*"As Long Islanders, not all of us are boaters, but most of us find ourselves on a boat at one point or another. If you have to take over the role of the captain in an emergency, possessing some basic skills can save lives. The 'Suddenly in Command' course is a great opportunity."* Legislator Bontempi

On August 14th, the tradition of the Coral Park Basketball Tournament continued in full force. The athletes and organizers were certainly excited for a day on the court, and the beautiful weather multiplied the enjoyment for all of those who attended. The event this year was sponsored by Legislator Stephanie Bontempi, Legislator Manuel Esteban and Huntington Town Supervisor Ed Smyth.
