, and other wastes associated with the exploration, development or production of crude oil, natural gas, or geothermal resources and (iii) petroleum product, polychlorinated biphenyls, urea formaldehyde, radon gas, radioactive matter, and medical waste. LESSOR shall cooperate with COUNTY's efforts hereunder.

and LESSOR certifies that, to LESSOR’s actual knowledge, the Premises comply with all
applicable Federal, State, and local regulations concerning the provision of a safe work
environment free from environmental contaminants and hazards.

Section 35.04 Except to the extent the same are the obligations of COUNTY under the Second
Lease, LESSOR shall comply with all Environmental Laws affecting or related to its use or
ownership of the Premises, including but not limited to, the construction or demolition of any
improvement thereon, and shall give COUNTY prompt notice of any lack of compliance with any
of the foregoing of which it obtains knowledge and of any notice it receives of the alleged
non-compliance with Environmental Laws. COUNTY shall cooperate with LESSOR’s efforts
hereunder; provided, however, that COUNTY shall not be required to incur any out of pocket
costs in so doing. LESSOR shall indemnify COUNTY against all claims, losses, costs, expenses,
fines, penalties and damages which may be imposed by reason of, or arising out of LESSOR’s
failure to fully and promptly comply with the provisions of this Section.

Section 35.05 With respect to the existence of any Hazardous Substance which COUNTY has
caused or created, COUNTY shall defend, indemnify, and hold harmless LESSOR and its
employees, agents, officers, and directors, from and against any claims, demands, penalties, fines,
liabilities, settlements, damages, costs, or expenses of whatever kind or nature, known or
unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence,
disposal, release, or threatened release of any Hazardous Substance which is on, from, or
affecting the soil, water, vegetation, buildings, personal property, persons, animals, or otherwise;
(b) any personal injury (including wrongful death) or property damage (real or personal) arising
out of or related to such Hazardous Substance; (c) any lawsuit brought or threatened, settlement
reached, or government order relating to such Hazardous Substance; and/or (d) any violation of
Environmental Laws, or any policies or requirements of LESSOR which are based upon or in any
way related to such Hazardous Substance, including, without limitation, attorney and consultant
fees, investigation and laboratory fees, court costs, and litigation expenses.

Section 35.06 The provisions of this Section 35 shall survive the expiration or earlier termination
of this Second Lease.

SECTION 36. SIGNAGE

Section 36.01 If requested, by the COUNTY, LESSOR shall erect and maintain a sign, in
conformance with local requirements, located on the exterior of the Premises, during the term of
this Second Lease. LESSOR shall take all reasonable steps necessary to obtain any permits or
local approvals required for same. Any additional signage which may be requested by COUNTY
shall be erected and maintained by LESSOR at COUNTY’s sole cost and expense.

No breach shall be deemed to have occurred in the event that COUNTY has failed to provide the requisite forms to be completed by LESSOR upon LESSOR’s request for same. In any event, COUNTY agrees to provide LESSOR with written notice of any anticipated or actual breach of this Section 40. Current, completed Statements are annexed hereto as Exhibit C for filing with the Clerk of the Legislature, and the Suffolk County Comptroller. In the event of a transfer of title or a conveyance by operation of law which results in a conflict of interest under State or local law, COUNTY shall have the right to cancel this Second Lease upon three (3) months notice to LESSOR from the date of COUNTY’s discovery of such transfer or conveyance, unless the consent of the COUNTY to such transfer is obtained prior thereto, which consent shall not be unreasonably withheld. Articles

“Imagine/Asians: Literary Theory as a Resource for Unpacking the Racial Formation of Stereotypes.” This paper uses concepts from literary theory such as text, context, subtext, and intertextuality to build upon Omi and Winant’s theory of racial formation. This paper combines a richer notion of representation from literary theory with empirical studies and argues that neither modernism nor postmodernism provides an adequate framework for Asian American Studies.

“Discrimination and the Evolution of Ethnic Enclaves.” This paper uses the spatialized Prisoner’s Dilemma to model the evolution of ethnic enclaves. It shows that the sociological debate on the ethnic enclave hypothesis suffers from a lack of conceptual clarity.

“Breaking Down the Color Lines: Overcoming Discriminatory Tit For Tat in the Spatialized Prisoner’s Dilemma.” This paper investigates how introducing a veil of ignorance and imperfect cooperation overcomes discrimination and fosters forgiving strategies in the Spatialized Prisoner’s Dilemma.

The Team shall submit its approved home Baseball Season schedule to the County by February 15 of each year during the Extended Term of this Second Ballpark Agreement, or as soon thereafter as such schedule is approved by the Atlantic League. Any dates reserved for post-season play by the Team shall be
released and canceled on the schedule from the time that the Team is mathematically eliminated from post-season contention.

Section 14.03 Scheduling Of Other Ballpark Events: Subject to the provisions of Section 14.02, subsequent to the scheduling of those County Events which are priority events and the setting of the schedule of the Team's home Baseball Season schedule, as provided for herein above, all additional scheduling of events in the Ballpark shall be conducted by the County and the Team consistent with the following descending order of priority:

(a) Up to ten (10) County Events;

(b) Five (5) Team Special Events, as defined herein;

(c) Open date scheduling.

Section 14.04 Family Entertainment: All events contemplated under this Section shall be subject to the reasonably applied standard that the event provides suitable family recreation and entertainment so that parents and children may appropriately attend such events.

Section 14.05 Scheduling Priority: The Team shall notify the County of requested dates for Team Special Events no later than February 15th of each calendar year. The balance of the events scheduled at the Ballpark shall be scheduled with conflicts in requested dates being resolved by the parties on the basis of the following criteria:

(a) The date the request was received by the County or Team, as the case may be;

(b) The requested event's ability to maximize the productive long-term use of the Ballpark;

(c) The goal of the Team and the County to encourage the use of the Ballpark for family recreational and entertainment events so that parents and children may appropriately attend such events;

(d) The goal of the County to provide the opportunity of equal access to the Team for the scheduling of Team Events after the scheduling of the Team's home Baseball Season schedule, County Events and Team Special Events, all of which are provided for in the Sections hereinabove.

Section 14.06 Coordination Of Scheduling: All scheduling will be coordinated with the Team to assure that the required Ballpark Services can be provided by the Team without hindering the County's and the Team's use of the Ballpark.
15. INDEMNIFICATION AND INSURANCE

Section 15.01 Mutual Indemnification: (a) TEAM INDEMNIFICATION: Team shall indemnify and hold harmless the County and its respective officers, directors, employees and agents from any liability, losses, damages, judgments, liens, expenses and costs, including attorneys' fees, sustained or incurred in connection with any claims, demands, suits, actions, or proceedings which may be brought against any such party as a result of any act, omission, willful misconduct, negligence, or breach of the agreement by Team, its directors, officers, employees, agents, or of any occupant, visitor or user present in or about the Ballpark in connection with the Team's activities pursuant to the Second Ballpark Agreement that occur during the Extended Term.

(b) COUNTY INDEMNIFICATION: The County, to the extent permitted by law, shall indemnify and hold harmless Team, its officers, directors, employees and agents from any liability, losses, damages, judgments, liens, expenses and costs, including attorneys' fees, sustained or incurred in connection with any claims, demands, suits, actions, or proceedings which may be brought against any such party as a result of any willful misconduct or breach of the Second Ballpark Agreement by the County, its officers, directors, employees and agents that occurs during the Extended Term.

Section 15.02 Indemnification For Loss, Theft, Or Damage To Personal Property: The Team agrees to indemnify, defend and hold harmless the County, its officers, directors, employees and agents with respect to any claim or liability for loss or theft of or damage to personal property of the Team, its employees and players, players for opposing teams, umpires, concessionaires, employees and agents of concessionaires, Ballpark attendees, and others, except to the extent that such loss, theft or damage is from the negligence of the County, its employees, agents or sub-contractors.

Section 15.03 Indemnification Procedures: (a) As used in this Section 15.03, the terms listed below shall have the following meanings:

"Claim" means, collectively, any claim, demand, suit, proceeding (judicial or otherwise), settlement or judgment, for or in connection with which any Party is entitled to indemnification as provided in Sections 15.01 or 15.02.

"Indemnifying Party" means the Party who is required to provide indemnification as provided in Sections 15.01 or 15.02.

"Indemnified Party" means the Party who is entitled to receive indemnification as provided in Sections 15.01 or 15.02.

(b) The Indemnified Party shall provide the Indemnifying Party with written notice whenever the Indemnified Party receives notice of a Claim. Such written notice shall be furnished to the Indemnifying Party not later than twenty (20) days after the Indemnified Party receives notice of the Claim or is served with process in connection with the Claim. In the case of service of process of a Claim, the Indemnified Party shall provide its written notice to the Indemnifying Party within such shorter time as may be legally
necessary to give the Indemnifying Party a reasonable opportunity to respond to such service. The Indemnified Party's written notice to the Indemnifying Party of any Claim shall include a statement of such information pertaining to the Claim then in the possession of the Indemnified Party. Any failure or delay of the Indemnified Party to notify the Indemnifying Party as required by this Section 15.03 shall not relieve the Indemnifying Party of its obligation to provide indemnification, unless and to the extent that such failure or delay materially and adversely affects the Indemnifying Party's ability to defend against, settle, or satisfy the Claim.

(c) After receiving notice of a Claim, the Indemnifying Party shall defend the Claim at its own expense, through attorneys, accountants, and others selected by the Indemnifying Party with the reasonable concurrence of the Indemnified Party. The Indemnifying Party shall notify the Indemnified Party in writing of its intent to contest or defend the Claim. Such notice shall be provided not later than twenty (20) days after the Indemnifying Party receives notice of the Claim from the Indemnified Party as provided in Section 15.03(b). If the Indemnifying Party fails to provide the Indemnified Party with written notice of its intention to defend the Claim as required by this Section 15.03 (c), the Indemnified Party shall have the right: (a) to authorize attorneys satisfactory to it to represent it in connection with the Claim; and/or (b) to defend, settle or compromise the Claim. If the Indemnified Party exercises either or both of its rights under this Section 15.03(c), it shall be indemnified by the Indemnifying party as required by Sections 15.01 or 15.02, to the same extent as if the Indemnifying Party had defended or settled the Claim.

(d) If and so long as the Indemnifying Party is actively contesting or defending a Claim, in accordance with Section 15.03(c), the Indemnified Party shall cooperate with the Indemnifying Party and its counsel, accountants, and others selected by the indemnifying party in such contest or defense, shall, upon the Indemnifying Party's request and expense, join in making any appropriate counterclaim or cross-claim in connection with the Claim, and shall provide such access to the books and records of the Indemnified Party as shall be necessary in connection with such defense or contest.

(e) The Indemnified Party shall have the right at any time to settle, compromise or pay any Claim with or without the consent of the Indemnifying Party, but (i) taking such action without the Indemnifying Party's consent shall be deemed a waiver and nullification by the Indemnified Party of all indemnification obligations that the Indemnifying Party would otherwise have with respect to the Claim under this Section 15.03; and (ii) such settlement or compromise shall not cause the Indemnifying Party to incur any present or future cost, expense, obligation, or liability of any kind or nature.

(f) Any Claim may be settled or compromised by the Indemnifying Party without the Indemnifying Party's consent, so long as: (i) the Indemnifying Party gives the Indemnified Party reasonable prior written notice of its intention to settle or compromise the Claim; and (ii) such settlement or compromise does not cause the Indemnified Party to incur any present or future cost, expense, obligation, or liability of any kind or nature.

(g) If a Claim involves matters partly within and partly outside the scope of the Indemnifying Party's obligation to indemnify as provided in Sections 15.01 or 15.02, the
attorneys’ fees, costs, and expenses of contesting or defending such a Claim shall be allocated between the Indemnifying Party and the Indemnified Party, respectively, to the extent that such fees, costs and expenses are attributable to the portion of matters within or outside the scope of the Indemnifying Party’s obligation to indemnify as provided in Section 15.01 or 15.02, as agreed upon in writing by the Parties.

Section 15.04 Insurance Policies On Team Property: The Team shall at all times maintain policies of insurance on any property or equipment placed within the Ballpark during the Extended Term of this Second Ballpark Agreement. Such policies shall provide for fire, theft, vandalism and extended coverage for the Team’s Separate Property. The County shall have no responsibility or liability whatsoever with respect to any loss or theft of or damage to the personal property of the Team, its employees and players, players for opposing teams, umpires, concessionaires, employees and agents of concessionaires, Ballpark attendees, and others unless the loss, theft or damage results from the willful acts or negligence of the County or in connection with the use of the Ballpark by the County.

Section 15.05 Required Team Policies Of Insurance: The Team shall during the Extended Term of this Second Ballpark Agreement, keep in full force and effect the following policies of insurance wherein the County, the County’s Indemnites, and, if required, the County’s lenders, are named as additional insureds:

(a) Commercial General Liability insurance, including contractual liability coverage and products liability insurance against all claims and losses arising out of its activities under this Second Ballpark Agreement, in an amount not less than Two Million ($2,000,000.00) per occurrence for bodily injury and Two Million Dollars ($500,000.00) per occurrence for property damage.

(b) Automobile Liability insurance (if any vehicles are used by the Team in the performance of this Second Ballpark Agreement) in an amount not less than One Million Dollars ($1,000,000.00) per person, per accident, for bodily injury and not less than One Hundred Thousand ($100,000.00) for property damage per occurrence.

(c) Umbrella Liability Coverage and Umbrella Liability Policy in an amount not less than $7,000,000.00 for any one occurrence in excess of the aforementioned general liability insurance.

(d) Business Interruption Insurance coverage protecting the County or the Team for its losses attributed to physical loss or damage to the Ballpark.

(e) Workers Compensation - the Team shall provide and keep in full force and effect during the Extended Term of this Second Ballpark Agreement, workers compensation insurance in full compliance with the laws of the State of New York.
The above policy amounts may be reviewed, from time to time, by the County Division of Risk Management and the amounts may be increased as required by the exercise of reasonable judgment, considering the standards at the time.

Section 15.06 Policy Requirements: (a) All policies required under this Section 15.05 shall be issued by insurance companies duly licensed by the State of New York and acceptable to the County, with an A.M. Best rating of A- or better.

(b) The Team shall furnish the County with Declaration Pages for each such policy of insurance required by Section 15.05, and, upon request, a copy of each such policy, certified by the Team as true and correct, and evidencing compliance with the aforesaid insurance requirements. In the case of commercial general liability insurance, the Team shall also submit to the County an endorsement to its liability insurance policies naming the County, the County Indemnites, and, if required, the County's lenders, as additional insureds and the Team shall furnish a Declaration Page, endorsement page and certificate of insurance evidencing such status as an additional insured on said policy. The Team shall thereafter provide to the County, during the Extended Term of this Second Ballpark Agreement, updated Declaration Pages, endorsement pages and certificates of insurance on a yearly basis as the insurance coverage periods expire.

(c) All such Declaration Pages, certificates, and other evidence of insurance shall provide for the County to be notified in writing thirty (30) days prior to any cancellation, nonrenewal, or material change in said policy. Such certificates, policies or other evidence of insurance and notices shall be mailed to The Department of Public Works, 335 Yaphank Avenue, Yaphank, New York, 11980 and the Suffolk County Risk Management and Benefit Division, H. Lee Dennison Building, Hauppauge, New York 11788 or such other address of which the County shall have given the Team notice in writing.

(d) In the event the Team shall fail to provide the Declaration Pages or certificates of insurance or to maintain any insurance required by this Second Ballpark Agreement, the County may, but shall not be required to, obtain such policies and add the cost thereof to any amounts due the County under this Second Ballpark Agreement, or any other agreement between the Parties.

(e) If the coverage described above is not available on a commercially reasonable basis, the Team shall in lieu thereof keep and maintain in effect such coverage as is available on a commercially reasonable basis that most nearly approximates the terms described above, and in all events, is no less than is customarily maintained by other minor league baseball clubs in the Northeast United States.

16. **WAIVER OF SUBROGATION**
Section 16.01 The County and the Team agree to have all property damage insurance and liability insurance required to be carried under this Second Ballpark Agreement by either of them endorsed with a clause providing that any release from liability of, or waiver of claim for, recovery from the other party entered into in writing by the insured there under prior to any loss or damage shall not affect the validity of said policy or the right of the insured to recover there under and providing further that the insurer waives all rights of subrogation which such insurer might have against the other Party. Without limiting any release or waiver of liability or recovery set forth elsewhere in this Second Ballpark Agreement, each Party waives all claims for recovery from the other Party for any loss or damage to any of its property insured under valid and collectible insurance policies to the extent of any recovery collectible under such insurance policies. Any release or any waiver of claims shall not be operative, nor shall the foregoing endorsements be required, in any case where the effect of such release or waiver is to invalidate insurance coverage or invalidate the right of the insured to recover there under or to increase the cost thereof, provided that in the case of increased cost the other Party shall have the right, within ten (10) days following written notice, to pay such increased cost keeping such release or waiver in full force and effect.

17. EVENTS OF DEFAULT AND REMEDIES

Section 17.01 Events Of Default: The occurrence of any one or more of the following events constitutes a default by the Team under this Second Ballpark Agreement:

17.01.1 Failure by the Team to pay to the County any fees or other payments due hereunder when due and payable, and such failure shall continue for ten (10) days following written notice, which notice shall not be required for a default in any payment required pursuant Section 4;

17.01.2 Failure by the Team to observe or perform in any material respect any other covenant, agreement, condition or provision of this Second Ballpark Agreement (other than as specified in Section 17.01.1), and such failure shall continue for thirty (30) days after notice thereof from the County to the Team; provided, however, the Team shall not be in default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within thirty (30) days after such notice the Team gives written notice to the County of its inability to cure within such 30-day period and immediately commences such cure and diligently proceeds with best efforts to complete the same at all times thereafter and the Team provides the County with detailed status reports of its current and future efforts to cure such default; further provided that all such defaults shall be cured no later than one hundred eighty (180) days after notice of default from the County;

17.01.3 The levy upon or under execution or the attachment by legal process of the interest of the Team under this Second Ballpark Agreement, or the filing or creation of a lien in respect of such interest, which levy, attachment or lien shall
not be released, discharged or bonded against within sixty (60) days from the date
of such filing;

17.01.4 The Team makes an assignment for the benefit of creditors, or applies for
or consents to the appointment of a trustee or receiver for the Team or for the
major part of its property or admits in writing its inability to pay or is unable to
pay its obligations as they come due;

17.01.5 A trustee or receiver is appointed for the Team or for the major part of its
property and is not discharged within sixty (60) days after such appointment;

17.01.6 Bankruptcy, reorganization, insolvency or liquidation proceedings, or
other proceedings for relief under any bankruptcy law, or similar law for the relief
of debtors, are instituted by or against the Team, and, if instituted against the
Team, are allowed against it or are consented to by it or are not dismissed within
one hundred eighty (180) days after such appointment; and

17.01.7 The Ballpark shall be abandoned, deserted or vacated by the Team, even
though at such time the Ballpark may not be then used (because of the time of the
year) for Baseball Season games.

17.01.8 Failure by the Atlantic League to sustain the operation of a minimum six-
team professional baseball league scheduling a minimum number of games in
excess of seventy (70) per Baseball Season or to honor its commitments to the
Team or to the County. Provided, however, such failure may be cured by the
Team if it is able to consummate an affiliation with another professional baseball
league whose financial condition, quality of baseball, number of teams and
games, all as determined by the County in its sole and absolute discretion, is
satisfactory, by November 15 of the year in which the Atlantic League failure
occurs.

Section 17.02 Remedies In The Event Of Default:

17.02.1 If a default occurs under Section 17.01 of this Second Ballpark
Agreement, and the applicable period of time, if any, for curing such default has
passed, the County shall have the rights and remedies hereinafter set forth, which
shall be distinct, separate and, to the extent not mutually exclusive, cumulative
and shall not operate to exclude or deprive the County of any other right or
remedy allowed to it by this Second Ballpark Agreement or applicable law,
including without limitation, the County's right to advance any sums to be paid to
third parties by the Team or otherwise remedy the Team's default and to be
reimbursed by the Team for the County's costs and expenses on account thereof.

17.02.2 No delay or omission to exercise any right or power accruing under any
default shall impair any such right or power or be construed to be a waiver
thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

17.02.3 If the Team is in default, and the applicable period of time, if any, for curing such default has passed, the County may terminate this Second Ballpark Agreement effective as of the date of its notice or as of the end of the then current Atlantic League Baseball Season by giving to the Team notice of the County's election to do so, and all right, title and interest of the Team hereunder shall expire at the end of the then current Atlantic League Baseball Season.

17.02.4 If the County exercises the remedy of termination, the Team shall vacate the Ballpark no later than thirty (30) days following the date of the Team's receipt of the County's notice of termination and deliver exclusive possession thereof to the County, and the County may then or at any time thereafter, re-enter and take complete and peaceful possession of the Ballpark, with or without process of law, full and complete license so to do being hereby granted to the County, and the County may remove all occupants and property there from, using such force as may be necessary, without being deemed in any manner guilty of trespass, eviction or forcible entry and detainer and without relinquishing the County's right to any fees due to the County or any other right given to the County by this Second Ballpark Agreement or by operation of law.

17.02.5 All property removed from the Ballpark by the County pursuant to any provisions of this Section 17 or of law may be handled, removed or stored by the County at the cost and expense of the Team, and the County shall in no event be responsible for the value, preservation or safekeeping thereof. The Team shall reimburse the County for all costs and expenses incurred by the County in such removal and storage charges against such property so long as same shall be in the County's possession or under the County's control. All property not removed from the Ballpark or retaken from storage by the Team within sixty (60) days after the end of the Extended Term, however terminated, shall be deemed conclusively to have been conveyed by the Team to the County as if by bill of sale without further payment or credit by the County to the Team.

17.02.6 The County may enforce the provisions of this Second Ballpark Agreement and may enforce and protect the rights of the County hereunder by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained herein, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all moneys due or to become due from the Team under any of the provisions of this Second Ballpark Agreement.

17.02.7 Upon the occurrence of any event which with the giving of notice or the passage of time would constitute a default by the Team, and until such event has been cured by the Team, the County shall be excused from the payment of any
amounts which are or may become due to the Team by the County. If such event is subsequently cured, any such amounts not paid by reason of this subsection shall be paid without interest.

17.02.8 The County shall have all of its common law, equitable, and statutory rights of set-off, subject to the further provisions of this Second Ballpark Agreement. These rights shall include, but not be limited to, the County's option to withhold, for the purposes of set-off, any moneys due to the Team up to any amounts due and owing to the County with regard to this Second Ballpark Agreement. The County shall exercise its set-off rights in accordance with normal County practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the County agency, its representatives, or the County Comptroller, and only after legal consultation with the County Attorney.

Section 17.03 Event of Default by the County: The occurrence of a failure by the County to observe or perform in any material respect any covenant, agreement, condition or provision of this Second Ballpark Agreement, where such failure shall continue for thirty (30) days after notice thereof from the Team to the County shall constitute a default; provided, however, the County shall not be in default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within thirty (30) days after such notice the County gives written notice to the Team of its inability to cure within such 30-day period and immediately commences such cure and diligently proceeds with best efforts to complete the same at all times thereafter.

Section 17.04 Concerning Remedies: No delay in the exercise of a remedy shall constitute a waiver of that remedy. Nothing in this Second Ballpark Agreement is intended to waive any remedy available to a Party under this Second Ballpark Agreement. Nothing in this Second Ballpark Agreement is intended to relieve a Party from its common law duty to mitigate damages.

Section 17.05 Interest on Defaulted Amounts: Any amounts payable by the Team under this Second Ballpark Agreement and not paid when due shall bear interest until paid at the Default Interest Rate. The interest shall be payable on demand to the County or into the fund to which the amount in default was to be deposited. Any amounts payable by the County under this Agreement and not paid when due shall bear interest until paid at the Default Interest Rate. The interest shall be payable on demand to the Team.

18. DISPUTES BETWEEN THE PARTIES

Section 18.01 Disputes: The Parties shall attempt in good faith to resolve any dispute, controversy or claim arising out of this Second Ballpark Agreement between them by negotiations between senior executives of the County and the Team who have authority to act and who will promptly meet for negotiations to attempt to settle the dispute.
Section 18.02  **Mediation:** If the Parties are unable to reach an agreement with respect to a Dispute, the Parties may mutually agree to submit the matter to mediation under the Mediation Procedure of the American Arbitration Association ("Mediation") without waiving any rights to pursue litigation. The costs and expenses of the mediator and any administrative expenses of the Mediation shall be borne equally by the County and the Team.

Section 18.03  **Litigable Matters:** All disputes and claims for damages between the Team and the County arising out of this Second Ballpark Agreement shall be resolved by litigation unless the Parties mutually agree to pursue binding arbitration.

19.  **PARKING**

Section 19.01  **Use Of Property Surrounding The Ballpark:** The County shall during the Extended Term of the Second Ballpark Agreement provide the legally required amount of parking in areas or structures proximate to the Ballpark as parking for the use of persons attending events at the Ballpark. No fees for parking shall be imposed unless the County consents to the imposition of such a fee. In the event the County agrees to the imposition of a parking fee for persons attending events at the Ballpark, the County and the Team shall enter into a separate agreement setting forth the County’s and the Team’s obligations and duties relating to the management of the parking areas or structures for persons attending events at the Ballpark and the collection of the parking fees for such use. Any parking fees charged pursuant to such separate agreement shall be reasonable and consistent with fees charged for comparable parking within the Atlantic League and at other minor league ballparks in the Northeast United States. All revenue from such fees shall be allocated between the Team and the County as provided pursuant to Section 4.01(j). Notwithstanding the foregoing, Team is granted the exclusive use of and the right to charge fees for access to the Reserved Parking Area during Team Events and Team Special Events. Any such fees charged by the Team for access to the Reserved Parking Area shall be reasonable and consistent with such fees charged for comparable parking within the Atlantic League and at other minor league ballparks in the Northeast United States. All revenue from such fees shall be the sole property of the Team.

Section 19.02  **Snow Removal For On-Site Parking:** The Team shall remove snow from the on-site parking areas adjacent to the Ballpark and shall assure access to its on-site staff parking spaces on a year-round basis.

Section 19.03  **Parking Area Responsibilities:** The Team shall have the responsibility to provide parking area attendants and clean-up services. The Team may contract with a professional parking management and clean-up company to provide such services. Unless conducted by the Team or the Food and Beverage Service operator, the County will cooperate to prohibit third parties from selling food and beverages and unlicensed team merchandise within the parking areas.

Section 19.04  **Reservation Of Parking Rights:** The County shall have the right, at its sole cost and expense, to reconfigure and redesign the Ballpark Parking Areas, structures
or facilities, including without limitation of the foregoing, the right to construct parking garage(s); provided, however, the County shall use all reasonable efforts not to undertake construction in furtherance of such reconfiguration or redesign during the Baseball Season and upon completion, the County shall make available to Team in the reconfigured or redesigned parking areas at least the number of parking spaces as available to the Team on the date of the first game played at the Ballpark and in accordance with the Atlantic League Standards.

20. **TRAFFIC CONTROL AND POLICE PATROL**

*Section 20.01 Traffic Control:* Traffic control on all public streets around the Ballpark shall be the responsibility of the County. The County, exercising its discretionary police powers, shall provide officers of the Suffolk County Police Department when necessary to assure traffic control on public streets before and after Team Events, Team Special Events, County Events, and Special Events held in the Ballpark and will additionally be available to respond to parking lot security problems as required.

21. **ASSIGNABILITY OF LICENSE SUBJECT TO PRIOR COUNTY APPROVAL**

*Section 21.01 Assignment by the Team:* The Team shall have no right to assign or otherwise transfer this Second Ballpark Agreement or any provision thereof to any other person, corporation, partnership or other entity without the prior written approval of the County, which approval may not be unreasonably withheld. The consideration of the County of any requested assignment or transfer may include, but shall not be limited to, (i) the approval or disapproval of, the Atlantic League of such assignment or transfer; (ii) whether the proposed assignee has sufficient financial worth to assume the obligation of Lessee under this Second Ballpark Agreement; and (iii) compliance with Suffolk County Legislative requirements. No proposed assignment shall be considered by the County unless the request for consent thereto shall be in writing and accompanied by the assignee's proposed assumption of the Team's past unperformed and future obligations, resumes of its principals, reasonable financial information, and proposed financial security. Notwithstanding the foregoing, any transfer of interests among the existing members or their immediate families of the Long Island Ducks Professional Baseball Club, LLC. shall not be deemed an assignment or transfer of this Second Ballpark Agreement requiring the consent or approval of the County.

*Section 21.02 Assignment by the County:* Without the Team's prior written approval, the County may assign or otherwise transfer this Second Ballpark Agreement to any instrumentality of the County, such as a sports and entertainment board or commission, whether created by act of the Suffolk County Legislature or otherwise.

22. **TEAM BASEBALL GAME TICKETS**
Section 22.01 Discounting Of Tickets And Free Admission: The Team may discount the purchase price of season or individual game tickets, if considered necessary or appropriate to increase attendance and maximize gross ticket revenues.

Section 22.02 Complimentary Tickets: The Team shall have the right to provide no more than two hundred (200) Complimentary Tickets for each Team baseball game.

23. DESTRUCTION OF BALLPARK

Section 23.01 Partial Destruction: If the Ballpark is partially destroyed by any cause and can be repaired or restored to its prior condition and the destruction does not render the Ballpark unusable, this Second Ballpark Agreement shall continue in full force and effect. The County shall, at its expense, promptly commence and diligently complete the restoration of the Ballpark to the same condition as of the Commencement Date of this Second Ballpark Agreement, reasonable wear and tear excepted. All repair activities shall be timed and organized in such a manner as to facilitate the Team’s ability to play their home Baseball Season games at the Ballpark to the degree feasible.

Section 23.02 Total Destruction: In the event the Ballpark is totally destroyed by fire or other casualty, and after consultation with the Team, the County in its sole discretion may elect whether to repair or restore the Ballpark or to terminate this Second Ballpark Agreement. Such election shall be exercised by the County by giving written notice to the Team within ninety (90) days after such destruction. If the County so elects, this Second Ballpark Agreement shall terminate as of the date of such casualty and the Team’s obligation to pay annual minimum compensation payments and other payments shall terminate and be prorated as of such date. If the County elects not to terminate this Second Ballpark Agreement, the County shall proceed as promptly as practical to repair and restore the Ballpark to its condition existing immediately prior to such destruction.

Section 23.03 Reduction In Compensation Payable: Should the Ballpark be unavailable for any of the Team’s home Baseball Season games as a result of the partial destruction of the Ballpark or by reason of the County’s election not to repair or restore the Ballpark subsequent to total destruction, the payment under Section 4.01(a) shall be reduced in a pro rata amount for each such game that the Ballpark is unavailable and the County’s share of revenue due from the Team under Sections 4.01(c) and 4.01(d) shall be abated for each game played at a location other than the Ballpark. Further, in the event that the Team must rebate or abate income from Sky Box rentals due to such unavailability of the Ballpark, the County shall abate or rebate its share of such revenue due under Section 4.01(b).
Section 23.04 Assistance Of The County Of Suffolk In Locating A Temporary Or Permanent Alternate Facility: If the Ballpark becomes unavailable on a temporary basis by reason of either the partial destruction of the Ballpark or the repair or restoration of the Ballpark after total destruction, or for any other reason attributable to the action of the County, the County shall utilize all reasonable efforts to assist the Team in locating an adequate temporary facility within the County or the surrounding area.
24. **CONDEMNATION**

**Section 24.01 Substantial Taking:** In the event that all, or a substantial portion of the Ballpark is taken from the County pursuant to any right of eminent domain exercised by any governmental entity or pursuant to any governmental order and such taking renders the Ballpark unfit for its intended purpose, then this Second Ballpark Agreement may be terminated by the County by notifying the Team, The Team shall have no right to any portion of any award granted with respect to such taking except that the Team shall have the independent right to make a claim against the condemnor for and retain any award based thereon for the reasonable value of costs by the Team and for the expenses incidental to relocating from the Ballpark Agreement.

**Section 24.02 Partial Condemnation:** If less than all or substantially all of the Ballpark shall be taken or condemned by any competent authority for any public or private use or purpose, and the County and the Team mutually determine, within a reasonable period of time after such taking, that the remaining portion of the Ballpark cannot economically and feasibly be used by the Team for Permitted Uses, then this Second Ballpark Agreement shall terminate and Guaranteed Base Fee shall be apportioned as of the date of the termination. In the event this Second Ballpark Agreement is not so terminated, the County and the Team shall, to the extent practical and only to the extent of actual amount of the condemnation award received, restore the Ballpark to a complete architectural unit reasonably suitable for the Permitted Uses, and the Guaranteed Base Fee and the Team’s and the County’s other obligations hereunder shall not be adjusted.

**Section 24.03 Temporary Taking:** If any right of temporary possession or occupancy of all or any portion of the Ballpark shall be taken which does not materially interfere with the Team’s beneficial use of the Ballpark for Permitted Uses, the foregoing provisions of this Section 24 shall be inapplicable thereto and this Second Ballpark Agreement shall continue in full force and effect, and the Team shall be entitled to make claim for and recover any award or awards recoverable in respect of such possession or occupancy, and the County shall have no right or claim to any such award or awards. Any taking of the right of possession or occupancy of all or any portion of the Ballpark which materially interferes with the Team’s beneficial use of the Ballpark (i) for Permitted Uses, or (ii) which is for a period that is in excess of three Seasons, shall, at the option of the Team, be regarded for purposes of this Second Ballpark Agreement as a taking which is not temporary and to which the foregoing provisions of this Section 24 shall be applicable.

25. **SUSPENSION OF SECOND BALLPARK AGREEMENT DURING TIMES OF EMERGENCY**

**Section 25.01 Suspension:** During any time of national emergency, state of emergency, or duly declared local emergency, the County shall have the right to suspend this Second Ballpark Agreement temporarily so that the Ballpark may be used as an emergency shelter, or for such other governmental purposes which are in the best interest of the
County. If any such suspension is exercised, the County shall be responsible in full for all such repairs, replacements and/or clean-up of the Ballpark as necessary to restore the Ballpark to the condition it was in before any such suspension. If any such suspension is exercised, upon the mutual consent of the Parties, this Second Ballpark Agreement may be terminated.

Section 25.02 Reduction In Compensation Payable: In the event that the Second Ballpark Agreement is not terminated and the Ballpark is not unavailable for any Team Events or Team Special Events as a result of the Suspension of the Second Ballpark Agreement pursuant to Section 25.01, payments under this Second Ballpark Agreement shall be reduced in a pro rata amount for each such game that the Ballpark is unavailable and the County’s share of revenues due from the Team shall be abated for each game not played at the Ballpark. Further, in the event that the Team must rebate or abate income from Sky Box rentals due to such unavailability of the Ballpark, the County shall abate or rebate its share of such revenue.

26. SIGNAGE

Section 26.01 Advertising in the Ballpark: Subject to the prior consent and approval of the County, the Team shall have the exclusive right to market advertising inside the Ballpark in connection with the Team Events, including, but not limited to outfield fence, signage, video scoreboard message center, program and other advertising which may be available during the Extended Term. All advertising shall be in good taste and consistent with the overall goals of the Team and the County to provide family entertainment through baseball and other athletic and recreational events at the Ballpark.

27. PROHIBITED USES

Section 27.01 Prohibited Uses: The Ballpark shall not be available for partisan political events.

28. FORCE MAJEURE

Section 28.01 No Default: The Parties hereto, respectively, shall not be in default of this Second Ballpark Agreement if either is unable to fulfill, or is delayed in fulfilling, any of its obligations hereunder, or is prevented or delayed from fulfilling its obligations, in spite of its employment of best efforts and due diligence, as a result of Force Majeure.

Section 28.02 Notice: If a Party believes that a hindrance or delay has occurred, it shall give prompt written notice to the other Party of the nature of such hindrance or delay, its effect upon such Party’s performance under this Second Ballpark Agreement, the action needed to avoid the continuation of such hindrance or delay, and the adverse effects that such hindrance or delay then has or may have in the future on such Party’s performance.
Section 28.03 **Obligation to Perform:** Notwithstanding notification of a claim of hindrance or delay by one Party, such request shall not affect, impair or excuse the other Party hereto from the performance of its obligations hereunder unless its performance is impossible, impractical or unduly burdensome or expensive, or cannot effectively be accomplished without the cooperation of the Party claiming delay or hindrance. The occurrence of such a hindrance or delay may constitute a change in the obligations of the Parties or compensation, for example, and may result in the need to modify the agreement accordingly.

29. **INSPECTION AND ENTRY RIGHTS**

Section 29.01 **Access to the Ballpark:** The County shall have the following rights of access to all areas of the Ballpark for itself or as may be exercised on its behalf by its authorized agents:

(a) During customary business hours, from time to time not to exceed once per month, upon reasonable advance telephone notice for the purposes of: (i) performing routine physical inspections of the Team's compliance with its obligations under this Second Ballpark Agreement; (ii) evaluating, preparing for, or constructing an addition to the Ballpark; or (iii) evaluating, preparing for, and conducting County Events;

(b) Without prior notice, at any time during the continuance of a Team Default;

(c) Upon reasonable advance written notice, and at a mutually agreeable and scheduled date and time, during the three years immediately preceding the Expiration Date;

(d) In accordance with Section 25 above; and

(e) If, during customary business hours, admission to the Ballpark for the foregoing purposes cannot be obtained, or if at any time by reason of an emergency condition an entry shall be deemed necessary for the protection of the Ballpark, whether for the benefit of the Team or not, the County, or the County's agents or representatives, may (after exercising reasonable efforts to provide advance notice to the Team, which in emergencies may be by telephone, email or any other advance method convenient and available under the circumstances) may enter the Ballpark and accomplish any of the foregoing purposes described in this Section 29.01.

Section 29.02 **Inspections:** The County shall afford the Team a reasonable opportunity to have an employee or agent present during any such inspection. To facilitate inspection, the Team shall arrange for two persons with master keys and combinations for combination locks to be on call and conveniently available to the County at all times. Such persons and their telephone numbers shall be identified in writing to the County.

Section 29.03 **No Obligation:** The provisions contained in this Section 29 are not intended to create or increase, and are not to be construed as creating or increasing, any
obligations on the County's part under this Second Ballpark Agreement and are subject at all times to the rights of the Team and its contractors, licensees and agents.

Section 29.04 Waiver: Except as otherwise provided in this Second Ballpark Agreement, the Team waives any claim that it may have against the County or County Indemnitees arising out of such entry upon the Ballpark and such inspection, other than claims arising out of the negligence or willful misconduct of the County or County Indemnitees.

Section 29.05 Limitation: Any inspection of Ballpark improvements by the County under this Second Ballpark Agreement shall not be deemed an approval, warranty or other certification as to the compliance of the improvements with Applicable Laws including, without limitation, building engineering and structural design codes.

Section 29.06 No Interference: The County shall not interfere with Team Events, Team Special Events, or Special Events and shall use reasonable efforts to minimize disruption or inconvenience to the Team in connection with its exercise of any of its rights under this Section 29.

Section 29.07 Materials and Equipment: The County and its agents, contractors, and representatives shall have the authority to take such materials and equipment into the Ballpark as may be reasonably necessary for accomplishing the purposes set forth in this Section 29 and otherwise as may be required to perform its obligations under this Second Ballpark Agreement or any other agreement between the Parties, but, except in cases of emergency or after any Team Default which remains uncured, may not leave such materials and equipment on site without having obtained the Team's prior written consent.

30. NO RELOCATION OF TEAM

Section 30.01 Equitable Relief: The Parties acknowledge that: (a) the Team, as property, is unique and that the County may not be able to replace the Team; and (b) that the determination of damages caused by the Team relocating from Suffolk County would be difficult, if not impossible to ascertain. The Team hereby acknowledges that the County will be irreparably harmed by the transfer of the Team's Baseball membership to a location other than the Ballpark during the Extended Term of this Second Ballpark Agreement. Accordingly, during the Extended Term of this Second Ballpark Agreement, the Team hereby acknowledges and agrees as follows:

1. The County does not have, and there exists no adequate remedy of Law to enforce this Section.

2. The Team shall not enter into any contract or agreement of any kind to transfer the Team's membership outside the County of Suffolk to a location other than the Ballpark without the prior express written consent of the County.
3. The Team shall not make formal application to the Atlantic League for approval to transfer the Team's membership to a location other than the Ballpark without the prior express written consent of the County.

4. The County shall be given prior written notice of any substantive negotiations regarding:

   (i) Any proposed relocation of the Team's membership to a location other than the Ballpark; and

   (ii) Any proposed sale or transfer that would involve relocation of the Team's franchise to a location other than the Ballpark.

5. Any breach of subsections (2) or (3) above shall constitute an event of default under this Second Ballpark Agreement, but only if the Atlantic League does not provide to the County a baseball team that is a member of the Atlantic League in good standing and the persons necessary to operate such team who are acceptable to the County in its sole discretion, and shall entitle:

   (i) The County to terminate this Second Ballpark Agreement immediately and without notice; and

   (ii) The County to acquire the Team for its book value as of the end of the fiscal year next preceding the event of default, as determined by an independent accounting firm in accordance with generally accepted accounting principles, consistently applied, based upon the Team's last certified financial reports provided under Section 4.04 hereof plus a reasonable allowance for goodwill assuming the Team would have remained in the County of Suffolk, and taking into consideration the remaining license term and the Team's obligations under this Second Ballpark Agreement without giving effect to any possible renewal or extension of this Second Ballpark Agreement.

   (iii) The County to seek and obtain, and the Team hereby consents to the entry of, a temporary restraining order, together with preliminary and permanent injunctive relief, from any court of competent jurisdiction.

6. Therefore, the Parties acknowledge and agree that equitable relief by way of a decree of specific performance or an injunction is the only appropriate remedy for the enforcement of this Section 30 notwithstanding the provisions for liquidated damages provided elsewhere in Section 30.02. In amplification and not in limitation of the foregoing, the County acknowledges and agrees that, in the event the Team breaches or threatens to breach Section 30.01, the County shall seek equitable relief before attempting to avail itself of the liquidated damages provisions set forth hereunder.

Section 30.02 Liquidated Damages: The Team acknowledges and agrees that, if upon the breach of Section 30.01, equitable relief fashioned to require the Team to remain in the Ballpark is not granted by a court of competent jurisdiction for any reason, the payment of liquidated damages is the next most appropriate remedy. Therefore, in the
event of a breach by the Team of Section 30.01 and the failure of any such court to grant the equitable relief described above in Section 30.01, the Team shall pay liquidated damages to the County in the amount necessary to pay off any outstanding principal remaining on the bonds issued to construct the Ballpark.

In determining the amount of liquidated damages provided for in Section 30.02, it is acknowledged and agreed that the Parties have exercised great care to make a reasonable forecast of direct and consequential damages allowable by law that may arise from the breach of Section 30.01, taking into due consideration: (i) the extraordinary involvement, covenants and expense of the public in securing the Team’s commitment to play at the Ballpark for the Extended Term; (ii) the consequent reduction in value of the Ballpark arising from the absence of the Team; (iii) the substantial economic benefit conferred upon the Team through the Second Ballpark Agreement intended to assure that the Team will continue to play at the Ballpark for the Extended Term; (iv) the detrimental effects of a breach on the County of Suffolk community; and (v) the loss of revenues to the County of Suffolk community.

Section 30.03 Waiver of Rights: If, upon the breach of Section 30.01, equitable relief fashioned to require the Team to remain at the Ballpark is not granted by a court of competent jurisdiction for any reason, the Team, for themselves, their successors, assignees and affiliates, hereby waive any right, arising hereunder, at law, inequity or otherwise, to object to or otherwise challenge the validity, appropriateness or legitimacy of liquidated damages as the remedy for such breach.

Section 30.04 Other Remedies: If, upon a breach or threatened breach of Section 30.01 by the Team, the equitable remedies and liquidated damages provided under this Section 30 are unavailable for any reason, the County shall be entitled to pursue all other legal and equitable remedies against the Team, whether or not such remedies are specifically set forth in this Second Ballpark Agreement; provided, however, that any damages or money judgment obtained in any such legal or equitable proceedings shall not exceed the amount of liquidated damages that the County would have been entitled to receive pursuant to Section 30.02 but for such unavailability. All such remedies are cumulative and may be exercised concurrently, successively, or in any order.

31. **ACKNOWLEDGMENT OF BOND STATUS**

Section 31.01 Limitation on Actions: As a material and substantial inducement for the County to enter into this Second Ballpark Agreement, the Team agrees that it will not undertake any action or fail to take any action or permit any of its officials, agents or employees to act or fail to act (including, without limitation, entering into one or more management contracts with respect to the Ballpark) if any such act or omission shall cause the County to be in default of any of its obligations under or in connection with the bonds issued to finance construction of the Ballpark or shall cause interest paid or hereafter paid on such bonds from time to time to be liable for, or otherwise subject to, taxation by the State of New York or the United States of America.
Section 31.01 Indemnification: Additionally, as a material and substantial inducement to the County to enter into this Second Ballpark Agreement, the Team further covenants and agrees that it will hold the County harmless against, and indemnify it for, any and all losses and liabilities (statutory or otherwise), claims, actions, demands, suits, judgments, interest and expense whatsoever (including, but not limited to, reasonable attorneys' fees and costs) in respect of or in connection with any of such bonds which arise out of or result from any such actions or omissions, and, to this end, further agrees to assume, and pay all costs, attorneys' fees, expenses and liabilities associated with, the County's defense of any and all of the foregoing by attorneys chosen by the Team and reasonably satisfactory to the County.
