1 **CHAIRMAN CARACAPPA:**

2 Good afternoon, everyone, and welcome to the committee of Veterans  
3 and Consumer Affairs. I would ask everybody to stand as we pay  
4 tribute to our flag with the Pledge of Allegiance led by Legislator  
5 Fleming.

6 (Pledge of Allegiance)

7  
8 Just take a moment of silence, please. Remain standing just in  
9 recognition of all our veterans and those in law enforcement who  
10 made the ultimate sacrifice in order to keep us safe. Thank you.  
11 Roll call, Mr. Clerk.

12  
13 (The roll was called by Chief Deputy Clerk Clark.)

14  
15 **CHAIRMAN CARACAPPA:**

16 Here.

17

19 Here.

20  
21 **LEG. KRUPSKI:**

22 Here.

23

25 Present.

28 Here.

29  
30 **LEG. KENNEDY:**

31 Here.

32

34 Present.

35  
36 **CHIEF DEPUTY CLERK CLARK:**

37 Seven.

38  
39 **CHAIRMAN CARACAPPA:**

40 Thank you, Madam Clerk. Are there any correspondence?

41  
42 **CHIEF DEPUTY CLERK CLARK:**

43 All correspondence have been distributed.

44  
45 **CHAIRMAN CARACAPPA:**

46 Thank you. All right. We'll open up public portion. Is there  
47 anyone out in the audience who would like to address the committee  
48 at this time. Seeing none, I'll close public portion. Oh, we got  
49 a card. Better late than never. Mr. Bob Kolmessi (ph). There you  
50 go. Sorry. Just state your name again for the record.

51  
52 **MR. KOHLMAYER:**

53 It may be a little premature. Bob Kohlmeier, K-O-H-L-M-E-Y-E-R.

54  
55 **CHAIRMAN CARACAPPA:**

56 Welcome, Bob. You have three minutes. I'm here representing the

1 Suffolk County Consumer Affairs specifically the electrical  
2 licensing board. I'm the chairman. I've been on the licensing  
3 board since 1999, and I'm here in support of one of the applicants  
4 to join our board, Donna Gathard. I know Donna through the  
5 industry for probably 20 plus years, and I think she would be a  
6 good addition to our licensing board. She's very  
7 industry-interested, and she has requested to be placed on our  
8 board and the other members of the board and I support her  
9 application.

10  
11 **CHAIRMAN CARACAPPA:**

12 Thank you.

13  
14 **MR. KOHLMAYER:**

15 Thank you.

16  
17 **CHAIRMAN CARACAPPA:**

18 Any questions? Thank you. Anyone else like to address the  
19 legislature? Thank you, and I will close public hearing, public  
20 portion. Moving on to appointment resolutions.

21  
22 **IR 1196, Approving the appointment of David Warren as a member of**  
23 **the Suffolk County Commercial, Industrial, Residential Septic**  
24 **Tank/Sewer Drain Treatment, Bacteria Additives and Maintenance**  
25 **Board. (Co. Exec.) I'll make a motion.**

26  
27 **LEG. BONTEMPI:**

28 I'll second.

29  
30 **CHAIRMAN CARACAPPA:**

31 Anyone on the motion? Is David Warren with us? Come on up, Dave.

32  
33 **MR. WARREN:**

34 How are you?

35  
36 **CHAIRMAN CARACAPPA:**

37 Good afternoon. Just state your name for the record, please.

38  
39 **MR. WARREN:**

40 Sure. David Warren.

41  
42 **CHAIRMAN CARACAPPA:**

43 Hey, Dave. Nice to meet you, and thank you for your willingness to  
44 participate in this committee. Give us a little background on  
45 yourself.

46  
47 **MR. WARREN:**

48 I have been a consumer affairs license holder in Suffolk County  
49 since 1997. I have been in my own business since then. Currently  
50 we have 85 employees, and we are the largest installer of I.A.  
51 septic systems on Long Island, and we're also a distributor for two  
52 of the technologies.

53  
54 **CHAIRMAN CARACAPPA:**

55 Legislator Krupski.

56

1 **LEG. KRUPSKI:**

2 I was going to say break it up, but I actually have a question.

3  
4 **CHAIRMAN CARACAPPA:**

5 Go right ahead.

6  
7 **LEG. KRUPSKI:**

8 Thank you. So you're installing the I.A. systems. You're doing  
9 one brand name or you're doing across the board?

10  
11 **MR. WARREN:**

12 We install all five of the approved technologies currently and  
13 service them.

14  
15 **LEG. KRUPSKI:**

16 So I know from past experience a lot of the contractors who did  
17 over the years -- you know, the old standard wastewater septic  
18 systems and whatnot -- for them, it wasn't much of a challenge  
19 looking at the lay of the land. You go into somebody's place and  
20 they knew where to place it, and they knew how it would work. Are  
21 you getting a feel for that now with the new systems of instead of  
22 -- because I know in the beginning, you know, you needed an  
23 engineer stamp and architect stamp and everybody in the world had  
24 to kind of opine on placement and whatnot. Are you getting a  
25 better feel on the installation of these as they go forward?

26  
27 **MR. WARREN:**

28 Yeah, absolutely. The procedure the health department put in  
29 place, the ship portal, which is now back on the Acela portal, it's  
30 working very well. We pretty much, you know, call in an inspection  
31 request and then we wind up meeting via Facetime with the  
32 inspectors in the health department and have everything drawn out  
33 ahead of time, we show them, we flip the phone around. It's been  
34 pretty efficient, actually. It's a really streamlined way.

35  
36 **LEG. KRUPSKI:**

37 That's very important. Thank you.

38  
39 **MR. WARREN:**

40 Yep.

41  
42 **CHAIRMAN CARACAPPA:**

43 Can you tell me how many systems you think you're installing a day?  
44 I know when they first came out, they were complicated and  
45 convoluted, maybe one a day, but what are you up to now?

46  
47 **MR. WARREN:**

48 We have three different crews that we currently put out depending  
49 on the workload or difficulty level of the job, I would say three  
50 crews, maximum 15 a week, minimum 5 depending on how many day job  
51 there is. Some of the jobs are very complex, but we have to do  
52 de-watering. It's a two-or-three day job by the time we start to  
53 finish.

54  
55 **CHAIRMAN CARACAPPA:**

56 That's for the groundwater?

1  
2 **MR. WARREN:**

3 Yeah, if it's a high groundwater situation, yes.  
4

5 **CHAIRMAN CARACAPPA:**

6 Right. Don't they have to elevate the yard before they can even?  
7

8 **MR. WARREN:**

9 Well, sometimes what we'll do is we'll put the system in the  
10 groundwater and strap it down to cement bollards and then have a  
11 pump which will help pump it up which helps save the costs on the  
12 retaining walls, like the conventional systems always had to have a  
13 retaining wall and a high water table.  
14

15 **CHAIRMAN CARACAPPA:**

16 Yes.  
17

18 **MR. WARREN:**

19 So it's a little more cost effective to do what's called a  
20 "pressurized shallow drain field."  
21

22 **CHAIRMAN CARACAPPA:**

23 Speaking of cost, do you help the applicants with the grants?  
24

25 **MR. WARREN:**

26 Yeah, my office does, yeah. We have four or five people in the  
27 office that all they do is pretty much answer customer questions,  
28 help them through the grant process, communicate with the ecology  
29 and health department. It's -- and probably two of us that go out  
30 in the field and look at jobs every day.  
31

32 **CHAIRMAN CARACAPPA:**

33 All right. Are you aware of what your capacity is on the board  
34 that you're looking to join?  
35

36 **MR. WARREN:**

37 Yes.  
38

39 **CHAIRMAN CARACAPPA:**

40 Want to share with us?  
41

42 **MR. WARREN:**

43 Sure. Basically to help, A, educate other contractors as we meet  
44 them through the contractors as we meet them through the licensing  
45 and additionally just to have input on if people are qualified to  
46 do this type of work.  
47

48 **LEG. PICCIRILLO:**

49 Just give us one second.  
50

51 **CHAIRMAN CARACAPPA:**

52 I had a little conference with our legal counsel. We were just  
53 curious about any conflict of interest since you'll be sitting on  
54 the board that votes on certain measures and business with the  
55 county and these IA systems that you're personally gaining from,  
56 and so I'm aware now that you would have to recuse yourself on any

1 votes pertaining to your particular business.

2

3 **MR. WARREN:**

4 Oh, a hundred percent.

5

6 **CHAIRMAN CARACAPPA:**

7 You're aware of that.

8

9 **MR. WARREN:**

10 Yeah, sure.

11

12 **CHAIRMAN CARACAPPA:**

13 Okay.

14

15 **MR. WARREN:**

16 Yes, I'm intense, but yes, I understand.

17

18 **CHAIRMAN CARACAPPA:**

19 Was that explained to you before or?

20

21 **MR. WARREN:**

22 Yes, it was.

23

24 **CHAIRMAN CARACAPPA:**

25 All right. Excellent. Anybody else have any other questions? All  
26 right. So we have a motion and a second. All in favor? Opposed?  
27 Abstentions?

28

29 **CHIEF DEPUTY CLERK CLARK:**

30 Seven.

31

32 **LEG. PICCIRILLO:**

33 Congratulations.

34

35 **CHAIRMAN CARACAPPA:**

36 It will be officially in our meeting next week but thank you. So  
37 1196 is approved.

38

39 **IR 1197, Approving the appointment of Donna M. Gathard as a member  
40 of the Suffolk County Electrical Licensing Board. (Co. Exec.)**

41

42 **LEG. KENNEDY:**

43 Motion to approve.

44

45 **CHAIRMAN CARACAPPA:**

46 I have a motion. I'll second. Anyone on the motion? Ms. Gathard,  
47 come on up. Is the mic on? Just state your name for the record.

48

49 **MS. GATHARD:**

50 Donna M. Gathard.

51

52 **CHAIRMAN CARACAPPA:**

53 Welcome, Donna. Want to just give us a little background?

54

55 **MS. GATHARD:**

56 My company is All Service Electric. I'm a licensed WBE electrical

1 contractor for 25 plus years. Also Local 25. Commercial, no  
2 residential.

3  
4 **CHAIRMAN CARACAPPA:**

5 Okay. Does your company do any business with the county?  
6

7 **MS. GATHARD:**

8 Yes.  
9

10 **CHAIRMAN CARACAPPA:**

11 Okay. So probably the same applies to you that you would have to  
12 recuse yourself for any projects.  
13

14 **MS. GATHARD:**

15 Yes, yes.  
16

17 **CHAIRMAN CARACAPPA:**

18 All right. Other than that, anybody have any questions for Ms.  
19 Gathard? We have a motion and a second. All in favor? Opposed?  
20 Abstentions?  
21

22 **CHIEF DEPUTY CLERK CLARK:**

23 Seven.  
24

25 **CHAIRMAN CARACAPPA:**

26 1197 is approved. Thank you. Congratulations.  
27

28 **IR 1198, Approving the appointment of Richard Brooks as a member of**  
29 **the Suffolk County Plumbing Licensing Board. (Co. Exec.) I'll make**  
30 **a motion.**  
31

32 **LEG. KENNEDY:**

33 Second.  
34

35 **CHAIRMAN CARACAPPA:**

36 We have a second from Legislator Kennedy. Anybody on the motion?  
37 Is Mr. Brooks with us today? Come on up.  
38

39 **MR. BROOKS:**

40 Hi. My name is Richard Brooks. How are you doing?  
41

42 **CHAIRMAN CARACAPPA:**

43 How are you doing, Richard? I am aware of to situation you went  
44 through.  
45

46 **MR. BROOKS:**

47 Yes. Thank you.  
48

49 **CHAIRMAN CARACAPPA:**

50 I hope everything is well.  
51

52 **MR. BROOKS:**

53 Yes, everything is well. Thank you. I appreciate everybody's  
54 support.  
55

56 **CHAIRMAN CARACAPPA:**

1 Of course. It's a tough situation. If you want to take a moment  
2 and tell us about yourself.

3  
4 **MR. BROOKS:**

5 I'm the business manager for Plumbers Local 200. I've been a  
6 member there for 40 years. I've done all aspects of plumbing,  
7 sewer plants, residential, hospitals, you know, and it would be an  
8 honor to be on the board, the plumbing board.

9  
10 **CHAIRMAN CARACAPPA:**

11 Local 200, there's a guy there. I think his name is Mario. I  
12 don't know if you know him.

13  
14 **MR. BROOKS:**

15 No, I don't know Mario.

16  
17 **CHAIRMAN CARACAPPA:**

18 I don't know. I could be wrong.

19  
20 **MR. BROOKS:**

21 Very quiet guy.

22  
23 (Laughter)

24  
25 **CHAIRMAN CARACAPPA:**

26 Yeah. Yeah, he's very shy. All right. Well, is there anybody --  
27 any questions for Mr. Brooks? Legislator Thorne.

28  
29 **LEG. THORNE:**

30 Hello, sir. I just wanted to take a minute concerning what you  
31 went through to make the time to be with us today. It speaks  
32 volumes about your commitment to it, so I just wanted to take a  
33 minute and thank you for coming with everything you've gone  
34 through, and we're very happy to have you.

35  
36 **LEG. RICHBERG:**

37 It's an honor to be on that board. Thank you.

38  
39 **CHAIRMAN CARACAPPA:**

40 All right. Seeing no other questions, we have a motion and a  
41 second. All in favor? Opposed? Abstentions?

42  
43 **CHIEF DEPUTY CLERK CLARK:**

44 Seven.

45  
46 **CHAIRMAN CARACAPPA:**

47 1198 is approved. Thank you. I appreciate it. Best to the  
48 family.

49  
50 All right. I'm not sure if I said it, but 1198 is approved for the  
51 sake of our studious person out there taking notes.

52  
53 **MS. SEVERS:**

54 Oh, me?

55  
56 (Laughter)

1  
2 **CHAIRMAN CARACAPPA:**

3 I'm taking about you, Gabrielle.

4  
5 All right. **IR 1199, Approving the appointment of Thomas S. Drago**  
6 **as a member of the Suffolk County Plumbing Licensing Board. (Co.**  
7 **Exec.)** I'll make a motion.

8  
9 **LEG. BONTEMPI:**

10 I'll second.

11  
12 **CHAIRMAN CARACAPPA:**

13 Second by our legislator -- I'll go with the Huntington branch over  
14 there, Bontempi. Is Mr. Drago present? There he is. Oh, you beat  
15 me to it. That was quick. So, Mr. Drago, you want to tell us a  
16 little something about yourself?

17  
18 **MR. DRAGO:**

19 Sure. My name is Thomas Drago. I've been a plumber for the last  
20 27 years, originally plumbing in the city for the City of New York  
21 for the Housing Authority. About five years ago, I decided that I  
22 wanted to spend more time with my family out here on the island and  
23 not commute anymore, so I started my own plumbing business with my  
24 sister as my business partner. We've got four guys including  
25 myself. I'm an infield guy.

26  
27 So, you know, it's a family business, and our demographic is Long  
28 Island families. You know, basically just want to be a part of  
29 this board so that I can speak to the people who are trying to get  
30 a license and -- I'm really nervous right now.

31  
32 **CHAIRMAN CARACAPPA:**

33 Don't be.

34  
35 **MR. DRAGO:**

36 So that they understand how important it is for us to have the  
37 codes that we have and do the work that we do and make sure that  
38 they are doing the right job for the safety.

39  
40 **MR. DRAGO:**

41 I see a lot of work that's not like that.

42  
43 **CHAIRMAN CARACAPPA:**

44 You said you're mostly residential?

45  
46 **MR. DRAGO:**

47 Residential and some commercial, mostly residential.

48  
49 **CHAIRMAN CARACAPPA:**

50 Do you have any business with the county?

51  
52 **MR. DRAGO:**

53 No.

54  
55 **CHAIRMAN CARACAPPA:**

56 All right. Not that it matters, but I just wanted to -- oh,

1 Legislator Krupski.

2

3 **LEG. KRUPSKI:**

4 So you're a plumber?

5

6 **MR. DRAGO:**

7 Yes, I am.

8

9 **LEG. KRUPSKI:**

10 You shouldn't be nervous speaking to us. We have very little  
11 working knowledge of plumbing.

12

13 **CHAIRMAN CARACAPPA:**

14 Speak for yourself. Speak for yourself, Legislator Krupski.

15

16 **LEG. PICCIRILLO:**

17 I fixed my own toilet two days ago so.

18

19 **CHAIRMAN CARACAPPA:**

20 I may not know how to harvest corn, but I know my way around the  
21 pipes. This is not tractor repair.

22

23 (Laughter)

24

25 **LEG. KRUPSKI:**

26 I know. I don't want any part of it, so thank you for doing that  
27 work.

28

29 **CHAIRMAN CARACAPPA:**

30 All right. Sorry, Mr. Drago. We're a little loopy up here at the  
31 moment. Any other questions for Mr. Drago? All in favor?  
32 Opposed? Abstentions?

33

34 **CHIEF DEPUTY CLERK CLARK:**

35 Seven.

36

37 **CHAIRMAN CARACAPPA:**

38 IR 1199 is approved. Thank you. Appreciate it.

39

40 **MR. DRAGO:**

41 Thank you, guys.

42

43 **LEG. KRUPSKI:**

44 Did the chair offer some plumbing advice if we call him; is that  
45 what just happened?

46

47 **CHAIRMAN CARACAPPA:**

48 If you're willing to take it, I got plenty for you. Absolutely.  
49 Anytime.

50

51 **LEG. THORNE:**

52 It took me about two hours of sweating to put in a new shower body  
53 in my house yesterday.

54

55 **CHAIRMAN CARACAPPA:**

56 Listen, if you're working too hard, you're not doing it right.

1 **LEG. THORNE:**

2 Exactly why I needed your help.

3  
4 **CHAIRMAN CARACAPPA:**

5 All right. Moving on. We'll have a plumbing class in the next  
6 session.

7  
8 **LEG. THORNE:**

9 Appreciate it.

10  
11 **CHAIRMAN CARACAPPA:**

12 All right. Next up, we have a presentation, which I have been  
13 looking forward to for probably over a year. I'm going to welcome  
14 Ms. Cathy Norton-Doherty up to the table. Ms. Norton-Doherty will  
15 be a part of our Women's Veteran Advisory Committee, and she was my  
16 designee from the fourth L.D., and she will provide a brief  
17 overview of the board and its critical mission to serve the  
18 veterans of Suffolk County. So welcome, again, Catherine. It's  
19 been long overdue but we're here. Looking forward to doing great  
20 work with you, so I'll turn it over to you.

21  
22 **MS. NORTON-DOHERTY:**

23 Thank you, all the legislators, for allowing me to speak. Long  
24 time coming. I'm excited to be here. Earlier this month, it was  
25 announced that the Department of Veteran Affairs was changing the  
26 long-standing model of the V.A. Although I'm not normally a fan of  
27 changing our military traditions and well-earned tributes and  
28 honors, in this case I did feel it was necessary and long overdue.  
29 If the goal is to welcome women veterans at the V.A. in hopes they  
30 will utilize their earned benefits, we want to offer a comfortable  
31 and safe environment, a welcoming situation similar to what they  
32 would receive in this civilian world. The V.A. motto did not offer  
33 that. The new V.A. motto, to fulfill President Lincoln's promise  
34 to care for those who have served in our nation's military and for  
35 their families, caregivers, and survivors now addresses the  
36 exclusion reflected in the previous version to care for him who  
37 shall have borne the battle and for his widow and for his orphan.  
38 This change was made possible due to tireless efforts of advocates  
39 and advisory boards, like the Suffolk County Legislature Women  
40 Veterans Advisory Board.

41  
42 This board was originally established and passed into law in  
43 Suffolk County 2019 to discuss the issues of importance and  
44 relevance to the women veterans' community and to make  
45 recommendations regarding proposed legislation, policies, and  
46 programming to the Suffolk County Legislature and to the Suffolk  
47 County Executive in connection with the following: To advocate on  
48 behalf of the women veteran community in Suffolk County, to  
49 encourage civic participation in all levels of government by women  
50 veterans, to promote governmental interaction with women veterans  
51 and to provide information necessary for women veterans to enable  
52 them to have equal access and opportunity to be heard in Suffolk  
53 County and to improve understandings between women veterans,  
54 Suffolk County government, and Suffolk County residents. In the  
55 short time we were an active advisory board prior to the pandemic,  
56 we quickly acted to better and helped to bring about changes to

1 better the lives of our local women veterans. We were an active  
2 voice raising awareness and then support from you, the Suffolk  
3 County Legislature, in the fight to gain access to a female  
4 gynecologist at the Northport V.A., a successful fight that  
5 resulted in the hiring of a female GYN in 2022. We were also able  
6 to suggest the passing of a resolution that you as legislators  
7 passed unanimously there any declaring June 12 Woman Veterans'  
8 Appreciation Day in Suffolk County. We were able to help organize  
9 and host two successful Zoom calls to honor 18 woman veterans, each  
10 chosen by their district legislator not only for their brave  
11 service to our country but to their dedications to the communities  
12 upon entering back into the civilian world. We were successful in  
13 advocating for support of organizations in our county that are  
14 supporting our women veterans and offering the services and support  
15 that they need in navigating a very complex and unique set of  
16 issues returning to civilian life after serving on active duty. A  
17 we as a board supported that we felt our vice as a board can brake  
18 a difference in to be up and running again.

19  
20 We look forward to connecting the woman veterans of Suffolk County,  
21 hearing their needs, and helping the legislature to continue to  
22 serve and continue to make positive changes to the lives of our  
23 Suffolk County women veterans. I personally appreciate the efforts  
24 of Legislator Nick Caracappa, his chief legislative aide, Bob  
25 Martinez, and staff for their support and efforts in getting this  
26 advisory board back up and running and helping to get the necessary  
27 appointments needed to move forward.

28  
29 **CHAIRMAN CARACAPPA:**

30 First of all, thank you. There's no need to thank me. On behalf  
31 of myself and my colleagues up here, first of all, we all thank you  
32 for your service to this country; that's first and foremost. And I  
33 thank you for the work you did with the Northport V.A., getting the  
34 changes made and the dignity that the women veterans deserve so  
35 excellent work there. That's just one example of what you are  
36 going to be doing and what you're capable of doing on this advisory  
37 board. I look forward to working with you and the entire  
38 committee. I look forward to the invitation to your first meeting  
39 because I'll be there, and we all look forward to celebrating June  
40 12th in person.

41  
42 **MS. NORTON-DOHERTY:**

43 Yes. I do, too.

44  
45 **CHAIRMAN CARACAPPA:**

46 You know, and we will have a great event in this county. I'm going  
47 to open up any questions from my colleagues. Legislator Thorne.

48  
49 **LEG. THORNE:**

50 Not necessarily a question but I want to follow through with what  
51 Legislator Caracappa said. I get to call you a friend and a former  
52 neighbor. As much as your work is so valued on the veterans'  
53 front, especially those woman veterans, you also do so many other  
54 things for your community including starting the father/daughter  
55 neighborhood watch with myself, including being part of the  
56 Patchogue community for so many years and involving yourself to

1 make it a better Suffolk County for us all to live in, so I wanted  
2 to personally thank you for your service not only in the military  
3 but also for the general public. You're an outstanding person, and  
4 if we had more of you, this would be an outstanding county as well  
5 so thank you.

6  
7 **MS. NORTON-DOHERTY:**

8 Thank you, Legislator Thorne. Appreciate that. Thank you for  
9 those kind words.

10  
11 **CHAIRMAN CARACAPPA:**

12 Legislator Anker.

13  
14 **LEG. ANKER:**

15 Also I want to thank you for the work that you've done. Women have  
16 been serving in our military since the beginning, and we're now  
17 seeing some progress with some of the resources.

18  
19 **MS. NORTON-DOHERTY:**

20 We are.

21  
22 **LEG. ANKER:**

23 So thank you for being such a strong advocate for woman in our  
24 military. So the question is have you seen additional improvements  
25 at the V.A. center? And if you have, you know, let us know, but if  
26 you know of more improvements that we can advocate with you to have  
27 them move forward with.

28  
29 **MS. NORTON-DOHERTY:**

30 Thank you, Legislator Anker. I appreciate that. We have most  
31 definitely seen improvements, and I feel it's due to advisory  
32 boards like this. The advisory board that V.A. Northport has set  
33 up, we believe we're being heard. Still improvements to be made,  
34 of course, but we are moving in a positive direction. I believe  
35 so, anyway.

36  
37 **LEG. ANKER:**

38 Thank you.

39  
40 **CHAIRMAN CARACAPPA:**

41 Anyone else? Well, as most of you are aware, those listening who  
42 are not aware, Suffolk County houses the largest constituency of  
43 veterans throughout New York State, the largest constituency, and  
44 we here in Suffolk County take it very seriously -- I know I do --  
45 the needs and concerns of our veterans. Many of them are homeless  
46 at this point. With us today is Mr. Thomas Ronayne in the  
47 audience. Tom, you can please come up if you would like to share  
48 the dais.

49  
50 **LEG. KRUPSKI:**

51 If I could, Mr. Chair, while he's coming up.

52  
53 **CHAIRMAN CARACAPPA:**

54 Yeah, absolutely.

55  
56 **LEG. KRUPSKI:**

1 Thank you for your work because it is kind of -- you know, it is  
2 kind of the we-only-know-what-we-know type of thing and your  
3 advocacy makes a big difference because now we know what could be  
4 done so thank you.

5  
6 **MS. NORTON-DOHERTY:**

7 Thank you, Legislator Krupski. I appreciate it. I just want to  
8 hit on the one note that you did say with the homeless veteran  
9 population we most definitely have in Suffolk County. Separate  
10 than woman veterans where I feel we don't have an actual  
11 transitional house set up specifically for them that they wouldn't  
12 share with men or they wouldn't share with civilians, that they  
13 would be able to bring their children to unless there's been a  
14 recent change to that, and I believe Marcel would be able to  
15 correct me if I'm wrong.

16  
17 Otherwise, we actually do have very good services set up in Suffolk  
18 County already. Somewhere maybe there is a breakdown in getting  
19 the list of services that are accessible to veterans to the  
20 veterans upon reentry into the civilian life here in Suffolk  
21 County, and some are definitely falling through the cracks with  
22 issues not being addressed, but we as a county really do have an  
23 amazing network already, and working under Tom Ronayne's leadership  
24 the veterans service office I believe is very welcoming and open to  
25 the veterans of this county to connect them with those services.  
26 So where I see it is there may be a break down right now in getting  
27 that list of services to them when they come back here to our  
28 county, but I applaud Tom Ronayne and his office because what I've  
29 seen in my past 25 years in being a veteran in this county, the  
30 changes and how we've grown, it's been amazing, so I applaud you, I  
31 do.

32  
33 **CHAIRMAN CARACAPPA:**

34 Well, we're going to continue with those growing changes out of  
35 necessity, and this is one of the reasons you're sitting here, that  
36 alone, that one point you made with the transitioning. We have  
37 heard many stories and not all of them good about transitioning  
38 veterans. I've worked with Mr. Ronayne here, Tom, my friend, I  
39 call him, on several issues already, and we're only still just  
40 scratching the surface, so I look forward to the collaboration of  
41 the two of you, working with the two of you, continuing working  
42 with the two of you and continuing to see this county excelling in  
43 the ways we can assist and aide our veterans who need it in a many  
44 manner of ways, whether it be mental health, physical care,  
45 homelessness. We have one of the best hospitals, we have one of  
46 the best veterans homes in Stony Brook. They do great work there  
47 but, we can always improve, you know. Tom, anything you'd like to  
48 add?

49  
50 **DIRECTOR RONAYNE:**

51 Well, you know me. I never have much to say.

52  
53 **CHAIRMAN CARACAPPA:**

54 That's why I was cautious about asking you. No, I'm only kidding.

55  
56 **DIRECTOR RONAYNE:**

1 Good afternoon, Mr. Chairman, members of the committee, other  
2 members of the legislature and guests. As always, thank you for  
3 the opportunity to be here today. I would like to sign on to your  
4 praise of Cathy and the work that she has and continues to do on  
5 behalf of not only women veterans but veterans generically as an  
6 overall population both here in Suffolk County and beyond.

7  
8 Before I go too far, I just would like to acknowledge that we have  
9 a couple people in the audience who are really integral to  
10 accomplishing so many of the good things that we are able to  
11 accomplish here in Suffolk County. I think we can all agree that  
12 when it comes to veterans services, I am really just the pretty  
13 face.

14  
15 **CHAIRMAN CARACAPPA:**

16 That, you are.

17  
18 **DIRECTOR RONAYNE:**

19 The grunt work, the hard work, the mission is really carried out by  
20 the people --

21  
22 **CHAIRMAN CARACAPPA:**

23 Please take a moment to introduce them.

24  
25 **DIRECTOR RONAYNE:**

26 Marcelle Leis, think you all know.

27  
28 **CHAIRMAN CARACAPPA:**

29 Yes, of course, Marcelle.

30  
31 **DIRECTOR RONAYNE:**

32 Just an extraordinary advocate. Retired the military. Has brought  
33 her lifetime of service to us here in the county and has worked  
34 with us magnificently over the years now running the Joseph Dwyer  
35 program and being what I consider to both be an indispensable  
36 partner as well as a dear friend.

37  
38 Seated with Marcelle today are Keith O'Reilly Joel McDermott, Keith  
39 being a veteran of the United States Navy, Joel being a United  
40 States Marine. Keith and Joel are veteran service officers with the  
41 Suffolk County Veterans Service Agency, and I invited them here  
42 today because I feel that it is important for not only for me to  
43 know you and you to know me but to understand who the staff are,  
44 who the people who are really hands on with our veterans day in and  
45 day out, responding to their calls and addressing their needs.  
46 Those are the people seated in the audience today, and I just  
47 wanted to make sure that we acknowledge them because they are doing  
48 God's work.

49  
50 Shifting back to Cathy and her efforts for a moment, Mr. Chairman,  
51 you alluded specifically to a disconnect that exists with linking  
52 returning veterans, transitioning persons who are transitioning  
53 from service into their veteran status and returning home from  
54 service, and I would be less than honest if I said to you that that  
55 problem has probably not worsened over the past five or six years.  
56 In my opinion, the reason that that problem has continued to become

1 a greater challenge, something that's really been vexing us for a  
2 while is a number of years ago, the practice was that when a  
3 service member was separating from service that two things happened  
4 among the many other things, but two of the things that happened  
5 were the military service and military medical records were  
6 transferred to the Department of Veterans Affairs Medical Center  
7 nearest their home of record which makes sense, right? That's a  
8 good thing. The other thing that happened was notification of  
9 their separation from service and their basic -- essentially their  
10 DD214, their discharge document was forwarded to one of the 50  
11 state divisions of veterans affairs in the states. So you're  
12 transitioning from service. DOD would send notification to your  
13 state division of veterans affairs. That state division of  
14 veterans affairs would in turn make that information available to  
15 us at the county level. DOD in their infinite wisdom about six  
16 years ago decided that notification to the states had, for some  
17 reason, become problematic and that they ceased doing that so the  
18 mechanism by which we would be notified of returning service  
19 members coming home to our community was effectively shut off.  
20 They closed that valve, and the states are in the same situation  
21 that we in counties now find ourselves and that is that we don't  
22 know who's coming back. The only thing we can really do is we work  
23 closely with our medical center and the associated clinics and our  
24 community-oriented outreach. It's important for us to be in the  
25 community making ourselves known because we can no longer go to  
26 them. We're back to a place where we have to wait for them to come  
27 to us. Suffolk County has been very proactive. We've been very  
28 engaged on this issue. I must tell you that the county executive  
29 has given me all the support that I've needed to engage in outreach  
30 and to get out into the community, but again, it's a very different  
31 animal when I had a list of names and numbers. I could send you a  
32 letter in the mail I could send you a welcome home package. We can  
33 no longer do that, and unfortunately it's affecting our ability to  
34 engage the most recently-returned service members. So, Cathy, you  
35 got your work cut out for you.

36  
37 **CHAIRMAN CARACAPPA:**

38 Well, we're all going to work together. Cathy, you were asking for  
39 a list of resources. I mean, that's the guy right there. That's  
40 the gentleman right there that can help you with that. We have to  
41 think of ways to possibly get it out there more, a link or  
42 something. I think we already have have something on our website,  
43 county website. So when you Google veterans services, it should  
44 probably pop up right to us.

45  
46 **DIRECTOR RONAYNE:**

47 It does. And again, we have a lot of moving parts, so to speak,  
48 but absent the notification of the service members, I could not  
49 tell you if I looked you in the eye right now, I can't tell you if  
50 we have one service member returning to Suffolk County this week or  
51 if we've got 25. I just don't know, and that is just not something  
52 that we at the local level or even at the state level have an  
53 ability to influence. This is a Department of Defense measure that  
54 needs to be addressed, and I'm not even certain that it is  
55 something that can be addressed congressionally so much as within  
56 DOD. We've had these conversations with numerous representatives

1 over the years as have our state counterparts but the policy has  
2 not been amended since it was initially changed.

3  
4 **CHAIRMAN CARACAPPA:**

5 And that would be to get information upon return or transitioning.

6  
7 **DIRECTOR RONAYNE:**

8 Yeah. Simply notification to the home state, the state where the  
9 veterans home of record upon entry into service was, that that  
10 state division of veterans services would be notified of that  
11 transitioning veteran's return. That piece no longer occurs.

12  
13 **CHAIRMAN CARACAPPA:**

14 No longer? So it did exist?

15  
16 **DIRECTOR RONAYNE:**

17 It did, up until about six years ago.

18  
19 **CHAIRMAN CARACAPPA:**

20 Okay. I missed that part. I was communicating with my -- so let's  
21 see if we can begin action to get that reinstated. I mean, that's  
22 a valuable piece of information for those who are not only  
23 transitioning but for us here as who offer the services, so that  
24 would be a great portal to --

25  
26 **DIRECTOR RONAYNE:**

27 This is a recurring discussion. This is an ongoing discussion not  
28 only with myself and my office but the state and all of the states  
29 for that matter because when we meet professionally, whether  
30 conferencing or whatever it is, this is a conversation that is  
31 occurring nationally. It's not only our county or our state; it's  
32 a policy that DOD implemented, and it affects all states.

33  
34 **CHAIRMAN CARACAPPA:**

35 Yes, absolutely. So I see we have a mission at task here. I'm  
36 more than happy to join the both of you in getting that done. I  
37 think we know a couple of state officials we can contact. As a  
38 matter of fact, a congressman man we can contact as well.  
39 Legislator Piccirillo, did you have something you want to add?

40  
41 **LEG. PICCIRILLO:**

42 Yeah, I did, Mr. Chairman, but I think Mr. Ronayne brought up --  
43 the congressional delegation was my question. I know we have a new  
44 congressman, and we do have two congressman that I know very well  
45 here in Suffolk County. I know he sits on Amred Services, so  
46 that's definitely a gateway to try to get to DOD.

47  
48 **DIRECTOR RONAYNE:**

49 Yeah. We have a couple congressional representatives in the Long  
50 Island delegation. We haven't had our, Hey, folks, this is what we  
51 need and this is our schedule of priorities. We haven't had that  
52 discussion yet, but we have had the discussion about having that  
53 discussion; so yes, this is an issue that we've very much aware of.  
54 We're very much engaged in, but to the extent that the reality of  
55 the limitations that we are confronted with, we can do what we can  
56 do.

1  
2 **LEG. PICCIRILLO:**

3 Was there a reason that the DOD had changed what had been  
4 practiced?

5  
6 **DIRECTOR RONAYNE:**

7 Not that I'm aware of. I know there was discussion of  
8 privacy-related matters. But again, we are credentialed, as are  
9 the state-level offices. We are credentialed by the Office of the  
10 General Counsel U.S. Department of Veterans Affairs. We are  
11 background checked. We have security clearances, and every contact,  
12 every client that we serve is served in a confidential environment.  
13 All of our information is HIPAA-protected. All of our information  
14 is Privacy Act protected. So the concerns about release or  
15 disclosure of information is -- it seems a hollow justification in  
16 my opinion.

17  
18 **LEG. PICCIRILLO:**

19 I agree with you. Thank you very much. Appreciate it, Mr.  
20 Chairman.

21  
22 **CHAIRMAN CARACAPPA:**

23 I also want to take a moment to recognize another U.S. Army Veteran  
24 in the audience, Dani Kalermos (ph). I'm destroying it. But your  
25 organization reaches out to the mental health and wellness, and  
26 you're at almost every one of these meetings, so we appreciate your  
27 contribution, Dani, and I'm not sure if you guys have a connection  
28 yet, but I would strongly suggest that you do because she does  
29 tremendous work as a veteran and someone who believes in serving  
30 our veterans, so that's one valuable resource back there, so it's  
31 good for you guys to network and partner up.

32  
33 I also want to recognize my counsel right here. He's a veteran  
34 himself in the Marine Corps. Oorah. We take it very seriously  
35 here, and I couldn't be happier to have both of you sitting up  
36 there and being able to work with you and the great work you do in  
37 Suffolk and on behalf of all the veterans, I thank them all for  
38 their service. I thank you all for what what we are about to -- I  
39 see, and Thorne -- we have a couple. I just want to wrap up. I'm  
40 very thankful. I'm very excited about the work we are going to get  
41 done.

42  
43 I'm going to turn it over. We have Legislator Thorne, and then  
44 Legislator Fleming, was it, waving? Okay. Legislator Thorne.

45  
46 **LEG. THORNE:**

47 So you may already be doing this. One of the things I find when I  
48 visit the VFWs in my district, and I'm there often, is the lack of  
49 their ability to outreach to veterans coming home. Is it a good  
50 idea if you're not already doing it to start hosting a series of  
51 public service announcements or commercials saying, you know, get  
52 involved with your local because the ultimate goal, I would think,  
53 is to get -- especially veterans coming home -- connected with  
54 other veterans here. We all know that veterans come home with some  
55 kind of physical and emotional scars. You can't discuss or often  
56 won't discuss, when a civilian has never lived that life, what

1 they've gone through, and my concern is for their safety,  
2 obviously, when they came home after serving. So maybe the county  
3 can embark on a public service announcement program to try to  
4 attract them in the public saying, Hey, come join your local VFW,  
5 your American legion, your various veterans groups. At least  
6 they're connecting with somebody in our county that has served in  
7 our military and possibly can help point them in the direction,  
8 point them in your direction, point them in Ms. Dogerty's direction  
9 or whatever direction they need, but I think that we need to as a  
10 county do more outreach saying, Hey, our veterans groups are here  
11 and and come be part of our family or the veteran family. So it's  
12 just a suggestion. You may already -- I'm not trying to reinvent  
13 the wheel, but it might be something we should work on and fund it  
14 for necessary to connect with veterans coming home in absence of  
15 the notification system, which, for some strange reason, has been  
16 pulled.

17  
18 **DIRECTOR RONAYNE:**

19 So I've always been very proud of the outreach efforts that we have  
20 been able to accomplish in the community. We've been very present.  
21 I think we, as with most every other agency at the county level,  
22 were significantly impacted by Covid. Outreach went away  
23 effectively. September 8 and the cyber piece did not help us. I  
24 won't lean on any of those as excuses for where we are today. We  
25 are back in the community. We are engaging to the extent that we  
26 have the ability to. I will tell you the -- I chair the county  
27 executive's veterans advisory board, and the veterans' advisory  
28 board is comprised of the leadership level representatives of each  
29 of the organizations that I think you're referring to: The American  
30 Legions, VFWs, Marine Corps League, Airforce Association, Korean  
31 War Veterans, and on and on, and we work very closely with the  
32 leadership whether at the county, district, or department levels of  
33 those organizations to be responsive to their requests for support  
34 and outreach. We do visit their events. We do visit their posts.  
35 But again, we're talking about when you look at the entire  
36 footprint, it's fairly significant, well in excess of a hundred  
37 different facilities across the county when you factor the Marine  
38 Corps Leagues, VFWs, American Legions, so it's difficult for us to  
39 have a presence at all of them. We find, and I think that our  
40 experience has demonstrated, that our resources are most  
41 effectively committed at the county level so we're working with the  
42 county commander of organization XYZ, and they in turn take  
43 information, materials, literature that we provide them and they  
44 disseminated out. It's just a more efficient process than for me  
45 to pretend that I can, over a short period of time, that I can  
46 visit each of those entities. One of the limiting factors is that  
47 most of these groups meet one time per month. So even if I had two  
48 people assigned to doing nothing but outreach, we're visiting very  
49 few in relation to the overall number of these organizations by  
50 engaging at the county commander or the district commander level.  
51 They have effectively immediate access to their subordinate units  
52 below them in the county. They can get information pushed out to  
53 their units much more efficiently than we can, and that's kind of  
54 where we are.

55  
56 The PSAs, over the years, we have tried with limited success but

1 that's something that we can certainly visit. I just wanted to be  
2 clear with you that this is something that we are engaged in. We  
3 currently have an outreach schedule in the office where I think  
4 most everybody on staff right has upcoming assignments. We've been  
5 covering things recently. As the weather improves, I like to say  
6 "'tis the season." This is our season to get out there. The  
7 events, the programs are increasing in number and frequency, and we  
8 like to get out to some of -- the air show at Jones Beach, the  
9 American Airpower Museum -- some of the places where we have large  
10 attendance. It's important for us be out there.

11  
12 **LEG. THORNE:**

13 So you do understand that what I was trying to note is more of a  
14 recruitment effort --

15  
16 **DIRECTOR RONAYNE:**

17 Yes.

18  
19 **LEG. THORNE:**

20 -- to maybe catch the public that is not part of these great  
21 agencies. Listen, you guys do an outstanding job; there's no doubt  
22 about it, but I was talking more about a countywide recruitment  
23 effort to connect veterans coming home with the veterans services  
24 and clubs and organizations that are out here. That's explicitly  
25 is what I was talking about. But I wanted to make it clear that I  
26 wasn't saying that you guys aren't --

27  
28 **DIRECTOR RONAYNE:**

29 No, no, no. I understand completely.

30  
31 **LEG. THORNE:**

32 Okay. I don't want Cathy to beat me up on the way out, so I  
33 figured I'd throw that in.

34  
35 **DIRECTOR RONAYNE:**

36 We do work closely with the Rotary, the Kiwanis, some of the other  
37 organizations, and I would tell you that to a point that you just  
38 made -- I'm not sure if you know you made this point -- one of the  
39 things that we do, and we're very, very conscious of this when we  
40 conduct outreach, we like to get out there into the community in  
41 places that are not necessarily a room full of veterans. Marcelle  
42 is here. Marcelle can speak much more intelligently than I on the  
43 Dwyer Program, but I will tell you that about 85 percent of the  
44 initial contact that we receive in terms of supporting veterans  
45 through our Dwyer Program does not come from the veteran him- or  
46 herself but, in fact, comes from a loved one or somebody connected  
47 to that veteran. So engaging the nonveteran folks out there is a  
48 big part of our outreach. It's the neighbors, it's the coworkers,  
49 it's the employers, it's the schools, it's all of the above. We're  
50 absolutely tracking on the fact that the public is a vital resource  
51 for us to engage that veteran who may not be in attendance at that  
52 event but whose mom or neighbor or best friend or high school math  
53 teacher may be. So, you know, we're doing our very best to be in as  
54 many places at one time as we can; I promise you that. The mission  
55 is too important for us to not.

1 **LEG. THORNE:**

2 Absolutely. And thank you, as I don't sit on the committee so I  
3 appreciate at latitude.

4  
5 **CHAIRMAN CARACAPPA:**

6 Of course. No problem. Legislator Fleming.

7  
8 **LEG. FLEMING:**

9 Thank you. Thank you, Mr. Chair, and thank you, Cathy, for  
10 presenting. Good to see you, Director Ronayne. I'm glad to hear  
11 that that Women's Advisory Board is getting back up and running.  
12 Do you have a meeting scheduled yet?

13  
14 **MS. DOHERTY:**

15 We don't. We just finished filling in the appointments last week so  
16 I believe they all still have to take their oath, and then we will  
17 schedule our first meeting.

18  
19 **LEG. FLEMING:**

20 That's great because you did do very good work. I'm sure there's a  
21 lot more to be done, so thank you for that. I did want to ask  
22 about mental health services and specifically with regard to women.  
23 It's interesting that Director Ronayne says so frequently, you  
24 know, it's the families of veterans who get in touch. Oftentimes,  
25 those are wives or mothers or you said a teacher, most likely, not  
26 always, but often a woman, so it's a little tougher sometimes for  
27 women who are themselves suffering from substance abuse disorder or  
28 depression or post-traumatic stress disorder, military service  
29 trauma from sexual trauma. So are you -- is that something that's  
30 on the agenda? Is that something that you'll be talking about our  
31 working to alleviate or address the fact that there are unique  
32 concerns around women's mental health and women veterans' mental  
33 health and how we might advise and we as the legislature might  
34 support moving in a helpful direction?

35  
36 **MS. DOHERTY:**

37 Absolutely. That was one of our original missions. It was really  
38 mental health that was part of the fight in gaining access to a  
39 female gynecologist at the Northport V.A. It wasn't just physical,  
40 it was mental health as well, so absolutely we will do that and  
41 look to keep the legislature apprised if there is some legislation,  
42 something you could do right within your district, maybe, like  
43 outreach Dominick was talking about. I too agree it's more often  
44 the caregivers that you're going to find are going to realize  
45 there's an issue and come forward prior to an actual veteran. I'm  
46 a strong, strong believer and supporter in peer camaraderie being  
47 the best first resource for all veterans. I'm a very big supporter  
48 of the Dwyer Project. I think what they have done there, that's  
49 something you should be possibly promoting within your districts  
50 even to the caregivers. This is a program right now that we have  
51 in place that works. If they show up to the Dwyer Project, they  
52 then would have access to the entire network out there of other  
53 organizations and agencies. I know myself, that's what has  
54 happened in going to the Dwyer Project, so again I feel like we  
55 have this stuff out there already and they are already addressing  
56 our needs. We just have to connect the veterans to that. I think

1 the caregivers is such a -- a few years ago, there was a local  
2 organization that was hosting symposiums for families of returning  
3 service remembers and what they could look for, having a  
4 professional mental health person come in and give those families  
5 what they could look for, the different resources out there in the  
6 county already established. So the same as legislators choose to  
7 hold the Red Cross preparedness seminars or the Narcan, you can  
8 look in your own district to hold for returning service members or  
9 veteran family members bring in resources that are already set up  
10 at the V.A., bring these people in to something at your library or  
11 within your district office and provide this information to the  
12 caregivers. We know we're still losing so many veterans. The link  
13 to them right now, if they are fortunate enough to have a family --  
14 many are -- support service, that's going to be your connection  
15 right there. But as an advisory board, that's top of the list.  
16 For any advocate working in a veteran advocacy position right now,  
17 mental health and active duty and veterans is top of the list.

18  
19 **LEG. FLEMING:**

20 I guess there's sort of a combination between being a woman and  
21 being a veteran that would tend to cause people to try not to make  
22 waves, not to make a fuss, sort of suck it up and live with  
23 whatever is troubling you. So to the extent that there's a way to  
24 improve the level of comfort that a female veteran would have in  
25 reaching out for help, I think would be so valuable. For instance,  
26 we would -- nobody really focused except you ladies on what was  
27 happening at the Northport V.A. not only that there wasn't a female  
28 gynecologist but also that you had to go through this kind gauntlet  
29 of men waiting for their appointments in order to even get  
30 healthcare, you know. It's your experience that makes that so  
31 valuable because with the best of intentions, folks just might not  
32 know. So to the extent that you're able to address, you know,  
33 specific experiences of women that will help us actually reach  
34 people and not just, you know -- that woman know that these things  
35 are there and feel a comfort level in reaching out I think is a  
36 huge value.

37  
38 **MS. NORTON-DOHERTY:**

39 I do too, and that's why I am so excited about this board and to  
40 get it going again because I think collectively we come to the  
41 table and offer that voice to the woman veteran somewhere in this  
42 county that may not feel comfortable speaking up even for herself  
43 so that's why I feel this is essential to the legislature and to  
44 the overall wellness of women veterans in the county.

45  
46 **LEG. FLEMING:**

47 I agree. Thank you very much for your service.

48  
49 **MS. NORTON-DOHERTY:**

50 Thank you, Legislator Fleming.

51  
52 **CHAIRMAN CARACAPPA:**

53 All right. Legislator Anker.

54  
55 **LEG. ANKER:**

56 Real quick. You know, we've been dealing with this problem since

1 I've been in office, what, you know, for 12 years trying to reach  
2 out to our veterans. I know you said six years ago, but even  
3 before, it was tough to get that information, and I understand -- I  
4 know they were afraid of privacy, being targeted, 9/11. There's  
5 reasons, but we're a government agency. We should be able to  
6 provide those resources.

7  
8 **MS. NORTON-DOHERTY:**

9 We should.

10  
11 **LEG. ANKER:**

12 And, you know, what you've done with the Dwyer Program -- I'm  
13 looking at some of your updates -- has just been phenomenal, and I  
14 actually attended one of the events at Rose Caracappa in Mount  
15 Sinai, and the peer-to-peer is incredible. But what's happening  
16 with the veterans is that they are very proud, and they don't want  
17 to admit that they have any problems. They've been told, like you  
18 said, suck it, let's not talk about it, focus, move on. But they  
19 need our help, and it's very frustrating that we have to literally  
20 track them down. We have to just really to intense reach out but I  
21 wanted just to compliment also the event -- the wellness camp. If  
22 you can give us a little information on that and maybe e-mail that  
23 over to us because I think that's really important. You know, when  
24 you talk about mental health, it's still taboo. People don't want  
25 to talk about it, especially people that are maybe 40 and older;  
26 but when you talk about wellness, that's different. And I think  
27 that's more accepted by that generation, by our generation.

28  
29 So again thank you for all the wonderful work that you're doing.  
30 Don't give up. I know I've worked with Melissa Pandolf in trying  
31 to create a military PTA, which again they -- there are issues and  
32 privacy concerns, but those kids need our help. Their parents are  
33 away, whether it's mom or dad, and there's a lot of peer-to-peer  
34 conversation that can really help our stress and their stress in  
35 dealing with that. So let's see what more we can do, and thank you  
36 for all the energy and efforts you've put forth, but we're not  
37 going to give up.

38  
39 **MS. NORTON-DOHERTY:**

40 Thank you, Legislator.

41  
42 **CHAIRMAN CARACAPPA:**

43 All right. Anyone else? All right. Seeing no one else, I'll just  
44 say thank you all again. Just for the record, I have extended an  
45 invitation to Marcelle Leis from Dwyer for next month's meeting to  
46 come and talk about the Dwyer Program a little bit. Everybody's  
47 welcome to join in on that conversation, and I want to thank all  
48 those who sent their nominees in for the Women's Advisory Committee  
49 including you, Mr. Ronayne. You sent someone very -- the resume on  
50 your applicant was outstanding so thank you.

51  
52 **DIRECTOR RONAYNE:**

53 Well, thank you for that. I was going to close with a thanks and  
54 an apology to both you and to Bob Martinez for your patience. It  
55 may have been a bit glacial in my getting my final reply to you,  
56 but sometimes the wait is worth it.

1  
2 **CHAIRMAN CARACAPPA:**

3 It appears this time it was. All right. We look forward. We  
4 don't look backwards. We look forward here.

5  
6 **DIRECTOR RONAYNE:**

7 Can I suggest -- and to follow up on something that Legislator  
8 Anker had said. If Marcelle might just jump up to the podium and  
9 remind everybody of the Joseph Dwyer Program Family Day of  
10 Wellness, which is coming up rapidly. I would encourage every  
11 member of the legislature -- your family, your friends, the guy you  
12 get your coffee from in the morning, everybody you know, please  
13 encourage them to stop in and visit the Dwyer Program Day of Family  
14 Wellness. This is really geared -- it's centric to the family  
15 members, the caregivers, the loved ones, those in the sphere of the  
16 veteran not as much the veteran, but it's a good way to become  
17 exposed to some of the services and the service providers that you  
18 might not necessarily expect to be in the room so to speak.  
19 There's some kind of nontraditional folks out there in the  
20 community doing wonderful work, and I would love for all of you to  
21 benefit by seeing and witnessing this for yourselves.

22  
23 **CHAIRMAN CARACAPPA:**

24 Without further adieu, Marcelle, just state your name for the  
25 record.

26  
27 **MS. LEIS:**

28 Marcelle Leis. I am the director of the veterans services at the  
29 Association for Mental Health and Wellness. I thank you, Tom, for  
30 that intro. I'm always prepared when I'm behind you that I'm going  
31 to be pushed right up to the front, and that's fine. Thank you,  
32 Legislator, and for your support to our veterans services. All  
33 these conversations are just in my head right now, and the things  
34 that we need to do, and the work that we've done, and the work that  
35 we need to go ahead, it's all very important, and we can't do it  
36 without the community.

37  
38 So the Day of Wellness is our ninth annual. We've been doing it  
39 since the second year of the Dwyer Project started here in Suffolk  
40 County. We'll be having it on Saturday, June 10. It's at the Camp  
41 Aquatic Center in Center Moriches. We will be sending out that  
42 invitation to all of you. Please come attend even if you can just  
43 stop by for a little bit. To see it is to believe it. It is a  
44 wellness day. We are a mental health agency, but we really do  
45 focus on the veteran cultural competencies of people that were  
46 first responders that have trouble raising their hand, like you all  
47 acknowledged that we can't say we need help. So we bring it to  
48 them in different ways of nontraditional therapies, equine therapy.  
49 We have partnerships with so many agencies and organizations that  
50 just want to come and help veterans. So it's free to them, it's  
51 free to their families. Family is not defined by blood, so anybody  
52 that knows anybody that's a veteran, which I know we all do, grab  
53 one, bring them with you, and let them experience truly what we're  
54 doing here in our community in Suffolk County to help veterans and  
55 their families go through that whole reintegration period. So I  
56 appreciate your time. Thank you.

1  
2 **CHAIRMAN CARACAPPA:**

3 I appreciate it. Thank you very much for the information. Looking  
4 forward to the invitation and being part of it. Thank you.

5  
6 All right. Well, for time restraints, I want to thank both of you  
7 for coming in. Tom, Catherine, thank you. Looking forward to  
8 working with you. Again, on behalf of all of us up here, thank you  
9 for your service.

10  
11 **DIRECTOR RONAYNE:**

12 Thank you, all. And, Legislator Caracappa, I can tell you that I  
13 take some degree of comfort in knowing that you've got a devil dog  
14 on your right hand. You're in good hands.

15  
16 **CHAIRMAN CARACAPPA:**

17 That's for sure. So do I. He's a weapon.

18  
19 All right. Moving on in the agenda, folks. Sorry for the delay,  
20 but it was well worth it with all that information we got.

21  
22 Tabled Resolutions.

37  
38 **CHAIRMAN CARACAPPA:**

39 IR 1111 passes. Congratulations. Great job, and I will cosponsor

42 **LEG. ANKER:**

43 Cosponsor.

53
